PRESIDENT'S LETTER

Dear Member,

I am extremely happy to announce that Boca West Country Club has been re-awarded, by the Platinum Clubs of the World, the 15th spot on the list and we're now the #1 private residential country club in the world as well. An accomplishment you should all be extremely proud of! The staff and I are once again beaming with pride!

Our season opening events in golf and tennis were a tremendous success. It's great to see many of you participating in the sports that you love. Our season opener theme event, **A Night in Morocco**, was so heavily requested that we were able to accommodate everyone over two nights. No small feat for a club our size. Did you see the camels at the entrance waiting for your arrival? Photos from all these events may be found online on the Club's website.

Back by popular demand at our **Veterans Day Breakfast and Show**, The American Bombshells, a trio of singers with a modern day twist on the Andrew Sisters – performed an All-American tribute show for those in attendance. Every branch of the service - Army, Navy, Air Force, Marines and Coast Guard - was represented. It's wonderful to see the room filled with patriotism, love and respect for each other and for our country.

The month of December also means the opening of Prime Cut – *The Place for Steaks* and you are in for a real treat this year! Chef Roger and his team have developed several sensational new menu items that I know are going to be a big hit! Many of you have already taken advantage of Friday and Saturday night dinner in Grand Central and based on attendance, it appears we made a great choice featuring specials from China Town – Boca West style. Be sure to include the Living Room in your upcoming plans as we have a wonderful Jazz trio on Friday nights and the sultry Raquel Williams on Saturday nights.

Our Retail department has been on fire the last six weeks. We've had a very successful Srixon/XXIO Demo day, a new Surprise Saturday Special in Tennis that has been a great success and our first annual Fall Fling shopping extravaganza and new this year the Boutique Bakery has been received with an overwhelming response! Of course you don't want to miss the upcoming Holiday Bazaar on December 5 for your one-stop holiday shopping.

Speaking of the holiday, don't forget it's all about the kids at Boca West. We'll have something for everyone with even a few new activities added to the lineup. *Some of your returning favorites:* What's the Scoop?, Fireside S'mores Night and DDQ's at Mr D's. *Some new, and soon to be favorites:* Splash Art and Succulent Terrarium for kids, happening in the Art Studio. An entire listing of events, December 20 – January 1, are in our **Holiday Calendar of Events** brochure, now available throughout the Club, as well as being posted on our website. Our golf and tennis events for the kids are sure to be a hit. And whatever you do, don't forget to stop by our Carnival & Street Fair on Saturday, December 29. Hours again this year are from 4-9pm.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and I look forward to sharing the upcoming holidays with you, and wish you and your family a very happy and healthy New Year!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

AT THE NET

A Great DECEMBER Ahead!

By Dr. David Shifrin
Tennis Committee Chairman

ACTIVITIES AND EVENTS

December 1 **– Pickleball tournament at 8:30am**

December 13 **– Tennis exhibition and dinner at 5pm**
December 14 **– Tennis ball machine clinic at 11am**
December 15 **– Pickleball exhibition and complimentary clinic at 11am**

USTA

In the beginning of October Boca West hosted the Delray Beach junior tennis tournament, a national level USTA event comprised of some of the top boys and girls from around the country. Here at the club we had the 16 and under age divisions. Thanks for all those who came out to watch as there were several matches officiated on stadium court. On October 26-28 Boca West hosted the Girls Summer Smash Sectionals junior tournament, a sectional USTA event. This event was originally scheduled for September but hurricane Dorian forced a reschedule of the event. The top girls in Florida took to the courts to see who would be crowned champion. This was the last tournament for the year but be on the lookout for more USTA Junior events next summer in 2020.

TENNIS TIP BY ROB NORTON, HEAD TENNIS PROFESSIONAL Pay attention to your opponent's strengths and weaknesses. Everyone you play against has a shot they prefer, and a shot they dislike. Find the shot they dislike and attack it. Many players lose a match they could win because they focus on themselves hitting the ball, but not to where they are hitting it to! Assess your opponents game early in the match and attack their weakness with your serve and your groundstrokes for some easier points.

PICKLEBALL TIP BY MATT MCINERNEY, ASSISTANT DIRECTOR OF TENNIS Want to win more points? Cut down on your lobs. Unlike in tennis with a larger court with lots of room, a pickleball court is much smaller making a successful lob over your opponent almost impossible to hit and win the point. Stick to dinking the ball in pickleball and be patient to earn the high ball as going over your opponents head is no winning strategy.

TENNIS LEAGUES

If you are looking for more competition and currently not on a women's or men's league, look no further. We have various leagues sorted by age and levels to join. To be placed on a team this season, please contact the Tennis staff at 488-6996.

TENNIS ANYONE?

Coming to visit Boca West for only a week and looking for a game? Prefer an intense singles game instead of our daily doubles activities? Don't fret, we've got you covered. Leave your name, level, available times and phone number at the front desk we will do our best to find you a partner to play with this holiday season.

GAME ARRANGING EMAIL RESPONSE SYSTEM

Men's and women's game arranging is in full swing. Stop by the pro shop to leave your name and email to be added to the list. Be on the look for our game arranging emails being sent out from Matt McInerney's email at plan2play.com.

ON THE COURSES

By Steve Forma, Golf Committee Chairman

A New Season on the Courses

Most of this article will be devoted to an interview with Peter Taylor, Assistant Head Golf Professional at Boca West, but first I need to raise a couple of matters. Number one—As I have stated many times, we have a terrific golf staff here, and I am talking about both golf operations and course maintenance. They come to work every day and take care of us and our facilities to the best of their abilities. We all should take the time to say a simple "thanks" and show that we really appreciate their efforts. There are many times when I just stop, look around and realize how lucky I am to be living in Boca West. I hope everyone feels that way.

Second, handicap rules will change on January 1, 2020—just weeks from now. *Major changes are as follows:*

1. **Your handicap will be updated daily and you will need to post scores within 24 hours of completing a round.**
2. **You will be able to enter fewer rounds to receive your Handicap Index (54 holes as opposed to 90 to establish a handicap) and your handicap will now be based on your best 8 scores (of 20) instead of your best 10.**
3. **Maximum hole score for everyone for handicap purposes will be a net double bogey.**
4. **Handicaps will take into account the weather on your course and adjust your score accordingly.**
5. **The maximum handicap for both men and women will go from 36.4 to 54.**

Additional information regarding how all of this will be managed is forthcoming.

NOW FOR THE INTERVIEW. I sat down with Peter right after the Luken Cup. He is a terrific asset to Boca West and a valued member of our outstanding golf operations staff.

Peter Taylor Jr. has been at Boca West for 20 years. He is married to Robin (14 years) and they have one son, Peter III who is five years old. And yes, Peter plans to call him Three-Pete, assuming Robin agrees and when he is old enough to understand. Peter graduated from the University of Capetown in 1999 with a Bachelors degree in Psychology and English. He was captain of the golf team. After graduating, Peter planned to work at a golf course in England to earn some money but because of difficulties in getting a visa and UK citizenship, ended up at Boca West. He said the weather is a little better here also. In his 20 years at Boca West, he has worked in virtually every aspect of the golf operation. Of course, he met Robin here at Boca West—she worked in Retail at the time but now works in Accounting. Like many of us he has never had a hole in one. Unlike many of us he hits the ball a ton and can really play.

SF: What are your duties as Assistant Head Golf Professional?

PT: Principally, managing the golf operation, specifically in the areas of tee-times and golf registration. Of course, like everyone else, I pitch in where needed, so for example helping Meg with tournaments. One of my principal responsibilities is serving as liaison for the Golf Department on the new tee-times system. Currently, I am spending a great deal of time helping people navigate the new system.

SF: How did you get into golf?

PT: My dad and grandfather were both golfers. Starting when I was young (six or seven) Dad used to take me with him when he played. I would just sit on the golf bag when he pulled it around on the trolley. I am not sure whether it was intended to be a bonding experience, or my mother just wanted me out of the house. In any event it was nice being with him.

Until I was 12 or 13, I was more interested in cricket and rugby. When I got to what would be middle school here in the U.S. I had to choose a Friday, after-school activity. One of the choices was going to a local driving range. I had friends who were interested so that is what I chose.

GOLF CLINICS

December, 3:30-4:30pm

$30 per person, per clinic

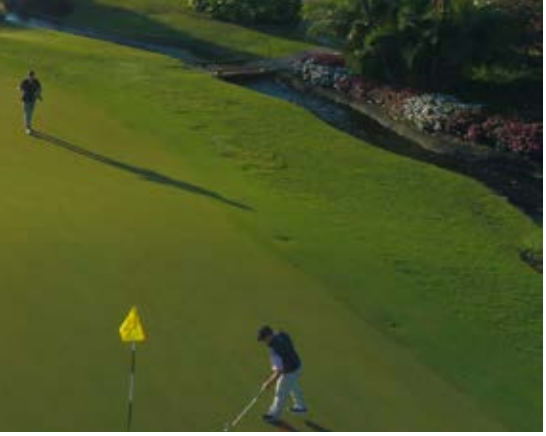

December 2 – **Bunkers with Chris Czaja**

December 9 – **Chipping vs Pitching with Pam Elders**

December 16 – **Iron Play with Michael Meredith**

You may only sign-up two weeks in advance.

No show fee of $20. Limited to eight golfers.

When I got to high school there was an apprentice program at a local golf club—Mowbray Golf Course. For a small annual fee (the equivalent of $120 per year) I had unlimited access to play. The golf professional there would periodically give me tips or lessons. During holidays and when school was not in session, I would be at the club virtually from sun-up to sundown.

SF: What is your best golf memory ever?

PT: Playing Pebble Beach with Brad and JR in 2016. Shot 78 at Pebble and 76 at Spyglass. Beat both of them.

SF: What do you like most about your job? Least?

PT: In terms of most, a couple of things. I like the freedom of being able to go outside and interact with the variety of people here at Boca West. I also like how we can use technology to help people with their golf swings. In terms of what I like least I would have to say the administrative aspects of the job and all the paperwork that is required.

SF: If you could play one course in the world what would it be, who would you like to take with you and what would you shoot?

PT: No doubt, The Old Course at St. Andrews (Scotland) and I would take my Dad and Grandad. Would not care about the weather. I never got to play golf with my Grandad, but I know he loved to play. Not sure what I would shoot but my goal would be to break 70.

SF: What is your best Boca West memory/ experience?

PT: It is the same every year, when the new staff arrives in October, full of energy and enthusiasm. They lift everyone up and it takes me back to my first season and all the excitement of a new country and new place to work.

SF: What is the favorite club in your bag and how far to you hit it?

PT: My Scotty Cameron Studio Select Kombi putter. I got it from Pam in 2009 because she did not want it. I hit is as far or as short as needed.

I hope you enjoyed this article. As always, I am interested in your feedback. You may call me at 488-8726 or email me at sforman@strategicm.com.

ANTHONY KEARNS, considered Ireland's Foremost Tenor, is recognized around the globe for over a decade of extraordinary collaborative work with the PBS super-group, The Irish Tenors, with whom he still tours annually. Their CDs have gone Gold, Platinum, and Double Platinum. The Irish Tenors are in the top 3 highest-grossing clients for PBS, bringing in a whopping $10 million over the course of their lengthy collaboration.
In addition to his continued work with The Irish Tenors, Anthony has as thriving solo concert career. Performing a concert repertoire which spans the spectrum brilliantly from Ireland to Broadway, from well-loved melodies to popular classics, and from light hearted comedy to the greatest tenor arias every written, Anthony does it all with class, style, assurance, and perfection.

Anthony has sung with hundreds of the world's best symphony orchestras, both with The Irish Tenors and during his solo concerts, including opening the prestigious Redlands Bowl Summer Music Festival in California, singing to an audience numbering 6,000 strong, with the San Bernardino Symphony Orchestra under the baton of Frank Paul Fetta. Kearns also appeared in a highly successful PBS television special, Hallelujah Broadway with the Czech National Orchestra, touring with this production in the US and Ireland.

THE CAPITOL STEPS have elevated political satire to an art form. The Washington, DC-based comedy troupe believes that, if you don't laugh about politics, you might end up crying. Their constantly changing show has been giving audiences laugh cramps for nearly 40 years. The Capitol Steps began in 1981 as a group of Senate staffers who set out to satirize their employers, and they haven't let up since. The troupe returns to Anchorage with a new show of musical and political comedy and bipartisan lampooning. With sketches and musical numbers such as "How Do You Solve a Problem Like Korea?" and "Battle Hymn of the Tea Public," The Capitol Steps puts the MOCK in democracy and will have you rolling with laughter — perhaps even across the aisle.

TYPE OF EVENING : Bipartisan date night, Side-splitting laughter

WHAT TO EXPECT: Comedy ripped straight from the headlines, Political skewery at its finest

GEORGE & BARBARA BUSH
Presented by William and Sue Wills

As George H W Bush said in his acceptance speech at the 1988 Republican convention; "I'm a man who sees life in terms of missions - missions defined and missions completed."; he certainly had many in service to his country. He was the youngest navy pilot in World War II, U.S. Congressman, first Liaison to China, U.N. Ambassador, Republican National Chairman, CIA director, Vice-President of the United States, and the 41st President. He was a believer in the capacity of volunteers to bring success and happiness to others - the "thousand points of light" as he called them. Perhaps most important he was father, grandfather, great grandfather, and loving husband for 73 year to Barbara Bush. Barbara Bush referred to herself as "everybody's grandmother"; with her smiling face, quick wit, love and support of literacy for all and that beautiful white hair, she certainly fit the bill. But she also was a wife who stood by and supported her husband in his business and political careers; a mother who had to suffer the tragic death of a beautiful young daughter and experience the joy of seeing a son elected President.

An evening with Michael Lella
SON OF PINO LELLA

WEDNESDAY, FEBRUARY 26
7pm • $10 per person

MICHAELL LELLA shares the story of his father and his role in the forgotten Italian front of WWII as told by author Mark Sullivan in the best seller *"Beneath a Scarlet Sky"*. It is a tale of courage and epic struggle. The story is a about a brave young man, Pino Lella who, as an Italian teenager, Pino was risking his life helping the Catholic underground to safely escort Jews out of Italy through the Alps. Against his own wishes, he was convinced by his parents to join the Germans army for the sake of his own safety. He soon became the driver for the most influential German general in Italy spying for the Allies at great risk to his own life. Besides being an epic tale of one young man's incredible courage and resilience during one of history's darkest hours, it is also a beautiful but tragic love story. His son, Michael Lella, speaks all over the country to give a unique perspective on the life of his father. Read the book and join us! Request/Cancel by: February 1

A Brand New Season at Boca West

I HOPE YOU ARE ALL ENJOYING THIS BEAUTIFUL FLORIDA WINTER WEATHER! It is one of the many reasons we choose to live in Boca West, Florida.

With the season upon us, we once again expect record breaking attendance of our family and friends with the upcoming holidays and all of the fun filled Boca West activities. We would like to send a friendly reminder to be cautious on all Boca West roads. Below are some safety tips for all of us to remember and to please also share them with your guests.

- All vehicles must comply with the speed limits. Stop signs require a FULL STOP.
- We continue to vigorously enforce both stop sign and speeding violations. We have installed radar cameras to assist in enforcement.
- All privately-owned golf carts must be registered annually by the BWMA and properly insured. When traveling on the roadways, golf carts must remain on the outside edge of the road headed in the same direction as motor vehicles. Golf carts must yield to motor vehicles, bicyclists and pedestrians.

  -Children under 16 are not permitted to operate a golf cart.

  -No child is permitted to sit on the lap of the cart operator.

  -The number of people allowed in one cart must not exceed the manufacturer's recommendation.
- When travelling on the roads, bicyclists must do so on the outside edge of the road headed in the same direction as motor vehicles and obey all traffic control signs and slow down when approaching pedestrians and remember to warn them verbally of your approach. Bicyclists must operate in SINGLE FILE.
- Walkers and joggers using the roads must always FACE on-coming traffic and be in a SINGLE FILE on the outside edge of the road. We strongly recommend that joggers and walkers use the paths for optimal safety. Proper attire includes upper-body cover-ups for men and bright/reflective closing/shoes at night for both men and women.

BWMA election season has started! We will have two positions open for election on March 24, 2020 which will be filled via the Master Association's election process. If you are interested in joining the Board and contributing to the continued betterment of the Master Association, please submit your resume no later than 5pm on Friday, December 27, 2019. Interested candidates should possess prior experience with condo or homeowner association boards, or committee participation with either the BWMA or BWCC. OMBUDSMAN

mikejosh18@aol.com

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

THE 2019/20 SEASON is in full swing. Our international staff are on board and trained, and all indications are they will be an excellent group and a pleasure to have with us. Many of our international members have arrived as well, and I must say they seem as happy to be here as we are happy to see them back. It is funny to be reminded that we Americans have a distinct accent. Jokes aside, we truly have much to be thankful for and I hope everyone enjoyed their thanksgiving holiday with family and/or friends.

How about the opening theme night **"A Night in Morocco"**? Originally scheduled for one night, it was expanded to include a second night to accommodate the overwhelming number of requests by members to attend. Approximately 1200 people were in attendance over the two nights, and they were not disappointed. I suspect the Camels in attendance have never been in as many photo-shoots in such a short period of time.

By the time you read this letter, our winter **"Holiday Calendar of Events"** booklet (December 20 – January 1) should be available either online, at the reception desk in the Country Club, or at other locations throughout the Club. As in years past, there are special activities for children and grandchildren of all ages, many of which can be enjoyed by the entire family. The "Boca West Carnival and Street Fair" will continue as a major attraction on December 29 from 4-9 p.m. "Fireside Smores" is being brought back by popular demand and other popular repeats are the "Character Breakfast", and "Family Fun Fishing Day". New to the events will be "arts and crafts" for kids five years or older at the Boca West Art Studio located on the second floor of the Sports Center.

I am happy to announce that the inaugural issue of **"Boca West Life"** has been published. Intended to be shared with each new prospective resident/member, the 48 page magazine tells the story of what it is like to **"Live and Play in Boca West"**, rated the #1 Private Residential Country Club Community in the nation and one that is "Quite Simply the Best". We are in the process of making a digital version of the publication online with the hope that you browse, if not read, about your Community and Country Club; you will once again be reminded of how fortunate we are and feel proud to **share it with your friends and family.**

Please mark your calendar and plan on attending the **"Member Briefing"** scheduled to take place on Thursday December 19 at 3 p.m. We are looking forward to updating the membership regarding our joint plans with the Master Association to "Upgrade, Improve and Market" the Boca West Community. In addition, having completed the renovation of the spa and fitness center, we hope to report on preliminary plans for the Sports Center, including our timetable for bringing forth a proposal to the membership for approval as well as construction. As Matt indicated in his article last month there are plans to refresh the Country Club this summer, regarding which we can update you as well.

The **financial results** for the year ended September 30, 2019 are presently being audited. When completed, a copy of the Club's audited financial statements will be available at the reception desk of the Country Club, to all members upon request.

Let me take this opportunity to wish you and your families a safe and enjoyable holiday season, and a Happy Healthy New Year.
