PRESIDENT'S LETTER

Dear Member,

I AM EXTREMELY HAPPY TO ANNOUNCE that Boca West Country Club has been re-awarded the prestigious Distinguished Club award for 2018, as determined by the annual Distinguished Clubs award program conducted by *BoardRoom magazine*, one of the most respected trade publications serving private clubs. In addition, the Platinum Clubs of the **World** have been announced and your club has maintained the 15th spot on the list. Of course this in addition to being fourth on the list of top country clubs and the number one residential country club in America. You should be very proud to say that you live in Boca West with a Country Club that is recognized as one of the best throughout the world; the staff and I are certainly beaming with pride!

Thank you to all of our committee volunteers who assist the department heads with brainstorming ideas for such successful events throughout every department. Last month the schedule of events kicking off the start of another season were well attended in every area of the Club. It was wonderful to see everyone participating and having such a good time.

This year for our **Veterans Day Breakfast**, The American Bombshells, a trio of singers with a modern day twist on the Andrew Sisters – performed an All-American tribute show for those in attendance. Every branch of the service – Army, Navy, Air Force, Marines and Coast Guard - was represented. We look forward to celebrating this annual event with all of the veteran members of the Club – it's heartwarming to see the room filled with patriotism, love and respect for each other and for our country.

Don't forget it's all about the kids this holiday season. We'll have something for everyone with even a few new activities added to the lineup. Be sure to pick up a **Holiday Calendar of Events** brochure, now available throughout the Club, as well as being posted on our website. Our golf and tennis events for the kids are sure to be a hit. And whatever you do, don't forget to stop by our Carnival & Street Fair on Saturday, December 29. Hours again this year are from 4-9pm.

We're taking a "leap of faith" this year with our annual Valentine's Day event and know that you will all embrace our thinking. Please refer to the ad on page 26 for more details but know this – **Love is in the Air** will be a fun night for EVERYONE filled with great food, music, dancing and of course beautiful décor!

You'll be happy to know that at the beginning of this season we made a concerted effort to do our part to improve the environment and may have already noticed that we have replaced our normal styro-foam cups and plastic straws with VIO foam products. VIO foam cups biodegrade 92% in four years, VIO cup lids biodegrade 66.2% in 6.6 years and VIO straws biodegrade 78.9% in 5.8 years. As we continue to investigate and find the best products on the market, we will continue to add to our environmentally conscious effort.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and I look forward to sharing the upcoming holidays with you, and wish you and your family a very happy and healthy New Year!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

New Year, *New Rules*

THE UNITED STATES GOLF ASSOCIATION IN ATTEMPTING TO GROW THE GAME OF GOLF and make it easier and less time-consuming for people to play passed several new rules that take effect on January 1, 2019. While I do not have the space in this article to describe in detail each of the changes, I am going to try to hit some of the highlights. More complete information is available at Golf Registration. *Let's get to it.*

1. Ball moved. A player accidentally moves his or her ball during a search or on the green. **New Rule: No penalty** (assuming it was not deliberate). Old Rule: 1 stroke penalty.

2. Accidental deflection. A player's ball in motion accidentally hits the player, the person attending the flagstick or the attended or removed flagstick. **New Rule: No penalty.** Old Rule: 1 stroke penalty if it hit the player or person attending the flagstick; 2 strokes if it hit the flagstick.

3. Double hit. A player accidentally hits the ball more than once during a stroke (remember T.C. Chen?) **New Rule: No penalty.** Old Rule: 1 stroke penalty.

4. Taking relief. How to drop a ball. **New Rule: The ball must be dropped straight down from knee height** (the height of a player's knee when in a standing position). Old Rule: Stand erect and drop the ball from shoulder height and arm's length.

5. Embedded ball. Taking relief for a ball embedded in its own pitch mark. **New Rule: A player may take relief *without penalty* anywhere "through the green"** which is defined as *the whole area of the course except: a. the teeing ground and putting green of the hole being played; and. b. All hazards on the course."* Old Rule. Relief may only be taken in closely mowed areas (fairway or fringes around the green). Note: Please remember if the ball is embedded on the green it can be removed without penalty.

6. Putting green. Replacing a ball on the putting green when it moves from its spot *after* it has already been lifted and replaced. **New Rule: The ball must be replaced on its original spot even if it was blown by the wind or moved for no clear reason.** Old Rule: The ball was replaced only if a player or outside agency caused it to move; otherwise the ball is played from its new location.

7. Putting green. Putting with an unattended flagstick left in the hole. **New Rule: No penalty if the ball hits the flagstick.** Old Rule: Loss of hole/2 stroke penalty.

8. Penalty areas. Player moves loose impediments, touches the ground with hand or club or grounds the club in a penalty area when the ball is in the penalty area. **New Rule: No penalty.** Old Rule: Loss of hole/2 stroke penalty.

In addition, I thought it might be useful to remind everyone of two new local rules that were passed this year by the Golf Committee. One, which provides relief from sprinkler heads in closely mowed areas (i.e. not the rough) within two club lengths of the green and your ball is within two club lengths of the sprinkler head, has been in effect since last June. The other which eliminates the need to take a stroke and distance penalty for an out-of-bounds or lost ball—instead you take a two stroke penalty and drop within two club lengths of where the ball crossed the out of bounds or where it entered the area where it was lost will take effect on January 1. I hope this information on the rules is helpful to everyone.

Continued on page 12

New Year, New Rules

Continued from page 11

A couple of other matters:

1. Please be on the lookout for our monthly "Sip and Chips." They are at Mr. D's during Happy Hour and provide a good chance to tune up your game and interact with our fine cadre of teaching professionals.

2. Course care is still a priority. Did you notice we got new, wider rakes to make bunker care easier? Please do your part and remind your playing companions also.

3. Golf fitness classes will start in January. We hope as many people as possible sign up so please be on the lookout for the announcements.

4. A lot of planning and preparation has gone into both the men's and women's member-guests and this year there is an array of new gift alternatives. They are spectacular events and I hope the turnout continues to grow.

5. We continue to send out golf tips and other important information on the golf operation and programs. When you see that email from Kathy Kohlhepp, look first before you delete it. You may be erasing the one tip that revolutionizes your game.

6. Our golf operations and course maintenance staffs are terrific and we should never take them for granted. When you get the chance a "friendly hello" is nice, a friendly "thank you", is even better.

As always I am interested in your feedback, comments or suggestions. You may email me at sforman@strategicm.com or call me at 488-8726. I look forward to hearing from you.

AT THE NET

By Dr. David Shifrin
Tennis Committee Chairman

Meet Our Staff

WE SEE THEM ALMOST DAILY, BUT HOW WELL DO WE KNOW THEM? HERE'S A BRIEF BIO OF OUR TENNIS PROFESSIONALS.

John Joyce, Director of Tennis, 24 years at Boca West John is a native Floridian who grew up in Clearwater, Florida, and spent his formative years of education at Admiral Farragut Academy in St. Petersburg.

From there he attended Gordon Military College in Georgia, where he was the starting quarterback for their football team, and after two years transferred to Florida State where he says his football career ended because the days of the 5'10" quarterback were quickly disappearing. But while at FSU he developed a passion for tennis, got into tournament play, and ultimately achieved high rankings in both singles and doubles in the state of Florida.

John's first tennis job was as an assistant at a club in Milwaukee, then back to Florida where he spent several months learning teaching techniques. This led to employment at several Northern clubs in the summer, Florida in the winter, director of tennis at the nearby Indian Spring Country Club; and finally in 1994 an appointment as director at Boca West where over nearly a quarter century he has guided our program into one of the country's outstanding tennis facilities.

Favorite current tennis players to watch: *Roger Federer, Rafa Nadal, Nick Kyrgios, and Dominic Thiem*

Matt McInerney, Assistant Director of Tennis, 2 years at Boca West Matt has been the Assistant Tennis Director since January of 2017 at Boca West. Matt is from Holland, Michigan where he grew up playing tennis before graduating from Ferris State University with a Bachelor of Science in Business Management with Professional Tennis Management in 2015. Matt started teaching tennis at the age of 18 working at the Nike Summer Tennis Camps at Duke University as well as teaching wheelchair tennis. He has also worked at the Royal Melbourne Country Club in Chicago, Illinois as well as the Longwood Cricket Club in Brookline, Massachusetts before working here at Boca West. In his free time Matt enjoys playing tennis, pickleball, jetskiing, and attending sporting events in the South Florida area.

Favorite Tennis Players to Watch: *Nick Kyrgios and Gael Monfils*

Rob Norton, Head Pro, 3 years at Boca West
Rob hails from Exeter, NH where he played collegiate tennis for Salve Regina University and held the #1 singles and doubles position all four years. As Captain, he led his team to four consecutive NCAA tournaments and was voted most valuable player on his team, three out of the four years. Not only has he shown his success in his personal play, but he also has worked many years coaching and promoting the game of tennis. Prior to joining Boca West Country Club, he has held management titles of Director of Junior Development at Universal Tennis Academy located in Atlanta, Georgia and Tennis Professional at Woodfield Country Club. When not on the court at Boca West, Rob enjoys mentoring and guiding young pro's and helping them grow in the teaching world. Rob served as the USPTA District Vice President in 2015-2018. He also still competes competitively. He was the 2018 USPTA Pro League Champion, and currently plays line #1 for a National USTA League. In his spare time, Rob enjoys playing softball, running, going to the beach, and spending time with his family, which includes his loving Labrador Retriever, Max.

A recent study reported in the *New York Times* found that adults who reported frequently participating in tennis or other racquet and team sports lived longer than those who were sedentary. While this might seem obvious, the real shocker was that these adults also lived longer than people who were involved regularly in solitary activities such as jogging, swimming and cycling.

The Ultimate Holiday Gift Giving Guide

BROUGHT TO YOU BY THE SHOPPES AT BOCA WEST

Retail Committee Chairman

SOUTHERN TIDE

EMILY'S PICK:
Founded in 2006, by a then college student who was inspired to create a premium lifestyle brand combining modern design elements with preppy, southern style, **Southern Tide** is coming to the Golf Shop at Boca West. What started out as one "Skipjack Polo" more than ten years ago has exploded into an entire collection from: unique button ups, and original t-shirts to vibrant pullover sweaters and novelty shorts.

MIKE'S PICK:
"Did You Know? An 11-wood replaces a 5-hybrid and a 9-wood replaces a 4-hybrid. Book a complimentary FlightScope appointment today to compare new technology against what's in your bag! **Callaway** Rogue Golf Clubs Available now in The Golf Shoppe

JON'S PICK:
"When in the market for a new wedge, pay close attention to the bounce as this variable will play a significant impact on the performance and playability with this type of scoring club."
Cleveland RTX 4 wedges are now available in demo and stock in three different bounce options.

MARSHA'S PICK:
Innovative fabrics and comfortable styles makes **Coolibar** a sun protection line worth having. Because Coolibar is a product with a purpose, they work very closely with outdoor athletes, medical advisors, and organizations to ensure their designs and fabrics provide not only maximum comfort, but sun coverage featuring UV protection for the entire family.

Coolibar
Sun Protection You Wear

SAMANTHA'S PICK:
Earlier this year **Peter Millar** announced they had acquired **GFore** which left many industry insiders scratching their head. What was the straight-laced Peter Millar doing by joining forces with a more modern, avant-garde GFore? As a way to capture mass appeal in the golf and sportswear markets the move couldn't had been smarter. While GFore offers a fun, irreverent twist on traditional golf apparel, Peter Millar's philosophy is distinctly more middle of the road featuring affordable elegance and everyday sophistication.

G/FORE

PETER MILLAR

AMANDA'S PICK:
Handmade in the USA, **Margo Morrison** offers versatile and affordable gemstone and pearl designs. The designer best describes her jewelry as "visual music," playing off positive and negative space while combining complementary colors, textures and shapes. Margot's signature feminine looks incorporate faceted semi-precious stones and lustrous freshwater pearls.

ASHLEY'S PICK:
Did you know **Norman Love Confections** has been named the best premium chocolate company in the United States six times since 2006? With an emphasis on artistry, premium ingredients, and innovative flavor combinations it's the perfect way to spoil yourself or a loved one any time of the year.

TIE'S PICK:
For more than 40 years, **Tail Activewear** has focused on delivering the best apparel for the active lifestyle. This is no more evident than Tail Tennis who deliver seasonal colors, prints, and design details you can wear from the court to the street.

MATT'S PICK:
A racquet for every game: absolute precision, ultimate speed, radical versatility, effortless power, and spin bin makes **Head** a leader in tennis equipment. Head is endorsed by top 10 ATP players Novak Djokovic, Alexander Zverev, and Marin Cilic as their racquet of choice for world class competition.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken mattters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE

Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

Looking forward to the holidays and the new year!

The holiday season is upon us, which means we are getting closer to some of our favorite end-of-year events, and some big events to come in 2019!

Our December Holiday Shopping Spree at Old Navy is coming up on December 8. This is a favorite event for our volunteers. Volunteers help children pick out clothing at Old Navy on Glades Road then everyone returns to Boca West to celebrate the holidays with a character-themed pancake breakfast. If you have not already signed up and would like to participate, please email njimenz@bocawestcc.org today to register.

We are excited to share with you that the 3rd Annual Wendy & Avron Fogelman Matching Challenge is back again starting this month. If you have never donated to the Boca West Children's Foundation, your qualifying gift of $200 or more will be matched with $2 for every dollar contributed to the challenge. We reached our goal in just 6 weeks last year. Help us make it to our goal in less time this year— make your qualified matching donation today!

Our 2nd Annual Carnival for the Kids at Boca West Country Club will be held December 29 from 12:30-2:30pm. Boca West Children's Foundation and Hotwire Communications have partnered to underwrite an early afternoon session of the fabulous country club carnival for 200 underserved children from our granted charities to come enjoy the rides, games, and foods.

On January 18, the Foundation invites its Dream Maker Society members to a very special breakfast at which these generous benefactors will be honored. The society members will vote on a special $25,000 grant.

You can become a Dream Maker Society member by donating $1,000 or more to the Foundation annually. Join now to secure your invitation to January's breakfast!

The 3rd Annual Walk in the Woods will take place on February 4, 2019. This fabulous event takes place on the Fazio II golf course from 3-5pm. As you walk the golf course, you will enjoy classical music played by musicians from the Lynn Conservatory. Food and beverage stations are placed along the way, but best of all, all the money being raised is for "our" kids in need. Last year, almost 500 participants raised more than $65,000 for the 5,000 children served by the Children's Foundation. The walk is co-sponsored once again by the Isroff and Horowitz families. Be sure to sign up early and invite your friends to join you.

You don't want to miss our famous $100,00 Golf Challenge and the Concert for the Children this year featuring the music of the Beatles with The Fab Four and Elton John's hits presented by *Remember When Rock Was Young*. Mark your calendars for April 1 and 2, 2019!

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org

Welcoming the Season and New Members

Hope that you are ready for this special holiday season. If you stumble upon an unfamiliar face, please spread the cheer to them and their families. Our Coffee and Chat sessions continue as a warm, meet and greet, along with assisting our New Members in finding their way around our Club. New Members please keep in mind to join us on the first Thursday of every month at 10am in the Club Services office.

Make Boca West your children and grandchildren's vacation getaway. We encourage everyone to spend time with their families and loved ones at Boca West during this holiday season and always. Remember to have your Offspring cards activated with the Membership department. This may be done in the office or by email membership@bocawestcc.org. Once the cards are activated your Offspring are free to use the Club without you. You will be billed for their purchases. The cards are $15 to activate and good for up to seven consecutive days. Keep in mind each person over the age of 12 must carry their own activated card if a member is not present. If you choose not to activate their card you must accompany them while on Club property.

The Club encourages your family to host their friends while vacationing at Boca West — a year-round destination. Boca West is a year round destination. Why go anywhere else on vacation? Your Offspring can create getaways with their friends and enjoy our Club together. Members may arrange for discounted hotel rooms through our VIP Service Program and activate guest cards for their children AND their friends. When a guest is accompanied by an Offspring with an activated card, the guest too may receive Club privileges. Their guest card is $50 and permits them to use the entire Club without a member being present. The card is valid up to seven days. Even if it's just one day, imagine your Offspring entertaining their friends on the golf course, cocktailing by our pool and then heading to dinner in Prime Cut. Tell your Offspring to bring their friends. Then call or visit the Membership office to arrange their visit and discuss times and applicable fees, i.e green fees, spa, etc.

To all those Offspring that have enjoyed the Club throughout the years and have now joined the Club, we extend a special heartfelt welcome to you. There have been so many of you and the memories you have created throughout the years have helped you with this decision. We are thrilled that you have joined us and wish you many more joyous memories with your friends and family.

Your Membership committee wishes you all a healthy, happy holiday season.

CHAIRMAN'S LETTER

The 2018/19 season is in full swing as evidenced by the arrival of our international staff as well as many of our international members from Canada and elsewhere. Thanksgiving is now behind us and the holiday season is just around the corner. I know there is much to be thankful for, and hope everyone enjoyed the thanksgiving holiday with their family and/or friends.

Speaking of the holiday season, our "Holiday Calendar of Events" booklet (December 21 – January 1) is now available online, at the reception desk of the Country Club and throughout the Club. Our staff has worked hard to introduce some new ideas for recurring events as well as new events altogether. There are special activities for children and grandchildren of all ages so be sure to pick up a copy of the booklet and sign up for a fun time for all.

As for the rest of the season, our management and staff have planned a wonderful agenda of diverse activities in which we can all partake and enjoy. Please take the time to look out for the events as they are scheduled, and sign up early as space fills up rather quickly.

Your Board and Management continue to focus on sustaining our #1 rating and to widen and grow the outside interest in the Boca West amenity package. The completion and occupancy of Akoya in the not too distant future will be a contributing factor. In addition, we continue to evaluate the components of our infrastructure with an eye towards making sure we remain fresh and current. In that regard and as Matt indicated in his article last month, we are planning improvements to the Fitness Center and Spa areas next summer. However, there is more that needs to be done. I am hopeful we will soon be able to report on new initiatives under consideration which we hope to undertake in order to meet these objectives. In the meantime, Boca West remains #1 and is a great place to live. You need only read the articles by the committee chairs in this magazine and the array of activities advertised therein, to know that the Boca West Lifestyle remains alive and well.

The financial results for the year ended September 30, 2018 are presently being audited. When complete, a copy of the Club's audited financial statements will be available to all members upon request at the reception desk of the Country Club. We expect to finish the year on or slightly ahead of budget.

Let me take this opportunity to wish you and your families a safe and enjoyable holiday season.

As always, if you have any questions or comments feel free to contact me.
