PRESIDENT'S LETTER

Dear Member,

WISHING YOU A VERY HAPPY AND HEALTHY NEW YEAR!

The holiday season was jam-packed with activities and events for everyone! It was wonderful seeing all of you with your families during Hanukkah, at Christmas, the Carnival & Street Fair and all of the planned activities leading up to the New Year, simply enjoying your time together at your Club. Don't forget, our calendar still has many more days of excitement planned so please don't miss any of the fun.

Our Healthy Living Lifestyle program has expanded to include "brain power" with the great success of our educational series. These ever popular lectures feature a variety of topics with professors from different institutions around the country including our partners Lynn University and Florida Atlantic. In addition to the educational series, for your information there are still seats available for the very popular Dr. Robert Watson who will be here on Monday, January 20 talking about the ratings and rankings of the Presidents.

Exciting things are happening in our world of Bridge beginning this month with "newplicate" games on Tuesday afternoons and Supervised Chicago on Wednesday mornings and Supervised Duplicate on Thursday mornings. We've also added a second six week course with Keith Hanson starting January 3. In addition, be sure to make your reservations for world renowned Roberta Salob, who will be here for a Bridge Seminar Tuesday, January 7.

We're excited that Nanna Koerstz Madsen will be returning to Boca West for the month of January. Join us on January 6 for a 9-hole exhibition between Nanna and Nicole Broch Larsen. And while she's here, she'll be preparing for her first event of the season at the Gainbridge LPGA at Boca Rio. If you would like to volunteer at the tournament, please stop by Golf registration and they'll be happy to assist you with your request. Stay tuned for more details about her visit to her home away from home.

I'm happy to report that we were once again selected for a 2020 AGM Platinum Award, Association of Golf Merchandisers. All entries were judged by an impartial panel and they were graded on new ideas, creativity, adaptability, revenue-generating initiatives and adhering to the contest rules. Congratulations to Emily Gifford, our Director of Retail, and her entire staff.

Membership has it privileges… and with our new Grapevine Wine Club, privileges are in abundance! The Boutique is offering 6 month and 12 month memberships, each of which include several tasting events showcasing the wines of the month. The first event took place in December and was fun for all in attendance. Whether wine is your "thing" or something you're looking to make your "thing", this is a great way to experience the beauty of the grape.

Speaking of wine… our Prime Cut Wine Dinner Series has been a great success and we are really looking forward to hosting more throughout the season. Our most recent dinner featured Swanson and Clos Pegase and was very well received. ZD Wines will be showcased in January so please make your reservations now if you're interested in attending.

Our annual golf and tennis Club Championships begin next month. Whether you're a golfer or tennis player, or maybe both, I hope you've been practicing your swing for the upcoming competitions.

Our new app and website has been LIVE for a little over three months now. It's a work in progress and will be continually updated as time goes on. For those of you still needing a little extra assistance, please be sure to attend one of the classes offered again this month. Stay tuned for dates, times and location.

I welcome and encourage your thoughts, comments and suggestions regarding your Club.

Yamile, Alexa, Sophia and I wish you all a beautiful holiday season surrounded by your loved ones and a Happy Healthy New Year. We look forward to seeing all of you in 2020.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

ABOUT THE VINEYARD
EOS Winery is famous for complex whites, dense reds, and luscious dessert wines.
The story behind the name. EOS, the Greek Goddess of Dawn, opened the gates of Heaven each morning allowing the Sun to rise. Fiercely passionate, she was cursed by Aphrodite for having an affair with Ares. Her punishment was an unstoppable desire that we won't discuss.
At EOS-the winery seems to be just as passionate about their namesake, but their insatiable appetite is focused toward the production of great wines.

More Great TENNIS Ahead!

TENNIS TIP

ALWAYS FOCUS ON YOUR DEPTH OF SHOT. Keeping the ball deeper in the court will force your opponent to back up when hitting, forcing them to hit weak or more erratic shots. It's not how many balls you make in, it is how many balls do you make deep into the court to force your opponent into trouble.

PICKLEBALL TIP

DEFENSE WINS CHAMPIONSHIPS, have you heard this phrase before? It is true in Pickleball as well. Often times you don't need to play offense to win a point, keeping the ball low and forcing your opponent to hit the ball up and win points by itself. Win by playing smarter, not harder.

ON THE COURSES

By Steve Forman, Golf Committee Chairman

NANNA is back at Boca West

First off, I WANT TO WELCOME LPGA PROFESSIONAL NANNA KOERSTZ MADSEN and her coach Nicki Hansen back to Boca West—we'd like to think their Florida home. They will be here from January 3-27. Nanna had a terrific second year on tour, finishing in the top 40 on the money list, and qualifying for the year end CME Globe Championship. She will be starting the 2020 season at the Gainbridge LPGA tournament at Boca Rio. This is a brand, new tournament that will be just across the street, so I hope as many of us as possible can get out and root her on.

Second, remember new handicap rules are in effect. If you have questions, contact golf operations.

THIRD, I INTERVIEWED JIM PHILLIPS, our newest PGA professional. I found Jim to be very nice and engaging (as is the rest of our terrific staff). He has been at Boca West a little over three years. Jim is married to Amy and they just celebrated their 29th wedding anniversary in December. They have two boys, Zach who is 26 and an Assistant Golf Pro at the Atlanta Country Club, and Jacob who is 15 and has no interest in golf. Jim was born and raised in Pendleton, Indiana which is a suburb of Indianapolis. He went to Indiana State University and graduated with a BA in Business Administration in 1988. He never met Larry Bird but he did get to know our own Brad "JR" Friend when he was in high school.

Like every other boy growing up in Indiana Jim was obsessed with and played a lot of basketball. He was a guard on his high school team. Jim told me one highlight was playing against Steve Alford who went on to play for Indiana, was a two-time All American at IU and won an NCAA championship in 1987. Jim said he got three fouls in three minutes trying to guard Alford and spent most of the rest of the game on the bench. However, he said that was not when he turned to golf. Among the pros, Jim's nickname at Boca West is "Jimmy One Putt." I am told it probably has something to do with having a really good short game. Jim has had 3 holes in one.

Continues on page 16 >>>

>>> From page 15

> My favorite time is when the new kids come in for the season—meeting them and getting to know them better. I also like giving lessons and helping people with their games.

SF: What are your principal duties as Assistant Head Golf Professional?
JP: I am the "outside" man. I oversee the starters, rangers as well as the operations at the driving range. I also help to set up and run tournaments, outings, programs and clinics. One initiative that is really growing is the Get Golf Ready Program. We have more than doubled the number of participants from last year.

SF: How did you get into golf?
JP: I didn't start to play until I was in high school and was never really good until college. Growing up I was more interested in basketball, baseball and track. I would have tried football, but my Mom flat out said "no." My Dad and Grandpa used to play golf every Saturday and I am told my Dad was pretty good. Never played with him. When I was a freshman in high school my Dad told me that I needed to learn to play, took me to a driving range and gave me some pointers. It was frustrating that the ball was just sitting there, not moving and I could not hit it where I wanted. In any event I went out with my buddies on weekends.

Jim Phillips

After my first year of college I got a summer job working in the Pro Shop at Idlewold Country Club (now Fall Creek Golf Club) in Pendleton. People would come in the Pro Shop and ask me about golf or request that I play with them so I thought I should get better. From that point on I practiced every day—even when I went back to school at Indiana State. They had a nine-hole course next to campus. Got pointers from people as I went along and just learned the game—basically self-taught. I was never that long off the tee, but I worked really hard on my short game—pitching, chipping and putting. Spent more time on that than anything.

SF: What is your best golf memory ever?
JP: Two things—first seeing my son Zach win his first (of many) junior golf tournament. He was really excited. Second playing Muirfield Village (yes the one built by Jack Nicklaus in Ohio) with JR and Zach. We were treated like royalty. We got a tour of the facility and one of their famous milkshakes when we were done playing. I remember Zach hitting a bunker shot by the green on the 10th hole, running out because he thought it was going to be right next to the hole and then watching the look on his face as the ball rolled off the green and 50 yards down the fairway. We all still laugh about that. We played from the championship tees although Zach who was 12 at the time played one set forward. I shot 76 or 77 and I believe JR shot 74 or 75. Those were the days when JR still hit his driver.

SF: What do you like most about your job? Least?
JP: I enjoy every day at Boca West. My favorite time is when the new kids come in for the season—meeting them and getting to know them better. I also like giving lessons and helping people with their games. One thing is I think everyone needs to spend more time at the short game area practicing. It's the best way to improve your scores. In terms of "least" I think it is the overall pace of the day. We have so much to do and so many people to help and I don't have time to really sit down and meet the members.

SF: If you could play any course in the world what would it be? Who would you take with you and what do you think you would shoot?
JP: Augusta National. I did get to go to the Masters in 2013 but as a spectator of course. It was a lot hillier than it looks on TV. I would play with my son Zach, my Dad and my Grandpa. From the back tees would probably shoot 85 or 90 but hope I could shoot 75 from the Members Tees. Note: There are only two sets of tees at Augusta National.

SF: What is your best Boca West memory/ experience?
JP: I haven't been here that long so I would say playing in the Pro Am's. Really had the chance to get to know some of the members better.

I hope you enjoyed this article. As always, I am interested in your feedback. Please call me at 488-8726 or email me at sforman@strategicm.com with any comments or suggestions. And go out and watch Nanna at the Gainbridge LPGA Tournament at Boca Rio—January 20-26!

GEORGE & BARBARA BUSH
Presented by William and Sue Wills
As George H W Bush said in his acceptance speech at the 1988 Republican convention; "I'm a man who sees life in terms of missions - missions defined and missions completed."; he certainly had many in service to his country. He was the youngest navy pilot in World War II, U.S. Congressman, first Liaison to China, U.N. Ambassador, Republican National Chairman, CIA director, Vice-President of the United States, and the 41st President. He was a believer in the capacity of volunteers to bring success and happiness to others - the "thousand points of light" as he called them. Perhaps most important he was father, grandfather, great grandfather, and loving husband for 73 year to Barbara Bush. Barbara Bush referred to herself as "everybody's grandmother"; with her smiling face, quick wit, love and support of literacy for all and that beautiful white hair, she certainly fit the bill. But she also was a wife who stood by and supported her husband in his business and political careers; a mother who had to suffer the tragic death of a beautiful young daughter and experience the joy of seeing a son elected President.

BOCA WEST PRESENTS

An evening with Michael Lella
son of Pino Lella

WEDNESDAY, FEBRUARY 26
7pm • $10 per person

MICHAELL LELLA shares the story of his father and his role in the forgotten Italian front of WWII as told by author Mark Sullivan in the best seller *"Beneath a Scarlet Sky"*. It is a tale of courage and epic struggle. The story is a about a brave young man, Pino Lella who, as an Italian teenager, Pino was risking his life helping the Catholic underground to safely escort Jews out of Italy through the Alps. Against his own wishes, he was convinced by his parents to join the Germans army for the sake of his own safety. He soon became the driver for the most influential German general in Italy spying for the Allies at great risk to his own life. Besides being an epic tale of one young man's incredible courage and resilience during one of history's darkest hours, it is also a beautiful but tragic love story. His son, Michael Lella, speaks all over the country to give a unique perspective on the life of his father. Read the book and join us! Request/ Cancel by: February 1

The New Year
brings new excitement to the Boca West Children's Foundation

A BIG THANK YOU TO OVER 100 BOCA WEST VOLUNTEERS who helped make the Boys and Girls Club Shopping Spree the best ever. This is just the right time of the year to be able to put smiles on so many faces of our most vulnerable children.

On January 10, at 5pm, we will be announcing the winner of the Foundation's Super Bowl raffle. The winner will receive 2 tickets between the 40-yard lines at the 54th edition of the event at the Hard Rock Stadium with a half time show by Jennifer Lopez and Shakira. There will be limousine service to and from the game and a $400 dinner gift certificate. Raffles are still available up to the time of the drawing. Please stop by the Foundation office or call us at 488-6980.

Friday evening, January 17, we will be hosting a cocktail reception for our Dream Maker's Society. Courtney Jones, musician and Music Professor at FAU will be preforming with the FAU Jazz Band. Call us to find out how you can be a part of the Dream Maker's Society.

The response for the 10th Anniversary Celebration Gala of the Foundation has been fantastic. You must reserve your seats or tables by February 3.

There are still seats left for what we believe will be the most elegant night of the year. We are honoring our Chairman and Founder, Arthur Adler and the evening will close with entertainment by the fabulous, Jay Leno. Again, contact the office if you need more information.

In a few weeks we will be mailing out the invitation for the 8th Annual Foundation Golf Tournament and Cocktail Party, here, at Boca West. We have been sold out each year with almost 500 golfers and 800 attendees to the after party. Keep an eye out because there are some very exciting new components to this year's event. More on that next month.

We will be moving back the date of the annual Walk in the Woods from early February to mid-April due to the special Gala event this year. We're planning a new component for additional excitement.

Thank you for your support of the Foundation. We can't succeed without you.

MEMBERSHIP NEWS

By Harriet Moskowitz and Howard Boilen, Membership & Communications Committee Co-Chairs

HELLO AND HAPPY NEW YEAR! As your Membership Committee Chair I work closely with the Membership department. Together we host the Club's monthly New Member Coffee and Chat. This is held the first Thursday of every month in the Club Services office. This is an opportune time for our New Members to meet each other and learn more about their Club. In addition, we host our annual New Member Party together. This party takes place this month on January 21. There will be over 200 New Members being welcomed to the party by your Membership Committee, Board of Governors and Department Heads. This is a lovely soiree filled with friendly new faces, dining, music and an abundance of Club information. Here is the team I enjoy working with to make it all come together. Let's take a further look inside this operation.

Leslie Kennedy, Membership and Marketing Director

Leslie is excited to be starting her 24th season at Boca West. She is from Bellefontaine, OH and grew up in Hanover, PA. From spending her summers in Ocean City, MD she knew as a young child she would live by the ocean. For four years she worked for the world's largest catalog company, Hanover Direct (formerly known as Horn and Hardart) where she specialized in customer service and the credit card division for the Gump's Catalog. Leslie then followed her calling to the ocean and accepted a position with a publishing company in Los Angeles. The headquarters of the publishing company is located here in Boca Raton (the ocean was here too). The big city of LA was not a fit, so she transferred to the Boca Raton office. Looking for a change, she joined the Boca West Country Club Membership team in 1996. Leslie's vast knowledge of the Rules, Bylaws, history, and resale procedures, as well as her communications weekly with the Club's legal team and the processing of your annual $40M membership dues, she is an integral part of your Club's operations. Her past sales and marketing experience have been instrumental in marketing the Club lifestyle. Now, after overseeing more than 4,000 resale transactions, she feels extremely fortunate to have welcomed so many members here. She enjoys history, traveling and relating to our residents about their professions and interests with an appreciation that our members are the most fascinating people.

Liz Gojmerac, Assistant Manager

Liz started working at Boca West 16 years ago. She was hired as an evening line cook at MyPi. She later transferred to the membership department as a front desk clerk. There she processed thousands of guest cards and activations over the years. This gave her the opportunity to meet members as well as build relationships with Real Estate agents. She was later promoted and now oversees the processing of the Club's annual lessee memberships, the application process for every new member, preparing estoppels for the Club's resale transactions and helping the Club's buyers and sellers with the paperwork that accompanies those transactions.

Michelle Marinucci and Amber Russo Membership Coordinators

The Michelle & Amber Duo—Amber is the newest member to the Membership team. She hopped right into organizing our Stay and Play program, alongside with Michelle, who has been with the membership department for a little over a year now. Michelle and Amber will host over 50 couples this year with the Club's Stay and Play program. This program, if you don't know, lets prospective buyers test out the Boca West lifestyle with a 3 day, 2 night stay; all access to the facilities included! This program has been very successful with helping prospects find their forever home. Amber and Michelle both graduated from college with a major in hospitality management.

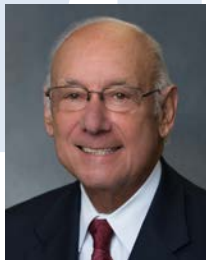

Bianca Moriani, Membership Reception

Along with her Italian flair, Bianca greets our members and guests with a warm welcome. She oversees the thousands of requests of your guest cards and gift cards. Bianca is in her second season and looks forward to joining us for the next holiday season as well. If you stop in, she will be the first face you see, so be sure to say Ciao!

These lovely ladies are here to answer all of your questions and will have you leaving the Club well informed and right at home.

By Howard Krosser, BWMA President

Boca West Joint Venture Update

FIRST, LET ME WISH YOU ALL A VERY HAPPY AND HEALTHY NEW YEAR AND HOPE YOU HAD A GREAT HOLIDAY SEASON! I also want to congratulate the Club's Officers, Board and staff on receiving global recognition and being designated as a Platinum Club of the World, ranking #15 out of 100 and the #1 Residential Country Club in the World. A monumental accomplishment.

The Master Association and the Club held a second series of village meetings to keep the village presidents and representatives up to date on the progress and activities of the joint venture we created to increase sales and prices of our homes. As I'm sure you are aware, at our initial meetings in February, the villages enthusiastically supported our joint venture efforts as well as having taken the initiative to finally do something to combat falling real estate prices.

Howard Liebman, Chairman BWCC, Stephann Cotton, CEO Cotton & Company and broker for Boca West Realty, and myself gave the presentations that I have summarized below.

The purpose of the Joint Venture is to:

- Promote and enhance the value of our homes as well as protect the financial strength of the Club.
- Overcome outdated real estate inventory.
- Attract new and younger residents.
- Inform the world what it is like to live and play at Boca West by enhanced marketing.
- Take control of the real estate sales process. Not just sell homes, sell the lifestyle.
- Work together to operate more efficiently.

To legally accomplish these objectives, the joint venture created a limited liability partnership, Boca West Community Advisors LLC. They opened a new real estate brokerage office, Boca West Realty, owned by the Joint Venture, to market and sell only Boca West real estate and to operate like a developer to sell the "5-Star Lifestyle" at Boca West. It officially opened October 1, 2019 and is manned by Stephann Cotton, Managing Broker, pursuant to an operating agreement. The office is currently located at the Club Services Office at the Club.

Stephann Cotton discussed at length the backgrounds of their experienced staff and how they are taking advantage of today's technology to market Boca West through the internet. This includes the Boca West Realty website, www.bocawest.com, and the new websites of both the BWMA and the Club. He further described other promotional activities

- Magazine promotions and video ads on local, regional, and national levels using strategic messaging
- An extensive reporting database to provide detailed sales information
- Digital marketing throughout the US focusing on the northeast, Florida, California and the Midwest and also in Canada
- Member communications via flyers, newsletters and postcards.

He emphasized the importance of the Club's Stay and Play program and their new residences which are booked through March 2020. He assured everyone of the outstanding personal service our residents will receive when listing and selling your unit through Boca West Realty.

Howard Liebman discussed the new rules and incentives on combining apartments to make them more saleable and a new Residential Home Improvement Program. This program includes the Joint Venture, Club and Villages and consists of the existing renovators and future bulk renovators which will be actively promoted by Boca West Realty. This will allow villages and homeowners who want to get low price units off the market into a program to have them renovated and sold at higher prices to protect the value of the other homes in the villages. Howard pointed out that since the Club Renovator Program started, renovated units have increased the aggregate price by approximately 13.5 million. He emphasized that when villages take over units by foreclosure or deed in lieu of foreclosure, they are exempt from having to pay the $70,000 joining fee to the Club. When the unit is renovated or otherwise is sold, the buyer would pay the joining fee to the Club.

Additionally, we proposed a program that would offer like villages a forum to discuss and share best practices. Jerry Litwin, President of Cypress Point, and Brad Baecht BWMA COO and Executive Director, will facilitate these meetings. Please suggest topics to them so they can focus on the areas that can be the most helpful to your village boards. They can range from landscaping to governing documents to management company operations.

I would urge all residents to discuss and encourage your Boards to join these new programs that can enhance the value of your villages.

OMBUDSMAN

mikejosh18@aol.com

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

SUNSHINE COMMITTEE Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

HAPPY NEW YEAR. The holiday season is a great time of year when we enjoy the company of family and friends, and there is no better place to do so than at Boca West. Assuming the weatherman behaved (article written in advance) the holiday week at Boca West was filled with both indoor and outdoor events and activities that were enjoyed by Grandparents, Children and Grandchildren.

The 2019 member briefing was held on December 19. For the benefit of those who could not attend, the briefing, for the most part, focused on (I) **"Real Estate at Boca West"**, which I believe is the greatest challenge we face as a community, and (II) our plans **for Future Capital Projects** to make our facilities more current.

In a nutshell, the Real Estate Values at Boca West have been on a steady decline, which also affects our ability to attract new and younger members. I know this is not a surprise to any member, many of whom have reached out to me regarding this very matter. I therefore wanted to be certain we updated the membership on our strategic initiatives to meet this challenge and the related action steps we have taken and will continue to take.

As you know, as part of our strategy the Country Club and Master formed a 50/50 joint venture, "JV" (Boca West Community Advisors, LLC – "BWCA") which in turn formed a 100% owned subsidiary Real Estate entity (Boca West Realty, LLC – "BWR").

The agenda for this discussion included, (i) "why and how we got here", (ii) an overview of Boca West Realty, and (iii) the components of our Residential Home Improvement Program including:

- Our existing "Renovator" and new "Bulk Renovator" programs
- The need for Villages to be proactive
- How the Club, Master, Villages and Joint Venture can each contribute.
- The Club's recent initiative to ease the economic burden of "Combining Units", and
- Our historical 75 mile Rule

I can assure you that the Club and Master Boards are working diligently in their attempt to enhance real estate values and sales at Boca West. We are hopeful that more villages are encouraged, by their residents or otherwise, to come to the table with a willingness to proactively contribute to the solutions.

Regarding our plans for Future Capital Projects, Matthew described the scope of the plans to expand and renovate the Sports Center, as well as the plans to refurbish the Country Club building (including the Panache restaurant), refurbish Mr. D's restaurant to include an expanded covered terrace that will facilitate providing additional golf experiences while at Mr. D's, and create a permanent Art Studio and Activities Space.

The plan is to roll out a video on the Club's closed circuit TV sometime in January which will walk the membership through the various areas of the Sports Center, showing the expansion and renovation that will take place. During February there will be informational meetings scheduled for the membership as well as a booklet produced and sent to the membership describing these four projects. The intention is to convene a Special Meeting of the Membership during March to seek approval for the projects.

NO ASSESSMENTS WILL BE IMPOSED ON THE MEMBERSHIP TO PAY FOR PROJECTS

The annual election season is upon us and six candidates have been nominated for five open Board positions. See page 28 for a list of the nominees. I believe it noteworthy that four of the six nominees presently participate in the Leadership Development Program.

I am pleased to report that our Audit Committee received confirmation that their opinion on the Club's audited financial statements for the year ended September 30, 2019 will be unqualified and that no material weaknesses in the internal controls of the Club were discovered in the course of their audit. A copy of the audited financial statements is available to all members upon request at the reception desk in the Country Club.

In closing, my sincere wishes to you and your loved ones for a Healthy, Happy and Prosperous New Year.
