GENERAL MANAGER'S MESSAGE

Dear Member,

This month's schedule is filled with activities and events for everyone! Our Sweethearts Ball on February 10 followed by our Sweethearts Stroll on February 17. What better way to spend the month, than with your "sweetheart" and loved ones? Perhaps you and your sweetheart would like to take a walk down memory lane while singing the tunes of Gary Puckett and The Union Gap. There are still seats available to see one of the most successful musical groups from the sixties on February 20. And don't forget we have the Super Bowl LII Party on February 4 for all of the sports lovers out there. The activities staff is more than happy to assist you with reservations for all of the above.

During President's Week, kids of all ages will find entertainment everywhere. Whether its golf, tennis, fitness or simply sitting poolside watching a movie, we've got something for everyone. A brochure listing all of the great activities and events is available throughout the Club as well as posted on the Club's website. Please be sure to pick one up so you and your family and guests won't miss a moment of fun that week!

As you know, the Club has a great relationship with Boca Raton Regional Hospital (BRRH) that continues to get better and better. I'm excited to announce a new program we have been developing for several months that is finally coming to fruition! "The Healthy Living Lifestyle Program" will be one more benefit you can take advantage of as a member of Boca West Country Club. As a part of this program, BRRH is hosting our Healthy Lifestyle Lecture series through March. In addition, they are now offering Nutrition Counseling Services right here in the Sports Center. This program will include many more benefits for you when it is finalized so please be on the lookout for more information to come regarding all of the details on this very special new venture between your Club and BRRH.

By now, you have all received your 2018 Board of Governors election ballot. Your educated vote is so important to the future of your Club, so please watch **"Meet the Candidates"** on the Club's website to gain insight on your fellow members running for your Board of Governors. I look forward to seeing you on Tuesday, February 27 at 3pm in the Cypress Room of the Country Club for the Annual Meeting of the Members.

Don't forget that with this "changing of the guard" new committees will also be formed. Your Board is always looking for energetic members with fresh new ideas who are willing to serve the Club. If you would like to get more involved with your Club you may wish to participate on a committee for the 2018/2019 season. Please drop a note to the Executive Office addressed to the Chairman of the Board indicating the committee on which you would like to serve.

On that note, February also means the Board elects their chairman for the coming year which prompts me to say how much I've enjoyed my first few months with Howard Liebman as our chairman. I don't think I could've hand-picked a better person to work with as my very first chairman of the board. Howard has made my transition into this position as smooth as any general manager could ask for from their chairman and for this I am grateful.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and I look forward to seeing you at our Sweethearts Ball!

Sincerely,

Matthew Linderman, CCM
COO & General Manager

FEATURING WINES OF IMAGERY ESTATE WINERY

Thursday, February 8

Serving from 5:30-8:30pm in The Living Room

We encourage you to try something new. Not all rules should be followed. We're not opposed to taking a few risks. After all, shouldn't wine be fun?

Dedicated to crafting rare wines from uncommon varietals and character-rich vineyards, Imagery Estate Winery was forged from a thirst for experimentation. Worldly wines like Malbec, Tempranillo and Lagrein will broaden the horizon of anyone, from aspiring wino to seasoned connoisseur. The Imagery Winery shines the spotlight on interesting varietals, wine rock stars that are all too often swallowed up in big blends. Visit the estate and you'll find that taste won't be the only sense stimulated. Delight your eyes as well as your palate with access to their unique art collection.

In the wine world, tradition often tempers creativity, individuality and imagination. However, at Imagery Estate Winery, an unconventional approach inspires richly expressive wines and a wine drinking experience that entices you to broaden your palate.

Face it, you're a little board. After a day in wine country, it can all start to blend together.

"Chard, Merlot, Cab, Pinot, Chard, Cab, blah, blah, blah"

ON THE COURSES

By Steve Forman,
Golf Operations Chairman

Lately you have been hearing a lot about course care and member responsibilities. I thought you might be interested in what the golf course maintenance staff does and get to know them a little better. Wes Dinsmoor runs the golf course maintenance program and has approximately 100 people working for him. You should know that based on information provided by RSM—our external auditors, the cost of golf course maintenance per acre at Boca West is almost 20% lower than the average cost per acre for clubs in the Boca area. And our golf courses and facilities are second to none when it comes to playing conditions and sheer beauty of surroundings.

Wes and his staff are constantly looking for ways to improve. For example, annually the United States Golf Association Course Consulting Service is invited to review course maintenance procedures and results and to recommend improvement opportunities. Following are some highlights from its recent report dated October 26, 2017.

- Overall courses were in good condition.
- Putting greens had good turf quality.
- The USGA noted the improved techniques in soil cultivation and suggested some alternatives with regard to aeration.
- Effective weed management programs were in place and offered suggestions to make them even better.
- There was significant improvement in reducing turfgrass yellowing.
- Offered suggestions to control fungi more effectively.

To Wes and his staff—thanks for the terrific work you do. Now here is some more information on each of the key staff.

Wes Dinsmoor, Director of Golf Course and Landscape Maintenance: 14 years at Boca West. Graduated from Colorado State University with a Bachelors Degree in Turfgrass Management. Previously served as the Superintendent of Dye IV and Palmer III and Operator of Equipment on Palmer I. 20 years in the business and has worked on courses in Wyoming, Arizona and Florida. Holds the following certifications:

- Golf Course Superintendents of America Class A Superintendent
- Green Industries Best Management Practices Certified
- Florida Pesticide Applicators License,
- Florida Golf Course BMP Certified,
- GIBMP Certified,
- LTD Commercial Fertilizer Applicator,
- OSHA Hazardous Materials Operations Certified

Biggest challenges: Performing all of the necessary maintenance required to deliver high end playing conditions while being as invisible as possible. Constantly looking for better ways to schedule, trying new routines and anything that will help improve efficiency.

What you would like people to know about you: Married to Brooke for 8 years, two children, Ava (6) and Lane (3). Favorite sport is basketball. Favorite sports team is the Chicago Bears. "I am very passionate about my job and my family."

Mark Wonacott, Equipment and Facilities Manager: 15 years at Boca West. Manages the equipment fleet and workshops. Has worked at three top 100 courses.

Biggest challenges: Keeping trained staff to ensure equipment is in condition to provide superior courses.

What you would like people to know about you: From Toledo, Ohio. Mudhens and Detroit Tigers fan. Learned a lot from experience in the U.S. Marines. Three children—16 year old twins and a 27 year old. Life revolves around his kids.

Greg Talerico, Landscape Superintendent: 12 years at Boca West. Responsible for landscaping beds, trees and flower displays for the golf courses and club facilities. Graduated from Penn State with a Bachelor's degree in Horticulture Science. Did an internship at Disney Epcot and had a flower design chosen for the flower show at the park.

Biggest challenges: Sheer volume of landscape, performing maintenance and juggling special projects. It requires proper planning, scheduling and adjusting on the fly.

What you would like people to know about you: In a long-term relationship with girlfriend Stacey. Has a 4 year old rescue Chihuauhua. Likes to race cars; flew in stunt planes and has tried bungee jumping.

In my next article I will provide you some information on each of the four golf course superintendents. As always I appreciate any feedback and suggestions. You can call me at 488-8726 or email me at sforman@strategicm.com.

AT THE NET

Great Tennis at Boca West!

By Alvin "Bud" Baron
Tennis Committee Chairman

The weather played some tricks on us this season forcing the rescheduling of our great Color War to February 10. Our very popular ProAm was drowned by a deluge just as the 32 top Professionals gathered to play with our members on January 12.

Mark your calendars for the 10am on February 16 for a Professional Tennis Exhibition featuring Greg Rusedski and Jan-Michael Gambill. You don't have to go to the Australian Open to see great hitting, you can watch live tennis right here. And speaking of top stars, follow our wonderful Touring Professional Christina McHale who after the Australian Open will play at Qatar, Dubai, Acapulco, and Indian Wells this month and next.

What a surprise when the world's top ranked ATP Doubles Players Bob and Mike Bryan showed up at Boca West. We've been telling you that we have a special hard surface court available for practice by touring pros who happen to be in our neighborhood. Informally invited and welcomed by Director John Joyce, Mike and Bob had at each other in some spectacular drills in intensive practice as our members watched. And guess what? The twins discovered our Pickleball courts and gave our Head Pro Rob Norton and Assistant Director Matt McInerney a workout the very first time they played this fun game and volleyed against several of our enthusiastic club players. Check the Boca West social media Facebook site for details and video.

Pickleball continues to grow as our January Exhibition and Complimentary Clinic drew an enthusiastic crowd with another Round Robin scheduled for February 18. Stop by the courts on Wednesdays and Saturdays from 9-10am for entry level lessons for new players. A Saturday league led by Captain Ed Moskowitz and a Monday League captained by Howard Attermann began in January.

We had our most successful Men's Member Guest Round Robin with 50 players enjoying a delicious breakfast and fabulous luncheon in the Palm Room. *The event was planned by Tennis committee members Steve Berger and Alan Weinstein.* Participants received beautiful Lacoste jackets and Lacoste umbrellas as gifts. We really enjoyed the stories told by guest speaker **Julian Vespan**, a certified USTA professional coach who has trained many world famous tennis stars. He described the intense lives that tennis pros lead as they play tournaments around the world – living mostly alone away from family and driven to succeed in their matches. He captivated the members with anecdotes about the powerful relationships that connect the coaches with their players and described the moods and mental concentration of the world's top players like Nadal, Djokovic and Federer in the locker rooms just before their matches.

Our Womens' Member Guest Round Robin is scheduled for February 7 when a large turnout is expected. Family/Guest Round Robin is set for February 21 with the Club Championships on for February 28.

And we're reaching out to new Social and Golf members with personal e-mails and phone calls to invite them to join our friendly Tennis community.

Finally, from all of us on the Tennis Deck our most appreciative THANK YOUs to our great leader, Director John Joyce; Assistant Director Matt McInerney; Rob Norton, Head Tennis Professional; Dick Stockton, top pro; and our terrific office staff. Your leadership, hard work, and enthusiasm make Boca West Tennis Number One among all clubs.

PHYSICAL THERAPY IS SAFER AND EFFECTIVE FOR PAIN MANAGEMENT

Do you or someone you know suffer from chronic pain? You're not alone. According to the Institute of Medicine, approximately 100 million U.S. Americans suffer from chronic pain which makes it the number 1 cause of disability in the U.S. Categorized as discomfort or unpleasant sensation that lasts more than 12 weeks or longer than normal healing time, chronic pain can be costly and decline quality of life. The most common forms of long-lasting pain are lower back pain, migraines/headaches, and neck pain. Opioids such as Vicodin, OxyContin, and Percocet are commonly prescribed for the treatment of chronic pain but are found to be 23% effective reports the goodbody.com. Pharmaceutical drugs may be more affordable than other treatment options such as physical therapy, but opioid use comes at the cost of possible side effects such as death, overdose, addiction, and depression.

The National Institute of Drug Abuse reports that painkillers kill more Americans more than any illegal drug. To put this into perspective, more Americans died from drug overdose in 2016 than all the deaths in the Vietnam War. This clearly identifies the current opioid epidemic in our nation, and the need for safer alternatives.

According to the Centers for Disease Control and Prevention, people who are addicted to prescription opioids are 40x more likely to become heroin addicts. When opioid addicts can no longer receive their highly addictive drugs from physicians, they turn to the streets for heroin.

In lieu of opioid addiction and side effects, the American Physical Therapy Association has launched a campaign to raise awareness about opioids and physical therapy as an effective and safer alternative to pain management. The CDC advises health care providers to reduce the use of opioids and use safer alternatives such as physical therapy.

Physical activity can protect against chronic pain, and physical inactivity reduces the risk for prolonged pain; therefore, physical therapy as a form of pain management is a significant method to improve range of motion and reduce pain. Safe and effective, physical therapy involves evidence-based treatment methods to help manage and help overcome long-lasting pain such as but not limited to back pain, neck pain, and pain caused by rheumatic illnesses such as arthritis and fibromyalgia. This safe alternative offers the options of strengthening and flexibility exercises via various modalities such as aquatic therapy, the AlterG-Antigravity Treadmill, and Record Neurac, manual therapy, posture awareness, body mechanics instruction, patient education, and medical devices such as class IV laser therapy.

Why choose PT to manage your pain?

- Treat the pain instead of masking it with highly addictive prescriptions
- It is the most common form of non-surgical treatment for neck and back pain.
- It can help prevent pain and reduce recurrence and/or acuteness of pain
- Aquatic therapy, Redcord Neurac, and Class IV Laser Therapy can reduce pain quickly and help a patient progress to more intensive exercises
- No side effects
- Individualized at home exercises included to help protect against inactivity-related pain

If you'd like us to help you or someone you know naturally and effectively manage their pain, please call us and schedule an appointment at 488-7882. It's time to improve your quality of life!

MEMBER OF BWCC DUPLICATE BRIDGE COMMUNITY IS A WORLD CHAMPION

In the fall of 2017, the United States Bridge Federation chose a team of six elite women, including BWCC's own Joanne Antoniou Weingold, to attend the 2017 Mind Games held in Huai'an, China December 9-15, 2017 under the auspices of the International Mind Games Sports Association which includes the disciplines of bridge, chess, droughts and Go. Four teams were invited to compete in the women's elite bridge events. They included the reigning gold and silver medal world champions from China and England, the Swedish National team and the US team.
There were three championship events played: team, pairs and individual. After a week of intense competition, the United States women brought home two bronze medals, one in the team event, the other the pairs. Joanne and her partner, Shannon Cappelletti, won a section top award which came with $1000 prize and they both finished in the top 10 places of the individual. While four teams may not seem like that many, they consisted of women who had won over 100 world championships! It truly was a remarkable group of players.
The Chinese government paid all expenses and treated the players as celebrities. There were opening and closing ceremonies which were attended by many, with children gathering around the players asking for photographs and autographs! While the Chinese men won the open bridge events, followed closely by the French, it was the Swedish women who closely beat England for the gold. The Russians dominated the chess events.
Everyone enjoyed representing their countries. For Joanne, it was an experience of a lifetime!
Congratulations, Joanne. The Bridge community at BWCC is proud of you.

BOCA WEST CHILDREN'S FOUNDATION

You've got mail!

The invites for this year's **$200,000 Golf Challenge** and the Concert for the Children: **"Battle of the Bands"** were sent out and the response has been overwhelming. We have been sold out at both events for the past four years and expect to sell out again. So, if you haven't filled out your entries and ticket requests as yet, please do so now to not get shut out. Choose one of the Foundation's charity teams to play for. You can sign up as a single, couple, or a foursome for the golf tournament. If you have not received your invitations, sign-up forms may be found all around the Club or stop by the Foundation office to get one. Your entry fee of $600 includes a welcome gift, brunch, $150 to be spent in the Super Store, one duck in our now famous $5,000 Duck Drop (and this year it will be even more "Quacktacular"), your day of golf, one ticket to the Battle of the Bands, and, of course, an invite to the post-event gala cocktail party and live auction. This year, the auction will have many new items and some of your favorites from previous auctions.

Our **2018 Concert for the Children** on April 10 will recreate the Florida State Fair. This year, the "Battle of the Bands" will feature the authorized Chicago tribute band, Beginnings, facing off against the actual back-up band of Billy Joel with lead singer Mike DelGuidice. It is most important that you get your order in as soon as you can. You may purchase additional tickets at $200 each while they last.

If you have not signed up for **"A Walk in the Woods"** on February 5 there are only a few days left to do so. This event was tremendously received last year and whether you wish to walk 500 feet or two miles, you can enjoy a fun time, great music, food, drink and help "our" kids.

Annual Junior League Diaper Drive
It is that time of year again for everyone who wishes to help the Foundation's joint project with the Junior League to give much needed diapers to mothers who are trying to raise a small child while fighting their way out of poverty. When you have limited funds, keeping an infant in diapers becomes a luxury. Can you help? If so, on February 27 from 12-3pm and again on February 28 from 9am-12pm, you can just drive by the parking area at the Tennis Center and drop off your boxes of diapers or checks. Last year, Boca West members contributed 17,000 diapers. Can we double that this year? All sizes are needed, but sizes 1, 3, and 6 are in dire need. The diapers will be in the hands of those in need by the next day.

If you have any questions please contact the Foundation at 488-6980 or foundation@bocawestcc.org

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org

FINANCE REPORT

By Frank Richard, Finance Committee Chairman

YEAR ENDING SEPTEMBER 30, 2017 FINANCIAL HIGHLIGHTS

I am pleased to report that Boca West is in excellent financial shape. Our independent auditors for the year ending September 30, 2017 indicate that our financial statements present fairly, in all material respects, the financial position of the Club.

We ended our fiscal year with a surplus compared to budget of $361,200. There were many substantial variances this year, both positive and negative, mainly due to the delay in opening the new Golf and Activities Center. We saved on our real estate taxes, wages and salaries, tickets and visas for our international staff and increased revenue from catering. Some negative variances were, lower gross profit from our restaurants due to both Grand Central and Prime Cut delayed opening, decreased revenue for golf and fitness and additional costs for members social and golf events, including several new events.

Total cash on hand was $34.6 million vs $18.7 million the prior year. This year's balance includes $24.5 million borrowed against our line of credit which amount remained outstanding at September 30, 2017. Currently our outstanding balance on the line of credit is $6,750,000, which is lower than projections.

Homes sold to new members for the year ended September 30, 2017 was 114 vs 109 last year.

As of December 31, 2017, there were 74 members who have not paid their dues vs 68 last year. There was also 36 closed and pending sales to new members vs 25 last year.

In the future months, I will report on the financial activities for the 2017/2018 fiscal year.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairmen, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairmen and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

HOTWIRE UPDATE

This is an update on the progress of the changeover of your cable provider that is scheduled for completion in July. Our new provider Hotwire has completed Installation of fiber optic cable to all the Villages. They have installed more than 1,400 residents with internet/ phone service and they began installing video service in January. They still have approximately 2,000 to complete by the end of July and we need your help and cooperation to complete them. *There are still some residents who have not had home surveys so please call 288-9199 or visit the Hotwire offices in the BWMA building to set them up immediately.*

This is a reminder that unless you have a home survey you will not be to able get the Hotwire cable services and you will be paying for them starting in August. **In addition, for those who had surveys and do not have an Installation date please contact Hotwire to set one up.** This is especially important for snowbirds and snowflakes who are not here all the time. Our feedback from installed customers on their service has been extremely positive so be sure you have completed a home survey and have an Installation date scheduled. We are all working hard to make this transition as seamless as possible.

HURRICANE IRMA REVIEW MEETING

We hosted a meeting of 13 Mid-Rise Associations to review storm preparation procedures and to develop improved plans for any future event. Board member Ed Locker and his Communication Committee (Bud Baron, Mel Ganz, Carol Greenberg, Robin Pearl) conceived of the plan as an important service to the various Villages within Boca West and thereby benefitting all residents.

It was felt that the mid-rise buildings had the more complex task of providing a safe environment for its residents and they were chosen to be the first group for this Hurricane review. All 13 Mid-Rise Associations had representatives in attendance.

Dear Member,

Well, we are approaching the one year anniversary of my becoming your Chairman, and what an experience it has been for me personally. We have had many challenges during the course of the year, not the least of which was from those who would try to do harm to the Boca West Country Club, its wonderful reputation and rating amongst private residential country clubs throughout South Florida, the United States and for that matter the five continents.

Speaking of challenges albeit on a lighter note, we are no different than any other Club. There are and always will be challenges we face as a community and as an industry, both strategically and otherwise, many of which are being studied and addressed by the Board. However, one challenge you may not think of as such is: "how to balance decisions that may be necessary for the health and welfare of the community at large, with the particular likes or dislikes of any one member". All I can say is that it is not easy but we try.

Notwithstanding the challenges, my experience this past year has been educational, informative and most rewarding; and only so because of the friends I have made along the way and the support I have received from so many. To mention a few:

Initially I was embraced by Jay and Matt as a true partner working on behalf of our membership for the betterment of the Club and its members. Shortly thereafter, I learned that one cannot accomplish much in this position without the guidance and support of Darlene Wright and the unconditional support of Donna Gropper. I am deeply grateful to these four talented people who have been a pleasure to work with. You may not have occasion to have contact with Darlene or Donna, but if you do, be sure to thank them for all they do.

I cannot say enough about the Executive Committee and Board I have had the pleasure to work with. Not only are they charitable with their time and expertise, but they are focused and remain totally dedicated to the health and welfare of the Club and its members; all of this unconditionally. To all the many members that volunteer their time by serving on committees, I say thank you as well.

Lastly, and most inspiring for me, has been the overwhelming support I received from you the membership. You have demonstrated much patience as I transitioned into this position and I would have considered my efforts for naught had I not heard your kind words of appreciation, encouragement and support.

Now something we should all be grateful for. In my opinion, Matt's direct reports as well as all department heads and managers collectively, are second to none in the industry, and our staff, both domestically and internationally, know only one thing; "we are in the member pleasing business". This culture and attitude stems from the leadership at the top and creates an environment that fosters success. It is why we are rated at the top and why we are so lucky to be residents at Boca West and members of the Boca West Country Club.

I appreciate and take seriously your comments and suggestions and have made sure that management representatives or appropriate committee chairs consider them and are responsive to you. On occasion a question may have slipped through the cracks, but I can assure you it was not with the intention of being dismissive.

On a more traditional note, our independent auditors have completed their audit of our financial statements for the year ended September 30, 2017 and a copy of their report is available, upon request, at the Country Club reception desk.

Let me remind you that the membership will be voting for the five Board positions this month, the results of which will be announced at the membership meeting on February 27. Be sure to exercise your right to vote for as many as five but no less than three candidates that appear on the ballot.

Thank you for allowing me to represent you this past year and may I again wish you all a Healthy, Happy and Prosperous new year.

Your comments and suggestions are always welcome. You can reach me at 488-6905 (leave a message if I don't answer). My email address is hliebman@bocawestcc.org. If you care to write, leave a note at the Country Club reception desk or mail it to Boca West Country Club, Attn: Howard Liebman, Chairman of the Board. P.O. Box 3070, Boca Raton, FL 33431.
