PRESIDENT'S LETTER

Dear Member,

I LOOK FORWARD TO SEEING YOU AND YOUR FRIENDS Under the Stars at the Driving Range, for our annual event, **Tanglewood at Boca West** on Wednesday, April 3. This year the theme is AMERICANA with songs such as Mambo from West Side Story (Bernstein), A Tribute to Henry Mancini (Mancini/Custer), Fantasy on American Themes (Tyzik), From Sea to Shining Sea (Wendel), and The Washington Post March (Sousa). The final touches are complete for our **Seder Dinner** and **Easter Brunch**, which means the beginning of the end of another great season and the beginning of an exciting summer season coming your way. Please don't forget to make reservations our **Mother's Day Champagne Brunch** on Sunday, May 12. Bring Mom to your Club and celebrate this very special day honoring her in Boca West Style— the reservation deadline is Sunday, April 14.

Before you know it, our three **summer holiday celebrations** will be here. Please mark your calendars now for Monday, May 27; Thursday, July 4 and Monday, September 2 so you won't miss out! And you'll be happy to know that our **holiday dinner dances** have also been planned for Saturday, May 25; Saturday, July 6 and Saturday, August 31.

The department heads and I appreciate all the great feedback including your comments and suggestions that you have shared with us this season. Please know that all your information is reviewed and discussed to ensure we're making every event and activity the best it can be.

With the ending of another amazing season, I am now focused along with the new committees, on planning an even bigger and better season for next year. The planning process has already begun with scheduling events and activities throughout the Club. If you have a thought, an idea or suggestion, please contact the Chairman or department head of that particular department and they will be happy to share the idea at their next committee meeting. We anticipate another exciting and productive year working side-by-side with all of the newly appointed committees.

I would like to thank you all in advance for once again allowing the Club to host the **Seminole Region Club Managers 29th Annual Charity Golf Tournament** on June 9 and 10. The primary goal of this event is to raise the most amount of money possible to benefit local children's charities which includes Special Olympics of Palm Beach County, SOS Children's Village of Florida, Florence Fuller Child Development Centers, Place of Hope at The Leighan and David Rinker Campus, The Unicorn Children's Foundation, 4Kids, Boca Helping Hands, The First Tee of the Palm Beaches, Achievement Centers, Epic Missions and Grandma's Place. On behalf of the club manager's tournament committee, THANK YOU, from the bottom of my heart.

DID YOU KNOW?

Be aware of April showers! Why you should not play on wet tennis courts. A clay court is pretty much safe after 15 minutes of a light drizzle except for its lines, which may get quite slick. Experienced players even have a tough time trying not to slip while crossing over the lines while at play. If a group decides to play on a court prematurely to it being completely dry, the players may ruin the court by digging up the surface with their shoes and this will leave grooves and "pockets" on the court. For your overall safety during these spring shower months, please be aware and listen to the tennis staff as to when the courts will be available for you and your partners to play on.

THEY CAME HOME TO A NEW AMERICA. THEY MADE THE MUSIC THAT INSPIRED THE NATION. From Andy Blankenbuehler, winner of the 2017 Tony Award® for Best Choreography and the 2016 Tony Award for HAMILTON, comes BANDSTAND—the new musical that explodes with the most high-octane, heart-stopping and best dancing on stage today. 1945. As America's soldiers come home to ticker-tape parades and overjoyed families, Private First Class Donny Novitski, singer and songwriter, returns to rebuild his life with only the shirt on his back and a dream in his heart. When NBC announces a national competition to find the nation's next great musical superstars, inspiration strikes! Donny joins forces with a motley group of fellow veterans, each an astonishing musician. Together, they form a band unlike any the nation has ever seen. Along the way, they discover the power of music to face the impossible, find their voice and finally feel like they have a place to call home.

From Health & Wellness to Education

Boca West Children's Foundation Aids Children at Risk

BOCA WEST CHILDREN'S FOUNDATION is very proud that after nine years, we will have been able to distribute almost $7 million to assist children in Palm Beach County. We take a comprehensive approach to caring for "our kids" at risk by implementing project-based programming that meets the needs in our community.

Health and Wellness

Sweet Dream Makers ensures that infants have cribs and mattresses, while the **Junior League Diaper Bank** provides diapers to moms and their babies in need. A health supervisor at **Florence Fuller Child Development Centers** provides annual medical screenings. **Caridad Center** relieves hundreds of children's dental problems at its pediatric dental clinic each year. **Place of Hope, JAFCO,** and **SOS Children's Village** provide safe homes for our foster youth to grow and succeed.

Abuse and Trafficking Prevention

Boca West Children's Foundation keeps a child abuse center open on weekends at JAFCO. Through KidSafe, clinicians educate students and teachers to prevent bullying and abuse. Place of Hope's human trafficking education, prevention, and recovery project, originally funded by BWCF seed money, helps to stop sex trafficking and abuse through education and outreach.

After-School and Summer Enrichment

After-school and summer programs at **Boca Raton Police Athletic League, Youth Activity Center, Boys and Girls Club of Boca Raton, Nat King Cole Generation Hope,** and the **FAU Summer Band Camp** keep "our kids" safe and allow them to build special relationships and make memories that change their lives.

Neurodiversity

The **JAFCO Children's Ability Center** and the **Unicorn Village Academy** provide respite care, weekend enrichment programs, job training, and educational opportunities for children with neurodiversity.

Education

Viner Community Scholars and the Rotary Club of Boca Raton offer up to 10 Boca West Children's Foundation-funded scholarships to underserved youth in our area. The **Boca Raton Children's Museum** provides a safe space where children can spend a day of enrichment.

It is never too late to help us make a difference in the community. Our children need us, and you, to keep them healthy, safe, and on the right path to success. Together we can empower positive change and save lives. Visit **bocawestfoundation.org** to learn more about the powerful philanthropic efforts happening in your community.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org

BWMA Job #1: Your Safety and Security

THE SECURITY DEPARTMENT AT BOCA WEST was established in 1972 and is dedicated to ensuring the safety and security for 55 subdivisions, 3,379 residences, four professional golf courses, as well as all of the other Country Club facilities.

We employ 47 Security Guards which includes a Chief of Security, a Captain, three lieutenants, a training Sargent, and a Security Administrator. Also, on site, are Palm Beach County Sheriff Deputies and a team of paramedics who remain on property 24 hours, 7 days a week throughout the year. In the event an issue arises or a resident or their guests are in need of assistance, the average response time is under four minutes, arriving lifesaving minutes before Palm Beach Fire and Rescue.

Boca West has three main gated entrances which are manned 24 /7 throughout the year and process over 25,000 visits per gate per month. The gate houses are equipped with cameras and software that allows Security to monitor both exit and entry of vehicles. The software allows the tag readers to give time stamps of how long visitors are on property. We are also in the process of installing several speed check cameras throughout the community to maintain safe roads within Boca West.

Our Security team monitors the internal roadways by writing citations for stop sign and speeding violations. Our vehicles all have computers which allows the Supervisor to prepare and email reports immediately to our Chief of Security and Security Committee. The patrol vehicles also have a GPS system that alerts the Supervisors of all the community check points within each village.

The PBSO Sheriffs are in constant contact with our Security Department so we are aware of issues in the surrounding neighborhoods outside of Boca West. We communicate that information to our residents, when necessary, either through email or through our Security Committee.

Our main office has a dual monitoring system with ADT for home security alarm systems, which is monitored by a security dispatcher who can notify both the Security Supervisor, the Palm Beach Sheriff and or our Paramedics the nature of the call without any delay. There are only a few selective communities in Florida that have this capability. Our Security Department also reviews all background checks on all new homeowner/ renters. This makes Boca West one of the safest communities to live within the State of Florida.

The Safety and Security Committee provides policy guidance to the staff and this year has been responsible for new gate arms, lighting more stop signs, moving stop signs for better visibility, and adding new technology to monitor speeding on our roadways. All of this has resulted in less traffic violations this year. We appreciate their work.

It is that time of year again. Spring is in the air. Residents will be volunteering their time and expertise to work on the Master Association Board and Committees. We look forward to a year filled with combined goals to make Boca West a continued success as an outstanding place to live and play in a safe secure, happy and beautiful community. As we begin to say good bye to our snowbirds, knowing they will be back soon, we would like to thank the members of all of our Committees for their outstanding service.

OMBUDSMAN

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

AFTER FIVE YEARS OF SERVICE in various capacities, I am now entering my sixth and final year as a member of the Board of Governors. Having now been elected as Chairman for a third year, I again want to thank the Board for their confidence in me and their continued support. I look forward to continue working with Matthew and his management team, the Country Club Board of Governors as well as the Master Association Board through the activities of the joint venture steering committee, all for the benefit of the Boca West Country Club and the Boca West Community at large.

I am grateful to this past year's Executive Committee and Full Board, and once again want to acknowledge their integrity and unselfish commitment to promoting what is in the best interest of the Club and its membership.

We owe a debt of gratitude to Mark Berkowitz and Frank Richard for their dedicated service on the Board of Governors this past six years and for the contributions they have made towards the betterment of the Club. I know they will continue to serve our interests in various capacities as called upon. In that regard, they have agreed to participate as part of a group of past Board members who have been challenged to develop a **Leadership Development Program** in order to plan for and enhance the future **Governance of the Club** through Committee service as well as service on the Board. The group will be chaired by Bob Locke and will include Mark, Frank and Lane Klein. I am personally excited about the aspirations for the program and will share more details on the subject as plans evolve. Thank you Bob, Mark, Frank and Lane.

Congratulations to Steve Forman, Joel Macher and Bob Winikoff on their re-election to the Board and a warm welcome to our newly elected Board members, Enid Hoffman and Bob Lerner. The 2019/2020 Board of Governors is organized and ready to continue where the last Board left off. The Executive Committee has been approved by the Board and Committee chairs and Vice-Chairs have been appointed. I am confident that the membership will continue to be well served during the next twelve months.

It has been my practice to highlight some of the matters reported upon at the Member Briefing and Annual Meeting in my magazine article and/or communique, particularly for those members who did not attend these events. The format for this past meeting was changed to primarily one report delivered by me on this past year and what we may expect going forward throughout the Club. Given its significance and the limited attendance at the meeting, I have decided to share some of the highlights, albeit in less detail, in a Communique to the entire membership.

I will continue an open communication policy. Your comments and suggestions are always welcome. Please do not hesitate to contact me if you have any questions. My direct line is 488-6905 (leave a message if I do not answer); my email address is hliebman@bocawestcc.org. If you care to write, leave a note at the Country Club reception desk or mail it to Boca West Country Club, Attn: Howard Liebman, Chairman of the Board, P.O. Box 3070, Boca Raton, FL 33431.

It has been an exciting and rewarding five years and I look forward to an outstanding year ahead for our Club and its members.
