PRESIDENT'S LETTER

Dear Member,

SUMMER IS UPON US and we can't wait until you see what we have in store for you! In addition to our annual summer holiday celebrations along with our golf and tennis events, we have a lot more coming your way! We're keeping the fun going—all year long! Trivia Nights, Bingo (yes, Bingo!), Dueling Pianos, Lectures, a dinner show or two and an afternoon with Medium Jeffrey Wands. Stay tuned, as we find opportunities to add more new events and activities throughout the summer months, we will share the news.

As our tradition continues we hope you'll join us in Grand Central for the first two horse races; **The Kentucky Derby** on May 4, **The Preakness** on May 18 and then in Onyx Lounge for **The Belmont Stakes** on June 8. Stop by to watch the race while enjoying specially priced cocktails.

I look forward to seeing all of you Moms at the **Mother's Day Champagne Brunch** on Sunday, May 12 in Panache where we will be pampering each and every one of you. Reservations are still available by calling 483-6300. Chef Roger has a special menu planned— one you'll not want to miss. However, whether you spend it here or elsewhere, I hope you enjoy your special day surrounded by family and friends.

Our **summer guest policies** in the golf, tennis, fitness and aquatics departments go into full swing this month! For complete details, please check the Club's website, contact the individual department or speak with a staff member in the Membership department and they will be happy to review them with you.

On a final note, a big **CONGRATULATIONS** to our Director of Tennis, John Joyce, who was recently named the 2019 Sportsman of the Year for the Palm Beach County Grand Slam Tennis League. Please join me in giving John a huge pat on the back the next time you see him. He continues to do a fantastic job at the Club as well as for the local community.

I receive complimentary letters from members quite often but one recent letter really stood out and has stuck with me. It was about our staff. How great the staff is, especially toward his wife who recently injured herself. The employees go out of their way to assist her with whatever she may need while having difficulties getting around; that has given he and his wife such comfort during a somewhat trying time. It's wonderful to hear that the staff is always so accommodating and this letter reminded me that our most important amenity is our STAFF. How they make you feel while you're here at the Club. It's not always about what I/we say or what I/we do—for the membership – it's all about how we make YOU the member feel because that "feeling" is everything!

I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

PICKLEBALL— a funny name for a terrific game!

by Howard Attermann

PICKLEBALL WAS INVENTED IN 1965 ON BAINBRIDGE ISLAND, A SHORT FERRY RIDE FROM SEATTLE, WASHINGTON.

Three dads-Joel Pritchard, Bill Bell, and Barney McCallum-whose kids were bored with their usual summertime activities-are credited for creating the game. In 2015, pickleball was recognized by the Sports & Fitness Industry Association (SFIA) as the fastest growing sport in the U.S.

There are two accounts as to how the name evolved. According to Joel Pritchard's wife (Joan), she started calling the game pickleball because "the combination of different sports reminded me of the pickle boat crew where oarsman were chosen from the leftovers of other boats". According to Barney McCallum, the game was officially named after the Pritchard's dog Pickles, who would chase the ball and run off with it. Others claim both accounts may actually be true. As the game progressed an official name was needed, and "pickleball" was it.

Pickleball is a fun sport that combines many elements of tennis, badminton and ping-pong. It's played both indoors and outdoors on a badminton sized court, and a slightly modified tennis net. It is played with a paddle and a plastic ball with holes. It can be played as doubles or singles. Here at Boca West we mostly play doubles.

There is a no-volley zone extending 7' out from each side of the net. Also called the kitchen, you may only enter this area to hit a ball that has bounced in that area. You begin the game by serving underhanded to the opposite court. Once the ball bounces on both sides once, you then have the choice to either volley the ball (hit it before it touches the ground) or hit the ball back to your opponent after it hits the ground. The team serves until they make a fault (hit out of bounds, hit into the net, etc.) Only the serving team scores points, until they lose the serve.

According to reports, an estimated 2.5 million people partake of this fast-moving game. According to the USAPA 42% of those playing 8 times or more a year are over 65 years old.

Lee Kritzer is credited with introducing pickleball here at Boca West, in 2015, when we first played on a court using taped lines and a temporary net on the golf cart parking lot next to the tennis center. We evolved to pickleball lines added to our hard tennis court, and now our four permanent, and four dual-use courts, giving Boca West eight pickleball courts, more than any of the

country clubs in our area, although participation is growing to the point where we may eventually need even more courts.

Boca West has a Pickleball Committee, a subset of our Tennis committee. Our professionals John Joyce, Matt McInerney and Rob Norton coordinate programs with our committee. Clinics are offered monthly, newer players are organized every Thursday afternoons 2-3:30pm, and there is open play daily. Tournaments are held several times during the year, and we also have a competitive team entered in the Champions Division of the Florida South County Pickleball League.

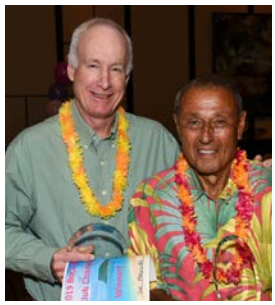

All interested in learning the game are invited to attend the clinics and the Thursday organized play. Our pros are also available for personal pickleball lessons, as they are for tennis lessons.

ON THE COURSES

I'M BACK, PLEASED TO SERVE AS GOLF CHAIRMAN AGAIN THIS YEAR and the first thing I want to do is welcome Bob Lerner as my Vice Chair. It is hard to believe that the season went by so quickly but the big car transporters that have suddenly appeared don't lie. To those who are heading north or west for the summer, I hope you enjoy your time away from Boca West but we look forward to seeing you again in the fall. Yes I know some of you head east and the same to you. To those who are staying, we have a lot of things in store for you including resumption of our summer league, our Three-Club Tournament (which got rained out twice last summer), the Greenskeepers Revenge (Wes Dinsmoor can't wait for that one), and of course our very popular Memorial Day, Independence Day and Labor Day Tournaments. And maybe some other things?

This may be a little dated because it took place last March, but we are still very excited about our LPGA pro Nanna Koerstz Madsen. If you missed the nine-hole match between Nanna and Pam Elders, you missed a good one. We had almost two hundred people in attendance. That's one hundred carts and there were no accidents. Hard to believe but true!

The match took place on the back nine of Palmer I and it came down to the very last hole. Nanna was one shot down. Both women hit great drives on the Par 5. Nanna's ball was on the right side of the fairway approximately 210 yards from the hole—all over water. All she did was hit it to 8 feet but I guess that is what touring pros do. Not to be outdone, Pam also hit her second shot on the green but was about 30 feet away so both were putting for eagle. Pam just missed her attempt and the putt went about 5 feet past the hole. Nanna calmly made her eagle putt and Pam was also up to the task rolling her putt in for a birdie. Both women finished 3 under par for the nine holes. You could not have scripted a better ending.

Rumor has it that Pam will be trying to quality for the Women's Senior Open. Nanna may be back at the end of June. Rematch anyone?

As I am writing this article, the Golf Committee is getting organized. We have added several new people and I am confident all will make great contributions to our golf program. We will continue to focus on course care. We also will continue to focus on new members and getting them inculcated into golf at Boca West. Serious discussions are taking place about the Club taking over the women's Wednesday and Thursday leagues. We tried that last year, but everyone could not agree on what day to play. We think we have come up with a solution, women will choose their day of play. Thanks JR.

By Steve Forman
Golf Committee Chairman

One important and immediate task for the Committee will be to decide on tournaments. Several have been added over the past two years and we want to continue to test the waters with new ideas. Our aim is to offer the membership a wide variety of opportunities to play on our four great golf courses. We also want to give our excellent cadre of teaching professionals opportunities to showcase their talents and give you an opportunity to get to know them better. As I have noted in the past, I may be the only person at Boca West who has received lessons from each one of them. All are terrific! As I like to say, it takes a village to teach me how to play golf.

As we get into summer and then the fall I will continue to report on golf activities and programs so there is much more to come. I am always interested in your comments and suggestions so please contact me via email at sforman@strategicm.com or by phone at 488-8726. I look forward to speaking with you.

TOURNAMENTS & EVENTS

All social events are open to all equity members. Equity golf members have top priority. All competitive events are open to equity golf members only. Certain events are limited to a maximum number of participants. When oversubscribed a blind draw will be used to select entries.

Nanna vs Pam

SATURDAY, MARCH 16

Boca West members were treated to some exceptional golf on Saturday afternoon from Boca West's own Nanna Koerstz Madsen, LPGA tour player and Pam Elders, Director of Instruction. With over 100 golf carts following, Nanna and Pam showed the gallery just how good they are. Pam admittedly nervous didn't show it as she matched Nanna shot for shot. Pam confidently rolled in a birdie putt on the last hole to shoot 33 (3 under par.) Nanna gave the members a sampling of her abilities with impressive long drives and exceptional touch around the greens. Nanna excited the gallery with an eagle on the final hole to also shot 33 (3 under par.) Nanna hit driver and hybrid to within 15 feet on the 18th hole of Palmer I before calming rolling the eagle putt into the center of the hole. Nanna's game is ready to take on the best on the LPGA tour and commented that she really enjoyed the 9 hole exhibition as it felt like an LPGA tournament crowd.

Here for "Our Kids" this summer - *and always*

WHEN SCHOOL CLOSES, it is especially tough for children in need in our area. With parents working, there are hundreds of children left with nothing to do for weeks on end. Boca West Children's Foundation will fund nine different options for our kids this summer.

Camp Kvod – Hosted by Jewish Federation of South Palm Beach County through their involvement with Jewish Family Services, this camp embraces 150 campers who have a variety of special needs. Counselors and staff are dedicated to enhancing camper's social and motor skills. Activities include life skill activities that promote greater independence. These activities include music, yoga, swimming, dance and field trips.

Camp Treasure – Children who are the primary caregivers for loved ones in their family- ailing parents, siblings, grandparents, and others- will have a weekend away to "just be kids". With respite care for their loved ones, these kids are able to take some time to socialize, learn, and explore with their friends at Camp Treasure.

Fau Band Camp – Two hundred underserved children in Palm Beach County have been learning to play an instrument in after-school programs the last four months. In many cases, daily practice of their new skill has kept the kids out of trouble.

Camp Wewa And Camp Winona Summer Sleepaway – Kids from SOS Children's Villages-Florida and the Boys & Girls Clubs will have life changing experiences going away to a very different environment, meeting new friends and creating life-long memories. Children learn archery, have fun on the lake, go kayaking, play sports, and much more. Hundreds of children will come home with stories that will stay with them forever because they were able to attend summer sleepaway camp.

Summer Strings – Young musicians from underserved areas of Boca Raton receive after-school instruction from graduate students from Lynn University's Conservatory of Music. The Foundation funds a two-week summer program at Lynn that allows the kids to form their own symphonies. The program concludes with a presentation at the Johnson Auditorium for family friends and Boca West residents.

All Star Basketball – Two years ago, Boca West Children's Foundation began a basketball program with former NBA stars headed by Otis Birdsong. One hundred kids from our granted charities were able to spend one week learning life lessons and basketball from the best that ever played the game.

Golf And Tennis Camps At Boca West – Once again this summer, Boca West volunteers and staff will teach underserved children to play tennis and golf at our great facilities. Every year, the kids have had a blast with John and all the tennis instructors. Children come from partner agencies such as Florence Fuller Child Development Centers, the Boys & Girls Club of Boca Raton, and Caridad Center. The golf camp is run in conjunction with Kids Hooked on Golf and our pros Pam, Chris, Kevin and Mike.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org

By Howard Krosser, BWMA President

Welcome Board Members

I WANT TO TAKE THIS OPPORTUNITY TO WELCOME OUR NEWLY ELECTED BOARD MEMBERS Albert Rothaus, Mark Haberman and incumbent Bernard Schlifke and wish them luck. They will all be great contributors to our Board. At the beginning of last year, I informed you of the objectives the Board set. I would like to provide you a summary of our most significant accomplishments.

- **Continue the coordination with the Country Club to jointly find ways to increase Home Sales and Prices.** This is a major accomplishment that has focused our combined resources on ways to increase home values and sales and institute programs to enhance marketing and sale of properties within Boca West. After resolving numerous legal issues, we formed Boca West Community Advisors LLC to accomplish this goal. The company is in the final stages of leasing space for a marketing and sales center. They will hire a marketing consultant and a broker of record with a sales staff to sell homes solely in Boca West. The company will also work with renovators to refurbish aging units and with developers interested in refurbishing Villages.
- **Further enhance our Beautiful Landscaping.** The Landscape & Maintenance Committee and staff completed a full-scale median enhancement project. The project added beautiful flowers, plants, and trees to the medians around Boca West Drive to further improve aesthetics. In addition to our beautification project, we expect to resurface all BWMA roadways this summer.
- **Improve our Budgeting, Architectural Control, and Audit procedures.** We instituted new rigorous budget procedures for the financial staff and were able to complete the budget in a timely manner. Also, we instituted an Audit Committee and hired a new audit firm, Hafer & Co. The Architectural Control Committee revised and issued new procedures. They handled 241 applications in the last year.
- **Maintain our high level of Security and Safety and strive to improve it with the latest technology.** The Security & Safety Committee and staff installed new transponder readers to all of the gates for quicker access, as well as new cameras inside and outside of the gates for greater security. In addition, speed cameras, which will be used to issue citations for speeders on Boca West Drive are in the process of being installed. Exit gate arms have been added to the Glades gate and we are in the process of adding exit gates at Jog and Yamato. The Security Staff and PBSO keep Boca West the safest community in the area.
- **Continue to improve Communications and our Website.** We completely redid our BWMA website with the assistance of the Communications Committee. We added new photos and content and a real estate listing of Boca West properties for sale.
- **Plan and execute a program to replace and modernize our street lights.** The Special Projects Committee has been developing a plan to replace all of the BWMA street lights. We will complete an engineering report and photometric analysis for the property this spring. The results will give us the specifications for the entire project and we intend to make a lighting selection, and move forward with completion of the project over the next two years.

As you can see from the summaries above, BWMA had a very successful year in accomplishing many significant objectives. We are finalizing this year's objectives and will publish them in the fall.

Hope you have a great summer!

OMBUDSMAN

mikejosh18@aol.com

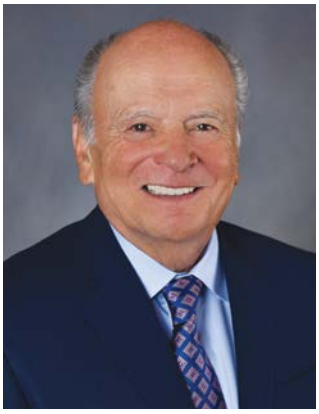

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Obmbudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

ON BEHALF OF THE ENTIRE COUNTRY CLUB BOARD, I would like to offer congratulations to Bernard Schlifke on his reelection, and to Mark Haberman and Albert Rothaus on their election to the Boca West Masters Association Board of Governors.

WOW! What an exciting period we experienced here at Boca West during the months of March and April. The madness began with guess what? That's right, the **"March Madness"** golf tournament held on March 16, with approximately 400 members participating, and continued through **"Tanglewood"** on April 3, when over 1,600 members and their guests enjoyed a wonderful performance by the **Lynn Philharmonia** under the direction of Dean Jon (Yon) Robertson. Earlier in April, we hosted the Boca West Children's Foundation tournament on April 1, followed by their cocktail hour and dinner that evening, as well as their concert the following evening.

I say it many times, but I think it is worth repeating as I am sure we can all relate to it. The experience of attending Tanglewood is always bittersweet. It truly is one of the highlights in entertainment at Boca West, but in some ways marks the near-end of, and closure to a wonderful season. It reminds us of why we love it here at Boca West and why we look forward to our return next season. I think it interesting however, that as the holiday calendar changes from year to year, so too do the lengths of the seasons change at Boca West. This year approximately 1,200 members and guests participated in and enjoyed a **Passover Seder** on April 19, and we held our Easter Brunch on April 21. This Year's brunch also featured "**Easter Egg Hunts**" for children under six years of age and those six years and older.

Thank you to Matthew and his management team and staff for carrying us through the season without a hiccup, and for all they do throughout the year. The exceptional reviews we receive from members and non-members alike tell the whole story, and we have much to be proud of and grateful for.

It was so nice to have Boca West's own **Nanna Koerstz Madsen** join us off tour during March Madness to participate with some of the foursomes. It was also wonderful for hundreds of our members to watch our Director of Instruction, **Pam Elders**, go toe to toe with Nanna in a nine hole shootout which culminated with an exciting finish on the 18th hole of Palmer I (an Eagle by Nanna and a Birdie by Pam to finish in a tie). Some might say it competes with Tiger's win at the Masters. Thank you Nanna for helping make the day more exciting and kudos to Pam for making us proud.

I am happy to report that **Akoya** recently received their certificate of occupancy and that residents began occupying their luxurious units. Phil Kupperman, Chairman of Special Projects, will be reporting on the status of Akoya and the continuing renovator program at Boca West In the upcoming June/July magazine.

The **budget** season has officially begun and management and staff are now involved in the process, as well as the planning for next year's activities. As always, our goal is to remain fiscally sound without compromising the premium lifestyle we provide to our members.

The car carriers have invaded as many members begin traveling north for cooler spaces. For those who are leaving, enjoy the summer in good health and travel safely. We look forward to your return and another great season here at home.
