PRESIDENT'S LETTER

Dear Member,

YOUR MAGAZINE IS BACK! We were delayed in getting the information for this year's events and activities to you, but as you can imagine there have been many unknowns. We intend to offer as much as possible as long as it can be offered safely. We have been creative in our approach to bring you the Boca West lifestyle that you enjoy so much while following the necessary safety guidelines. Please remember that all information with regards to activities and events are subject to change due to State, County and CDC guidelines.

On October 5 we will be reopening additional areas around the Clubhouses allowing members more freedom to move throughout the buildings. We will continue to err on the side of caution and we are confident in our safety practices and protocols that we can reopen safely. In addition to masks being required, as you enter any of the Club buildings, your temperature will be taken and you will be asked to use the provided hand-sanitizer as well. Your cooperation with the staff in this regard is greatly appreciated. Registration in golf and tennis will be back inside the Shoppes, a modified beverage counter will be offered and all locker rooms will reopen.

In addition to the sit-down dining opportunities, we will continue to offer the pantry and to-go meals, as long as demand continues. Holiday to-go menus will also be offered so you may celebrate with your families and guests in the safety of your homes.

I am pleased to announce **Boca West Country Club has been recognized as a Top Workplace for 2020** by the Sun Sentinel. Boca West is the only Country Club within the large employer category and I am sure you will all agree that without the continued commitment from our hard working and dedicated staff, this award would not be possible.

Congratulations are in order for Pam Elders, Director of Golf Instruction, on winning the South Florida PGA Player Development Award. Pam is being recognized as the 2020 PGA Professional who has made extraordinary contributions and achievements in the area of player development. Just in the past four years alone, she has held numerous boot camps, clinics, junior clinics and kid camps with over 1,000 participants. With her Golf Match Maker program, 25 members upgraded to golf members after participating in this program. We are so proud of her.

As we look forward to welcoming many of you back to your paradise we also await the arrival of our seasonal staff. Unfortunately this year we have experienced some challenges with the visa application for our International staff. Due to the Covid-19 pandemic unexpected visa rule changes and travel restrictions may cause a short delay in their arrival. However, our excellent Human Resources team has partnered with local high schools and colleges and has increased the overall local hiring so there will be no change in the service and amenities. Please know that we have added many safety precautions for the International staff when they arrive as well as for the duration of their stay with us. They will be tested for Covid-19 before they depart their home countries and when they arrive. The bus transportation and housing has been adjusted to allow for social distancing and we have taken additional apartments as quarantine apartments, should some get sick.

I am sure you all agree that we have the best employees within the industry, I am so proud of them and the strength and resilience they have shown throughout this pandemic. They continue to strive for excellence and are always prepared and do more than is required. With thanks to our continued partnership with the FAU School of Business, we were awarded a number of scholarships for the FAU Hospitality and Tourism Management Certification. There were 11 managers who participated, six F&B Managers (Elan, Jenny, Jody, Norton, Marvin & Marileina), three from Fitness, Spa & Aquatics (JohnMark, Jason & Troy) and two from Catering (Junior & Chris).

The past seven months have been difficult with constant changes in State and Local orders and the decisions that needed to be made daily. I would like to thank Phil Kupperman, Chairman of the Board, and the Board of Governors for their continued support throughout this time.

I hope you have had time to watch our new club wide safety video that highlights our newly implemented safety practices and protocols showing our continued commitment to your well-being. We take personal responsibility in keeping your Club safe… ***when you are ready, we will be waiting!***

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

MEET YOUR NEW NEIGHBORS

Can you imagine Boca West Country Club being more special than it already is? What if more of your friends and family were here living the good life alongside of you? Now that's special! Tempt your friends and family by sharing the Club's brochure, many of whom may not be familiar with Boca Raton's oasis, Boca West Country Club. You could always use it as a brag book! Brochures are available in the Club Services office or call 488-6934 and one will be mailed. Paradise can only get better surrounded by more of the people you love. They have to see it to believe it!

OUR DOORS ARE OPEN & *We Can't Wait* TO SEE YOU!

By Enid Hoffman, Retail Committee Chairman

We are tremendously excited to announce that beginning October 5, the Shoppes at Boca West welcome you back to our new "Open Shopping" hours. The Golf & Tennis Shoppes will be open for retail therapy from 7am-5pm daily while The Boutique will be open Wednesday, Friday and Saturday from 12-3pm. We thank you for your loyal support during these difficult times and look forward to seeing you in our Shoppes. For the safety of our members and staff, we ask that you please wear a face mask, sanitize your hands before entering the Shoppes, and practice social distancing.

If you love to shop and prefer a one-on-one personal shopping experience, you are welcome to make an appointment with one of our retail sales professionals. We are here to help you find the right fit so that you look your best. This is the perfect opportunity for you to see new merchandise arrivals, touch and feel fabrics as well as take your time and try on various outfits. New to Boca West and not sure what to wear on the golf course and tennis courts? We have that covered and are glad to assist you with finding what you're looking for. Personal shopping appointments are limited to 30 minutes and are subject to availability.

Did you know that you can "Shop the Shoppes" without having to leave home? Should you be unable to visit our Shoppes in-person, your retail professionals would love to put together various style options for you so that you can try on merchandise in the comfort of your own home. Your retail professionals will spend time with you over the telephone, getting to know you and your style preferences and will hand-pick items for you that can either be picked up at valet or shipped to your home should you live out of state.

In addition to personal shopping, members have the option to view merchandise online via the Boca West website. Our new "Shoppe from Home" link on the Boca West website was launched as a way for you to safely and conveniently view favorite name brand apparel basics, unique giftware, and accessories. Just give us a call or send us an email if you see something that you like and we will bring your order to you curbside. We are constantly refreshing our "Shoppe from Home" selection with new merchandise so check back often so that you don't miss out on anything! The Boca West "Shoppe from Home" is available for viewing on the member website, as well as via email blasts.

Is there a line that you love but don't see it in any of our Shoppes or did something catch your eye but can't find it in your size? Just let us know. As always, your retail sales professionals are more than happy to special order anything you need.

Our Fall line-up this season will be action-packed with a variety of sales, promotions, and trunk shows. New this season will be our weekly "specials" on designated days of the week in each of our Shoppes. Each week there will be a Tuesday "Special" in The Boutique, Wednesday "Special" in The Golf Shoppe and Saturday "Special" in The Tennis Shoppe. Each Shoppe will feature surprise discounts and promotions so that you never miss a sale. The "special" of the week will be announced the day before as well as the morning of and will be a surprise discount every week.

THE Shoppes AT BOCA WEST

Our two biggest retail events of the year-the "Fall Fling" and "Holiday Bazaar" will have a different format this season and will be spread out over two weeks in November and three weeks in December. Both events will feature trunk shows spread out over the two-three week period alongside in-store blow-out sales.

This is a fantastic opportunity to freshen up your wardrobe for the season while getting a head start on all of your holiday shopping. Big name trunk show vendors such as Bugatchi, Anatomie, Peter Millar, Lucky in Love, TAIL tennis, Sondra Roberts handbags and ECCO Shoes will be here in both November and December to show you all of their new styles. Bring your birthday certificates.

Did you know? Every member receives a Happy Birthday certificate from our very own Matthew Linderman. Check your email inbox on your birthday for a $25 gift certificate that may be used towards a one-time purchase of $100 in any of our Shoppes. Don't forget… you may use your birthday certificate when the Shoppes are on sale.

Do you love to shop? For each $200 purchase and as a "Thank You" for your loyalty, members are issued a 15% off coupon towards their next $200 purchase. What does this mean? If you always buy in $200 increments, you will always get the best "sale price" on what you purchase.

ON THE COURSES

By Steve Forman
Golf Committee Chairman

Welcome Back to "NORMAL"

I believe my last article was for the March Boca West Magazine, so it has been awhile. First things first, I hope everyone has remained safe and healthy through this pandemic and will continue to do so.

Golf at Boca West shut down in late March and returned in May. We started again with raised cup liners to prevent players from reaching down into the hole to retrieve their ball, then had lids about an inch down in the hole so balls could be easily retrieved and finally moved to having devices on the flag sticks so you can lift the ball out of the hole with your putter. All the while social distancing was required. I am not going to recount all the initiatives undertaken to protect us but do want to thank our Director of Golf JR Friend and his staff as well as our General Manager Matt Linderman for their diligence in keeping us safe every step of the way. I would also be remiss if I did not acknowledge the terrific work of our Golf Maintenance Staff under the leadership of Wes Dinsmoor in what has turned out to be very trying conditions over the past several months. Of course, he had to deal with the pandemic which greatly affected staff availability. Since June, Boca West has experienced unprecedented rainfall which wreaked havoc on the courses, especially the bunkers. Thousands of staff hours have been expended just getting them back in shape and at least twice when he finished the job, more rain came which put him back to square one. Meanwhile the courses are in great shape, again, testimony to his diligence and skill. I think everyone should take the time to thank our entire staff at Boca West for the work they do for us.

Meanwhile your Golf Committee has been busy, meeting throughout the summer to help plan for the upcoming season. As I write this article, there is still a lot of uncertainty regarding what kind of programs we will have but rest assured we are all doing our best to offer a full schedule that meets your expectations. I expect we will still have our usual cadre of events and tournaments, only run a little differently to keep us safe.

Over the summer we did have tournaments for Independence Day and Memorial Day but rather than having a shotgun start, groups were given tee-times so that people did not congregate. Our Three Club Tournament and Mulligan Tournament were run the same way and the feedback we received was very positive.

We still struggle to get people to follow golf course driving rules. To remind you, ALL carts must stay on the cart paths on all Par 3s. NO EXCEPTIONS, even if you have a handicap flag. Carts with handicap flags may park near (no closer than 15 feet) the greens on Par 4s and 5s. Posts with red or blue tops tell you where you may go—Blue is okay; Red—no one may park on that side of the green. If you do not have a handicap flag, then get back on the cart path where you see either a blue or red-topped post.

By the way, we will be issuing new handicap flags for those who wish to continue having them.

Also, there are new rules regarding golf attire. If you are not dressed in accordance with the rules, either on the courses or the practice facilities you will be asked by one of the staff to leave. Without going into a lot of detail, workout clothes are not acceptable, and shoes must always be worn. That means no bare feet or flip flops, ever. Hats must be worn with the bill forward. If you have questions, the golf shop can provide you with the details.

Finally, we are all proud of our LPGA Professional Nanna Koerstz Madsen and her success on the tour. Hopefully she and her manager and caddie Nicki Hansen will be visiting us soon.

"And no, that is not me in the red shirt with stripes above."

As always, I am interested in your comments, suggestions or feedback. You may reach me via telephone at 488-8726 or email me at sforman@strategicm.com.

TOURNAMENTS & EVENTS

Adjustments will be made as COVID-19 guidelines are updated. All social events are open to all equity members. Equity golf members have top priority. All competitive events are open to equity golf members only. Certain events are limited to a maximum number of participants. When oversubscribed a blind draw will be used to select entries. All requests must be submitted via the Club's app and/or website. Any questions, email golfevent@bocawestcc.org

2020-2021 GOLF LEAGUES

All league play will begin in the form of tee times and formats will be based upon current Covid-19 guidelines.

Golfers must register online one week prior by 5pm. Tee Times will be approximately between 8–9:40am. Players will receive their tee time three days prior to play.

Golf League Season runs from October 12, 2020 - March 25, 2021.

Applicant must be an **Equity Golf Member** with an up-to-date GHIN handicap in the Boca West computer.

League dues for this season have been adjusted to: $100 for 18-holes and $50 for 9-Holes *(Luncheons, if possible, will be charged separately)*. Amount will be charged to your member account.

Ladies' 18 hole League will begin play on Wednesdays only. Adjustments will be made as COVID-19 guidelines are updated.

AT THE NET

Tennis & Pickleball Committee Chairman

Good NEWS!

PICKLEBALL **The second group of four courts, currently double lined for tennis and pickleball will be converted from dual use to pickleball only. This will give us eight dedicated pickleball courts. The surface will be repainted and the courts will be set up like the original four, hopefully by mid or late October, (although the completion date will depend on rainfall during this time of year).**

TENNIS **We have been approved for replacing canopies throughout the complex, including those over the seats at the stadium court, as well as those over the seating areas between all of the courts. In addition, there will be the usual repair and replacement of screens, fencing, etc, plus a new tennis storage area. This will eliminate the current eyesore, and will save a great deal of expense versus building an entirely new shed.**

I should add that none of this came easily in light of current budgetary issues, so kudos to John Joyce for his tireless efforts. Also, my thanks to our devoted committee members for their contributions to maintaining and improving our racquet sports program.

Looking forward to another successful season, and I welcome your suggestions, mikejosh18@aol.com.

"Mashne": **This trendy new term is about acne on the skin, under the area where a mask is worn, often due to the buildup of bacteria, excess oil, and dead cell accumulation combined with warm and moist air from breathing.**

TIPS:

- Wear a 100% cotton cloth mask, whenever possible.
- Wash your mask every day in a gentle, foamy detergent. Do not reuse your mask next day without cleaning/disinfecting thoroughly.
- Try to avoid wearing make-up under the mask, such as liquid foundations and heavy lipstick. Instead, opt for natural and light coverage, such as a mineral powder, if necessary. Now is the time to feature those beautiful eyes!
- Avoid picking at skin lesions. Instead, invest in Pevonia's Spot Treatment and Pure Skin Charcoal Mask to reduce active blemishes, while deeply cleansing and unclogging pores.
- For best results, cleanse and tone the skin thoroughly both in the AM and PM.
- Pevonia's Plantomer Treatment is perfect for soothing, reducing inflammation, and providing antiseptic benefit to control excess lesion-causing bacteria.

Mask Irritation: This can happen to anyone; it may be more common for clients with a dry and sensitive condition, but also those with oily or combination skin, especially in warmer climates. Moreover, it can happen to men when wearing a mask shortly after shaving. The oil absorbing effects of the mask material, the heat trapped underneath, and the rubbing and friction against the skin over an extended period of time can all lead to irritation with redness, tenderness, overall area discomfort, rashes, dryness, skin maceration, etc.

- Wear a 100% cotton cloth mask, whenever possible.
- Wash your mask every day in a gentle, foamy detergent. Do not reuse your mask the next day without cleaning/disinfecting thoroughly.
- Coat the skin under the mask and lining with a thin layer of Pevonia's Reactive Cream. This will act as barrier cream to protect and heal the skin. And a the boost of hydration by applying Pevonia's Hyaluronic Acid Hydra-Serum under the Reactive Cream. Just make sure these products are completely absorbed into the skin before donning the mask, and if needed, blot the skin of any excess of product.
- For men, for a freshly shaved area, apply any Pevonia facial toner and/or the Soothing After Shaving Balm to prep the skin before putting on the mask and reduce follicular irritation.
- Promote facial treatments designed to calm and hydrate the skin, such as our NEW! Hydra-Cloud Treatment.
- As a treatment or home care boost to calm irritation and sensitivity, soak 4x4 pads or hand towels in one (1) part Phyto-Aromatic Mist, mixed with three (30 parts filtered water. Allow the pad or towel to rest on the skin for 5 minutes. This provides a great boost of hydration and calming relief!

MEET YOUR NEW NEIGHBORS

Can you imagine Boca West Country Club being more special than it already is? What if more of your friends and family were here living the good life alongside of you? Now that's special! Tempt your friends and family by sharing the Club's brochure, many of whom may not be familiar with Boca Raton's oasis, Boca West Country Club. You could always use it as a brag book! Brochures are available in the Club Services office or call 488-6934 and one will be mailed. Paradise can only get better surrounded by more of the people you love. They have to see it to believe it!

3D ART

What is 3D art? A unique experience in creating and finishing your own master work of art! Starting with a picture kit of 6-7 identical sheets, then following a simple guide and cutting out specific sections on each of the sheets, layering them using a silicone resin, you magically build up your picture to a level where it appears to be and is actually in **3D!**

We then help you embellish your finished art with, gems, feathers, beads, glitter, puff paint, plants, hair, glaze and an enormous selection of finishing touches from our large stock of high quality embellishments, that we provide at no cost to you, turning your completed artwork into something personal and unlike anyone else's. Even if you feel that you don't have any creative talent, you will be amazed at how simple and stunning your very first project can be. We have been teaching and surprising countless new students over the past 11 years. Now at Boca West you have the opportunity to get addicted to this relaxing and therapeutic Craft.

They will provide and stock everything you need to purchase to complete your project, starting with your basic tool kit; (a one-time investment), numerous picture sets from $25 up to $300) and everything else, from rhinestones to glue.

MOTOWN

Neal Dorman: Monday, October 5 at 4pm

Motown was the vision of Berry Gordy Jr that he launched in 1959 with $800 he borrowed from his sister (spoiler alert, he retired with over $400 million). He created a new sound, blending Rock, Jazz Soul and Pop. This is truly some of the most memorable music of our lives. You are sure to get up and dance like there is nobody looking during this trip down memory lane! Request by: October 1.

zoom Presentations

THE VICE PRESIDENCY: IS IT REALLY RELEVANT?

Dr. Ralph Nurnberger: Wednesday, October 7 at 4pm

First, he will discuss the historic and substantive role of the vice president. The nation's first Vice President, John Adams, wrote: "My country has in its wisdom contrived the most insignificant office that ever the invention of man contrived or his imagination conceived." How has this developed over the course of American history? The second topic focuses on how Vice Presidential candidates are chosen and whether it matters who is selected to run for Vice President. A recent nominee for Vice President stated: "Remember, no one decides who they are going to vote for based on the Vice President." Is this the case? Request by: October 3.

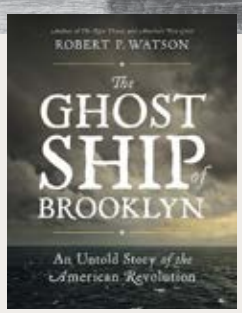

THE GHOST SHIP OF BROOKLYN: AN UNTOLD STORY FROM THE AMERICANREVOLUTION

Dr. Robert Watson: Tuesday, October 20 at 4pm

Request by: October 18.

POST-IMPRESSIONISM AND THE "ROOTS" OF MODERN ART

Karen Leader, PhD; Monday, October 26 at 4pm

Four artists, Cézanne, Seurat, Van Gogh and Gauguin are credited with ushering in the era of modern art. We'll take a close look at their innovations and those of a few other branches of the tree as well. Request by: October 22.

ELECTION UPDATE: THE DAY AFTER BALLOTING—WHAT DO WE KNOW SO FAR?

Dr. Ralph Nurnberger: Wednesday, November 4 at 4pm

Historian Ralph Nurnberger will discuss the results of the Presidential and Congressional elections—and what these results may mean for the country. But, it is possible that we may not know the winner of the presidential and Congressional elections by the next day. It is certainly possible that one candidate might have a clear lead when the votes cast on election day are counted, but that absentee and mail ballots might alter the initial results, especially in the so-called "battleground states" that are key to achieving a majority in the Electoral College. Thus, it is possible that the final results may not be known for days, and even weeks, after November 3; likely leading to protests and court challenges. This has happened in four past presidential elections when the initial electoral college results were inconclusive for weeks after the popular votes had been cast. In any case, the elections will provide interesting topics for discussion "the day after"! Request by: October 31.

LOVE SONGS AND THEIR MUSICALS PRESENTED BY STEPHEN FRIEDMAN

Tuesday, November 17 at 4pm on Zoom

How many different ways are there to say "I Love You" in great Broadway Musical Songs? Let internationally renowned Musical Theater historian Steven Friedman show you some of the greatest Broadway Love songs , some are comical, some full of emotion but all are wonderful expressions of the world's great emotion, LOVE! Come enjoy the wonderful Zoom and hum along with these great romantic moments. Request by November 13.

A GREAT STORY: *A STAR IS BORN, BOHEMIAN RHAPSODY* PRESENTED BY ROD MACDONALD

Wednesday, November 18 at 4pm on Zoom

Two of the top-selling musical films of all time, A Star Is Born and Bohemian Rhapsody chronicle the rise of pop superstars in fiction and non-fiction films; one is a rags-to-riches story, the other the bio of Freddie Mercury, lead singer of Queen, a British band who's song "Bohemian Rhapsody" is the most popular single in British music. Each portrays the rise of a singular performer, who struggles against personal demons and formulaic career choices, showing how they rise to greatness, changing the lives of everyone around them. Request by November 14.

BOOK REVIEWS WITH DEBORAH WITHAM ON ZOOM

Deborah Witham, a Phi Beta Kappa graduate of Douglass College (Rutgers University), earned a Ph.D. in English from Indiana University. She taught at the University of Kentucky for more than 30 years. Now retired, she is a book-group facilitator because she loves books and can't get enough of them either through reading or discussion. Discussions run approximately 75 minutes Complimentary, however, you must register for this on the Boca West website. Please register 10 days prior. Classes are limited.

The Women of the Copper Country by Mary Doria Russell

Tuesday, November 19, 4pm on Zoom

Historical novel set in Michigan at the turn of the 20th century, before WWI. Request by Monday, November 9.

Boca West Children's Foundation 10th Anniversary

On March 1 the BOCA WEST CHILDREN'S FOUNDATION CELEBRATED ITS 10TH ANNIVERSARY GALA at Boca West Country Club with over 880 in attendance. More importantly, through the generosity of our members, corporate sponsors and guests, the event raised over $1 million for our partner charities at this beautiful evening.

Ours was one of the last opportunities for a large gathering. Many of our partner charities were not as fortunate and they were forced to cancel events that would have raised funds to care for "our kids."

Covid-19 has hit the communities we serve very hard. Our board stepped forward to provide emergency grants to protect "our kids" from the immediate impacts of the shutdown by ensuring the children continued to have access to basic necessities. We offered nutritional support and assistance in securing personal protective supplies such as face coverings and hand sanitizer.

When schools were forced to close and learning went "virtual," many of our kids lacked broadband access or electronic devices to access their online lessons. Over the past 8 months the Foundation has distributed the $1 million raised at our Gala to attack these challenges.

We purchased hundreds of tablets through the Education Foundation of Palm Beach County, who in turn, distributed them to children in need. We funded 18 additional county programs that are keeping the families and "our kids" safe during these difficult times.

The Foundation joined forces with the Boys and Girls Clubs of Palm Beach County to fund a program called "Farm to Families," buying produce from local farmers and facilitating delivery through the Chapter Houses.

The Foundation board also authorized the grant of extra support to Boca Helping Hands to allow them to become a primary food distribution source in our area.

The **$100,000 Golf Challenge** was to be held on March 30. This event has now been approved to occur with our **"Safe and Sound"** rules and regulations in place on November 8 (for Boca West Members only) and November 9 (outside players).

The Golf Challenge promises to be a fun and competitive event implementing all safely protocols and rules established by the Boca West Country Club Golf Department to protect the health and safety of all participants. Volunteers who have been tested will replace Club staff in all necessary interactions with our golfers.

The **$100,000 Golf Challenge** will honor First Responders and frontline workers, many of whom are parents of "our" children.

If you are not in town by November or unable to participate, we hope you will consider sponsoring a first responder or frontline worker or, perhaps, converting your registration fee into a donation.

All the components of our previous tournaments will happen -- just in a different and safe manner. Everyone will receive a sleeve of balls, golf shirt, gift from our Superstore, food on the course, beverages and ducks for our world famous Duck Drop.

Raffles will be available for purchase with a few new surprises to make it a memorable outing. Everything will be staged in tents (on the course) and staffed by our volunteers.

It promises to be a great day and a very important one for "our" kids. Hope to see you there.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

COMMUNICATIONS NEWS

By Howard Boilen, Communications Committee Chairman

We don't need to use the term "New Normal" anymore—for the foreseeable future the virtual world will be the normal. The guidelines set by the CDC are there to help us stay safe. As things begin to "open up" it will still be challenge to do everything we're accustomed to. The Club is exploring different avenues to continue programming; either virtually and/or in small groups that are able to "social distance" from each other. The Board of Governors and Management have worked this summer planning how we can maintain our activities, entertainment and services.

In the communications area we have been working on how the Club can still do our good things in the new virtual world. Services like facetime WebEx, google rooms and especially ZOOM have become parts of our vocabulary and everyday life. All our Club committee meetings since late March have been done by ZOOM. Many of our not-retired members – working full time or part time - have learned that in many cases they can work from home and do not have to commute to their actual office. In the Club buildings, we have tripled our WiFi capacity and speed to accommodate the expected increase in members that will be using WiFi. The Hotwire WiFi speed in our homes is three times the speed of Comcast, making access easier as well. The House & Activities departments are working on maintaining as many of the incredible events that we always look forward to both virtually and other ways and at the same time always trying to keep us safe.

We are working on the passivity of online shopping from our Retail outlets, possibly within our member website.

We are also working on new things we can do with the Boca West app to help us comply with social distancing and not touching certain things that should not be touched.

There are more areas of the Club that communication ideas are under consideration or planning stages but we never talk about what we can do until we know we can do it. But please be assured that Communications and every other department is working with Management in every area of the Club to help bring the best that we can do for all of us members for the 2020-21 season.

First and foremost – stay safe and stay healthy.

MEMBERSHIP COMMITTEE UPDATE

By Harriet Moskowitz, Membership Committee Chair

Did You Know?

As we come to the close of fiscal year 19/20 and our sales statistics are being calculated, your community had a total of $90 million in Real Estate transactions. Twenty-four of the homes included in that total were previously Non-performing and are now converted to a performing Equity unit. Your Club welcomed over 150 New Members. Twenty of them were previous lessees, 13 of them were members adult children that partook in the Club's Offspring program which extends a $10,000 price break to our members children. Thirteen of the 150 New Members previously participated in your Club's Stay and Play program. You will recall, that this is one of our most successful marketing tools. This program permits a friend of yours to stay three days and two nights in a beautifully decorated condo and receive a full Boca West Country Club pampered delectable experience. Your Club, now more so than ever during these uncertain times, is attracting those that are accustomed to a lifestyle that cannot be found anywhere else in the world. Safe, delicious and spectacular. With the safety and health of ourselves and loved ones being paramount, we are all recognizing the importance of being close to family. It warms my heart to see how many adult children are relocating here to be in our special community alongside their loved ones.

Based on the sales reported above, you can feel confident about the finances and security of your Club. The world is in a time of uncertainty but rest assured that your Club will continue providing you only the best, with your health and safety being the primary concern.

The required payment date for your Annual Membership Dues was September 30. Each year the Club receives a few telephone calls from members to let us know they are traveling for the year or for personal reasons, will not be using the Club this year. **Can they skip a year of paying their membership dues?** The Club sets the budget based on the exact amount of Equity Memberships. If one equity member fails to pay it leaves the shortfall on the rest of the members. For obvious reasons, this is not permitted. As a minimum, the Social dues are required no matter of Club usage.

Sometimes the question comes up, what if a member is no longer capable of using their membership? There are options available for a future heir to become the member. Start by calling the Membership department and they will assist you with this process.

What happens when a Member does not pay their minimum Social Dues?* As mentioned, Social Dues are required. If payment was not received by the Membership department by September 30, the Member's account was suspended on October 1 and their name was posted on the Suspension List on the Club's website. In addition, a 1.5% administrative charge is added per month. An account which remains unpaid for more than 60 days will be subject to a lien, which will be recorded with the Palm Beach County. At this time, the Member's security transponder is deactivated. This requires the Member to enter the community through the guest entrance, possibly waiting in line. At 90 days, the Club turns the account over to the Club's attorneys for collections. The Member's assets will be pursued. These firm procedures are in place to protect our membership at large from having to make up the shortfall of unpaid balances.

Members that no longer use the Club, no matter what the reason, now have access to friendly, trustworthy Real Estate agents right on property that may assist our member's transition. Also remember, we have an Estate Planning brochure available in the Membership department, as well as online that may answer your questions.

For questions please call or email your Membership department. They may be reached at 488-6934 or membership@bocawestcc.org

In closing, we wish you nothing but the best of health and happy days in our paradise. We are proud of our safety record and only hope that you will share another fabulous season. A little different maybe, but no less fabulous.

** (See Chairman's Letter on page 33 to see latest collaboration between the Club and the Master Association to address this issue).*

NOMINATING COMMITTEE NOTICE

By Howard Boilen, Nominating Committee Chairman

We recently sent out our official informative notice stating that the Nominating Committee is now actively looking for candidates to run for the Boca West Board of Governors. Specifically, we are looking for Members who have special skills, experience and expertise in specific areas. One third of the Board is voted in every year and we have to replenish skills of governors that have finished, or shortly will finish their term limits. Any questions, please contact (by email) Harriet Moskowitz – vice Chair, or myself -Howard Boilen - Chairman. All resumes are due by Friday, October 30 and should be addressed to Tina Daniels - tdaniels@bocawestcc.org at the Executive Office.

Returning for a season?

FOR THOSE OF YOU WHO HAVE GONE NORTH FOR THE SEASON AND ARE JUST RETURNING, WE WANT TO WELCOME YOU BACK! And for those of you who stayed throughout the summer, we are looking forward to being together again.

It has been quite a while since our last magazine article and quite a year. We hope everyone and their families have stayed healthy and safe. We will continue to be in this pandemic together and hope it ends quickly.

COVID-19 started to affect our lives late last season. We promptly closed our offices mid-March and our employees returned to the office in Mid-May. Throughout April, our office staff continued to work from home and only came into the office on an as needed basis. Security remained in full force, for which we are forever grateful, and Landscape and Maintenance continued to maintain our beautiful grounds working with a skeleton crew. To keep COVID-19 at bay, our Board initiated their Emergency Powers and closed the gates and only allowed essential personnel to pass. Our gates were then opened to all vendors and contractors in the beginning of June. BWMA collaborated with the Club and offered COVID-19 and antibody testing in June and July with Alliance Laboratories and Phoenix Health conducting over 1,000 tests in Boca West. Committee and Board Meetings continued successfully through Zoom. Although the offices remain closed to the residents, transponders and new member orientation are still given by appointment only.

As tumultuous as this year has been, we completed many projects over the summer and we continue to press forward and plan for the following major projects:

- Replacement and upgrade of all security cameras
- Replacement and upgrade to LED street lighting
- Installation of three additional fountains in our lakes
- Median improvement and beautification projects
- Planning and implementation of new entrance design and signage at Glades Road
- Continued support of our Joint Venture activities with the Club, including BW Realty

We will continue to update you on our progress moving forward. The 2021 BWMA budget was approved on Wednesday, August 26 at the Budget Adoption meeting. The Budget Committee did an outstanding job and the approved budget will contain no increase in our assessment millage to the villages while still providing all of our services. It also includes initial funding of our new street lighting program and the new Glades Road entrance project which we plan to do simultaneously with the Sports Center renovations and support of the Joint Venture with the Club.

Finally, I would be remiss if I didn't once again thank on behalf of myself and the BWMA Board all our employees and the Club's employees for their super service under the most trying and scary conditions of the COVID-19 pandemic. They are truly our COVID WARRIORS.

Stay safe and be well and enjoy the new season.

OMBUDSMAN

mikejosh18@aol.com

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

CHAIRMAN'S LETTER

BY THE TIME YOU READ THIS LETTER, hopefully many of you who were away for this summer have returned safely and are now enjoying our amenities as we continue to open up more and more venues. To those of you are not here as yet, I look forward to your safe return.

I would first like to thank Matthew Linderman, our President, Chief Operating Officer and General Manager, his Management team and all our staff for their continued commitment to excellence in keeping us safe, active where and when possible and our pantries and stomachs full throughout this summer.

Next I would like to thank your Board of Governors and their Committees for remaining very active this summer by having their meetings on Zoom. I trust from the content of the articles in this Magazine and from my Communiques, you realize how hard everyone has worked on upcoming programs to make Boca West better than ever, even during these trying times.

And finally, as noted by Howie Krosser in his article on page 30, our employees and those of BWMA are truly **Our Covid Warriors**. And as Steve Forman notes in his article, I too hope you take the opportunity to personally thank all of them for the special work they do for us.

At the time of my writing this article, net financial results through the end of August and our forecast for our fiscal year ending this September 30 remain positive. Once again, we will be able to continue the Boca West tradition of no assessments to our Membership. As I have mentioned in my Communiques, we should not underestimate what a great accomplishment this is. I would personally like to acknowledge and thank Matt and our Director of Finance, Kathy Campbell, for their ability to act quickly and decisively at the outset of the Covid pandemic to still balance our finances even with the significant loss of our budgeted revenue stream.

During this summer I wrote several Communiques to you to remain transparent and inform you of the work that is being addressed on your behalf by our Board of Governors, our various standing Committees, Task Forces and Ad Hoc Committees. By far, the most positive responses related to me informing you that the Board had authorized Jerry Glassman, Legal Chairman, Howard Liebman, Immediate Past Chairman and myself to renegotiate Matthew Linderman's three year Employment Contract that was set to expire on September 30, 2021. The Board felt that in recognition of Matt having proven his outstanding service, skills, leadership, Member compassion along with our desire to retain his services for as long as possible, we should enter into a new contract effective this October 1 , one year before his current Agreement was to expire. I am excited to inform you that we have successfully renegotiated Matt's contract which the Board has ratified. The contract is for the next five years with an opportunity for mutually agreeable annual renewals thereafter.

A year ago Boca West Community Advisors, LLC, the joint venture formed for collaboration between the Country Club and the Master Association, announced the formation of Boca West Realty, LLC. It is structured to operate in a manner similar to that of a developer of a residential country club, by selling the entire community; that is, the lifestyle together with the real estate. Boca West Realty is now the sales and marketing arm of OUR community and as a result of their marketing efforts and proprietary data base of prospects likes and dislikes, we are enjoying record activity in part by turning those leads into new buyers and members.

Speaking of the joint efforts the Club has undertaken in collaboration with the Master Association, the Club and the Master Association, working together, have developed a set of additional remedies that will help the Club deal with Equity Members who refuse to pay their Social Dues. Prior to this joint effort, the Club was able to get seek and obtain a judgement against a delinquent Equity Member, but due to constraints under applicable Florida Law, was limited in its ability to enforce collection of such judgment by seeking foreclosure upon the residential unit owned by the delinquent Member. However, the Club and the Master Association, working together through their respective attorneys, have established a new set of remedies intended to indirectly facilitate collection of dues owed to the Club. Under this new program, which will operate prospectively, delinquent Club Members will be subject to fines under a process established by the Master Association pursuant to its Governing Documents and applicable Florida Law. Upon completion of the fining process, and upon following procedures mandated by Florida Law, the Master Association will have the ability to place a lien upon the residence of a delinquent Club Member that has been fined by the Master Association (the Master Association is not subject to the same constraints under Florida Law as is the Club) and then proceed to collect such fine by obtaining a judgement of foreclosure. Hopefully this process will either encourage the Member to pay their Social Dues or to sell their homes and leave our community. Without this action by the Master Association to facilitate an end to the problem of delinquent Club Members continuing to reside in Boca West, such Members will continue to live in Boca West while all dues paying Members are being forced to cover the resultant shortfall.

In conclusion I would like to remind you that the Nominating Committee is looking for candidates to run for the Board of Governors. Howard Boilen, Chairman of the Committee, has already sent out an announcement to the Membership that describes the type of experience, skills and expertise that our Club needs on the Board. I urge you to read it and if you fit the bill and are interested in being considered, please get in touch with Howard. Also, if you know another Member who fits the needs of the Board, I hope you will encourage them to also contact Howard regarding the process and timing.

Wishing everyone remains safe and well.

BOCA WEST COUNTRY CLUB

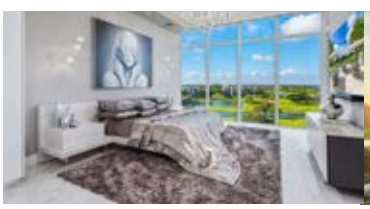

My Morning Routine.
My Life. My Akoya.

"My day at Akoya begins in a brand-new luxury residence with views of a gorgeous sunrise over lush fairways and lakes. Then, I play 18 holes on my choice of four championship golf courses, followed by a gourmet lunch in one of the exclusive clubhouse restaurants. All day I enjoy 5-star amenities and white-glove service. No wonder I'm in love with my life at Akoya."
