PRESIDENT'S LETTER

Dear Member,

IT'S SUMMERTIME, LET THE FUN CONTINUE! I hope you're able to participate in many, if not all of our activities and events this summer. We look forward to keeping you busy all year long! Golf has a full schedule of tournaments planned, Tennis will put on their annual tournaments, the Activities department will still be "zooming" away with more creativity than ever and many of your favorite programs will return in person, and the Food and Beverage department is planning some fun events too! Check out all the information for the upcoming fun in this issue.

Last month, it was all about our "Moms", and this month, **we will celebrate all of our "Dads" on Sunday, June 20 in Grand Central.** We'll be serving all of Dad's favorites, including a lunch and dinner special, along with a complimentary bloody mary just for him! We will also have our To-Go menu available with a special feature if you plan to celebrate at home but would still like to enjoy your Boca West favorites.

Summertime is also the time to **LIVE FIT** with our quarterly newsletter about everything of health and wellness. I hope you've had a chance to read our spring issue. If not, it's available on the Club's website. The summer issue will be available in July!

Our behind the scenes work began last month with our annual repair and maintenance in all of the restaurants and kitchens. Every year, we close each building for a period of time during the summer months for upkeep while business is slower so not to disrupt your daily schedule. We will continue our work in all areas of the Club to make sure we look our best and are always in tip top shape!

In addition to our usual repairs and maintenance, I will also continue to update you on the larger renovations at Mr. D's and in the Country Club. As many of you have seen, the renovations and the refurbishments have begun. We're so excited for both to reopen in the fall. I'm confident Mr. D's will be the new hot spot and you'll be pleased with the outcome.

The budgeting process for 2021/2022 has been in full swing for several weeks. This has been challenging year, but I assure you that your Budget Committee and Department Heads have been working hard to present the Board with the best budget possible, all without sacrificing the exceptional quality of service you've come to know here at Boca West.

I would like to take a few moments to say THANK YOU to all of you. Thank you for your patience this past year. Thank you for looking out for each other. Thank you for looking out for the staff. Thank you for being patient with all the Club updates, rules and policies. **And I would like to say a special THANK YOU in advance for your patience with the new staff while they get acclimated to our systems and Membership.**

I welcome and encourage your thoughts, comments and suggestions regarding your Club, and look forward to seeing you around. Wishing all Fathers a very Happy Father's Day, and all of you a spectacular Fourth of July holiday.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

AT THE NET

Something for EVERYONE!

By Dr. David Shifrin, Tennis & Pickleball Committee Chair

Greetings from Tennis and Pickleball to the Boca West Golfing community. In our desire to make a connection between our respective sports programs, your chairman, Chuck Rosenblatt, and I have agreed to swap space in this month's magazine.

In case you're not aware, your Golf membership entitles you to full privileges in both racquet sports, tennis and pickleball. Many of you were Tennis players in the past but haven't played for a while. Boca West's Tennis facility is second to none, so if you miss the exercise, the camaraderie, the pure joy of whacking the ball in both singles and doubles, our professionals stand ready to reintroduce you to the game. They will spend time on court with you to determine your skill level, and then include you in our excellent system of game arranging.

And you've surely heard of Pickleball, the fastest growing sport in America? Yes, it's a bit like mini tennis, but there's a much easier learning curve and can be enjoyed the very first time you're on the court. Ask anyone who has taken up this game. Our facility is beautiful, the Pickleball community is welcoming to new players, and once you've got the knack you'll have a great workout because the pace is both brisk and exhilarating. Plus many of our top players are women, and mixed doubles are routine.

Our pros make it easy to learn the game via Pickleball Organized Play (POP). How to get involved? Simple. Just call the tennis department, 488-6996. Try it. You'll like it.

Never Tried Golf?

By Chuck Rosenblatt, Golf Committee Chair

No, your eyes are not deceiving you and no our printer didn't mix up the articles this month. Your tennis chairman, David Shifrin and I decided to trade columns this month and let you know what is going on at our end of the Campus. If you walk a few hundred yards east of the Tennis facility you will find a vast complex dealing with Golf.

Never tried Golf? Let me tell you how to get started. We have a highly trained staff of PGA professional instructors headed by Pam Elders. She and her team are available seven days a week for private or group lessons. On any day you can find them on one of our four golf courses or our range giving private or group lessons. And at the end of each month you are invited to a free 30 minute rewind session as a reminder of what you had been taught. If private lessons are not your thing, then try attending one of our golf clinics offered every Monday in season. Each week a different instructor is offering his or her advice on short game skills or driving the ball.

So lessons aren't your thing either? Well, we have a range where you can go just hit a bucket of balls either off mats at the south end of the range or on natural turf at the north end. You might even pick up a few pointers for free from one of our "3,500 member pros". Personally I'd stick to our PGA Pros.

Want to play a round of Golf but don't have anyone to play with? We have the answer for that too. We have multiple golf leagues for men and women that meet weekly either for 9 or 18 holes of Golf. Of course if you don't want to commit to a league and just want to play a round of golf, Brad "JR" Friend, Director of Golf, and his professional staff will be happy to match you up with a group.

And once you have mastered how to drive around our courses (notice, I didn't say master the game) you can always participate in one of our many social events. The quality of your game doesn't matter. These are non-competitive events designed for socializing. In the summer we try to hold one event every other week, and in season we try to hold them monthly.

So what do you have to lose? Give it a try, wander over to the Golf facility and give Golf a try. I promise you, you won't go skidding across the court and skin your knee.

PICKLEBALL CORNER

JUST PICKING UP THE SPORT?
Stop by our pro shop to sign up for a lesson or purchase one of the various types of pickleball paddles that the pros use. Call 488-6996 for more details.

No outside guests are permitted at this time.

Only Gold Card guests with activated Gold Cards are permitted.
The Membership will be notified when there is a change to the Guest policy.

All necessary adjustments will be made in accordance with Covid-19 guidelines. Reservations required for all events and activities. Walk-ins are not permitted.

Equity Social and Lessee Members Members in these categories will receive complimentary court fees on Monday and Friday. They will receive complimentary court fees for one guest (when permitted by the Club) on Monday and up to three guests on Friday.

COME FROM AWAY - Thursday, November 4

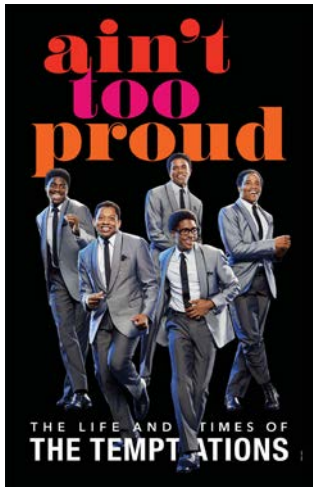

The true story of the small town that welcomed the world. Broadway's COME FROM AWAY has won Best Musical all across North America! *The New York Times* Critics' Pick takes you into the heart of the remarkable true story of 7,000 stranded passengers and the small town in Newfoundland that welcomed them. Cultures clashed and nerves ran high, but uneasiness turned into trust, music soared into the night, and gratitude grew into enduring friendships.
On 9/11, the world stopped. On 9/12, their stories moved us all.

TOOTSIE
Thursday, January 13

It's "far and away the funniest musical of the season" *(Daily News).* It's "the most uproarious new show in years" *(The Hollywood Reporter).* It's "the best comedy on Broadway" *(Forbes).* No matter how you say it, TOOTSIE is unanimously funny! It's a laugh-out-loud love letter to the theatre, based on the Oscar®-nominated film. Featuring a Tony®-winning book by Robert Horn and an outrageously clever score by 2018 Tony® winner David Yazbek (The Band's Visit, Dirty Rotten Scoundrels), this *New York Times* Critic's Pick is a "hilarious, thoroughly modern TOOTSIE " *(People Magazine)* that's "even funnier than the movie!" *(New York Post).* "In these turbulent times, with the world out of balance, we need a place to let the good times roll," says *Rolling Stone,* "TOOTSIE is it."

AIN'T TOO PROUD - Thursday, February 10

Ain't Too Proud: The Life and Times of The Temptations is the electrifying, new smash-hit Broadway musical that follows The Temptations' extraordinary journey from the streets of Detroit to the Rock & Roll Hall of Fame. With their signature dance moves and silky-smooth harmonies, they rose to the top of the charts creating an amazing 42 Top Ten Hits with 14 reaching number one. ART LECTURE
VINCENT VAN GOGH: MULTIPLE PERSPECTIVES
presented by Karen Leader
Thursday, June 10

Among the most celebrated figures in the history of art, Vincent Van Gogh has also suffered from sensationalism, shallow pseudo-psycho-biography, and the trendy myth of the "tortured genius." Why his works, largely ignored during his lifetime, resonate across eras and cultures will be explored through various lenses.

WARHOL WOMEN: ICONIC PAINTINGS OF LEADING FEMALE FIGURES
Thursday, August 12 at 4pm

An exploration of Andy Warhol's fascination with women and femininity from the 60's through the 80s. He devotedly represented women regardless of age, race or fame.. In this lecture we will view vibrant portraits of Hollywood superstars such as Marilyn Monroe, Elizabeth Taylor and Judy Garland, as well as entertainers such as Debbie Harry, Dolly Parton and Liza Minneli. Andy was also fascinated by powerful women who wielded power on an international scale, such as Israeli Prime Minister Golda Meir. This lecture will also include figures outside the limelight such as a 1974 portrait of Warhol's then-deceased mother, Julia Warhola, At first glance, the factory made silk screen portraits seem impersonal and detached Yet, upon extended viewing, they convey portraits where the woman is allowed to be who she is. Moreover, Andy could portray women from the eye of a man without sexualizing the image.

Princess Alice of Battenberg The Forgotten Royal

Friday, June 18

Few people know about Prince Phillip's mother, Queen Elizabeth's mother-in-law, Princess Alice of Battenberg. As Queen Victoria's great-granddaughter, Alice was born in Windsor Castle (1885) and died in Buckingham Palace (1969). She was congenitally deaf. Misdiagnosed as schizophrenic in the late 1920s, she was hospitalized against her will and subjected to cruel and primitive medical experimentation, before escaping and disappearing for five years. Only the death of one of her 4 daughters in a plane crash brought her out of hiding. During WW2 she sheltered notable Jewish refugees, using her deafness to feign not understanding the German soldiers that were searching for hidden Jews. Later, she founded a Greek Orthodox nursing order of nuns in Athens, inspired by one of her aunts who lived in Russia and who met a tragic end at the hands of Stalin. Alice's amazing inner strength, desire for frugality and deep faith make her one of the twentieth century's most obscure but fascinating royals.

Concorde - Technology Meets Glamour

Friday, July 16

In the 1980s René was one of the most frequent flyers on the Concorde, making him the perfect person to present the history of this marvel of technology from a personal point of view. Concorde's life, including its development, spanned half a century. Its leap forward in technological advancement has been unrivaled, and the French and British joint development led to a new era of cooperation between the two countries. The ambitious initial plan was to build 350 aircraft. Before Concorde's first flight, it faced many obstacles, such as sound pollution, safety issues, and high costs of development and operation. However, after overcoming many of these hurdles, Air France and British Airways were the only airlines that flew Concorde planes. Due to high cost of operation, of the 350 a mere 20 planes were ever built with only 14 going into service. The audience will be given an in-depth feel for what travel on Concorde was like and meet some of its famous passengers. A fatal accident in 2000, followed by the tragic events of 9/11, precipitated Concorde's decline in popularity and led to the technological marvel's eventual retirement of this still unsurpassed supersonic plane.

Marlene Dietrich - The Woman and the Legend

Friday, August 20

In the 1960s René attended boarding school in Gstaad, Switzerland with two of Marlene Dietrich's grandsons. When she came to the Palace Hotel to perform her world famous, one-woman show, René was asked to be seated at her table. He was understandably star-struck by the glimmering star and never forgot every detail of the dazzling event. The presentation describes how the little girl, born Marie Magdalene Dietrich in 1901 Berlin, became the world-famous legend Marlene Dietrich. Few Hollywood icons have attracted our attention for longer than Dietrich. Although she started her career in Germany doing cabaret and dancing in chorus lines, her fame enjoyed a meteoric rise. By 1930 she was hailed in Hollywood as Paramount's answer to MGM's other foreign-born goddess, Greta Garbo. Dietrich's long working and personal relationship with director Josef von Sternberg, brought her initial fame and fortune. He recreated her as a Glamorous femme fatale, and made her the highest paid actress, which, however, eventually turned her into "box-office poison."

Never one to be restrained for long, she reinvented herself several times throughout her career, including her famed role in Agatha Christie's "Witness For The Prosecution." Her serious work ethic and personal discipline endeared her to the film industries' best producers and directors.

Just before the Second World War, the Nazis tried to woo her back to Germany, to no avail. She was very outspoken against the Nazi regime and became an American Citizen, instead of going to work for Hitler. Her courage during the war earned her many awards from the USA, France, and even Israel. In the words of one of her famous directors, Billy Wilder: "Dietrich was on the front lines more than General Eisenhower."

In the 50s she once again changed her focus and became the highest paid cabaret artist in the world. Guided by Burt Bachrach she created a one-woman show, which she began in Las Vegas, and was paid $30,000 a week. During the ensuing two decades she brought the show all over the world.

Although married only once, and for 53 years, she had dalliances with most of her leading men, like Jimmy Stewart, Gary Cooper, Cary Grant, and John Wayne. Being the product of the decadent 1920's "Golden Age of Weimar" environment, Dietrich also had affairs with women like Edith Piaf and Dolores del Rio. Throughout her life, however, she remained dedicated to her only child, Maria, and her four grandsons.

In his inimitable story-telling fashion, René will present a picture of Marlene Dietrich as a multi-talented, multi-lingual, truly international icon, who camouflaged her flaws and capitalized on her talents. Request by: Tuesday, August 17

Christina Onassis - A Greek Tragedy

Friday, September 17

Christina Onassis (1950-1988) was the daughter of shipping magnate Aristotle Onassis and Tina Livanos. She was heir to two huge shipping fortunes. Her mother Tina died under mysterious circumstances in 1974 while married to Onassis' archival Stavros Niarchos. "The Golden Greek," as Onassis was known, was married to Jackie Kennedy at that time. Ari died in 1975, a broken man after the tragic death of his only son, Alexander, a classmate of René's. René was closely involved with the family during Onassis' last illness and death at a hospital René was running in Paris. After her father's death Christina married three more times, ultimately having her only daughter, Athina in 1985. Christina tragically died three years later in Argentina from an apparent heart attack, caused by excessive dieting. Request by: Tuesday, September 14

Princess Margaret Cinderella in Reverse

Friday, October 15

René will discuss the life of Princess Margaret, a member of the British Royal Family whose wealth and fame did not bring her happiness, proving the adage once again that: all that glitters is not gold. Princess Margaret was born to the Duke and Duchess of York, who later became King George VI and Queen Elizabeth of England. At her birth she was 4th in line to the British throne. Her only sibling, Princess Elizabeth, became queen in 1952. A relationship to war hero, Group Captain Peter Townsend, nearly led to a constitutional crisis. Their separation was international intrigue for many years.

Margaret eventually married promiscuous society photographer Antony Armstrong-Jones, with whom she had two children. The tumultuous marriage, punctuated by infidelities on both parts, ended in the first royal divorce in 400 years. As a hospital administrator, in 1980 René opened the famous Princess Margaret Hospital in Windsor, UK. Through this endeavor he became friends with her. After several failed relationships, the once second-in-line of succession to the British throne, led a lonely life, rife with illness. After several strokes due to excessive smoking, drinking and partying, Princess Margaret died at age 71 in 2002. Request by: Tuesday, October 12

hope HELP support kids family KINDNESS donations without YOU?

AMIDST THE WORST OF TIMES the children we serve had a very difficult time.

They lost parents and grandparents to Covid-19. The lockdowns caused a tremendous amount of documented abuse in those communities. One and a half years of lost schooling or lack of socialization has put a lot of our prior work at risk. Speaking of that, the one group that thrived during the Pandemic were the gangs.

But, even with all this, we have been able to function, thanks to many wonderful caring people. Through some pivoting on our part to recognize that things could not been done as usual, we were able, through our 31 vetted children's charities, to provide many of our normal services:

- *Food recovery and distribution was provided by our assistance to Boca Helping Hands "Backpack program," restaurant and supermarket recovery programs. Thousands of children were fed daily. Thank you to Greg Hazle and the Peters Family.*
- *Joining with the Boys and Girls Clubs of Palm Beach County, we underwrote the "Farms to Families" project, still on going, bringing fresh food directly from the fields to the tables of those families in need; brilliant moves by Jeannie Miranda and her staff.*
- *When school stopped and the students had to go virtual, we bought tablets for those homes that had none, helped communities get Wi-Fi and distributed books through our alliance with the Educational Foundation of Palm Beach County and their charismatic leader, James Gavrilos.*
- *Keeping safe hundreds of foster children at a time when there was no one else to help, was our mission and thanks to Jillian Smath at SOS Children Villages, Charles Bender at the Place of Hope, Sarah Franco at JAFCO and Matthew Ladika at HomeSafe, the job was done with your help to fund their villages.*
- *For months Moms had to balance Covid, work, childcare and the safety of their children. Without the help of the Fuller Center, YMCA of South Palm Beach County and YMCA of the Palm Beaches, and the 1000 children cared for there by Ellen Okrent, Jason Hagensick, Tim Coffield and their beloved teachers, we're not sure what would have happened.*

There are dozens more of these stories we can share with you. Your support of our 8th Annual Golf tournament, our first Bikes For Tikes and My First Bike programs, the Members Appeal, our pass through and directed donation programs, our annual raffle, our diaper drive and our newly minted Partnership project all helped to raise over $2,000,000 to get thousands of families though the most frightening times.

In just a few months we will start our Fall programs - Members Appeal in October, the Boca West 500 Golf tournament sponsored this year by NASCAR, this year's Bikes For Tikes/ My First Bike Program in November and our initial "Walk The Walk Funfest" at the Palm Beach Marathon Weekend and the return of Adopt a Family/Old Navy Holiday Shopping Spree and Pancake Breakfast in December.

We have made it through the worst and now need to make sure that "our" kids have the better life; the one we have spent the last year fighting for them to have.

Your support of the Foundation makes all of this imaginable and allows us to think broader, dream bigger and challenge ourselves to do better every day.

Thank you, Boca West family, for all that you helped with this past season look forward to an equally successful next season.

GRIEVANCE COMMITTEE REPORT

By Dr. Rick Chavis, Grievance Committee Chairman

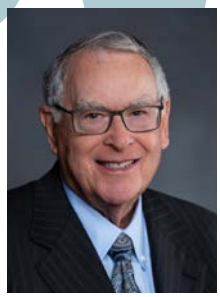

The Grievance Committee reports it findings and recommendations to the Board of Governors. After the Board of Governors makes its final decision, there is a 45-day period in which the Member may appeal the Board's decision. There is currently one Grievance, which has passed the 45-day waiting period and has been appealed.

GRIEVANCE:

This Grievance was filed by the Chairman of the House and Activities Committee against an approved companion to a Boca West Member. This Grievance was filed in response to abusive and harassing emails sent to the Club, and specifically to Kathy Kohlhepp. The emails were in response to the notices to the membership stressing the importance of wearing a face mask. At that time the General Manager of Boca West Country Club requested that the mask wearing reminders be sent to the membership every ten days. This companion's behavior violated Boca West Bylaws, Section 10.02, and challenged the welfare, harmony, and good reputation of the Club.

RULING: The Member and the companion were suspended from the Club for one year. The companion was required to complete an anger management course and write letters of apology to staff and the Board of Governors, and would not have a transponder for the duration of the suspension. The Member appealed the decision of the Board of Governors, and has asked the Club to remove the companion from her member file. The Board of Governors unanimously voted to rescind the suspension of the Boca West Member. The companion has been permanently barred from Boca West Country Club.

OMBUDSMAN

Contact mikejosh18@aol.com and include "Ombudsman" in subject line.

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

CHAIRMAN'S LETTER

THIS AND THAT— A potpourri of topics and items that might or might not be of interest to our membership, but which I think deserve some air time, or at least in some cases, repeating.

BOCA RATON CHAMBER OF COMMERCE 2021 BUSINESS LEADER OF THE YEAR: The Boca Chamber of Commerce announced that our own President and COO, MATTHEW LINDERMAN, has been named BUSINESS LEADER OF THE YEAR. In naming Matthew, the Chamber noted that "This year we witnessed the extraordinary resilience of many businesses within our community as we continued to feel the impact of COVID-19. That is why now, more than ever, it is important to acknowledge and recognize those businesses and their leaders." We at Boca West know first-hand and appreciate the wonderful job our Club has done, and continues to do, under Matthew's leadership, to make Boca West a safe, comfortable, and even exciting and entertaining place to wait out the pandemic. And for all of that, we cannot too often thank Matt for his leadership.

BWCC/BWMA JOINT VENTURE VILLAGES INITIATIVE: The JOINT VENTURE ("JV") has recommitted itself to an initiative, started shortly before, and interrupted by, COVID-19, to reach out to our Villages to enhance the lines of communication and collaboration, which the Club and BWMA believe will be for the benefit of the entire community. We believe that this program will help Villages more effectively deal with issues that confront many of them on a regular basis, and will identify resources which can be created and/or made available to Villages to do so. We believe that it is in the best interests of our entire community and our residents for the Villages, BWMA and Club to work together. The JV anticipates that we will be presenting several programs to groups of villages begnning in the early Fall. We think it is beneficial for leaders of the Villages to participate and see "what's in it for you and your Village". We think you will be happy you did.

JOINING FEES: At a recent meeting of your Board of Governors, the subject of raising Club Joining Fees was raised. And while no decision has yet been made, it appears likely that your Board will approve an increase in the foreseeable future. Here's why. The last time Joining Fees were raised, at that time to $70,000, was in 2006. It is interesting to note that the value of our current $70,000 fee, in 2006 dollars, is just slightly more than $50,000. So in fact, our present Joining Fee is just about 70% of the real dollar value in 2006. A purpose of having a Joining Fee is for new members to "buy into" the Club's capital assets which have been paid for by past and existing Club members. Now, take into account that since 2006 the Club has invested over $150 million in capital improvements, not even counting the approximately $45 million capital project now under way. So the reasons to consider raising the Joining Fee are quite compelling. Other positive factors include the strong real estate market in Boca West and in south Florida generally, and the impressive recent increases in market value of our units, particularly those that have been updated in recent years. Another factor taken into consideration is that, although our facilities, services and amenities are second to none, our current joining fee is on the lower end of the spectrum when compared to other residential country clubs in Palm Beach county, so that raising our Joining Fee should not put us at a competitive disadvantage. Stayed tuned.

CONTACT WITH THE MEDIA: Most organizations mandate that if anyone in the organization is contacted by a member of the press or media, the contact must be referred to a specific person trained and authorized to deal with such matters. The reasons for this are clear-every organization wants and needs to control what is published about it so as to assure, to the extent possible, that the organization is portrayed in a favorable, or at least accurate, manner. BOCA WEST COUNTRY CLUB should be no exception to that policy. More than once in the past, well-meaning contact with the media by our members, including Board members, have led to publicity that distorted facts and/or did not present the Club in an accurate or particularly favorable light.

ADHERENCE TO RULES & ETIQUETTE: We have a large community and professional staff, and in the interest of preventing chaos and/or disharmony, it is important to adhere to the Rules of the Club and BWMA, and to treat one another with respect and compassion. Even a seemingly innocent digression can result in bad feelings. As an example, recently my golf group was the cause of bad feelings. We were the third group out on Palmer III, and our group was playing faster than the first two groups. The first two groups were, however, playing at a four-hour pace. Midway on the front nine we decided to ride two holes ahead of the earlier groups, which we felt would not impact their game, and would allow us to avoid waiting on every shot. WE WERE WRONG! We should have called for a Ranger, or at the very least, we should have stopped and told the groups what we wanted to do to see if they had any objection, which would have been proper protocol. The groups were irritated by our actions, and disharmony resulted. When told of the groups' reaction, our group apologized, and for us LESSON LEARNED. Let's all be cognizant of the fact that even unintentional behavior can irritate others, and try our best to treat all of our members and staff with the respect and courtesy we all have a right to expect.

Stay safe, happy and healthy.
