PRESIDENT'S LETTER

Dear Member,

WE MADE IT THROUGH ANOTHER SEASON! Thank you for trusting us during all of the twists and turns of this past year. It has been an incredible season thanks to each and every one of you. Now, Summer is here and your staff has been working hard to ensure that this summer is an enjoyable one. From creative Restaurant Pop-Ups to our popular virtual events, we are confident that you will not be disappointed. Details regarding our holiday tournaments are located in the golf and tennis sections of this issue.

For those traveling for the summer, we want you to stay connected with your Boca West family. Although you are traveling, you do not have to "leave" us! You can still participate in Zoom activities or take a personal training session with your favorite Boca West trainer from wherever in the world you may be! Safe Travels, and we cannot wait to have you back with us soon!

As promised all the Tennis & Pickleball Club Champions are listed on pages 8-10. Congratulations to all of our winners. We are so proud of you! Just like our golf champions, be sure to say congratulations when you see them around the Club.

Our **Mother's Day Champagne Brunch** will take place on Sunday, May 9 in Tavern on the Court. I am so excited to see all of you there with your loved ones as we celebrate all of our treasured Moms. Reservations are available by calling Dining Reservations. *Please note that we may be forced to move the Mother's Day Champagne Brunch to Panache pending the weather.* After last year's success, we are bringing back the **Cinco de Mayo and Memorial Day Pop-Ups** as well as everyone's favorite the **Lobsta Pop-Up!** Please look out for emails from Communications with information and menus for these Pop-ups.

It has been so great to see many of you enjoying the Club with your families again. I have missed the "hustle and bustle" of how things used to be, and it is heart-warming to see how much you all have clearly missed it as well. Thank you for being so diligent in following all of the protocols in place so we can begin to safely enjoy the Club again.

With the closure of Mr. D's, **Roger's Roadhouse Street Cart** will continue lunch service at the Garden Terrace and Lawn on Thursdays through Mondays with an enhanced menu on Sundays and the food trailer, **Roadside Cravings** is serving lunch Tuesday through Saturday in its new location, the parking lot of the Country Club by Tavern on the Court. If you haven't made it to **Onyx Lounge** lately, head over to enjoy live music from 5:30-9:30pm Tuesday through Saturday evenings. Members dining with us may enjoy live music and libations before and after dinner. If you are not dining with us, you're still welcome to enjoy live music and beverages after 7:30pm.

It's full steam ahead with the renovations at Mr. D's and in the Country Club. The all new **Mr. D's 19th Hole & Drive Suites** will be a "Top Golf" like experience that includes indoor and outdoor dining. We are all about what's next which means we are constantly evolving to bring you the best of the best and raising the bar to do things nobody else has done. Boca West is truly going to be the most exclusive location for dining and entertainment.

Always remember, I welcome and encourage any thoughts, comments, or suggestions you may have regarding your Club. I can't wait to see you around!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

AT THE NET

A Season to *Forget* – A Season to REMEMBER

By Dr. David Shifrin, Tennis & Pickleball Committee Chair

Well, who would have thought our 2020-21 season would have turned out to be so terrific? Talk about resilience! Faced with a pandemic that looked like it would completely shut us down, our management team came up with creative ways to allow us to enjoy both tennis and pickleball, and did so while keeping us safe from the virus.

Thanks to our professionals - John Joyce, Matt McInerney and Rob Norton - we also managed to put on several successful events this year, including the season opener, men's and women's member member tournaments, a well-attended color war, four world class tennis exhibitions, POP (Pickleball Organized Play) sessions that were held twice weekly, high level competitive championship play in both tennis and pickleball, and a delightful end-of-season awards dinner in the fabulous Tavern on the Court. Plus, we have replaced all our canopies, added new courtside furniture, reconstructed the second group of pickleball courts, and are looking to expand our pickleball capacity even further in order to meet the demands of the country's most rapidly growing sport.

Meanwhile, if you want a glimpse of our Club's future, just look at the number of younger participants in both of our racquet sports. And I can truly say that I've never seen such a high level of camaraderie and morale as we have had this year.

So kudos to all of us, both management and membership, for responding to this year's challenges with a spirit of resolve and cooperation. Hopefully the virus will be behind us before long, and we can look forward to an even brighter future at the paradise that is Boca West.

Congratulations!

A Season to Plan *and Play*

By Chuck Rosenblatt, Golf Committee Chair

WHAT AN HONOR IT IS TO HAVE BEEN SELECTED as the Golf Committee Chair. I've served on the committee the past four years and have learned so much about our golf community. I am excited to welcome Bill Berkowitz to the committee as my Vice Chair. It is hoped our new committee will be able to accomplish as many improvements as the committee did under our past chair Steve Foreman. Of course it goes without saying that our professional golf staff is under the outstanding leadership of Brad "JR" Friend as the Director of Golf Operations and Wes Dinsmoor as Director of Golf Course Maintenance and Landscaping.

In the coming months I hope to present the various initiatives the Golf Committee is taking. Many of the initiatives will be a continuation of previous Golf Committees as well as new ones. To name a few:

- **Course Care —** Of course this has to be the NUMBER ONE priority of the Golf Committee. Our membership has shown the willingness to buy into Course Care when we requested all golf carts obey the 90 degree rule. Not ALL but the majority of our membership followed this. You can already see the difference this makes. Now we need our member to continue course care by filling divots with sand, raking traps, and repair pitch marks on the greens.
- **Tournaments —** This past season the Golf Committee introduced the concept of a Championship week. It was very successful with over 100 members taking part, more than we have experienced for many years. We intend to grow this in the years to come.
- **Driving Range —** With the renovation of Mr. D's this summer and the addition of a few hitting bays at Mr. D's we will be introducing some "Top Golf" type of technology and lighting to part of the range. We will also be introducing new Radar Technology on the South Side of the Range. Look for new and innovative games and activities on the Driving range in the new season.
- **Play for Pink —** As most of you know by now we had a very successful week of raising $75,000. It is our plan to build on this success next season.
- **Social Tournaments —** This past year we had social tournaments just about every other week in the summer. Some of those tournaments proved to be really fun and we will be introducing them again this summer for everyone to enjoy.
- **Group Leaders Meetings —** This season we will invite all golfers to what has become a very successful series of meetings. We try to explain what initiatives and topics are important to the Golf Committee and answer questions too.
- **Teaching Staff —** Boca West has an outstanding teaching staff under the leadership of Pam Elders. We hope to offer more clinics and encouragement for members to take golf lessons to improve their golf game.

FINALLY the biggest initiative the Golf Committee hopes to achieve this next season is a return to pre-Covid days. Shotgun starts on tournaments and some sort of socializing after playing golf.

I hope that the Golf section of the *Boca West* magazine will be informative, so I couldn't think of a more important question to begin off with. "WHY AM I GETTING LATE TEE TIMES?" For an answer on that I went directly to our Director of Golf Operations, JR for his explanation:

Tee times have been a part of many lunch or dinner conversations over the past few months. As with many other clubs in our area, member rounds are up 15% for the first five months of our membership year. 15% equates to 15 (60 players) additional member groups per day. That is great news but that does not make getting a "prime time" tee time any easier. We remain with nine minutes intervals between tee times to insure fleet carts are available for all those that need them and to insure we are doing our part in keeping everyone safe. With single rider golf carts, pace of play is faster and shortens the length of our double tee to insure a smooth pace of play. These factors result in 4-6 less prime tee times per day on each course resulting in 16 to 24 tee times no longer available during "prime time." These factors cause tee times to be more difficult and certainly will not help when members are entertaining family guests.

Once we get back to normalcy and we are riding two players in a cart and are able to get back to our normal tee time intervals, tee time history's will improve but remember the system works by using your group(s) combined history for the last 14 days and upcoming six days of tee times when processing requests for each day of play. When your group is moved from the waiting list or your time is changed, the system replaces your historical tee time with the new tee time. In other words, when your tee time improves so does your history. To help with your tee times, please consider:

- *changing your earliest time available to allow for more tee time possibilities*
- *link less groups together to allow the tee time system to have more flexibility*
- *do not restrict your group(s) to exclude a course from your selection effectively reducing available tee times by 25%*

Stay safe and enjoy your golf!

COME FROM AWAY - Thursday, November 4

The true story of the small town that welcomed the world. Broadway's COME FROM AWAY has won Best Musical all across North America!

The New York Times Critics' Pick takes you into the heart of the remarkable true story of 7,000 stranded passengers and the small town in Newfoundland that welcomed them. Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships. On 9/11, the world stopped. On 9/12, their stories moved us all.

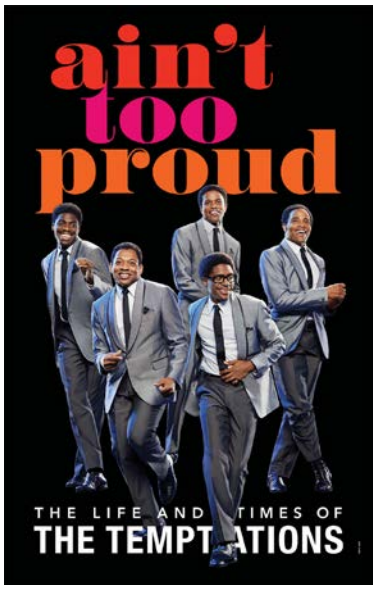

TOOTSIE
Thursday, January 13

It's "far and away the funniest musical of the season" *(Daily News).* It's "the most uproarious new show in years" *(The Hollywood Reporter).* It's "the best comedy on Broadway" *(Forbes).* No matter how you say it, TOOTSIE is unanimously funny! It's a laugh-out-loud love letter to the theatre, based on the Oscar®-nominated film. Featuring a Tony®-winning book by Robert Horn and an outrageously clever score by 2018 Tony® winner David Yazbek (The Band's Visit, Dirty Rotten Scoundrels), this *New York Times* Critic's Pick is a "hilarious, thoroughly modern TOOTSIE " *(People Magazine)* that's "even funnier than the movie!" *(New York Post).* "In these turbulent times, with the world out of balance, we need a place to let the good times roll," says *Rolling Stone,* "TOOTSIE is it."

Nominated for 12 Tony Awards®, AIN'T TOO PROUD tells the thrilling story of brotherhood, family, loyalty, and betrayal, as the group's personal and political conflicts threatened to tear them apart during a decade of civil unrest in America.

FROZEN - Thursday, March 10

Critics are calling FROZEN, "A can't miss Broadway event" *(NBC),* and now it's joining Disney's smash hit musicals The Lion King and Aladdin on tour across North America! FROZEN is an all-new production created for the stage by an award-winning creative team, led by Academy Award® winners Jennifer Lee, Kristen Anderson-Lopez and Robert Lopez, and Tony Award®-winning director Michael Grandage. It features the songs you know and love from the original film plus an expanded score with a dozen new musical numbers. FROZEN is an unforgettable, magical adventure, which Newsday calls, "A serious megahit with amazing special effects, eye-popping costumes, and incredible performances." It's a theatrical experience like no other, so let yourself go.

MEDITATION 101
presented by Dr. Michelle Lizotte-Waniewski
Wednesday, May 5 / Request by: Sunday, May 2

The presentation will be centered upon the physical and mental effects of aging and stress on the body later in life. As we age, there can often be a decline in some brain functions including working memory, focus, and the ability to concentrate. In addition, aging often causes physical challenges which can include a decrease in the effectiveness of the immune system, and reduced cardiovascular functioning. A meditation practice can mitigate the negative effects of both physical and mental challenges associated with aging. Meditation is a practical mental discipline which helps to condition the brain just as physical exercise conditions the body. Several types of meditative practices will be discussed and the session will include simple, brief practices of two different types of mediation followed by a question and answer session.

MEMORY AS WE AGE
presented by Dr. Michael A. DeDonno
Wednesday, May 12 / Request by: Sunday, May 9

Past evidence suggests our memory declines with age. There are a myriad of media advertisements touting various supplements that can improve memory. Unfortunately, most of these supplements have minimal impact on real memory performance. This is due in-part to a lack of empirical evidence. However, new scientific research is providing real evidence that our memory stays intact much longer than we believed. In addition, there is real empirical evidence for various memory enhancing activities. This presentation will include a discussion of past and current research that provides a foundation for maintaining our memory as we age. Discussion of evidence-based research demonstrating activities that can aid memory will be included. The audience will have opportunities to experience popular memory tasks. Entertaining interactive video tasks will be included to give the audience direct experience of current memory research.

HEALTH EFFECTS OF REGULAR PHYSICAL ACTIVITY
presented by Dr. Steven F. Lewis
Wednesday, May 19 / Request by: Sunday, May 16

The increase in life expectancy of U.S. adults over the past several decades recently has leveled off due to increases in heart and blood vessel diseases related to the emergent pandemics of overweight, obesity and type 2 diabetes. Regular physical activity can be an effective countermeasure for these diseases but only 1 in 5 Americans are sufficiently physically active. This session will focus on the importance of regular physical activity as a potential "magic bullet" for increasing both the quality and quantity of life. Included will be the health effects of physical activity performable by everyone, including the oldest old and also more strenuous exercise for those keen to improve their physical fitness and appearance.

Boca West Members Continue Their Generosity

Did you know generosity is good for your brain?

If you've ever watched anyone making a donation, they light up! That reaction is nicknamed "giver's glow." Their generosity is contagious. Generosity makes us feel good; and when we feel good, we are better at making those around us feel good, too. This is exactly how our Boca West members feel.

We thank you for supporting our Partnership campaign this year. The Partnership engaged donors directly with our charity partners. We asked all our granted charities to submit proposals for extremely needed programs that they could not budget for — a wish list. Eleven charity proposals were chosen and with each share purchased a vote was cast. We are thrilled to advise you all 500 shares were sold and $250,000 was granted to the five most popular programs. The winning charities received $50,000 each and the runners up each received $5,000.

The $50,000 grants were awarded to:

Sweet Dream Makers
Place of Hope
JAFCO
Joe D'Maggio's Children's Hospital
The Fuller Center

The $5,000 grants were awarded to:

Boca Helping Hands
Education Foundation of PBC
Boys and Girls Clubs of PBC
Center for Family Services
YMCA of the Palm Beaches
Junior League of Boca Raton

Our annual raffle raised $140,000. First prize, a Saks Fifth Avenue $7,000 shopping spree was won by Stephen Harris. Linda and Michael Ornstein took second prize, a golf weekend at the Boca Raton Resort. Richard Allen collected third prize, a Celebrity Cruise anytime in the next three years.

The Foundation initiated this year, **A Spring Cleaning with Meaning**. Boca Helping Hands and Sweet Dream Makers were on hand to collect food and small appliance donations to be given to those in need.

SAVE THE DATE November 1, 2021 for our 9th Annual Golf Challenge.

Brand new this year the Foundation will be joining in the Palm Beach Marathon Weekend, December 11 and 12. The Foundation is adding a new element to the weekend, "Walk the Walk" on Saturday. In addition to the Walk, we are planning a day of fun, music, games, and restaurant samplings. More information to follow. We look forward to seeing many of you help us raise much needed funds for our children at risk.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

LET'S COMMUNICATE!

By Jeanine Banks, Communications & Marketing Committee Chair

I am pleased to have been appointed your Chair of the Communication & Marketing Committee for the 2021-2022 season. Along with my Vice Chair, Steve Forman, Kathy Kohlhepp, Director of Communications and Marketing and our newly formed Committee, we are looking forward to a very busy season ahead. Our responsibilities include the oversight of the Club's app and website, Boca West magazine, social media platforms, digital signage displays, Channel 9000 and internal marketing for all areas of the Club.

At Boca West, we have so many ways to stay in touch, to communicate, connect and engage. We have learned to use and enjoy so many virtual communication tools this year given the challenges we all faced due to the pandemic. One of the positive results was being even more connected through technology and thereby less afraid.

I invite you to download our customized Member's APP on your mobile device (phone or tablet) and peruse the app at your leisure. To date, there has been 4,454 APP downloads and it has become the "go to" for everything from requesting a court, tee time, view menus, upcoming events, book dinner reservations to accessing the member directory, statements and calendar of events all from the convenience of their cell phones. One quick statistic you may find interesting is there has been 10,881 hits to the Dining & Reservation section on the APP in the month of March. Members are enjoying how easy and convenient it is!

While the APP contains so many features, the Member WEBSITE, that you access on your computer through an Internet Browser (Chrome, Safari or Edge) offers additional features such as event photos, club videos, access to the message board, how to videos, profile update options and so much more.

Receiving information, the way you wish to, is our goal and we're certain there is something for everyone in both the APP when you're on the go and on the WEBSITE, as well as our posts on social media platforms. I encourage you to take some time to view the updates and features and be sure to link to the MOBILE WEBSITE via the link at the bottom of the APP home page, so you're always completely connected!

As always, we welcome your topic suggestions or questions. Email us at communications@bocawestcc.org and don't forget to download the APP today! 'Here's to staying connected, engaged and informed at beautiful Boca West!

Boca West Storm Preparedness

As we approach hurricane season, BWMA reminds residents each year to be sure to take the necessary steps to be prepared. We will soon be sending our BWMA Outlook Hurricane Preparedness Newsletter with additional information that can help all parties involved. We know that our Boca West residents look forward to this edition of the Outlook as it provides significant safety information. It is important to understand that BWMA, the Club, all property managers, the Village Associations and individual residents all have their own responsibilities for safety during the hurricane season.

Every resident should make his or her own decisions concerning whether to stay or leave the area, go to a shelter or to a friend's home. However, whenever possible, that decision should be made at least five days before the scheduled arrival of the storm. If you plan to leave, do not wait until the last minute to leave. If you plan to stay, do your best to prepare for all possible situations. If you decide to leave, advise your property manager of your decision and provide them with your emergency contact information so they can reach you after the storm should something happen to your home.

For those residents that have disabilities or special medical needs, we highly recommend that they take special precautions, possibly leave the area or move in with family or friends or go to a special needs shelter. Management companies should be made aware of residents with special needs and be provided with the information regarding emergency contacts and who will assist in making the proper arrangements. The BWMA website has a wealth of information to assist residents, including a required form for special need shelters.

Whether you are a snowbird or remain in Boca West all year round, we must all do our part prior to the storm by taking in all outdoor furniture, grills, flowerpots and other loose objects that could become projectiles. If possible, all generators should be checked two weeks before an expected storm to ensure they are properly connected. Where necessary, replace faulty or outdated parts. Residents should also look into battery operated generators as well as battery operated fans and other appliances.

Each Village Association or its management company should have a list of all residents who will be staying during the storm. This requires a plan of communication between residents, their Village Board and their Village management company. This is a good neighbor practice and should be in place prior to the storm. If you stay, the good neighbor practice is one of the best ways to get through what could be a difficult situation.

Most Villages have entered into priority agreements with their landscape and/or tree trimming service provider to come into the Village shortly after the storm. Some Villages also have their landscape company store larger equipment in their Village before the storm so trees can be removed after the storm. This will help eliminate concerns about the need to move large equipment after the storm when streets may not be accessible. Have your Village management company talk to your Village landscaping or tree trimming Company as part of its storm preparation plans.

Things to remember:

- Each Village is responsible for its own cleanup. The BWMA is responsible for the main roads that are not part of the Village.
- BWMA has no control over FEMA or its decision as to when to pick up debris.
- FPL will repair lights and power depending upon its assessment of the emergency situation. BWMA also has no control over FPL and cannot demand when and how quickly street lights can be repaired.
- Main roads will be cleared first so that emergency vehicles can have access.

Whenever possible, please remember to always listen to your TV and radio for the latest storm updates. Additional information can be found on our website at www.bocawestmaster.com. Club members can log in with the same login information you use when logging into the Club's website. If you are a non-equity member you can access our website with the login information we have provided to you.

Early preparation and communication are the keys to successfully getting through the coming hurricane season.

May we all continue to be safe and well!

OMBUDSMAN

mikejosh18@aol.com

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

ONCE UPON A TIME—the BOCA WEST MASTER ASSOCIATION (BWMA) and the BOCA WEST COUNTRY CLUB (CLUB) didn't get along so well. There was some competition and distrust, and an absence of working together. But that began to change for the better in October, 2018, when the Boards of both organizations participated in a multi-day SYMPOSIUM, including presentations from real estate, marketing and club experts.

The stated goals of the Symposium were to:

- *Improve Overall Real Estate Positioning*
- *Promote & Support the Boca West Lifestyle*
- *Increase the Desirability of Ownership & Membership*
- *Maximize Membership Participation & Satisfaction*
- *Realize Development Opportunities*

We talked about maintaining a safe haven, quality of residential units and programs, trustworthy governance, and marketing, among other things. And look at how much has been accomplished. We have created a Joint Venture entity, BOCA WEST COMMUNITY ADVISORS, LLC (JV), owned 50% by BWMA and 50% by the CLUB, governed by a steering committee comprised of members of our respective Boards, and jointly managed by the chief operating officers of each organization. Through the JV, BWMA and the CLUB have worked collaboratively for the benefit of the community to carry out the goals identified at the Symposium and more. BOCA WEST REALTY has been created essentially as the marketing arm of the community, to market and promote the Boca West lifestyle as well as to participate in the sale of real estate. And the marketing efforts of BOCA WEST REALTY have certainly been a major contributor to the record sales and higher real estate values realized in the last two years, and continuing so far this year. Other entities and initiatives are under consideration to focus on improving the quality of our real estate units, and to work with the Villages to promote best practices and approaches to deal with issues that arise at the village level. All in all, great progress has been made, and on so many fronts the CLUB and BWMA have been working together to move the community forward for the benefit of our residents.

I look forward to continue to move us forward working with BWMA STEERING COMMITTEE members Brad Baecht, Bernie Schlifke, Elaine Wittlin and Mark Haberman, and CLUB STEERING COMMITTEE members Matthew Linderman, Jerry Glassman, Charlie Wolf and Frank Richard.

If there are topics that you think our membership would be interested in hearing about in future articles, please email me at bwinikoff@bocawestcc.org. **Although many of us have been vaccinated, please, for the benefit of yourself and fellow Boca West residents, continue to stay safe by complying with CDC guidelines and Club protocols.**
