THE SALON AT BOCA WEST

GENERAL MANAGER'S MESSAGE

Dear Member,

ALL OF OUR MEMBER GUEST EVENTS held this season were a tremendous success. There were nearly 1,800 in attendance for golf, tennis, cards and spa combined. If you weren't able to participate this season, be sure to be available next year.

I look forward to seeing you and your friends *Under the Stars at the Driving Range*, for our annual event, **Tanglewood at Boca West** on Wednesday, April 11. This year the theme is GREAT HITS of the '60s including a Tribute to the King (the music of Elvis Presley), Salute to Ol' Blue eyes (Frank Sinatra Medley) and a Tribute to Louis Armstrong for solo cornet. The final touches are complete for our Seder Dinner and Easter Brunch, which means the beginning of the end of another great season and the beginning of an exciting summer season coming your way. Please don't forget to make reservations our **Mother's Day Champagne Brunch** on Sunday, May 13. Bring Mom to your Club and celebrate this very special day honoring her in Boca West Style—the reservation deadline is Sunday, April 15.

Even though the "slower" months are right around the corner, that won't stop us from having special events planned for you during the summer and this year, **Prime Cut – *The Place for Steak*** – will be open until mid-May. Reservations are still available by calling 483-6300. Stay tuned for more details regarding our summer activities and events.

With the ending of another spectacular season, your new committees and I are focused on planning a bigger and better 2018/19 season! The process has already begun with the planning of scheduled activities throughout the Club for next year. If you have a thought, an idea or suggestion, please contact the Chairman or department head of that particular department and they will be happy to share the idea at their next committee meeting. The department heads and I are anticipating another exciting and productive year working side-by-side with all of the newly appointed committees.

Before you know it, our three **summer holiday celebrations** will be here. Please mark your calendars now for Monday, May 28; Wednesday, July 4 and Monday, September 3 so you won't miss out! And you'll be happy to know that our **holiday dinner dances** have also been planned for Saturday, May 26; Saturday, June 30 and Saturday, September 1.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and I look forward to seeing you around the Club!

Sincerely,

Matthew Linderman, CCM

Building Relationships Through Tennis *at Boca West*

DID YOU KNOW?

Be aware of April Showers!

You should not play on wet tennis courts

A clay court is pretty much safe after 15 minutes of a light drizzle except for its lines which can get quite slick. Experienced players even have a tough time trying not to slip while crossing over them while at play. If a group decides to play on a court prematurely to it being completely dry, the players can in return ruin the court by digging up the surface with their shoes and this will leave grooves and "pockets" on the court. For your overall safety during these spring shower months, please be aware and listen to the tennis staff as to when the courts will be available for you and your partners to play on.

BEST SLEEPING POSITIONS
FOR BACK AND NECK PAIN AND ARTHRITIS

By Palm Beach Institute of Sports Medicine

BACK PAIN

People with back pain should sleep on their sides or back; for side sleeping, put a pillow in between your knees to keep the hips aligned. If you sleep on your back, place a pillow under your knees to reduce the strain on your back. Stomach sleeping can put pressure on the abdomen, aggravate back pain, and cause numbness and nerve pain.

ARTHRITIS

Fifteen percent of the population sleeps like a log or with his her hands at his/her side. This position can reduce snoring, but can be painful for patients who have arthritis. Sleep in whichever way is more comfortable and use pillows to reduce strain and pressure on painful joints.

NECK PAIN

If you have neck pain, you should sleep on your side or on your back. Don't use a pillow that's too stiff or too high. When you sleep on your back, choose a pillow that has a neck support an indentation for the rest of the head. When you sleep on your side, choose a pillow which is higher at your neck than at the rest of the head area.

The Game of Bridge

> "The British have their cricket; the French love bicycle racing; the Russians are chess fanatics; the Americans call baseball their national game. But all nationalities play bridge."
>
> – *The Sports Illustrated Book of Bridge*, 1961

IF YOU PLAY BRIDGE, YOU HAVE COME HOME - BRIDGE IS BOOMING AT THE CLUB

BOCA WEST COUNTRY CLUB is a hub of duplicate and social bridge in the Boca Raton area. We are one of the top private Invitational bridge clubs, and boast a thriving bridge community of 1,200+ players of all levels of expertise. Our games are all ACBL (American Contract Bridge League) sanctioned masterpoint games and bridge is one of the most popular activities at our Club. We attract large numbers of players and in 2017 we had 1,543 tables (four players at a table) in play. Our program includes Club Championships, Charity games, Swiss Team events, Silver points games, Member Appreciation and other special games. We hold duplicate games Tuesday and Thursday evenings; Wednesday and Friday afternoons and Sunday afternoons twice a month.

We offer an in-depth bridge program; our lessons are geared to players of all levels beginning with Supervised Play. All are taught by high profile teachers and pros, and our games are flighted (handicapped) and are suitable for players of all levels of bridge skill. Every bridge player should be able to find a game at their comfort level.

Bridge is exciting and every year we have Celebrity Bridge experts speak at the Club. Among the stars who have been here are Larry Cohen, Roberta Salob, David Berkowitz, Sharon Jabour, Kerri Sanborn, Phillip Alder, Jerry and Denny Clerkin and more. They give workshops, lectures and educate and entertain sellout crowds. In addition we have a yearly spectacular Member/Guest Luncheon and Awards Dinner.

We have entered the electronic age and own a sophisticated dealing machine, the latest generation of electronic scoring boxes and of course bidding boxes. Our Directors are all certified professionals. Imagine playing bridge at your own Club, minutes from your home, to enjoy delicious refreshments, to socialize with your friends and to win masterpoints without ever having to leave "campus". What could be better?

Bridge is the secret weapon of Boca West Country Club. People actually buy homes here because of the bridge program, and then they stay here because of our bridge program. Bridge is more than a pastime - it's a passion. Players return to the table time and time again for the mental challenge, the competition and the company of others who share their love of the world's greatest card game.

We welcome all bridge players to join us. It is a wonderful way to meet and make new friends. We are a friendly bunch so check us out. Our website: http://bocawestbridge.com.

This classic musical is rich with Broadway hits, including "To Life (L'Chaim!)," "If I Were A Rich Man," "Sunrise Sunset," "Matchmaker, Matchmaker," and "Tradition," and features stunning movement and dance from Israeli choreographer Hofesh Shechter based on the original staging by Jerome Robbins.

HAMILTON
Thursday, December 20, 2018

Hamilton is the story of the unlikely Founding Father determined to make his mark on the new nation as hungry and ambitious as he is. From bastard orphan to Washington's right-hand man, rebel to war hero, a loving husband caught in the country's first sex scandal, to the Treasury head who made an untrusting world believe in the American economy. George Washington, Eliza Hamilton, Thomas Jefferson and Hamilton's lifelong friend/foil Aaron Burr all make their mark in this astonishing new musical exploration of a political mastermind.

DEAR EVAN HANSEN
Thursday, March 28, 2019

Both deeply personal and profoundly contemporary, Dear Evan Hansen is the new American musical about life and the way we live it. Dear Evan Hansen has struck a remarkable chord with audiences and critics everywhere. The New York Times calls it "a gorgeous new musical for anyone with a beating heart." THANK YOU LOU! The BWMA Board would like to take this opportunity to thank our retiring President, Lou Koval, who has served on the Board these past six years, the last three as President. Lou's accomplishments will be long remembered and appreciated by not only the Boards that he led for three years but the residents of Boca West as well. Lou initiated the renovation of BWMA offices as well as the entire second floor which was turned into three rentable office facilities including an elevator. He oversaw the completion of our three exterior gatehouses, including adding generators for power during hurricanes. A timely addition. He supported the completion of our new Tot Lot/ Nature Preserve and our 12-year old and under basketball courts to the delight of all our children and grandchildren. Under his leadership there was a marked improvement in the relationship between the BWMA and the Club, which can only lead to improved services to all our residents. We wish Lou Koval well and a huge "Thank You!" for his service to the entire community.

Hurricane Irma Review Meeting Update

The BWMA has completed five meetings with all of the 54 Villages Representatives and Property Managers with the objective of improving our responses in the event of another Hurricane impacting Boca West. These meetings have all been productive and you can expect to see many changes in your Village's preparation and response. Most important however is the individual resident taking on greater responsibility for their own safety by cooperating with their Village, BWMA and Palm Beach County directives in a prompt manner. Residents and their caregivers, and/or responsible family members, must all be able to make and act on emergency decisions. Many decisions can and should be preplanned such as:

- Do I Stay or Leave?
- Where is the nearest Shelter or Special Needs Shelter?
- Is my Property Manager aware of my plans?
- Does he have all of my emergency contact information?
- Have I had my generator maintained?

The BWMA website has a wealth of information available to you so you can make your Hurricane preparation effectively. Start early and stay safe.

New Website Coming Soon. The BWMA and the Communication Committee are updating the BWMA website to be more resident friendly, informative, responsive and easier to navigate. There will also be a new mobile view, additional content and new visuals. Also, look for our Boca West Real Estate Listings maintained by Featured Homes Listings, Inc.

Cable

Hotwire continues to install services to our residents. They are still working on getting all snowbirds completed. As this goes to press, they have installed more than 2,300 homes with high speed internet, telephone and video in 1300 of those homes. Please insure that you have completed a home survey and have an installation date by calling 288-9199. Hotwire is prioritizing seasonal residents. So either call or visit the Hotwire Office at the BWMA building or email your information to BocaWestInquiry@hotwirecommunication.com and inform them of the date you will be leaving. Everyone is working hard to complete all of the installations by July 31, 2018.

Security and Safety

This season we continued our intensive security operations to keep Boca West the safest in the area. We made a number of technology and video changes and added additional fencing to vulnerable areas. We still need your support by keeping doors locked, updating guest lists, initiating your alarm systems, being careful with outside services and by calling Security when things look unusual. Our program for safety on our roads inside Boca West continues. Our Security staff and PBSO Deputies continue to do an outstanding job. They are monitoring stop signs and speeding and issuing citations. Fines are being levied and we are filing Club Grievances on repeat offenders. Your cooperation is needed in being attentive while driving, obeying the speed limits, making full stops at stop signs and not texting or talking while driving cars or carts. We appreciate your cooperation and wish you an enjoyable summer.

Finance

Once again, we are happy to report that the financial position of BWMA is EXCELLENT. In addition, we are ahead of budget for the current fiscal year due to timing of expenditures, mainly in our Landscape and Maintenance Department. We expect that the timing differences will come in line with the budget as the year progresses. The Security Department is now fully staffed and we do not expect to be under budget for the remainder of the year. We fully anticipate that at year end, we will be at or under budget for the current fiscal year.

Landscape and Maintenance

The Landscape and Maintenance Committee has had a very exciting season. We have now completed our winter planting program and everyone has applauded the beauty of the Boca West landscaping. Almost 40,000 flowering plants were planted. In addition, our lake banks on the golf course have been stabilized and all the debris from Hurricane Irma have been removed in a most expedient manner. We are also continuing to add new trees. As you might see, additional beautiful palms have been installed in the median area at the new activity building entrance as well as three very large magnolias at the main club entrance. There is also new planting behind the village directional signs as well as some oak trees in the median by the tennis building. At the three way stop at the activity/golf building intersection, stop signs have been installed without affecting the beauty of the area and has improved the safety at that high traffic location. We are looking into the repair and replacement of our benches located around Boca West Drive. We have also added some lighting at the islands of some entrances which has improved the safety concern for our residents. A continuing concern to all of our residents is the problem with the iguanas and so far this year we have "removed" close to 5,000. Also, our lake algae program is working well as you see our lakes look beautiful.

We encourage our residents to let us know of any landscaping and maintenance concern they might observe at any location in Boca West and it will receive our immediate response.

Boca West Children's Foundation Aids Children at Risk

Boca West Children's Foundation is in its eighth year of changing little lives for the better. Since 2010, the Foundation has been creating and funding projects to support the area's most at-risk children through partnerships with local charitable organizations.

Ages 0-3

Beginnings is the name of a partnership between the Foundation, Sweet Dream Makers, and Boca Raton Regional Hospital to ensure that infants will have cribs, mattresses, bed coverings, formula and diapers when they leave the hospital.

Through a relationship with the ***Junior League***, tens of thousands of diapers are collected and distributed to underserved moms and their babies.

The Foundation keeps a child abuse center at ***JAFCO*** open on weekends. Many of the children they serve are infants.

Ages 4-6

Boca Raton Children's Museum is supported by the Foundation. For only $5, young children can spend a day enjoying enrichment programs.

To keep our children healthy, the Foundation supports a health supervisor at the ***Florence Fuller Child Development Centers,*** and DNA testing for bone marrow programs at ***Gift of Life Marrow Registry.***

Ages 6-10

No child should have continuous toothaches. Our pediatric dental clinic at the ***Caridad Center*** relieves hundreds of young people's dental problems each year.

Bullying and abuse need to be identified. The Foundation supports ***KidSafe***, and provides school clinicians to help children with these issues.

Children need a safe and secure place for after-school activities. Our computer programs with the ***Youth Activity Center*** guarantee dozens of kids that opportunity.

Ages 10-12

The special relationships built at a summer sleepaway camp can be life changing for a child in need. Each year, the Foundation underwrites the cost to send hundreds of campers to spend the summer at Camp WeWa.

The ***JAFCO Children's Ability Center*** and ***Unicorn Village Academy*** are for very special kids and the Foundation is proud to support services at these incredible institutions.

Teens

There are too many children unable to receive help as they act as the primary support system for a parent or grandparent.

Boca West Children's Foundation partners with the ***American Association of Caregiving Youth*** to provide opportunities for these caregivers to "be kids".

Unfortunately, there are lots of latch key children in Palm Beach County. Through the Foundation, these kids are kept safe and off the street in after-school programs at ***Boca Raton Police Athletic League, Boys and Girls Clubs of Boca Raton, Nat King Cole Generation Hope, FAU TOPS Band Camp*** and ***Wayne Barton Study Center.***

Each year, 14 scholarships supported by Boca West Children's Foundation are given out by the ***Viner Community Scholars Foundation*** and ***Rotary Club of Boca Raton*** to underserved children in our area.

Foster care is incredibly important for at-risk children. Our programs with ***Place of Hope, JAFCO*** and ***SOS Children's Village*** ensure the best possible growth for these children.

Boca West Children's Foundation is very proud that after eight years, it has been able to distribute more than $5 million to take care of "our" kids. Together, with your support, we have been able to make every day brighter and the future better for tens of thousands of children.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

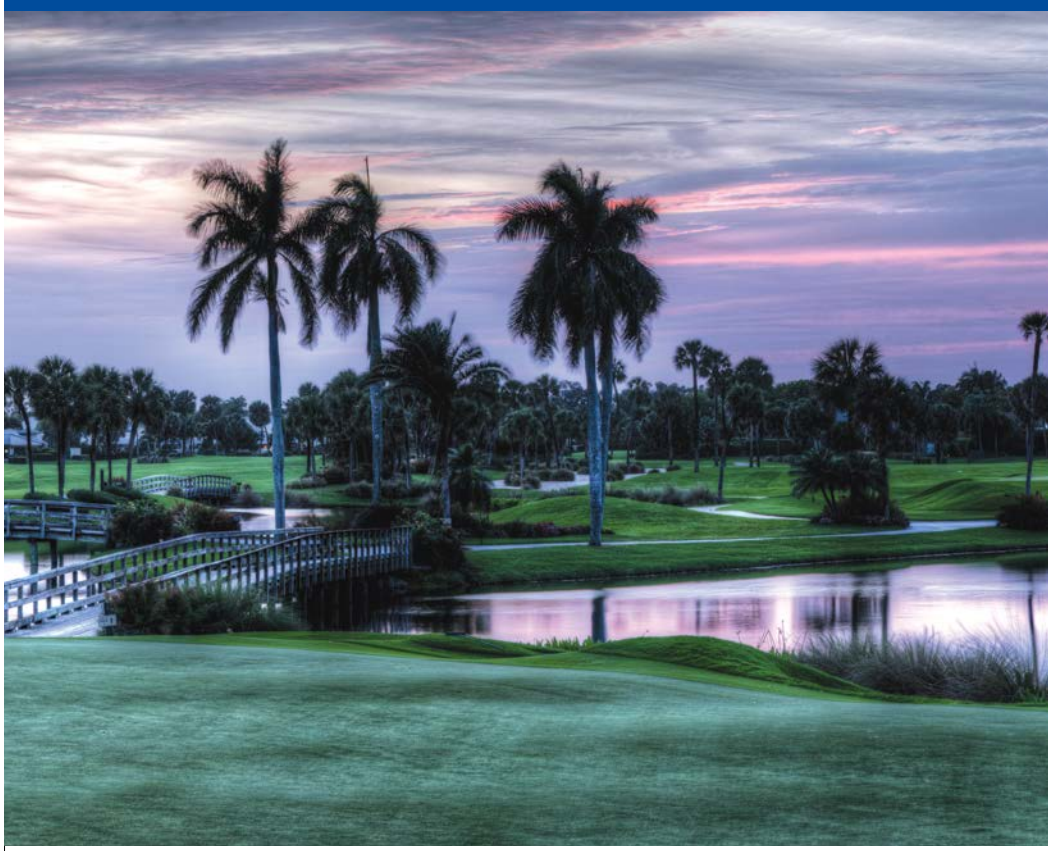

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairmen, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairmen and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

BOCA WEST COUNTRY CLUB

CHAIRMAN'S MESSAGE

Dear Member,

This will be my second year as Chairman of the Board of Governors. I would like to thank the Board for their confidence in me and their continued support. As I mentioned at the annual membership meeting, this past year was complete with accomplishments as well as challenges. Just some highlights:

- Opening of the Golf and Activities Center and the popularity of Grand Central which seems to continue to this day.
- Successful absorption by the Club and the Masters Association of the activities and services of what was Residential Services Association (RSA).
- Class action lawsuit filed against the Club and the related answers, motions, dismissal, refiling of Complaint, further answers and motions, and the final dismissal, which is not to say there has not been other legal challenges.
- The retirement of Jay DiPietro after 32 years of superb leadership at Boca West, and the transition to Matthew Linderman, dare I say without skipping a beat.
- The "Tribute to Jay", and
- All of the progress made through the hard work of the committees, the Board and Management.

In my first letter to the membership last May I indicated that I re-instituted a "Strategic Planning Committee" comprised of board members, including those that focus on functions, disciplines, and programs that are key to maintaining our reputation as the number 1 private residential community and ensuring our long-term success. The Committee functioned well this past year, identifying matters that are necessary to not only pay attention to, but act upon as well. We know we face some hurdles and are working hard to overcome them and achieve our objectives. I am committed to continuing the process; that is the deliberations of the committee. Mark Berkowitz has agreed to continue as Chairman and Paul Echenberg will be his Vice Chair.

I am grateful to the Executive Committee and full Board this past year, and once again want to acknowledge their integrity and unselfish commitment to promoting what is always in the best interest of the Club and its membership.

We owe a debt of gratitude to our departing Board members Leonard Meyers (15 years, two as past Chairman of the Board) and Steve Siegel (nine years) for their dedicated service and the contributions they have made towards the betterment of the Club. Congratulations to Howard Boilen, Paul Echenberg and Harriet Moskowitz on their re-election to the Board and a warm welcome to our newly elected Board members David Shifrin and Charlie Wolf. The 2018/19 Board of Governors is organized and ready to continue where the last Board left off. Committee chairs and the Executive Committee have been appointed and I am confident that the membership will continue to be well served during the next 12 months.

I intend to continue an open communication policy and as always, welcome your comments and suggestions. Please do not hesitate to contact me if you have any questions. My direct line is 488-6905 (leave a message if I do not answer); my email address is hliebman@bocawestcc.org. If you care to write, leave a note at the Country Club reception desk or mail it to Boca West Country Club, Attn: Howard Liebman, Chairman of the Board, P.O. Box 3070, Boca Raton, FL 33431.
