MEETING:	Golf Committee
DATE:	April 20, 2021
MEMBERS PRESENT:	Chuck Rosenblatt, Chairman, Bill Berkowitz, Vice Chairman, Lela Cannon, Greg Friedman, Jeffrey Getelman, James Ginzler, Irving Jainchill, Eric Reinstein, Alan Rosenberg, Ellen Shapiro, Robin Shulman, Richard Wagner
MEMBERS ABSENT:	
PARTICIPANTS:	JR Friend, Director of Golf, Wes Dinsmoor, Director of Golf Course Maintenance
FOR INFORMATION:	The Board of Governors
ISSUED BY:	Chuck Rosenblatt
ISSUE DATE:	April 27, 2021

Chairman's Report:

- All participants introduced themselves.
- Thanked Members for volunteering to serve and discussed the role of the committee as well as what the Chairman sees as the objectives of the Committee the coming year. All objectives are subject to change at the direction of the Committee.
    - Course Care – this remains our number 1 priority. This season, the majority of Members were very good about the 90 degree rule. We must continue to educate on the necessity of filling divots, raking bunkers, and repairing pitch marks.
    - Tournaments – we had a very successful tournament schedule. The Member/Member continues to grow each year and has become a very popular event. This year, we tried a Champions Week which was well received. Play for Pink raised 50% more money this year and was well attended. We must continue to grow these tournaments and all tournaments. Perhaps we should look at shaking up the big 3 tournaments: Season Opener, Super Bowl & March Madness, as these have become somewhat the same.

- Driving Range – The renovation of Mr. D's and the introduction of a "Top Golf" type system will open up an avalanche of new and exciting programs. We need to be creative and use this new concept to benefit our complete Membership.
- Group Leader meetings have been well attended, and it is an easy venue to get the word out on what the Golf Committee and staff are doing. This year, we will open these meetings up to any individual interested in attending.
- Our teaching Staff must continue to encourage Members to take lessons and attend the clinics offered by Pam and her staff.

Director of Golf Report (JR Friend):

- Even with the pandemic, golf had a very successful season concluding with the Twi-Nite Event on April 17 which had almost 500 members participate.
- JR thanked the committee for their continued support and all those that served on the Committee last year. Member rounds are still up, and Gold Card Guests are using the golf facilities.
- We are beginning the budget process for next year.
- We are entering our 4th year with this cart fleet and the carts are being used more due to single riders. Provisions are being looked into to insure the carts are ready for another year.
- 6 summer golf events along with the 3 holiday events are being planned for the summer.
- Mr. D's restaurant is closed and construction is set to begin for improvements and renovations.

Director of Golf Course Maintenance Report (Wes Dinsmoor):

- Courses are in good condition, and Wes is appreciative that the Members observed the 90 degree rule. (This is one of the reasons the courses are in such good condition).
- The first aerification's of the courses has begun with course 3 last week. Wes will continue with course 2, followed by the other 2 courses over the next three weeks.
- In conjunction with the aerification, the Golf Course Maintenance team has begun his weed control treatments.
- Bridge replacement is scheduled this summer on Palmer 3 by tee 10. The GCM team also will begin repairing the boards on the long bridge leading to hole1 course 4.

A list of Sub Committees was passed out to each Member. A brief discussion concerning the initiatives and goal for the coming year. Each member was asked to send to the Chairman by the end of the week the sub-committee members would like to serve on.
The sub-committees are:

- Group Leaders
- Member Friendly/Guest Services
- Course Care
- Tournaments/Events
- Equipment/Golf Technology

After a brief discussion that Members had of the general operations of the Golf Committee as well as the workings of the Golf Staff, the meeting was adjourned at 4:05.

The next meeting will take place on May 13, 2021 at 3:00 PM.
