PRESIDENT'S LETTER

Dear Member,

Wishing you a very Happy and Healthy New Year! 2022 is here and we are hopeful for a Happy, Healthy and Prosperous year ahead. What a great creative holiday activity schedule we have had thus far... Filled with fun for all ages. It's been so wonderful to see all of you with your families during Hanukkah, at Christmas, at the Character Meet and Greet and all of the activities leading up to the New Year, making special memories and creating your own **Stories of the Season**. I'm very thankful to our amazing staff for all they do! Don't forget, our calendar still has many more days of excitement planned so please don't miss any of the fun.

I am pleased to announce Boca West Country Club has been awarded Top Workplace USA for the THIRD YEAR in a row. Receiving this award for the past three years is most meaningful given the challenging years our staff has had through the pandemic. Despite our low staff levels, our teams have been working hard and long hours to provide the same level of service you are accustomed to here at Boca West. **I am truly blessed to have such an incredible team and I am so grateful to them for their continued dedication to all of us.**

More great news, once again **we were selected for a 2022 AGM Platinum Award, Association of Golf Merchandisers**. All entries were judged by an impartial panel and they were graded on new ideas, creativity, adaptability, revenue-generating initiatives and adhering to the contest rules. Congratulations to Emily Gifford, our Director of Retail, and her entire staff.

Workaway International, our staffing agency, continues to work through the many obstacles in getting our overseas Staff here. As the staff continues to arrive in small groups, we will reevaluate our dining operations and will open more venues, including your beloved **Prime Cut – *The Place for Steaks.*** Stay tuned for more information.

I hope you have all had a chance to see the Taste of the Season brochure for the season. **The Grapevine Wine Club** offers 6 month and 12 month memberships, each of which include several tasting events showcasing the wines of the Month. Membership has its privileges but if you don't want to commit, you can attend a **Twisted Grapevine** event for the winery that interests you. **Savor the Moments with Horse Soldier Bourbon**, an authentic, award-winning, and all-American whiskey tasting. Join us as we hear from one of these Legendary Men, about their past experiences and what action let to the creation of Horse Soldier.

Speaking of wine... Our Panache Wine Dinner series continues to be a great success with its new format and we are really looking forward to hosting more throughout the season. Our most recent dinner featured Evolution by Sokol Blosser and was received very well. When Prime Cut reopens, **our Prime Cut Wine Dinner Series** will return. Pine Ridge Wines will be showcased in January so please make your reservations now if you are interested in attending.

Mr. D's 19th Hole and Drive Suites has been an incredible hit! I am so excited to see you all enjoy this new venue, so much time and thought went in to creating this new Member experience. With the completion of the Country Club building and Mr. D's our complete construction concentration is shifting to the next phase of the Club Improvement Program, the Sports Center expansion. Demolition for the new Aquatics Complex, Sports Center Lobby, MyPi and Onyx, the entire second floor of the complex, along with the Grab-N-Go Market and Spa Courtyard will start the second week in March with an expected completion by the end of November 2022.

Construction on the new **Welcome Sales Center** is also underway and will be completed in late January. The Welcome Center is located outside of the security guard house at the Glades road entrance and will be home to Boca West Realty.

Did you know both of our touring professionals, **Nanna Koerstz Madsen,** our LPGA professional, and **Ajla Tomljanovic**, our WTA professional, have a page on our website detailing their playing history and upcoming touring dates? Also be sure to like and follow their individual social media pages.

The holidays are barely behind us and we still have so much more planned for you... Take the Stress out of Cooking Seafood by attending January's **Culinary Experience**. Join us as we learn from the best Boca West Chefs as they teach us the art of cooking. Transport back in time to one of music's most elegant eras with **Matt Dusk**, an Award-Winning, Multi-Platinum crooner sings Sinatra on January 18. **Kol Esperanza**, returns to Boca West on March 8 after their last show was canceled due to the pandemic. This world class trio, perform the best of Opera, Broadway, Pop and Jewish and Israeli favorites. Turn to page 19 for more details and please be sure to get your reservations in.

Our annual Golf and Tennis Club Championships begin next month. Whether you're a golfer or tennis player, or maybe both, I hope you've been practicing your swing for the upcoming competitions! I am excited to stop by and watch all of you enjoying the Club.

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club.

Yamile, Alexa, Sophia and I wish you all a Happy Healthy New Year. We look forward to seeing all of you in 2022!

Sincerely,

HORSE SOLDIER
BOURBON WHISKEY

LEGENDARY MEN, LEGENDARY SPIRITS
Much of our brotherhood was forged in fire during the first days after the 9/11 attacks. Immediately following this affront on our nation, the USA responded with a daring insertion of small teams of Green Berets into northern Afghanistan. The Northern Alliance successfully overthrew Mazar-i-Sharif, a Taliban stronghold, with the support of these brave men. This region's inhospitable, mountainous terrain made efforts and enemy engagements on wild Afghan horses a necessity for one Special Operations team (ODA595). Nicknamed the "Horse Soldiers", all these brave men are honored today by America's Response Monument overlooking "Ground Zero" in New York City.

ON THE COURSES

By Chuck Rosenblatt, Golf Committee Chair

Can you believe another year has passed us by? Welcome 2022 good riddance 2021.

I'd like to share with you some incentives and decisions the Golf Committee has been working on the past few months.

In the past we have attempted to reach out to all new golf members on the phone when they become golf members. While we found that to be effective, we have decided to take it to a new level. This past month we began offering new golf members a private tour of our golf operations.

New golf members are met in the lobby of the Golf & Activities Center. After walking past the Palmer, Fazio and Dye rooms, they enter the locker rooms. They are given a quick introduction to the attendant, a spin through the lockers, golf simulator, card room and stretching area. From there, the tour continues with an introduction to The Golf Studio and its personnel, a walk across the hall into the retail area and golf registration area and an introduction to the staff. During this process, one of our professional staff will come out for a short meet and greet and present the new member with some items the golf committee has chosen as a welcome package. From there, it's off to the staging area for a more detailed explanation of how it works. Of course, no tour of our golf facilities would be complete without a visit to Mr. D's 19th Hole Drive Suites. New members are shown the Drive Suites and given a brief explanation of what they can do there, after which they are shown how the InRange App works on the south side of the range. Hopefully one of our PGA teaching pros will be on the range for a quick intro. The final visit is via golf cart to each of our four courses.

If you are a new golf member this year and would like a tour, send your request to jrfriend@bocawestcc.org. Please include your name, membership number and phone number. A member of the golf committee will reach out to you.

Now let's put some rumors to bed. Hopefully by now all golf members have seen the changes to our score cards, and in the case of Dye IV, a change in the slope rating and handicaps of the holes. First let me explain why this is happening now. The USGA is required to visit and issue course ratings every 10 years. Prior to the outbreak of covid we were scheduled to begin having our courses rated. Dye IV was scheduled for rating in March of 2020. In late October the USGA spent a couple of days on Dye IV rating each hole and coming up with the new slope rating. The new ratings you see on our courses are from the USGA and NOT the golf committee. The committee only adopted the USGA's recommendations.

Now to handicapping. First let me explain that the notion that the hardest hole on your course should be the #1 handicapped hole is NOT the USGA's recommendation. Under the OLD USGA system that may have been the case, but the six major golf associations around the world have now formed the World Handicap System (WHS). The old system favored the low handicapped person, this new system does not. This passage is taken directly from the USGA's website:

"New equity models – In the USGA Handicap System, handicap allowances in stroke play events were based on providing players/teams with an equitable chance for a top 25% finish in the field. However, under the WHS, equity is based on a top 10% finish. In singles match play, the USGA Handicap System slightly favored the lower handicap player, however it is closer to 50/50 equity with the WHS. For four-ball and other team formats, the handicap allowances have been slightly reduced to offset the increase in standard equity for individual formats. Essentially, a slight increase in equity for singles match play, as mentioned above, results in a higher handicap player having an advantage in team events. As a result, a reduction in most team formats is appropriate."

Hopefully this will put to rest some of the misconceptions on hole handicapping.

Now let's discuss how we arrived at which holes are what number handicap. WE DIDN'T ARRIVE AT ANY NUMBER, THE USGA DID! The USGA has now begun offering to handicap the golf courses they rate based on the individual slope rating on EVERY HOLE on the golf course, which is used to arrive at the overall slope of a course. Since we are a USGA member and a USGA Club we have decided to comply with what the USGA is suggesting, just as we have decided to comply with the RULES OF GOLF as provided by the USGA.

Finally let me remind you to check your Boca West App under golf for all the exciting events coming up the next couple of months. Every Monday we are offering Game Improvement Clinics. This month we have our short game championships week. The end of the month we have our annual PLAY FOR P.I.N.K, a weeklong event open to all members, men and women. Let's see if we can raise $100,000 for this most worthy cause. Next month is Club Championship Week, Valentine's Day Tournament, followed by the Men's Invitational at the end of the month. There is something for everyone. Both the APP and Website have all the information you need to enjoy golf.

And remember if you keep it on the short grass your game will improve, and so will your handicap.

TOURNAMENTS & EVENTS
All social events are open to all equity members. Equity golf members have top priority. All competitive events and leagues are open to equity golf members only. By Dr. David Shifrin, Tennis & Pickleball Committee Chair

Hello to the Tennis and Pickleball Community, and thank you for your patience while we are waiting for permits from Palm Beach County to build six additional pickleball courts. Please be assured that our professional staff is doing their best to accommodate everyone in the midst of diminished staff and tight court space in both tennis and pickleball.

We hope you have enjoyed our tennis and pickleball exhibitions, tournaments, lunches, and dinners, as well as various competitive activities. Our Boca West teams have had great success with interclub play. There are seven tennis teams, and there has been an overwhelming response from pickleball players to join the interclub teams. Plus, on the weekend of December 4, there was a pickleball tournament in Delray at the Delray Beach Tennis Center called the Gunther Delray Beach Classic. At the tournament two of our member teams won gold and two more won silver. (see attached flyer)

Tennis events to look forward to in January include the men's member guest on January 8, a tennis and pickleball social on January 21, and a pro-am tournament on January 28. Please call 488-6996 for details.

For questions or suggestions, feel free to contact me or our tennis director, John Joyce. Also check out the Pickleball tip below.

Happy New Year to all!

PICKLEBALL TIP

By Matt McInerney, Assistant Tennis Director

As you increase your skill level the third shot becomes much more important to help you earn you way up to the net. Try hitting your third shot at the player who just returned serve and is trying to make their way into the net. They may not make it all the way in by the time you hit your 3rd which makes it easier for you to hit towards their feet.

Hudak on Hollywood presented by Dan Hudak

Week 1: Top Five Years For Movies

A year in the life of movies can be groundbreaking, transcendent, unforgettable. At best, it captures the zeitgeist of a time period through a variety of genres, and by showcasing the talents of a number of terrific stars and directors. This hour-long presentation looks at five of the single greatest years in film history, and explores what the movies told us was clearly on our minds in each year.

Week 2: Best Supporting Actors

We know their faces and love their work, even if their names have never been at the top of the marquee. This hour-long presentation looks at the greatest supporting actors and actresses of the silver screen, the men and women who have a terrific habit of making everything they're in better. Clips from their greatest moments, as well as insight into their career and success, will allow you to appreciate their performances even more.

Week 3: You Can't Show That! The Story Of Film Ratings And Censorship in America

In 1922, The Motion Picture Producers and Distributors Of America was created by studio executives to stave off government censorship and ensure the wholesomeness of Hollywood films. It later morphed into the MPAA ratings we have today, and is now known as the MPA. How did we go from a couple not being allowed to share a bed to steamy sex scenes? This hour-long presentation explores how and why the MPA has evolved to where it is today.

Week 4: Best Picture Oscar Talk

Journey into this year's Best Picture Oscar nominees in this discussion of why each film was nominated and which is the odds-on favorite to emerge victorious. Clips and background information about all nominated films will be shared, and a discussion of the Academy's voting process and habits will lend perspective to choosing the likely winner. Oscar history, trivia, and other major categories will also be covered! It's a lively, insightful and fun hour-long presentation that's not to be missed! Attendees are encouraged to see as many of the nominated films as possible before the presentation.

Hamilton vs. Jefferson

presented by Robert Watson

Tuesday, January 18
at 4pm on ZOOM

In the smash Broadway musical Hamilton, much attention was paid to the rivalry between the show's namesake and his nemesis Thomas Jefferson. Indeed, these two great Founders were responsible for significant aspects of the American political and economic systems, they were the leaders of the two earliest factions (that warped into political parties), they were the dominant members of George Washington's inaugural Cabinet, and their rivalry spilled over into a host of other areas. This talk offers a fun and intriguing look into their personalities and rivalry, and the ways it shaped America. Complimentary, however a reservation is required. Request/Cancel by: January 12

Diane Arbus

presented by Ronnit Vasserman

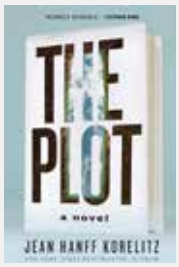

Friday, January 28
at 4pm on ZOOM

This lecture will cover the background and portraits of Diane Arbus, one of the most influential photographers of the 20th century. She was based in NYC and was working at a time when photography was still only just becoming a recognized art form. Photography had mostly reached the public through magazines, which is how Arbus made a living. Arbus often photographed uncelebrated people whose professional, personal or physical attributes diverged from what was considered acceptable, like carnival entertainers, nudists, transvestites or giants. While many believe that her body of works is one big freak show given the characters that she photographed, she forces us to rethink what is considered beautiful. It is her empathy and inclusiveness towards those on the fringe of society that her fans find compelling. Arbus said, "The irony is that when I'm dead, my work will skyrocket in value," It took very little time for America to prove Arbus right. Arbus committed suicide in 1971, at the age of 45. By November 1972, the Museum of Modern Art in New York had a retrospective of her works. She had only sold a handful of photos while alive, but interest to acquire her work grew exponentially postmortem. Complimentary, however a reservation is required. Request/Cancel by: January 20

BOCA WEST CHILDREN'S FOUNDATION

It could be a very happy new year for thousands of underserved children…with your help!

The Boca West Children's Foundation enters its 11th year having distributed over $14,000,000 to 38 charities to help feed, clothe, educate and make safe those children in our county who are of the highest risk. With your help we have made a tremendous difference in their lives. The projects we have planned for the spring will continue to raise funds to keep our projects going and to aid these very special kids and their families.

We would like to give a big thank you to all our volunteers who participated last month at our Boys and Girls Club Holiday Shopping and Pancake Breakfast Event. There were over 100 volunteers and 250 kids who were able to receive new clothes, holiday gifts and a harvest basket for this very special time of the year.

On **January 13** we will announce the winner of the **Los Angeles Super Bowl raffle**. It looks like this will be the most successful one ever. Raffle tickets are still available until the time of the drawing. Please call or email the office at the contacts below to participate.

For those that have not made their contribution to our annual member appeal now would be a great time to do so. The Foundation does not have an endowment upon which to draw, so each year, through events and, especially our member appeal, we raise our funds. These monies are dedicated specifically to keep our charity projects successful. The projects include a pediatric dental care program at the Caridad Center, a weekend food backpack program at Boca Helping Hands, our beds for kid's project at Sweet Dream Makers and 35 other children's charity programs. Please help as much as you can.

Over the past few years our **Annual Diaper Drive** we have increased the amount we were able to deliver to those moms on limited income from 10,000 to 25,000 to 50,000 and last year to over 100,000 diapers. We will have our one-day event on **February 15** and our hope is to deliver more diapers than ever.

Our **Bikes for Tikes program** has been so successful we are now making it a yearlong program. Over 1,000 bikes have been delivered to deserving kids who otherwise could never enjoy such a special gift. Join us with a minimum of $160 contribution to purhase bikes and helmets for "our" kids.

Monday, April 4 has been designated for our **2022 $100,000 Golf Challenge**, Brunch, Cocktail Party and Live Auction. Please be on the lookout for your invitation to our 10th Anniversary special event which you will receive shortly.

All donations or purchases may be made by emailing Christina Irving, cirving@bocawestcc.org,

calling, 488-6980 or visiting our website: www.bocawestfoundation.org/donate

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

By Jeanine Banks, Communications & Marketing Committee Chair

Happy New Year! We're excited to kick off the new year with new communication tools and tips to help you stay connected here at the Club and with your family and friends.

An important technology application that most of us have come to know during these changing times is Zoom; an effective tool for communicating virtually. The Communications Committee has been working on a "Zoom Tips and Tricks" brochure to help you master more features on Zoom that you may not know about. Please see the below "Quick Tips" for features such as downloading Zoom, joining a meeting, changing your background, and ensuring your video and sound are correctly adjusted. A hard copy of the full brochure, which includes details on more Zoom features, is available in the Club Services office (see quick tips flyer below).

Coming Soon in 2022!

We are excited to share the news that the Boca West Master Association will be undertaking a front entrance and guardhouse renovation in Summer 2022. The project will be presented to the Membership for a vote in 2022. The new entrance will include new landscaping, several water features, and a beautiful guardhouse. In addition to aesthetics, the new entrance will increase operational traffic flow with extra entrance lanes and a bypass lane for easy access by our residents. If you are coming to visit our offices or the marketing center by golf cart, no problem, there will be a new golf cart path inside the gates with easy access. Watch for further details!

GRIEVANCE COMMITTEE REPORT

By Dr. Rick Chavis, Grievance Committee Chairman

ARETHA FRANKLIN AND BOCA WEST

Aretha Franklin was initially a gospel singer. She transitioned to Pop, Soul, Blues, rhythm and Blues, and even Jazz. Aretha Franklin was not only the "Queen of Soul" but also a talented pianist. She was one of the most transcendent figures of the twentieth century. What was her connection to Boca West?

One of Aretha Franklin's iconic songs, delivered with passion and a riveting rhythm, was "Respect". One of the verses we remember is "All I'm askin' is for a little respect". This in fact is what we ask of you, the members of Boca West.

Our staff, and in particular our dining staff is understaffed. This problem extends to the managers, hostesses, bus people, cooks and servers. These people are working long exhausting hours to serve you, the members. Many of these people are young and the same ages as your children and grandchildren.

We would love every order to be perfect and timely. In an understaffed situation not every order is going to be perfection delivered in a timely fashion. We all would like that but again, in an understaffed situation it may not happen.

We ask that you, our members, treat our staff with RESPECT (thank you Aretha), understanding, and compassion. Treat the staff as you would want strangers to treat your children and grandchildren. Management and the Board of Governors have made it very clear that abuse of our Boca West staff, physical or verbal will not be tolerated under any circumstances.

Hope you enjoyed the holidays with your friends and families.

OMBUDSMAN

Contact mikejosh18@aol.com and include "Ombudsman" in subject line.

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

Enhancing the one community concept

THIS HAS BEEN A TOPIC IN SEVERAL OF MY RECENT ARTICLES. A short review-since 2003, all residents of Boca West are required to be a Members of Boca West Country Club, except for 300 or so residents who, in 2003, opted out of Membership. Of our approximately 3,400 residences in Boca West, about 200 are still "non-equity" units, that is, where the residents are not currently required to be Club Members. The point of this being that almost all of us living here are Members of our Club and our community. The Boca West Community has three distinct governing bodies: (1) the Villages, with COAs or HOAs, which administer matters within their Village; (2) the Master Association, which is an association of all of the Villages (the Club is a Village for this purpose), which has responsibility for all non-Village or non-Club common areas, and for other common services such as Community entrances and security, and (3) the Club, which has responsibility for all Club activities and facilities. So, as you can see, all of these component parts of Boca West are interrelated, and all service substantially the same constituency. Several years ago the Club and the Master Association formed a Joint Venture to facilitate the collaboration of those two entities to work together for the benefit of the entire community.

This year, the Joint Venture has been implementing a Village Outreach Initiative, conceived pre-pandemic, to provide information, guidance, education and resources to the Villages, to help the Villages operate more effectively and efficiently, again, for the benefit of our common constituency. We have had several roundtables to which all Villages officers and directors were invited, and to which almost all Villages were represented, where the Joint Venture outlined many topics available for presentation, and asked "HOW CAN WE BE OF HELP?" And there are many areas in which the Villages expressed interest. The Joint Venture has facilitated the collaboration of similar Villages to go over things of common interest, and best practices and things that have been tried and worked well or not so well, and the Joint Venture has created seminars led by industry experts on topics requested by Villages. The first seminars have dealt with required Certification of Village board members, and with Risk Reserves, both of which have statutory requirements. Topics for seminars planned for the coming months include Insurance and Available Financing Sources for capital improvement and curb appeal enhancement projects.

And while we are on the topic of community governance, let me put in a plug for community involvement. Each of the Club, the Master Association and the Villages needs qualified, competent and engaged Members to govern their respective organizations. And also to serve on committees. The Club and Master Association each have selection and election processes defined in their basic documents and Rules, including term limits for Board Members. Not really so with the Villages. We've all heard disappointments about Village Presidents who have been in office since the Truman administration, and who themselves say "I have to do it because nobody else wants to". The point is that good governance is critically important for all of these entities. And the Management Companies don't run the Villages, they work for the Villages. It is the Owners who should be deciding what they want to accomplish, and the Management Company to implement. Long way of saying Village Boards, as well as Master and Club boards, are important, and need to be filled by qualified, competent people. So, please consider serving on Boards and/or Committees of one of these organizations. Most positions do NOT take up lots of time. And the Club runs a Leadership Program, the purpose of which is to help prepare Members to take leadership roles in these organizations.

Which leads to another topic of conversation, how come the Club Nominating Committee nominated only five candidates for five open spots? The answer is simple, because it makes absolute business sense. We have an annual operating budget of around $70 million, and in addition, spend $100s of millions of dollars on Club infrastructure. This is not a small social organization, it is a big business. The Nominating Committee conducts a robust vetting process on each potential candidate, and nominates those individuals it believes to be in the best interests of the Club and Membership to fill the positions. And keep in mind, the Nominating Committee can only consider those members who come forward to run. Slates have long been standard operating procedure in the business world, both for profit and not-for-profit, and are now used by an overwhelming majority of clubs. Also, anyone who has gone through the nominating process but was not nominated can run by petition in accordance with the Bylaws and Rules of the Club. But considerable weight should be given to those nominated by the Committee. Many of us have heard that very qualified individuals are reticent to "throw their hat into the ring" because they don't want to be involved in a popularity contest. So, having a slate might result in more qualified Members coming forward. And for those who have suggested that the Nominating Committee seek out qualified candidates, they do, every year. Slates are not the only way to go, and they have negatives. But they are the best way to attract and select the most qualified individuals. And differences of opinions are OK. I congratulate the Nominating Committee, which is independent of the Board, for presenting what appears to be a group of highly qualified candidates.

If there are any topics you would like see covered in this space in the future, please let me know.

Stay safe!
