ISSUE DATE:	April 20, 2022

Meeting was called to order at 1:35 P.M.

David Shifrin, Chair: Minutes from February 1, 2022 were approved with one amendment. New members welcomed; Introductions made for all committee members.

John Joyce, Tennis Director: Still accepting volunteers for the ITF world team championships which begins April 23rd. Ajla Tomljanovic has resigned, so we are in the process of finding a new resident pro. Several courts will be resurfaced this summer, and red courts being changed back to original color. This should solve the wet court conditions. Plans in place for total tennis court renovations in 2023. Still awaiting permits for new pickleball courts. End of season awards dinner was a huge success.

Howard Attermann, Pickleball: Strong participation continues with POP and daily play. Possibility of joining the summer pickleball league in progress, maybe just scrimmages with other clubs. Two member-guest events will be put into next year's PB budget.

David Shifrin, Chair: Discussion of fee structure for pickleball and tennis. Suggestion to have one fee for tennis and pickleball combined, rather than separate fee categories. (No other local club has a separate fee category for pickleball.) Another suggestion is to eliminate the complimentary year of tennis/pickleball membership for new Boca West members. Also, we should consider changing the committee's name to "Racquet Sports" (rather than Tennis/Pickleball).

Suggestions and Comments:

- Addition of a pickleball Pro-Am tournament
- Changing name of Tennis Center to Racquet Center

The meeting was adjourned at 3:35 PM.
