NEXT MEETING:	

The Chairmen called the meeting to order at 2:30PM. In our final meeting of the season, we reviewed not only what we have done in this last season, but what the future plans were that we needed to concentrate on.

We asked our committee what they thought were our best achievements but also what they thought that we had missed.

We reviewed what we thought was needed to improve our New Member Party. We must come up with a way to advise people "not to make dinner plans" as well as addressing the flow of the party.

Also maybe trying to label tables with signs as to what new member interests might be "Canasta" "Bridge" "golf" etc. and that way our new members could choose who to sit with. We also had discussed giving each new member 5 "business cards" that they could hand out to new acquaintances.

We also discussed the ongoing difficulty of new members “making card games”

Coffee and Chat has been one of our best achievements. Last month alone, we had over 20 people attend. With this success we have been discussing how to elaborate on this program.
Our fabulous committee, as well as Leslie Kennedy and Kathy Kohlhepp, were recognized, and thanked for a year well done.

The meeting was adjourned at 4PM.
