PRESIDENT'S LETTER

Dear Member,

NOVEMBER gets us back in the swing of things with our annual SEASON OPENER events in every department. I look forward to seeing you throughout the month. Please refer to the various departments for details and be sure to join in the fun!

Two new studios open this month. **The Golf Studio**, as stated in the Retail chairman's article — is an interactive, technology-driven studio that will be your one-stop shop for scheduling golf lessons, club-fittings, purchasing, and trying out equipment, as well as socializing with your resident Golf Professionals. In addition, the studio will feature an indoor putting green and many of the game's greatest technologies, all of which are easy to use and designed to improve your game: **K-Motion, BodiTrak and Blast Motion**. See the article on page 14 for detailed information.

The Art Studio, located on the second floor of the Sports Center, just past the card room, is exactly what you've been asking for. A place for everyone to explore the "artist" in all of us. Your activities department has a jam-packed calendar full of art classes for you to partake in. Take a look inside this issue for all the current offerings and there will be more to come throughout the remainder of the year. If this proves to be the success we believe it will be, then we will work on plans for a more permanent location to house arts and crafts as well as a few other ideas we have up our sleeve.

Our 14th Annual Carnival & Street Fair is back this year on December 29 from 4-9pm. This event is proving to be one of the best kept secrets in Boca. It's always GREAT to see all ages enjoying themselves throughout the entire afternoon and evening topped off with a spectacular fireworks display bringing out the kid in all of us. We look forward to seeing you as we continue the tradition with rides, games and fun foods for everyone!

Congratulations to our very own Nanna Koerstz Madsen who recently placed second in the LPGA Indiana Women in Tech Championship Tournament! Speaking of Nanna, we are thrilled to announce that the LPGA is holding an inaugural event at Boca Rio Golf Club in January 2020. Nanna will be in town for the event so stay tuned for fun activities taking place around her visit. In addition, we are also discussing the best way to get as many of you to Boca Rio for the tournament to cheer her on. More to come!

We have received such positive feedback on the Spa and Fitness Center renovation. We are very happy with the outcome and love knowing that you are as well. This work has made us all very excited to share more of what's to come in the future for the Sports Center. We hope to have something together for you to see in the next couple of months. In addition, we plan to do an in-depth refresh in the main Country Club next summer as well as starting to work on ideas and plans to update Mr. D's restaurant along with adding some excitement to the driving range. So stay tuned!

I'm sure you all agree that it's great to see the international staff arriving on a weekly basis. As you know, many are new to us, some are new to America and others are new to being away from home for more than a week. As always, my sincerest appreciation to you in advance for your patience during their transition period as they learn their way around.

Holiday dinners are right around the corner. Please don't forget to submit your requests before the deadline dates to be included in the assignments. If you have any questions, contact our Food & Beverage reservations department and they'll be happy to assist you. As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around.

Have a wonderful Thanksgiving surrounded by your loved ones, family and friends!

Sincerely,

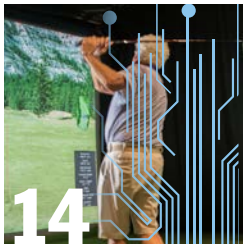

Matthew Linderman, CCM
President, COO & General Manager

ABOUT THE VINEYARD
Domaine Laroque, which means "the rock," is located in the hills of the famous ancient fortified city of Carcassone, in southern France. Today, the young, dynamic Albert Sarrail and his family own the estate.

THE BOUTIQUE

CELEBRATE BEAUJOLAIS NOUVEAU DAY

Thursday, November 21
Beaujolais Nouveau is a special variety of wine produced from the delicious jewel-like Gamay grapes grown in the Beaujolais area of France. Under French law, the wine is released at 12:01am, just weeks after the wine's grapes have been harvested. Parties are held throughout the country and further afield to celebrate the first wine of the season. Part of what makes this wine unusual is that under the strict regulations on wine to be found in France, it is able to be sold in the same year in which it was harvested. Such wines are called vin de primeur, and tend towards grapes like the Gamay, capable of short fermentation while giving a rich fruity flavor sweetened by residual sugar.
WIne will be available for purchase in The Boutique on November 22.

ROB'S PICKLEBALL TIP: Did you know that in Pickleball over 75% of all points are won on errors? The "Slams" might be more memorable, but they usually aren't how the point is decided. Don't try a kill shot on your first opportunity unless it's absolutely perfect. Be patient and just get the ball back, preferably at your opponent's feet, while you wait for that perfect put-away! Allow your opponent the opportunity to miss, you will be surprised how many points patience can win you!

MATT'S TENNIS TIP – Playing in windy conditions is no easy task. The balls are flying everywhere and the playing conditions are not as fun. If you play any form of competitive tennis you must have tools to play in the wind. After you have decided which direction the wind is blowing here are three simple tactics to play in the wind successfully.

1.Play higher percentage shots like aiming for the middle of the court and hitting second serves.

2.Increase your footwork for that last second movement of the ball before you make contact.

3.Have lower expectations as no one plays well in the wind.

TO ALL OF YOU snowbirds, snowflakes, snowpeople —

Welcome Home!

By Steve Forman Golf Committee Chairman

I HOPE YOU HAD A GREAT SUMMER SEASON. Welcome home to paradise and especially the chance to play golf here at Boca West. To everyone else, just a hearty hello—you've been here all along enjoying our facilities and programs. The Golf Committee, with JR and the Golf Operations staff, worked hard through the summer and we have a lot planned for all members and their guests this season. You should have already received the list of golf events for this year. If not just ask anyone at the golf registration desk and they will give you a handout. The schedule is also available online on our website.

First up of course is the Season Opening Event. You should have already signed up because this is the most popular event of the year and is probably already sold out but check just in case you missed it or forgot. And remember, the Member/Member—our most popular competitive event is coming up at the beginning of December so don't miss out on that. I will talk more about events in my next article, but I have some important information for everyone.

DID YOU KNOW?

1.You must vacate the golf course immediately when you hear the lightning warning siren or "red" is indicated on your Thorguard. NO EXCEPTIONS. The golf staff will NOT come out to get you as we are not putting them in danger.

2.For those of you with handicap flags—you must stay on the cart paths on all par 3's. NO EXCEPTIONS. I am not sure why this continues to be an issue. We have made this rule clear for many years and it has not changed.

3.Again, for those of you with handicap flags—while you do not have to be on the cart path by the greens on Par 4's and Par 5's, you may not park closer than 15 feet to the green, any bunker or water hazard. NO EXCEPTIONS.

4.Everyone—you may drive or park no closer than 15 feet from any bunker or water hazard. NO EXCEPTIONS. This past summer we almost had someone drown because he drove into a lake and passed out. Fortunately, two of the golf operations staff saw what was going on and saved his life. He was lucky.

I want to be clear about a couple of things. First, we want everyone to have the best time playing golf here, but we want you to be safe and you are expected to follow the rules—just like everywhere else at Boca West. Second, I will concede that many, including myself have senior moments and forget even for a moment. I was riding with Peter Taylor during a round last summer and drove on the fairway when it was Cart Path Only. He reminded me, I said I was sorry and immediately got back on the cart path. Unfortunately, there are those who blatantly ignore the rules, perhaps because they think they're entitled. Well they are not.

Beginning in November we are going to start enforcing rules more aggressively, especially regarding where people drive golf carts. Those who break the rules will first be given a warning by Golf Operations Staff. If they continue our Director of Golf Operations has the authority to take further, immediate action which can include the following (in no particular order):

1. Requirement to carry around a monitor (issued by Golf Operations) which will track where you drive your cart on the golf course.

2. Loss of preferred tee-times. You may end up playing late in the afternoon.

3. Requirement to take a course given by the Golf Staff on course etiquette.

4. Loss of your handicap flag for a duration determined by the Director of Golf Operations.

5. Other sanctions as appropriate.

I have been on the Golf Committee for seven years and during that time we have tried to cajole people nicely about following the rules. We have held seminars. We have issued reminders. We have asked everyone to remind their fellow players when they violate the rules, but it seems that some people just do not get it. Hopefully those days will be over.

As always, I appreciate any comments or feedback. You may reach me via email at sforman@strategicm.com or call me at 488-8726.

On behalf of myself, Emily, Mike and our entire Boca West Retail associates we welcome you back to our paradise. We hope you had a wonderful summer and we look forward to seeing you in our Retail Shoppes. This season we are introducing new and exciting merchandise, equipment, and events to add to your enjoyment at Boca West.

By Dr. Nancy Frydman, Retail Committee Chairman

We are pleased to announce the opening of THE GOLF STUDIO on November 1

This is Boca West's newest member amenity conveniently located across the hall from the Golf Shoppe. This interactive, technology-driven studio will be your one-stop shop for scheduling golf lessons, club-fittings, purchasing, and trying out equipment, as well as socializing with your resident Golf Professionals. In addition, the studio will feature an indoor putting green and many of the game's greatest technologies, all of which are easy to use and designed to improve your game:

K-Motion helps golfers to move better, and just as importantly play better. Providing a clear, data-driven understanding of the player's swing, K-Motion instantly pinpoints the impactful change so we can help you play better golf. While hitting shots, K-Motion sensors capture the 3D swing data which equips us to more accurately measure: swing speed, sequencing, tempo, swing characteristics, wrist angles, and body positions. This information allows us to make pro & peer comparisons.

BodiTrak uses pressure mapping technology to analyze, improve and validate your full swing, short game and/or putting stroke. Using this real-time force and balance data, golfers can easily improve their overall balance.

Blast Motion uses the industry's most accurate motion capture sensors to analyze your putting stroke. You will soon discover a heavy emphasis on timing which sets the foundation for consistency and directly affects speed and directional control. Did you know the ideal backstroke time for putts of all lengths is .60 seconds?

Interested in learning about the Golf Studio and how our new technology can help your game? Stop by the Studio on **"Tech Tuesday"** to learn all about K-Motion, Blast Motion, and BodiTrak. Our first Tech Tuesday event will take place on November 12. Please call The Golf Studio today to sign up for this **complimentary** event as space is limited: 210-9259.

In the market for a new set of clubs? **Fitting Friday** will provide you the opportunity to learn all about our club fitting services in a group setting. Our first "Fitting Friday" will take place on November 15. Should you need a more in-depth fitting session with one of our golf professionals, fitting appointments are highly encouraged. Our fitting clubs will offer you a variety of shaft options and lie angles. Please call The Golf Studio at 210-9259 to book your complimentary fitting appointment today!

With the opening of **The Golf Studio**, golf registration/check-in is now located in The Golf Shoppe. You may now check-in for golf, sign up for leagues/tournaments, and shop your favorite vendors — all in the same area.

To elevate your shopping experience this season, each month the Golf and Tennis Shoppes will offer **Personal Shopping** days where members will be able to book a one-on-one appointment with one of our retail professionals to "find the right fit." If you are new to golf or tennis and unsure of what to wear, this is the perfect opportunity to learn all about golf and/or tennis apparel and the various lines that we carry. Our first Personal Shopping Day will take place on November 5. Please call The Golf Shoppe at 488-6960 or The Tennis Shoppe at 488-7885 to book your appointment.

The Irish Tenors are in the top 3 highest-grossing clients for PBS, bringing in a whopping $10 million over the course of their lengthy collaboration.
In addition to his continued work with The Irish Tenors, Anthony has as thriving solo concert career. Performing a concert repertoire which spans the spectrum brilliantly from Ireland to Broadway, from well-loved melodies to popular classics, and from light hearted comedy to the greatest tenor arias every written, Anthony does it all with class, style, assurance, and perfection.

Anthony has sung with hundreds of the world's best symphony orchestras, both with The Irish Tenors and during his solo concerts, including opening the prestigious Redlands Bowl Summer Music Festival in California, singing to an audience numbering 6,000 strong, with the San Bernardino Symphony Orchestra under the baton of Frank Paul Fetta. Kearns also appeared in a highly successful PBS television special, Hallelujah Broadway with the Czech National Orchestra, touring with this production in the US and Ireland.

THE CAPITOL STEPS have elevated political satire to an art form. The Washington, DC-based comedy troupe believes that, if you don't laugh about politics, you might end up crying. Their constantly changing show has been giving audiences laugh cramps for nearly 40 years. The Capitol Steps began in 1981 as a group of Senate staffers who set out to satirize their employers, and they haven't let up since. The troupe returns to Anchorage with a new show of musical and political comedy and bipartisan lampooning. With sketches and musical numbers such as "How Do You Solve a Problem Like Korea?" and "Battle Hymn of the Tea Public," The Capitol Steps puts the MOCK in democracy and will have you rolling with laughter — perhaps even across the aisle.

TYPE OF EVENING : Bipartisan date night, Side-splitting laughter

GEORGE & BARBARA BUSH
Presented by William and Sue Wills

As George H W Bush said in his acceptance speech at the 1988 Republican convention; "I'm a man who sees life in terms of missions - missions defined and missions completed."; he certainly had many in service to his country. He was the youngest navy pilot in World War II, U.S. Congressman, first Liaison to China, U.N. Ambassador, Republican National Chairman, CIA director, Vice-President of the United States, and the 41st President. He was a believer in the capacity of volunteers to bring success and happiness to others - the "thousand points of light" as he called them. Perhaps most important he was father, grandfather, great grandfather, and loving husband for 73 year to Barbara Bush. Barbara Bush referred to herself as "everybody's grandmother"; with her smiling face, quick wit, love and support of literacy for all and that beautiful white hair, she certainly fit the bill. But she also was a wife who stood by and supported her husband in his business and political careers; a mother who had to suffer the tragic death of a beautiful young daughter and experience the joy of seeing a son elected President.

SPECIAL INTEREST CLUB

The Special Interest Club produces numerous events, including foreign films, book club reviews, live music and speakers with interesting programs during the months of November – March on Monday, Tuesday and Thursday evenings. Contact Audrey Atlas, aatlas1134@aol.com.

These events are not functions of Boca West Country Club. If you have questions, comments or would like to RSVP for any of these events, please contact the charity or organization directly.

OVER THE LAST 10 YEARS the members of Boca West have volunteered more than 250,000 hours of their time to help "our" kids in need who are served by Boca West Children's Foundation. If you are interested in getting involved and looking for a way to connect to your community there are numerous opportunities for you.

Helping *"Our"* Kids in Need

On December 7, Boca West Children's Foundation will host its **10th Annual Holiday Shopping Spree and Breakfast** for the children from the Boys and Girls Club of Palm Beach County. This is a volunteer favorite, so make sure to sign up early! We are looking for volunteers to assist with shopping, putting together holiday meal harvest baskets, and passing out toys at the holiday breakfast party. Shopping will begin at 8am at Old Navy, followed by breakfast at 10am at Boca West Country Club.

Our **3rd Annual Carnival for the Children** will be held on December 29. Children from local children's services organization will experience a carnival for the first time. Volunteers are encouraged to greet children upon arrival and chaperone.

Aside from BWCF events, our partner agencies are always looking for some volunteers. If you feel that you have the time and desire to volunteer, please visit our website for more information about our partner agencies and how to get involved.

There are more ways to support BWCF and this is the only time each year that the Foundation turns to you, its supporters, in an appeal to refresh our funds so we can continue to impact the lives of children at-risk in Palm Beach County. Please check your mailboxes for our Annual Appeal letter. Checks can be mailed to PO Box 3070, Boca Raton, FL 33431. If you are interested in making an online donation or would like to donate through stock please visit our website.

For more information, event details, or to volunteer, please visit our website at bocawetfoundation.org. You may also contact Natalia at njimenez@bocawestcc.org or 488-6980. Make sure to "Like" our Facebook page and follow us on our Twitter, @BocaWestFDN and Instagram, @bocawestchildrensfoundation. Stay updated with all the fun by pressing "menu" on your TV remote control, press "BOCA WEST", and select Boca West Children's Foundation.

FINANCE REPORT

By Joel Macher, Finance Committee Chairman

I am pleased to report that Boca West remains in excellent financial condition.

FINANCIAL RESULTS

Net Financial results for the eleven months ended August 31 are ahead of budget primarily from non-operating items, including a positive variance in dues; that is, a positive variance in the size of the membership as well as a substantial amount of prior years' dues having been collected. Operating results are running very close to budget, although slightly positive. This year we experienced a major positive variance in salaries, wages and fringe benefits (several key positions not being filled throughout the year), which has been largely offset by a significant decline in Catering Revenues. All other variances vary in size and net to an inconsequential amount.

CASH AND OUTSTANDING DEBT

Net outstanding borrowings (bank borrowings in excess of cash on hand) at August 31 was $9.3 million compared to $16.5 million at the same time last year, an improvement of $7.2 million. A large part of the improvement is from joining fees which, as you know, are used solely for capital improvements and/or the repayment of related borrowings.

HOUSING SALES

Housing sales are exceptionally strong. We will end the year with our best results in many years. Through September 30, closed sales of residences to new members were 174 this year compared to 123 last year, including 30 new members in Akoya this year and four in Akoya last year (four in 2016/17). There are 14 existing members who have acquired units in Akoya through what is known as an "internal transfer". To the extent their previous owned residences have been sold, they are included in the overall statistics.

OMBUDSMAN

mikejosh18@aol.com

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

NOMINATING COMMITTEE NOTICE

By Steve Forman, Nominating Committee Chairman

If you would like to make decisions, which are in the best interest of our Boca West Country Club, then please consider running for a position on the Board of Governors.

Please submit your resume to my attention at the Executive Office in the Country Club before Monday, November 11. You will be contacted to appear before the committee shortly thereafter.

THERE ARE TWO OBSERVATIONS that point to the start of the coming season; that is, seeing familiar faces of returning members, and seeing familiar faces of returning international staff who have been rehired. I have joyfully experienced both and yes, **the 2019/20 season has begun.**

Our **international staff** are arriving from South Africa, Ireland, Portugal, Italy and Romania. They number 345 in total, of which 175 are returnees who, based on the way they have been greeting us, are very happy to be back. Many have arrived and are actively engaged, and we expect all to be on board within the next ten days. Let me remind you that all new staff participate in an orientation program and go through a period of training, both on the job and otherwise. Through their orientation and training they come to know that they are in the *member pleasing business*. This year in particular, new **Core Standards** have been finalized and distributed to all departments for implementation and introduction to the staff. This will not only reinforce their training, but will help them grow as individuals, which we should all be proud of. In due time they will learn to be proficient and efficient in performing their tasks and we the members will be the beneficiaries of the same level of excellence in the service we have always been fortunate to experience. Please welcome all of our international staff and *please be patient* with the newcomers as they become comfortable in their new environment.

All of our restaurants are expected to be substantially opened by the end of this month. Mr. D's opened in October and by the time you read this letter, MyPi will be opened (November 5) for dinner and Grand Central will be opened (November 3) for breakfast and lunch on Sundays. Panache will open for lunch on November 18 and Prime Cut will open November 29. MyPi will open for lunch on December 11.

As reported on page 28 by finance Chairman Joel Macher, financial results through August are positive and housing sales for the year ended September 30 were very strong. **Akoya** has recently informed us that their certificate of occupancy for all three buildings has moved from temporary to permanent status. Since the beginning of our new fiscal year (October 1) through October 23, the sale of two additional units in Akoya have closed and as of October 23 there are five additional units pending sale (including one internal transfer).

The second **Leadership Development** meeting (seminar) was held on October 23 and was attended by those who previously enrolled to participate in this eye opening program. The subject matter agenda focused on Finance, Accounting and Operations, and was well received by the participants. The Leadership Development Committee is chaired by Bob Locke, immediate past Chairman of the Board, and includes past Board members Mark Berkowitz, Lane Klein and Frank Richard. I will have more to say about Leadership Development at Boca West and the great job being done by Bob, Mark, Lane and Frank in an upcoming Communique.

Boca West Realty is now opened for business (see page 29). I want to welcome **Glen Trotta**, Director of Sales, **Debra Segal**, Sales Executive and someone we certainly recognize, **Simone Talaia**, Office Manager. I expect to have more to report regarding the Joint Venture and related Brokerage Business in future articles and/or Communiques.

If you have not already done so, please join me in congratulating **Thomas DeLouise** on his recent most well-deserved promotion to Assistant General Manager.

The **Nominating Committee** had its initial (organizational) meeting last month and is actively seeking qualified candidates to run for the Board. I encourage you to not underestimate how rewarding it can be to help the Club by offering your time, experience and talents to either Committee service or as a member serving on the Board of Governors. If you are interested in being considered for nomination to run for the Board, contact Steve Forman regarding process and timing.

For those members who remain up north, we look forward to your safe return.
