GENERAL MANAGER'S MESSAGE

Dear Member,

I hope you're enjoying your season so far. Can you believe it's already March? Where has the season gone? Super Bowl weekend was fun for everyone throughout the Club and President's Week offered something every day for all ages. It was wonderful seeing so many of you with your family and friends taking advantage of this amazing place you call Paradise. There are still so many activities and events to partake in this season so please take a look throughout this issue to see what's happening!

The PGA Show in Orlando last month was well attended and offered a variety of new items for the Shoppe, some of which you will see mentioned on page 9. While I traveled to Orlando with our Director of Retail, Emily Gifford, for the purpose of seeing what's new and upcoming in the future retail world of golf, several of our golf professionals also attended to stay in tune with what's current in the game of golf as a sport as well as to continue with their PGA education.

Please be sure to check out the Scene Flash on pages 22 & 23 featuring photos from the recently held New Member reception. As you see some of these faces around the Club, I encourage you to give them a big welcome in Boca West fashion and ask them to join card games, golf games, tennis games, etc. Make them feel as if they have been a part of our Boca West family for years!

Many of you have contacted us regarding the Club's Wi-Fi connectivity throughout the Club as well as the difficulty with accessing it through the "splash page". Believe it or not, four years ago, we had a maximum of approximately 400 devices connecting to our system per day. Fast forward to the present time and we have approximately 3,000-5,500 devices connecting each day and upwards of 10,000-12,000 during high volume days (i.e. holiday weeks, large private functions at the Club, etc.). Therefore, our system is due for another upgrade increasing the size and speed as well the number of access points. We are working closely with a Wi-Fi consultant to be sure we don't undersell ourselves on what's necessary to accommodate our needs for several years to come in addition to making it more user friendly when connecting. I know it's inconvenient but ask that you please bear with us while we work through this process.

As long as we're talking technical, you should be aware that since you approved the Computer System project back in December 2015, we have been busy building Phase 1 of the 3 Phase project. The past 6-7 months have been especially intense with weekly user testing in each department involved in this phase. We anticipate running parallel with our current system in May and June to test results. Once all necessary changes are made – hopefully no later than the end of July, Phase 1 will go live. In the meantime, the Phase 2 build has begun and will go through a similar process as soon as the build is complete.

One of the many exciting features that comes along with building our own system is the development of our own Boca West App for use on your Smartphones and/or tablets. The screens will be easy-to-read, easy-to-use and will include "Just Ask Me" user training and orientations for those who want it. Stay tuned for more information in the near future.

Sending a "shout out" filled with appreciation to one of your fellow members, Jeff Baron. For those of you who may not know Jeff, he is the reason we have a Boca West Country Club Library. He proposed the idea to Jay many years ago and although Jay thought it was brilliant, he explained to Jeff that we simply did not have the staff to properly maintain one. Well that didn't discourage Jeff one bit as he took on the project himself. What once was a few book shelves set up in the breezeway of the old Golf Club quickly grew into several shelves and then became the beautiful room in our new Golf & Activities Center that you all know and love. To this day, Jeff Baron treats the library as his own and it is thanks to him that we have it at all. So, once again, a "shout out" to Jeff Baron, you have our sincerest appreciation!

It was great to see so many of you at our Annual Meeting. A reminder, if you're interested in serving on a committee, please consider volunteering your time and expertise. Send a letter indicating your committee of choice as well as any relative experience you may have to offer. If you have a resume, please feel free to include it as well. Mail or drop off at the Executive Office to the attention of the Board of Governors by March 8. Your staff and I look forward to working with your newly elected Board of Governors and newly appointed committees throughout the 2018-19 season.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and I look forward to seeing you around the Club!

Sincerely,

Matthew Linderman, CCM

Wine Tasting

WINE TASTING featuring WINES OF TWO OCEANS

Friday, March 23

Serving from 5:30-8:30pm in The Living Room

CAPE POINT is one of the most extraordinary places on the planet. It is here at the southern tip of Africa, along the brooding, craggy coastline of the southern Cape, where two mighty but opposing oceans meet - the one cold, the other, warm. The impact is immense. It affects the climate, the coastline and areas inland, and the influence on the vineyards of the Western Cape is significant. The Atlantic Ocean that flows along the west coast of Africa is fed by the icy Benguela current from the South Pole. The Indian Ocean is fed by the Agulhas current coming from the tropics. Their connection, amidst crashing waves and soaring spray, creates a unique set of conditions.

THE VINEYARDS

The Two Oceans vineyards are influenced by cooling sea breezes and mists that can lower summer afternoon temperatures to slow down ripening, ensure a refreshing acidity and intensify fruit flavours. The warm African sun, however, allows for sugar accumulation and flavour development. They work together to create beautifully balanced grapes that translate into lively, delicious and approachable wines. The whites are fresh, crisp and tangy, while the reds are soft, smooth and juicy.

ENVIRONMENTAL RESPONSIBILITY

Two Oceans takes its responsibility to the environment very seriously. All wines are made from IPW-accredited vines, farmed according to eco-sustainable principles. They also carry the fully traceable sustainability seal that guarantees production integrity every step of the way from the vineyards to the final pack, be it bottle or box. Bottled wines are sold exclusively in light-weight, fully recyclable bottles.

When dining with us that evening, receive your choice of a complimentary bottle of wine per table, chosen from one of the evenings' tastings. Reservations are required for dinner in order to participate in the wine tasting.

MEET YOUR GOLF EQUIPMENT MANAGER: MIKE BOVE, PGA

Mike Bove has been our Golf Equipment Manager since 2008 and is a Class "A" PGA Professional with certifications in both Golf Operations and Teaching/Coaching. Mike was born and raised in Livingston, NJ where he played high school golf and worked part-time at the Golf Zone. After graduating from Elon University in 2006 with a Bachelor of Science degree in Psychology, Mike quickly realized that his true passion was in golf so he entered the PGA Apprentice Program and was hired as an Assistant Golf Professional at Alamance Country Club in North Carolina.

After two seasons at Alamance Country Club, Mike was hired at Boca West Country Club as the Golf Equipment Manager. He is responsible for buying and selling all equipment at the Club. He is actively involved with the day-to-day operations of The Golf Shoppe including managing staff and running special equipment events for our members. Frequently, you will see Mike on the driving range giving one of our complimentary "FlightScope Evaluations." If you need a swing tune-up, he also teaches private lessons.

For the past nine and a half years, Mike has completed the PGA Program, having earned his Class "A" PGA status.

Mike and his wife reside in Delray Beach where they enjoy spending time with their newborn son, Kyle. Outside of work, you can find Mike at his CrossFit gym, working on his fitness or on the driving range, honing his game.

PGA SHOW SPOTLIGHT

In January, Matthew Linderman, COO and General Manager, traveled to Orlando with Emily Gifford, Director of Retail, her Assistant, Charisse Doles, and Assistant Golf Equipment Manager, Jon Cytrynowicz, to attend the BIGGEST golf expo in the world. This is THE SHOW to find out what's hot and what's not; 40,000 industry professionals attended the Show which sets the stage for what will be sold in golf shops around the world.

What's trending for Fall? Color and a lot of it, from golf balls to golf gloves to bold, printed tops. We scoured the floor for new and exciting merchandise that we think you will love!

Recognizing and Avoiding Rotator Cuff Injuries

ROTATOR CUFF MUSCLES EXTEND FROM THE SCAPULA AND ATTACH TO THE TOP OF THE HUMERUS. The most common rotator cuff injuries are impingements and tears. Impingement occurs when rotator cuff muscles swell and cause cramping in the space between the arms and shoulder bones and consequently create pinching; risk factors for rotator cuff injuries include repetitive activity, painting, swimming, lifting, tennis and overhead sports. Untreated impingements can lead to tendinitis and bursitis.

Rotator cuff tears can be partial or complete. A partial tear occurs when the top of the shoulder gets damaged, and a complete tear occurs when the tear goes completely through the tendon or when the tendon is pulled off of the bone. A partial tear may need a procedure called debridement which can be done through arthroscopic surgery and removes debris such as fragments of tendon around the shoulder joint. A complete tear may require surgery to attach the tendon back onto the humerus. Physical therapy after surgery will help to restore strength and range of motion.

Symptoms of a rotator cuff injury include:

- *shoulder weakness*
- *not wanting to move your shoulder*
- *shoulder pain, especially when you lift, pull, and reach behind your back or overhead*
- *decreased range of motion in your shoulder joint*

To help prevent rotator cuff injuries, warm up before vigorous activities and weightlifting and perform shoulder strengthening exercises.

For a complimentary injury consultation or to schedule an appointment at PBISM, please call 488-7882.

Joan and Elihu Schepps donate legacy to the American Contract Bridge League

JOAN SCHEPPS has been an avid, highly respected, collector of trump indicators (TI) for many years. A trump indicator is a small gadget that was used in the game of Whist, the predecessor to Bridge. In Whist, there was no bidding, and a TI was used as a reminder of the trump suit. This was the largest collection in the United States. (Look up trump indicators in the internet for a fascinating history of these little figures and their role in Whist and bridge around the world.)

In 2008, Joan and Elihu made the decision to donate her collection to the ACBL. When the ACBL announced they were moving from Memphis, TN, to new headquarters in Horn Lake, Mississippi, this collection became the impetus for building the ACBL Bridge museum. www.fpabridge.org/trumpind.htm

Trump Indicators share space with displays of the history of bridge and its early celebrities, Vanderbuilt, Culbertson, Goren, a bridge deck which traveled into space carried by a bridge-playing astronaut, The Bridge Hall of Fame, the Morehead Memorial Library and Bridge memorabilia. The trump indicator display covers an entire wall (see photo below). The museum opened in 2010 and is a major tourist attraction.

If your travels take you to Horn Lake, Mississippi, spend some time in the ACBL Headquarters museum. It is state-of-the-art and, as a bridge player, you will enjoy an enlightening experience.

Don't miss out on Foundation Days 2018!

As April approaches, there are two absolute numbers which are important to you and to the Foundation— 500 and 800.

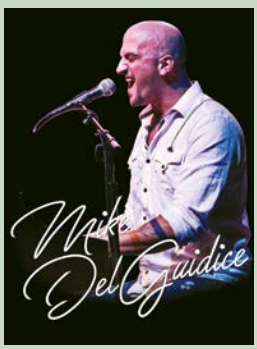

If you have sent in your entry for the $200,000 Golf Challenge, have a seat at the Gala, and/or purchased all the tickets you need for the "Battle of the Bands," (this year starring Beginnings, the authorized tribute band for Chicago vs. Billy Joel's band starring Mike DelGuidice) then you have done your job.

However, if you have not done any of those things, now is the time to do so. We cannot exceed 500 players for the golf tournament and we are over 400 as this article is written. As a reminder, the $200,000 Golf Challenge is Monday, April 9. Your $600 entry fee per person includes brunch, a welcome gift, your duck entry in the $5,000 Duck Drop, $150 in Foundation money to be spent in our merchandise store, a seat at the post tournament cocktail gala and live auction and one ticket to the "Battle of the Bands".

If you are interested in coming to the gala cocktail party, this year looks to be something special. The gala takes place at 5:30pm following the golf tournament. We have become known for the most unique live auction items; a weekend with Celine Dion in Las Vegas, trips to South Africa, and this year seats at award shows like the American Music Awards and the Tony Awards. A $150 donation will get you a seat at the table for drinks, food and the auction. We can only accommodate 800 people and 600 are signed up already. Five lucky people will win $600 AMEX gift cards for just attending thanks to our friends at RADCO.

On April 10, members of, Beginnings, the authorized tribute band for Chicago will face off against the band of Billy Joel starring Mike DelGuidice in the "Battle of the Bands: Chicago vs. Billy Joel". The concert will feature a Florida State Fair theme throughout. Imagine an atmosphere of twinkling lights, games, and food trucks. Gourmet food trucks with the finest food in the area, as well as, beverages are included in the $200 ticket. Wine and drinks will be available to purchase. This is just part of what will be the most unique concert the Boca West Children's Foundation has ever put on.

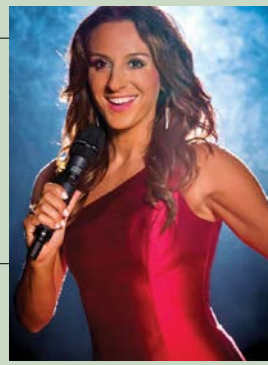

By now, you should have received a mailing with the chance to enter the Boca West Children's Foundation's 2018 Raffle. To purchase raffles, please complete the ticket stubs and return them to the Foundation with a donation of $25 per ticket or five tickets for $100. Checks should be made payable to Boca West Children's Foundation.

GRIEVANCE COMMITTEE REPORT

By Bob Locke, Grievance Committee Chairman

After the Grievance Committee reports to Board of Governors on their findings and the Board's makes its final decision, there is a 45-day waiting period during which the member may appeal the Board`s decision. There are presently two grievances that have passed the 45 day period or the members have already made or waived an appeal. All of the Grievance Committee recommendations were approved. The two grievances are as follows:

GRIEVANCE # 1
Grievance #08-2017

On September 6, 2017 a grievance was filed against this Member charging him with violations of Article X, Section 10.02 of the Bylaws, alleging that he was behind and supported the Class Action Suit filed against the Club and certain individual members. In addition the Grievance alleged that he continued his threats to the Board of Governors, which included threats to file lawsuits as well as threats to other members, which were also in violation of Article 10.02. The Member had filed his own lawsuit against the Club and the Grievance included a charge regarding the filing of this lawsuit. The Grievance Committee heard the Grievance in Executive Session on October 13, 2017. A transcript of the sworn testimony taken on October 13, 2017 along with all documents submitted into evidence at that hearing was sent to the Member, who along with his Counsel appeared before the Grievance Committee on November 8, 2017 and presented his defense. The Grievance Committee reported its findings and recommendations to the Board of Governors at the Board's November 17, 2017 Board Meeting. The report included findings that the Member made numerous threats to the Club, by and through its representatives as well as members of the Board and Committees, that he would sue the Club and the Board if a prior grievance was not resolved to his satisfaction. The Grievance Committee further determined that Member was involved in, encouraged and facilitated the filing of the purported Federal Class Action lawsuit. The Grievance Committee found that he also filed his own State Court suit against the Club in the Fifteenth Judicial Circuit, Palm Beach County (Case No. 502017CA006436XXXXMB). The Committee found that these actions violated Article X; Section 10.02 of the Club's Bylaws as they endanger the Club's welfare, harms the Club's good reputation and disrupts the harmony of the Club and its members. The Grievance Committee recommended that this member be suspended for a period of two (2) years to commence upon the conclusion of his existing suspension, once the Member complied with all of the terms of that suspension.

The Board at its regularly scheduled November 17, 2017 Board meeting adopted and approved the Grievance Committee's findings and recommendations. On November 17, 2017, the Member was provided with written notification of the Board's decision to adopt the Grievance Committee's recommendation and informed him of the following proposed disciplinary action. "1. Effective upon your completion and compliance with all terms of your suspension dated January 25, 2017, including the requirement to issue letters of apology, you are suspended from all of the privileges of the Club, including the right to enter any Club property, in any capacity or purpose for a period of two (2) years as provided for in Section 10.02(B) of the Bylaws. 2. Pursuant to your suspension you are forbidden from entering, using or enjoying any of the Club's privileges, facilities or property. Any failure to comply with this term of your suspension is considered trespassing and will result in your removal from the property and may subject you to arrest. 3. The Board requires that you write acceptable letters of apology, as determined by the Board of Governors, to the Board of Governors, the General Membership of the Club, Members Philip Kupperman, Jerold Glassman, and Bernard Friedman and outside counsel Larry Corman. 4. The incident has been made part of your membership files."

The written notification also included information on the Member's right to appeal, which he exercised by informing the Board in writing of his desire to appeal. The Board, through the Club's attorney, provided Member and his Counsel with a date for the appeal and confirmed that he and his counsel were available on the proposed date. His counsel confirmed and consented to appearing at the Board's January 26, 2018 Board Meeting (the next regularly scheduled meeting) as the date when the Board would hear the Member's appeal of its disciplinary decision. Several days before the January 26, 2018 date, the Member's counsel informed the Club's counsel that the Member and his counsel would not be attending the January 26th Board meeting. Accordingly, pursuant to the Club`s Bylaws, the Board's disciplinary action is now final and no further appeal will be allowed.

GRIEVANCE # 2
Grievance #01-2018

This grievance involved a member having a verbal altercation with his opponents during the Club`s Member/Member Golf tournament including the use of unacceptable language. The altercation concerned scoring. It was found that this member was the instigator of the altercation.

After a thorough investigation including discussion with several witnesses and a staff member, the Grievance Committee recommended to the Board the following penalty:

RULING:

The member who created this altercation and was the instigator is to be suspended from all golf tournament play at Boca West until September 30, 2019. An exception was made for this season`s Member/Guest Tournament as the members partner had already purchased airplane tickets.

The member involved also must write an acceptable letter of apology to each of his opponents as well as to the Board of Governors.

HURRICANE IRMA REVIEW MEETINGS

After completing our first meeting with the 13 Mid-Rise Associations, which was a huge success, BWMA held an additional three meetings with the Representatives of 55 additional Associations and their Property Managers.

Initial Findings

It was strongly suggested that for maximum safety there should be at least one generator to operate one of the elevators in every building. Residents should approve that expenditure, not only for their own safety but for that of all residents living in the building. We should not wait for a mandate from Palm Beach County. The lobby area of each building should be given top priority. Hurricane glass doors and windows or shutters should be considered. The lobby is the central meeting place for residents and generators can provide lighting, refrigeration for medication, charging of cell phones and iPads, and get a cup of coffee.

The next three meetings consisted of all the Garden Apartments, Villas, Attached Units and Private Homes.

Lengthy discussions took place on Personal (Family) Responsibility of the residents, especially in the case of older or somewhat infirmed residents. Villages don't always have Emergency Contacts for residents who should consider leaving town or going to special need shelters. Contact information must be made available by the residents so that they can be called early enough to make actionable decisions with and for their family member.

A more detailed report and recommendations will be sent to all Villages so that they may implement their hurricane plans and inform residents of actionable programs and information available to them.

A representative from the Country Club has attended each of the meetings held and will be included in the above mentioned reports.

HOTWIRE UPDATE

Hotwire has now completed the construction of the Fiber Optic Network throughout our community. That means Hotwire services are now available and can be installed in each and every home at Boca West. Be sure you have completed your In-Home interview and make yourself available for your installation appointment so they can complete this conversion project on-time. As this goes to press, Hotwire has installed nearly 2,000 homes with high speed internet/telephone and have installed video in 500 of those homes. On August 1, 2018 Hotwire will be the Boca West Telecommunications provider and if your Hotwire service is not active at that time you may be incurring unnecessary costs. To schedule your survey or schedule an installation please call 288-9199. If you are not familiar with your new package please visit www.gethotwired.com and use Access Code 9118 to access the Hotwire community website.

Hotwire is prioritizing seasonal residents so that they can complete your installation before you leave for the summer. Snowbirds/snowflakes can call the Hotwire office or simply send an email with your Name, Address, Village and departure date to bocawestinquiry@hotwiremail.com. We are all working hard to make the conversion as seamless as possible so please continue to give us your cooperation. This is a huge project that will benefit us all when completed.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairmen, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairmen and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.
