PRESIDENT'S LETTER

Dear Member,

FEBRUARY IS ALWAYS THE MOST ROMANTIC MONTH OF THE YEAR! SPEND TIME WITH YOUR SPECIAL SOMEONE AT THE CLUB THIS MONTH! Enjoy our Valentine's Day dinner dance on February 9, shop our Sweethearts Sale on February 12-14, watch "Love" service at our tennis pro exhibition on February 15 or take a "Sweetheart Stroll" around Boca West the morning of February 16. Celebrate Valentine's Day any way you wish!

During President's Week, kids of all ages will find entertainment everywhere. Whether its golf, tennis, fitness or simply sitting poolside watching a movie, we've got something for everyone. A brochure listing all of the great activities and events is available throughout the Club as well as posted on the Club's website. Please be sure to pick one up so you and your family and guests won't miss a moment of fun that week.

Our first **Music On the Rocks** at MyPi was such a big success we've added several more dates. Weather permitting, join us on Thursday nights for dinner, live music, dancing under the stars, hanging around the fire pits while enjoying specialty drinks and desserts. Thank you for coming out to enjoy our Inaugural Wine & Boutique Experience which featured Chef Norman Love and Master Sommelier Virginia Philip. Fear not, we have already begun planning next year's event!

To date we have had two CPR classes take place with members and there are still two to come. They have been a great success with all four classes selling out! As a result, I've had several questions regarding the locations of our AED's on property as well as how many staff members are certified. For your information, we have a total of 29 AED's throughout the Club property: five in Fitness; three in Tennis, seven throughout the various restaurants and kitchens; 10 throughout the Golf department; two in Golf Course Maintenance; one in our Engineering/Retail warehouse and one in our Club Services area. In addition to having 29 AED's we have approximately 150 employees with CPR certification.

I'm happy to report that our Unicorn Foundation Project Search program was such a great success this year that we have already started the process for next year. You may like to know that a few of these wonderful interns would like to stay on with us in permanent positions. It has been such a pleasure having these interns on the team that we can't wait to do it again.

Last month, I attended the PGA Merchandise Show in Orlando with Emily Gifford, Director of Retail, and JR Friend, Director of Golf. Besides getting a sneak peak of all the latest and greatest golf trends in the industry, we were honored to receive the Association of Golf Shop Merchandiser's Platinum Award, which recognizes the top 100 golf shops in the world.

By now, you have all received your 2019 Annual Meeting of the Members package as well as your Board of Governors election package. If you have not received either, please reach out to the Executive Office so we may get duplicate out to you right away. Your educated vote is so important to the future of your Club, so please watch **"Meet the Candidates"** on the Club's website, posted on the Board of Governors page, in each clubhouse lobby as well as on the community Channel to gain insight on your fellow members running for your Board of Governors. I look forward to seeing you on Tuesday, February 26 at 3pm in the Cypress Room of the Country Club for the Annual Meeting of the Members.

Don't forget that with this "changing of the guard" new committees will also be formed. Your Board is always looking for energetic members with fresh new ideas who are willing to serve the Club. If you would like to get more involved with your Club you may wish to participate on a committee for the 2019/2020 season. Please drop a note to the Executive Office addressed to the Chairman of the Board indicating the committee on which you would like to serve.

Just a reminder to all of our lovely ladies, thanks to our Healthy Living Lifestyle partnership with Boca Raton Regional Hospital, their Mammo Van will be on property all day Saturday, February 23. Appointments may be made online at www.brrh.com/mammovan or by calling 955-4700.

Please remember I welcome and encourage your thoughts, comments and suggestions regarding your Club. Sending Valentine's Day love and romance your way from me and the Linderman girls!

Sincerely,

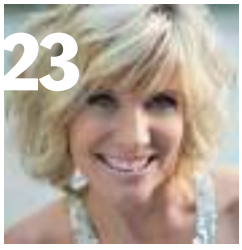

Matthew Linderman, CCM
President, COO & General Manager

Winter Tennis at Boca West

CAN YOU BELIEVE IT?

It's midwinter and we're lucky enough to be playing tennis and pickleball under the tropical sun.

By Dr. David Shifrin
Tennis Committee Chairman

AND THERE'S MORE: We're looking forward this month to a great doubles Tennis Exhibition on Friday, February 15 at 10am.

Featured players will be Tim Henman, a former top-tenner and fan favorite from England who came oh-so-close to the Wimbledon finals on two occasions but fell just short in the semi's, and also Jessie Levine, a terrific Canadian player who wowed us several years ago when he played here at Boca West in a French Open qualifier against John Isner (perhaps some of you remember watching this from the elevated perch on the previous tennis deck). This was in the days before Isner was well known, and it was a David vs Goliath match with Isner at 6 feet 10 inches tall vs Levine who's at least a foot shorter. When they stepped on the court the result looked like a foregone conclusion, but Jessie held his own in a fiercely contested battle until Isner finally prevailed with his 140 mph serves, some of which were actually bouncing above the reach of Jessie's fully outstretched racket. Jessie's gutsy performance that day endeared him to Boca West fans, and we'll get to see him in action again this month.

Also this month we will host the **Women's Member Guest Tournament** which is scheduled for Wednesday, February 6. This is always a delightful event which gives our members a chance to invite a player of their choice to experience the hospitality and sensational amenities of our club.

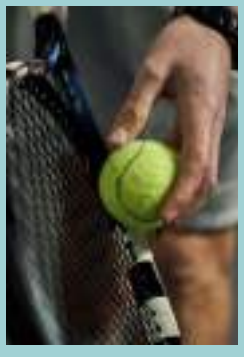

Pickleball: February 10, Exhibition and Complimentary Clinic, and Pickleball Tournament on February 17. There are some changes in the works regarding Pickleball Organized Play. Friday and Sunday morning are no longer set aside for organized play as Thursday afternoons from 2-3:30pm is now a time for New Players and Beginners to come out for organized play. This is to match players equal abilities and help new players meet others and establish new friendships.

Delray Beach Tennis Open: Boca West members are eligible for a 20 percent discount for this pro tournament during the dates of February 15 - 22 (but not for the finals weekend, February 23 & 24). Call the tournament ticket office for details at 530-6000. (This is not handled by the Club.)

And one more reminder about showing up on time for game arranging as well as tournaments: Please arrive no later than 8:45am so that court assignments can be confirmed. Latecomers cause last minute scrambling for the staff and delays in starting times for players. It's also a requirement to provide adequate notification if you are not going to show up, especially for tournaments. The tennis committee has voted to impose a warning for a first offense, and repeat incidents will be penalized by restricting court time until 11am for a period of one week.

BONUS

Tennis Tip from Head Tennis Professional Rob Norton

FOCUS ON THE DEPTH OF YOUR SHOTS. One of the most common issues people have is when their opponents drop shot or lob. To prevent this, keep your shots deep. It is very difficult for your opponents to hit these troublesome shots if they are pushed backwards from the depth of your shot.

ON THE COURSES

By Steve Forman,
Golf Committee Chairman

I AM FINISHING MY SECOND YEAR AS GOLF CHAIR and it has been a terrific two years filled with many highs and unfortunately some lows.

ONE BIG LOW THAT YOU KNOW ABOUT WAS LOSING BRAD LUKEN. I think about him often and it is still a blow, but I am eternally grateful for what he did for us—absolute dedication to his job, terrific to work with, but most importantly developing and managing a great staff and preparing another "Brad" (literally and figuratively), JR Friend to take his place.

JR has already put his mark on the golf operation—his enthusiasm is infectious, he is out there with us, providing tips and encouragement and so is the rest of the golf operations staff. In that vein, I hope everyone, and your families enjoyed the holiday season and the new golf events—night golf with s'mores, putting contests, a miniature golf layout on the practice green by the pool, etc. Complimented of course by ice cream at Mr. D's. It doesn't get better than that. By the way the Grandparent/Grandchild tournament had the biggest turnout ever and would have been perfect if it were not for the rain. However. many persevered and finished the round—a little soaked but whoever said golf was easy or dry? That's why they invented GorTex.

Speaking of tips, did you ever wonder what PGA Pros Adam Scott and Justin Rose were doing when they were lining up their putts with their fingers? Well ask our own Peter Taylor—he got some great putting tips when he attended the PGA School last fall. He explained it to me and not only was it fascinating, but also helped my putting, which is generally abysmal. One thing Peter showed me that was very useful was how you can make every three-foot putt. No, I am not going to tell you what he said—you need to ask him.

I need to thank my committee profusely. They have done everything asked of them with a great deal of vigor and style. We met each month including during the summer so there was no rest for the weary. So, thanks to Bob Winikoff my Vice Chair, Lee Allen, Sharon Bailenson, Ken Brandt, Lela Cannon, Carla Cohn, Bob Forman, Nancy Frydman, Karen Heck, Len Hodes, Pete Kolben, Rene Leoni, Bob Lerner, Chuck Rosenblatt, Jeff Rothschild, Rich Wagner, and Frank Zaid.

If you are a golf member and not attending golf fitness classes—why not? They are free and a good opportunity to get in better shape for the game we all love. Or at least love and hate, sometimes simultaneously.

I continue to hear compliments about the condition of the golf courses and obviously Wes Dinsmoor and his staff are doing a great job! They just got the results of the USGA's annual review of the golf course maintenance program and got the usual high scores plus a few recommendations. I think the fact that the USGA is invited each year to conduct such a review is a credit to our management and a benefit to all of us.

At this point in the article I am tempted to have my usual rant about course care. But I won't. But it is still a problem and we have some big tournaments ahead of us. Please— and remind your playing partners as well.

Men's and Women's Member-Guests are coming up. They will be spectacular!

Did you get the printout showing the new rules that took effect on January 1? Also, the scorecards now have the new local rules that are in effect.

One last plug and that is about volunteering for committees. It's that time of the year and I know from my time on the Golf Committee (as well as other committees), that we all can make a difference in the quality of the programs the Club offers and the quality of life we have at Boca West. So, get busy and sign up. It can be very rewarding.

As always, I am interested in your feedback and comments. You can email me at sforman@strategicm.com or call me at 488-8726. I look forward to hearing from you.

Foundation Days Events The invites for this year's 7th Annual Golf Challenge and the Concert for the Children: "Battle of the Bands II" were sent out and the response has been overwhelming. We have been sold out at both events for the past five years! So, if you haven't filled out your entries and ticket requests as yet, please do so now to be sure you are included.

The golf challenge takes place here at BWCC on April 1. Your entry fee of $650 includes a welcome gift, brunch, $150 to be spent in the Foundation Gift Shop, one duck in our famous $5,000 Duck Drop, your day of golf, and, of course, an invite to the post-event gala cocktail party and live auction. This year, the auction will have many new items and some of your favorites from previous auctions.

Our 2019 Concert for the Children on April 2 will be the "Battle of the Bands II". This year's bands will feature some of the world's favorite music! Remember When Rock Was Young will celebrate the music of Elton John and The Fab Four will bring us the greatest Beatles hits! Gates open at 6pm and performances begin at 8pm. Tickets are $150. All tickets sold go directly to aid partner organizations.

Walk in the Woods If you have not signed up for "A Walk in the Woods" on February 4 there is only a few days left to do so. This event was tremendously received last year and whether you wish to walk 500 feet or two miles, you can enjoy a fun time, great music, food, drink and help "our" kids.

Help Our Babies Thrive Help BWCF provide much needed dipaers to mothers who are trying to raise a small child while fighting their way out of poverty. When you have limited funds, keeping an infant in diapers becomes a luxury. Can you help? If so, on February 26 from 9am-12pm, you can just drive by the parking area at the Tennis Center and drop off in our bins. Last year, Boca West members contributed 30,000 diapers. All sizes are needed, but sizes 1, 3, and 6 are in dire need. Stop by on your way to the Country Club Annual Meeting and help by donating any amount of diapers or writing a check. If you have any questions please contact the Foundation office at 488-6980 or foundation@bocawestcc.org

All of these great works are done in the name of Boca West Country Club. GRIEVANCE COMMITTEE REPORT

By Bob Locke Grievance Committee Chairman

After the Grievance Committee reports to Board of Governors on their findings and the Board's makes its final decision, there is a 45-day waiting period during which the member may appeal the Board's decision. There are presently three grievances that have passed the 45 day period or the members have already made an appeal. All of the Grievance Committee recommendations were approved by the Board. The three grievances are as follows:

GRIEVANCE # 1

This incident involved a Male Member who was accused of Sexual Harassment by a female employee. This was not the first incident where he made unwelcome remarks of a sexual nature to female employees. Prior to a hearing in front of the Grievance Committee the member admitted to the accusation and voluntarily agreed to a long term suspension of his membership. The member is also required to complete a Sexual Harassment training course, complete the course and pass a written test as well as write a letter of apology to the employee and the Board. The harassment was verbal. The female employee requested anonymity.

GRIEVANCE # 2

This grievance involved a male member who on multiple occasions, over a three month period, when speaking to staff in three different departments, used abusive, inappropriate, loud and demeaning language. The employees were in the Golf, Activities and Fitness departments In addition, he played golf with his son also on multiple occasions without paying for his son`s green fees. The incident with the staff member in the Activities department was settled prior to Grievance Committee meeting date.

After a thorough investigation including discussion with staff of the two departments and several witnesses the Grievance Committee recommended to the Board the following penalty:

RULING: This member was suspended for twelve months and has to take an anger management course and provide the Club with a completion certificate. He must also write a letter of apology to the staff of the two departments as well as to the Board of Governors.

GRIEVANCE # 3

A member and his significant other (also a member) have been a problem for the staff in the Activities Department for the past few years. Last year their poor behavior escalated. They had become extremely rude, loud, and disruptive to other Boca West members while attending various club events. They would continually show up at events causing scenes over seating and then loudly blame the staff for not accommodating them.

RULING: The members were suspended from all Boca West activities and events for almost 12 months and a letter of apology is to be written to the Activities Staff and the Board of Governors.

Your AMR Team

American Medical Response (AMR) has been proudly providing Emergency Medical Services (EMS) to the residents of Boca West since 2006.

They work hand-in-hand with the Deputies from the Palm Beach County Sheriff's Office (PBSO), Boca West Security, and the staff at Boca West Country Club.

Since Boca West is located on the boundaries of two rescue zones, the response times from Palm Beach County Fire Rescue (911 Calls) may take between 8 to 10 minutes. Having AMR 24/7 on the property provides a rapid initial response, which subsequently reduces those response times to 3 to 5 minutes. These precious minutes are critical in the event of a Cardiac Arrest, Respiratory Distress or Major Trauma; and will significantly improve the outcome of such life-threatening medical emergencies. BWMA Security as well as officers from PBSO respond to each emergency call. We receive an average of 75 calls per month or 900 calls a year. Do not hesitate to call when you are in need of medical assistance.

The Boca West EMS team consists of three full time Paramedics, three full-time Emergency Medical Technicians (EMT) and an alternate/part-time Paramedic and EMT. They have all had extensive training in Advanced Life Support and are committed to providing an exceptional level of service for the residents of Boca West.

The team is led by Field Operations Supervisor Mark Keating. He has a combined 42 years of experience and started his career working in an Emergency Room. He worked in law-enforcement as a Deputy for PBSO, and then decided to switch his career to the Medical side of being a First Responder. Mark has been a Paramedic for 26 years and has spent a majority of those years as a Rescue Supervisor in Belle Glade and Pahokee. Mark shares his expertise and knowledge with his co-workers as an American Heart Association Instructor in CPR, Advanced Cardiac Life Support (ACLS) and Pediatric Advanced Life Support (PALS).

His teammate, EMT Arthur Moen started in EMS in 1987. Art has been working for American Medical Response for 31 years and holds the top spot on the EMT Seniority List. He started his career as a Rescue EMT before the establishment of any of our local Fire-Rescue Agencies. Art has remained a Rescue Paramedic throughout his career and is also a Field Training Officer. In addition to Boca West, he is currently working as a Training Officer for AMR's new-hire Orientation Classes.

Paramedic Dan Cardenas has been working at Boca West Paramedic Station since its inception in 2006. Dan started in EMS in the mid-nineties and has pursued multiple degrees in EMS Management, Public Safety Management and an MBA. He is a Lead Instructor for the EMT Program at Palm Beach State College and also a History Professor at Palm Beach State College and Strayer University. Dan is currently finishing completeing his second Master's Degree in US History. His teammate, EMT Wayne Daniels just celebrated his 30th year at AMR and also worked in the Rescue Zones in Belle Glade and Pahokee. Wayne is a long-time employee at JFK Medical Center Emergency Room where he has developed extensive knowledge in treating patients at the Hospital Level.

Paramedic Angel Conkle started in EMS 15 years ago and has worked at Boca West for a total of 7 ½ years. Angel is also a Paramedic for the FEMA Disaster Response Team and was deployed to Hurricane Harvey in Texas, and Hurricane Irma in Florida. Her commitment to helping those in need make her an empathetic and compassionate EMS provider. Her teammate, EMT Mike Johnson got his start in 2002 working for Ocala/Marion County EMS. Mike has been working at AMR for 10 years and came to Boca West from the Special Detail EMS Zone for Boynton Beach Fire Rescue.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken mattters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

TIME DOES MOVE RATHER RAPIDLY. I often wonder why the passage of "one year" seemed to take so long when I was nine years old, as compared to the rapid speed with which it seems to fly by today when I am, as Jack Benny would say, thirty-nine years old.

I am quickly approaching my fifth anniversary as a member of the Board of Governors and my second anniversary as Chairman. During my first year as Chairman, we had to deal with significant issues that were beyond our control, such as the "Class Action Lawsuit" (having since been resolved in our favor), as well as challenges by some who would attempt to circumvent traditional processes in order to avoid "Mandatory membership". Dealing with these type issues are not only costly in terms of legal fees, but are major distractions, thereby limiting the time available to deal with constructive matters that would enhance our reputation and lifestyle here at Boca West.

I am pleased to say that during this past year we were able to primarily focus on the current and future challenges facing "Residential Country Club Gated Communities" in general, and specifically those facing Boca West. I am confident that the Board will continue to focus on strategies to meet these challenges in the foreseeable future; a future I am personally optimistic about.

The support I received these past two years has been phenomenal. Working with Matthew this past year (as well as with Jay and Matthew the prior year) in what I will refer to as a "partnership environment" has been rewarding to say the least and a formula for success. I cannot overstate my appreciation for the good counsel and support I received from Darlene Wright as well as the unconditional support I received from Donna Gropper. It has been a pleasure to work with these talented individuals and I am grateful for having had the opportunity to do so. The production out of the small enclave of executive offices by a mere few is a sight to behold.

I want to thank the members of the Executive Committee and Board I had the pleasure of working with this past year. They, individually and as members of a committee or the Board, truly dedicate their time and expertise in helping sustain the health and welfare of the Club. To all the members that volunteer their time by serving on committees, I say thank you as well.

Most inspiring for me has been the continued overwhelming support from you the membership. Your kind words of appreciation, encouragement, and support have added purpose to my efforts as well as those of the entire Board.

I said this last year and believe it is worth repeating: **In my opinion, Matthew's direct reports as well as all department heads and managers collectively are second to none in the industry, and our entire staff know only one thing; "we are in the member pleasing business". This culture and attitude stems from the leadership at the top and creates an environment that fosters success; it is why we are rated at the top and are so lucky to be residents in Boca West and members of the Boca West Country Club.**

Let me remind you that the membership will be voting for five Board positions this month, the results of which will be announced at the membership meeting on February 26. Be sure to exercise your right to vote for as many as five but no less than three candidates that appear on the ballot.

Thank you for your support and may I again wish you all a Healthy, Happy and Prosperous New Year.
