PRESIDENT'S LETTER

Dear Member,

THIS YEAR CONTINUES TO BE ANOTHER ONE FOR THE RECORD BOOKS. Traditionally February represents a month of romance celebrated with our Sweethearts in honor of Valentine's Day. This year we should reflect and appreciate the meaning of life and be grateful for all the loved ones in our lives. Truly "Love the Life you Live, Live the Life you Love" and celebrate it! Take a look inside for details of our Tavern on the Court "Love the Life you Live" Restaurant week.

I have some very exciting news to share — **Boca West Country Club has earned the 2021 Top Workplaces USA award!** The list was announced on January 27 in a special virtual event. The award is based solely on the employee survey that was administered just a few months ago by Energage, an independent survey company. This achievement would not have been possible without our valued employees. **The Club will once again be recognized as a 2021 Top Workplace by The Sun-Sentinel as well. More importantly, the Management earned a Culture Badge, "Leaders in the Know"!** This brings me great joy to know that as a team, not only are we exceeding our member's expectations, but our employees are happy and proud to be part of the Boca West family. This achievement is one that we can all be proud of, our employees take great pride and are devoted to taking care of our Members.

Unfortunately the progress with the International staff arrival remains slow. All European countries are still not processing visas, however we were fortunate to have a group of 68 South African approved and they arrived the last week of January. They will begin work at the Club once all Covid-19 safety protocols and guidelines have been met. With this group of arrivals we are working to bring you more variety, not only dining options but expanding some services around the Club as long as we remain diligent and follow the protocols in place. Stay tuned for more information, coming soon!

As a reminder, if you or someone in your home have taken a COVID-19 test you must both stay home until you receive the negative test results. If you or someone in your home tests positive, you too must stay home and must refrain from using the Club. Additionally, **we have updated the quarantine requirements to a ten day period as opposed to the 14 days previously required**, this corresponds with current CDC requirements.

All Members, Residents and gold card family guests (where and when permitted) are required to wear a mask anytime they are moving around the Community at large which including Golf, Aquatics, Tennis and Pickleball facilities and both the Member Park and Dog Park, with the exception of practicing or playing golf, tennis or pickleball and swimming. You must have your masks in hand and put it on when you are within close proximity to others and physical distancing is not possible. Please remember hands must be sanitized frequently.

In the December magazine Phil Kupperman's article referenced the young families who are now Members of the Club. These new young Members are being made to feel unwelcome and uncomfortable. Their legitimacy to use our facilities is being challenged by other Members because they are assuming they are guests and not Members, to the point where Members have been confrontational with these young families. **Please know that we check each and every person that uses the Clubs facility and if they are not a Member of the Club they are turned away and the Member is spoken to. If you believe you are seeing guests who should not be in the Club, please reach out to the Department Managers and not to the individual directly.**

Every year in the month of February some of our Board members' terms expire. This year's election marks the end of a three-year term for **David Shifrin** and Charles Wolf and the end of two consecutively served three-year terms for **Howard Boilen**, **Paul Echenberg** and **Harriet Moskowitz**. All five of these members have my sincere appreciation for selflessly contributing their knowledge and time toward the betterment of your Club.

As the end of our Chairman's service nears, I must take a moment to express my sincere gratitude to **Philip Kupperman** for the dedication he has given to the very important position, Chief Executive Officer of Boca West Country Club. When he took the helm at the end of February 2020, none of us could have imagined how our world would change. Working side by side with him this past year, he hasn't hesitated once making difficult decisions to keep the Club and Community safe and being committed to doing whatever it took to get things accomplished. It has been a true pleasure and I have thoroughly appreciated working with you Phil.

By now, you have all received your 2021 Annual Meeting of the Members package as well as your Board of Governors election package. If you have not received either, please reach out to the Executive Office so we may get a duplicate out to you right away. Your educated vote is so important to the future of your Club, so please watch **"Meet the Candidates"** on the Club's website, posted on the Board of Governors page, in each clubhouse lobby as well as on the community Channel (Channel 9000 on Hotwire) to gain insight on your fellow members running for your Board of Governors. I look forward to seeing you on Friday, February 26 at 3pm at Tavern on the Court (tent) for the Annual Meeting and Election Results of the Members. Please note, **reservations are required in writing to the Activities department in order to attend the meeting in person. For those unable to attend in person,** a Live Stream will be posted on our YouTube channel.

Don't forget that with this "changing of the guard" new committees will also be formed. Your Board is always looking for energetic members with fresh new ideas who are willing to serve the Club. If you would like to get more involved with your Club you may wish to participate on a committee for the 2021/2022 season. Please drop a note to the Executive Office addressed to the Chairman of the Board indicating the committee on which you would like to serve.

Please remember I welcome and encourage your thoughts, comments and suggestions regarding your Club. Sending much love your way from me and the Linderman girls, Yamile, Alexa and Sophia. Happier and healthier days ahead!

Sincerely,

Matthew Linderman, CCM

ST. SUPERY, NAPA

Wednesday, February 10

As one of only a handful of 100% estate wineries in the Napa Valley, St. Supery has the highest level of control over both the grape growing and winemaking processes, allowing them to manage their wine from berry to bottle.

SILVERADO WINERY

Wednesday, March 17

Founded in 1981 by Ron and Diane Miller and her mother, Lillian Disney, Silverado Vineyards has become an iconic estate and home to some of Napa Valley's most recognized wines. Today, the third and fourth generations of the Miller family sustainably farm 360 acres across six estate vineyards in the Napa Valley. From these, the winery produces estate and single-vineyard Cabernet Sauvignon, Sauvignon Blanc, Merlot and Chardonnay, as well as a variety of other small production wines.

"After a good dinner one can forgive anybody, even one's own relations."

FOLONARI, VENETO

Wednesday, February 3 & Thursday, February 4

Featured Region: Veneto, Italy

About The Vineyard

Folonari was founded in 1825 in the Veneto region of northeast Italy by Francesco Folonari. From the very beginning, the founders wanted to create exceptional wines for everyday occasions. Nearly two centuries later, Folonari is enjoyed around the world. The wines are celebrated for their easy-drinking and fruit forward personalities.

CLINE FAMILY CELLARS

Wednesday, March 10 & Thursday, March 11

Featured Region: Sonoma, California

About The Vineyard

Cline Family Cellars is a family-owned and operated winery in Sonoma, California, built on a passion of winemaking and rooted in respect for the land.

Fred Cline started Cline Family Cellars in 1982 in Oakley, California, making his first vintages from original plantings of Mourvedre, Zinfandel and Carignane, some of which dated back to the 1880's.

In 1989, Fred purchased a 350-acre horse farm in Carneros and moved the winery to Sonoma County. As one of the original Rhone Rangers, he began planting varietals that included a number of vineyards dedicated to Syrah, Viognier, Marsanne and Roussanne. Since those first plantings, Fred and his wife Nancy have continued to plant vineyards throughout Sonoma County, expanding to include more classic varietals like Pinot Noir, Merlot and Chardonnay.

Reservations will be assigned 14 days prior to each date.

A NIGHT WITH VITTORIO MARZOTTO

Santa Margherita, Ca' Del Bosco Sparkling, Kettmeir, Masi Wines

Monday, February 8, 6pm - close

$75++ per person

A pioneer in his day, Count Gaetano Marzotto cultivated vineyards in three regions with outstanding vinicultural potential; Eastern Veneto, the Adige River Valley and the hills of Valdobbiadene. His vision to create world-class wines featuring the best of Italy's vineyards was a driving force.

Over the years, the Marzotto family has enthusiastically carried forward that passion, creating an intriguing wine mosaic that embraces some of Italy's most important wine districts. Today, Vittorio Marzotto continues with these wines. Alto Adige with Kettmeir, Trentino Alto-Adige, Eastern Veneto and Prosecco with Santa Margherita and Torresella, Chianti Classico with Lamole di Lamole, Toscana Maremma with Sassoregale, and Sicily with Feudo Zirtari.

HALL WINES, NAPA VALLEY

Featuring Kathryn Hall, Owner/Proprietor

Monday, March 15, 6pm - close

$90++ per person

Since first working in her family's Mendocino vineyards, Kathryn Hall dreamed of a place to showcase fine wines alongside expressive art and masterful architecture. Now, Kathryn and Craig Hall are creating an unrivalled destination in the Napa Valley – where winemaking excellence and innovation meets contemporary design to celebrate life and inspire the senses.

Reservations will be assigned 14 days prior to each date.

A Breath of Fresh Air…For Your Skin

By Wendy Huth, Spa Treatment Supervisor

As our skin ages the oxygen levels in the tissue naturally decline due to hormonal changes and decreased blood circulation. By increasing these oxygen levels, you can improve the health of your skin and delay the signs of aging. The faster a new cell replaces an older cell, the younger looking and healthier our skin becomes. Oxygen therapy is a great treatment option for all skin types including aging skin, very sensitive skin, inflamed rosacea, post acid peels, and post plastic surgery. Oxygen also naturally kills the bacteria associated with acne breakouts. Controlling bacteria lessens the potential for infection, inflammation, and redness. Simply stated, Oxygen helps reduce the aging process, and helps speed the healing process by encouraging the growth of new skin cells.

Oxygenating Facials are designed to deliver oxygen to your skin in the form of a light mist that works on the premise that oxygen in the body, as well as topically is good for the skin. In skin care, oxygen is essential for the synthesis, or creation, of new collagen cells. An Oxygenating Facial is usually carried out with a small pen like device called an airbrush. The airbrush sprays pure oxygen, also known as hyperbaric oxygen, using a gentle and comfortable pressure, into the epidermis (the uppermost layer of the skin). The oxygen is derived from ambient room air to which distilled water is added, to create a fine mist to feed and nourish the skin. Penetration into the dermal junction of the skin, where the body generates new skin cells and collagen, allows natural cell generation to use the oxygen and nutrients to speed up and enhance the process of cellular turn over, or metabolism.

At The Spa at Boca West, our OxyBoost Facial treatment utilizes superior ingredients including Aloe to soothe, Chamomile to heal, and Calendula to reduce inflammation in the skin. The serums we use have a small molecular structure allowing the vitamins, antioxidants, nutrients, and minerals to be deeply infused into your skin along with the oxygen. Some products will be applied to the skin immediately prior to the oxygen, which aids the active ingredients to be more readily absorbed into the skin during the treatment. Other products are applied after the oxygen to take advantage of the increased cellular metabolism. The facial is completed with a collagen fiber mask; The Oxy-Vital Mask contains essential polysaccharides, amino acids, minerals, and is full of antioxidant vitamins. It is also rich in aloe which stimulates fibroblasts in the skin to produce collagen and repair the structural components of the skin.

After your Oxygenating Facial is completed your skin will feel very smooth, hydrated and plump, especially if you have opted to include micro-dermabrasion or a chemical peel with your treatment. In addition, you should also notice an immediate improvement, and a glowing radiance to your skin, with a clearer complexion due to increased blood circulation and higher tissue oxygenation levels.

Throughout February, the Oxy-Boost Facial will be featured as our monthly special. We highly recommend this facial for all skin types and encourage you to experience this amazing facial and enjoy the benefits you will receive from it. Please remember, we are taking all known precautions to keep you, and our team at The Spa, safe and healthy. If you have any questions regarding the procedures we are using, please email spa@bocawestcc.org and we will be happy to send you a list of our sanitizing protocols and procedures. We take cleanliness and sanitization very seriously and invite you to come and enjoy a rejuvenating OxyBoost Facial in our beautiful Spa.

An Interview with Our Director of Golf

By Steve Forman
Golf Committee Chairman

To say that 2020 was a tumultuous year is probably the understatement of the year. In the midst of it all we still had a successful golf program thanks to the efforts of our Director of Golf, Brad "JR" Friend and his staff. This is JR's third full season at the helm, and I thought it might be a nice idea to sit down with him and discuss the golf operation at Boca West. If you have not met JR you should—he is engaging, thoughtful, nice to everyone and ready to do anything to make the golf experience here fun and memorable.

If you are new to Boca West you might not know that JR is not his given name, it's Brad. He got the nickname "Junior" when he enrolled for classes at Ferris State University. The person at the desk said he did not look old enough to be a college student and started calling him "Junior." The name stuck. When JR started at Boca West and told them his first name was Brad, he was told that was not going to work since they already had a Brad (Luken) and communicating over the radio might get confusing. He was then asked about his middle name (he replied "Scott"), was told he did not look like a Scott and was then asked if had a nickname. He told them "Junior" which then became JR. There you have it. I promise I will not go through that again…ever. Now on to the interview.

SF: What are your thoughts after 2.5 years as Director of Golf?

JR: It has been a whirlwind and so much has happened. I love to come to work and Matthew Linderman has been fantastic in allowing me to put my footprint on the operation. One thing about Boca West, while it is big, in many respects it is small, similar to the small town I grew up in—everyone knows everyone, and people do come up just to say hello and ask me how things are going. After being here for almost 30 years, it truly feels like my home.

I am happy that we have been able to give members what they want—tournaments, social events, golf lessons, etc. in the midst of this pandemic and we have received many compliments, so I know our efforts are appreciated. I hope the members see that our staff is more visible, personable and willing to help.

Truthfully, I think about Brad Luken every day and many times when confronted with a problem or issue I consider WWBD—what would Brad do? I think he would be proud. He had total belief in us and knew we were capable of making our own mark on the operation and making it better.

If you asked me what I have learned over the past couple of years I would tell you the importance of our team here. And they are amazing! People willing to step in and do whatever job is necessary. That is why you have seen Jim Phillips and Peter Taylor in ranger carts, Mike Bove picking up balls on the driving range, Kevin Terry in the bagroom orchestrating the movement of carts and bags and others just filling in where needed. It has been seamless.

SF: What are the biggest challenges you face going forward?

JR: Immediately there are two—continue to provide our members with new and exciting events and keep everyone safe in doing so.

With regard to events, our golf programs need to evolve with the membership—we need to continue those that have proven to be popular and successful but be mindful of the needs of the next generation of members joining Boca West. For example, the Member-Member which was started four years ago has risen

dramatically in popularity. The first year we had 120 people participate. This year we had 264, a 220 percent increase over the four years. Obviously, we will continue it, but the challenge is how can we tweak it so that it continues to grow? This season we added the Ringer Tournament. Also, because the Member-Guests were canceled, in March we will try a week-long Play for Pink which will be available to the entire Boca West membership in conjunction with the women's leagues.

And we need to do all of this and more and keep people safe. Certainly, we are not out of the COVID-19 woods yet, and we need to keep everyone mindful of expected practices—wearing masks and social distancing. Quite frankly that is why you see me, Peter, Jim, Mike and other senior staff on the curb by the practice facilities reminding people to wear masks.

SF: What are the most significant improvements to the Golf Operation?

JR: There are several and one of the biggest is The Golf Studio. It really has become a destination for many and we are doing our best to utilize technology not only in helping members improve their swings but helping them select the equipment they need to play better. The K-Vest is a great diagnostic tool to analyze your swing and we have Blast Motion to improve your putting. I expect both of these to take off when the COVID situation clears. We have two excellent staff, Andrew and Jon to provide club fitting services and the ability to allow members to try different combinations of clubheads and shafts. One stop shopping if you will.

Our teaching professionals have developed some very innovative programs from weekly tips, to more focused clinics to more comprehensive multi-session clinics that allow for a more holistic approach in game improvement. There is also the end of month refresher for anyone taking a lesson during the month and our loyalty program. Is it working? I can tell you they are very busy.

I hope the members see that the teaching staff is much more visible, and I think this is very important. We all walk the range and want to be out there to answer questions and even give a swing tip if needed!

Down the road, I am very excited about the upcoming improvements to Mr. D's. Seven bays will be under cover and provide a "Top Golf" experience. We are also looking into having all bays on the south end of the range being set up so that with an app you can get a full series of swing metrics on your portable device.

SF: So how is the family?

JR: Overall, great! My son, Kyle, is a sophomore at FAU majoring in history. He is a self-proclaimed computer nerd and ultimately would like to become a museum curator. My daughter, Kelsea, is a senior at Webber International in Babson, Florida, majoring in physical therapy. She is also the center fielder on the university softball team and if I may say so, pretty darn good. She works in the Boca West Fitness Center when school is out so if you are in there and you see a girl who looks a lot like me; that is probably my daughter. Neither of my children are interested in golf but both are great students.

Celeste and I have been married for three years. We met at Boca West and since she is from South Africa we try to go back at least once a year—during the summer months here. Of course, the pandemic stopped that plan but as soon as we can, we will continue.

I hope you enjoyed the interview and I have to say I enjoyed writing it up. As always, I am interested in your comments or suggestions. You may contact me at sforman@strategicm.com or by phone at 488-8726. I look forward to hearing from you.

TENNIS IN FEBRUARY

You may remember that last month's article included a series of precautions for the COVID virus. Now the vaccines are available and the end's in sight, but there's a humorous story that applies here:

A man is swimming across a river. When he gets close to the opposite shore, he doesn't think he can make it .... so he turns around and swims back.

Like the swimmer, we're also so close to our goal, so let's not let our guard down. Please continue to follow the precautions of social distancing, hand washing and sanitizing and wearing masks to and from the court. It takes so little effort, and hopefully before you know it we'll be back to normal with a full array of events.

In case you haven't heard, our pickleball facilities have been upgraded. We now have eight dedicated courts that are in excellent condition. And if you're wondering how to get into the game, come out to a pickleball exhibition and clinic or schedule a lesson with Matt or Rob. Pickleball paddles and balls are provided for new players during the complimentary clinics & lessons. There are also lots of instructional videos on YouTube that will give you an overview on rules, tactics and scoring. Questions? Call 488-6996.

PICKLEBALL TIP
by Matt McInerney

With winter weather brings some windy days. So before you step on the court please be aware of which direction the wind is blowing. This may not seem like a big deal, but the wind can blow a pickleball a lot more than a tennis ball due to its weight. So to conquer the windy days always check the wind.

LILLIAN AND BIRD: LADIES OF DARING

Following up on the lecture on P. T. Barnum, this lecture presents the lives of two of the greatest circus performers ever and two important women in history: aerialist Lillian Leitzel and high-wire walker Bird Millman. These amazing performers commanded top billing and tremendous visibility, exploiting the circus as a space where societal norms could be challenged and outraged at the very delight and thrill of audiences. This lecture presents the lives of these two women, who both performed in the Ringling Brothers and Barnum and Bailey Circus's golden age. *Request by: Saturday, February 6*

Tuesday, March 9
A HISTORY OF FLORIDA ART

From early in the 1800s when European Americans first explored Florida, its unique landscape has inspired artists to capture dreams of quite wildness. The state's subtropical and tropical flora and fauna ultimately created a genre all its own that found its ultimate expression in the twentieth century paintings of A. E. "Beanie" Backus and the Highwaymen. This lecture presents the history of Florida art in its resplendent images. *Request by: Saturday, March 6*

GERMANY AND ISRAEL: AN UNLIKELY FRIENDSHIP

55 years ago, Germany and Israel reluctantly entered into diplomatic relations. What at first glance seems to be a rather unlikely relationship –especially in light of the shared history-- has evolved over time into a blossoming friendship and successful economic bond. In order for this to happen Germany had to face its Nazi legacy and subsequent collective guilt. Join German Historian Anette Isaacs as she discusses how her native country has attempted to cope with the guilt of causing the Holocaust and how this painful but necessary process heralded a new era in German- Israeli relations.

Wednesday, March 3
FINDING EICHMANN: THE HEROIC STORY OF NAZI HUNTER FRITZ BAUER!

60 years after the beginning of his trial in Jerusalem, it has become common knowledge that Adolf Eichmann, the infamous architect of the Holocaust, was captured by Mossad agents in Argentina and brought to justice in Israel. But hardly anyone is familiar with the fact that it was a German Jew, the Hessian attorney general Fritz Bauer, who provided pivotal information about Eichmann's whereabouts in South America to the Israeli authorities. Join German Historian Anette Isaacs as she pays homage to Bauer, this true hero who confronted post-war German society with its guilt -and denial thereof- and who almost single-handedly initiated the Auschwitz Trials of the mid 1960s.

PHILOSOPHY AND FILM:
A LOOK AT HOW PHILOSOPHICAL IDEAS ARE PORTRAYED IN THE MOVIES

Part II "Metaphysics" – Friday, February 12
Request by Tuesday, February 9

Part III "Axiology" – Friday, March 19
Request by Tuesday, March 16

This lecture is designed to help us see that there is more to philosophy than the study of dusty, old philosophical texts. Philosophy is about life — about living an examined life and adopting a critical, reflective stance toward one's social and cultural environment. Nowhere is this more evident than in the movies, where life is portrayed in all its colors and hues of reality. In short, film can be seen as the school of philosophy; or at least where philosophy gets portrayed and conveyed in dramatic ways.

This lecture will give us the opportunity to see how film has been used masterfully to show the audience a particular philosophical viewpoint. Through clips and snippets we will see how this unfolds before our very eyes.

Come for the entertainment, but stay for the education!

HOLLYWOOD SCANDAL: THE MOST SALACIOUS, NOTORIOUS AND AWFUL EVENTS OF HOLLYWOOD'S PAST
If there's one thing the media loves more than championing the virtues of Hollywood's biggest stars, it's exposing the sleazy details of stars' indiscretions. This hour-long presentation looks back at some of Hollywood's biggest scandals – some true, some not-so true, some downright criminal. Every effort will be made to discern fact from speculation, whenever possible, in the interest of discovering the truth surrounding these sordid events from Hollywood's past. The stories of Charlie Chaplin, Gloria Grahame, Lana Turner and more will be shared. *Request by: Sunday, February 14*

Friday, March 12
BREAKOUT ROLES: THE MOVIES THAT MADE THE STARS
They all had to start somewhere. This hour-long presentation looks at the early hits of Hollywood's biggest stars, and examines what, if any, qualities were on display early on that would become their iconic trademarks. Clips from the breakout roles of Marilyn Monroe, Audrey Hepburn, Barbra Streisand and more will be shared as we attempt to answer the question: What makes a star? *Request by: Tuesday, March 9*

Tuesday, April 6
BEST PICTURE OSCAR TALK
Journey into this year's Best Picture Oscar nominees in this discussion of why each film was nominated and which is the odds-on favorite to emerge victorious. Clips and background information about all nominated films will be shared, and a discussion of the Academy's voting process and habits will lend perspective to choosing the likely winner. Oscar history, trivia, and other major categories will also be covered! It's a lively, insightful and fun hour-long presentation that's not to be missed! Attendees are encouraged to see as many of the nominated films as possible before the presentation. *Request by: Saturday, April 3*

Monday, March 22
GEORGE WASHINGTON'S FINAL BATTLE
Dr. Watson's brand new book is already receiving critical acclaim and has been nominated for awards. He will discuss the little-known story of George Washington's struggle and leadership in building a capital city, the fractious Founding debates over a capital that nearly tore the nascent republic apart, and the intriguing history of our capital city. *Request by: Friday, March 19*

BOCA WEST COUNTRY CLUB PRESENTS
THE DYNAMIC VOICE & BIG PERSONALITY OF

Sonia Selbie

A VIRTUAL SHOW LIKE NO OTHER!

Tuesday, February 16 at 7pm via Zoom

This Little Lady with the Big Voice and infectious personality is consistently proving to be a popular entertainer engaging cruise audiences with her fun, fast and unique performances.

LOOKING TO A BETTER FUTURE FOR ALL **"OUR"** KIDS!

"OUR BABIES" OF PALM BEACH COUNTY NEED YOUR HELP MORE THAN EVER. Boca West Children's Foundation is partnering with Junior League of Boca Raton for the sixth year.

The pandemic has taken its toll on everyone and has especially hit the underserved families of our neighboring communities very hard. As evidenced by the lines at food distribution sites, many more people throughout the county than in the past are struggling to put food on the table. For many of these families buying diapers is simply not in their budget.

The situation is so serious this year that we have set a goal of delivering 100,000 diapers; double last year's record-setting drive.

Please visit: **www.bocawestfoundation.org/diaperdrive** to help us reach our goal. You may drop off diapers on Tuesday, February 16 at the Tennis Center circle from 9:30am-3:30pm.

TOGETHER WE CAN MAKE A DIFFERENCE BY DONATING 100,000 DIAPERS.

Here are some sobering facts:

- 1 in 3 US families report diaper need. More than 20,000 families in Palm Beach County are living below the poverty line.
- Infants require up to 12 diapers per day, toddlers about 8.
- Disposable diapers can cost $70-$80 per month per baby.
- No state or federal child safety net program, such as food stamps, allocates dollars specifically for the purchase of diapers.
- Most childcare centers, even free and subsidized facilities, require parents to provide a day's supply of disposable diapers.

We hope you will help us to continue our support of our families in need by donating. With your help we can help keep "our" babies of Palm Beach County clean, healthy and safe!

2021 Raffles are Available

Raffles are on sale through the end of the month. Each ticket is $100. First prize is a $7,000 shopping spree at Saks Fifth Avenue Boca Raton Town Center. Second prize is a weekend stay at the Boca Raton Resort and Club including a round of golf. Third prize is a Celebrity Cruise "on the fly."

To purchase raffles, visit: **www.bocawestfoundation.org/raffle-program/**

The Golf Challenge, held in November, was extremely successful, raising $400,000. In addition to the $100,000 normally distributed to 23 of our charity partners, the Foundation gave each back a significant portion of their player's entry fee for a grand total of $177,700.

Please call our office with any questions at 488-6980 or send us an email to: foundation@bocawestfoundation.org

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. GRIEVANCE COMMITTEE REPORT

By Dr. Rick Chavis, Grievance Committee Chairman

After the Grievance Committee conducts its investigation, it submits a report to the Board along with its recommendation for action to be taken by the Board. After the Board reviews the report and recommendation of the Grievance Committee, it makes its decision and announces it to the Member who is the subject of the Grievance. The Member then has 45 days in which to appeal the decision of the Board. In the case reported below, the Member did appeal. After a hearing before the Board, the appeal was denied.

GRIEVANCE

This Grievance was filed against a Member, alleging that the Member provided false information on her application when she purchased her home. The Member affirmed on the application that her information was "true and fully accurate". This was shown to not be the case. She applied for Membership as a single woman and was in fact a married woman. She used her single status to bring her husband into the Club and to participate in Club activities as a guest of a single woman. When this came to light, her husband failed to and continues to refuse to file an Application for Membership despite many requests to do so from the Club.

RULING: The recommendation by unanimous vote of the Grievance Committee was that the Member be suspended from all Membership privileges and access to the Club for a term of two (2) years. The Board of Governors agreed with the Grievance Committee recommendation with a unanimous vote.

The Member appealed this decision to the Board of Governors. The appeal was denied and the discipline was affirmed by unanimous vote of the Board of Governors.

NOTE: The husband is not a member of the Club and as such not subject to the Grievance process. The Board therefore barred the husband from the Club, its facilities and activities for a period of time to run concurrently with the Member's suspension.

BOCA WEST MASTER ASSOCIATION NEWS

By Howard Krosser, BWMA President

I HOPE BY THE TIME YOU READ THIS A NUMBER OF OUR RESIDENTS WILL HAVE RECEIVED OR WILL BE RECEIVING THE COVID-19 VACCINE AND WE ARE ALL ENJOYING THE SEASON AS BEST AS WE CAN UNDER THESE TRYING CONDITIONS. However, we must continue taking precautions such as wearing masks, social distancing, washing hands frequently and adhering to CDC guidelines until this pandemic is under control and we can get back to normal.

In the interim the Masters Association continues all of its services to our residents. One of the most important of these is to beautify Boca West. Our Landscape Committee under Chairman Avron Fogelman, with the support of our dedicated staff under Lawson Turner, continues to accomplish this throughout the year with excellent results.

The Landscape Committee has gone through a very busy and most exciting major improvement program of our landscaping this season. By beautifying our common areas, we wanted to enhance the Boca West experience, lifestyle, and enjoyment for our members as well as increasing our property values.

This year's Median Enhancement Project consisted of the installation of six specimen Sylvester palm triple trunk with a diamond cut trunk, seven Copernicia palms also known as Wax palms which carnauba wax is derived from, four Bottle palms with triple trunks, seven Sabal palms with curved trunks also known as cabbage palms and is the state tree of Florida, and one specimen Magnolia tree. This latest round of trees and palms greatly enhances the aesthetics of our medians and are excellent choices for the enjoyment of our residents and guests.

One of our most noticeable enhancements has been the addition of four magnificently impressive and beautiful water features. They are in the lakes at the bridge on Palmer III leading to hole 2, in the lake adjacent to the bridge leading to Dye IV, and behind the 17th hole on the Dye IV at Boca West Drive and Golfside Drive. The newest water feature has just been installed in the lake at the 15th hole at the par 3 course at the opposite side of Boca West Drive and Golfside Drive.

Once again, we hope you enjoyed our beautiful holiday lighting at our three entrances. Due to the overwhelmingly positive response from our membership, we left the lighting display in place until mid-January.

For our golfers and walkers, I'm sure they agree our 200 acres of lakes have never looked better! We have completed a major restoration program on our lake banks. We also plan to increase the improvement of our walking and golf cart paths in the common areas in the future.

It's the objective of our Landscape Committee to develop a standard of excellence that will result in all of our members, their families, and guests to have an enormous sense of pride and true enjoyment in Boca West.

We are very pleased that we continue to hear that Boca West has the prettiest grounds of any country club in South Florida.

OMBUDSMAN

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

AS ALWAYS, I HOPE YOU AND YOUR FAMILIES CONTINUE TO REMAIN SAFE AND WELL DURING THESE UNPRECEDENTED TIMES.

This is the last letter I will be writing to you as Chairman of the Board as our Bylaws prohibit a Board Member from being Chairman for more than a total of three years. So my letter this month is about saying Thanks to those who have joined me on this journey and supported our accomplishments for which I am so proud of having achieved.

First and foremost, I must thank my fellow Board Members. I have had the honor of working with them and receiving their unwavering support, dedication and counsel in making the decisions we had to make while operating in unchartered waters. You should all be very proud of each and every one of them as they continue to fulfill their fiduciary responsibilities you entrusted in them. I am very confident that we have current Board Members amply qualified to step forward and lead us successfully well into our future.

I specifically want to thank, acknowledge and highlight "my partner", Jerry Glassman, who teamed with me this past year as we continued to address needed policy changes and building of our outstanding relationship with the Masters Association through our Joint Venture, Boca West Community Advisors.

I would also like to personally acknowledge and thank three Board Members who will be completing six years on the Board and will be retiring as of the end of this month. Howard Boilen and Harriet Moskowitz, both members of my Executive Committee and Co-Chairs of Membership and Communications, and Paul Echenberg, Chair of our Long Range Planning and Audit Committees, have all been invaluable to me and the rest of the Board displaying their wisdom and years of experience.

And now, how do I thank enough my teammate, Matthew Linderman, for all he does for all of us, but especially for counseling with me on almost a daily basis as we moved forward braving the COVID storm together. I remember like it was yesterday Matthew saying to me how with all his education and experiences before coming to Boca West and with working under Jay DiPietro for 12 years, he thought he had learned all there was to take the reins from Jay and move us to the next generation. Unfortunately, none of his education or experiences or mine trained us for the impact COVID would have on our Club's policies and operations, but together as a team we built a relationship that has enabled us to accomplish all that we have done this past year. With Matthew at our helm going forward, our future successes are unlimited.

I would be remiss if I also did not take this opportunity to thank Darlene Wright and Lironne Stefaniw, Matthew's past and present Executive Assistants, and Tina Daniels, Matthew's Executive Secretary, for all their support and guidance. And then there are Matthew's Department Heads and Managers who all welcomed me and supported me whenever I had to call upon them.

And finally, last but certainly not least, I want I want to thank you, our Members, for your overwhelming support of me and your Board. Your appreciation of all of our efforts has made working on your behalf so worthwhile.

Thank you one and all – it's been a great ride. God bless,

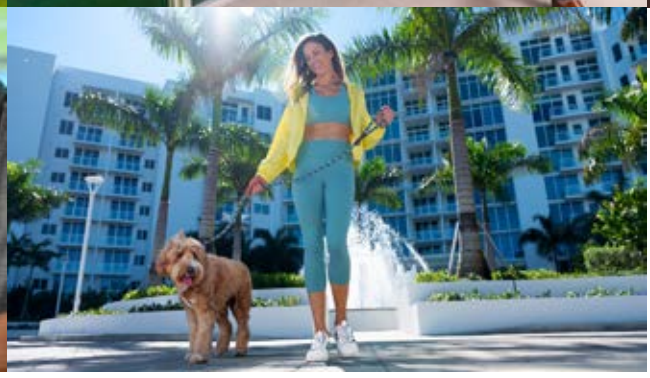

Phil Kupperman
