PRESIDENT'S LETTER

Dear Member,

WISHING YOU A VERY HAPPY AND HEALTHY NEW YEAR! 2019 has arrived and you know the old saying— Out with the old and in with the new? Well, we have a whole lot of **NEW** going on this year.

I'm excited to share the NEW Club logo. The team and I have spent the better part of a year with three different companies before we were satisfied that we hit the nail on the head with the perfect fresh new look. Obviously we aren't able to change over every logoed item overnight, it simply isn't the financially prudent thing to do, but you'll begin to see it throughout the Club in the coming months.

The holiday season was jam-packed with activities and events for everyone! It was wonderful seeing all of you with your families at Christmas, the Carnival & Street Fair and all of the planned activities leading up to the New Year, simply enjoying your time together at your Club. Don't forget, the calendar still has many more days of excitement planned so please don't miss any of the fun.

BOCA WEST
COUNTRY CLUB

Also **NEW** this year, is our "Love is in the Air" Valentine's Day event on Saturday, February 9. We hope you make new memories together with an evening filled with romancing, dancing and spending time with that "special someone". Everyone is welcome! We'll have interactive food stations and buffets with an open bar. Be sure to make your request with the Activities department no later than January 17 to be included in the lottery if warranted.

By now you've probably seen at least one staff member wearing that big brown button asking, "What's the Scoop?" The scoop is at Mr. D's where you'll find our **NEW** ice cream bar open Wednesday-Friday from 7-9pm. Come by for that after dinner/after movie delight and enjoy the beautiful Florida winter weather while hanging out with friends.

The **NEW** addition of our Bar & Grill Service on Friday and Saturday evenings in Grand Central has been a great success. The perfect venue to have a quick bite for dinner before heading out for an evening on the town, or simply to enjoy a true sports bar atmosphere with your fellow members.

Our Healthy Living Lifestyle partnership with the Boca Raton Regional Hospital has been very well received. I appreciate hearing all of your comments and suggestions regarding this program. As a result, this is the second year for our 100 Day Walking Challenge and the hospital has coordinated our Healthy Living Lifestyle Lectures this season. You'll find all the details on pages 18 and 19.

Calling all Social Members. Now is the time to check out what golfing is all about with our **NEW** Get Golf Ready Clinics. The clinics are an opportunity for social members new to the game of golf to navigate the golf facility in addition to learning the core components of the game including putting, chipping and the full swing. And coming soon is another **NEW** event, Golf Under the Stars for all members at the driving range with music at Mr. D's. This event will be held once a month in conjunction with "What's the Scoop?" through March. More details will be sent out via email.

Our annual golf and tennis Club Championships begin next month. Whether you're a golfer or tennis player, or maybe both, I hope you've been practicing your swing for the upcoming competitions.

Last, but certainly not least, I am proud to share a **NEW** award that we have earned in the industry. Our Director of Retail, Emily Gifford, and her incredible team worked very hard to earn this prestigious recognition. The 2019 AGM Platinum Awards recognizes premier golf shops within the private, public, resort and off-course category for special initiatives such as merchandising, staff training, and golf shop renovation. All entries were judged by an impartial panel and they were graded on new ideas, creativity, adaptability, and revenue-generating initiatives.

I welcome and encourage your thoughts, comments and suggestions regarding your Club.

Yamile, Alexa, Sophia and I wish you all a beautiful holiday season surrounded by your loved ones and a Happy Healthy New Year. We look forward to seeing all of you in 2019.

Sincerely,

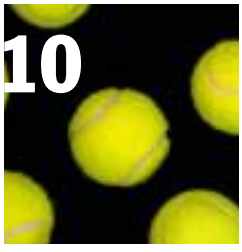

Matthew Linderman, CCM
President, COO & General Manager

WINE TASTING

FEATURING WINES OF AUSTRALIA AND NEW ZEALAND

Thursday, January 10
Serving from 5:30-8:30pm in the Living Room

Giesen Pinot Gris The saying by Aristotle 'the whole is greater than the sum of its parts' is the perfect descriptor for our Giesen Estate Pinot Gris. Since the recent release of 2017 vintage, this wine has already won a Trophy & two Gold medals. We select fruit from vineyards in the Marlborough, Waipara and Hawke's Bay wine regions. Fruit from Marlborough adds acidity to the wine, Hawke's Bay gives stone fruit flavours, Waipara delivers beautiful aromatics, blossom. This Pinot Gris entices you with fresh pear, peach, nuances of almond meal. Rich fruit with a touch of creaminess and subtle spice leads into a lively, off-dry finish.

Giesen Pinot Noir A Pinot Noir with vibrant red cherry, bramble, earthy nuances and warm spice. Silky, smooth, supple and well-structured. We select fruit from vineyards throughout the Wairau Valley in the Marlborough wine region. The highly sought-after Wairau Valley is an ancient river bed nestled between two mountain ranges and bordered to the North by Cook Strait. Broadly speaking, this finite sub-region of Marlborough covers cooler, drier inland sites, barren stony, early-ripening sites to sea-breeze moderated coastal sites. This scope gives us the ability to consistently blend to our Giesen style year in, year out, which gives us a bright, aromatic and elegant style of Pinot Noir.

Giesen Sauvignon Blanc This Marlborough Sauvignon Blanc is aromatically expressive and generously flavoured with freshly cut herbs, scrumptious tropical fruit with subtle notes of blackcurrant leaf.

We select fruit from vineyards throughout the Wairau Valley and Awatere Valley in the Marlborough wine region. This scope gives us the ability to consistently blend to our Giesen style year in, year out. The fruit we select from the Wairau Valley adds brightness, tropical and citrus flavours, as well as tighter acidity to our Giesen Estate Sauvignon Blanc blend. Compared to the Wairau Valley, the Awatere Valley is slightly cooler, drier, windier with higher elevation. The fruit selected from the Awatere Valley for this wine adds fullness, richness, the tropical notes are more grilled, herbal notes are more dry. The Wairau Valley portion of our Giesen Estate Sauvignon Blanc wine forms the backbone of the blend. Historically, the Wairau Valley is where the first Sauvignon Blanc wines came from, this is where our first vintage of Sauvignon Blanc came from, it is the Wairau Valley where we own 13 vineyards and source the majority of the fruit for our Sauvignon Blanc wines.

Paringa Shiraz A bright crimson hue that is lively and deep. Lifted aromas of boysenberry and blueberry jam with clove and pepper characters adding complexity with subtle hints of mocha. The round, fleshy palate shows ripe dark berry fruit, which has integrated well with the subtle velvety tannins. Cocoa and mocha oak flavors follow through the palate complimenting the berry fruit.

When dining with us that evening, receive your choice of a complimentary bottle of wine per table, chosen from one of the evenings' tastings. Reservations are required for dinner in order to participate in the wine tasting.

It's Tennis *and* Pickleball Heaven at Boca West

MID-WINTER IN SOUTH FLORIDA, TENNIS AND PICKLEBALL HEAVEN AT BOCA WEST. And what a terrific season we're having! Lots of spirited play via game arranging, the special camaraderie on our tennis deck, and the outstanding exhibitions and outdoor dinners in November and December.

And there's more to come, another doubles demo scheduled for February with British tennis great Tim Henman, Jessie Levine, a favorite of Boca West tennis players, and two more professionals to be determined.

WELCOME new tennis assistant professional: MOLLY BASHA

Molly was born in Cairo, Egypt into a family of five. She is the youngest of her siblings. She began playing tennis at the age of 4, and quickly rose to become #1 in Egypt. She played on the ITF Junior Circuit and reached a high of #216 in the world. In 2003, she moved to Michigan to attend Ferris State University, playing #1 on their women's tennis team. Graduating as an All-American in 2007, she then moved to Hilton Head Island, SC to work at the International Academy of Tennis, a high performance junior program. In 2009, she moved to Boca Raton, Florida to join the coaching team at Rick Macci tennis academy. She also began working at Woodfield Country Club, Royal Palm Yacht Club and Seven Bridges, working closely with juniors and many ladies teams. Be sure to stop by and say hello!

Meanwhile, if you haven't tried **pickleball**, don't be misled by the funny name. It's a delightful sport and a great workout as well. Our program is growing with lots of new players who are loving it. Plus our tennis staff runs a complimentary clinic each month.
Call tennis registration, 488-6996 for details.

ON THE COURSES

By Steve Forman, Golf Committee Chairman

For the Reco

ONE OF THE GREAT BENEFITS of being Golf Chairman is interacting with members and getting their comments and suggestions. I am serious. Please be assured that while I may not always agree, each comment or suggestion is considered seriously. When Bob Locke was Chairman, he used to address some of the many rumors that were floating around the club and my impression was people appreciated it. So in that vein let me address some of the rumors that I have heard and answer some of the questions that have been posed.

Q: *Will Hole 18 on Palmer I be shortened because of Akoya?* **A:** No.

Q: *Two questions—1) Can the bunker on the left side of the fairway on Dye IV, Hole 7 be raised because it doesn't really stop any balls from going into the water? 2) Also, why can't we put grass on the coquina pathway that crosses the fairway on Dye IV, Hole 3?* **A:** The answer to both questions is no—that is the way Pete Dye; world-renowned golf course architect designed them. I fundamentally believe that we should let the designers design and the members play. I doubt that any of us are really qualified to build or redo golf courses and to start tinkering with them would be a mistake.

Q: *If we took the golf seminar last year, do we have to take it again this year?* **A:** No, seminars are being offered on a limited basis for new members and incumbents who did not attend last year and want preferred tee-times this year.

Q: *Why don't we have people sign in for golf in The Golf Shoppe or can The Golf Shoppe be expanded to include the golf registration area?* **A:** I have gotten a lot of comments on this one. At this point it is only being discussed informally but you should have noticed golf registration now displays a lot of "impulse" buy items in the registration area.

Q: *Can we do something about the bunkers? Some of them are very firm and the club bounces when you try an explosion shot. Also the bunkers are not consistent—some are soft and some are hard.* **A:** Wes Dinsmoor, our Director of Golf Course Maintenance and Landscape, and his staff have spent a lot of time working on bunkers. Personally I think they are in good shape, however if you come across one that is a problem then please notify the golf staff, but be specific. Also remember, bunkers are hazards so you get what you get. There is no requirement to make them uniform. As Pete Dye said—"If you don't like them avoid them."

rd

Q: *Can we have a course where we walk?* **A:** I personally find that very appealing but the issue is demand and logistics. One problem is the distances between greens and tees on some courses, e.g. 9th green and 10th tee on Palmer III; 11th green and 12th tee on Palmer III; 1st green and 2nd tee on Fazio II; 2nd green and 3rd tee on Dye IV, etc.

By the way, I no longer hear any comments or complaints about green speeds. Thanks Wes! The courses are in great condition.

My favorite comments have come from people complimenting Brad "JR" Friend on the terrific job he is doing as our new Director of Golf. I agree 100%. And the same goes for the rest of the golf operations and course maintenance staffs.

Some other matters:

• **Nanna update:** Nanna Koertz Madsen once again earned her LPGA tour card so we will be able to follow her again in 2019. Hopefully she will spend some time at Boca West tuning up her game.

• **The new rules passed by the USGA have gone into effect.** If you want a quick summary for reference purposes ask the staff in the golf registration area.

• **If you are looking for new clubs** you need to get in contact with Mike Bove in golf retail. I bought a new driver last spring and he was able to get a selection of shafts for me to try. (Remember, the shaft is the engine of the club). I tried 6 different shafts and he used a golf simulator to measure the results. When we went over the data in the Pro Shop afterwards the correct selection was obvious. I have been really pleased with the results ever since. You should try it. He really knows what he is doing.

• **We have wider rakes—**why are there still footprints in the bunkers? Please do your part and remind your playing partners as well.

• **People with disability flags** may park no closer than 15 feet from any green and never drive between a bunker and green. They should not park in a closely mowed area. (That means park in the rough). If you do not have a disability flag you must park on the cart path near the green. Some people blatantly disregard this rule and I have the pictures to prove it. Please stop.

• **Our new member golf event is January 24 at 3pm.** If you are a new golf member and have not been contacted or received an invitation, please call or email me. We want you there!

As always I am interested in your feedback, comments or suggestions on all matters related to golf. You may email me at sforman@strategicm.com or call me at 488-8726. I look forward to hearing from you.

Focus on *Kids*

1 in 4 children under age 6 in Palm Beach County do not know where their next meal will come from. With government funding cutbacks at all levels, the kids in our community need our help more than ever, and we carry our theme from 2018 into the New Year it is a "battle for the kids".

Your donation ensures that children receive weekend meals, after school care, tutoring, scholarships, summer camp opportunities, and more. These experiences keep kids safe, healthy, focused on goals, and working toward a brighter future.

Wendy and Avron Fogelman continue their challenge to Boca West members for the third year. If you have not made a contribution to the Foundation before, the Fogelmans will donate $2 for every dollar of each new donation of $200 or more. The Fogelman Challenge has raised more than $150,000 to date. We need your help to achieve those funds for the kids again this year.

The holiday season continued on December 29 for children of our granted charities who attended the **Carnival for the Kids**. Thank you to Hotwire Communications for making it possible for these underserved children to experience a winter carnival.

In just a few weeks, we look forward to honoring our **Dream Maker Society** members at a January 18 invitational event. Donors making contributions of $1,000 or more during our annual appeal are invited to join us!

The **Boca West Children's Foundation Annual Raffle** program is back! First prize is a $5,000 shopping spree at Saks Fifth Avenue at Boca Town Center. If you don't win first prize, do not worry! There are two other great prizes: a one-week stay in Antigua or an "On the Fly" Celebrity Cruise of your choice. Raffles are $25 per ticket or $100 for five tickets. The drawing will be held at the Foundation's Gala on April 1, 2019. You do not need to attend to win, but you will miss a great event if you don't.

February is fast approaching and that means it is almost time for our **3rd Annual Walk in the Woods!** Mark your calendar for February 4, 2019. For a $50 donation, you will enjoy walking the fabulous Fazio II golf course, music, appetizers, wine, and more along the way! Students from Lynn University Conservatory of Music will be playing their favorite classical pieces between in trios, quartets, and duets. It is sure to be the most enjoyable walk-for-a-cause event this season.

The **7th Annual Golf Challenge and Gala Cocktail Party** will be held on April 1, 2019. This is the largest charity golf event of the season in South Palm Beach County. The golf challenge has been sold out each of the past four years with more than 500 participants. Each player, couple, or foursome plays for one of our granted charity teams. Golf play, brunch, superstore shopping, the famous "duck drop", shirt, special gift, cocktail party, and live auction (for trips all over the world, cruises, golf carts, special once in a lifetime events, etc) are all included in the $650/player entry fee. Additional gala tickets can also be purchased for $150. Once again, five lucky winners will receive $600 American Express gift cards at the conclusion of the cocktail gala.

The **Concert for the Children** takes on the "Battle of the Bands II" theme, celebrating the music of the Beatles with "The Fab Four" and the music of Elton John with Craig Meyer's "Remember When Rock Was Young" on April 2, 2019. Sponsorships, registration, and tickets will be available on February 1, 2019. *Mark your calendar!*

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org

MEMBERSHIP NEWS

By Harriet Moskowitz, Membership Committee Chairman

Happy New Year!

We wish you all Health and Happiness in the year to come. Are you sharing with your friends?

Invite your friends to the Club. Share these below mentioned programs with them. They will try out Boca West, fall in love and make it their own.

There are over 60 Lessees that are members of the Club this season. Perhaps the homeowner is traveling for the year or has decided to stay up north and leased out their unit. Either way, their lessee applied for Membership, was approved by your Board and paid the membership dues for the year. Historically over 25% of our Lessees end up becoming homeowners. It's the ideal way to try out the Club for a season.

Another program to share with your friends is *Stay and Play*. Your Club has hosted 100's of prospective members here with our three day, two night Club Lifestyle experience. As you can imagine, this program is very successful converting prospects to members.

With our *Sponsor a Friend* program, you will earn a $1,000 credit for each friend you refer that becomes a member. Entice your friends to try out the Club. Your friend will join you as a new neighbor and you will earn credits to celebrate in style.

Your Membership Committee asks you to spread the word. Share the lifestyle by sharing these details with your friends. Call or email your Membership department. A packet, including the details of these programs, along with our magazine, will be mailed or emailed to them inviting them to experience the #1 Club Lifestyle.

Hopefully we have all avoided the hassles of winter travel, and are here in the glorious arms of winter in Boca Raton. For a short stay, or better yet a long stay, it is not a bad place to be.

FINANCE REPORT

By Frank Richard, Finance Committee Chairman

Year ending September 30, 2018 Financial Highlights

I am once again pleased to report that Boca West is in excellent financial shape. I have received the preliminary draft from our auditors for the year ended September 30, 2018. They report that our financial statements present fairly, in all material respects, the financial position of the Club.

We ended our fiscal year with an operating surplus over budget of $71,000. As you can imagine, with an operating budget of almost $60 million, there are many variances from budget, both positive and negative. Some of the major positive variances were, increased revenue in food/beverage department, increased revenue in catering, and lower than expected costs in utilities, property and liability insurance and real estate taxes. Some of the major negative variances were, payroll overtime as it relates to the increased volume in food & beverage, international staff housing, valet services (with increased demand), engineering (repairs and maintenance), and legal.

Total cash on hand was $13.1 million vs 34.6 million the prior year. As of September 30, 2018, there were no outstanding borrowings on our line of credit agreement vs $24.5 million outstanding as of September 30, 2017. Thus we had an increase of net cash on hand as of September 30, 2018 of $3 million.

Home sales to new members for the year ended September 30, 2018 were 123 vs 114 last year.

As of December 13, 2018, there were 79 members who have not paid their dues vs 75 last year. There was also 37 closed and pending sales to new members vs 29 last year.

In the future months, I will report on the financial activities for the 2018/2019 fiscal year.

Meeting of the Village Presidents and Representatives

The following are the remarks I made at the December meeting of the Village Presidents and Representatives and is repeated here because of its importance to all our residents.

As many of you may know since I have written about it in the Master's *Outlook* publication and the Club's magazine, one of the objectives of the Master Association Board this year is to collaborate with the Club to find ways to increase the volume of sales and the prices of our homes in Boca West. This is an area that affects us all and we must do something to stimulate and improve our real estate market. You have all heard the axiom that "Boca West has the best facilities and the worst bunks". That may or may not be true. I do believe however, that as real estate at Boca West ages, our home values are trending downward, and that unless we take significant and timely action it will be difficult to recover.

The Boards of both the Master Association and the Club are dedicated to finding a solution for this problem and thereby enhancing the value and desirability of our homes in Boca West. I want you, the villages and your residents to be the first to know that this process is in the initial stages and the final details are still yet to be determined, but we have a plan, and will communicate the details throughout the entire process. In addition to communications such as this one, we intend to keep you updated at our next Breakfast and intend to hold small information sessions with groups of villages similar to those used to address the hurricane issues, and seek your feedback, because you have the most to gain from increased values of real estate at Boca West. I am confident these communications will help you to fully understand our plan and why it is in the best interest of all our residents to solve these issues.

But first, by way of background, it is important to know that we tirelessly investigated the possibility of a merger of the Club and the Master Association. However, we learned that a merger is not a workable option at Boca West given the unique nature of the governing documents and legal structure of both entities, current Florida statutes and tax laws. This conclusion was supported by numerous outside legal and financial experts as well as the attorneys and auditors of both the Club and the Master Association. Their consensus was that there are too many obstacles to a merger between the Club and the Master Association which prevent Boca West from doing what many other clubs in the area have done.

Nevertheless, we still needed to find a viable way to sell the "luxurious lifestyle" at Boca West so that the value of that lifestyle is appropriately reflected in our home prices. Fortunately, during our investigation of a merger, we learned we could combine certain of the Master Association's and Club's resources without jeopardizing the legal structure and tax benefits of either party by creation of a jointly owned entity strictly for our collaborative efforts. This joint entity would be responsible for certain marketing activities designed to enhance the value of our homes so that they truly reflect the "5-Star Resort Lifestyle" available at Boca West. In addition, a joint venture will serve as a vehicle to work together on many areas that we both do independently and to become more efficient in operations, purchasing, and other similar activities that could save us money and benefit both of us. The particular details of this entity are currently under consideration and we will have more to report to you in the near future.

In summary, our goal is for Boca West to be ranked #1, not only for our Club but also for our homes.

We thank you in advance for your support of this vitally important initiative.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken mattters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

CHAIRMAN'S LETTER

Happy New Year. What a wonderful time of year it is. The holiday week at Boca West, as has been the tradition for many years, was filled with events and activities to be enjoyed by all. One could sense the buzz and excitement as our children and grandchildren populated the various venues for activities, particularly at the pool and in the restaurants. Yes, "eating is a major activity at Boca West".

The 2018 member briefing was held on December 20, and while there was a respectable turnout, I suspect many could not attend due to the early arrival of family guests. At the meeting I made the following comments regarding **Marketing:**

As one of my colleagues on the Board said to me last week, **"The world needs to know what it is like to live and play in Boca West".** I interpret that to mean that it is not enough to just say we are #1. We need to explain why we are #1, and to solicit others to experience the amenity package and lifestyle we offer our resident members, be it through "Stay and Play", our "Rental Program", or the like. After all, what do we have to offer? After citing the offerings in detail from being a gated community with security and ambulance/rescue service, to quality management and staff, quality restaurants with quality food and diverse menus and ambiance, golf, tennis, pickleball, cards, fitness and wellness programs, spa, salon, entertainment shows, lectures, adult education, philanthropy, location…and I am sure I left out a few…I myself was in awe of what we have, and what we should actively and effectively promote through a marketing program.

I then summarized what the members heard from the committee chairs.

A) The Club is financially healthy.

B) Our Corporate Governance regarding controls and Risk Management continues to be enhanced.

C) We continue to make progress in programs and services across the board.

D) Our amenity package and lifestyle are second to none.

E) We have a great management team and staff, and

F) We are anxious to share our story with the world, through an effective marketing program.

I then addressed a subject I believe is important and affects all of us.

At the annual meeting this past February, I said there is a need to attract new and younger members in sufficient numbers because that is the engine that drives everything. The challenges in doing so are in marketing, sales, and current housing and real estate. The ability to meet these challenges will require collaboration between the Club, the Masters, as well as the Villages. As part of his remarks to the Village Presidents and Representatives at their December meeting, Howard Krosser, President of the Masters Association, addressed this very issue. He indicated that the Master Association and the Country Club have agreed to collaborate to enhance the value and desirability of our homes in Boca West and in doing so increase the volume of home sales as well as home prices.

After extensive consultation with outside legal and financial experts as well as industry experts and consultants, the Masters and Club are now considering combining some of their respective resources by creating a joint entity to, among other things, be responsible for certain marketing activities designed to enhance the value of homes so that they truly reflect the "5-Star Resort Lifestyle available at Boca West. The legal structure being contemplated will facilitate the joint effort necessary to meet the challenges I alluded to earlier, without jeopardizing the legal structure and tax benefits of either party. This initiative is in the initial stages and we will report further details as we progress. **A copy of Howard's full remarks appears on page 31 of this magazine and I encourage all of you to read them in their entirety.**

Let me add that the necessary support of the Villages cannot be overstated. Villages by definition means the Village Boards as well as the Village residents…that's us. Each individual homeowner has to share some responsibility for the value of his or her home as much as we the Board of the Country Club are responsible for the value of the membership in the Club.

To summarize, The Club, Masters Association, Village Boards and Residents are all stakeholders in the Boca West Community at large. We have a common interest and must join together in support of the initiative to be ranked #1 not only as a Club, but as a Residence as well. Thank you.

In closing, my sincere wishes to you all for a Healthy, Happy and Prosperous New Year.
