THE SALON AT BOCA WEST

GENERAL MANAGER'S MESSAGE

Dear Member,

OUR ANNUAL MEMORIAL DAY WEEKEND didn't exactly go as planned. Both our holiday tennis round robin and golf tournament were canceled due to Mother Nature. However, the weekend wasn't a total wash out. Our four-day sale, which began on Friday, in the golf and tennis shoppes was a huge success and close to 500 members and guests danced the night away to the sounds of the Michael Masci Band Saturday evening. And to top it all off, we had a great attendance with more than 2,150 people at our annual holiday celebration in the country club.

Plan to join us for the **150th running of The Belmont Stakes** on Saturday, June 9 at 5pm in Onyx Lounge. We'll have specially priced Mimosas, Belmont Breezes and White Carnations, the official drink of The Belmont Stakes.

We've added a **Trivia Challenge** at Happy Hour on June 13, July 11 and August 8 from 3:30-5:30pm with Wilma McAwesome. Teams of four to six people will answer questions about general knowledge, history, sports, science, pop culture, movies, music and so much more. Four rounds of questions are presented vocally, musically or visually. I certainly hope you're able to stop by for this wild, wacky and awesomely fun interactive evening.

Last month it was all about our "Moms". This month we celebrate all our "Dads" at our **Father's Day Sunday Brunch** on June 17. Reservations are available by calling 483-6300. We'll be serving many of dad's favorites along with a complimentary bloody mary just for him!

Plans are underway for our final two holiday celebrations, **Independence Day** on Wednesday, July 4 and **Labor Day** on Monday, September 3. Bring your family and friends for these great summer celebrations and don't forget to tell the kids to stop by the card rooms to partake in all the activities.

Our behind the scenes work began with the month of May doing our annual repair and maintenance in the different restaurants and kitchens. We close different buildings throughout the summer months while business is slower so not to disrupt your daily schedule. We will continue our work in all areas of the Club to make sure we're ready again for next season's activities and events.

The budgeting process for the 2018/2019 season has been in full swing for several weeks. This has been challenging year, but I assure you that your budget committee and Department Heads have been working hard to present the Board the best budget possible without sacrificing any services or the quality of life you've come to expect.

This month we will be hosting the **Seminole Region Club Managers 28th Annual Charity Gala & Golf Tournament** on June 10 and 11, 2018. The primary goal of this event is to raise the most amount of money possible to benefit local children's charities which includes **Special Olympics of Palm Beach County, SOS Children's Village of Florida, Florence Fuller Child Development Centers, Place of Hope at The Leighan and David Rinker Campus, The Unicorn Children's Foundation, 4Kids, Boca Helping Hands, The First Tee of the Palm Beaches, Achievement Centers, Epic Missions and Grandma's Place.** On behalf of the club manager's tournament committee, I would like to say THANK YOU to the board of governors and membership for this opportunity to show off your incredible Club.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around. Wishing all Fathers a very happy Father's Day and a spectacular Fourth of July holiday.

Sincerely,

Matthew Linderman, CCM
COO & General Manager

Independence Day - July 4

AT THE NET

It's non-stop Tennis at the Club

By Dr. David Shifrin
Tennis Committee Chairman

FANTASTIC NEWS: John Joyce, our director of tennis, has been scheduled for induction into the USPTA Florida Division Hall of Fame! John is only the seventh member to be named, and has been preceded by such notables as Nick Bollittieri, Buch Buchhholz, and Rick Macci, a highly regarded junior coach whose students have included both Williams sisters as well as Boca West's own Maggie and Charlotte Owensby. The induction is scheduled for Saturday, June 2. A great honor, well deserved, and a feather in the cap of Boca West Tennis. Congratulations, John! John has been running our tennis program since 1994. During that time he has organized hundreds of events, including exhibitions by current and former tennis professionals, a qualifying tournament for the men's and women's draw of the French Open, the International Tennis Federation Tournament that took place here in 2014, and last year's junior qualifier for the French Open that was sponsored by Lacoste. And these special events will continue, including a return of the ITF tournament next year (see below) as well as a good chance for a return event from the French Federation.

New Members: We have had ongoing success with welcoming new members to Boca West Tennis. Over 100 people per year receive letters that encourage them to join our tennis and pickleball programs, including an offer for a free 30-minute tennis lesson from one of our pros (which also serves to evaluate the new player's level of tennis for inclusion in game arranging) and warm, personal follow-up phone calls which have also been very well received. You may have noticed the arrival of several new faces this past year, some of whom are top level players.

Pickleball: Our pickleball program continues to grow, fostered in part by clinics on Friday and Sunday mornings that are run by our pros. Pickleball is particularly exciting for youngsters, so when your children or grandchildren are visiting, be sure to introduce them to this terrific sport. Rackets and balls can be purchased or borrowed in the pro shop, and you will find that our pickleball community is especially welcoming to newcomers.

Leagues: For next year, if you are interested in playing in one of our many inter-club leagues, both tennis and picklelball, please contact John Joyce (tennis) or Howard Attermann (pickleball) and they will direct you to the appropriate team leader.

Social: Steve Berger and Alan Weinstein, our social chairpersons, are working on some exciting and creative ideas for next year's events and promise a special season. They are also receptive to contributions from our tennis members, so if you have a suggestion in this regard, please feel free to reach out to Steve or Alan.

Summer Tennis and Pickleball: For those of you who are here during the summer season, it's hot and humid to be sure (I take a bath towel to protect my car seats after playing), but there's a plus: The summer sun's direction goes almost directly across the court, so you can play or serve from either side without going sun-blind. (Yes, I'm a glass is half-full person :)

Preparing for the Seasons

By Steve Forman
Golf Committee Chairman

ON THE COURSES

THE GOLF COMMITTEE IS IN FULL SWING AGAIN PREPARING FOR THE SUMMER AND THE UPCOMING SEASON. Speaking of preparations, please remember that the golf maintenance staff is conducting its normal cycle of spring and summer maintenance which is essential in keeping our courses in great condition. Three rounds of course maintenance will be held from now until the end of September. I realize this may cause some inconvenience as each of the courses is shut down for a short period of time but please bear with us. This past year I received a lot of compliments about the courses and especially green speeds. Well, this is what has to be done to accomplish it. Look for the notices on course maintenance that are sent out periodically via email or for signs in the golf registration area, especially if you want to avoid the courses that have just undergone treatments. In addition, Brad Luken and Wes Dinsmoor are preparing a video on course care that will be emailed to everyone. I think you will find it interesting.

One of the tasks of the Golf Committee is to establish the list of golf events, both competitive and social for the year. This past year we tried several new events including a Pro-Am with our resident professionals; Member-Member Tournament; Battle of the Sexes; and Worst Ball Scramble. In addition, last summer we tried one additional nine-hole afternoon social event—the Three Club Tournament. Unfortunately the second planned event—Greenskeeper's Revenge was canceled due to Hurricane Irma. This summer we will again try the two from last year plus a third event. I hope we get great turnouts for all three. Please look for the event announcements or inquire about them at the Golf Registration desk. We are trying to do more for people who stay year-round.

Nanna Koerstz Madsen Update—She made three cuts this year but also missed the cut in three events as of the date I am writing this article. She has been on TV if you watch the Golf Channel, LPGA events. Of course we hope to see more of her which means she is playing well and in contention in tournaments. At this point I am not sure when she will be back at Boca West—perhaps this fall. We will keep you posted.

Our objectives for the upcoming year:

- *Continue to grow the game of golf at Boca West including getting even more use of our golf courses—especially in the afternoons;*
- *Keep the courses in tip-top condition;*
- *Make your golf experience here as positive as possible;*
- *Look for some new, innovative ways to enjoy our golf facilities;*
- *Help you get to know the golf staff even better—they are terrific and can really help your golf game;*
- *Listen—I am always anxious to hear from people and get your perspectives on what is going on.*

And there is one more—give back. This year in December (date to be announced) we will be running a tournament open to everyone that is intended to donate as much money as possible to breast and prostate cancer research. It will be called the Play for Pink and Purple Golf Tournament and will replace the Play for Pink Tournament that was run by the Women's Wednesday and Thursday Golf Leagues. We had extensive discussions with both leagues and all feel this should be very successful. The Golf Committee has already started organizing for the event. Again watch for announcements to sign up.

Needless to say I am looking forward to another great year. If you wish to contact me I can be reached at 488-8726, sforman@strategicm.com or you can see me hanging out on the driving range. I am happy to talk golf with anyone.

We've Got a Gratitude Attitude!

It's been another successful Foundation Days for Boca West Children's Foundation, thanks to the generosity of Boca West members and Foundation supporters.

If you attended our Golf Challenge, Gala, or Battle of the Bands, then you were able to see first-hand how many true believers we have supporting our at-risk children.

As many of you are probably anticipating the raffle results, let's congratulate our winners:

- *Gail Wasserman won the $5,000 Saks Fifth Avenue Shopping Spree at Town Center Mall*
- *Brigid Malone will enjoy a weeklong vacation at Galley Bay Resort, Antigua*
- *Joseph Letzelter won his choice of "On the Fly" cruises*

Our Golf Challenge broke all records as 24 charities vied for $200,000 in additional grants. The Chuters kicked off the festivities with an aerial show involving three parachutists! We then initiated our $5,000 Duck Drop, won by David Feinsod! A record number of more than 500 golfers signed up to participate this year. Taking home the grand prize were this year's winning teams playing for Sweet Dream Makers. Congratulations to the organization and all who played on their behalf!

The Gala Cocktail Party and Live Auction was enjoyed by 700 participants who were welcomed by kids from the Boys & Girls Clubs kids. Our guests came together to raise $288,000. We achieved all of our financial goals and raised money to send 200 kids to sleepaway camp for an unforgettable summer! We will also be sending hundreds of kids to our local golf, tennis, music, and basketball camp. You can still get in on all the fun by sending a $500 check to send a kid to camp.

Jenene Caramielo sang for our guests, and even the children from Florence Fuller took the stage. They sang "Gratitude Attitude"!

A huge "thank you" to the Rotary Club, Hotwire, Florence Fuller Child Development Centers, and Boca West volunteers who helped make these events incredible. And as always, we wish to thank the Boca West Children's Foundation Board of Directors and administration, as well as the Boca West Country Club Board of Directors, administration, and staff for your continued support.

This year, rain and clouds loomed over Boca Raton on the evening of our "Battle of the Bands" concert. Thanks to the weather gods, the incredible volunteers and employees,

the clouds cleared, the sun shone, and we had a fabulous show on the Richard Siemens Stage at Akoya Ampitheatre. The concert stage was named in honor of late philanthropist and friend of the Foundation, Richard Siemens. Richard was a friend to many and a great supporter of those in need.

The food trucks served their brisket, burgers, rib, lobster rolls, and more. The jugglers and mimes paraded everywhere and it was a great party before the show even started.

With the threat of later rain in the forecast, instead of "battling" the bands came together for 90 minutes of the best music of both Chicago and Billy Joel. The band members seemed to work even harder than usual to make it a spectacular show. Mike DelGuidice has become a tremendous star.

Each year, our mission grows. Each year, we receive more supporting funds. And each year, we help more children. These funds have helped to keep tens of thousands of kids clothed, healthy, and safe. Our grants have given children a chance at a brighter future. With your help, we will continue to fight the good fight for "our" kids.

A truly heartfelt "thank you" from me, the foundation, and all of the children we serve.

—Jennifer Bate, Executive Director

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken mattters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

CHAIRMAN'S MESSAGE

By the time you read this letter, most members who travel elsewhere for the summer will have done so. With so many less people physically here, not only at Boca West but throughout Boca Raton, navigating one's activities seems easier and the pace of life seems slower. Reservations at restaurants are easier to come by, movies are less crowded, and the general traffic outside of rush hour is not an issue. Nevertheless, summertime at Boca West is when our staff are busily engaged in planning and preparing for the next season. At the same time our Budget Committee and Committee Chairs are busy working with Department Heads in preparing the budget for the 2018/19 season. Planning activities and budgeting to pay for them is what drives a balanced budget and fosters sound fiscal policy.

As always our goal is to prepare a budget that is fiscally sound without compromising the premium lifestyle we provide for our members. In doing so, the Budget Committee this year is faced with certain challenges, including a recent announced increase in international salaries mandated by the Government and an increase in real estate taxes for the new Golf and Activities Center. This year's budget is scheduled to be reviewed by the Board for approval at its June 22 meeting.

Harriet Moskowitz reported at our last Board meeting that through April 20 there were 93 closed and pending sales of homes to new members (including four at Akoya) compared to 72 at the same time last year, which bodes well for cash flow from Joining Fees.

Speaking of "Joining Fees", I would like to share with you my thoughts regarding how they relate to our infrastructure and the entire business model at Boca West Country Club. Our infrastructure is comprised of, among other things, (i) four pristine championship golf courses, (ii) a tennis center surrounded by 30 tennis courts including two comprised of eight pickle ball courts, (iii) a Sports Center Complex including Fitness, Aquatics, Spa, Onyx Lounge, MyPi restaurant, and Splash Bar, (iv) a Country Club including the Living Room and Panache restaurant, and (v) a Golf and Activities Center including the Grand Central restaurant and Sports Bar and the Prime Cut signature restaurant. That is not to diminish the significance of our card rooms in each of the buildings, the all-purpose rooms in the Country Club and Golf and Activities Center, the Boutique, and the state-of-the-art Pro Shoppe and beautiful locker rooms in the Golf and Activities Center. All components of our infrastructure contribute to the outstanding amenity package Boca West Country Club members enjoy, arguably at the lowest cost to members among our sister clubs. The creation of this infrastructure has been entirely funded by Joining Fees which come from the turnover of our residences. Our ability to turnover our residences is due, in part, to the lifestyle and amenities offered at Boca West, which in turn is largely driven through the very infrastructure we have developed. I think it is worth reminding ourselves that Lifestyle and Amenities require infrastructure which in turn requires funding. Without Joining Fees, infrastructure could only be funded through capital assessments which, unlike other clubs, we are proud to say have never been imposed at Boca West Country Club.

Contrary to what some members may wish to believe, Joining Fees at Boca West Country Club are not an add-on to the cost of real estate, but something potential resident members are willing to pay one time, in exchange for the lifestyle and amenity package offered by Boca West. Our Joining Fees are one of the lowest among our sister clubs, and one might argue that it is the best deal in town for the lifestyle and amenity package offered.

I appreciate the opportunity to share some of my thoughts with you and thank you for the support and confidence you have shown in our Board.

I wish you all a safe, healthy and joyful summer.

Comments and suggestions from the members are always welcome. My direct line is 488 6905 (leave a message if I do not answer); my email address is hliebman@bocawestcc.org and if you care to write, leave a note at the Country Club reception desk or mail it to PO Box 3070, Boca Raton, FL 33431.
