THE SPA AT BOCA WEST

# GENERAL MANAGER'S MESSAGE

Dear Member,

**WOW, WHAT AN AMAZING APRIL WE HAD AT THE CLUB.** The **Boca West Children's Foundation** events held on April 9 & 10, raised over $1 million for children at-risk in our area and our 13th annual **Tanglewood at Boca West** concert with the Lynn University Philharmonia concluded with a grand fireworks display that certainly had everyone "oohing and ahhing" at the end of the evening.

By now you should have received an introduction packet announcing our new healthy living lifestyle partnership with **Boca Raton Regional Hospital**. The information is available on our website as well as in the Fitness Center. I hope you take advantage of this unique opportunity. Their dedicated Concierge Health Navigation line (955-9378) has staff waiting to assist you with providing physician referrals as well as scheduling assistance with doctor appointments, labs and diagnostic imaging.

As our tradition continues we hope you'll join us in Grand Central for the first two horse races; **The Kentucky Derby** on May 5, **The Preakness** on May 19 and then in Onyx Lounge for **The Belmont Stakes** on June 9. Stop by to watch the race and enjoy some specially priced cocktails.

I look forward to seeing all of you Moms at the **Mother's Day Champagne Brunch** on Sunday, May 13 in Panache where we will be pampering each and every one of you. Reservations are still available by calling 483-6300. Chef Roger has a special exciting menu planned—one you'll not want to miss. However, whether you spend it here or elsewhere, I hope you enjoy your special day surrounded by family and friends.

Our **Memorial Day Weekend Celebration** plans are complete and include our holiday weekend dinner dance. Please plan to join us Saturday, May 26 for dining and dancing all night long to the sounds of Nightlife. Of course, this is in addition to the activities planned throughout the Club including the golf and tennis tournaments. Don't forget our annual sale in both the golf and tennis shoppes. This year it's "extra special" spreading across the four-day weekend from May 25-28. More details appear on the back cover.

Our summer guest policies in the golf, tennis, fitness and aquatics departments go into full swing this month! For complete details, please check the Club's website, contact the individual department or speak with a staff member in the Membership department and they will be happy to review them with you.

For your information, we have recently hired a marketing company to assist us with a myriad of items including refreshing our brand and/or logo. We are looking forward to working with them in the months to come.

I'm excited to announce that Boca West Country Club has officially entered into an agreement with **The Unicorn Children's Foundation, Inc.** to launch a job training internship program this August for young adults with disabilities. Interns will range in age from 17-24 years of age who have an intellectual or developmental disability which makes it statistically more difficult for them to find jobs upon completion of high school. We are honored to be the first company chosen to partner with the **Unicorn Children's Foundation/Unicorn Village Academy** for this project. Your management team and I are excited to get this program going and are certain this is the beginning of a long successful collaboration. I will keep you updated with news about the project moving forward.

Most of you know that Boca West Country Club has been a prominent supporter of **Habitat for Humanity of South Palm Beach County.** Since 2012, the Club is responsible for providing seven hard working families in our area the comfort of owning their own home and we have an eighth one half way through completion.

Que the drum roll… as I have saved the best for last! CONGRATULATIONS to our Director of Tennis, John Joyce, who will be the seventh tennis professional inducted into the USPTA Florida Hall of Fame in June. As the seventh inductee he will be in the company of others such as Nick Bollettieri, Butch Buchholtz and Rick Macci. Obviously an honor that is not taken lightly. Please join me in giving John a huge pat on the back for the incredible job he has done for us as well as for his community!

I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around!

Sincerely,

Matthew Linderman, CCM
COO & General Manager

# What a Great Season!

*By Dr. David Shifrin*
*Tennis Committee Chairman*

## EXCITEMENT, ENTHUSIASM, CAMARADERIE, GREAT TENNIS AND PICKLEBALL. WHAT A BUSY SEASON!

**Our February Women's Member Guest** was a great success with over 70 women attending and receiving beautiful Lacoste jackets as gifts. The featured speaker was Kristie Ahn. She spoke about her junior years, playing during college at Stanford and what it's like on the WTA tour now.

# AT THE NET *Continued*

Color War brought more than 80 players to compete on February 10. Four teams fought it out, with the Purple Team emerging victorious.

On February 16, our morning Tennis Mixed Doubles Exhibition was a spectacular show. A large crowd of about 300 members were delighted by the antics of Greg Rusedski who teamed up with Shenay Perry against Jan-Michael Gambill and Yuliya Beygelzimer. Great tennis and laughter galore.

Club Tennis and Pickleball Championships capped our terrific season! Both events were held in late February and well into March. Winner's names will be affixed to our beautiful Championship Plaque on the tennis deck.

Our Tennis and Pickleball End of Season Dinner was held in the Cypress Room on March 28. Thanks to Steve Berger and Alan Weinstein for putting together a great event, with music by the terrific duo of Spanky and Dino.

Christina McHale, our touring pro, had a nice showing in the Miami Open, eventually losing to Garbine Muguruza, currently ranked #3 in the world. Some tennis pundits have expressed the opinion that Christina has top ten potential. You may remember that she had a match point in a recent Wimbledon match against Serena Williams. Be sure to watch her the next time she appears here for an exhibition. We'll let you know when that happens, and you'll be impressed not only with her tennis, but also by her delightful personality. Christina wears a Boca West logo on her tennis outfits all around the world, and is a terrific ambassador for our Club.

Boca West continues to host other touring pros who practice on our hard court: Lauren Davis who recently nearly vanquished world # 1 Simona Halep, Kristie Ahn, who recently took down former world #3, Samantha Stosur, ranked 106, the rising star Shelby Rogers, and Jessica Pegula who's highest ranking was 123 and competed in the Australian Open in 2016. And who can forget the surprise appearance a few months ago by the Bryan Brothers, winners of multiple grand slams and considered by many to be the top doubles team in tennis history. And nearly all of our pro visitors comment on our beautiful facility.

Great Pickleball News: The Palm Beach Pickleball Championships were held here on our courts. The visiting clubs were most impressed with all of Boca West, and particularly with our pickleball court setup. Kudos to our pros and to Howard Atterman for organizing a terrific event.

Tennis and Pickleball instructional videos by head pro Rob Norton are being shown to our entire membership via email. Great tips on the fundamentals of both tennis and pickleball. (Stay out of that kitchen!)

Morale and camaraderie are fantastic, and we owe it all to our terrific professionals: John Joyce, Director; Matt McInerney, Assistant Director; Head Teaching Pro, Rob Norton; and Tennis Instructor Dick Stockton, a former "top tenner" on the ATP tour, and a delightful guy.

We are pleased to announce that our Boca West Tennis Team, captained by Arthur Lerner and co-captain Geoff Sitomer, won for the 2nd year in a row the Grand Slam Leagues Tennis Championship with a win over Wycliffe Country Club.

Matches are played against other Country Clubs located in the Palm Beach area and are played from October through March.

Team members include Joe Maguire, Geoff Sitomer, Martin Yaged, Keith Neff, Michael Goldstein, Joel Lauterstein, Pepe Sanchez, Norman Fastenberg, David Sloan and Jerry Appleblatt.

## DID YOU KNOW?

### BE AWARE OF SUMMER SHOWERS! You should not play on wet tennis courts

A clay court is pretty much safe after 15 minutes of a light drizzle except for its lines which can get quite slick. Experienced players even have a tough time trying not to slip while crossing over them while at play.

If a group decides to play on a court prematurely to it being completely dry, the players can in return ruin the court by digging up the surface with their shoes and this will leave grooves and "pockets" on the court. For your overall safety during these spring shower months, please be aware and listen to the tennis staff as to when the courts will be available for you and your partners to play on.

Equity Social and Lessee Members Members in these categories will receive complimentary court fees on Monday and Friday. They will receive complimentary court fees for one guest on Monday and up to three guests on Friday. A non-member may be a guest of the Club no more than six times per membership year (October 1- September 30). Equity members, lessees and non-member residents of Boca West are not eligible to be day guests or house guests. Please Note: A day guest is the guest of a member for the day and must be accompanied by the member AT ALL TIMES when using any of the Club facilities. However, after checking a guest in for personal services such as lessons and massages, the member is free to leave the guest and the facility during the performance of the service. It is not necessary to obtain a house guest card for a day guest. All daily guest fees for use of the facilities will apply.

# ON THE COURSES

*By Steve Forman*
*Golf Committee Chairman*

**IT IS MY PLEASURE TO AGAIN SERVE AS GOLF CHAIRMAN FOR THE UPCOMING YEAR.** As I write this article we are in the process of selecting members of the Golf Committee and I would like to thank profusely the members of last year's Committee for their hard work and dedication to golf at Boca West. I believe we had a very successful season but it would be a profound mistake to rest on our laurels. Our plan is to continue efforts to make golf here as enjoyable as possible. In my next article I will outline in more detail the objectives for the upcoming season.

One of the important goals last year was to help you get to know our golf operations staff better. They all do a terrific job and try their best and we should be appreciative. Boca West would not be Boca West without them. In my last article I introduced you to some key people on Wes Dinsmoor's staff on the following page. I would like to continue in that vein and introduce you to the superintendents of each of our four golf courses.

Please note that prime season is coming to a close but the hard work continues by all the Golf Operations staff. I hope everyone takes the time to thank the staff for the work they do. As always I appreciate any feedback and comments. You may contact me at sforman@strategicm.com or 488-8726.

# Getting to Know Your Golf Staff

**CHARLIE GRAY, PALMER I SUPERINTENDENT:** Nine years at Boca West. Earned a Bachelor of Science Degree from Eastern Kentucky University in Horticulture, specializing in turf-grass management. Married to Heather and has a daughter Miller who is four years old. Enjoys playing golf and basketball. Big fan of SEC football and Kentucky basketball. Feels deeply about his religion. In terms of career highlights, has worked at The Bank One Classic (a senior tour event) for five years; Assistant Superintendent at Kearney Hill Golf Club in Lexington, Kentucky; and the Pasadena Yacht and Country Club in St. Petersburg, Florida. Worked for UPS for 14 years. The biggest challenge at Boca West is having enough time to complete his tasks in a timely manner and working around play. Says that members can help by raking bunkers, not dragging their feet on the greens and repairing ball-marks and divots.

**TYLER MACKENZIE, PALMER III SUPERINTENDENT:** Three years at Boca West. Earned a Bachelor of Science Degree in Economics from the University of Wisconsin and a Professional Golf Turf Management Certificate from Rutgers University. Married to Brigotte, no children but has a border collie. Career highlights include working on the maintenance staff at the Olympic Club for the 2012 U.S. Open; at Hazeltine for the 2009 PGA Championship; and again at Hazeltine in 2016 for the Ryder Cup. His biggest challenge at Boca West is employee retention and the need to constantly educate members on the subject of golf etiquette. Members can help by respecting the game. Tyler said he is a sci-fi nerd and an avid reader. Favorite movie is Lord of the Rings.

**STEVEN MORGAN, DYE IV SUPERINTENDENT:** Ten years at Boca West. Earned a Bachelor of Science Degree in Social Science from Florida State University. Favorite sport is baseball and in fact he was in the minor leagues (Boston organization). Has played baseball in 48 states (not Utah and Wyoming). Married for 12 years with three children—twin boys (Peyton and Tyler) who are 10 and a daughter (Reese) who is 7. Main hobby is to take care of his family. In terms of challenges, Steven states that experience shows and planning is the key to perfection. Scheduling is an art and hard work beats talent. Respect for the game is very important. He is very thankful to his wife who helped him become what he is today..

**RYAN MURPHY, FAZIO II SUPERINTENDENT:** Six years at Boca West. Earned an Associate of Science Degree in Horticulture from Western Iowa Technical Community College and another AS from Washnetaw Community College in Construction Management. Likes camping, fishing and golf and anything Iowa State. Married to Jodi for 5 years and has two children, a boy (Nash) 5 and a girl (Ellie) 2. Career highlights include working on a complete renovation of Bellerieve Country Club in St. Louis. Was at Pacific Greens Golf Club in Omaha for four years. The biggest challenge at Boca West is keeping the sand-traps on Fazio II in good condition. Ryan and his staff continue to check sand depths and liner issues and schedule repairs and edging as needed. It is a big job. Members can help by practicing proper etiquette and reporting problems as they see them. Ryan related that his entire family is in the same business of golf course management and he is very pleased to continue his career here at Boca West.

## TOURNAMENTS & EVENTS

# Elbow Care

*By Palm Beach Institute of Sports Medicine*

**GOLFER'S ELBOW** or medial epicondylitis is an overuse injury which causes pain and inflammation on the bony part of the inside of the elbow or the medial epicondyle and may cause pain to radiate down the forearm. It is caused by muscle overuse and thus, anyone who overuses the muscle is at risk for this condition.

To temporarily reduce pain and swelling, a physician may recommend an oral NSAID (non-steroidal ant-inflammatory drug), a topical ointment, or inject a corticosteroid or painkiller in the elbow. Physical therapy is crucial for long-term pain reduction and for enhanced rehabilitation. Prescribed exercises can speed recovery, minimize the risk of future recurrence, and reduce stress on the injured elbow. If a patient is still having pain three to six months after physical therapy, surgery may be necessary to remove damaged tendons, promote healing, and reduce pain. Recovery may require three to six months.

Tennis elbow or lateral epicondylitis also is an overuse injury which causes pain and inflammation on of the tendons that join the forearm muscles on the outside of the arm. People at risk for this condition include anyone who uses the forearm muscles repetitively like tennis players, painters, butchers, and cooks. Treatment can require oral NSAIDS to reduce pain and swelling, resting the elbow, and physical or occupational therapy to treat the elbow. Most cases of tennis elbow are resolved without the need of surgery.

If you think you have tennis elbow, golfer's elbow or another injury, please make an appointment for a complimentary injury consultation at 488-7882.

I see each treatment as an occasion in which I can improve a moment in another person's day. As a manager, I work with our Massage Therapy and Esthetics staff to continually make improvements in our treatments, products and spa facilities, which will have a larger effect in the overall experience of our members and their guests when they visit the spa.

**SPA PHILOSOPHY**

Spa treatments should no longer be seen as merely an indulgent luxury. Pampering is wonderful, however there is great therapeutic value in being proactive with your overall health by receiving regular massage, body treatments and facials.

**FITNESS & AQUATICS SUMMER GUEST POLICIES May 1 - October 31, 2018** All guests (over the age of 16) of members may use the Fitness Center with no time restrictions provided that they have the proper guest cards or are accompanied by a member. Members may also invite up to three guests at no charge to use the Aquatic or Fitness facilities on Monday, Friday and Sunday. A non-member may be a guest of the Club no more than six times per membership year (October 1- September 30). Equity members, lessees and non-member residents of Boca West are not eligible to be day guests or house guests. Please Note: A day guest is the guest of a member for the day and must be accompanied by the member AT ALL TIMES when using any of the Club facilities. However, after checking a guest in for personal services such as lessons and massages, the member is free to leave the guest and the facility during the performance of the service. It is not necessary to obtain a house guest card for a day guest. All daily guest fees for use of the facilities will apply. Guests, ages 12-15, must complete a complimentary orientation then may work out with someone 18 years of age, provided they have all the proper cards and may work out after 11am.

# Better Storm Preparedness In Boca West

Your Boca West Master Association (BWMA) has conducted five meetings over the past few months with compatible groups of villages to review their experiences prior to, during and post Hurricane Irma. The ultimate objective being to improve their preparedness and response to any future events. Irma presented a variety of challenges for each village. As we have many types of residences, it was decided that we would group like villages together. Some of the areas of discussion pertained to all villages.

Every individual resident is responsible for making his or her own decisions concerning whether to stay or not stay, whether to leave the area, whether to go to a shelter, or whether to go to a friend's home. That decision must be made at least five days before the scheduled arrival of the storm. Property managers should be advised of your decision. Residents should provide management companies with their emergency contact information so they may be called to assist in making actionable decisions with or for the resident.

We must all do our part prior to the storm by taking in all outdoor furniture, grills, flowerpots and other loose objects that could act as projectiles. Each association should have a list of all residents in order to keep a record of who will be staying during the event. This requires a plan of communication between residents, their board and their village management company. This is all part of the good neighbor policy.

For maximum safety in the mid-rise buildings, there must be at least one generator to operate one of the elevators in each building. Residents must approve this expenditure, not just for their own safety but for that of all residents living in the building. Mid-rise associations have made great strides in that direction in the short time between our first meeting and our follow up meeting weeks later.

The lobby areas of each mid-rise building should also be given top priority. Hurricane glass doors and windows or shutters should be installed. The lobby is the central meeting place for residents and generators can provide lighting, refrigeration for medication, charging cell phones and perhaps a cup of coffee.

All generators should be checked two weeks before an expected storm and properly connected. Where necessary, replace faulty or outdated parts. Residents should also look into battery operated generators as well as battery operated fans and other appliances.

For those residents that have disabilities or special medical needs, we hope that they would leave and move in with family, friends or a shelter that is provided for just this situation. Management companies should be made aware of the residents with special needs, and along with their emergency contact, assist in making the proper arrangements. The BWMA website has a wealth of information to assist residents, including a required form for special need shelters.

Most villages have an agreement with their landscape company to come into the village shortly after the storm to clear small trees and branches so that residents can move around comfortably and safely. Some also have their landscape company store larger equipment in their village before the storm so trees can be removed. This eliminates the concern of having to move large equipment after the storm when streets may not be accessible. These take added agreements with your landscaper or tree trimming company. Have your management company talk to them as part of your storm preparation plans.

### Things to Remember

Each village is responsible for their own cleanup. The BWMA is responsible for the main roads that are not part of the village. They have no control over FEMA nor their decision as to when to pick up debris.

FPL will repair lights and power depending upon their assessment of the emergency situation. BWMA cannot make them move any quicker. Remember main roads must be cleared first so that emergency vehicles can get around. If you stay, the good neighbor policy is one of the best ways to get through what could be a difficult situation.

---

This is a synopsis of some of the discussions that took place at the various village meetings. This is not the final report. The BWMA will put together additional information that could better help our residents prepare. Please remember to always listen to your TV and radio for the latest storm updates. Do not wait until the last minute to leave. If you stay prepare for all possible situations.

# SUMMER FUN!

**Over 1,200 children are going to camp this summer because of the generosity of the families at Boca West!**

**WHEN SCHOOL CLOSES,** it is especially tough for children in need in our area. Many are latch key kids whose parents are both working, and this leaves the child with nothing to do for weeks on end. When after school structured programs are not in session you have a child who might become at risk. Boca West Children's Foundation will fund nine different options for our kids this summer.

**CAMP KVOD –** Hosted by Jewish Federation of south Palm Beach County through their involvement with Jewish Family Services, this camp embraces 150 campers who have a variety of special needs. Counselors and staff are dedicated to enhancing camper's social and motor skills. Activities include life skill activities that promote greater independence. These activities include music, yoga, swimming, dance and field trips.

**FAU BAND CAMP –** Two hundred underserved children in Palm Beach County have been learning to play an instrument in after-school programs the last four months. In many cases, daily practice of their new skill has kept the kids out of trouble. Boca West Children's Foundation has granted monies to fund the FAU Elementary Band Camp for underprivileged children for the past five years.

**CAMP WEWA AND CAMP WINONA SUMMER SLEEPAWAY** Boca West Children's Foundation begins its eighth year sending underprivileged children in our area to two weeks at wonderful Camp Wewa in Apopka, Florida. The previous seven years, the kids from SOS Children's Villages-Florida and the Boys and Girls Clubs had life changing experiences (as many of us have had) going away to a very different environment, meeting new friends and creating life-long memories. This is our favorite project of the year. Last year, we were able to send 180 kids to camp and this year we are very proud that more than 200 children will be able to attend and come home with stories that will stay with them forever because we were able to add Camp Winona to our camps offered this summer.

**SUMMER STRINGS** For the past six years, 200 young musicians from underserved areas of Boca Raton receive after-school instruction from graduate students from Lynn University's Conservatory of Music. The Foundation funds a two-week summer program at Lynn that allows the kids to form their own symphonies. The program concludes with a presentation at the Johnson Auditorium for family friends and Boca West residents.

**ALL STAR BASKETBALL –** Last year, the Foundation began a basketball program with former NBA stars headed by Otis Birdsong. One hundred kids from our granted charities were able to spend one week learning life lessons and basketball from the best that ever played the game.

**SUMMER TENNIS AND GOLF CAMPS AT BOCA WEST –** Once again this summer, the staff and volunteers at Boca West will join together to offer underserved children in our area the chance to spend a week learning to play tennis and golf on our great facilities. Every year, the kids have had a blast with John, and all the tennis instructors. Once again, 180 children from Florence Fuller, Wayne Barton, and the Caridad Center will participate. The golf camp is run in conjunction with Kids Hooked on Golf and our pros Pam, Chris, Kevin and Mike. The 100 kids from Boys and Girls Club and Wayne Barton have a fabulous time. Everyone will receive shoes, shirts, hats, socks, lunch boxes and plenty of suntan lotion, courtesy of the Foundation.

*All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org*

# Looking Forward at Boca West

Hello to all of our members of Boca West. I am very happy and proud to be beginning my new three-year term. Thank you all for re-electing me.

We believe that the Membership and the Advertising, Marketing & Communications Committees have very similar goals and interests. Last year we found that having joint meetings was very rewarding and beneficial and will be doing the same again this year.

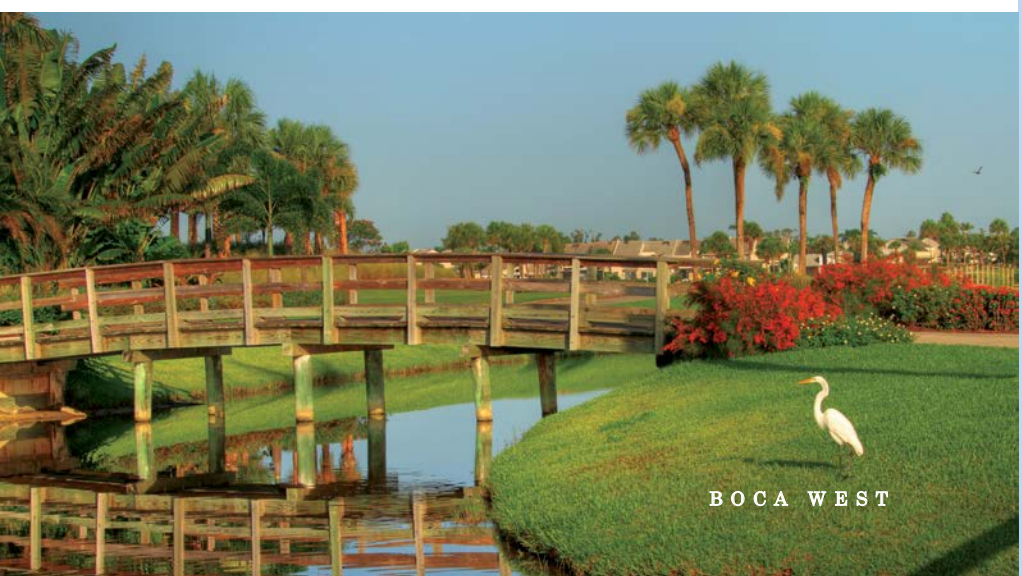

Our **SPONSOR A FRIEND** program has been reinstituted. This program entitles the sponsor of a new member to receive a $1,000 club credit for merchandise or services.

Our **PASSPORT PROGRAM**, available to new members who purchased a home on October 1, 2017 and thereafter, began on April 1. Each new member receives a passport tour of our wonderful facilities.

Our **COFFEE AND CHAT**, held the first Thursday of the month, continues to bring together new members from the last fiscal year, as well as this year to meet, ask questions and become more familiar with the Club and all it has to offer.

Our **STAY AND PLAY** program is still the best way for us to show off the Club to prospective members. Please be sure to share the information with a friend or relative. Spending a couple of days here really does show off our fabulous amenities. We always say, "let them stay and play as we live it". It's a great way to experience the lifestyle at Boca West.

Just to let you know, our new membership statistics are up by nearly 25% as compared to this time last year. That is really good news. We continue to strive to make Boca West the Best and with our new team of committee members, to only make it better. Don't forget that you are our best ambassadors.

## OMBUDSMAN COMMITTEE

*By Joel Macher, Chairman*

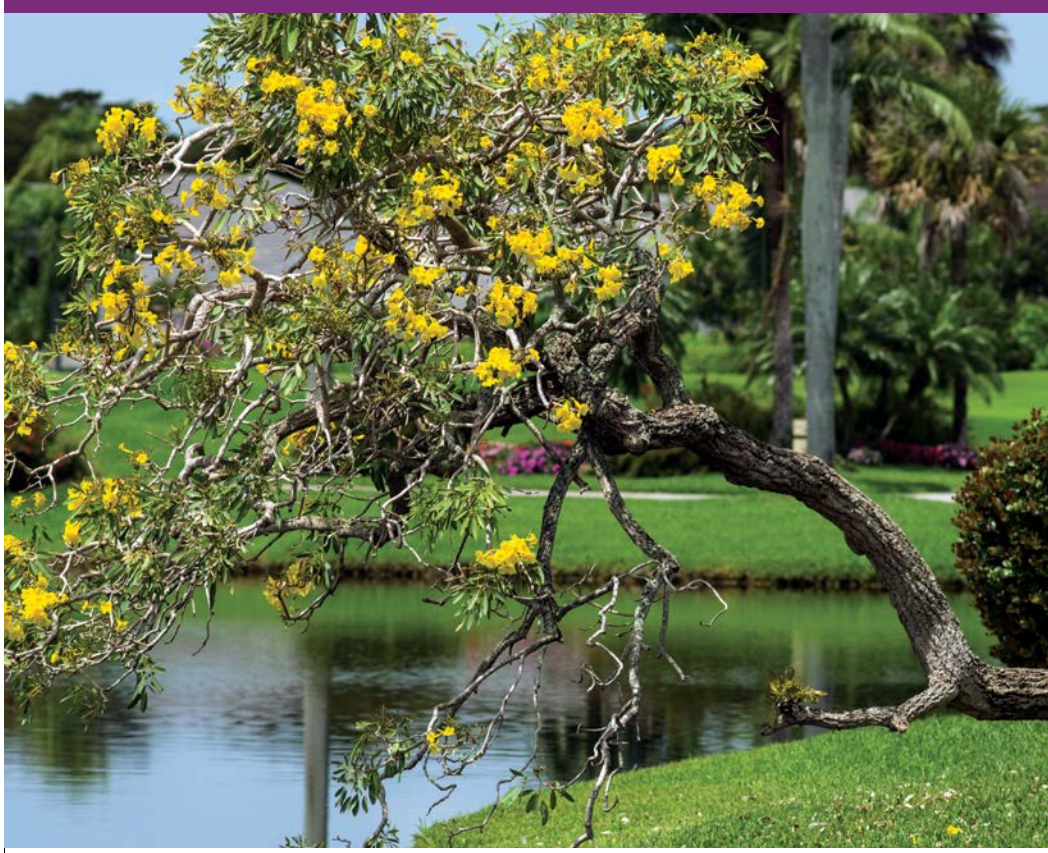

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairmen, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairmen and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

**SUNSHINE COMMITTEE** Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

# CHAIRMAN'S MESSAGE

Dear Member,

**On behalf of the entire Country Club Board,** I would like to offer congratulations to Howard Krosser and Bernard Schlifke on their reelection, and to Elaine Wittlin on her election to the Boca West Master Association Board of Directors.

It is hard to believe the month of May has already arrived. How quickly time passes, particularly when they are "fun" times. The last several weeks have been quite busy beginning with the March Madness Golf tournament on March 17 with 500 participants, and culminating the evening of April 11 when 1,600 of our members and their guests enjoyed Tanglewood, featuring a wonderful performance by the Lynn Philharmonia under the direction of Dean Jon (Yon) Robertson. On March 30 over 1,200 people attended and participated in our Passover Seder and on April 1 we held a well-attended Easter brunch. On April 9 we once again hosted 500 golfers who participated in the Boca West Children's Foundation (BWCF) golf tournament followed by their cocktail party and dinner with 700 in attendance. On April 10 we hosted the BWCF evening Concert with over 1,000 in attendance. What is so remarkable, although we have come to expect it, throughout this entire period our staff did not skip a beat and the reviews and feedback received from members and non-members were excellent. Thank you once again to Matthew, his management team and our incredible staff for all they do.

The experience of attending Tanglewood is always bittersweet. It truly is one of the highlights in entertainment at Boca West, but in some ways marks the near-end of, and closure to a wonderful season. It does remind us, however, of why we love it here at Boca West and why we SO look forward to next season. I heard many people mention with some sadness their soon to be departure dates as they travel north for the coming summer.

**Summer Season.** June 21 officially marks the beginning of summer, but today (May 1) marks the beginning of the Boca West summer season. As such, let me remind you that new guest policies for many of our activities go into effect May 1 and continue through October 31, 2018. For more detailed information see pages 13 (tennis), 16 (golf), and 18 (fitness and aquatics). In addition see page 21 for cardroom policies during the summer season.

**IT Project.** The IT Committee, under the leadership of its chairman Mark Berkowitz, recently met with Management and staff to discuss the status of the IT Project. I am pleased to report that regarding Phase 1 of the project, we will be running parallel with the new Microsoft Operating System and the old AS-400 system beginning May 1 (today) and as of now, we plan on going live (operating solely on the new system) beginning July 1. As a reminder, Phase 1 includes Accounting, Membership, Point-of-sale (other than Food and Beverage) and point-of check-in (Golf, Tennis, Restaurants, Spa, Fitness and Aquatics). The plan for Human Resources and Payroll, which was originally part of Phase 1, is to go live (be up and running) October 1. Work on phases 2 and 3 are ongoing. Phase 2 encompasses Marketing/Communications, Applications and Website, Reservations, and Facilities and Ground Maintenance. Phase 3 encompasses Purchasing/Receiving as well as point-of-sale for Food and Beverage, Catering, and Scheduling and Recurring appointments for Fitness and Aquatics. Lastly and worthy of mention is that the Project continues to operate within budget.

**Budget.** Believe it or not, the budget season is upon us. The orientation meeting of the Budget Committee, under the leadership of its chairman, Bob Winikoff, was held March 26. Management and staff are now involved in the process which means planning for next year's activities is "front and center" as well. Our goal as always is to remain fiscally sound without compromising the premium lifestyle we provide to our members.

Well, the car carriers have invaded and have been quite active with the large exodus we usually experience this time of year. Enjoy the summer in good health and if you travel, do so safely. We look forward to your return and another great season here at home.

Please do not hesitate to contact me if you have any questions. My direct line is 488-6905 (leave a message if I do not answer); my email address is hliebman@bocawestcc.org. If you care to write, leave a note at the Country Club reception desk or mail it to Boca West Country Club, Attn: Howard Liebman, Chairman of the Board, P.O. Box 3070, Boca Raton, FL 33431.
