PRESIDENT'S LETTER

Dear Member,

NOVEMBER GETS US BACK IN THE SWING OF THINGS WITH OUR ANNUAL WELCOME BACK EVENTS IN EVERY DEPARTMENT. I look forward to seeing you all at the events in Golf on the 10th and 11th followed by our tennis weekend of events the 16th – 18th. And ending up the month with our Turkey Trot Fun Run/Walk and Spa Fair on November 24th. Please refer to the various departments for details on all of their welcome back events and be sure to join in the fun!

Our 13th Annual Carnival is back this year on December 29. Last year's event was the most successful Carnival to date with the addition of the "street fair" flair. It was GREAT to see all ages enjoying themselves throughout the entire afternoon and evening topped off with a spectacular fireworks display bringing out the kid in all of us— so great that we're doing it again! The team has worked hard all summer creating new ideas that will knock your socks off this year! We look forward to seeing you as we continue the tradition of our Annual Boca West Carnival on December 29 from 4-9pm— with rides, games and fun foods for everyone!

It's never too early to be thinking ahead, which is exactly what we're doing now. The Special Projects committee, chaired by Phil Kupperman; Howard Liebman, your chairman of the board and I have been meeting with the interior design group reviewing several improvements to be made to the Fitness Center & Spa Areas next summer. It's hard to believe that we're facing our 12th season since these areas were done!

We're constantly thinking ahead of what we can do to enhance your lifestyle at the club, such as the Healthy Leaving Lifestyle partnership with Boca Raton Regional Hospital. I've been hearing great comments regarding that partnership since its inception. Please be on the lookout for our new quarterly Healthy Living Lifestyle newsletter making its debut this month. You'll find it on the club's website as well as available for pick up at the Fitness Center.

Of course, we all know the importance of maintaining good physical health; however, I am reading more and more about how important it is to maintain a nice healthy brain. I believe we're ahead of the curve in this regard as well— starting with our tremendously successful lecture program which lead to our relationships with FAU and Lynn University and their assistance in creating the Boca West Educational Series. We continue to look for programs and ideas that will stimulate your brain's health and encourage you to share any suggestions you may have.

I'm sure you all agree that it's great to see the international staff arriving on a weekly basis. As you know, many are new to us, some are new to America and others are new to being away from home for more than a week. My sincerest appreciation to you in advance for your patience during the transition period.

Many of you know that last month Mr D's reopened for the season and I'm proud to say we are getting rave reviews. You and your guests appear to be loving the casual atmosphere for lunch and happy hour. As always, we have more openings throughout the month of November with Grand Central starting Sunday breakfast and lunch on November 4. Dinner at MyPi begins November 6 and Panache is currently scheduled to open for lunch on November 19 (unless business dictates an earlier date). One of our most anticipated restaurant openings takes place at the end of the month. Beginning on November 29 you and your guests will once again enjoy Prime Cut, The Place for Steak, featuring steaks from Chicago's Meats by Linz. Your Culinary and Food & Beverage teams have spent the summer months creating new dishes for every menu but they have outdone themselves with Prime Cut. We're looking forward to hearing what you think!

Holiday dinners are right around the corner. Please don't forget to submit your requests before the deadline dates to be included in the assignments. If you have any questions, contact our Food & Beverage reservations department and they'll be happy to assist you. As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around.

Have a wonderful Thanksgiving surrounded by your loved ones, family and friends!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

Founded in 1898, Sartori di Verona is an epic story of the Sartori family's unwavering commitment to winemaking and deep love for their city of Verona.

The setting for Shakespeare's classic tale of star-crossed lovers, *Romeo & Juliet,* romance is an integral part of Verona's identity. Verona is also a wine lover's paradise. Located in the Veneto region, Verona is surrounded by some of Italy's most important wine regions; including Valpolicella and Soave. Captivating, elegant, and vibrant; Verona is a magical city and Love Story wines are a delicious homage. Love Story wines are affordable but don't skimp on quality, you can't buy love, but a bottle of love Story is within reach.

ON THE COURSES

By Steve Forman, Golf Committee Chairman

Welcome Back!

FOR MANY OF YOU—WELCOME BACK! The season is now in full swing and I have a lot to cover. Last month's article was dedicated to Brad Luken and quite frankly I am still getting over his loss. At the same time I am sure if he were here he would tell me not to dwell on it and move on so I will.

In September, our General Manager Matthew Linderman appointed JR Friend as the new Director of Golf. While JR will have big shoes to fill there is no doubt in my mind that he is very capable, will do a great job and do it in his own way and style. JR has been here at Boca West for 26 years and worked closely with Brad so he knows the golf operation very well. He is a certified PGA Professional and according to many a very fine teacher. A number of people already have commented that they have enjoyed seeing him and talking to him on the practice range. I got a great tip from him the other day on the range not to "cast" the club as I start my downswing. I had my best round in two months. Thanks JR!! He has told me that he intends to "get out more" and be very visible to the members. He has also said he wants to be more involved with the South Florida PGA and look for some opportunities to give Boca West additional visibility. One bit of trivia, you may remember from one of my articles last year that his given first name is in fact Brad but he changed it after starting at Boca West. I hope everyone takes the opportunity to congratulate JR on his promotion. It is well-deserved and we will be well-served.

The Golf Committee continued to work hard over the summer in preparation for this season. The calendar of golf events is out so please look it over and sign up for as many events as you desire. Our first "major" the Member-Member is coming up in early December. It is a two day event with two person teams so if you have not signed up, what is keeping you? We had a great turnout for last year's inaugural.

The Committee will continue to actively help new members get inculcated into golf as quickly as we can. If you are a new golf member and have not been contacted by someone from our Committee please let me know. You should also be contacted about our new member 9 hole golf outing which will be held on January 24.

One reminder, if you want to play in any of our tournaments, social or competitive, you must have a handicap and the only way to have one is to have a GHIN number. Information has been sent out previously so if you have not responded please contact a member of the golf staff as soon as possible. To be clear, our transition to GHIN was mandated by the USGA.

Golf Fitness Classes will continue this year. They will start in early January and be offered on Tuesdays and Thursdays. Classes will last a half an hour and will be run by our very capable Boca West Fitness professionals. The focus will be on stretching exercises and how to use the existing equipment to strengthen (pun intended) your golf game.

Of course if I did not mention course care I would be remiss. We will continue mandatory seminars for new golf members and those who want to play but did not take it last year. The same penalty for not taking it will continue – loss of tee time status. The issue of course care remains a top priority for all of us. To reiterate, course care is a matter of respect for the golf course and for your fellow golfers. This season, we will be attempting different reminders to keep this issue in front of everyone.

Please be on the lookout for swing tips, fitness tips, course care updates, and information on new golf rules that will go into effect on January 1. As we did last year, all this information will be sent out via e-mails from Kathy Kohlhepp. Also, we plan to continue to hold periodic "sip and chips" at Mr. D's as we did last year. These are good opportunities to work on your game and have a drink at the same time. You also get to meet and interact with our fine cadre of teaching professionals. Remember the drinks are on you and the golf is on us.

I think that is enough for now. As always I am interested in your feedback. You may contact me via email at sforman@strategicm.com or by phone at 488-8726. I look forward to hearing from you.

TOURNAMENTS & EVENTS

All social events are open to all equity members. Equity golf members have top priority. All competitive events are open to equity golf members only. Certain events are limited to a maximum number of participants. When oversubscribed a blind draw will be used to select entries.

Only at Boca West

By Dr. Nancy Frydman, Retail Committee Chairman

WE ARE ALL AWARE of our outstanding reputation as a leader in country clubs. Many clubs try to emulate us as we frequently hear their comment: "Only at Boca West". So let me present two of the most popular BOCA WEST ONLY PROMOTIONS: the $25 Birthday Coupon and the Loyalty Promotion. Only at Boca West are you able to take part in these cost savings, member friendly programs. Both initiatives reward members for shopping in any of our retail outlets, and can be combined when applicable towards any one time transaction. Please remember the "Loyalty Promotion" is not applicable in The Boutique.

DID YOU KNOW? During your birthday month when you receive a $25 "Birthday Coupon" you can use it towards any purchase of $100 (pre-tax) or more? Did You Know you may "combine" birthday coupons as long as you spend $100 per birthday card? Did You Know you may use the coupon towards in-stock purchases even when we are having a sale? Did You Know you may use them as well for all special orders? Now that you have all this Boca West "knowledge", we are excited to assist you in our retail shoppes.

Have you taken advantage of the Boca West "Loyalty Promotion?" Many members who have used this say "It's the gift that keeps on giving." Here is how it works: Once you've spent $200, your next purchase of $200 or more (pre-tax) receives (15% off) the next purchase. Please know the "Loyalty Promotion" may not be used when we are having an equipment sale, and can only be used toward golf equipment and special orders of golf equipment.

DATA YOU CAN TRUST! You do not have to just take our word—trust the valuable data that is always available to you. Embrace technology that will significantly benefit your golf game in many ways. Just a reminder that Boca West has a FlightScope Launch Monitor that can be used to help with all of your equipment purchasing decisions. The data generated from FlightScope is 100% accurate and is best used when comparing golf club models and filling in distance gaps with your current set. Take the guess work out of buying equipment and schedule a complimentary appointment with Mike or Jon by calling The Golf Shoppe, 488-6960.

A Healthy Living Lifestyle

BOCA RATON REGIONAL HOSPITAL AND BOCA WEST COUNTRY CLUB have partnered in creating a Healthy Living Lifestyle for club members.

A comprehensive health and wellness program is available in the convenience of our own gated community. The initiatives are tailored to meet the unique needs of our members and improve the overall health of Boca West residents.

A variety of community-based health education and prevention programs, onsite health screenings and coaching, nutrition counseling and dedicated health navigation services will be key features as we embark on our healthy living partnership.

Concierge Health Navigation

Call our dedicated concierge line at 561.955.WEST (955.9378) to speak with our health navigator about all of your healthcare needs. Our team is available Monday through Friday from 9am - 4pm to provide physician referrals as well as scheduling assistance with doctor's appointment, labs and diagnostic imaging.

Onsite Screening & Coaching Services

Preventative screenings are imperative to a healthy lifestyle. Onsite services such as biometrics (body mass index, blood pressure, cholesterol and glucose), vascular screenings and mobile mammography are a few services Boca Raton Regional Hospital can conveniently provide onsite for members. While our goal is to be your partner and a catalyst for personal health and wellness, it is important to underscore that the relationship we hope to establish with you should be viewed as complementary and supportive of the relationship you have with your personal physician. Nothing can replace that bond and we encourage you to continue that important relationship.

Nutrition Counseling

Your relationship with food has significant implications on your physical health, your emotional wellbeing and even your social life. Working with a licensed Dietitian on a customized plan can give you the tools you need to reach your full potential. Services include initial and follow-up consultations that offer a comprehensive nutrition assessment which consists of a review of your health and weight history, personal goals, meal patterns, and health and eating behaviors. Bridge&Cards *at Boca West*

Bridge Players at a Bridge Tournament

THE EXCITEMENT OF ATTENDING A NATIONAL BRIDGE TOURNAMENT IS ELECTRIFYING. Players gather from all over the country and the world. The American Contract Bridge League (ACBL) is the biggest user of hotel space and Bridge is big business. It is "wall to wall tables" and usually all available public rooms are used. Any mirrored walls are covered so the cards the players are holding cannot be seen by others. Often the space needed spills over to a neighboring hotel with shuttle service provided. Local eateries, tourist attractions etc. are also eager to have a national or regional tournament held in their city. Many Boca West players attend these national, regional and sectional tournaments, especially when they are geographically conveniently located. Most Boca West duplicate bridge players are ACBL Members.

WHAT IS THE ATTRACTION?
Bridge, the ultimate partnership game, is a game of skill, communication and infinite possibilities. Millions of people worldwide play and enjoy the competitive aspects of tournament or "duplicate" bridge. In duplicate bridge, the same hands are played by the field, eliminating much of the luck of the deal. ACBL members receive masterpoints for winning and placing in club and tournament games as they strive to advance through the ranks. There are a required number of masterpoints for each of 14 categories — Rookie (0-5 points) to Grand Life Master (10,000 points).

A few statistics about the ACBL: Founded in 1937, the ACBL is the largest bridge organization in the world, serving over 167,000 members. Every year it sanctions over 3.5 million tables of bridge, played in more than 3,000 bridge clubs and 1,100 regional and sectional tournaments, plus 1 million tables played online. A challenging and rewarding card game, bridge draws players of all ages and walks of life - from Bill Gates and Warren Buffet to astronaut Greg "box" Johnson.

In addition it publishes *THE BRIDGE BULLETIN*, the world's most popular and prestigious bridge publication.

MEMBERSHIP NEWS

By Harriet Moskowitz, Membership Committee Chair

It's November! No snow here, but lots of other incredible events to partake in during the 2018/2019 season. Be sure to keep current on all the Club happenings by reading the Boca West magazine, cover to cover. You certainly don't want to miss out on any of the wonderful events happening in all areas of the Club. Don't forget to be healthy, happy and enjoy yourselves at Boca West Country Club.

It's that time of year when we are welcoming back all of our current members and looking forward to welcoming our new members. By the way, it has been a record breaking year for new members at our Club.

Our **Stay and Play Program** gives us the avenue to introduce friends and family to our incredible Club. Their Boca West experience includes fabulous accommodations; breakfast, lunch and dinner daily; golf or tennis; fitness and aquatics passes; spa service and a guided tour of our magnificent facilities and comprehensive real estate tour.

I cannot stress enough, how important your Estate Planning is. We have many families who go to the effort of setting up their estates, only to make it complicated for those left behind. Please pick up an Estate Planning Guide in the Membership office or download it from our website. Please read it and send it to your estate planner to guide you through the process. You'll be happy you did.

New **Member Coffee and Chat** is held on the first Thursday of the month at 10am in the Club Services conference room, located on the lower level of the Golf & Activities Center.

Contact the membership department if you need additional assistance with anything and everything about your membership. Via phone, 488-6934 or email to membership@bocawestcc.org

WHEREAS, the Board of Governors having had the opportunity to consider all options available to the Club with respect to Sheldon Maschler now that he is no longer a Member; and pursuant to the authority set forth in the CLUB's Bylaws and Rules and Regulations concludes that it would be in the best interests of CLUB to bar Sheldon Maschler from the CLUB and/or CLUB Property for life, effective immediately;

Considering Making Exterior Home Improvements?

By Bernard Friedman, Architectural Control Committee Chairman

WELCOME HOME TO ALL OF OUR SNOWBIRD RESIDENTS and a heartwarming hello to all of our year around residents! If you are considering making some exterior home improvements, remember that your project must first be approved by your Village and then by BWMA before you can start any project. Inasmuch as Boca West is a planned community, both your Village and BWMA Architectural Control Committee (ACC) must evaluate the impact the proposed projects/improvements will have on your Village, other residents and Boca West in general.

ALL exterior work needs to go through the ACC approval process, whether it is an individual resident's project or a Village project. The ACC also must review Village wide projects such as painting, paving work, siding work, window, roof replacements, significant landscape alterations, etc.

In order to insure a timely approval, the following information, (which can be obtained from your contractor), must be included with each petition:

1. The contractor shall provide applicants with a Certificate of Insurance naming the Homeowner and the Homeowner's Village as Certificate Holders.

The following limits apply:

   a. Commercial General Liability - $1,000,000
   b. Worker's Compensation - Statutory
   c. Commercial Automobile Liability for Owned or Leased Vehicles - $1,000,000

2. A copy of the contractor's license showing that the license is active.
3. A copy of the contracts governing the job to ensure that the scope of work is consistent with submitted plans. Confidential information can be deleted.
4. A copy of the architectural plans if required for a permit.
5. Sketches of landscaping along with plant identification, if this is part or all of the petition.
6. Paint swatches, samples or color photos of exterior materials proposed. (i.e. roof tiles, siding, pavers, windows, shutters, etc.)
7. A survey of the subject property prepared by a licensed surveyor showing the exact location of the proposed work.

The ACC Petition will not be presented to the Architectural Control Committee and will be sent back to the party who submitted the Petition unless the required documentation listed is received. Please note this process does take time.

1. The first step is for the Homeowner or Village to complete the ACC petition and then obtain all required approvals under the Village governing documents.
2. Upon approval by the Village, the petition must be signed by three Village Board members.
3. The Village or the Village property manager should then submit a complete petition to the BWMA to be reviewed by the ACC.
4. The ACC then reviews the petition and documentation and make a recommendation which will be presented at the monthly BWMA Board meeting.
5. Once approved at the BWMA Board meeting, a formal approval letter will be e-mailed to the Homeowner (or to the Village if a Village project), the Village president and the property manager for their records.
6. No work should commence until all approvals are received by the Homeowner or Village, including a copy of the Building Permit if required because of the nature of the work. Penalties may be imposed if work is commenced before all approvals are received.

You can find the Architectural Control Forms on our new website!

Visit our Website at www.bocawestmaster.com and login in with the same information you use when you log into the Club's website. Click on the Architectural Control Tab. You can also stop by the office to pick up a hard copy or request the forms by sending an email to amartinez@bocawestmaster.com.

Please be aware that this process is not designed to relieve the Village or the Homeowner from hiring an attorney or other professional to review the project and to ensure that the Village or the Homeowner has proper legal protection in connection with the proposed work. BWMA and the ACC are carrying out their duties as mandated by the applicable procedures and requirements incorporated into the BWMA governing documents and should not be considered as offering legal or architectural advice to the Village or Homeowner in connection with the proposed project.

If you have any questions, please call Alyssa Martinez at (561) 488-1598, extension *313.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken mattters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

CHAIRMAN'S LETTER

The 2018/19 season has begun. While many members who were away for the summer have returned, there remain many who we expect to return over the next month through Thanksgiving. We welcome those who have returned and wish a safe journey to those who will be returning.

Many of our approximately 350 international staff from South Africa, Ireland, Portugal, Romania and Italy have started to arrive and all but a few will be on board by mid-November. It has been a challenge getting rehires from South Africa approved causing us to be a week late. As of this writing there has been two orientation programs for staff with six more scheduled over the next several weeks. All new staff participate in an orientation program and go through a period of training, both on the job and otherwise. As part of their orientation and training they are taught, among other things, to know that the Boca West staff are in the "member pleasing business". In due time, as in years past, our new staff will learn to be proficient and efficient in what they do, and provide the membership with the excellent service we have always been fortunate to experience. Please welcome all of our seasonal staff and be patient as they become comfortable in their new environment.

All of our restaurants are expected to be opened by the end of the month. For more information see Matthew's General Manager's Message on page 3.

The financial results for the eleven months ended August 31, 2018, exclusive of timing differences, were slightly ahead of budget. Net operating income exceeded budget by approximately $120,000, whereas non-operating items were $12,000 behind budget. At this time the audit of our 2017/18 fiscal year ended September 30 is not complete. As such, I cannot report on the results for the full year other than to say that we expect to finish the year with financial results on or slightly better than budget. At September 30, 2018 and 2017, our cash balance net of bank borrowings was $14.9 million and $11.7 million, respectively.

We finished the year with strong home sales to new members, including persons acquiring in Akoya who opted to join the club prior to closing on, and occupying their unit. During the year ended September 30, 2018 sales of homes to new members totaled 123 compared to 114 last year (including 4 in Akoya in both years). Capital contributions from joining fees, which are used exclusively for capital expenditures and the repayment of related bank borrowings, exceeded last year by approximately $1 million.

Let me continue to remind you that the nominating committee is working hard to find candidates to fill opened Board positions. If you are interested in serving your fellow members and continuing Boca West Country Club as the award winning and fiscally sound private country club that it is, send your resume to Howard Boilen, in care of the executive office, by November 12.

As always, if you have any questions or comments feel free to contact me.
