GENERAL MANAGER'S MESSAGE

Dear Member,

MOTHER NATURE WAS GOOD TO US FOR OUR ANNUAL INDEPENDENCE GOLF EVENT but our tennis event was rained out after 45 minutes. A good time was had by all, even under some dampened conditions. Our Independence Day Celebration, held on July 4, had over 1,800 in attendance. It was wonderful to see all of you and your family and friends having such a good time! The wheels are already in motion for our next holiday weekend, Labor Day, so start making your plans now for our tennis tournament on Saturday, September 1 followed by our dinner dance featuring Euphoria that evening. On Sunday, September 2, the golfers hit the links for our golf tournament. And the fun-filled weekend concludes with our holiday celebration on Monday, September 3. I look forward to you, your family and friends enjoying your Club.

The next time you see, John Joyce, your Tennis Director, congratulate him on being inducted into the United States Professional Tennis Association's Hall of Fame, Florida Division. As I previously mentioned the induction occurred on June 2 during an awards dinner at the USPTA Florida Divisional Conference in Orlando. John truly has an impressive playing history with multiple tennis rankings including:

USTA National

35 singles ranking (1988 and 1989)

USTA Florida section

#1	25's doubles (four times)
#1	30's doubles
#11	35 singles
#6	30's singles

USPTA Florida section

#5	25's doubles
#12	35's doubles
#4	45's doubles

Rob Norton, Head Tennis Professional, Matthew Linderman, John Joyce, Matt McInerney, Assistant Director of Tennis.

Other achievements and awards include USPTA FL Division Professional of the Year (five times); the USPTA Alex Gordon Professional of the Year; the USPTA Florida Division Facility Manager of the Year; and John is no stranger to being inducted into a Hall of Fame as he was inducted into the Admiral Farragut Academy, his alma mater, where he attended as a youngster, Athletic Hall of Fame in 2010. The Hall of Fame at Admiral Farragut Academy recognizes its athletes, teams and coaches, who have contributed significantly to the excellence of the Farragut Athletics Program.

We are so proud of John and his staff for the wonderful tennis program they have created at Boca West. His leadership and passion for the game of tennis, and now pickleball, shows in the many programs, clinics, tournaments and events held each year. They thoroughly enjoy making our members enjoy the game.

Start spreading the news for our **Welcome Back** events and activities throughout the month of November. Our staff is working harder than ever to make this the best season ever! Our season opener, ***Imaginarium — A Cirque-Style Experience***, will be in full swing on Friday evening, November 9. You won't want to miss this "Evening to Remember" as you are entertained with exciting Cirque-type acts and entertainers, fun interactive menu selections with an amazing band to dance the night away. Next up, on November 10 & 11 is our annual Golf tournament followed the next weekend with our Tennis events. Our annual Evening Tennis Exhibition and Dinner on November 16 and Tennis and Pickleball events on November 17 & 18. And rounding out the month will be our annual Turkey Trot Fun Run/Walk along with our Spa Fair on Saturday, November 24.

Over the past 12 years, the Club has supported many of the Lynn University's Conservatory students through the Boca West Scholarship. This annual scholarship, given during our Tanglewood at Boca West event, supports one student and helps cover their tuition. The University recently contacted all the scholarship recipients and has given us an update on them. See pages 20 & 21 for their amazing accomplishments.

Your annual Membership Dues Form package has been mailed. If you have not received yours yet or have any questions, please contact the Membership department at 488-6934 and they will be happy to assist in any way possible.

In closing, I wanted to express a heartfelt ***Thanks*** on behalf of the hundreds of employees and their families that attended our picnic back in June. It was so nice to have had so many calls, emails and comments from the members on how excited you were for us.

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around. Happy and healthy summer to you all!

Sincerely,

Matthew Linderman, CCM

AT THE NET

By Dr. David Shifrin
Tennis Committee Chairman

"Sum-mer-tiiime … and the tennis is *sultry* …"

YES, the weather is tropical in South Florida, but even in this toasty climate it's delightful to be on the tennis and pickleball courts. If you doubt it, ask anyone who's here year round and you'll be convinced that the good life takes no vacations at Boca West.

Plus, there are lots of exciting things in the works. Do you remember the name Sebastien Grosjean? Tennis fans will recall that this Frenchman was a spectacular talent, a top ten player who reached a world ranking of #4 in 2002. Sebastien has remained active in the tennis world, and has approached our tennis director, John Joyce, about the prospect of running a high-performance clinic here. A separate email will be sent out with more information, so be sure to take the opportunity to see a legend of the game as well as lots of highly talented world class players. > > >

Beginning on Monday, June 4, our pros and volunteers were busy with local kids from the **Boca West Children's Foundation's** children's charities. Over the course of five weeks, buses transported about 200 enthusiastic youngsters to our facility, all of them outfitted with t-shirts, hats, socks, shoes, and equipment for both tennis and pickleball, as well as being served a nourishing lunch. These kids are both special and heartwarming to watch.

EngagePickleball, one of the country's premier pickleball organizations, continues to support our program, including a high level tournament scheduled here October 5-7. We'll have the chance to watch the highest skill level of play, plus a free clinic will be offered to our members. More details are to follow.

I'm pleased to report that more and more players are participating in game arranging. At this point virtually all of our men have signed on, and almost all women as well. Under this system, no one has to scramble to find a game, camaraderie improves, and it typically turns out that the same groups play together as when they were going through the trouble of putting games together on their own.

Also, for those who would like to play earlier than our standard 9am starting time, there is a group of early birds who play at 8am. All players are welcome without prior notice. Feel free to contact the tennis staff for more details.

In the next issue, I'll detail the events of the upcoming season. Among other things, you can expect a number of physical renovations, and creative ideas from your tennis staff and tennis committee that will make this our best year yet.

ON THE COURSES

By Steve Forman, Golf Committee Chairman

I HOPE EVERYONE IS HAVING A GREAT SUMMER OF GOLF AND RELAXATION. Meanwhile the Golf Committee has been busy on a number of projects and we have instituted several programs to make the experience here at Boca West even more enjoyable. But first I would like to make a couple of comments about course conditions and the challenges our golf maintenance staff has met in the face of what has been awful weather. We had 25 inches of rain during May—a record (five inches is normal for the month) and the storms continued through June. Four tournaments were rained out—Memorial Day; CMAA and the three-club tournament, twice. However, the courses remained open with only a few days (part really) of Cart Path Only. This is remarkable especially given the fact that a number of other courses in the area had to shut down for periods of time. I have stated in these articles many times how great our staff is and the fact that we have continued to be able to play only underscores the terrific job they do. Please, when you get a chance take time to thank them.

If you recall last year we instituted five new tournaments. This year, we will be keeping all except the Worst Ball Scramble and one of the Rider/Soulheim Cups. The schedule should be out soon so those of you who travel back and forth can make your plans.

If you are down here for the summer I hope you are aware of our new summer league which is being held on Mondays. You can still sign up and it runs through September. I also hope you saw the "Need a Fourth" announcement. Several people asked why they could not play with the Pros? Well now you can so if you have a threesome and would like one of the professional staff to round the group out just fill out a request form. One caveat—you cannot pick the pro—they will be available on a rotating basis. I think it is a terrific opportunity to meet these very nice and highly qualified individuals. This perk is available to golf members Tuesdays and Saturdays through September 29.

At its June meeting, the Golf Committee voted to allow relief from sprinkler heads. This is a topic that was raised many times over the past several years. To clarify, relief is now allowed from any sprinkler head in a **closely mowed area** (i.e. not rough) that is within two club lengths of the green and if your ball is within two club lengths of the sprinkler head, and the sprinkler head is directly between your ball and the hole. If the sprinkler is not directly between your ball and the hole, no relief. Previously you got relief only if the sprinkler head interfered with your swing or stance. That rule still applies in all areas except hazards.

Nanna Koerstz Madsen Update—She's participated in 13 LPGA events so far this year and placed in the top ten once on the LET (Ladies European Tour). She's struggling a little bit, but we are keeping our fingers crossed and continue to wish her well on tour.

Practice Update—are you practicing? For those of us down here yes it is hot but no you don't have to sweat. Both the men's and women's locker rooms have golf simulators for your use—golf members receive priority. And no you don't have to bring your clubs—the locker room attendants have clubs you may sign out and borrow. On a rainy day I actually took a golf lesson using the simulator and it was great! You not only get all the metrics—how far, spin rate, launch angle, etc. but even where on the face you are hitting the ball. It is a great diagnostic tool that will help you improve your game. Please take advantage.

To quote the *New York Times*—that is all the news that is fit to print. I still welcome your comments and feedback. You can always reach me at -488-8726 or via email at sforman@strategicm.com.

2019 League Information

Applications for next year's league are available in the golf shop and online. All applicants for the Men's league must have and maintain an up-to-date USGA handicap at Boca West and be an equity golf member. All applicants for the Women's leagues are based upon having a certain handicap index specific for each league (Wednesday League – an index of 24.9 or below, or playing in the league prior; Thursday League – an index of 38.1 or below). If you don't know your handicap please call 488-6912. All applicants for the 9-Hole Men and Women's leagues must be an equity golf member and a current USGA handicap.

Need a Fourth?

A member of the golf professional staff, chosen at random, will be available on Tuesdays and Saturdays through September 29 to complete your foursome. Simply submit the application available on and at golf registration indicating which Tuesday or Saturday you would like a member of the professional staff to join your group. If multiple requests are placed on the same day, the tee time system will assign the professional for that day. To ensure all groups have the opportunity to play with a professional, each member/group will be limited to one round with a professional until all requests have been filled.

TOURNAMENTS & EVENTS

All social events are open to all equity members. Equity golf members have top priority. All competitive events are open to equity golf members only. Certain events are limited to a maximum number of participants. When oversubscribed a blind draw will be used to select entries.

SOUTHERN TIDE

We're all about the CLASSIC AMERICAN LIFESTYLE: road trips across the country, quality time with our four-legged best friend, and low country boils on the coast.

We have an affinity for all things BLUE, but we still live a COLORFUL life. From our wardrobe to our personality, we don't shy away from making a statement.

Whether we're decked out for a special occasion or suited up for a dip in the ocean, WE'RE ALWAYS UP FOR A GOOD TIME.

We're just as happy with a cocktail at the 19th hole as we are with a cold one on the dock with friends.

WE LIVE FOR THE WATER: whether it's fishing on the river, soaking up the rays by the sea or cruising on the lake; WE'RE ALWAYS GAME.

To us, the South is more than just a location, IT'S A STATE OF MIND. And we always bring a piece of the South wherever we go.

WE ARE **SOUTHERN TIDE.**

Bridge *at Boca West*

JUDGING BY THE MANY BIDDING BOXES we see in card rooms around the Club, bridge is a very popular game. It is enjoyed by players across the spectrum, from beginners who are "trying it out" to experts who have studied and played bridge for many years. We have social players, duplicate players, scholars and theorists. Many players are students of the game; they read and study and discuss hands with great enthusiasm.

We are fortunate to live and play duplicate bridge at the Club and to play at neighboring public bridge clubs within a few miles of us. The public clubs attract many of the finest players in North America, as Florida is their home. Top-ten names you might recognize are: Jeff Meckstroth #1 in Florida, Eric Rodwell #2, David Berkowitz #3, Mike Cappelletti, Zeke Jabbour, Larry Cohen and Marty Bergen. It is common to play at a local club in the same game and at the same table as international champions and authors of bridge books and newspaper articles about bridge.

There are nearly 19,000 duplicate bridge players in Florida who are members of the ACBL. Our Boca West duplicate bridge players distinguish themselves with the quality of their play, as measured in **Lifetime Master Points.**

Florida Top 1% Lifetime Master Points: *Jack Weingold, Honey Ellis, Joanne Weingold, Richa Freedman*

Florida Top 3% Lifetime Master Points: *Dr. Robert Karlan, Aubrey Strul, Sandra Weil, Sylvia Simon, Joan Schepps*

Florida Top 5% Lifetime Master Points: *Evelyn Albert, Sally Strul, Bebe Berkowitz, Mimi Kunofsky, Lori Jacobs, Howard Weiss, Mike Liber, Patti Greiff, Marlene Weiss*

Congratulations to all!

Security and Safety

By Elaine Wittlin, Committee Chairperson

THE COMMITTEE'S RESPONSIBILITY is to work on behalf of all residents, their families and invited guests. Boca West Master Association Vice President and Executive Director, Brad Baecht, along with Executive Assistant, Alyssa Martinez, make Boca West Master Association efficient and effective. Their input and guidance will continue to provide a high standard of excellence.

The Board of Directors has established reasonable restrictions and rules that must be observed by everyone who enters the property. The Committee meets once a month to review all issues and reports from the Chief of Security, Joseph Lastella. The Committee consists of nine members who give much time and effort to consider the safety needs of the community. The Committee encourages your thoughts and is happy to listen to any suggestions you may have to improve the safety in Boca West.

The Chief of Security has four lieutenants, 45 Security Officers and a Captain. The community is fortunate to have a Security staff with a long tenure of outstanding service. The staff adheres to a code of ethics and a dress code. They are well-trained and professional employees of Boca West Master Association. The Chief and his Supervisors provide guidance to full time Palm Beach County Sheriff Deputies and to the American Medical Response paramedics that are on site 24/7.

Security and Safety Tips

We all have contractors/vendors come to our homes to perform various services. Unfortunately, not all employees of contractors and vendors can be trusted and we must take extra precaution to keep our homes and our valuables safe during their visits.

- LOCK UP and put away your valuables in a safe place.
- STAY ALERT Do not get distracted, even by a phone call. If a service provider is in your home, you must stay in your home. Do not leave them alone in your home.
- GET THEIR INFORMATION Write down their names and employee numbers when they arrive. If something is missing you will have their information when you file a report.
- CALL SECURITY If items are missing call Security to file a report. Emergency Number: 483-9229

SKATERS – Are prohibited on all BWMA roads except for the paths leading to and around the Village of Bridgewood and the Sports Center.

GOLF CARTS – Must have minimum of $300,000 liability insurance with clause stating cart is insured on and off the golf course.

- Children under 16 may not operate a cart nor may they sit on the lap of the operator.
- Carts must yield to motor vehicles, bicyclists and pedestrians. Carts should have mirrors, bells and the ability to give turn signals.
- The number of people in one cart may not exceed the manufacturer's recommendation.
- Carts must remain in the extreme right edge of roadways used by automobiles and driving in the same direction.
- They must adhere to all posted traffic and stop signs.
- When driving on the cart paths, use caution and signal via voice or bell when approaching pedestrians or cyclists.

Please inform your guests that they must drive carefully, obey the posted speed limits and stop at all stop signs. You will be responsible for all of your guests if they do not follow the Rules of the Road in Boca West. It could result in loss of your transponder use.

In the event that you have any concerns or questions, please contact: Chief of Security Joseph Lastella at 488-1598 Ext. 302 - jlastella@bocawestmaster.com

Looking back, looking forward!

As Boca West Children's Foundation begins its ninth year and I look back on my first year as executive director, I am overwhelmed with gratitude for all that we have been able to do. Our successes have been tremendous. We have helped thousands of children through the more than $6 million granted since its inception. This past year alone, we awarded $1.18 million to fund projects at local children's organizations. We are a force for positive change in the lives of children at risk in Palm Beach County.

Our grants fund projects created specifically in support of our 24 organizations. This year, we provided the seed money for the Human Trafficking Prevention, Education, and Recovery Program at Place of Hope. Palm Beach County ranks third in the state for the number of calls to the national human trafficking hotline, and Florida ranks third in the nation for the same. Through our program, outreach specialists have educated more than 2,000 members of the community and identified eight missing children. One of these missing children was recently recovered. Together, we are identifying victims, recovering exploited children, and most importantly, we are preventing trafficking through education.

We have just finished our summer camp programs which were attended by 1,200 children who had very special experiences. The Foundation sent children to Summer Strings at Lynn University, the summer band camp at FAU, Camp Treasure, YMCA's Camp Winona and Camp WeWa, Ballstars, and, of course, our tennis and golf camps at Boca West Country Club. Even more important than their enjoying camp is that our camps kept kids safe. Sheriff Rick Bradshaw said it best, "....the Boca West Children's Foundation camps and after-school programs are fighting the onslaught of gangs in Palm Beach County, creating a better future for our kids."

An alarming one in four children in Palm Beach County go to bed hungry. Each Friday throughout the school year, Boca West Children's Foundation volunteers meet at Boca Helping Hands to pack 1,600 backpacks with food for six weekend meals that were distributed to elementary students.

Wayne Barton Study Center will be giving out 6,000 backpacks of school supplies, as well as providing immunizations and eye screenings to our kids. Thanks to our partnership with Sweet Dream Makers, 614 children who were sleeping on the floor will be sleeping safe and sound in their homes on new beds, ready and able to focus in school this year.

Our volunteers donated more than 5,000 hours of their time this year alone. These volunteers help keep the emergency abuse shelter at JAFCO open on weekends. We have retired dentists working in our pediatric dental clinic at Caridad Center each Wednesday. Our retired teachers volunteer at Florence Fuller Child Development Centers, SOS Children's Village, and others. We are making a difference not just through funding, but through the compassionate individuals who are advocates for children.

Although the season of giving is year-round for the Foundation, we are looking forward to some special holiday fun. This holiday season, we will again make sure that 300 area children receive new clothes, a harvest basket for a holiday meal, and a holiday gift. Mark your calendars for Saturday, December 8. We will host 200 children at our 2nd Annual Carnival for the Kids here at Boca West Country Club here on Saturday, December 29.

Be sure to keep your eyes on your mailbox to see how you can support the Foundation—and become a member of our Dream Maker Society. Safe travels to those who have not yet arrived back in Florida, we look forward to seeing you soon!

— Jennifer Bate, Executive Director

SPECIAL PROJECTS UPDATE

By Phil Kupperman, Special Projects Chairman

My article this month will discuss our Renovator Program, what it is exactly and the results of the Program to date. In 2011 your then Board of Governors activated our current Renovator Program. Pursuant to the provisions set forth in our Bylaws, a Renovator must be a state licensed contractor or employ a state licensed general contractor and must purchase the Boca West unit for renovation and resale. The Renovator may not be a Club member, beneficial user or qualify to become a Club member, concerning the unit being renovated. However, the foregoing does not preclude a Club member from being a Renovator.

As an incentive to encourage a Renovator to acquire units that are in need of upgrading, the payment of the Club's social dues is deferred for a period of time. On the other hand, the Renovator does have to pay our Joining Fee upfront by either giving the Club the $70,000 in cash or a Letter of Credit for this amount. However, upon the sale of the renovated property to an approved third party, any Joining Fees paid and any unamortized dues are then refunded in full to the Renovator. It should be noted that regardless of the payment of Joining Fees and/or social dues, the Renovator is not permitted use of the Club or other membership privileges.

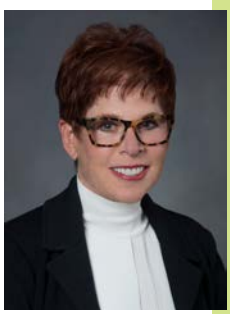

Since 2011, the Club has vetted and entered into formal Agreements with 16 Renovators, seven of which have been or are residents of Boca West. As of the writing of this article, this program has accounted for pending or actual acquisitions of 113 units and the pending or actual sales of 57. Of the remaining 56, most have been completely renovated and are being offered for sale or rental in our Club's leasing program.

The Renovator Program continues to be a success. It is both a financial windfall for the Club while at the same time it is a program that is helping many of our villages upgrade their residential units. As a majority of the units acquired under this Program were either non-performing (Equity units that have been delinquent for years) or non-Equity units (units where the owner chose not to join the Club when the Club went to Mandatory Membership), their ultimate sale to a third party generated a full $70,000 of Joining Fees for our Capital Expansion Projects as well as generating new annual dues to support our Operating Budget. In addition, the sale of each renovated Equity unit has generated between $41,800 and $50,000 to our Capital Project Fund.

In total, the Renovator Program has been responsible for adding over $2.5 million to our Capital Project Fund and almost $300,000 in additional annual dues to support our Operating Budget or almost $70 per year savings in our member's annual dues.

MEMBERSHIP NEWS

By Harriet Moskowitz, Membership Committee Chair

Sharing the Good Life

By now you should have received your 2018/19 Membership Annual Dues packet. I hope you shared the Offspring Membership programs with your adult children. There are numerous families that have taken advantage of these programs and become new members. Your children receive a $10,000 price break in the Club's Joining Fee when they purchase a home. Just in the past year, 16 couples in their 30s and 40s have joined the Club and now enjoy hosting their friends to Prime Cut, Golf, etc.

For Offspring under the age of 40 there are even membership options WITHOUT a home purchase requirement. Offspring 23-30 may join by paying just a one-third of the Membership dues. Offspring 30-39 have the option to join at one-half of the Membership Dues.

Continue to share the Boca West County Club love with your friends and earn a Sponsor a Friend credit. The Club has rewarded more than 25 Members since February for referring their friends to Boca West. When you Sponsor a Friend, you earn a $1,000 credit when they join the Club.

Let's keep enjoying the good life with our friends and family.

For more information on these programs, contact the Membership department at 488-6934 or email membership@bocawestcc.org.

Wishing you the best that summer has to offer. See you back on campus in a couple of months.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

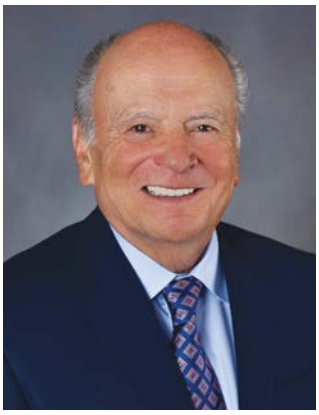

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken mattters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

By now you should have received your 2018/19 dues packet. I would like to thank our budget chairman and vice-chairman Bob Winikoff and Frank Richard, as well as Kathy Campbell, Director of Finance and Matthew Linderman for delivering a budget that will enable the Club to continue to provide the quality of services we at Boca West have become accustomed to, while at the same time preserve its financial health. The budget was approved by the Board of Governors at its June meeting increasing social dues by $640.

Preparing the Operating Budget has been more of a challenge the past several years, particularly given the uncertainties regarding the enhanced infrastructure and related increase in operating costs. This year's budget reflects much of what Management has observed and learned this past year with respect to the new operating environment and should represent a reasonable base-line for the future.

Financial and Other Highlights

So far this year the Club has operated close to budget. Operating results for the eight months ended May 31, 2018, before timing differences, was slightly ahead of budget whereas non-operating items were behind budget. Based upon projections for the balance of the year we expect results for the entire year to end September 30, 2018 to be virtually on budget.

Net outstanding debt (bank borrowings in excess of cash on hand) at May 31 was $16.5 million compared to $17.4 million the same time last year.

As of May 31, there are 52 members who have not paid their dues compared to 41 last year and a budget of 50. In addition, 44 golf players and eight tennis players have downgraded their memberships as compared to a budget of 50 and 25, respectively.

Sales of homes and apartments continue to be strong. As of June 30, closed and pending sales of residences to new members totaled 111 (including four Akoya) compared to 99 (including five Akoya) at the same time last year.

IT Project Status

During the past several months the Applications and Processes included in Phase I of the Project have been running parallel with the old AS400 system. During this time the Developer and our team had the opportunity to perform certain analyses and go through comparisons of data, and as a result, make final tweaks to the new system to their satisfaction. As such, Phase I is scheduled to "go live" August 1 (the release date of this magazine), which means we will no longer be operating the AS400 for these processes. As a reminder, Phase I includes (1) Accounting, (2) Membership, (3) Retail Point-of Sale (other than Food and Beverage), (4) Point-of Sale check-in for Golf, Tennis, Dining, Fitness, Spa, Salon, and Activities and (5) "Club Dashboard" information and updates on each user's personal computer. As has been previously reported, Human Resources, Time and Attendance, and Payroll have been removed from Phase I (now I.5) and are scheduled to run parallel beginning January 1, 2019 with an expected "go live" date of March 1, 2019.

Phase II which includes (1) Reservation Requests for Tee Times, Tennis Courts, Dining and Activities and (2) Facilities Management, Engineering, IT work orders, and Golf Course Maintenance, is expected to be ready for testing and running Parallel beginning May 1, 2019 with a "go live" date of August 1, 2019. Testing and running parallel for Phase III, which includes (1) Food and Beverage (Point-of Sale, Purchasing, Receiving and Inventory), (2) Catering, and (3) Fitness and Spa Scheduling, is currently planned to take place during the spring of 2020 with a "go live" date during the late summer of 2020. The plan is to maintain the AS400 for historical data.

The creation of a Boca West member App will be introduced in the near future and then enhanced over time as additional phases come on line and are in real time. The Project continues to operate on budget with a cumulative spend of $2.2 million through June, 2018.

Nominating Committee

The Nominating Committee, chaired by Howard Boilen, is attempting to get an early start in identifying the future leaders of the Club. If you are interested in being considered for nomination to run for the Board, contact Howard regarding process and timing.

Should you have any questions, do not hesitate to contact me by phone at 488-6905 (leave a message if I do not answer) or by email at hliebman@bocawestcc.org.

Enjoy the rest of the summer, stay safe, and I look forward to seeing you in the fall for another great season.
