PRESIDENT'S LETTER

Dear Member,

LOVE IS IN THE AIR! February is the most romantic month of the year and we have numerous ways for you to spend time with your special someone. Whether you attend our Valentine's Day dinner dance on February 14, shop our Sweethearts Sale on February 12-14, watch "Love" service at our world class tennis pro exhibition on February 14 or take a "Sweetheart Stroll" around Boca West the morning of February 15. Celebrate Valentine's Day any way you wish!

Once again during President's Week, kids of all ages will find entertainment everywhere. Whether its golf, tennis, fitness or simply sitting poolside watching a movie, we've got something for everyone. A brochure listing all of the great activities and events is available throughout the Club as well as posted on the Club's website. Please be sure to pick one up so you and your family and guests won't miss a moment of fun that week.

Exciting news on page 23 regarding a last minute **Kenny G** concert taking place at your Club! Thanks to a collaboration between us, the Boca West Children's Foundation and The Honda Classic Cares organization you and your guests will enjoy a beautiful evening in an intimate setting with the sounds of a world-renowned musician. We expect this to sell out fast so please don't wait to get your reservations.

Did You Know that The Living Room and Onyx Lounge are open daily at 11am for drinks? Entertainment in the evening is from 6-10pm; Wednesday-Saturday in The Living Room and Tuesday-Saturday in Onyx Lounge. Whether you're having guests for lunch or dinner, both locations are great for gathering prior to or after your meal. So after your round of golf or tennis match, stop by for a beverage and relax and enjoy.

I'm happy to introduce the newest member of the Boca West family, **Travis Wadsworth**, as Director of Restaurants. Travis has an extensive background in food and beverage, most notably at the five diamond Ponte Vedra Beach Resort & Club. Please be sure to say hello when you see him in the restaurants. We are happy to welcome him to the team!

We are very excited about the capital project being presented to you for a vote in March. If you have not taken the time to watch the architect's conceptual video of the Sports Center, please do so. We've made it very accessible by sharing it throughout the club on TVs, digital signage, the community channel and website. You will also see easels throughout the club displaying renderings of the project. We have several presentation meetings scheduled in February and March: Friday, February 21 at 10am, 2pm and 4:30pm; Saturday, February 22 at 10am, Thursday, March 5 at 2pm; and Friday, March 6 at 10am and 2pm. Please plan to attend one of these presentations to get all of your questions answered.

Every year in the month of February some of our Board members' terms expire. This year's election marks the end of a three-year term for **Jerry Glassman** and **Phil Kupperman** and the end of two consecutively served three-year terms for **Bud Baron, Nancy Frydman** and **Howard Liebman**. All five of these members have my sincere appreciation for selflessly contributing their knowledge and time toward the betterment of your Club.

As the end of our Chairman's service nears, I would be remiss without saying how grateful I am to **Howard Liebman** for his past three years as the Chief Executive Officer of this company. His dedication and passion for Boca West (the country club and the community) are truly remarkable. Working side by side with him for just over two years I have gained tremendous admiration and respect for his vision and leadership. It has been a true pleasure that I will always cherish.

By now, you have all received your 2020 Annual Meeting of the Members package as well as your Board of Governors election package. If you have not received either, please reach out to the Executive Office so we may get duplicate out to you right away. Your educated vote is so important to the future of your Club, so please watch **"Meet the Candidates"** on the Club's website, posted on the Board of Governors page, in each clubhouse lobby as well as on the community Channel (Channel 9000 on Hotwire) to gain insight on your fellow members running for your Board of Governors. I look forward to seeing you on Friday, February 28 at 3pm in the Cypress Room of the Country Club for the Annual Meeting of the Members.

Don't forget that with this "changing of the guard" new committees will also be formed. Your Board is always looking for energetic members with fresh new ideas who are willing to serve the Club. If you would like to get more involved with your Club you may wish to participate on a committee for the 2020/2021 season. Please drop a note to the Executive Office addressed to the Chairman of the Board indicating the committee on which you would like to serve.

Please remember I welcome and encourage your thoughts, comments and suggestions regarding your Club. Sending Valentine's Day love your way from me and the Linderman girls, Yamile, Alexa and Sophia!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

By Steve Forman
Golf Committee Chairman

3 Terrific YEARS at Boca West

I am ending my third term AS CHAIR OF THE GOLF COMMITTEE AND IT HAS BEEN A TERRIFIC THREE YEARS. First, I want to thank our Director of Golf, Brad "JR" Friend, and Golf Superintendent, Wes Dinsmoor, and their entire staffs for the wonderful work they do for all of us. I am convinced there are not better people anywhere. Second, I want to thank the members of my Committee for their dedication, diligence and creativity. All have contributed a great deal so thanks to Vice Chair, Bob Lerner, Chuck Rosenblatt, Lela Cannon, Pete Kolben, Jeff Rothschild, Rich Wagner, Len Hodes, Bob Forman, Sharon Bailenson, Frank Zaid, Mel Ganz, Alan Rosenberg, Eric Reinstein, and Terri Axelrod.

As this is my last article for this Committee year, I thought it would be interesting and insightful to do an interview with Matthew Linderman our President, COO and General Manager on his thoughts about golf at Boca West. Needless to say, there are a lot of exciting things happening now and planned for the future.

SF: You have been at Boca West for almost 15 years. How has the golf program evolved over that time?

ML: Actually, it will be 15 years in August and it certainly doesn't seem that long. Golf has always been an important part of Life here at the Country Club —after all, how many clubs have four courses, each with its own distinction, character and challenges! Golf is a sport and as such, inherently competitive—usually you always want to beat your opponent and you always want to improve so you can keep beating your opponent. Otherwise it can become frustrating. At the same time, I am aware of golf's social aspects maybe more than the more serious golfer. For one, it is a great vehicle to meet people and develop new friendships. My sense is that over the past decade, the social aspect is becoming more important to our members and future members than the competitiveness of the sport. Witness the growth in popularity of our social golf events. We are having four and five hundred people or more signing up for Twi-nites, the Season Opener and other exciting events.

I am also aware that advances in technology are making it easier to improve our games. Our philosophy at Boca West is we want to do everything really well—from food service to fitness to tennis to the spa to golf. As such I want Boca West to be at the forefront of the golf industry, providing the equipment, hard goods, teaching aids, and even "apps" applications that will help us enjoy this game even more.

Continues on page 16 >>>

>>> from page 15

SF: In your opinion, what is the state of the program now?
ML: We are in a really good place and improving. JR and his team of golf professionals are extremely motivated to take care of the existing members and get you out enjoying your golf games much more. They are also attempting to get new social part time golfers more driven to play, i.e. our "Get Golf Ready Program" for people who have never played golf. As a quick reminder, all members have access to our golf practice facilities, and anyone can sign up for a golf lesson so you should take advantage.
The courses are in terrific shape and Wes and his staff are constantly looking for ways to improve and beautify them. Has anyone noticed the addition of flowers on the first tee of three of our courses?

I think our initiatives over the past year are taking hold. The Golf Studio, which is adjacent to the pro shop has become a real destination where you can demo equipment and perhaps get a tip or two from the professional staff. We are continuing to build on that.

One other point. I hope all the members, not only the golf community, sense a very positive vibe on where we are heading as a Club with the many new programs and activities that are occurring or in the works and it's not only me who feels excited.

SF: Boca West has always been at the forefront of country club operations. What do you think we need to do to grow the golf program at our club?
ML: We have done well with social events and that must continue. At the same time, we must look for ways to expand and enhance the use of our facilities. For example, we are looking into having the practice ranges open longer, at least on a limited basis so people who still work can utilize them during the week. We are also looking into allowing people to walk instead of having to take a cart in the afternoons. We are looking into night golf programs like a "Top Golf experience" but Boca West Style.
At Boca West we want our members to think in terms of "golf for life". That means having programs whether you are a beginner or low handicapper; a grandparent or grandchild; single or married; competitive or just social. We want golf to contribute to a healthier living lifestyle! That is why we are exploring the idea of adding a shorter set of tees, not only for those who have gotten older and can't hit it as far but also for our grandchildren who are just starting to play. I have always been an advocate of "play it forward" not only for the "speed of the round" but also to increase enjoyment. It's not about using the entire golf course – whereas in my case it's using the entire course because I am not very good!

Also, why can't golf be used as a vehicle for singles to meet other singles? Not sure yet how to accomplish this but it's on the list of possibilities.

We want golf to contribute to not only your better health but a better lifestyle. That is why walking is being explored. We want to integrate golf into other aspects of your life in this community, so when you take a golf lesson and later go to the fitness center for a session with a trainer, we want that trainer to incorporate exercises that not only get you in better shape but also benefit your golf swing.

SF: We are in the process of developing and revealing "the next piece of the puzzle." How does golf fit in to your vision for new and improved facilities at the club that will meet the needs of current members and people we want to target to live here?
ML: Golf is integral to our lifestyle at Boca West and we want the golf experience to be memorable, end to end. When a guest or even a member walks out to the driving range I want them to take notice and eagerly begin their practice or warm-up. I want them to feel that we have everything available to help them. The driving range should be on par (pun intended) with the rest of the facilities at Boca West. I would like to transform Mr. D's into a real destination. Mr. D's should not just be a place to eat lunch or enjoy Happy Hour. I want a tech area for lessons. With the adjacent putting green and bays for hitting balls there are opportunities for new and innovative programs and activities. And why isn't there any music there? I feel that would add a new dimension to your evening choices at Boca West.

SF: Do you have any thoughts on how we can attract new and younger golfers at Boca West?
ML: Our philosophy of "golf for life" is a start. So are our plans for Mr. D's. But we have other programs and incentives that should be emphasized. For example, the 75 Mile Rule allows people who live within 75 miles to own a place here and utilize our facilities. The only requirement is that the place cannot be rented if they want golf. We are also pushing better use of technology. Before long you will be able to use your Boca West App for just about anything from making reservations in restaurants, getting a tee-time to purchasing a gift in the Boutique or something in the Pro Shop. It will notify you about "flash sales" and will tell you whether the lightning warning is still in effect and the courses and practice areas are closed. The possibilities are unlimited.

SF: Boca West has been listed as one of the most iconic clubs in the world. In looking at the clubs on the list which include some world-famous golf destinations such as Augusta National or Pebble Beach, is there something we can take from them in terms of golf programs or services?
ML: The clubs on the list are terrific places with many traditions. Their golf courses are highly ranked and world famous. We need to continue to improve our courses as opportunities arise. That is why Wes Dinsmoor is developing a long-range capital plan for all of our courses and through our marketing programs we are trying to get more visibility for Boca West golf nationwide. And we continue to capture ways to get our courses ranked.

With regard to traditions, we have our own here that the Country Club has built up over 4 decades. If anything, what I see from the aforementioned clubs and others is that at the end of the day our objectives are the same, a great golf experience for everyone from beginning to end. I also see those clubs moving toward more informality and we are doing that here. Overall, I think we are in a great place, but we continue to evolve and make golf and life here better for everyone.

It's what the staff, myself and the amazing committee members are always trying to accomplish.

I hope everyone enjoyed this article. As always, I am interested in your feedback. **You may call me at 488-8726 or email me at sforman@strategicm.com** with any comments or suggestions.

9-HOLE EXHIBITION WITH

NANNA Koerstz Madsen & NICOLE Broch Larsen

HELD MONDAY, JANUARY 6

What a great day on the back nine of Palmer I. Our members witnessed some terrific golf shots. More than 100 golf carts filled with members followed the two LPGA players, Nanna Koerstz Madsen and Nicole Broch Larsen around for the 9 hole match. Nicole birdied the first hole to take an early lead. The ladies match remained close throughout the round until Nanna reached the par 5, 18th hole in two shots. Narrowly missing an eagle putt, she settled for a birdie to win the match.

BOCA WEST PRESENTS

An evening with
Michael Lella
son of Pino Lella
WEDNESDAY, FEBRUARY 26
7pm • $10 per person

MICHAELL LELLA shares the story of his father and his role in the forgotten Italian front of WWII as told by author Mark Sullivan in the best seller "*Beneath a Scarlet Sky*". It is a tale of courage and epic struggle. The story is a about a brave young man, Pino Lella who, as an Italian teenager, Pino was risking his life helping the Catholic underground to safely escort Jews out of Italy through the Alps. Against his own wishes, he was convinced by his parents to join the Germans army for the sake of his own safety. He soon became the driver for the most influential German general in Italy spying for the Allies at great risk to his own life. Besides being an epic tale of one young man's incredible courage and resilience during one of history's darkest hours, it is also a beautiful but tragic love story. His son, Michael Lella, speaks all over the country to give a unique perspective on the life of his father. Read the book and join us! Request/ Cancel by: February 1

GRIEVANCE COMMITTEE REPORT

By Bob Locke Grievance Committee Chairman

After the Grievance Committee reports to Board of Governors on their findings and the Board makes its final decision, there is a 45-day waiting period during which the member may appeal the Board's decision. There are presently two grievances that have passed the 45-day period, or the members waived or have already made an appeal. The two grievances are as follows:

GRIEVANCE # 1

A male member stole a total of four sleeves of golf balls on three separate occasions from the Golf Retail Shop in April. One sleeve each on April 3 and the 17 and two on April 15. Staff members witnessed the first two thefts and there was a video of the third. In each occasion he would walk into the golf sign in area, put one or two sleeves of Golf Balls into his pocket, and then take an additional two sleeves of balls to the counter and pay for them

During the Grievance Committee meeting, the member freely admitted the theft and stated that there was no excuse for what he had done. He did continue by saying that he was mad about a large charge on his account for not cancelling a significant number of tee times

After a thorough investigation, including discussions with staff members, the Grievance Committee recommended to the Board the following penalty:

RULING: The member is to be suspended for twelve months and a letter of apology is to be written to both the retail staff and the Board of Governors. The members account was charged for the four sleeves of golf balls

GRIEVANCE # 2

This grievance involved a male member who when he arrived to play golf and after he made the turn used inappropriate, demeaning, and insensitive language when speaking to the two starters. One of the starters had just started working at Boca West two hours earlier.

The course was double teed on this date and the member`s foursome finished nine holes on the back nine in one hour and 25 minutes and wanted to make the turn before the last foursome teed off on the front tee. This member has a history of extremely fast play and pushing starters to allow him to play through. They were told that they could not do so.

After a thorough investigation including discussion with the staff of golf department and several members of his foursome the Grievance Committee recommended a penalty which was increased by the Board:

RULING: This member was suspended for four months through February 29, 2020.

He must also write a letter of apology to the staff members involved as well as to the Board of Governors.

Boca West's Magnificent Landscaping

BOCA WEST IS BEAUTIFUL PLACE TO LIVE ALL YEAR ROUND and has always been known for its magnificent landscaping, but this year it has become even more beautiful!

I have received many compliments this season on our updated landscaping and signage. I have to recognize Avron Fogelman, Chair of the Landscape & Maintenance Committee, the Landscape Committee and our hardworking Landscape and Maintenance Crew for all of their insight, dedication and hard work.

When Avron agreed to be the Landscape and Maintenance Chair, he jumped right into his role. He personally met with Mr. Lawson Turner, our Landscape & Maintenance Director, to become familiar with the Landscape & Maintenance daily operations and toured all of Boca West roads, entrances and lakes. They agreed immediately that they wanted to make Boca West even more beautiful by adding landscaping to the medians without blocking vehicles view.

They have also worked diligently on adding additional aerators and tanks to our lakes. Our lakes are so well known for their clarity, we receive inquiries from other communities as they want to institute the same program for their lakes.

They are currently working on installing new fountains to our lakes to add to the beauty when golfing or driving through Boca West. By the time you read this a new fountain will be added to the lake coming in off of Jog at Hole 2 on Palmer III. We plan on installing additional fountains based on how the initial one looks.

Our landscaping efforts are working perfectly with the joint venture objective to keep Boca West the number one private golf and residential community in the world. We are in the process of updating all our signs with our new logo.

Who knew our community could become even more beautiful than it already was! We are proud of all of the work we have accomplished and hope you, your family and guests will enjoy our new look for years to come!

OMBUDSMAN

mikejosh18@aol.com

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

CHAIRMAN'S LETTER

IT IS DIFFICULT FOR ME TO FATHOM that today begins the last month of my tenure on the Board, the last three of which has been as Chairman; difficult in terms of how quickly the time has passed as well as the mixed feelings I have about the reality. Much has been accomplished during my six years on the Board and I believe we have taken great strides in developing plans to address the challenges we face as a Residential Country Club within a gated Community. Having said that, I know there is more to be done, particularly by executing on the strategies we have put in place. Taking the necessary actions to enhance the quality and value of the real estate offerings within our Community must remain a priority.

The journey during the last six years, and particularly the last three years, has been a learning experience for me and one that has been most rewarding. I have had the privilege of working with members of Boards and Executive Committees who have been, and continue to be unconditionally dedicated to the success of Boca West, working untiringly to achieve that success. My relationship with Matthew is akin to a father/son relationship although I do not believe Matthew looks old enough to be my father. It is this relationship that has enabled us to accomplish all we have done so during these past three years as well as all we have put in motion towards our future successes. I would be remiss if I did not mention how I was welcomed by Jay DiPietro my first year as Chairman and how we, together with Matthew, worked together as a true partnership for the betterment of the Club and its members. Further, as I have said many times, I could not have succeeded without the guidance of Darlene Wright who has served as Executive assistant to the President, COO for 33 years, and the unconditional support of Donna Gropper. Lastly, and most inspiring for me, has been the overwhelming support I received from you the membership which has contributed true meaning to my efforts.

Believe it or not, my first official task as Chairman in March 2017, was to cut the ribbon at the opening of the new Golf and Activities Center, even though all of the credit for its development belonged to others that came before me. Since then, the whirlwind began. The Club and the Master absorbed the activities of Residential Services (RSA), thereby eliminating the confusion of having three organizations responsible for member services. Thereafter we found it necessary to devote an enormous amount of time attending to the Class Action Lawsuit which has since been resolved in our favor, but not without much cost and distraction. At the end of that fiscal year Jay DiPietro retired after 32 years of leadership at Boca West and was succeeded by Matthew Linderman, dare I say, without skipping a beat.

During that first year the Strategic Planning Committee helped identify and prioritize the challenges we faced and began the process of setting forth the plans to meet those challenges. During the following year we were able to focus on and develop those plans, which in the third year culminated in the retention of a professional marketing firm to assist us in developing and executing a robust marketing plan, the establishment of a Joint Venture between the Club and Master, the creation of Boca West Realty owned by the Joint Venture, and the development of the Property Improvement Program. At the same time, Matthew and his team were making sure we stayed ahead of the curve by modifying rules and enhancing the programs and activities offered to the membership in ways that made them more in line with the demands of future generations. Plans for further enhancing our infrastructure to help meet those demands are now in place, having recently been approved by the Board and which will hopefully be approved by the membership in March.

Finally, at the recommendation of Jerry Glassman, we established a Leadership Development Committee and challenged them to create a Program geared towards developing a succession pipeline for future leaders of the Club, which they have done with much success.

I have said this before and must repeat it in this, my last article as Chairman. Matthew's department heads and managers collectively, are second to none in the industry, and our staff, both domestic and International, surely know "we are in the member pleasing business". This culture and attitude stems from the leadership at the top who create an environment that fosters success. We are a Platinum Club of the World and the #1 Residential Private Country Club. With your continued support of the Board and Management, I know we can remain at the top.

Let me once again wish you a healthy and Happy New Year and much success for many years to come.
