Congratulations to all the participants in our 8 Week Wellness Challenge that began on January 20. Through three weeks, Freda Salamon was in first place for the walkers with a total of 63.2 miles and Teri Cox was in first place for the bicyclists with a total of 60.6 miles. It's never too late to begin your wellness journey. If interested, please speak to a member of the Fitness staff and they'll get you started!

Additional photos may always be viewed on the Club's website and a small sampling of event photos are posted on our social media platforms. Be sure to **LIKE**, add **COMMENTS** and **SHARE** with your friends.

It was great to see so many of you at our Annual Meeting. As a reminder, please consider volunteering your time and expertise by serving on a committee. Send a letter indicating your committee of choice as well as any relative experience you may have to offer. If you have a resume, please feel free to include it as well. Mail or drop off at the Executive Office to the attention of the Board of Governors by March 5. Your staff and I look forward to working with your newly elected Board of Governors and newly appointed committees throughout the 2020-21 season.

We are very excited about the capital improvement program being presented to you for a vote this month and look forward to seeing you at the Special Meeting on March 20. If you have not taken the time to watch the architect's conceptual video of the Sports Center, please do so. We've made it very accessible by sharing it throughout the club on TVs, digital signage, the community channel and website. You will also see easels throughout the club displaying renderings of the Sports Center aspect of the program. In addition, this program includes an updated Country Club, updated and enhanced Mr. D's and the addition of a Multipurpose/Art & Demonstration Studio. All aspects of the program are reviewed in detail at the presentation meetings which you are encouraged to attend if you haven't already. There are still three taking place prior to the vote: Thursday, March 5 at 2pm; and Friday, March 6 at 10am and 2pm in the Golf & Activities Center – Activities Ballroom. Plan to attend and get all of your questions answered.

I welcome and encourage your thoughts, comments and suggestions regarding your Club and I look forward to seeing you around the Club!

ABOUT THE VINEYARD
Buried Cane wines are named after a time-honored Washington State practice. Washington State wine country has warm sunny summers and cold frosty winters. To protect grape vines from damaging cold, the winemakers bury low-growing vine canes. These buried canes can be unearthed after winter freezes pass, assuring a grape harvest in the following season. Planted in 1992, the Rainstorm Estate Vineyard and Winery are located in the heart of the valley. Committed to crafting award-winning Pinots for more than two decades. The winemaker is Bryan Croft.

Getting to know Nanna

By Steve Forman
Golf Committee Chairman

I had an opportunity to sit down with Nanna Koerstz Madsen, Boca West's LPGA professional, a week before she competed in her first tournament for 2020 — the Gainbridge LPGA at Boca Rio.

She and her boyfriend, assistant coach and manager Nicki Hansen were at Boca West from January 3 through January 27 to shake off a little bit of rust from their time off in December and to prepare for the upcoming season. Both Nanna and Nicki are from Denmark and they commented that the winter weather here in south Florida is just a little bit better than at home where the temperatures average in the '30s and '40s Fahrenheit.

Nanna grew up and continues to live in Smørum which is about 20 minutes outside of Copenhagen. She speaks both Danish and English (very well in fact) and understands both Swedish and Norwegian. Her father is an electronic technician and her mother works for a pension company. Her brother (who is 2 years older) is completing his PHD in chemistry at the University of Copenhagen.

Growing up and before focusing on golf, Nanna tried a number of sports including gymnastics, swimming and badminton. She commented that she was not particularly good at any one of them and also stated that "a moving ball is not my thing" which may explain why she did not play soccer or field hockey.

As you will learn from the interview, Nanna began playing golf pretty early and got good very quickly. She had a remarkable amateur career and at the end of 2014 was the number one ranked European in the world. She told me when she turned professional her index was a PLUS 5.8.

Nanna finished the 2019 season ranked 66th in the world and was 38th on the LPGA money list winning over $550,000. That was a dramatic improvement from her first season on the LPGA tour in 2018. She plans to compete in 25-27 tournaments over the course of this year—both on the Ladies European Tour (LET) and the LPGA tour. In terms of schedule she would like to play three or four events in a row and then take two weeks off—hopefully to go home and recharge. However, given the fact that the LPGA tour is world-wide, sometimes that may be difficult. Last year during one stretch she played seven straight weeks.

I found both Nanna and Nicki to be terrific—very nice, very approachable, very interesting and a lot of fun to talk to. And if you want to see a golf swing that we all should copy or aspire to just go out and watch Nanna practice. Needless to say, we are very lucky to have them here at Boca West, even for a short time. Perhaps in the future they will get to visit us even more.

SF: What prompted you to take up golf in the first place?

NKM: My family played. My grandad needed a hobby when he retired so he took up golf and both of my parents and my brother played. My father currently has a 5-6 handicap and my mother at her best was a 13. She doesn't play much anymore. My brother is a scratch golfer. We still belong to Smorum Golf Club which is about a mile from where I grew up. When we were younger, both my brother and I would ride our bikes to the club to practice. My brother told me that when my handicap got to be lower than his he would stop playing golf. When I was 15, I got my handicap down to a "1" and he was a "2" at that time. He did not play golf for a year.

I started playing golf around 10 years of age. When I was 11 or 12, I met another girl at the club—Emily Pedersen and we began competing against and pushing each other. At age 14 we both were chosen for Denmark's National Team and started playing in international events. We got to play all over Europe including Spain, France, Italy, Germany, England, Wales and Scotland. We were even given some time off from school to play. Emily has gone on to play on both the Ladies European and LPGA tours and is currently trying to get her LPGA card back. We still keep in touch.

SF: What were your most significant accomplishments as an amateur?

NKM: Being selected for the Denmark National Team at age 14 was a big accomplishment. In addition, I have won 11 Danish National Championships—2 Junior (under 18 Championships); one stroke play and one match play championship; and 7 team championships with my club. I was also on the club team when we won the European Golf Championship in 2013. Finally, I won an individual title at an international event in Spain (A6 Ladies Open) in 2013.

By the end of 2014 I was the #1 ranked European golfer in the world. My last event as an amateur was the Tour School, Final Stage for the European Tour. With a final round (course record) -9 (63 shots) I won it and would have been the number 1 ranked amateur in the world the next day if I haven't decided to turn professional the same day.

SF: What were the major factors in your decision to turn professional?

NKM: I enrolled at the University of South Carolina in 2014 but decided to try Qualifying School for the European Tour. When I actually won that tournament, I thought I was ready and turned professional, so I only spent one semester at USC. I felt based on my results I could succeed in golf and reach some of my goals, namely to be in the top 30 in the world and win multiple events. My ultimate goal is to be a top 10 player in the world and win major championships. The biggest one of course would be the U.S. Open.

SF: What has been the most difficult aspect of being a touring professional?

NKM: No doubt the constant traveling and being away from my family and friends for long periods of time. Often, I go from place to place and only see the golf courses—there is no time to see sites and be a tourist. Some of the time I have had friends come to tournaments and several times during the year my parents will come to see me play. They try to combine a vacation with my playing schedule. Last year they saw me play in 6 or 7 events, including my tour stop in Australia.

The other thing that is difficult is the pressure to do well which of course is self-imposed. But I am a very competitive person and I play best when there is something to play for. That even goes for practicing.

At times it can be hard to differ the golfer and the person from each other. It's very important to remember that you are not a bad person or a failure just because you shoot a bad round or miss a cut.

Social media and all the attention that follows can make that hard at times.

SF: How do you have fun during your time off?

NKM: Periodically I like to go to the gym. I really like to go shopping—principally for shoes, purses or clothing. Last time I counted I had 43 pairs of shoes (not including golf shoes) and I have added some since then. Nicki said that if I buy a new pair, then I have to throw out one old pair.

If I am home, I like to spend time with my friends and family and our dog.

SF: What are the highlights of your professional career so far?

NKM: There have been several. Winning on the LET at the 2016 Tipsport Golf Masters was special as was winning three times on the Symetra Tour and getting a battlefield promotion to the LPGA in 2018.

Playing in the Olympics in 2016 as part of the Danish Team was memorable. In the last round after nine holes I was 1 or 2 shots behind 3rd place (which would have meant a Bronze Medal) but did not play well on the back and ended up in 13th place.

I was in the stands and got to see the guys from my country win a gold medal in team handball which was great. While I did not get to be in the opening ceremony because we arrived in Rio later that week, I did get to participate in the closing ceremony. Of course, we had to

Continues on page 14 >>>

From page 13

wait 1.5 hours in line to get into the stadium and had to stand in the rain after the ceremony was over, but it was a great experience.

SF: What are your goals for this year?

NKM: I would like to be in the top 35 on the money list; be in contention to win a couple of tournaments and finish in the top 40 in the world ranking. I think to achieve that I will need to improve my Sunday rounds. I also need to be more consistent driving the ball—its great when I drive well because I hit it so far, but when I'm off I am way off. Finally, while I am a good putter that can always improve as can the rest of my short game.

SF: What is your favorite course anywhere and what has been your best score, ever?

NKM: I really do not have a favorite course—I just love to compete. My best score is nine under par and I shot that twice—the first time at the LET Qualifying School in 2014 and the second time at the Thornberry LPGA Classic in Green Bay in 2018. In Green bay I bogeyed the last hole and would've had a 62.

SF: What is your best golf tip for us amateurs here at Boca West?

NKM: My advice is to get lessons from your professionals and practice what they are telling you. That means spending time on the range and working on your technique. Range time should include all swing elements from full swings to pitching, chipping and putting. You should practice around 4 times as much as you play.

SF: Other than the golf, what have you enjoyed most here at Boca West?

NKM: The people here have been really nice. I really like the atmosphere—we have been treated like members of the family and it makes us very comfortable. I am such a big family person and sometimes it's hard being away from Denmark for longer periods of time. Boca West is the best possible supplement to our Danish home, and we very much look forward to coming back. Bonus is of course the weather—now, much better here than in Denmark.

I hope everyone enjoyed this interview and encourage you to continue to follow her as she competes on tour this year. A big thanks to Nanna for spending the time and helping us to get to know her better.

By Howard Krosser, BWMA President

BWMA WINS BEST OF BOCA RATON AWARD!

WE WANTED SHARE WITH YOU SOME GREAT NEWS! The Boca West Master Association has been selected for the 2019 Best of Boca Raton Awards in the category of Association or Organization. Each year the Boca Raton Award Program chooses only the best local businesses that have demonstrated the ability to exemplify the best of small business to their customers and community. I want to congratulate the BWMA management team and the employees of the Master Association for this prestigious award.

As we begin a new decade, we are very grateful to have the privilege to live in Boca West and know that our family, friends and members are safe, thanks to our security operation which is overseen by our Security & Safety Committee chaired by Elaine Wittlin. BWMA employs our own security team which is like having your own private security. The majority of the surrounding communities outsource their security services. Since we have our own employees, we know that they come to Boca West every day and therefore are familiar with our residents, with our community, our Rules of the Road, and with all of the Club events. Unlike outsourced security guards that are bounced around from community to community, our security personnel recognize us as we recognize them. What a comforting feeling to know familiar faces are manning our gates. Our team consists of 46 security personnel which breaks down to one Chief of Security, one Captain, one Sergeant, four Lieutenants, and 39 Security Guards in addition to our in-house emergency ambulance service, American Medical Response (AMR). Each Security Guard receives hands on two-week training from our sergeants and lieutenants and must pass a written test before they are permitted to work at the gates.

Boca West has more than one million visitors excluding members that are coming through our gates each year. They are graciously greeted by our Security Guards under the excellent leadership of Chief Joe Lastella. The data speaks for itself of the service our Security team provides:

Guests (does not include members) ..... 90,000 per month
AMR (about 90 calls per month) ..... 1,080 per year
Security response to calls ..... 25 per day

As you can see our team is hard at work every day, not only during in season but even during the summer months. In the event of a hurricane, our security office is staffed waiting to assist wherever needed after the storm. What could be more important, especially during these unfortunate world events that have occurred and are occurring than to have a dedicated security team? Even you, the members, play an important role in the security and safety in Boca West. Many of the residents will notify us if they see something suspicious, and will alert us via phone call, an email, or simply just by stopping by the BWMA Security Office. Residents have also offered suggestions to keep the roads safer at night. We welcome all of your comments and suggestions!

We all live here and enjoy our lifestyle, which involves the safety on our roads. Just imagine, how awful it would be to be involved in an accident which could include yourself, or worse-case scenario, your family members, friends, or other members! Speeding, running stop signs or lack of overall awareness could result in being fined or losing your transponder privileges. Understandably, we have all been in situations when we are in a hurry to get to our desired destination. Keep in mind, you can't enjoy a visit or help a dear friend or loved one if you are involved in an accident. Remind yourself that you will arrive safely at your desired destination by following all road safety signs – stop signs and speed limit signs are not a suggestion but are for everyone's safety, including yours. We need you, the members, to continue to be proactive and accountable for your safety and the safety of others.

The Security Staff, and the Security & Safety Committee, thank you for your continued support and focus on Boca West safety.

OMBUDSMAN

mikejosh18@aol.com

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If your situation has affected you in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

An Update From Boca West Realty

REAL ESTATE SUCCESS

Since opening in October, Boca West Realty has been working hard to generate national and international recognition for our amazing community. To date, we have generated more than 950 inquiries with interested homebuyers coming from 32 states.

Our Boca West Life magazine is receiving rave reviews, and the Stay & Play residences are completely booked for March and early April. In February, the Boca West Realty team experienced high demand.

Chris Hammers

A GROWING TEAM

We are also proud to introduce Chris Hammers as the new Director of Real Estate Sales for Boca West Realty. A seasoned real estate professional with over 20 years of experience serving the South Florida market, Chris joins Boca West Realty after having owned a leading real estate brokerage firm in the area. We're thrilled to have him as a part of our team.

We are excited about the future of Boca West, and we are available to assist you with your real estate needs.
