PRESIDENT'S LETTER

Dear Member,

IT'S SUMMERTIME and we have many new events and activities to keep you busy. I hope you'll participate in as many as you possibly can. Summertime Tuesdays began in food and beverage last month with our dinner buffet served in Panache. Once a month, we will open on a Tuesday evening for dinner. More details appear on page 7. Trivia Challenge is back and Jukebox Bingo makes its Happy Hour debut this month. Dueling Pianos, the ever popular sing-a-long with "The Piano Guys", returns in July. Details appear on page 17. Turn to page 18 to read about more summer activities including an afternoon lecture, a resin art workshop and a paint your pet class. We're bringing Club favorite, Jenene Caramielo, back in July and a psychic medium, Jeffrey Wands, will be here in August. New this summer in golf is our Social 9 and Dines. Details appear on page 13. As you can see, you're going to be busy this summer.

Plan to join us for the **151st running of The Belmont Stakes** on Saturday, June 8 at 5pm in Onyx Lounge. We'll have specially priced Mimosas, Belmont Breezes and White Carnations, the official drink of The Belmont Stakes.

Last month it was all about our "Moms". This month we celebrate all our "Dads" at our **Father's Day Sunday Brunch on June 16**. Reservations are available by calling 483-6300. We'll be serving many of dad's favorites along with a complimentary bloody mary just for him!

Plans are underway for our final two holiday celebrations, **Independence Day** on Wednesday, July 4 and **Labor Day** on Monday, September 2. Bring your family and friends for these great summer celebrations and don't forget to tell the kids to stop by the card rooms to partake in all the activities.

Our behind the scenes work began last month with the staff doing our annual repair and maintenance in the different restaurants and kitchens. We close each building for a period of time during the summer months while business is slower so not to disrupt your daily schedule. We will continue our work in all areas of the Club to make sure we're in top shape for the 2019/20 activities and events.

In addition to our normal repairs and maintenance, I will also continue to update you on the summer renovations at the Sports Center. You will begin seeing work start in the month of July with as little inconvenience as possible. We plan to shut down the Fitness Center and Spa for most or possibly all of August as well as the month of September. We're currently working on an agreement with Busy Body Fitness Center for member usage while our facility is closed during that time. Aquatics will not be affected by this work. We will keep you posted through all of our communication avenues.

The budgeting process for the 2019/2020 season has been in full swing for several weeks. This has been a challenging year, but I assure you that your budget committee and Department Heads have been working hard to present the Board the best budget possible without sacrificing any services or the quality of life you've come to expect.

This month we will be hosting the Seminole Region Club Managers **29th Annual Charity Gala & Golf Tournament** on June 9 and 10, 2019. The primary goal of this event is to raise the most amount of money possible to benefit local children's charities which includes **Special Olympics of Palm Beach County, SOS Children's Village of Florida, Florence Fuller Child Development Centers, Place of Hope at The Leighan and David Rinker Campus, The Unicorn Children's Foundation, 4Kids and The First Tee of the Palm Beaches**. On behalf of the club manager's tournament committee, I would like to say THANK YOU to the board of governors and membership for this opportunity to show off your incredible Club.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around. Wishing all Fathers a very happy Father's Day and a spectacular Fourth of July holiday.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

TENNIS SUMMER GUEST POLICIES through October 31, 2019

Equity Tennis Members Members in this category may invite up to three guests at any time (based on court availability) on Monday and Friday and after 10am on Sunday. **Equity Social and Lessee Members** Members in these categories will receive complimentary court fees on Monday and Friday. They will receive complimentary court fees for one guest on Monday and up to three guests on Friday. A non-member may be a guest of the Club no more than six times per membership year (October 1- September 30). Equity members, lessees and non-member residents of Boca West are not eligible to be day guests or house guests. **Please Note:** A day guest is the guest of a member for the day and must be accompanied by the member AT ALL TIMES when using any of the Club facilities. However, after checking a guest in for personal services such as lessons and massages, the member is free to leave the guest and the facility during the performance of the service. It is not necessary to obtain a house guest card for a day guest. All daily guest fees for use of the facilities will apply.

ON THE COURSES

WE ARE RAPIDLY HEADING INTO SUMMER and with that our summer course maintenance schedule. As I have said many times Wes Dinsmoor our Golf Superintendent and his staff do a spectacular job on our golf courses and a lot of the heavy lifting is done over the summer. Each course goes through three maintenance cycles each summer so there is a lot of work to be done in a short amount of time. The benefit of course is the great condition the courses are in during the rest of the year.

By Steve Forman
Golf Committee Chairman

Recently Wes put out a video on the Dryjet system he employs on our greens. He showed how the technique effectively cuts through the thatch that builds up just below the surface (over time to a depth of four inches or more) and provides much needed nutrients to the green. The result—better overall health and better greens on which to putt.

Are you following Nanna Koerstz Madsen our LPGA professional? She made the cut at this year's first major—the ANA Inspiration (formerly the Dinah Shore) and was in the last group on Sunday, April 28 at the Hugel Air Premia LA Open. She is definitely making progress and of course it is great to see her on TV. By the way, rumor has it she will be at Boca West at the end of June so if you see a young woman crushing the ball on the driving range that would be her. Or Pam Elders of course.

As I am writing this article I was just informed that Pam did in fact qualify for the U.S. Senior Women's Open at Pine Needles Lodge and Golf Club. GO PAM!!! Of course, by the time you read this article that event would have been held so you know the results. I hope everyone has congratulated Pam on her terrific accomplishment.

Speaking of tournaments, on June 11-13 Boca West will be hosting the South Florida Region Junior PGA Tournament. It is for both boys and girls, ages 12-18. Players are flighted in age groups and the overall winners go to the 2019 National Junior PGA Championship to be held at the Keney Park Golf Course in Hartford Connecticut. Past winners of the South Florida Region have been Brooks Koepka and Lexi Thompson. Both have done pretty well as touring professionals. The tournament will be held on our Fazio II course and you can go out and watch these budding superstars. However, you will have to walk as golf carts will not be permitted.

We continue to add golf activities for the summer. Thus far we have a summer league, three holiday tournaments (Memorial Day, Independence Day and Labor Day), a three-club tournament and a Greenskeeper's Revenge Tournament. We are now adding three Social Nines—July 11, August 9 and September 7. You will play a nine-hole tournament (format for each to be announced) and enjoy Happy Hour afterwards. Your entry fee will include one drink per person at Happy Hour. If you want to have dinner after Happy Hour that will be on you.

As we move into summer don't forget to work on your games and we have a fine cadre of professionals here who can help you. If you are up north you are on your own but that is no excuse. Remember all of the golf tips you got via email during the year are still available for reference. In any event get out there and practice.

As always I am interested in your feedback and comments. You may email, sforman@strategicm.com or call, 488-8726. I look forward to hearing from you.

It's been another successful year for Boca West Children's Foundation

Thank You *for Joining Us!*

THANK YOU for your participation in our 7th Annual Golf Challenge and Battle of the Bands II. Your support allows us to continue changing the lives of thousands of children living in poverty in Palm Beach County.

Let's congratulate our raffle winners:

- *Rosalie Schneider – $5,000 Saks Fifth Avenue Shopping Spree*
- *Jeremy Cook – 1-week vacation at St. James Bay, Saint Lucia*
- *Linda Krentzman – "On the Fly" cruise*

This year, 500 golfers registered to represent 22 partner agencies at our Golf Challenge. The festivities began with our $2,500 Duck Drop, won by Stewart Sims. The charities vied for $100,000 in grant money, with first place going to the KidSafe teams. Congratulations to all who played for our partner agencies!

Thanks to the weather gods we had a fabulous evening singing and dancing along to some of the greatest hits from Sir Elton John and *The Beatles.* Craig Meyers from *Remember When Rock Was Young* opened the show with some great dance moves and the night ended with a *Beatles* tribute from *The Fab Four.*

We achieved all of our financial goals and—*drumroll*—with this year's $1 million in grants, we will pass the $8 million mark in terms of monies granted over the last nine years. WOW!

As is our custom, we will be sending hundreds of kids to our golf, tennis, music, and basketball camps. If you would like to participate in sending a child to camp, please send in your $500 donation or donate online at bocawestfoundation.org.

We grow each year, receiving more support, and helping more children—all made possible by your generosity and caring hearts. Our grants give children a chance at a brighter future. Together we are making a difference.

A truly heartfelt "thank you" from me, the foundation, and all of the children we serve.

—Jennifer Bate Richy, Esq., *Executive Director*

Renovations & Upgrades
A Busy Summer at Boca West

This summer will mark the beginning of the upgrade and transformation of our Sports Center
Phase one, which will take place this summer, will be the upgrading both in décor and some equipment of the ground floor. Areas that will be addressed will include our Men's and Ladies locker rooms and wet areas, our fitness center, our spa and our salon. As previously mentioned by our President, COO and General Manager Matt Linderman, all of this work will be done with dollars from our normal annual capital budget.

Phase two, or what will be introduced to you once again as "The Next Piece of the Puzzle", will require Membership approval. Our current plans are to present this to you for a vote before the end of 2019/2020 season so that we can hopefully undertake the project in the Spring and Summer of 2021. We plan to renovate the front entrance of the Sports Center which will facilitate a greater flow of traffic into both the valet and parking areas. The Onyx Lounge will be expanded and will include a terrace and MyPi will be updated. Current plans also include building a new Splash pool restaurant and bar, updating and expanding the current pool and pool deck and building new poolside restrooms and day lockers. In addition, current plans also include building a new movement studio, aerobic studio and acquiring more state of the art fitness equipment.

Our Renovator Program continues to be a Win-Win for all involved
The current Renovator program was introduced in 2011. It is a program designed to incentivize individuals to buy units at Boca West, renovate them based on plans approved by the Club and then resell them. The program addresses all three types of unit ownership situations – Equity units where the current seller is a current dues paying member; Nonperforming units where the current seller is delinquent in paying their dues and are therefore suspended; and NonEquity units where the seller never elected to join the Club when Mandatory Membership was approved. These latter units were therefore grandfathered and while their owners are not required to pay our Joining Fee or annual dues, they are barred from being able to use Club facilities. Upon the sale of these units, they automatically become Equity units requiring the new owner to pay our Joining Fee and annual dues.

If a Renovator acquires an Equity unit, Joining Fees are due at closing and annual dues will not begin until October 1 following the date of acquisition. If a Nonperforming or NonEquity unit is acquired, Joining Fees are due at closing but annual dues are not due until 24 months from the date of acquisition. Upon the sale of the renovated unit to a third party, the Joining Fee originally paid by the Renovator is refunded upon receiving Joining Fees from the acquirer of the renovated unit.

As of the writing of this article, 21 vetted Renovators have acquired a total of 146 units, with four more acquisitions pending. Sixty-eight renovated units have already been sold with four more pending, and most of the remaining unsold units have already been renovated to the Clubs approval and are being offered for sale.

This program has benefitted everyone.

•The Renovators have been able to buy, renovate and sell units to generate personal profits.

•Many of our communities are already seeing an increase in the value of their property as a result of comps generated from the resale of these renovated units at higher prices.

•And for our Membership at large, the program has already generated the following financial rewards:

—For our Capital Fund, $770,000 in new Joining Fees from the sale of previous NonEquity units converted to Equity Units; and, over $2.3 million net additional Joining Fees from the sale of Equity and previous Nonperforming units for a total of over $3 million.

—For our operating fund, an increase in our annual dues revenue of over $340,000 from the sale of previous NonEquity and Nonperforming units.

Akoya at Boca West
Hopefully you are all aware by now that Akoya at Boca West received its Temporary Certificate of Occupancy and is in the process of having closings with the numerous buyers moving there. For our new members benefit and any members who do not recall, the sale of the land, which was our former Members Park, provided the Club with $13.5 million that was used as our seed money toward the construction of our Golf and Activities building, our Tennis Center building, our renovation of Courses 1 and 3 and the expansion of our golf driving range and practice areas.

When Akoya is fully occupied, it will also be the contributor to our future capital needs of approximately $8 million in Joining Fees from the sale of its units and be a provider of approximately $1.4 million in additional annual dues revenues at today's social dues rates.

Another great success story for Boca West.

GRIEVANCE COMMITTEE REPORT

By Bob Locke Grievance Committee Chairman

After the Grievance Committee reports to Board of Governors on their findings and the Board notifies the Member of its decision, there is a 45-day period during which the member may appeal the Board`s decision. There are presently two grievances that have passed the 45-day period or the members have already made an appeal. All of the Grievance Committee recommendations were approved by the Board. The two grievances are as follows:

GRIEVANCE # 1

This grievance involved a male and female member and a Boca West employee who was training the female member in the Fitness Center on February 7. The male member was working out with multiple small dumbbells and the trainer asked the male member if he would mind sharing the use of a 2lb dumbbell since he was not presently working with it. There was not another one readily available. The male member would not share and became irate, verbally abusive to the trainer and female member. He also threw the 2lb dumbbell toward the female member and trainer, not hitting them.

At the Grievance Committee meeting the male member did not deny the allegations and was apologetic and remorseful stating that he never did anything like that before. He had no prior incidents in his record.

After a thorough investigation including discussion with several staff members, the Grievance Committee recommended to the Board the following penalty:

RULING: The male member who created this altercation and was the instigator is to be suspended for six months from using the Fitness Center. In addition, this member is to take an anger management course and provide the Club with a completion certificate.

He must also write a letter of apology to the female member and trainer as well as to the Board of Governors.

GRIEVANCE # 2

A female member on two occasions drove her car on the golf cart path to Mr. D's. On multiple occasions while eating at one of the Boca West buffets, she asked the staff for a to-go box in order to remove food from the buffet. She also offered the staff cash for favors and would go to the card room, fill up Styrofoam cups with snacks (using her hands) to give to the valet.

She appeared at a Grievance Committee meeting on February 20 with an aide.

After a very brief number of questions it was obvious to the members of the committee that she didn't fully understand the allegations and what was wrong with her actions. We promptly adjourned the meeting and recommended to the Board that a member of her family be contacted regarding her situation. Her membership was suspended pending a discussion with her son.

The Member, her son and her aide appeared at the March 29 Board Meeting to appeal her suspension. Her son was the only one who spoke at the meeting describing his efforts to care for his mother and his contact with Jewish Family Services for help.

The Board gave serious consideration to the family issues raised by the Member's son. The Board was especially concerned with the problems facing the family with respect to the mothers care and her behavior's impact on fellow members and Staff. Since the Club does not have the facilities, trained staff or expertise to deal with the problems caused by the Member's behavior, it therefore decided that it was not in a position to be part of a solution.

RULING: The member's suspension was continued.

QUESTIONS and ANSWERS

GOLF

How do I book a tee time? You are able to submit an electronic request through the Boca West website, or a card request at Golf Registration, from up to 60 days in advance of the day you would like to play through to six days before the day you would like to play. If you have not submitted a request before the deadline, you are able to call Tee Time Reservations five days in advance as a Golf member or two days in advance as a Non Golf member to book a time. Tee times are confirmed via email after 5pm, six days prior to requested date.

Is a request that is submitted early given more priority than a request received the day of the deadline? There is no advantage to submitting a request early, all requests are held in the computer system until the tee time lottery is run and times are assigned – factors influencing tee time assignment include: Membership type, Guests/ Offspring guests, Time requested, Number of Groups in the request, Time & Course restrictions and tee time history of the individuals on the request.

DINING

How far in advance may I make a dinner reservation for one of the restaurants? If it is still more than two weeks in advance of the date (unless otherwise stated), you may submit a request via the Club's website, email the reservations department (diningresv@bocawestcc.org) or drop off a dining request at one of the designated dining reservations drop boxes. If it is 13 days and closer, you may call the reservations department directly at 483-6300. Dining reservations are confirmed vial email after 1pm, 14 days prior to requested date (unless otherwise noted).

What is the "Don't Dine Alone" table? We offer a few nights each month, generally in Panache, but, once a month in Prime Cut, for our single members to join us for dinner and have the chance to meet other single members.

OMBUDSMAN

mikejosh18@aol.com

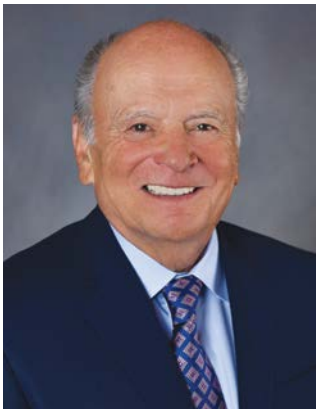

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

BY THE TIME YOU READ THIS LETTER, the official start of "Summer" will be less than three weeks away. Summertime at Boca West however began May 1 with the change in guest policies, and is when the Staff busily engage in the planning and preparation for next season. Summertime is also when the Budget Committee together with Department Heads, in consultation with Committee Chairs, put together the Budget for the next season, which in this case is the 2019/20 fiscal year. Planning activities and budgeting to pay for them is what drives a balanced operating budget, and as always, our goal is to prepare a budget that is fiscally sound without compromising the premium lifestyle we provide for our members.

The challenges faced by the Budget Committee this year include several which are not within our control. These include the following: (i) the Master Association assessment to the Club this year will increase significantly simply because the assessed value of the Golf and Activities Center for real estate tax purposes will have been in place for a full year, (ii) a recent announced increase in international staff salaries mandated by the Government (something we seem to experience almost every year), and (iii) a significant increase in both Property/Liability and Medical insurance based on our claims history. This year's budget is scheduled to be reviewed by the Board for approval at its June 21 meeting.

Financial Highlights: Our financial condition remains strong. At our last Board meeting Joel Macher, Finance Chair, reported the following:

a) Net Financial results for the seven months ended April 30, excluding timing differences, was $374.4 thousand ahead of budget of which, $128.3 thousand is from net non-operating items and $ 246.1 thousand is from net positive variances to the operating budget. A major component of our positive operating variance relates to salaries, wages and fringe benefit costs resulting from unfilled key positions in several departments, which was partially offset by a negative variance in Food and Beverage (Catering) Gross Profit. Several anticipated charity functions were not booked with Boca West Catering this year because of the unavailability of dates.

b) Net outstanding borrowings (bank borrowings in excess of cash on hand) at April 30, was $7.1 million compared to $14 million at the same time last year, an improvement of $6.9 million. A large part of the improvement is from joining fees which, as you know, are used solely for capital improvements and/or the repayment of related borrowings. Through April 30, the year over year increase in net joining fees approximated $1.9 million.

Housing Sales remain strong. Through May 23, closed and pending sales of residences to new members were 142 compared to 101 last year, including 32 new members in Akoya this year and five in Akoya last year (four in fiscal 2016/17). There are 14 existing members who have acquired or are in the process of acquiring units in Akoya through what is known as an "internal transfer". To the extent their previous owned residences were sold or are pending sale to new members, they are included in the overall statistics.

The **Leadership Program** got off to an excellent start on April 10. We were anxious to get the program started before the summer break. Nineteen members will be participating in the program, of which 17 were able to attend the first session. The concept of the program and the subject matter presented at this first meeting were extremely well received by the participants. The next session is planned to take place in October. Based on the feed-back we received, I believe the participants are looking forward to future sessions. Kudos to Bob Locke (chairman), Mark Berkowitz, Lane Klein and Frank Richard, all members of the Committee that is responsible for organizing these sessions and arranging for subject matter content and presentations.

The **Nominating Committee** this year will be chaired by Steve Forman, who will be joined by Board members Joel Macher and Charlie Wolf. They are in the process of identifying and selecting six non-board members to join them in serving on the committee. It is never too early for any member to think about running for the Board. If you are interested in being considered for nomination to run for the Board, contact Steve regarding process and timing.

Enjoy the summer in good health, and stay safe.
