PRESIDENT'S LETTER

Dear Member,

I am extremely happy to announce that BOCA WEST COUNTRY CLUB HAS BEEN RANKED 14TH OF THE TOP 100 PLATINUM CLUBS OF THE WORLD, and the highest ranked Residential Club. An accomplishment you should all be extremely proud of! The staff and I are once again beaming with pride!

November is here and that means our **SEASON OPENER** events and activities are about to kick off! For those of you who have just returned from being away from us, welcome home to your Boca West oasis: we are so happy to have you back. Each department has spent the summer diligently planning events for you while always ensuring CDC guidelines is in place and your safety a priority at all times. Our Tennis touring pro, Ajla Tomljanovic, returns for our evening tennis exhibition on November 12. It's always amazing to watch her play with fellow touring professionals. Turn to page 15 for details.

Our Activities department has planned so many spectacular events, from our November theme nights to the Dinner Show Rocketman through our annual Tanglewood, you are not going to want to miss a beat of this spectacular season! We have plenty planned for the families that will be visiting. Please keep an eye on your email communications for information regarding all we have in store for you, as well as for changes that may arise throughout all areas of the Club. I look forward to seeing you take part in all of the fun!

As I have mentioned previously we have been dealing with the crazy Covid backlog which has caused a delay in the delivery of merchandise and equipment to our shops. Please be assured that we are doing everything possible and are working with our vendors to ensure that your shops are fully stocked for the season. Nonetheless, we still have many **trunk shows, pop-ups, and events** for you to enjoy, several of which will be held outside on the lawn. Turn to pages 16 & 17 to see details, and I hope you have a chance to stop by often!

Thank you for your patience during the renovations this summer. The Country Club building and Mr. D's will be re-opening soon and I am especially excited to share the new Drive Suites at Mr. D's with you all. Reservations will be required for these hitting bays in the evening and it will be first-come-first-serve during the daytime. You will see that the "Disney fence" has gone up at the back of the Sports Center as we enter Phase One of construction on the Sports Complex. Phase One being the construction of the new fitness studios and site work. This portion of the Club Improvement Program will evolve as construction progresses. I promise to keep you apprised as we shift and make changes. Please remember that the construction of the Aquatics Complex and the rest of the scheduled project work will begin in early to mid-March.

We are thrilled to finally welcome back some of our International Staff that were up north for the summer, their return has been long awaited! The International Staff that are currently overseas will be going to the US Consulates for visa processing and will arrive shortly thereafter. Please know that all current health and safety protocols in place for all staff at the Club will remain implemented throughout the season, and each International Staff member arriving from overseas have already been fully vaccinated for COVID-19.

Over the last two years, **Tracy Bradbury** has continued to grow and develop and become the dynamic individual we all know and appreciate today. It is with great pride that I share with you her new role as our Clubhouse Manager. At this time Tracy will continue to oversee Food & Beverage, Catering and Culinary and focus on getting these departments up and running for the season. Please join me in congratulating Tracy on this well-deserved achievement.

Please remember that Boca West is a no-cash Club, the Staff is not allowed to accept cash tips. However, if you feel inclined you may add an additional tip to your check for the service staff and they will receive it.

With all of the exciting events happening around the Club, we cannot forget about Thanksgiving and the holiday season which are right around the corner! Please be sure to submit your dining requests before the deadline dates to be included in the assignments. If you have any questions, contact our Food & Beverage Reservations department at 483-6300, and they'll be happy to assist you.

I wish you all a happy and heartfelt Thanksgiving filled with cherished memories and many blessings. As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club. See you around!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

There's a Buzz *in the Air*

By Chuck Rosenblatt,
Golf Committee Chair

As I sit here in late September writing this article there is a buzz in the air about what is going on around the club, tennis facilities and of course the golf courses.

The Covid numbers are waning in Florida. Hopefully things are returning to normal, at least that is the direction we are planning. The first wave of International Employees has returned, with more to come in the coming weeks.

Wes and his staff are finally close to full employment. The summer aerification of our greens and fairways went well. Bridge replacement work on Palmer III has been completed as well as repairs to our other bridges. Sod has replaced areas where Mother Nature didn't allow for the old turf to grow in after the removal of invasive grasses and weeds. Bunker work has been done, greens edged and hundreds of new plants planted in our flower beds.

JR and his staff have completed the golf calendar for the coming year and are in the process of putting the finishing touches on the many exciting tournaments they have planned. You will see new themes and formats. Our summer golf tournaments were a great success, and we expect the same for the coming season.

In addition to our "normal" work there has been a transformation of Mr. D's and the south end of our driving range. Contractors have been busy pouring concrete, installing steel and thousands of feet of conduit and wires underground. Unfortunately, some of the ditches had to be dug more than once as Mother Nature produced a number of torrential rainstorms. New pavers, planters and lighting have also been installed.

With the opening of Mr. D's this season we are happy to introduce you to our new "Drive Suites". What is Drive Suites? This new and exciting technology is from a company named InRange. The first seven bays around Mr. D's will be equipped with tables and seating, and large TV screens just like you have seen at Top Golf or Drive Shack. Members will be able to play games or practice from these bays. Portable lighted targets will be used to enhance the Drive Suite experience during different times of the year. The other 18 bays on the south end have also been wired for the InRange radar system. On these bays you will download an app onto your smart device. These bays are designed for practicing. Players will be able to receive club distance data such as carry, direction, total distance etc. from their devices. In addition, there are skill-based games that may be played.

Sound a little confusing? Don't worry, we will have staff present to assist members get used to this technology and help you set it up on your device.

All the time you are using this new technology we hope you will enjoy using some of our new 60,000 Srixon Q golf balls we just received. We only ask you to enjoy them on our range and **NOT** on our golf courses.

Have a good season and remember, keep it on the short grass!

Welcome Back on the Courts

By Dr. David Shifrin, Tennis & Pickleball Committee Chair

Hello to the Tennis and Pickleball Community, and hope you're back on the courts and enjoying our beautiful facilities.

As I've mentioned in previous articles, we have been approved for the construction of six additional pickleball courts, and we're ready to go at any time. However, the permits from Palm Beach County are still pending, so at this point I can't give a definite timeline on when they'll be ready. We're hoping for completion by the December holidays, but the best I can say for now is that we'll keep you informed.

Out tennis activity has been quite active, including interclub play, so if you're interested in competing against other clubs, please contact the tennis department, 488-6996.

Lastly, as you're aware, the tents are back up for Tavern on the Court, so tennis courts 21-23 are again temporarily unavailable, but John Joyce and staff have plans in place to accommodate players who wish to be included in game arranging.

As always, I'm available for suggestions and questions. My email address is mikejosh18@aol.com.

Best wishes to all

BOCA WEST EDUCATIONAL SERIES

Musical Lectures with Aaron Kula

4pm, Wednesdays, January 5, 12, 19 & 26
$100 per person for four week series
Golf & Activities Center

WEEK 1: Leonard Bernstein: The Man and His Music

Perhaps the greatest American musician of all time, Bernstein was a teacher, composer, conductor, pianist, and philosopher. He used music to repair the world and make it a better place. He struggled with faith and argued with God while never rejecting his Jewish heritage. His music defines his life while his life defines his music.

WEEK 2: American Yiddish Radio Hour: 1920-1960

The history of Jewish radio stations was an important part of the American experience especially for the immigrant population. The radio was the single most important "appliance" in the first half of the 20th century that allowed everyone to listen to anyone in the privacy of their own living room. Jewish musicians and singers used the radio as a vehicle to become famous and appeal to an American audience on the airwaves ultimately making them super stars. The lecture will include vintage live radio recordings from WEVD and WHN. You will experience Yiddish commercials advertising Ajax, delicious Gefilte fish, shoes, Barbisol, and pickles. This is an entertaining and educational lecture taking the listener on a tour of *The American Jewish Radio Hour.*

WEEK 3: Black Sabbath: Blues and Jews

The secret relationship between Jews and Blacks between 1930-1960 had a profound effect on American and Jewish music. Both ethnic groups borrowed from one another in search of common themes such as redemption, hope, prejudice, faith, and the desire to be accepted as American. The collaboration of Black and Jewish composers and performers created a rich body of popular music that made them feel American. The presentation includes images and recordings of black artists that sang Jewish songs and Jewish artists performing in a jazz style. Some of the recordings include Cab Calloway singing Ot Azoy, Billie Holiday singing My Yiddishe Moma, Nina Simone-Erestz, Zavat Chalav, and Johnny Mathis-Kol Nidrei.

WEEK 4: The Great Romantic Orchestra *Selections from Beethoven, Brahms, Berlioz, Dovrak, Barber, Tchaikovsky, Rachmaninoff*

Composers of the romantic era created music based on great expressive melodies inspired by nationalism, exoticism, and the use of expanded orchestras utilizing sections made up of strings, winds, brass, and percussion. Lyrical melodies, rich harmonies, and expressive tone colors created powerful emotional compositions that touched the core of the human condition such as love, hate, anger, politics, power, psychology. Composer cultivated their own language and "sound." The lecture will showcase a wide range of works, accompanied by commentary about the music and composer. Participants will also get tips on conducting an orchestra.

Return…..Rebirth…..Renewal

After 18 months of concern for us all (especially our children at risk in our community) we are returning to many of our activities that allow us to aid those who struggle to survive each day.

On **November 1** over 400 golfers will enjoy the renewal of the 9th Annual Boca West Foundation $100,000 Golf Challenge to feed, clothe, educate and make safe 9,000 kids. Brunch, hats, sleeves of balls, goody bag, golf shirts, $150 gift certificate to shop in the Callaway gift catalog, round of golf, Super Bowl Raffle tickets, $2,500 duck drop, Exotic Car hole-in-one, drinks/food on the course, cocktail party, dinner, live auction, and some wonderful surprises attached to our theme this year…the Boca West 500. 30 children's charities will be sharing the proceeds from the event.

On **December 18** we will celebrate the return for the 12th year of the Boys and Girls Clubs Holiday Shopping Event….150 volunteers will help 250 kids spend $50 for new clothes at Old Navy. Afterwards everyone will return to Boca West Country Club for the annual pancake breakfast party complete with magicians, characters and Mr. and Mrs. Claus. Each child will choose a toy and take home a harvest basket of turkeys, hams, and fresh vegetables for a holiday meal. Many of our members feel it is the best day of the year.

Everyone involved with the day who is eligible will be asked to be vaccinated and/or tested.

December 11 will mark a rebirth of new projects for the Foundation…. our first walk/funfest… "Walk the Walk". It will be held along the intercoastal in West Palm Beach during the Palm Beaches Marathon weekend festivities.

Parking and busses will be available. All the fun of a carnival (face painters, magicians, musicians, stilt walkers, food and drink) will be available as you walk (as much as you wish) along the 1 1/2-mile course. Hundreds of kids from our foster home projects and Special Olympics will enjoy and benefit from the event.

Last year we began our Bikes for Tikes and our My First Bike Program. Over 800 kids were able to get their first bike for the holidays or for their Pre-K Graduation. We are collecting funds again this year and hope to distribute 1,000 bikes, helmets, and training wheels with your help. Each bike costs $160 assembled.

You recently received our Annual Appeal letter. Please give what you can to keep our 33 children's projects going for 2022.

Super Bowl LVI raffle tickets are available online or by visiting or calling our office. It costs $100 per entry…the grand prize is a hotel stay in Los Angeles, two JetBlue round trip tickets to Los Angeles and two tickets for the Super Bowl at the 8th wonder of the world…the $5.5 billion-dollar SoFi stadium. Other prizes are a week's stay at the Pineapple Beach Resort in Antigua, a weekend at the Laureate in Key West, and four $100 gift cards to each Casa D'Angelo, Positano, Novello, and Vespri Sicilani.

Please visit our website, www.bocawestfoundation.org for more information on the Walk the Walk, Holiday Shopping Event, Golf Challenge, Bikes for Tikes, and the Raffle prizes or call Christina at 488-6980.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

LET'S CONNECT

By Jeanine Banks, Communications & Marketing Committee Chair

COMMUNICATIONS is defined by the imparting or exchanging of information. I came across a wonderful video today that the Club re-posted on social media. The original post was back in May of 2020, during the early months of the pandemic and global shutdown of our daily lives and businesses. It was a touching reminder of how much our Boca West way of life is treasured, the people we cherish, the celebrations we enjoy, the memories we make and the hospitality, warmth and welcomed feeling our talented and dedicated Staff exudes in every interaction with us.

The breathtaking images of Boca West's beautiful surroundings, glorious amenities, and the spirit of camaraderie and belonging we feel because of our culture, were beautifully displayed. As I gazed upon each of the images, especially those of the smiles of our Members and Staff, I couldn't help but smile because there just isn't anywhere else like it. The video also featured cuisine being lovingly prepared, carefully packaged and delivered safely to our cars by staff who were smiling broadly behind the masks thereby giving us hope and comfort at such a challenging time. It closed with a reminder of the Club's enduring commitment to excellence, respect for one another and great anticipation for new beginnings despite the pandemic. For me the message was clear...when we are here, and even when we are away, we are home at Boca West.

Born from this unexpected and sudden global interruption came a renewed sense of hope and innovation in how we communicate, stay connected and engage. If you're not connected to Boca West Country Club on social media, I encourage you to connect with us on Facebook or Instagram and be part of informative posts, event photos and educational videos.

If you haven't seen the video or joined our social media pages just yet, you can view **Event Photos** on the Website or via the App (Link to Member Website at the bottom of the home page) and it will remind you of the people and places that make Boca West so special.

NOMINATING COMMITTEE REMINDER

Joel Macher, Nominating Committee Chairman

Joel Macher

The mission of your Nominating Committee is to find the most qualified individuals wishing to contribute their time, experience and expertise to Board service. If this is of interest to you, please do not hesitate to consider running for a position on the Board of Governors. Please submit your resume and cover letter requesting to be considered to Jill Lengyel at jlengyel@bocawestcc.org before the deadline of November 12.

As Chairman of our Nominating committee, if you have any questions, please feel free to reach out to me at joelmacher99@gmail.com.

OMBUDSMAN

Contact mikejosh18@aol.com and include "Ombudsman" in subject line.

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

THERE'S BEEN SOME TALK ABOUT GOLF COURSES RECENTLY, so it's a good time to discuss our plans, long term and short term, for our golf facilities. Over the past 15 years, and upon completion of our current capital projects, we will have made significant investments in our systems and infrastructure, which has allowed us to maintain and enhance our facilities, amenities and services to keep the member experience and life style at Boca West rated at the top of the industry. It is now time to make investments in our four excellent golf courses, at least three of the courses having come to the age where more robust action will be required. And for our tennis and pickleball playing Members, have no fear, we will talk about that next month. A few of our members have noted that the conditions in some areas are not what we're used to at Boca West, and they are right. The primary reason we have not been able to stay ahead of the curve on the encroachment of weeds in some areas, particularly on Fazio II, is a shortage of personnel in the golf maintenance department. There have been numerous and repetitive articles in newspapers, online, industry publications and the like, about labor shortages in many industries, and it is particularly acute in the hospitality industry from which we draw our workforce. We are doing our best, in our restaurants, fitness, golf, tennis, and elsewhere to continue to provide all the amenities and services our membership has come to expect. And I think you will agree that our professional staff has done an outstanding job. Please express appreciation to our staff, who have been working tirelessly to keep things going. But, all is not lost, and help is on the way. Mother Nature will soon end the growing season, which will be helpful in controlling the weeds, and she will also end the rainy season, which will help the conditions in our bunkers. And, hopefully, our seasonal international staff will arrive, but not as early as usual or as early as we would like, and that will help. That's all in the short term.

In the long term, we are in a process of creating a master plan for our golf courses, and will recommend to our membership that we invest in our golf facilities as we have in other areas of the Club in the last number of years. We have been meeting, and will continue to meet, with highly regarded golf course architects, and we will be asking some of them to give us their vision of what can be done. Our goal is to have four really outstanding golf courses, each different and unique, which our members at all skill levels will love to play, and love to show off to their guests. It can be done, but will take some time. We are in the planning stage now, and we hope to be able to start work on one of the courses, most likely Fazio II, in the Spring of 2023 and have it ready for play in late Fall of 2023. Hopefully, we will be able to do one additional course per year thereafter. Early feedback from the architects has been that Dye IV needs very little, if anything, or just a little tweaking. They point out that our course is the last country club course done by Pete Dye, that he did an excellent job, and that it is a golf course we should be proud of.

So that's where we are. I can report that I and others of our members have recently played at other local clubs, and members of those clubs have played here. The feedback has been that our course conditions are equal to or better than almost all. Please be assured that we will be giving periodic updates on the progress and status of this project.

Be well and stay safe.
