PRESIDENT'S LETTER

Dear Member,

CAN YOU BELIEVE IT'S MARCH? TIME FLIES WHEN YOU'RE HAVING FUN! There's still more in store, so don't miss out on all the Club has to offer. If you haven't already done so, please be sure to make your reservations for our Mardi Gras theme night, An Evening with Chris Mann Dinner & Show, Jay White as America's Diamond, Tanglewood at Boca West with an Americana theme, our Seder Dinner and/or our Easter Brunch! In addition to all of the above, we are really excited about our first Prime Cut Wine Dinner featuring Duckhorn Wines on March 18.

Our annual **New Member Reception** was held on February 5. Your Board of Governors, Membership committee, management team and I welcomed over 180 new members. This year the Living Room was setup as a department meet and greet. Members were able to casually stroll through the area and stop at different department kiosks to ask questions and learn about what is offered throughout the year. The main goal of this event is to welcome our new members and let them know why their choice in clubs was the best choice they could've made…once again, the evening was a huge success! We're hoping many left with new friends in their contact list.

Please be sure to check out the Scene Flash on pages 22-26 featuring photos from our holiday activities and our inaugural wine and boutique experience. Additional photos may always be viewed on the Club's website and a small sampling of event photos are posted on our social media platforms. Be sure to **LIKE**, add **COMMENTS** and **SHARE** with your friends.

Our year-round **STAY and PLAY** program continues to be one of the best marketing tools for prospective buyers to experience our Boca West lifestyle. Remember, as members, you're all ambassadors of the Club and we hope that you will spread the word about Boca West. As our new marketing tagline says: *Live the Life You Love. Love the Life You Live.* If you would like more information about the program, please contact the Membership department at 488-6934 or membership@bocawestcc.org and they'll be happy to assist you.

As many of you know, it's time to update our Sports Center. Twelve (yes 12) "Boca West" seasons have taken their toll. Not to mention there have been numerous trends and concepts that have developed over the last decade in every area from dining, to poolside to fitness and spa. It's time to evaluate and update with fresh new concepts that are in tune with you as well as future members. We have engaged architects, consultants, land planners and interior designers to evaluate what we currently have and the best way to approach what's needed for the future and have determined this will happen in two different phases. Phase one being this summer with a mostly cosmetic update changing the color schemes, changing out some equipment in both the fitness and spa areas, etc. All of which will take place with our normal annual capital budget and most (if not all) of which will incorporate into and coordinate with the second phase.

Phase two will be a more involved renovation. The plans will include a new movement studio, aerobic studio and state-of-the-art fitness equipment. We are also looking at ways to enlarge the Onyx Lounge and create a terrace, renovate and update *MyPi,* create a new Splash pool bar restaurant, update the pool and pool deck using the same "footprint" and new updated poolside restrooms. In addition, we are investigating ways to add a Boca West "Grab and Go Market" as well as improve the valet area and parking throughout. Obviously a project of this magnitude will require your approval. We are striving to get a program out to you before the end of 2019 with the thought of doing construction during the spring and summer season of 2021.

It was great to see so many of you at our Annual Meeting. As a reminder, please consider volunteering your time and expertise by serving on a committee. Send a letter indicating your committee of choice as well as any relative experience you may have to offer. If you have a resume, please feel free to include it as well. Mail or drop off at the Executive Office to the attention of the Board of Governors by March 7. Your staff and I look forward to working with your newly elected Board of Governors and newly appointed committees throughout the 2019-20 season.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and I look forward to seeing you around the Club!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

Great Escape to Bridge

JOIN US FOR BOCA WEST COUNTRY CLUB'S GREAT ESCAPE TO BRIDGE. *The Bridge Bulletin*, published monthly by the ACBL, printed a letter from a woman who could easily be a member. She lives in Canada from late spring to early autumn and in Florida during our "season." Wherever she is, she participates in the wonderful world of bridge. She plays chatty, social bridge with friends and money bridge where she combines her skill with the thrill of gambling, but her favorite is the intellectually stimulating pastime among the pleasant, alert people of duplicate bridge. As a duplicate player, you are a member of an international organization of aficionados like yourself. The only qualifications are knowledge of the game, an observance of the rules, ethical conduct and common courtesy. There are no barriers of age, sex, expertise, color, creed, politics, physical ability or wealth.

Whether you are playing offense or defense, every hand you pick up is an absorbing challenge and a puzzle to be solved. When you play, your anxieties, worries, aches and pains are left outside the door and you become absorbed in the great escape to bridge.

GRIEVANCE COMMITTEE REPORT

By Bob Locke Grievance Committee Chairman

After the Grievance Committee reports to Board of Governors on their findings and the Board's makes its final decision, there is a 45-day waiting period during which the member may appeal the Board's decision. There are presently two grievances that have passed the 45 day period or the members have already made an appeal. All of the Grievance Committee recommendations were approved by the Board. The two grievances are as follows:

GRIEVANCE # 1

A male member stole a pair of shorts from The Golf Shoppe in November. During the Grievance Committee meeting with the member he first denied the theft even after viewing the video evidence of his actions and stated that the shorts were a replacement for a pair he purchased on the prior day. He later recanted and admitted that he stole the shorts and stated that his various personal and medical problems and the medicine he was taking caused his actions. After a thorough investigation including discussion with a witness and a staff member, the Grievance Committee recommended to the Board the following penalty:

RULING: The member is to be suspended for 12 months and a letter of apology is to be written to both the manager of the retail shops at Boca West and the Board of Governors.

The member's Boca West account was charged for the shorts.

GRIEVANCE # 2

A men's group consisting of three golfers was playing behind a women's group also consisting of three golfers for holes 10 through 16 of the Fazio II golf course.

The women contend that the men were hitting into them. The men stated that they never hit into the women's group. A ranger was called. One member of the men's threesome approached the women on the green of hole 16 complaining about the accusation. What was actually said by the parties on the green was different and contradictory.

RULING: The male member who approached the ladies on the green golf privileges was suspended for two weeks based solely on the fact that male member drove up the 16th green and confronted the ladies.

By Howard Krosser, BWMA President

Marketing the "5 Star Lifestyle" of Boca West

IT IS HARD TO BELIEVE THAT ALMOST A YEAR HAS GONE BY SINCE I WAS ELECTED PRESIDENT OF THE BWMA. In a few weeks' time we will have our annual elections at which we will have one incumbent and three other nominees vying for three Board positions.

In joining our team, I expect whomever is elected will continue the many positive accomplishments of the past year. We are losing two talented, longtime Board members, Vice-President, Ed Locker and Treasurer, Herb Romanow who have served the maximum of two terms and were significant contributors to our success over their tenure. Being a Board member requires significant amounts of time and effort and I thank them for their service and wish them well in the future.

Our relationship with the Country Club couldn't be better. As you have seen in my previous article, we are committed to collaborate on increasing home values. We have formed a Joing Venture, Boca West Community Advisors LLC and I'm pleased to report that we have gotten overwhelming positive support for this endeavor from our residents. We held numerous meetings with the Village Presidents and Representatives in February where Howard Liebman, Club Chairman, and the Joint Venture Steering Committee explained how the entity will work and how it will enable us to better market the "5 Star Lifestyle" of Boca West. In the next few months the Joint Venture will implement a marketing program and center that will be 100% dedicated to Boca West Real Estate - stay tuned.

Our Landscape and Maintenance Committee has been hard at work improving the overall appearance of Boca West with our latest project of enhancing the median areas on our roadways. We are convinced that improved and updated landscaping not only allows our members and their guests more enjoyment while walking, cycling, jogging and driving through Boca West, but also will indirectly have a positive effect on our property values.

Our new Children's Activity Park has been a huge success and is being utilized and enjoyed by our many little visitors. It is being updated and improved on a regular basis and was used extensively over the holidays.

Our fiscal year ending September 30, 2018 was the first full year of the existence of the Audit Committee. After developing and obtaining Board approval the committee selected Hafer & Co. as our new auditors. In October, the committee staff auditors met to establish the scope and guidelines for the audit, as well as areas of internal controls to be reviewed. I am proud to inform you that the results of this process is a clean audit report with no qualifications which is available for your review on the Master Association web site. Kudos to the entire financial staff. With regard to our current financial condition, we are on budget and expect to remain on budget the entire year.

Our Safety and Security Committee would like to thank all of the residents for helping us keep the roadways safe. Your comments and suggestions have helped reduce the amount of citations given out in the last few months and your cooperation is greatly appreciated.

Since spring is approaching and the season is coming to an end and many of you may leave for the summer, I wish you all a healthy and happy spring and summer and look forward to your return next season.

OMBUDSMAN COMMITTEE

By Joel Macher, Chairman

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Joel Macher. I'll do my best to find the best solution possible. Send your email to joelmacher@comcast.net and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.
