PRESIDENT'S LETTER

Dear Member,

I am thrilled to announce that for the ninth consecutive year, Boca West Country Club has been awarded the prestigious Distinguished Club award with a special "elite distinction" by *BoardRoom* magazine, ONE OF THE MOST RESPECTED TRADE PUBLICATIONS SERVING PRIVATE CLUBS. You should be very proud to say that you live in Boca West and belong to a Country Club that is recognized as one of the best throughout the Country and the World: I know your staff and I are certainly honored to serve you here.

The Distinguished Club Idea Summit was held on November 8 and 9. We were one of five Clubs that was visited for the Club tours, 120 General Managers from around the Country were toured through our newly renovated Country Club Building that ended with an afternoon of fun experiencing the Mr. D's Drive Suites. I am so proud of my team and what we have developed; over three years ago we had a vision of what we wanted to accomplish and to see it come to life is so rewarding. Boca West is the only Private Country Club in the US with a golf driving range experience driven by radar technology, players of all levels can go out and have fun on the range or at the newly created Drive Suites. Unwind with drinks after a great round, or enjoy a delicious meal with family and friends, there is something for everyone to enjoy at Mr. D's. Stay tuned on opening details and ways to enjoy the Drive Suites.

A huge part of what makes Boca West so special is our dedicated Staff, and I am pleased to announce the addition of Kirsten Scott, Director of Restaurants, to our world class Food and Beverage team. Kirsten has attained over 15 years of progressive managerial experience in the food and beverage industry, most recently with The Waldorf Astoria Chicago, The Viceroy Chicago, and The Boca Raton Resort. We are so excited to have her on board and know that her expertise will shine in her new role: please join me in welcoming Kirsten to Boca West.

The American Bombshells, one of our favorite trios of singers, returned to perform an All-American tribute show for our Veterans Day Breakfast. Each branch of the service - Army, Navy, Air Force, Marines and Coast Guard - was represented. We look forward to this event every year as it is so heartwarming to see the room filled with patriotism, love and respect for our veterans our country.

I am so excited that we were able to kick off this season with our season opening events in true Boca West fashion. From our Enchanted Wonders theme night to our Thanksgiving and Hanukkah dinners, it is amazing to see the Club being enjoyed by all of you again.

Holidays are right around the corner and there are so many spectacular events in store for you. Unfortunately we will not have our annual Boca West Carnival this year as we felt the need to err on the side of caution due to the large crowds and outside guests that attend. In its place our creative and forward thinking Activities department has come up with smaller but fun events for the whole family to enjoy. To name a few, our Glow Party at Tavern on the Court, Family Game Day, S'mores Night, Ice Skating and Princess Spa Day will all take place between December 26 and January 1, and trust me— the list goes on! Our annual Character Dining has been scheduled as a Breakfast or Lunch this year to ensure our youngest family members are safe. And don't forget about the Golf and Tennis events for the kids, which are also sure to be a huge hit! Please keep an eye on your email communications for updates and details on all of the fun December has to offer you at your Club.

As I have previously communicated, we have had many challenges bringing our International Staff in from oversees. It remains a fluid situation and Workaway International, our staffing agency, is persistent in its efforts to expedite this process and get the rest of the group here soon. With these Staff arrival delays and the intense training that is required to open Prime Cut, we have pushed back the opening until mid-December. Additionally, as I write this letter, an opening date for Mr. D's and Panache lunch has not been finalized... if they have not been announced as of yet, details will be sent out very soon. I promise to remain transparent and to keep you updated, as I have always done. Thank you so much for your patience while we navigate through these obstacles.

As you have seen, the fence has gone up behind the Sports Center as Phase One of construction on the Sports Complex begins. This phase includes the construction of the new fitness studios and site work. The construction of the Aquatics Complex and the rest of the scheduled project will begin in early to mid-March.

Please remember I welcome and encourage your thoughts, comments and suggestions regarding your Club. Sending happy and healthy holiday love your way from me and the Linderman girls; Yamile, Alexa and Sophia!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

ON THE COURSES

WOW! I cannot believe it is already December and 2021 will be coming to an end soon. What a tough 20 months it has been.

By Chuck Rosenblatt, Golf Committee Chair

During this time, our greens keeping staff couldn't work for five weeks when the Club was closed. Then all employees were put on a three-day work schedule the summer of 2020. That was followed by the worst employment situation in years. If that wasn't bad enough Mother Nature decided to bring cool weather into South Florida four or five weeks later than normal necessitating our staff to continue mowing the fairways and roughs more often than usual, taking countless man hours away from detail work around the courses. It really is amazing that Wes Dinsmoor and his staff were able to get our courses back in the shape they are today with what has transpired.

All of this brings me to the topic of Course Care. How many times have you been in a bunker with footprints throughout the bunkers, or you found your ball in the middle of a deep divot on a beautifully mowed fairway, unfilled of course? How many times has your ball had to maneuver through a minefield of pitch marks when putting? Our greens keeping staff didn't cause these issues. Unfortunately, we don't have the staff to follow every group around the golf course repairing the damage that our golfers make. It really doesn't take a player very much time nor is it strenuous work to fill divots, repair pitch marks and rake traps. **PLEASE HELP US MAINTAIN OUR COURSES.**

On another note, I'd like to discuss the 90 degree rule. Last season our members did a wonderful job for the most part in following this rule. It does seem however that our members have forgotten this rule. You will recall when the golf committee instituted the rule it was because the courses were getting an unusual amount of wear and tear due to the increase in rounds played and the use of single carts. I must urge members to follow the 90 degree rule so that the **CART PATH ONLY,** measures that were put into effect last season won't be necessary this year.

Speaking of **CART PATH ONLY**, unfortunately the Luken Cup had to be cancelled this year. Saturday we had torrential rain which stopped the tournament after playing only a couple of holes. Then on Sunday we again had rain prior to the start of the tournament which necessitated Cart Path Only. We know historically when our courses are cart path only we receive many cancellations and because of the format played in the Luken Cup it automatically necessitated cancellation. Hopefully, we will find a weekend in the spring when we can reschedule this most popular event.

Hopefully our next events will not be postponed or cancelled due to Mother Nature. While on the subject of events, we have several tournaments coming up next month and in February.

Mark you calendars for the first week in January when we will have the return of the short game championship January 3 & 5, followed by our putting contest January 6 & 8. Then on January 10 & 13 we will have the ever popular Ringer Tournament. Finally, January concludes with the Play for Pink Week. Last year the response to this tournament was overwhelming with the event raising over $75,000 for Play for Pink. Let's see if we can't raise $100,000 this year.

Not to be outdone, February has three exciting tournaments. On February 5 we will hold our Valentine's Day Tournament (previously Super Bowl). Qualifying for The Club's Championship is scheduled for February 3, with match play scheduled for February 7, 10 & 12. We round out the month on February 28 with our Men's Invitational.

As you can see, we have a very active tournament schedule coming up.

The Golf Committee thanks you in advance **FOR HELPING US MAINTAIN OUR GOLF COURSES.**

And remember, it's best to keep your ball on the short grass, you'll find your scores will improve drastically.

We Are In Full Swing

By Dr. David Shifrin, Tennis & Pickleball Committee Chair

Our tennis program is in full swing, including game arranging and inter-club competition. We have lots of new members this season, so if you're among them and are interested in getting onto the courts for either of the above activities, get in touch with our pro shop at 488-6996. Our pros will evaluate your level of play and connect you with others of similar ability.

As of the time I'm writing this article, we are still waiting for Palm Beach County permit approval for construction of our six additional pickleball courts. Club arrangements and financing are in place, so hopefully this project will be completed in time for the holiday period in late December. Meanwhile, we have started inter-club play and this will be expanded as the season progresses.

Lots of our incoming members have inquired about pickleball which is our fastest growing sport. Pickleball has a short learning curve, so you can enjoy yourself the first time you're on court. The rules and scoring may initially seem a bit complicated, but that too will come to you quickly. You can pick up a copy at our pro shop, and You Tube has lots of videos that demonstrate the sport.

PICKLEBALL TIP

By Matt McInerney, Assistant Tennis Director

The Pickleball court is not very big, especially when comparing it to a tennis court. When trying to hit winners, go through the middle of the court versus trying to go around players. This causes you to hit the ball out. The middle also causes the other team to communicate with each other to see who is going to hit the ball.

SCALES

Scales was founded several years ago with the objective of providing superior performance apparel for elite offshore fisherman. Scales is a great name because it relates to protection from all elements.

A few years ago Matt Williams, a south Florida native who is also an avid fisherman and golfer, bought controlling interest in Scales. Matt elevated the fishing product and sales on the fishing side to new heights. Soon Matt's fishing buddies who were all avid golfers too began pestering him to make golf polos. A lot of golf brands are California cool and surf influenced but most golfers we know fish, not surf. Florida needed its own brand. There was a need in the Florida market for a brand that was truly special and not found in every golf shop.

Scales targets people who love to golf, fish, and boat who enjoy the coastal lifestyle. Scales is loaded with colorful printed tops and bottoms and is made out of buttery soft 50 UPF recycled poly. Scales is meant to be that one line in your closet that's different.

Stop by The Golf Shoppe today to shop Scales shorts, pullovers and polos. Also available-perfect for gift giving-are Scales long sleeve sun protective t-shirts for men, ladies and kids!

SPOTLIGHT

BELLA BELLA SPORTS

BELLA BELLA SPORTS came from necessity after searching for activewear skorts specific to the sport we love pickleball! In 2017, after having no luck finding a pickleball clothing line, they created their own and launched the first and only pickleball clothing label, offering quality activewear skorts for the pickleball lifestyle.

As word spread about their fun and functional pickleball skorts, golf and tennis enthusiasts requested designer skorts specific to the sports they enjoy, so just two years after launching Pickleball Bella, they added Golf Bella and Tennis Bella to the functional family of Bella Bella Sports. Today, they have customers from around the globe who are staying healthy and having fun while sporting their activewear.

Their bright, bold patterns are designed in-house and begin with a concept sketch. These drawings are then painted onto canvas as one-of-a-kind art, which is scanned and transformed into a digital format for printing onto our custom-milled fabrics. Once printed, the garments are sewn and trimmed to the high-quality standards.

Bella Bella customers know and appreciate the many specialty features of the Bella line, including attached compression shorts with no-slip grip tape at leg openings (no more tugging on skorts during matches). The pickleball and tennis skorts feature deep pockets on each side with added ball pockets. The golf skorts provide two side pockets, one back pocket and a tee holder on the skirt front. They are modest in length, figure-flattering and comfortable on or off the courts and courses.

Check out Bella Bella skorts in The Golf and Tennis Shoppes where you will find a wide variety of sizes and patterns-perfect for golf, tennis or pickleball!

On Saturday, December 11 hundreds of caring Palm Beach County residents, their children and grandchildren will gather at the start of the first ever **Walk the Walk Funfest** to help raise funds to aid children at risk in our area. The Walk will begin at 10am on West Flagler, along the Intercoastal, in West Palm Beach. The event is being organized by the Children's Foundation of Palm Beach County, an affiliate of the Boca West Children's Foundation and will be a part of the Palm Beaches Marathon Weekend. Join us for a unique and worthwhile day to help "our" kids. Please check the Foundation's website for all the information:

https://www.bocawestfoundation.org/2021-walk-the-walk/

Our inaugural program returns for the 12th year on Saturday, December 18… **Adopt a Family/ Home for the Holidays**. You can be part of the day that many have said is "the most fulfilling day of the year" as a volunteer. You can help Boys and Girls Club members pick out $50 worth of clothes at Old Navy then if you wish, join them at Boca West for a Pancake Breakfast. The kids will pick up their harvest baskets of fresh turkeys and vegetables to take home for a family holiday meal, chose a gift and enjoy a lot of waffles, pancakes, donuts and bacon. It is the best day of the year.

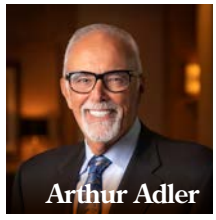

Last year the Foundation initiated a new program called **Bikes for Tikes**. We were able to raise funds so that 600 underserved kids could get a brand-new bike. We are currently raising funds for this year's project. Bikes are $160 assembled with a helmet. Please refer to the website for more info if you wish to participate:

THANKS FOR THE MEMORIES...last month the Foundation announced that long term Chairman and originating founder, **Arthur Adler,** was stepping up to Chairman Emeritus after 11 years. During that period of time the Foundation grew from a startup to delivering $13,400,000 to charity projects helping over 75,000 children have a better life. **The Board of the Foundation elected Richard Zenker as Chairman**.

GRIEVANCE COMMITTEE REPORT

By Dr. Rick Chavis, Grievance Committee Chairman

ON THE SENSIBILITY OF FOLLOWING RULES

There are currently three Grievances proceeding through the Grievance process.

Why do a small percentage of our members opine that our Bylaws, Rules and Regulations do not apply to them? Could it be because unlike small cities and towns, Boca West has no judges, jails, nor police officers with the ability to arrest offenders?

Perhaps it's because some members believe, as we have heard, that:

1. We're young members so the rules don't apply to us. OR
2. We're older members so the rules don't apply to us. OR
3. I thought rules and stop signs were only for the "staff". OR
4. I don't know how that jewelry ended up in my purse. It must be mine.

Our Bylaws state very clearly the importance of the welfare, safety, harmony and good reputation of our Club and our members. Let's consider Welfare and Safety, which can include the health of members, staff, and guests at Boca West. Our Welfare and Safety may also include rules of the road. There are speed limits and stop signs which apply to everyone, especially our members and their guests.

To illustrate Welfare, Harmony and the Good Reputation of our Club and Members, consider our staff, and especially our dining and restaurant staff. Country Clubs and other businesses have been short of staff for months. To better serve our members and their guests, our Restaurant Staff has been working unusually long and exhausting hours. Please consider thanking our restaurant staff. These people deserve to be treated with respect and courtesy. A simple Please and Thank You, can show appreciation, and will help retain our staff.

Thank you for your kindness and consideration.

LET'S CONNECT

By Jeanine Banks, Communications & Marketing Committee Chair

'Tis the Season to get busy!

December at Boca West brings the opportunity for many gatherings with friends and family resulting in lots of reservation requests and a busy calendar. We all find ourselves making more reservations and doing our best to keep our personal and social Boca West calendar managed. Our Communications team has created many enhancements to make booking and tracking reservations, appointments and events, as well as, posting them to your calendar simple and stress free.

Booking on the WEBSITE: Tee times, court times, and dining reservations will appear on the home screen of the website. To request an appointment for fitness for example, hover over *(place your mouse or cursor over the words)* the "fitness & spa" category, hover over "select an appointment", and click on which amenity you would like to book for. To request an activities reservation, hover over the "Cultural Arts & Activities" category and click on the "event request and cancellation" button.

Booking on the APP: Reservations for Dining, Tennis, Pickleball and Golf may be made through their individual sections and on the calendar of events. Just click the category box on the APP's homepage, choose the request box, follow the prompts, and reserve your request. An email for the request will be sent to you, as well as a confirmation notification. Prior to confirmation, you may also modify any request from the APP.

My Calendar: Try this feature on the APP – Under Calendar of Events, go to "My Calendar". The My Calendar feature is customized with all of your appointments for the week/ month. You can view and modify reservations for dining, fitness, activities, tee times, tennis and events all from the app on your cellphone.

ADDING CLUB EVENTS TO YOUR PERSONAL CALENDAR:

Step 1. Navigate to the required event in Calendar of events ether to respective category of events or My Calendar.

Step 2. Click on the Sync Calendar icon (see screenshot).

Step 3. Click on the "Add to Calendar" button to sync details to device calendar.

Step 4. Navigate to the Device calendar and check the events details are synced to the respective date.

Step 5. Tap on the event name and observe the Zoom link under the Notes.

Remember, you can visit the FAQs/ Videos section on **the Website** (not the App) for "how to" video tutorials which may be found by clicking on your profile photo (located in the top right corner of the screen) and then selecting "FAQs/Videos".

As always, we welcome your topic suggestions or questions. Email us at communications@bocawestcc.org. Here's to staying connected, engaged and informed at beautiful Boca West.

FINANCE REPORT

By Bob Lerner, Boca West Treasurer and Finance Committee Chair

September 2021 Unaudited Financial Updates and Commentary Period 10/1/2020-9/30/2021

Let me begin by once again thanking Kathy Campbell, CFO and Kris Nielson, Controller, for their diligent work ethic and professionalism in keeping our financial records accurate and their forward-looking observations and financial guidance as we consider our financial needs over the next several years.

In my June magazine article, I reported to our membership that our financial position was strong and that remains the case today. I will touch on some of the unaudited financial highlights in this article and a more detailed commentary will be in my forthcoming correspondence with you once our October 2020-September 2021 financials have been confirmed by our auditors and reported to the Board.

The financial information provided below was presented to the Board of Governors at the October 2021 Board meeting. As previously noted, these are unaudited result.

1. **Cash Balances**
   As of 9/30/2021...$41.7M vs $31.7M 09/30/2020. In addition to this additional $10M on hand, we have spent $7.0M on our ongoing capital projects for fiscal year ending 9/30/2021. This positive $10M differential is primarily the result of an additional $4.5M from new members and $4.5M from Due's payments.
2. **Joining fees from New Members**
   The fiscal year ending 9/30/21 reported record sales to new members. The NET joining fees from new members was approximately $12.4M (252 new members) and compares favorably to our fiscal year ending 9/30/20 when we had Net joining fees of approximately $7.9M (162 members).
3. **Unpaid Members**
   I am pleased to report that the number of members who did not pay their 2020/2021 dues has significantly declined. We ended September 30, 2021 with 39 unpaid members (29 from previous years) vs 58 unpaid members from September 30, 2020.
4. **Changes in Membership**
   Our analysis is not yet complete in this area. However, based on the due's payments received for fiscal 2021/2022, the number of golf players has increased just above our 2017/2018 levels (1,713 players vs 1,695 players)

As I mentioned in my previous article, we finalized the terms of our credit line earlier this year and, as of 9/30/2021, I am pleased to report that we have exceeded the cash flow projections originally given to the bank to secure our line of credit.

Finally, a personal observation. As Treasurer and Finance Chair it is evident to me that Matthew, his financial team, and the entire professional staff remain committed and fully engaged in providing our membership a best-in-class country club experience. This includes a stronger-than-ever commitment to the safety of our members, staff and guests while continuing to offer the many venues and activities for our enjoyment. This is all being accomplished on a very solid financial and forward-thinking financial footing. My personal thanks to the entire team on our behalf.

BWMA

BOCA WEST MASTER ASSOCIATION NEWS

By Bernard Schlifke, BWMA President

As we want everyone to continue to be safe, this is a friendly reminder to be cautious on all Boca West roads. Below are some safety tips for all of us to remember. Please also share them with your guests.

- All vehicles must comply with the speed limits. Stop signs require a FULL STOP.
- We continue to vigorously enforce both stop sign and speeding violations. We have installed radar cameras to assist in enforcement.
- When travelling on the roads, bicyclists must do so on the outside edge of the road (near the grass) headed in the same direction as motor vehicles and obey all traffic control signs and slow down when approaching pedestrians crossing the roadways and remember to warn them verbally of your approach. Bicyclists must operate in SINGLE FILE.
- We strongly recommend joggers and walkers use the paths for optimal safety. Signs will be posted along Boca West Dr and Golfside Dr, reminding pedestrians to remain on the cart paths. Proper attire for men is to wear a shirt (shirtless is not acceptable) and bright/reflective clothing/ shoes at night for both men and women.
- As of October 1, 2021, the Boca West Master Association ("BWMA") no longer requires residents to provide evidence of liability insurance covering them when driving their privately owned golf carts and residents will no longer be required to obtain from the BWMA's Security Office an annual insurance sticker evidencing such insurance coverage. While maintaining liability insurance coverage applicable when driving a privately owned golf cart is highly recommended, providing evidence of such coverage is no longer a requirement of the BWMA. **However, when a resident purchases or otherwise acquires a new or used golf cart, they are required to visit the BWMA Security Office in order to register their golf cart and have affixed to it a sticker evidencing such registration with the BWMA.**
- When traveling on the roadways, golf carts must remain on the outside edge of the road (near the grass) headed in the same direction as motor vehicles. Golf carts must yield to motor vehicles, bicyclists and pedestrians.
  - ❖ Children under 16 are not to operate a golf cart.
  - ❖ No child is permitted to sit on the lap of the cart operator.
  - ❖ The number of people allowed in one cart must not exceed the manufacturer's recommendation
- Contractors and vendors that repeatedly fail or refuse to follow the approved ACC Guidelines and BWMA "Rules of the Road" will be subject to losing their privilege to gain access and/or work in Boca West.

BWMA election season has started!

We will have four positions open for election on March 25, 2022 which will be filled via the Master Association's election process. If you are interested in joining the Board and contributing to the continued betterment of Boca West, **submit your resume to Alyssa Martinez at amartinez@bocawestmaster.com or drop it off at the BWMA Office no later than 5pm on Friday, December 17.** Interested candidates should possess prior experience with condo or homeowner association boards, or committee participation with either the BWMA or BWCC. You can learn about the Board's responsibilities by visiting our website (www.bocawestmaster.com) to review the Board of Directors meeting minutes, Committee meeting minutes, and the BWMA FY 2021/2022 Adopted Budget.

OMBUDSMAN

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

At the Top Again and Planning to Stay There

MOST OF US THINK THAT BOCA WEST COUNTRY CLUB is a great place (and I say most because, as we all know, you can't please everyone all the time), and guess what, *The Club Leaders Forum*, the recognized industry rating organization, continues to confirm what most of us know. In its just released biannual 2022-23 publication of the **TOP 100 PLATINUM GOLF & COUNTRY CLUBS OF THE WORLD, BOCA WEST IS RATED #14**, up one spot from the last biannual list. And furthermore, **BOCA WEST IS THE HIGHEST RATED RESIDENTIAL COUNTRY CLUB IN THE WORLD.** WOW! A hearty thanks and congratulations to Matthew Linderman and his professional staff, and, yes, to our Board, past and present, and to our members, for making this happen. The seven selection criteria used by the Forum, as published in its report, are Universal Recognition, a Respected Membership, Excellence in Amenities and Facilities, Exceptional Service Standards, Adapting to Changing Times, Management and Operations, and the Overall Experience.

So how does this happen? Exceptional training of our professional staff to instill the skill and dedication to the business we are in, which is **THE MEMBER PLEASING BUSINESS**, and the unwavering policy and financial support of our Board in that endeavor. So our execution is rated top of the food chain. But we must also anticipate and respond to the future needs and desires of our membership. And here's a little glimpse into how we do it. Matthew, as our COO, maintains what is commonly referred to as a Risk Assessment analysis, which is in line with generally accepted best practices to be followed by organizations. Simply put, that is a table of things that might occur over the next several years which, if not anticipated and planned for, could have an adverse effect on the Club. For example, a recent list has included such things as, COVID, Sports Center facility aging, aging and insufficient aquatics area, the need to continually upgrade our systems to state of the art information technology systems to give us the advantage of fully integrated data systems, continued availability of international staff, and adequate housing for them, cyber security, golf course and tennis facilities aging, and…well, you get the idea. In sum, we continually look into the future and plan for our needs and for change. And we listen to our members and our member committees, from which we get lots of useful feedback.

Ok, obviously the right things to do, and glad we do that, but then what? How do we arrive at an action plan? Again following business best practices, we maintain a Master Plan of things we might want/need to do in the future, together with rough estimates of what each item might cost. The planning is done collaboratively between the staff and the Board, and together near term priorities are established, and a possible longer term time table is developed for other items. Many of the items on the Master Plan are, or include, major capital projects for which approval by our membership is required. Some of these items, which we are now in the process of implementing, include the Country Club building refurbishment which was completed in November, Mr. D's, and the driving range approach area upgrades and enhancements which also were completed in November, and Sports Center and Aquatics Expansion and Renovation which is scheduled for completion November 2022. Others, including Golf Course enhancements described in some detail in my November article, and Tennis and Pickleball phased infrastructure rebuild are currently in the planning stage.

Both our Risk Assessment analysis and Master Plan are regularly reviewed and often adjusted in response to changing circumstances. We hope that the brief description above gives you the sense that your Club is focused both on providing outstanding amenities and services now, and also on looking ahead to the future to be prepared to adapt to changing times and evolving needs. The combination of the two, present and future, is what has resulted in your Club being regularly regarded as among the very best in the industry.

Stay safe!
