Meeting called to order by B. Lerner.

J. Barone opened the meeting explaining that although Palm Beach County is in Phase Three in regards to the Coronavirus, the Club is still in Phase Two in some areas. It was noted that both the Fitness and Spa departments have received very low Hygiene Testing scores which has been very positive in terms of sanitizing and disinfecting facilities. He explained that presently the Spa and Sports Center wet areas still remain closed at this time until we move into phase three at the Club.

He reviewed the monthly specials for both the Spa and Salon areas. The Spa is offering a discounted Ultimate Vitamin C Facial while the Salon is offering seven different hair and nails specials for the month.

He stated that traffic in all indoor group classes remains steady while outside water classes remain very busy. In the coming week, a new outdoor aerobics group class will be introduced as there has been some interest.

The Turkey Trot and Jingle Bell Jaunt races will be suspended for this year however, members will be able to sign up and record their times for walking/running a 3.1 mile course on their own and receive a t-shirt for their participation.

B. Lerner asked J. Barone to remind the physical therapy staff about "social distancing" with members once they arrive for their appointments as he noticed some members gathering upon checking in. J. Barone will follow-up.

R. Wolpov stated that she likes the new temperature units at the entrance of the Fitness Center. J. Barone re-iterated that they are working out fine.

D. Shifrin inquired if we had any comparative data with other private clubs in our area in regards to mask/shield usage and COVID-19 cases. J. Barone stated that outside of the fact that Boca West is one of a few Clubs requiring mask/shields when exercising, he did not have any date on number of positive cases.

M. Klein stated that the club needs to clarify to the membership the club's policy on cleaning your fitness equipment after usage. B. Lerner stated that he would remind members once again when his next correspondence is sent out.

B. Lerner asked J. Barone to look into having a "Fitness Celebrity" type personality for this department as is done with Golf and Tennis. J. Barone will discuss with Matt Linderman.

Next Committee meeting is scheduled for December 8th.

The meeting was adjourned at 4:15 pm.
