Suggestions and Comments:

- Bring improvement suggestions to next committee meeting.
- Have speed gun at tournaments as a fun addition.
- Food and drink carts at evening event to be able to stay at tennis area.
- Better use of O'Brien's Court and the adjacent golf parking to make the area more usable.
- Change website: should say Tennis and Pickleball (not just Tennis).
- Thank you to Howard Atterman for a great job in running the meeting.
