GENERAL MANAGER'S MESSAGE

Dear Member,

Wishing you a very Happy and Healthy New Year! 2018 is here and we have a great year full of activities and events planned for you at the Club. What a great holiday activity schedule we've had thus far…filled with fun for all ages. It's been great seeing all of you with your families enjoying the events. Don't forget, the calendar still has a few days of excitement to enjoy so please don't miss out!

Our January dinner show, Master of the Mind, Guy Bavli sold out both nights. However, thanks to our director of activities, Christina Guilianti, we were able to add a third show on January 17th accommodating an additional 250 members. The Debbie Pierce Band will be entertaining you and your loved one at the most romantic event of the year, **Sweethearts Ball**, being held on Saturday, February 10. And back by popular demand is our **Casino Night**. A Monte Carlo themed Casino Night is planned for Saturday, March 3. Try your luck at blackjack, roulette, baccarat, crap tables, Texas Hold 'em and slot machines. Professional dealers and croupiers will be spinning the wheels and rolling the dice all night long. Our annual **Tanglewood at Boca West** with the Lynn University Philharmonia will be performing under the stars on Wednesday, April 11.

Our **annual golf and tennis Club Championships** begin next month. Whether you're a golfer or tennis player, or maybe both, I hope you've been practicing your swing for the upcoming competitions.

As you know, the Members Park reopened in December. There are now two bocce courts along with a basketball court featuring one full size court that encompasses two half courts and has a total of six baskets. Equipment for both of these areas can be found in the storage chest at the park. We only ask that all equipment is returned to the box when you have finished using it for the day. Additional features will be added in the months to come, so please continue to stay tuned for more updates.

I have received several comments regarding the flooring in the golf cart staging area. Please be aware that this was an issue with Hedrick during the project. They continued to assure us that they would have the floor properly sealed and finished prior to opening. Unfortunately, the time to open arrived yet the floor had not been done. We made the decision to open as is and have the floor completed at a later date. Although Hedrick had planned to finish it along with many other punch list items over the summer, one too many things got in the way. Therefore, in exchange for a credit, the floor will be taken care of by the Club at the end of this season.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and I look forward to sharing the New Year with all of you!

Sincerely,

Matthew Linderman, CCM
COO & General Manager

AT THE NET

Happy New Year To All

By Alvin "Bud" Baron
Tennis Committee Chairman

Our November Welcome Back Tennis and Pickleball events followed by our December program of activities kicked off an exciting and fun season. Over 250 enjoyed the opening Christina McHale – Lacoste Exhibition and we almost had to turn off the lights to get folks off the "Under the Stars" dance floor and get them to go home. The December Tennis Mixed Doubles Exhibition featured Christina and Christian Langmo vs WTA pro Kristie Ahn and Niclas Genovese. Both men are top University of Miami team players. Cha Cha and Maggie Owensby paired with Kristie and Christina in an exciting opening women's match. A wonderful Barbecue Dinner Dance attended by 230 revelers in the Cypress Room topped the evening.

Pickleball, the fastest growing sport in America, is catching on here in Boca West. Unlike tennis games, pickleball games last only 10 to 15 minutes – more like ping pong. On most days players organize games informally on their own. However, recognizing the need for staff assistance in arranging games when more players are on the courts, John Joyce, Director of Tennis, has assigned staff to assist between 8:30-10am on most Fridays and Sundays. We've partnered with the pickleball vendor, Engage Pickleball, to present special pickleball events, clinics, and tournaments during the season.

Our lineup of events for this month is terrific beginning with an Adult Cardio Tennis Clinic. This is a workout for your heart based on tennis activities.

And if you haven't seen what pickleball is all about, be sure to come down to our **Pickleball Exhibition and Complimentary Clinic on January 4.** This is your chance to see if Pickleball is your game.

We've planned a great Men's Member Guest Tournament with magnificent gifts on January 6 and a Tennis Pro Am featuring 32 top local professionals in an afternoon event on **Friday, January 12**. Sign up for an exciting series of matches!

A little gambling takes the stage with our Calcutta Tournament on January 20 and 21 with all players rated in a handicap system.

And we end the month on January 27 with a **Head/Pro Penn Demo Day and Round Robin.**

And, DID YOU KNOW that first time homebuyers may enjoy complimentary full tennis privileges for one year and they may decide whether to accept the privilege in the fiscal year they close or in the following year?

DID YOU KNOW that we also offer a terrific plan for those who can only come down for short periods or those who may not be ready to join as full Tennis Members? If you have not had a Tennis Membership for the past two years, you may take a limited membership and pay $400 for 20 tennis sessions. This incentive can be used only once.

Have fun out there at our superb, USTA Award Winning Tennis Center where Boca West Tennis and Pickleball are the best among all local clubs! And don't forget to join the Saturday Bagel Club!

TENNIS LEAGUES

If you are looking for more competition and currently not on a women's or men's league, look no further. We have various leagues sorted by age and levels to join. To be placed on a team this season, please contact the Tennis staff at 488-6996.

TENNIS ANYONE?

Coming to visit Boca West for only a week and looking for a game? Prefer an intense singles game instead of our daily doubles activities? Don't fret, we've got you covered. Leave your name, level, available times and phone number at the front desk and we will do our best to find you a partner to play with this holiday season.

Men's and women's game arranging is in full swing. Stop by the pro shop to leave your name and email to be added to the list. Be on the look out for our game arranging emails being sent out from Matt McInerney's email at mytennisgroup.com.

Golf at Boca West

A Great Start to your New Year!

By Steve Forman, Golf Operations Chairman

Happy and healthy new year to all and those who matter to you most! Hopefully you started the New Year with some new and determined resolutions around improving your golf game. Of course it's never too late and we have the professionals and the technology to give everyone a boost.

Over the past couple of years the Club has invested in golf technology. For example, we have two launch monitors on the far right of the range for everyone to use. They provide you information on distance, shot accuracy, club-head speed, launch angle and a plethora of other metrics. I know that may sound daunting but the information can be really useful if you are trying new clubs or you just want to get better. Golf members should note that there are also golf simulators in the men's and women's locker rooms for you. If you want to practice, fine. If you want to play Pebble Beach or some other famous course—go at it!

And there is more. If you want to practice hitting from downhill, side-hill, up-hill or even over the hill lies, we have the machine for you. It is right next to the launch monitors on the range. One great drill a pro showed me years ago was to practice hitting from downhill lies. You know you are supposed to hit the little ball first (before the big ball) and practicing hitting from downhill lies will help your ball striking immeasurably.

In terms of low-tech devises, did you know we had a smaller hole cut at the back of the practice green near Mr. D's? Practice on that and your putting will improve.

I hope everyone takes advantage of the technology and our excellent golf facilities. And I hope everyone has gotten to know our terrific golf staff even better. This month I would like to provide some information on three more members of the staff—**Kevin Terry (KT)**; **Jim Phillips** (who is brand new) and **Meg Botting**.

KEVIN TERRY (KT), OUTSIDE OPERATIONS SUPERVISOR.

10 years at Boca West. Graduated from Binghamton University in New York and the PGA Golf Management Program at Ferris University. Class A PGA Professional. Director of Golf at Palm Aire, 1993-2008. Ran three Nike Tour events at Palm Aire—played in one of them—missed the cut. Best round: 64 (-8) at a Palm Aire Pro-Am.

PHILOSOPHY: Need to start with the basics—posture, grip, alignment. At the same time I work within the limitations of each person, dealing with their tendencies and compensations to understand why they are making those compensations.

BEST TIP: Grip the club like a tube of toothpaste. Don't squeeze the toothpaste out.

TOURNAMENTS & EVENTS

All social events are open to all equity members. Equity golf members have top priority.

All competitive events are open to equity golf members only. Certain events are limited to a maximum number of participants. When oversubscribed a blind draw will be used to select entries.

JIM PHILLIPS, ASSISTANT GOLF PROFESSIONAL.

Four months at Boca West. Class A PGA Professional since 1993. Graduated from Indiana State University and the PGA Apprentice Program.

Worked at private, public and semi-private clubs for 20 years in Indiana. Coached high school golf in Pentleton, Indiana where he took his team to the state playoffs twice—finishing 4th and 8th. 2012-13 Teacher of the year, public courses, State of Indiana. Best round: 64 (-7) at Fall Creek Golf Club in Pendleton.

PHILOSOPHY: No two swings are the same but all swings can produce good shots. The key is to find a swing that you can repeat.

BEST TIP: Play within yourself. Play to your ability.

MEG BOTTING, TOURNAMENT DIRECTOR. 21 years at Boca West. Attended the University of New Hampshire. Grew up in Exeter, New Hampshire. Got a hole-in-one two weeks after starting work at Boca West.

BEST TIP: Grip pressure and arm tension are something that all golfers fight. Golf is hard enough to play relaxed. Tighten up and you won't have a chance. Grip the club like you are holding a baby bird.

Favorite Boca West Course: Fazio II. Love the waterfalls.

As always I welcome your feedback and comments. Please call me at 488-8726 or email at sforman@strategicm.com.

Wine Tasting

FEATURING WINES OF SANTA BARBARA

Thursday, January 11

Serving from 5:30-8:30pm in the Living Room

FIRESTONE VINEYARD belongs to an entrepreneurial and adventurous family tradition that dates back more than a century to legendary tire innovator Harvey Firestone. In the early 1970s, Harvey's son Leonard, a former United States Ambassador to Belgium, established a family ranch in Santa Barbara County's rugged Santa Ynez Valley. At the time, Santa Barbara County barely registered on California's winegrowing radar, but Leonard saw immense potential in the region's coastal climate and amenable soils. He decided to plant a vineyard, with the initial intent of selling the grapes to North Coast wineries.

Firestone's estate vineyards are set along a series of mesas composed of sandy loam with rocky sub-soils. These well-draining, low-nutrient soils minimize vine vigor, which leads to more concentrated and balanced varietal flavors.

When dining with us that evening, receive your choice of a complimentary bottle of wine per table, chosen from one of the evenings' tastings. Reservations are required for dinner in order to participate in the wine tasting.

LINKSOUL

THE GOLF SHOPPE

Hot off the golf world press: Linksoul and Johnnie-O are quickly becoming two of our most popular men's lines carried in OUR Boca West Retail Shoppe! Similarly, Anatomie is one of our most popular sought after ladies line. You might be wondering, but what about Fairway and Greene, Bobby Jones, and even Peter Millar? Of course, those traditional golf apparel lines continue to sell, but the trend of wearing clothes on and off the course is becoming increasingly more popular. Johnnie-O and Linksoul are the embodiment of the lifestyle brands which focus on designing apparel which look attractive on AND off the course.

John Ashworth is the founder of Linksoul, the hip California clothing company that has blended golf and the surfing culture into a popular lifestyle brand. Before establishing the Linksoul company, John Ashworth in the late 1980s built the Ashworth golf clothing brand into a national and successful name. John redefined what the golf shirt was all about in the late 1980s and early 1990s. His cotton polos with soft collars and relaxed fits were a welcomed change from the stiff-collared shirts that dominated the game. Ashworth made golf shirts that were not only sharp looking to wear on the course, but off the course as well.

"I feel like golf is such an important game and has this rare ability to link souls together – a lot of times complete strangers – on a playing field that's really built around virtues and sportsmanship, and is out in nature and fresh air." With this philosophy in mind, Ashworth founded his newest and much hipper modern apparel company, Linksoul, in 2000.

The Johnnie-O golf company was originally faced with the question from its founder John O'Donnell, "How do you bring west coast prep to life?" With headquarters in Los Angeles and offices in the Midwest and on the East Coast, the company strived to offer the best of both worlds to the look and feel of their collections. From its humble beginnings as an ordinary polo shirt, the Johnnie-O line has evolved into an apparel and lifestyle brand defined as "West Coast Prep."

Kate Boyer, founder of Anatomie believes that traveling freely is one of the greatest privileges in life. As a result, the company's mission is to become the most loved luxury travel brand in the world. "We know women's bodies, all the different types and fits and what flatters each shape the best." Kate Boyer, founded Anatomie in 2006 and has quickly transitioned her active wear background into the athleisure category, taking it to the next level as a travel-specific luxury line. With fits that are flexible, and designed to accommodate active lifestyles, the curve-hugging fabrics and silhouettes are meticulously designed for each body type.

THE TENNIS SHOPPE

Sofibella LifeStyle was founded in 2010 and embodies the personal style and sensibility of the active lifestyle. An athletic women's lifestyle apparel company featuring tennis, yoga, and gym-wear. Launched in 2010 with only a small offering of fitness styles, the brand's classic but elegant aesthetic resonated with customers from the very beginning. To date, Sofibella is a global business and continues to be one of our best-selling ladies line in The Tennis Shop.

THE BOUTIQUE

One of Hollywood's best kept secrets dating back to the 'Golden Age' of Hollywood is out and we want to share it with you. "Sleeping on a satin pillowcase is essential to mainlining beautiful hair and skin. Satin's tightly woven fibers and smooth silky surface reduce friction – allowing hair and skin to glide – preventing hair damage, bed-head, and sleep lines on the face from nightly tossing and turning. Satin also helps conserve moisture, preventing skin and hair from being dry, flat, and tired looking." Starlet Satin's uniquely superior and custom made lush, luxurious satin is incredibly silky soft, yet surprisingly durable. Visit the boutique and let our staff share this timeless beautify secret with you today.

IMPORTANT INFORMATION FOR ALL BRIDGE PLAYERS

We believe no bridge program in Florida has had better bridge lecturers than Boca West Country Club. With Eric Rodwell coming to us January 9, we are again bringing to you one of the top lecturers and players in the world. If you are a serious or novice player, if you play in a sanctioned duplicate bridge game or play socially, don't miss out. Rodwell's topic, How to Really Play 2-Over-1, is an important lesson about an important convention used by a vast majority of bridge players in the USA.
Bidding boxes are used in all duplicate bridge games and in many social bridge games. As of January 1, 2018, the STOP card is eliminated from use. In fact, it should not even be in your bidding box. Why? While most players use the STOP card to help partner notice a jump bid, its original intention was as a courtesy to your opponent. However, even without the use of a STOP card, if your right-hand opponent makes a jump bid you must pause 8-10 seconds before you bid or pass, no matter how obvious the bid seems to you.

BOCA WEST CHILDREN'S FOUNDATION

As 2018 begins, the "Battle for the Kids" continues on many fronts.

January— Wendy and Avron Fogelman continue their challenge to Boca West Children's Foundation donors for the second year. If you have not made a contribution to the Foundation ever before, the Fogelmans will donate two dollars for each dollar you donate for donations of $200 or more. Last year, this challenge raised $75,000 and we need your help to achieve those funds for the kids again this year.

February 5 marks the 2nd Annual "Walk in the Woods". This exciting program started last year in conjunction with the Lynn University Conservatory of Music students and raised more than $65,000. Your entry fee is $50 and includes admission, appetizers, wine and a T-shirt. We can help you build a team of friends and family to help us all reach our goals. Visit our website to learn more. Your walk can be as short as one third of a mile or as long as two miles. There are many stopping points with seating along the path to enjoy pods of duets, trios and ensembles of musicians playing their favorite classical pieces. Enjoy wonderful wine, taste some great Boca West Country Club light bites and get a T-shirt. Walk with your friends—and you may bring your dog, too. Come join us from 3-5pm and be part of this extraordinary event.

April 9— The $200,000 Golf Challenge is the largest charity golf event of the season in South Palm Beach County. The event has been sold out each of the past three years with more than 500 participants. Each player, couple or foursome plays for one of our granted charity teams. Golf play, brunch, superstore shopping, the famous "duck drop" (this year with an incredible new element added), golf shirt, special gift, cocktail party, live auction (for trips all over the world, cruises, golf carts, special once in a lifetime events, etc) and a ticket to this year's Concert for the Children are all included in the $600/player entry fee. Gala and concert tickets may also be purchased on their own. Once again, five lucky winners will receive a $1,000 American Express gift card at the conclusion of the cocktail gala.

Look out for our special raffle program. Last year, lucky winners won a $5,000 shopping spree at Saks Fifth Avenue Town Center, a cruise and a week-long trip to Antigua. This year, we will also have a "super raffle" where you may win a 2018 automobile.

Our 2018 Concert for the Children will recreate the Florida State Fair. Your $200 ticket will include admission to the concert, as well as food from the best food trucks in our area. Come early, eat whatever you like. Steak Sliders. BBQ ribs. Salads. Mexican Cuisine. Asian Fusion. More than 50 dinner choices will be available, as well as delicious desserts. To continue our "Battle for the Kids" theme, our concert will be a "Battle of the Bands" featuring the authorized Chicago tribute band, Beginnings, facing off against the actual back-up band of Billy Joel with lead singer Mike DelGuidice. There will be free T-shirts for concert attendees. Get ready to hit the dance floor—it is sure to be the party of the year.

The invitations for the 6th annual $200,000 Golf Challenge and the Concert for the Children will be mailed in a few weeks.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org

2018! How Did *That* Happen?

We, at Membership, wish you all a very happy and a healthy NEW YEAR. We hope that you enjoyed your families and friends during this Holiday Season.

Maybe, now, you can sit back, relax and enjoy our gorgeous club and our gorgeous weather.

It's also a time to address some of our business matters and prepare for our futures. The New Year is always a time to tidy up those loose ends. It's time to get a better understanding of how your estate plans affect the membership privileges and liabilities of your heirs and successors.

Boca West Country Club has prepared an easy to read document that you should read, along with any of those that share your membership. It refers to "Membership issues that you should know when planning your estate" not only should you understand it, but we suggest, taking it to your advisor so that all provisions are properly in place.

The question and answer document, is available to be picked up in the Club Services office, located on the lower level of the Golf & Activities Center. It is also available online, under MYCLUB / MEMBERSHIP & CLUB INFO / ESTATE PLANNING.

New Members:
Don't forget our Coffee and Chat sessions on the first Thursday of each month. We also look forward to seeing our New Members at our New Member Cocktail Party on Tuesday, January 23.

Any questions, please come see us in the Membership office.

Always, wishing you well.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairmen, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairmen and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

Hotwire Update

Our Cable Committee meets every two weeks with Hotwire personnel and our Project Manager to review their progress. They continue to make significant progress in installing new fiber optic lines to all our homes. By the time this is published they should have completed trenching of the lines in every community and more than 2,300 of our 3,379 resident home surveys will have been completed. **If you have not scheduled a survey, please do so IMMEDIATELY by calling Hotwire at 288-9199.** To date there are more than 1,000 homes installed with internet/telephone service. Television service installation is scheduled in January 2018. In addition, we have made arrangements with a Comcast affiliated company to have your old Comcast equipment picked up and signed for at your home after your installation has been completed. They will contact you. Our feedback to date by those who have had internet/telephone installed has been overwhelmingly positive and Hotwire is working hard to have the installation completed by their July 2018 contracted date.

Security & Safety

The Security & Safety Committee and the Security staff at BWMA continue to work aggressively to keep our residents safe. Unfortunately, there has been a significant amount of crime outside our gates in both local country clubs and housing developments. We have identified some vulnerable areas in Boca West and have installed additional night lighting and security cameras in those areas and are evaluating putting a higher security fence and cameras in other areas. Our staff and PBC Sheriff Deputies continue to do an excellent job and monitor Boca West regularly to insure only residents and their guests are entering our gates. Please help by updating your guest list and notifying Security of any unusual activity.

We are also continuing our focus on safety within our gates. New stop signs have been installed on Boca West Drive in front of the Golf & Activities Center. Our security guards are monitoring speeders and stop sign violators and issuing significantly more citations. Violators have been brought to our Grievance Committee and have had their transponders turned off.

Again, we ask your cooperation in insuring that you focus and obey the rules for speeding and stop signs when driving cars and golf carts. Remember to lock your cars and take the keys with you. Keep your homes safe by turning on alarms and watching service people who enter your homes. We cannot emphasize how important these precautions are to your safety and well-being. We're doing our part but we need your help as well to continue to keep Boca West safe.

Children's Activity Park Open for Business

The Children's Activity Park had its Grand Opening on December 23 to rave reviews from kids of all ages who came to play and enjoy their ice cream snacks. The beautiful and colorful new Tot Lot was filled to capacity with smiling faces. The four new adjustable hoops basketball courts built specially for children 12 years and under received continuous action.

The updated Nature Preserve provided an exciting and educational experience for all who entered. Two colorful brochures of animals, trees and flowers provided the children with a checklist to use in the Preserve and around Boca West as well.

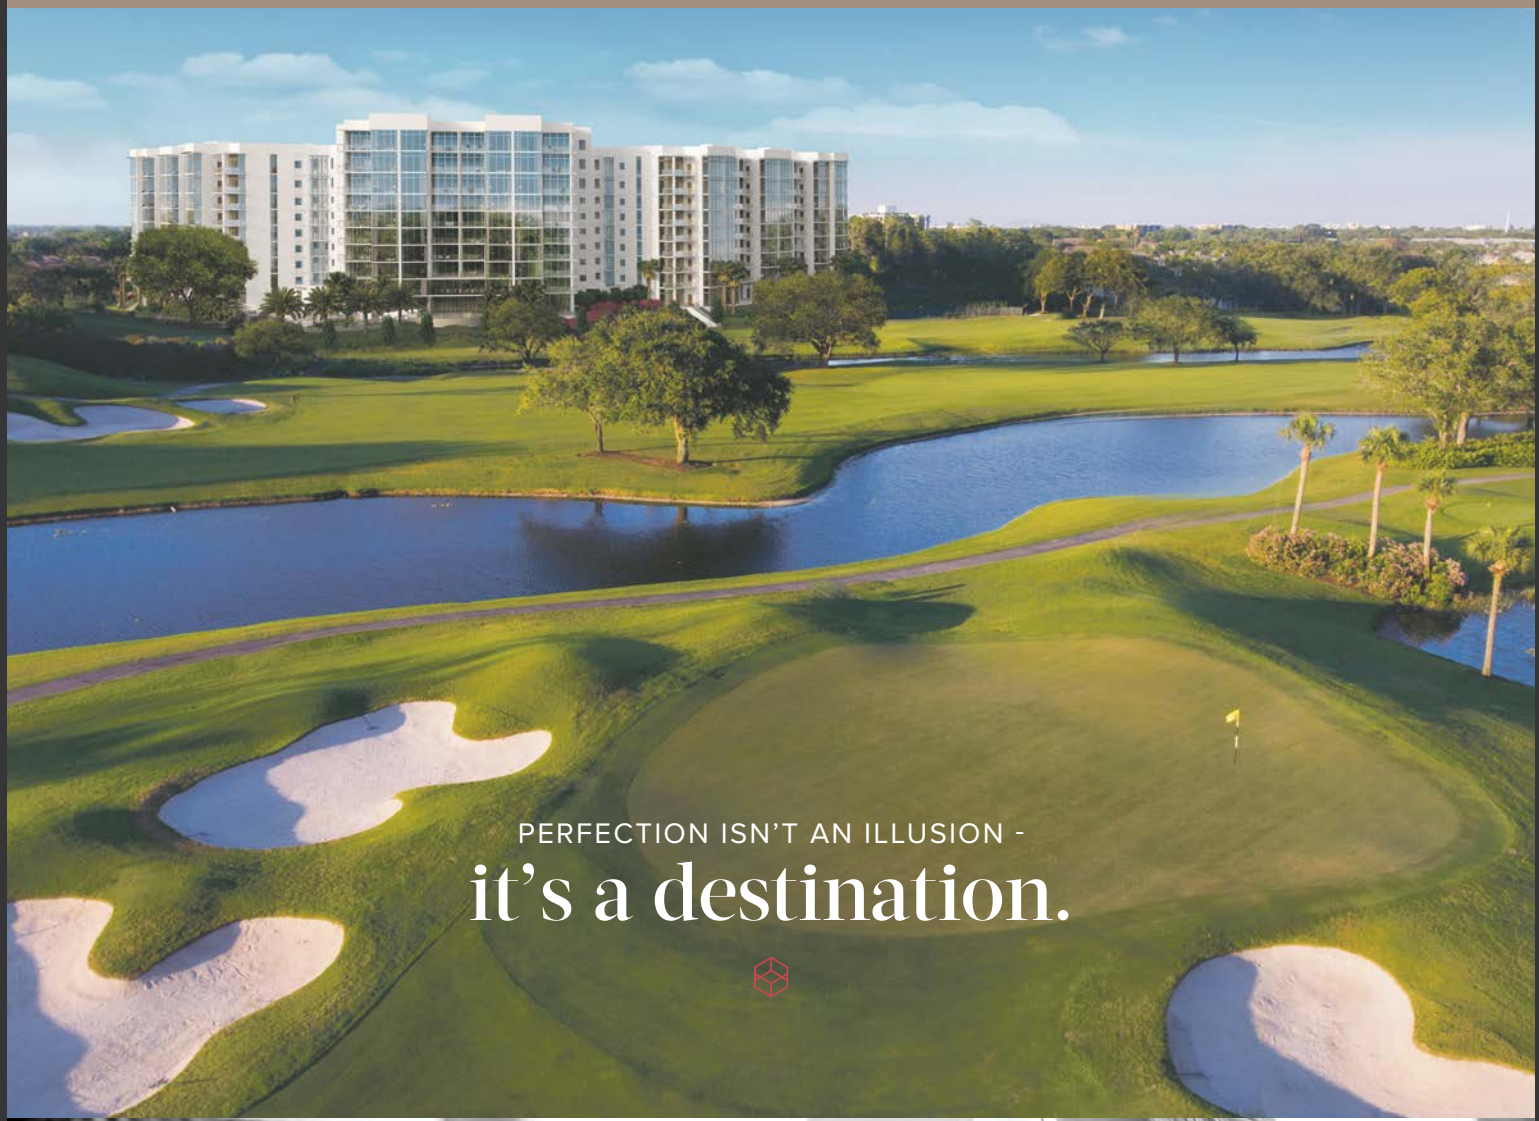

If you missed the Grand Opening be sure to come by the Children's Activity Park and bring your children and grandchildren with you. They will be happy you did.

The Children's Activity Park is located just north of The Cove and across from Akoya.

Dear Member,

Happy New Year. What a wonderful time of year it is. Assuming the weatherman behaved (article written in advance) the holiday week at Boca West was filled with events and activities enjoyed by all, particularly those with children and grandchildren. Marsha and I had dinner at MyPi Friday night (12/22) and we could sense the buzz and excitement among the crowd (young and…uh…not so young) that comes around each year at this time.

The 2017 **Members Briefing** was held on December 21 and while there was a respectable turnout, I suspect many could not attend due to the early arrival of family guests to enjoy the coming week. Therefore, at the risk of being redundant, I think it important that I share some of what was reported upon and/or discussed.

Matt Linderman, in his opening remarks, shed light on the "when" and "why" the decision was made to move the **Carnival** time from early afternoon to 4pm (which also prompted some questions and comments during the Q&A related to the use of the Carnival facilities earlier in the day by the Foundation). While the membership for the most part understood and accepted the reality, I think Management and the Board recognize that the communication to the membership could have been more timely and informative. We have learned from mistakes made in the past and will learn from this one as well.

Phil Kupperman, reported on what he had learned from **Akoya** as to their progress. His remarks, in part, were as follows:

The Akoya Project consists of three buildings, all connected by a common reception area. Buildings A and B (the left and center buildings) are being completed first so that all of the common areas that are card rooms, gym, social room, reception and valet, and all grounds landscaping, pool and garage will be completed before anyone takes ownership of their unit in those two buildings. Once Buildings A and B are fully enclosed, they will begin the enclosure of Building C. The goal is that before anyone moves in to the completed buildings, the total outside of Akoya and its grounds will appear completed. Statistically, on any given day (i) there are up to 200 tradesman on site with the covered garage being full most days, (ii) over 50% of the units are under contract, (iii) units the size of 1,900 and 2,000 square feet that they have not been able to sell at lower prices have now been combined to 3,800 and 4,000 square feet units, and buyers are now spending $2.2 million and up for their units, and (iv) 70% of the buyers are from outside Boca West, of which seven are from outside the state of Florida (those coming from within Florida are for the most part, coming from five of our sister clubs in the area). Finally, they anticipate receiving their Certificate of Occupancy for buyers to move into Buildings A and B within or before the fourth quarter of 2018.

I summarized what the membership heard from other committee reports as follows:

- The Club is financially healthy
- Our Corporate Governance regarding "Controls" and "Risk Management" has and will continue to be enhanced.
- We have made progress in improving our programs and services across all functions and disciplines. and
- We can be proud of our staff as they continue to shine not only as they deliver service to our membership at large, but particularly as they continue to show compassion and empathy for members and/or their guests who are challenged physically or otherwise.

The **annual election** season is upon us, and there are seven candidates who are running for five open Board positions. They are, Arthur Adler, Howard Boilen, Paul Echenberg, Harriet Moskowitz, Morris Oldham, David Shifrin and Charles Wolf. You will be receiving the packet of information, including the ballot, towards the end of January. Your Board helps shape the future of Boca West so please exercise your right to vote by returning the ballot to our Accounting Firm by the date and time specified. Please also remember that you may cast your vote for as many as five candidates but must do so for a minimum of three candidates in order for your ballot to be valid and counted.

I am pleased to report that our Audit Committee received confirmation that their opinion on the Club's **audited financial statements** for the year ended September 30, 2017 will be unqualified and that no material weaknesses in the Club's internal controls were discovered during the course of their audit. A copy of the audited financial statements are available to all members upon request at the reception desk of the Country Club.

In closing, my sincere wishes to you all for a Healthy, Happy and Prosperous New Year.

Please do not hesitate to contact me if you have any questions. My direct line is 488-6905 (leave a message if I don't answer); my email address is hliebman@bocawestcc.org. If you care to write, leave a note at the Country Club reception desk or mail it to Boca West Country Club, Attn: Howard Liebman, Chairman of the Board, P.O. Box 3070, Boca Raton, FL 33431
