PRESIDENT'S LETTER

Dear Member,

Love is in the air! February is the most romantic month of the year and we have several ways for you to spend time with your special someone. Whether you attend the **Valentine's Golf Tournament** on February 5, take a **Sweetheart Stroll** around Boca West the morning of February 12 or shop for the perfect Valentine's Day sentiment in our **Retail Shoppes**. The Boutique is featuring a **Valentines Floral Concierge Service** which includes Norman Love Chocolate add-ons. See page 16 for further details. This year we should reflect and appreciate the meaning of life and be grateful for all the loved ones in our lives. Truly "Live the Life you Love, Love the Life you Live" and celebrate it.

I am thrilled to share that for the third consecutive year, B**oca West Country Club has earned the 2022 Top Workplaces USA award!** This award is based solely on the employee survey that was administered a few months ago by Energage, an independent survey company. I am so thankful for all of our valued employees who continue to set the standard when it comes to outstanding service: this achievement would not have been possible without them.

Once again during **President's Week**, kids of all ages will find entertainment everywhere. Whether its golf, tennis, fitness or simply sitting poolside watching a movie, we've got something for everyone. A brochure listing all of the great activities and events is available throughout the Club as well as posted on the Club's website. Please be sure to pick one up so you and your family and guests won't miss a moment of fun that week.

We are so excited to bring you a **Taste of Italy** with a Cooking Class on Tuesday, March 1 and a Prime Cut Wine Dinner on Wednesday, March 2. Featuring my good friend of 20 years, Chef, Author and Italian food importer, **Rolando Beramendi**. Rolando and I have been talking about hosting a cooking class and dinner for many years and I am so excited that our idea has finally come to fruition.

Our last group of Internationals arrived in the last week of January bringing our total to 302 compared to 350 that were originally hired. Our staffing levels remain lower than normal but with this latest group of arrivals we are working to bring you more dining options, including your beloved **Prime Cut, The Place for Steak**. As soon as we have an opening date, we will notify you.

Our LPGA Touring Golf Pro **Nanna Koerstz Madsen** and her fiancé **Nicki** have returned home to us in preparation for her first event of the season. We are so excited to have them back at the Club, on our courses, or perhaps practicing her swing at the new **Mr. D's Drive Suites**. In other golf news, we would like to extend a huge thank you to all of our Members who participated and donated to this year's very successful **Play for P.I.N.K**. event. Your contributions towards **Play for P.I.N.K**. support clinical and genetic research into the causes, treatment, and cures of breast cancer.

The punch list for the Country Club and Mr. D's has almost been completed and we are now fully engaged on the construction of the Sports Center. The roof on the entire building of the Sports Center will be replaced and work is scheduled to start this month. We will be closing the second floor of the Sports Center and the Aquatics Center on March 6 to begin construction on the building. With the closing of MyPi and Onyx, dining will be shifted; the plan is to move dining from Tavern on the Court to Panache and The Living Room and the MyPi and Onyx team will move into Tavern on the Court. The Fitness Center and Spa will remain open with access through the Spa entrance. We have arranged with LA Fitness for Members to use their lap pool and the Board of Bridgewood has graciously approved the use of their pool for our Water Aerobics Classes. This construction project has been planned with the hope to minimize Member inconvenience as much as possible and I will be providing a detailed outline of this project and enhancements in my March article.

The new Welcome Center renovations have also had some unfortunate delays with unexpected roof and structural issues and permitting delays. Renovations are progressing and we are planning to open before the end of March.

This year's election marks the end of a three-year term for **Enid Hoffman** and **Bob Lerner** and the end of two consecutively served three-year terms for **Steve Forman, Joel Macher** and **Bob Winikoff.** All five of these members have my sincere appreciation for selflessly contributing their knowledge and time toward the betterment of your Club.

As the end of our Chairman's term nears, I must take a moment to express my sincere gratitude to **Bob Winikoff** for the time and energy he has given to being the Chief Executive Officer of Boca West Country Club. This is an incredibly important position, and Bob has never hesitated to make difficult decisions when it came to the safety of our Members and the overall betterment of the Club. It has been a pleasure to work side by side him this year as we maneuvered through all that 2021 presented. Thank you, Bob for your unwavering and focused dedication to the Club, its Members, and its Staff.

February also means that you will vote to fill the open Board of Governors positions. By now, you have all received your 2022 Annual Meeting of the Members Packet as well as your Board of Governors election package. If you have not received either of these, please reach out to the Executive Office at 488-6990 and we will send you a duplicate right away. Your vote is so important, so please watch **"Meet the Nominees"** on the Club's website to gain insight on your fellow members running for your Board of Governors. I look forward to seeing you on **Friday, February 25 at 3pm in the Cypress Room** for the **Annual Meeting of the Members**.

Don't forget that with this "changing of the guard" new Committees will also be formed. Your Board is always looking for energetic members with fresh new ideas who are willing to serve. If you would like to get more involved with your Club, consider joining a Committee for the 2022/2023 season. Please drop a note to the Executive Office addressed to the Chairman of the Board, or email it to Jill Lengyel at jlengyel@bocawestcc.org indicating the committee(s) on which you would like to serve.

On a personal note, I would like to thank you for your outpouring of love and well wishes for me and my family while we were quarantining and recovering from Covid-19. We are all happy, healthy, fully recovered and back to the daily hustle and bustle.

Please remember I welcome and encourage your thoughts, comments and suggestions regarding your Club. Sending Valentine's Day love your way from me and the Linderman girls.

Sincerely,

Matthew Linderman, CCM

PRIME CUT WINE DINNER & BOOK

Wednesday, March 2 at 6pm - $160 per person

Reservations will be assigned on Wednesday, February 16

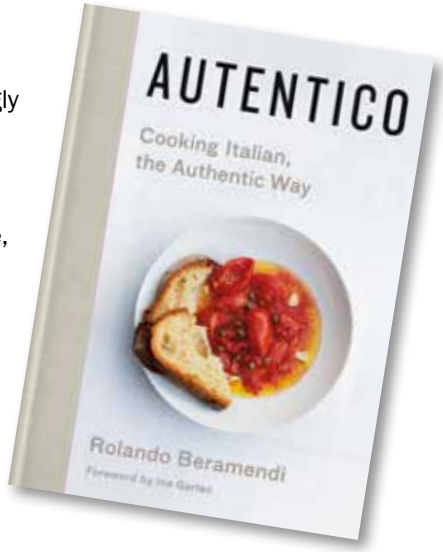

Argentine-born Rolando Beramendi established Manicaretti (which means “little delicacies” in Italian) in 1989 when he was in his early 20s. Beramendi’s approach to food is simple: cooking with what he has (what he describes as “supply-side cooking”), and relying on a well-stocked pantry filled with high-quality, flavorful ingredients that he can use to prepare dishes with little fuss. The ingredients he’s made available in the U.S. — olive oils, pastas, jarred fish, herbs, vinegars, tomato products, confections — make his style of cooking accessible and allow chefs to use regionally sourced Italian ingredients in their dishes. The items come from family-owned businesses that he knows well and has worked with for many years.

Dress attire for men for the Prime Cut Wine Dinner & Book: long sleeved shirts, slacks, jeans

AUTENTICO

Unlike many Italian cookbooks, Autentico goes far beyond pasta. In a world where culinary shortcuts, adulteration, misleading labeling, and mass production of seemingly “authentic” food rule, culinary archaeologist, innovator and cooking teacher Rolando Beramendi has kept centuries-old culinary traditions alive. That’s authentic!

In Autentico, Beramendi includes 120 of his tried-and-true recipes for hearty, uncomplicated meals. These are dishes that require 30 minutes to an hour to prepare, but taste like they took up the better part of a day. Instructions are simple to follow and ingredient lists are short and readily available, making satisfying Italian food accessible.

ON THE COURSES

By Chuck Rosenblatt, Golf Committee Chair

As I sit here in late 2021 I am reflecting on the past year. This will be my final article as the Chairman of the Golf Committee under the leadership of the Chairman of the Board of Governors, Bob Winikoff. I appreciate the chance Bob has given me to Chair this committee and I want to thank him.

What a challenging twelve months this has been. My tenure as Golf Chairman began during the Pandemic. The decisions and the changes of direction made daily were incredible. We owe a debt of gratitude to the whole golf operations team.

As it has been mentioned repeatedly this past year the employment situation was very difficult. During most of the year we were down over 25% of our normal staffing. Again, JR and his staff jumped in and somehow got the job done. In fact, just this week I received an email from a member telling me he couldn't believe it when he returned a golf cart after playing golf and who was there washing carts? JR and his senior team.

Throughout all of this the number of rounds played has increased by 19% to over 37,500 rounds of golf played in the first three months of this membership year. Tournament participation was up by such large numbers that we couldn't accommodate all the requests on a single day and several tournaments had to be played over two days.

The courses suffered greatly during the summer because of employment issues. Wes assured us once the growing season slowed down he would have the course back to Boca West conditions. I think all of us will agree our courses are in great shape again.

I know that thanking people by name can be difficult for fear of leaving someone out. I apologize if I have overlooked anyone. I greatly appreciate our entire staff! Please know I am grateful for the hard work and long hours you have put in to make our Golf operations the greatest.

I am forever grateful to the devotion, dedication and contributions of our staff, beginning with our Director of Golf, JR Friend and his professional staff, Peter, Jim, Meg, Mike and KT as well as the Golf Studio led by Jon, ably assisted by Andrew & Brent. A very special thank you to the staff who handle tee time reservations and sign us in every time we play. I don't want to forget the bag room staff led by Kevin and Nick, and I thank them for all the services they perform.

While you were playing that round of golf, how did you play? If lousy is your answer it's probably because you failed to sign up for a lesson with one of our teaching professionals Pam, Michael or Chris who were always available during this time.

And certainly, I would be remiss if I didn't thank our Director of Golf Course Maintenance and Landscape, Wes Dinsmoor and the five superintendents of our courses and landscaping, Brian, Shawn, Rob, Steven, Greg and their maintenance crews.

What would an article from me be if I didn't mention Course Care? At the conclusion of this past holiday season our courses looked really bad. It appeared course care was not a priority for YOUR GUESTS! I don't believe I have ever seen so many unfilled divots in the fairways, pitch marks on the greens not repaired or traps not raked. The fact that most golf carts were returned after play with the sand buckets still full speaks for itself. As we are about to have a large number of guests return to our club for President's week please remind YOUR guests to take care of YOUR golf courses.

Finally, be sure to check out the upcoming golf events, both competitive and social, that are still scheduled this season.

And remember if you keep it on the short grass your game will improve, and so will your handicap.

Wintertime …. and our pickleball's thrivin'
Tennis too, and for sure that's no lie,
Number one, in the men's competition,
So, hush all you doubters, we're ridin' high.

By Dr. David Shifrin, Tennis & Pickleball Committee Chair

Oh, yeah! Led by long term captain Arthur Lerner, our men's tennis team are champions of the Palm Beach Division 3 League.

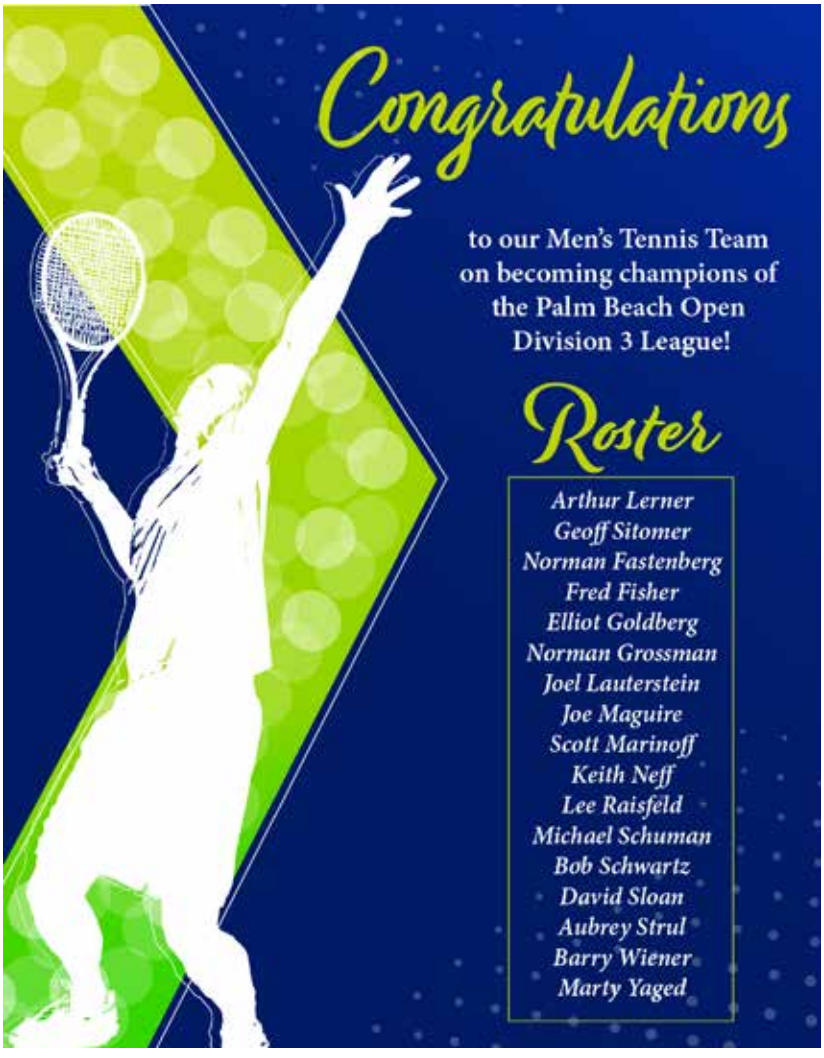

Division 3 consists of teams from Boca Raton to Palm Beach, and our champs look forward to defending their title in the winter session. And by the way, they're always looking for new talent, so don't be shy. Contact our tennis director, John Joyce, if you're interested in joining.

And our pickleball teams are riding high as well, achieving a long string of victories in inter club play, and establishing Boca West as the place for pickleball! There are three team levels, so no matter what skill you've reached, you're encouraged to inquire about participating.

As of this writing, we are hopeful that the long-awaited permit for six more pickleball courts is imminent, so we're looking forward to 14 contiguous courts in the near future.

Questions? Contact me at mikejosh18@aol.com, or our tennis professionals at (561) 488-6996.

Best wishes to all, and enjoy our beautiful facilities.

In real estate the common rule is "Location, Location, Location". In skin care there is a similar rule, "Hydration, Hydration, Hydration".

Skin Care Hydration

By Wendy Huth, Spa Treatment Supervisor

Skin care can be an overwhelming subject at times. So to keep it simple, let's focus on hydration since it is so critical in the anti-aging and environmental protection processes. We all have so many questions about skin care and de-hydration, and how to achieve maximum skin hydration. To get some answers to the most common questions, we have reached out to Dr. Christian Jurist from Pevonia.

Why does dehydration occur, and what visible results manifest from lack of moisture in the skin?

Trans Epidermal Water Loss or TEWL is a natural skin process that results in water evaporation from within. If this process is unregulated, increases for specific reasons, or if the skin's own barrier sealing function does not perform optimally, dehydration occurs. The excessive use of alkaline soaps, aggressive peeling, and over exfoliation can all contribute to disrupt the skin's barrier and promote water loss. When the skin gets dehydrated, it is easy to note fine lining of the surface, a dull and opaque look, and a rougher texture. In the long run, sensitivity can ensue, and the aging signs can accelerate their imprint on the skin.

What are the various types of moisturizing agents (serums, creams, facial oils, etc.) and how do they benefit various skin types?

Any skin product can be formulated to provide hydration for the skin. From cleansers to toners to serums and creams, all provide some degree of water into the skin accompanied of other specific functions and benefits. In general, water-based cleansers provide some temporary surface hydration while detergents do their job. Toners are more hydrating and can contain additional ingredients such as hyaluronic acid that enhance water trapping benefits. Serums are usually highly hydrating and provide boosted benefits for all skin types, while creams have at least a dual function of providing water into the skin and simultaneously reduce its evaporation due to a sealing or "filmogenic" effect that can be customized during manufacturing for dry, combination or oily skin types and reinforced or lightened for winter or summer times, respectively. Facial oils do provide a tighter seal to "block" water from escaping the skin, thereby maintaining internal and external moisture and are more appropriate for dry to mature skin types, however fine oils can be used for combination, and sensitive skins.

Are there any exciting new delivery systems, or breakthrough research in terms of hydration skin care?

Common, simple emulsions (mixtures) are 1 part water (w) + 1 part oil (o); or WO and OW. Pevonia® uses advanced manufacturing technologies in the creation of the products, like multiphase micro-emulsions that can be tri-phase, or W.O.W formulas that include an additional water phase for extra hydration, better stability, and long lasting results. Not only do these W.O.W based products provide optimum time-release delivery of skin repairing actives and deep hydration, but they also leave the skin with a velvety texture and protected from environmental aggressors. In addition, sphérulites can carry hyaluronic acid for sustained deeper layers hydration, and the latest unispheres can quickly release moisturizing components into the skin upon contact.

What are the top moisturizing ingredients (i.e. occlusive, humectant and emollient agents) and their specific benefits?

Pevonia® understands the importance of maintaining the natural water-lipid balance in the skin. Research has shown for example, that vegetal-derived Squalane, a lubricant and nourishing oil that is compatible with human skin lipids can help ensure an optimal skin barrier function, thus reducing dehydration. In general, Collagen, Elastin, and Hyaluronic acid in both their natural (large) and hydrolyzed (small) particle size can provide an emollient, occlusive, and humectant benefit to the skin, respectively. Other ingredients include a variety of oils with their protective effect to reduce TEWL, ceramides, and more.

To learn how to incorporate these steps into your daily skincare routine, schedule a customized cleansing facial with one of our expert estheticians in The Spa. You will not only receive a facial customized to your skin's needs, but you will have the chance to discuss the goals you have for your skin, one on one with your skin care specialist.

Our 7th annual Diaper Drive is taking place on February 15 and "OUR BABIES" OF PALM BEACH COUNTY NEED YOUR HELP MORE THAN EVER.

The pandemic has taken its toll on everyone and has especially hit the underserved families of our neighboring communities very hard. For many families, especially those suffering from food insecurity, buying diapers is simply not in their budget. It is still true that no state or federal child safety net program, such as food stamps, allocates funds for the purchase of diapers.

Help us shatter our record-setting total of 100,000 diapers we donated last year. You may drop diapers off on Tuesday, February 15 at the Tennis Center circle from 8am-12pm. Diapers may also be dropped off at the Boca West Realty office before or after February 15. You may also visit: https://www.bocawestfoundation.org/2022-diaper-drive/ to make a financial contribution to help us reach our goal.

On December 18, the BWCF held our 12th Annual Adopt a Family/Home for the Holidays Project at Old Navy

Dozens of Boca West volunteers packed harvest baskets for each child's family, took children from the Boys and Girls Clubs of Delray Beach and Boca Raton shopping at Old Navy, chaperoned children at a sumptuous brunch at Tavern on the Court and helped each child pick out an age-appropriate toy for Christmas. Thanks so much to all our volunteers for making this a special day for our kids. It was a joy to see the kids smiling and enjoying their special day.

MEET THE BOARD

Each month we will profile a member of our board so that you can get to know us better. This month we interviewed **Sharyn Frankel**. Sharyn joined the board in 2018 and became a member of the Executive Committee in 2020.

Why choose the Boca West Children's Foundation rather than any one of the more than 6,000 not for profit organizations in Palm Beach County?

The BWCF's singular focus on underserved children attracted me. I loved the idea of being involved in an organization that addressed the needs of kids outside our gated community. The county-wide focus of our charity partners appealed to me because I own homes in Palm Beach and Boca West.

What is the best part of being a board member?

I've always been attracted to boards that are hands-on and the BWCF gives me that opportunity. Our Walk the Walk event in early December, which was part of the Palm Beach Marathon weekend, is a great example. My daughter, Hilary, initially suggested a bike-a-thon to make younger members more aware of the Foundation. We weren't able to make that idea work, so we pivoted and turned it into a walk. Barbara Wittenstein and I were able to lead the effort with the help of other board members. The event was very successful, and we can't wait to do it again next December!

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

LET'S CONNECT

By Jeanine Banks, Communications & Marketing Committee Chair

During my year as Chair of the Communications and Marketing Committee, we have tried to provide articles that give insight into some of the features our app and website provide. Some of these tips included setting email preferences, accessing Frequently Asked Questions, changing your address, making requests for dining, tennis, pickleball, golf and activities, setting up your interests and finding members with similar interests, accessing event photos, creating and joining a Zoom... the list could go on!

These step-by-step instructions were meant to introduce features you may not have known about. We hope this resulted in your being able to fully take advantage of all our app and website technologies have to offer, and we trust you have found them useful. With that being said, the absolute best way to learn your way around the Club's app and website is to log on and click around! We have a very user friendly app and also a supportive Communications and Marketing team who are here to answer any questions.

Since this is my last article as Communications and Marketing Chair, I want to take this opportunity to express my gratitude to my Vice Chair Steve Forman, Kathy Kohlhepp, Director of Communications and Marketing and the entire Communications and Marketing Committee for their support, enthusiasm and dedication this year. We have worked hard to oversee the Club's app, website, Boca West magazine, social media platforms, digital signage displays, Channel 9000, and expand internal marketing for all areas of the Club. 2021 was and 2022 will continue to be another year to dive deeper into virtual communications and stress the importance of staying connected. It has been an honor to be your Communications and Marketing Chair and I wish you all continued enjoyment of our communication tools and virtual mediums. If you have not downloaded the app or gained access to the Club's website, I encourage you to reach out to our Communications department at 488-6975 or communications@bocawestcc.org to get started!

GRIEVANCE COMMITTEE REPORT

By Dr. Rick Chavis, Grievance Committee Chairman

After the Grievance Committee reports to the Board of Governors on their findings and the Board makes its final decision, there is a 45-day waiting period during which the Member may appeal the Board's decision. There are presently two grievances that have passed the 45-day period or the Members have already made or waived an appeal. The two grievances are as follows:

GRIEVANCE #1:

The grievance involved a Member who was allegedly verbally abusive and combative to Boca West restaurant staff regarding the Club's mask policy where masks are required to be worn inside all Club facilities. During the Grievance Committee meeting, the Member denied making any comments about the mask policy and apologized for any disrespectful comments made by the other Member and Guests at the table. The report of restaurant staff indicated that the Member appeared to be supportive of the other Member at the table who was verbally abusive and combative.

After a thorough investigation including discussion with staff the Committee recommended a penalty of three months suspension which increased to a six month suspension by the Board of Governors. Following the Members appeal, the Board reduced their ruling to a two week suspension.

RULING: This Member was suspended for two weeks, a letter of apology to be written to the restaurant staff, General Manager and the Board of Governors and appropriate letters be placed in the Members File.

GRIEVANCE #2:

The grievance involved a Member who was allegedly verbally abusive and combative to Boca West restaurant staff concerning the Club's mask policy where Masks are required to be worn inside all Club facilities. The report of the restaurant staff also indicated that the Member made abusive and threatening comments directed to the Board of Governors and Management.

After a thorough investigation including discussion with staff the Committee recommended a penalty of six months suspension which increased to a one year suspension by the Board of Governors. Following the Members appeal, the Board reduced their ruling and affirmed the Committees recommendation of a six months suspension.

RULING: This Member is suspended for six months, a letter of apology is to be written to the Restaurant Staff, General Manager and the Board of Governors and appropriate letters be placed in the Members File.

OMBUDSMAN

Contact mikejosh18@aol.com and include "Ombudsman" in subject line.

David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

THE SAYING GOES *"TIMING IS EVERYTHING",* AND WHO CAN ARGUE? And my late mother-in-law (who I think would be pleased, and certainly more than a little surprised that I would be quoting her here), often said "People plan and G-d laughs", and again, hard to argue. And this past holiday season, what a belly-laugh it must have been.

For at least a couple of months, our professional staff worked long and hard to plan a menu of activities and events to wow and delight our Members and guests over the December holidays. You've all probably seen the beautiful holiday activities brochure. But timing is everything. 61 of our South African seasonal staff were about to fly in when the US announced a travel ban. How now (brown cow) to staff up all the planned events? Our staff got to work modifying the plan. And then, during the first Seafood Buffet on December 17, the Omicron surge arrived at Boca West. Now what, all is lost, right? Wrong!

Our staff rode in and saved the day! At a time when many other area clubs pretty much closed down, or substantially limited available services, our staff, pivoting on a dime, scrambling to make lemonade out of lemons. Just a few examples of rabbits being pulled out of golf caps…

- Closed all indoor dining facilities as of December 21, and created To-Go Programs with pick up through valet for Grand Central, MyPi Dinner and Daily Holiday Dinner.
- Moved Panache Holiday Dinners to the Tavern on the Court, and transformed the Tavern into a Holiday Food Hall for outdoor dining.
- Moved events scheduled for the Tavern to other outdoor locations, including the Garden Terrace & Lawn, Member Park and Driving Range.
- Revamped activities for the kids to adapt to the need for outdoor social distancing, for example, changing the Character Breakfast & Lunch to a Character Meet & Greet at Tavern on the Court, without food.

Well, you get the idea. While it wasn't everything we planned or would have liked to offer, our staff provided our Members and guests with a good array of activities and food options. And not to mention how the golf staff was able to get us through even when we had to return to single occupancy carts for most players. (Who can forget the picture of JR washing down carts near the staging area).

All this serves as a reminder of how wonderful our staff is, not only in ordinary times, but even when G-d decides to activate the sense of humor. While we should thank them all and let them all know how much we appreciate them, circumstances demand special recognition of some. And my apology to others who should have been on this list:

Matthew Linderman, who led the team even while battling COVID; John Collings, Assistant General Manager; Joe Barone, Director of Fitness, Spa & Aquatic Operations, Tracy Bradbury, Clubhouse Manager; Roger Brock, Executive Chef; Wes Dinsmoor, Director of Golf Course Maintenance & Landscape; Brad "JR" Friend, Director of Golf Operations; Kaitlin Garske, Director of Catering; Emily Gifford, Director of Retail; Christina Guilianti, Director of Activities; John Joyce, Director of Tennis; Leslie Kennedy, Director or Membership & Marketing; Kathy Kohlhepp, Director of Communications & Marketing; Maggie Merijan, Director of Purchasing; Kirsten Scott, Director of Restaurants and Lironne Stefaniw, Executive Assistant.

It has been an honor and privilege to work with our second to none staff during my soon ending term as Chairman, and with a talented and dedicated Board of Governors. It has been both a pleasure and an education.
