GENERAL MANAGER'S MESSAGE

Dear Member,

ANOTHER WONDERFUL SEASON IS PLANNED FOR YOU THIS YEAR. But first, I would be remiss if I didn't once again share the news of Brad Luken's passing on August 13 of this year after his very difficult fight with cancer. The number in attendance at his Celebration of Life a few days ago was simply beautiful. In addition to seeing so many of you, there were past employees and Department Heads from as far back as 25 years as well as professionals from the industry who have worked with Brad and Club Managers from the area who all held him in the highest regard. It was a true testament to the respect that Brad had from so many. Many fond memories, tears and laughter were shared. As I've stated before, "Brad was the 'behind the scenes, make it happen seamlessly, kind of leader' and a lifelong champion of the sport he loved. He knew the four courses better than his own back yard, and his high expectations required close-to perfect conditions. He had a dry sense of humor and quick wit and was able to work magic and "wow" the membership with his ever-changing and creative programs for the golf tournaments held at the Club. Please find peace in knowing that he truly loved you, the Club and his entire Boca West family."

On a more positive note, it gives me great pleasure to announce once again that **JR Friend** has been promoted to Director of Golf. For those of you who may not know, JR has been the "number two" in our golf department for over 20 years, starting as an intern 26 years ago. He is highly respected by his peers and the industry in general as being the forward-thinking leader we know him to be. Over the years, Brad and I had several conversations about how proud he was of JR and how much it would mean to him for JR to be his successor when the time came (i.e. retirement). He has the full support of the entire management team for anything he may need. I know in my heart that you will all embrace my choice and will support JR every step of the way towards his success. I'm very proud of him and excited for all of us as we move into the next chapter of our golf operation.

Another new addition to our Boca West Family is **Ira Kasten**, who has joined the team as the Director of Food & Beverage. He is responsible for overseeing the Food and Beverage Department including; Restaurants, Bars, Culinary, Catering and F&B Purchasing Operations. Born and raised on Staten Island, NY, Ira brings over 22 years of Food & Beverage experience, most recently from the Marriott International Sheraton Grand Hotel in Chicago where he was the Director of Food & Beverage. Previous employers include hotels and resorts such as Walt Disney World, Caesars Las Vegas, Hilton, Omni and Westin. Please join me in extending a heartfelt welcome to Ira.

Our on-the-job training internship program with **The Unicorn Children's Foundation, Inc**. has been in place since August. The departments utilizing these students are Membership, Retail, Golf Course Maintenance and Food & Beverage. So far, all reports have been nothing but positive. I continue to hear great comments from our management team and staff regarding the invaluable effect this program has had on them as well.

This past February 14 seems so long ago to many of us; however, to the students and families affected by the tragedy at Marjorie Stoneman Douglas high school, it seems like yesterday. Thanks to your generosity, we were able to offer a scholarship to a student who is pursuing culinary as a career. Read her THANK YOU letter on page 26.

You'll be happy to know that Mr D's is reopening this month. Lunch service as well as Happy Hour will resume on Monday, October 22. Watch for more openings coming soon.

Don't forget to take advantage of our **Healthy Living Lifestyle** partnership with the Boca Raton Regional Hospital. Their dedicated Concierge Health Navigation line (561-955-9378) has staff waiting to assist you with providing physician referrals as well as scheduling assistance with doctor appointments, labs and diagnostic imaging.

I am excited to say that on August 1st our 30-year old AS400 workhorse was successfully retired and transitioned from a weary IBM computer system to a modern platform that supports the foundation for "Cobalt", our new customized enterprise solution. This software is being developed by a team of award-winning Microsoft developers and already provides a more nimble, better integrated baseline for the improvements yet to come. The members of our team who are most intimately involved with working on this project are over the moon with seeing the vision come to fruition. Our hope is that you too, will experience efficiencies even in the early stages of this phase one rollout.

I am sincerely grateful to all of you and the Board of Governors for believing and trusting in me enough to not only renew my contract but name me President. Looking back at my first year as your COO, I realize what a truly amazing experience it has been as Jay and I transitioned. For years I listened to Jay tell me how rewarding it is to be the leader of this incredible organization. I can now say that is an understatement… I love what I do for you more and more with each passing day. Yamile and our daughters, Alexa and Sophia, have really enjoyed getting to experience what I do at Boca West and even more so, getting to meet many of you along the way. Hearing how proud you are of me and my progression at your club is so important to me; however, hearing my wife and daughters say it truly makes it all worthwhile. Thank you for giving me this great honor. I am excited about this coming season and look forward to many more together.

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around. Welcome Back!

Sincerely,

Matthew Linderman, CCM

WINE TASTING

Featuring WINES FROM THE PACIFIC NORTHWEST
Thursday, November 1
Serving from 5:30-8:30pm
in The Living Room

SILVER TOTEM

Washington State's volcanic and mineral driven soils create the ideal environment for Silver Totem wines to develop full aromatic potential. The consistently warm summers and cool evenings of the Pacific Northwest preserve the vibrancy of the grapes and produce a refined tannin structure. Silver Totem is currently bottling limited amounts of Cabernet and producing eco-friendly kegs of Malbec for selected on premise accounts.

NORTH BY NORTHWEST

We were pilgrims to Washington. Since our first Washington harvest in 2005, we have embraced the state. In turn, the state has embraced us as kindred spirits of the Pacific Northwest.

We make wine for wine lovers, simple as that. These are artisan-crafted wines, affordable enough to enjoy every day. My family has always called this our business plan: Integrity. It works for us, and we will always work to bring you the very best. We treat our wines with dignity and respect. We employ winemaking techniques usually reserved only for the smallest boutique wineries. We respect our vineyard partners, and let the quality of the grapes speak for themselves as we craft North by Northwest. Ed King, Co-Founder & CEO of King Estate Winery.

A TO Z WINEWORKS

A to Z Wineworks, a family owned winery, consistently offers Oregon®. Since debut ing its inaugural 2001 Pinot Noir, A to Z has worked with more than 100 vineyards throughout Oregon, encouraging sustainable practices and offering assistance to that end. Diverse sourcing across the state offers complexity and depth to the one wine of each variety that is blended each vintage. In May 2014, A to Z Wineworks became a certified B Corporation and has been honored as a Best in the World B Corp each subsequent year. The certification demonstrates A to Z Wineworks' commitment to transparency, accountability and social, environmental and economic improvement.

When dining with us that evening, receive your choice of a complimentary bottle of wine per table, chosen from one of the evenings' tastings. Reservations are required for dinner in order to participate in the wine tasting.

FIRESTEED

From the moment we began making wine in 1992 we have been dedicated to producing premium quality varietal wines in Oregon at affordable prices. Although Firesteed started small, we've enjoyed steady growth, great reviews and the gratifying loyalty of our customers and business partners, all thanks to the consistent quality and value of our wines.

Consistent quality is not always easy to achieve in a cool climate. Over the years, we have learned to appreciate and work with the forces of nature, adjusting to the changing cycles of the sun and rain and the fertility of the soil in order to create varietals and blends that are wonderful in youth and often become better with every passing year.

Our first ten years of hard work, perseverance and patience were rewarded in 2002 when we moved into the Firesteed Winery and Tasting Room in Rickreall, Oregon. We invite you to visit us, tour our vineyards and taste our wines surrounded by the legendary beauty of Oregon's Willamette Valley wine country. You'll find us about an hour's drive from Portland, just 13 miles west of Salem and 2 miles north of the intersection of Pacific Highway (99W) and Highway 22.

ON THE COURSES

By Steve Forman, Golf Committee Chairman

Remembering Brad

OVER THE PAST YEAR I HAVE DEVOTED A GOOD AMOUNT OF SPACE IN THESE ARTICLES TO THE GOLF STAFF—both operations and maintenance in an effort to help you get to know them better. I hope you have taken advantage because as I have stated many times they are absolutely terrific in their dedication to this club and its members.

Unfortunately, this past August we lost Brad Luken, our Director of Golf Operations, and as I am writing this article I know plans are being made to honor his memory. Still, at this point I feel compelled to provide some of my own thoughts about Brad. Admittedly some of what I want to say is therapeutic.

I did not really get to know Brad until I began to serve on the Golf Committee six years ago. My opinion of him prior to that time was based only on a few, brief interactions. What I learned upon serving on the Committee was that he was smart, very analytical, extremely knowledgeable about every facet of the golf operation, innovative and not afraid to try new things as long as they made some amount of sense and dedicated to doing what he thought was in the best interests of those of us who play golf at Boca West. He also was not afraid to say "no" to very parochial requests because he was looking at the bigger picture. It did not make him popular but he understood that was his job.

What I learned when I became Chair of the Committee and had many long discussions with him about golf and life was that he had quite a sense of humor (somewhat dry like a good Chardonnay), was absolutely dedicated to his children and proud of their accomplishments, was opinionated (aren't we all?) but at the same time a good listener. We did not always agree but he listened to me and considered my opinion. I respected him for that. I also recognized that he cared deeply about the people around him especially those who worked directly for him and vice versa. Evidence that he was a very good manager was the fact that the golf operations ran without a hitch in his extended absence. Evidence that his people cared about him was that they regularly visited him in the hospital down in Miami a one and a half to two hour trip each way. They hurt deeply when he passed.

BRAD LUKEN

Brad told me about his illness over a year ago and asked me to keep it to myself. I think he did not want a big fuss made about it. He never complained to me about his plight or bad luck. He never complained about the pain or discomfort that he was feeling. I would ask him frequently about how he was doing and he would say "fine." He just went about his job. I think his only regret was that he would not see and enjoy grandchildren. He was not bitter and accepted his fate although he fought very hard against the disease. But it was just too much. He came to work every day until he couldn't anymore. I will miss him a great deal. We all should appreciate what he did for us for 36 years.

> **WE HAVE WONDERFUL PEOPLE WORKING AT BOCA WEST AND WE WOULD ALL BENEFIT BY GETTING TO KNOW THEM BETTER.**

One final thought and that is about involvement. If I had never been on the Golf Committee I would have missed a lot, especially the opportunity to understand better the golf operation and get to know better the people who run it. And I would have missed a lot of good time interacting with Brad. This is our club and I think we should all try to get involved not only so the club can take advantage of our expertise and experience but also so we can get a greater appreciation for how and why things work as well as they do. We have wonderful people working at Boca West and we would all benefit by getting to know them better.

More news about golf in my next article. If anyone wants to contact me I can be reached at 488-8726 or via email at sforman@strategicm.com. Thanks for listening.

Welcome back to you tennis & pickleball snowbirds!

AT THE NET

By Dr. David Shifrin
Tennis Committee Chairman

As always, the tennis and pickleball courts are in pristine condition and our professional staff is at your disposal for another stellar season.

There has been a larger group of players this summer, indicative of our growing season-round membership, and we enjoyed a nice stretch of play in both sports, even though Mother Nature didn't cooperate for the tournaments on Memorial Day and July 4. Still, we were treated to complimentary breakfasts and had a very pleasant time socializing on our beautiful tennis deck.

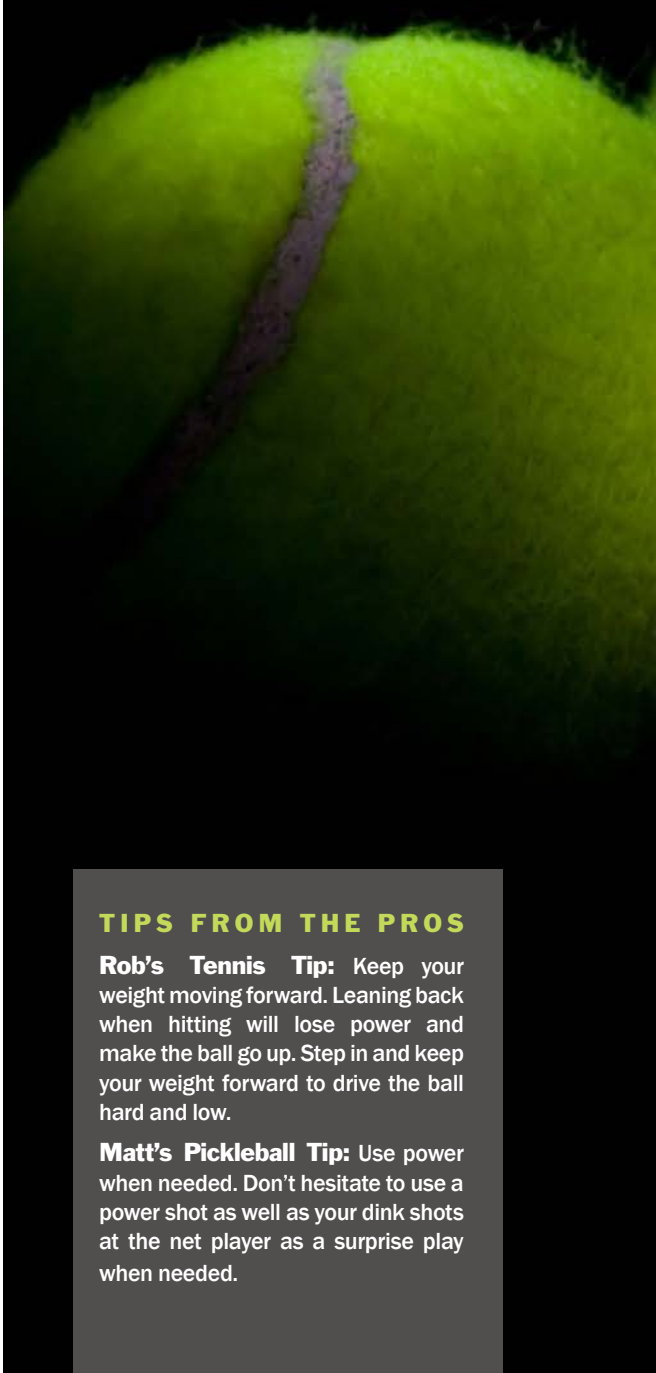

Engage, the pickleball company, is arranging a high level tournament here during the weekend of October 5 – 7, Friday to Sunday. We will have the opportunity to see a group of superb players in action, so be sure to put this one on your calendar and come out to watch. Also, stay tuned for email notices about tournament and pro demo events in the near future – in both tennis and pickleball.

Also, you may remember that I previously mentioned the possibility that Sebastien Grosjean, former world number 4 on the pro tour, would be establishing a high performance tennis program here at Boca West. This is now in operation. Sebastien's organization is called the Tennium High Performance Program, and he will be coaching talented juniors on our courts daily after 11am as well as welcoming world class tour players to practice at Boca West. This is another great opportunity for marketing Boca West as well as a must-see activity for our members who want to check out brilliant young players with tour potential.

Our professional staff of John Joyce, Director of Tennis; Matt McInerney, Assistant Director, and Rob Norton, Head Teaching Professional, look forward to welcoming you back for another great season of tennis and pickleball. Be sure to stop by, say hello, introduce yourself and meet the new staff members who will be joining us this year.

And a final word, for those of you who haven't tried pickleball and would like to learn, just contact a tennis staff member and ask about arranging an introduction to the sport. It's a delightful activity, fast-paced with lots of action, and a surprisingly good workout. Believe it or not, you will burn more calories in pickleball than in tennis. In addition, the pickleball players are welcoming and inclusive, and there will be pickleball organized play starting mid-November on Friday and Sunday mornings at 9am.

Here's to another great season!

TIPS FROM THE PROS

Rob's Tennis Tip: Keep your weight moving forward. Leaning back when hitting will lose power and make the ball go up. Step in and keep your weight forward to drive the ball hard and low.

Matt's Pickleball Tip: Use power when needed. Don't hesitate to use a power shot as well as your dink shots at the net player as a surprise play when needed.

Coolibar®
Sun Protection You Wear

YOU REQUESTED—*and we responded!* Many of you have asked us to carry this sun protective item because you already love wearing this line.

Coolibar has dedicated nearly 20 years to developing the most innovative, technical and high performing sun protective apparel as well as accessories. Coolibar is perfect for our Boca West members as it inspires a healthy, active, outdoor lifestyle safely in the sun. According to Coolibar's founders, they consider themselves to be trusted experts in sun safety and believe that "the more you're covered, the more you're protected, and the more you'll enjoy a worry-free life outside." When it comes to protecting your skin and your right to safely enjoy the outdoors, Coolibar never compromises on protection nor skimp on quality. They always test their fabrics for UPF 50+ protection because they know your life depends on their commitment to you.
Like effortless sunscreen that you wear, Coolibar apparel focuses on movement and comfort with styles perfect for Boca West and beyond and always provides UPF50+ protection from ultraviolet rays.

RECOMMENDED SKIN CANCER FOUNDATION
RECOMMENDED AS AN EFFECTIVE UV PROTECTANT

Coolibar was the first clothing company to receive The Skin Cancer Foundation's Seal of Recommendation.
Source: CDC: Skin Cancer Rates by State

Isn't My Cotton Tee Enough? In a word, no.
An average cotton t-shirt may not safeguard you at the beach, let alone on the street. When dry, a white cotton t-shirt only provides an ultraviolet protection factor (UPF) of 5-7*. Even worse, when wet from the pool, the protection level drops to about UPF 3, exposing us to UV radiation we may be unaware of.

Today, 90% of skin cancers and premature aging are a result of compounded UV exposure. Coolibar's ZnO t-shirts, polos, tunics, cover-ups, dresses, hoodies and pants are super soft, comfortable and UPF 50+, blocking 98% of UV rays wet or dry. All our fabrics are guaranteed UPF 50+, from the first time you wear our product to the day you retire it.

Since UV damage is cumulative and irreversible, starting kids and teens with UPF clothing provides the best option when it comes to outdoor activities. With ultra-soft fabrics, like our ZnO, kids fall in love with Coolibar t-shirts which we design to keep them sun safe year-round.

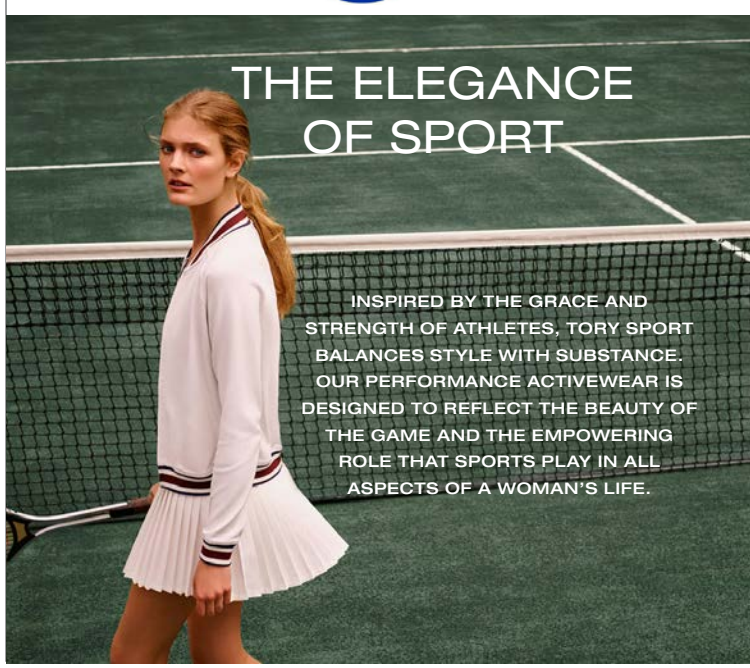

*Source: The Skin Cancer Foundation

Why are clothes called UPF instead of SPF?
Between UPF and SPF, the concept is essentially the same, to protect your skin from ultraviolet radiation. What SPF is to lotions, liquids and serums, UPF is to fabrics and clothing. SPF only measures sunscreen protection from UVB rays, the burning rays. When applied correctly, SPF 30 blocks 97% of UVB rays. UPF 50+ measures light transmittance, blocking 98% of UVA and UVB rays. Coolibar fabrics exceed all published American and Australian standards.

How is Coolibar ZnO t-shirt fabric developed?
ZnO is our unique blend of cotton, bamboo viscose (a natural UV fighter) and spandex fabric, embedded with millions of zinc oxide minerals at the fabric level. Zinc Oxide protects against UVA and UVB rays and has many skin comforting qualities, often used on the most sensitive skin types. So soft and soothing, our Coolibar ZnO t-shirts are sure to become your everyday favorite.

I am a culinary major with an emphasis in Molecular Gastronomy. I plan to pursue a career in culinary management upon graduating from University of Central Florida. I will attend UCF to earn my bachelor's degree, and thanks to you, my dreams are coming true.

Thank you again for all the help that you have granted me. This scholarship provides an astronomical amount of help and without it, I probably wouldn't have been able to attend college. I would like to assure you of how greatly honored I feel to accept your investment in me, and promise to put this investment to phenomenal use.
In the future, I plan and hope to be able to do the same thing for other students, so they can achieve their goals just as you have helped me achieve mine.
Thank you again.

Sincerely,

Kaiel Barcellos

OCTOBER is *appeal month* *for* Boca West Children's Foundation

IT IS THE ONLY TIME each year we ask for the help from our supporters to continue the work we have been doing for the past eight years.

The Boca West Children's Foundation has grown from its most humble beginnings to its current status as a major force in assisting South Florida's at-risk youth. Each year proves to be more challenging than the previous one amid major local, state, and federal cutbacks.

During 2017-2018, our donors sponsored and distributed 1,600 backpacks containing six quality weekend meals to elementary students who would otherwise been hungry; collected and donated more than 28,000 diapers; provided summer camp opportunities to 1,200 at-risk children; and so much more.

Boca West Children's Foundation provided in excess of $1,180,000 in grant awards and programming this year alone. Thank you to our benefactors who made sure that more than 5,000 children were fed, clothed, mentored, and kept healthy and safe each day last year.

Importantly, after doing so much good throughout our fiscal year, we begin the next fiscal year with a blank slate in October.

Beginning at ground zero to fund our programs for the coming year, we need you now more than ever. You will soon receive our annual appeal in your mailbox. Please keep an eye out for it. We hope you will find it in your heart to make our mission your mission, making life a little bit better for those who need us most.

We cannot do this without you.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors.
If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org

Join us!
It's a New Season at the Club

I do hope that you all had a wonderful summer. We can now think about the beginning of our new season here at Boca West.

Along with many of our continually growing programs, one of our new and successful ones is *Coffee and Chat*. Many of you may have heard about it. Numerous new members have already attended. This year, so far, we have 96 new members at Boca West. That is an extraordinary number of new members. Very interesting this year, is how many of those New Members are locals and have chosen to move into Boca West. Several others come from NY, followed third by MA, then PA and IL. Handfuls of friends from CT, RI and Canada have also recently joined.

We, therefore, want to welcome all of our new members and lessees (within the last calendar year) to Coffee and Chat. It takes place on the first Thursday of the month at 10am in the Club Services conference room, located on the lower level of the Golf & Activities Center.

We talk about many things. First of all, it is a great meet and greet. Many new members get so involved in just moving in, that they don't have time to say "Hello". Many are looking for card games or golf games. We have also found out that many new members don't play cards or golf and are looking to meet people with other special interests. And with Pickleball being complimentary, new friends decide to go and try the game out together.

We, and your new neighbors, are looking to reach out, connect, and welcome all of our members to enjoy their new life at Boca West.

Are you a New Member? Plan on joining us. You will be glad you did! We look forward to seeing you.

WELCOME BACK!

By Howard Krosser, President

ON BEHALF OF THE BOCA WEST MASTER ASSOCIATION BOARD OF DIRECTORS I want to welcome back those of you who were away for the summer and say hello again to those of you who stayed. Your Master Association staff has been extremely busy and diligently working over the summer to prepare for the upcoming season. In addition, our Board has agreed on a set of objectives we would like to achieve this year that focuses on continuing to keep Boca West the best residential community in the country. *They are:*

- *Continue the coordination with the Country Club to jointly find ways to increase Home Sales and Prices.*
- *Further enhance our Beautiful Landscaping.*
- *Improve our Budgeting, Architectural Control and Audit procedures.*
- *Maintain our high level of Security and Safety and strive to improve it with the latest technology.*
- *Continue to improve Communications and our Website.*
- *Complete the transition from Comcast to Hotwire successfully.*
- *Relocate the AMR Ambulance Team.*
- *Plan and execute a program to replace and modernize our street lights.*

This is a very ambitious program which I feel confident we can achieve. Since being elected President in March, I have delegated total operational responsibility to our Executive Director, Brad Baecht, enabling our Board and their excellent Committees to concentrate on Policy issues. Brad will lead our outstanding and professional Financial, Landscaping, Safety and Security, and Administrative staffs in all areas of daily operations. I believe this has allowed all of us to be more effective and efficient.

As we proceed through the year we will continue to inform you of our progress through our new website and video channel and with articles in the *Outlook* and this magazine.

Again, thanks for your support and I hope you have another great year in our Boca West paradise.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

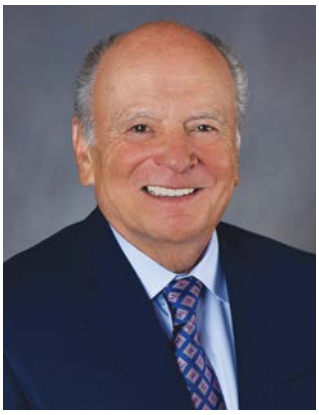

Possibly you may have taken mattters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

CHAIRMAN'S MESSAGE

One thing we can be certain of is that the passage of time continues, perhaps too rapidly, without interruption. It seems like yesterday so many of us were bidding farewell to friends and neighbors as we and/or they planned trips away from Boca West for the summer. Well, by the time you read this letter, summer will have passed and some of you who were away will have returned. To those still away, we look forward to your safe return. The Committees and Staff have worked diligently on planning the activities for the upcoming season which I assure you we can all look forward to.

One year ago **Matthew Linderman** accepted and received the mantle of leadership at Boca West, from a retiring Jay DiPietro, who successfully held that position for over three decades. Today marks the first anniversary of that exchange. During the past year the Club was faced with some unique challenges which Matthew dealt with and overcame, without compromising the dignity and integrity of his office. I am pleased to inform you that with the unanimous support of the Board of Governors, we have reached an agreement with Matthew extending his contract for three more years. In doing so, the Board thought it appropriate to expand Matthew's title by naming him President, General Manager and Chief Operating Officer of Boca West, a title consistent and more aligned with his overall responsibilities and accountabilities. I have every reason to believe this relationship will continue and thrive, for the benefit of Boca West as well as Matthew, for many years to come. Please join me in congratulating Matthew and wishing him good luck and success as we continue on this journey together. I would be remiss if I did not mention his beautiful wife Yamile and his two beautiful daughters, Alexa and Sophia. We appreciate and thank them for the support they give Matthew, enabling him to provide the leadership necessary for the Club's continued growth and success. We wish them good health and happiness as well.

On a sad note, this past weekend (planned as of this writing) we celebrated the life of **Brad Luken**, our esteemed Director of Golf Operations for over three decades, who recently lost his battle with an illness that had plagued him for just over the past two and half years. Staff and members alike expressed their sadness and sense of loss with the passing of Brad. These expressions were not solely with regard to the personal relationships he leaves behind. These expressions are indicative of the respect Brad enjoyed from so many for his knowledge and expertise in his field, and for the consummate professional he was in leading the Golf Program at Boca West. Golf Committee Chairman Steve Forman has written an excellent article sharing his thoughts about Brad. The article sheds light on the personality of the man we knew only as Brad, as seen through the lens of someone who is actively involved in Club activities and had worked closely with him. The article appears on page 12 and I encourage you to read it in its entirety.

Attention to Succession Planning at Boca West is not limited to the COO position. As you know, **JR Friend** has been selected to fill the position of Director of Golf Operations at Boca West. In my position as Chairman, I have gotten to know JR more intimately and while he has some big shoes to fill, I am confident he will continue to grow professionally in his new position and meet the challenges that come his way. He is both qualified and deserving of this appointment, and most importantly, has the support of the entire staff in golf operations as well as the Board of Governors and operating leadership team at Boca West. Please be sure to congratulate JR and offer him your good wishes.

Please welcome our latest addition to our management team. **Ira Kasten** has recently joined Boca West as **Director of Food and Beverage**, replacing Thomas Kassner. Ira can be seen walking throughout the restaurants during dining hours, greeting and introducing himself to as many members as he can. If you have not had the opportunity to meet Ira as yet, please feel free to reach out, introduce yourself, and get to know him. I am sure it will be welcomed and appreciated.

Phase 1 of the **IT Project** went live on August 1 and began operating independent of the historical AS400 programs and system. I am happy (if not thrilled) to report that the overall feedback from the staff affected by the significant changes has been very positive.

Let me remind you that the **Nominating Committee** has begun its work in earnest trying to identify the next leaders of the Club. If you are interested in serving your fellow members and continuing Boca West as the award winning and fiscally sound country club that it is, send your resume to Howard Boilen in care of the Executive Office.

As always, if you have any questions or comments feel free to contact me. My direct line is 488-6905 (leave a message if I do not answer); my email address is hliebman@bocawestcc.org.
