PRESIDENT'S LETTER

Dear Member,

Wow, what an amazing March we had at the Club. Fantasy Island Casino Night was attended by just under 800 members over two nights. Everyone who attended gambled the night away and enjoyed the sounds of Tito Puente Jr.

As you know, the construction of your new Sports Center and Aquatics Complex is moving right along. Thank you for your patience and cooperation in following the new parking rules at the Sports and Tennis Center parking lots. Our contractors have shared their timelines with us and they feel confident that our goal of opening before Thanksgiving is very achievable. We just have to pray for a quiet rainy season along with a non-existent Hurricane season. I promise to keep you updated each step along the way; stay tuned for more information. Also, **a time-lapse camera will be installed and a link will be shared for you to watch the construction progress and changes.** The future is VERY exciting at Boca West Country Club!

I look forward to seeing you and your friends Under the Stars at the Driving Range, for our annual event, **Tanglewood at Boca West** on Wednesday, April 6. This year the theme is A SALUTE TO BOCA WEST with songs such as *Hot Soul* Medley (Tyzik), *Viva Puccini* (Wendel), *Superman March* (Williams), and *Light Cavalry Overture* (von Suppé). It's certainly an event you won't want to miss! Looking forward to celebrating **Passover** with you and your families at our **Seder Dinner** on Friday, April 15 in the Grand Ballroom. A **Seder Dinner "heat and serve" To-Go** option will also be available for pick-up, and details will be emailed out soon. Our annual **Easter Champagne Brunch** will be served in Panache on April 17. For availability, please contact Dining Reservations. Gather all of your special ladies at the Club for our **Mother's Day Champagne Brunch** on Sunday, May 8 as we celebrate all of our special Moms in Boca West Style...please don't forget to make reservations by the reservation deadline Sunday, April 10.

As you are aware we had to adjust the menus at Tavern on the Court after we lost the ability to utilize our full kitchen. With the warmer weather we have started the transition back to **Panache** for nightly dining. If you have not joined us in the **Living Room for music and the new "Lite Bite" menu** Wednesday through Saturday nights after 8pm, please check it out. The feedback we have received on Prime Cut has truly been wonderful and as with every restaurant opening we always make adjustments. Some of you have been asking, **Prime Cut** will be open well into May and we plan to use the restaurant in creative new ways throughout the summer. Reservations are still available by calling 483-6300. Stay tuned for more details regarding our summer activities and events, the team has many exciting things planned for you!

Our annual **Golf, Tennis, and Pickleball Club Championships** were once again a huge success! It is always a highlight for me to see all of you participating and enjoying yourselves here at the Club. CONGRATULATIONS to all of the winners and runner-ups from this year's competitions! For a complete listing of the Golf championship results, turn to page 13 and page 14-15. The Tennis & Pickleball championship results will appear in next month's issue.

We're very excited to once again be hosting numerous matches for the **upcoming ITF World Senior and Super Senior Championships (65/70/75)** being held throughout Palm Beach County April 23 – May 6. More than 150 teams competing from 35 different countries are in contention. We hope you'll be able to join us at the Tennis Center to watch these competitive matches. Play begins daily at 11am.

The department heads and I appreciate all the great feedback including your comments and suggestions that you have shared with us this season. Please know that all your information is reviewed and discussed to ensure we're making every event, every venue and activity the best it can be.

We are now focused, along with the new committees, on planning an even bigger and better year round calendar. The planning process has already begun with scheduling events and activities throughout the Club, and we are excited to showcase the new Sports Center venues. This upcoming season, if you have a thought, an idea or suggestion, please contact the Chairman or department head of that particular department and they will be happy to share the idea at their next committee meeting. We anticipate another exciting and productive year working side-by-side with all of the newly appointed committees.

In closing and with a heavy heart we are mourning the loss of Jay DiPietro who passed on March 6. Jay, also known as "Mr. D" by the members and staff served as the Club's President, COO and General Manager for 32 years before retiring in 2017. I had the pleasure of working side by side with Jay for 12 years before he retired. He was a tremendous teacher, a leader and a mentor for hundreds of managers throughout the Country... He is a true icon in the Club industry. In addition to his storied career, he was a very active member of the Palm Beach County community, supporting numerous charities. This is a particularly difficult time for all of us, but especially his beloved wife Sharon and family. In extending our heartfelt condolences, we wish them courage and strength to bear this loss.

Looking forward to a fantastic summer together and as always, I appreciate your comments and suggestions, please keep them coming!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

With roots in Valpolicella Classica, Masi produces and distributes Amarone and other premium wines inspired by the values of the Venetian territories. The use of native grapes and autochthonous methods, and the research and experimentation carried out, makes Masi one of the most famous producers of high-quality Italian wines in the world. All of the Masi wines are out of Veneto Italy, highly acclaimed and awarded we will be tasting Masianco Pinot Grigio, Campofiorin Rosso del Veronese IGT, Brolo Campofiorin Oro Rosso del Veronese IGT and Amarone della Valpolicella Classico DOCG. These wines range in 90-93 points awarded by James Suckling, and to tell us a little more about Masi, Jose Mole, District Manager of Santa Margherita USA will be our guest speaker.

DID YOU KNOW?

Be aware of April showers. Why you should not play on wet tennis courts. A clay court is pretty much safe after 15 minutes of a light drizzle except for its lines, which may get quite slick. Experienced players even have a tough time trying not to slip while crossing over the lines while at play. If a group decides to play on a court prematurely to it being completely dry, the players may ruin the court by digging up the surface with their shoes and this will leave grooves and "pockets" on the court.

Also, for pickleball courts any precipitation at all can turn into a dangerous situation. The tennis courts can handle a light sprinkler whereas the pickleball courts cannot. So, whenever you feel a shower while playing pickleball and there is no professional staff around please vacate the courts.

For your overall safety during these spring shower months, please be aware and listen to the tennis staff as to when the courts will be available for you and your partners to play on.

A Brief History of Doo Wop presented by Rod MacDonald

Wednesday, April 20

From teenage singing groups performing in the postwar streets of America's great cities, a new sound—Doo Wop—arrived with early rock and roll. Sung as heartfelt recitations of love, with innovative harmonies and nonsense syllables, their songs brought romance, sincerity and joy to a new generation of teenage fans, and fame and fortune to such groups as The Orioles, The Moonglows, and Dion & The Belmonts. Join Rod MacDonald, "Music Americana" instructor in the Osher/FAU Lifelong Learning program, for "A Brief History of Doo Wop," with videos, research materials and some live singing.

The Women of the Third Reich presented by Anette Isaacs

Thursday, May 12

"The mission of women is to be beautiful and to bring children into the world." These words, auspiciously written by Hitler's mouthpiece Joseph Goebbels in 1929, laid out the simple but essential role German women were expected to play in the prospective Third Reich. By examining both the general situation of women in Nazi Germany and the individual lives of wives and girlfriends of the Nazi elite, such as Magda Goebbels, Leni Riefenstahl, and the infamous Eva Braun, German Historian Anette Isaacs will reveal in how far this lofty expectation was met by reality in a racially motivated totalitarian system.

On behalf of all of "our" kids, *THANK YOU!!*

In spite of the constraints imposed by COVID, the Boca West Children's Foundation is wrapping up another terrific year. We are on track to distribute more than $1.5mm to our charity partners for projects for the benefit of "our" kids. Projects funded by your foundation include providing shelter, food, beds, medical and dental care and educational opportunities.

Here are some of this season's highlights:

• The Foundation held our 9th Annual Golf Challenge on November 1st, netting more than $400,000.

• On December 18 we held our 12th Annual Adopt a Family/Home for the Holidays Project. More than 100 Boca West volunteers packed harvest baskets for each child's family, took children from the Boys and Girls Clubs of Delray Beach and Boca Raton shopping at Old Navy, chaperoned children at a sumptuous brunch at Tavern on the Court and helped each child pick out an age-appropriate toy for Christmas.

• Our raffle drawing was held on January 13. Two tickets, with air and a tailgate party for the Super Bowl on February 13, 2022 was the grand prize. More than $180,000 was raised.

• Bikes for Tikes, in its second year, has raised more than $60,000. We will be distributing bikes and helmets to children from The Fuller Center (in Boca Raton), the YMCA of South Palm Beach County, the YMCA of the Palm Beaches and Roots and Wings (in Delray Beach). Each of the pre-K kids (class of 2022) will be presented with their very own bike as a graduation gift to kindergarten.

• We completed our 7th Annual Diaper Drive, partnering with The Diaper Bank – Covering South Florida. Our mantra is "No diapers, no daycare, no daycare no job, no job and no end to the cycle of poverty". We shattered last year's record by more than 70%, delivering more than 180,000 diapers.

With the help of so many of you, more than 10,000 children were housed, fed, clothed, schooled and kept safe this season. Since inception we have granted $15+ million and are excited about the events we are planning for the 2022-2023 season.

MEET THE BOARD

Each month we will profile a member of our board so that you can get to know us better. This month we interviewed our Executive Director, Pamela Weinroth. Pam is a long-time resident of Boca Raton where she has been deeply involved in the community and has chaired numerous non-profit events and assisted with fundraising for a number of organizations. Pam became the Executive Director for the Foundation in October of 2019.

When you look back at what the BWCF has accomplished since inception, what are you most proud of?

I am extremely proud of the Boca West family coming together for a common purpose, that is, to give back to our neighbors and their families most in need. It is our shared spirit of community that allowed us to grant over $15 million to more than 30 charity partners since 2010. Because of you, I know we can see an even better tomorrow.

What would you like to see the BWCF accomplish in the next few years?

To go from zero to $15 million in 11 years is a significant accomplishment. Unfortunately, the cycle of poverty that entraps so many children in Palm Beach County is vicious. Over the next five years, we will look to the Boca West family to build a strong community partnership that will impact the children and help them achieve their hopes, dreams and full potential. Together we will build a better community now and for the future. I am hopeful and grateful to all of you.

Thank you for working with us, side by side.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

With Tanglewood upon us, this only means that another Winter Season at Boca West is coming to an end and our Summer Season will soon begin. How did the time go by so quickly?

We would like to thank all of you for being so patient and working with us to mitigate the inconveniences of this Covid 19 Pandemic. We realize that it was difficult in the beginning not to see family and friends and to deal with restrictions of who may enter Boca West. We have done quite well and hopefully Covid 19 will be memory soon as we get back to our normal lives here at Camp Boca West.

We are close to hurricane season and shortly you will receive our hurricane newsletter, which will be full of important information and life saving suggestions. Read it carefully and make special note of the important phone numbers and ways to protect your valuable medications and property in case of a loss of power.

Our new Board of Directors is hard at work developing plans for our new guardhouse and new gate entrance at Glades Road. Simultaneously, we are developing plans for new lighting throughout our community that will increase lighting, via smart poles that may have WiFi capability, cameras, and other high-tech goodies to appeal to us and younger buyers that may contemplate joining us in our paradise here at Boca West.

We are hard at work to make our roadways safer for all to enjoy. Kindly remember these few items.

- Walkers and joggers should never be in the streets. You may walk in any direction on our cart paths only.
- Golf carts may travel either on the roadways or on the cart paths. Golf carts should always defer and may drive in the grass to give pedestrians the right of way on the cart paths.
- Automobiles always have the right of way and golf carts must wait for cars to pass before crossing the street.
- We will add more cameras to help us keep you and our residents safe and sound. Please help us by not speeding and by stopping at all stop signs.
- Bicyclists who ride at dawn and dusk need to take the necessary precautions to make yourself visible. This can be done by wearing light clothing and adding a headlight and a blinking taillight to your bicycle.

If you are traveling up North for the Summer, we wish you a safe trip and look forward to seeing you in the Fall.

If you are staying with us for the Summer Season, you can look forward to coupons galore that you can get from all your favorite restaurants.

OMBUDSMAN

Contact mikejosh18@aol.com and include "Ombudsman" in subject line.

Dr. David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Dr. David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

CHAIRMAN'S LETTER

I WOULD LIKE TO THANK THE BOARD OF GOVERNORS FOR THEIR SUPPORT AND CONFIDENCE IN ELECTING ME TO SERVE AS YOUR CHAIRMAN. They have done an amazing job navigating through the pandemic and I welcome their counsel as we move forward.

My sincerest thanks to our past Chairman, Bob Winkoff, for his dedication and commitment to Boca West. In addition to being a mentor to me during this past year, I am proud to call him my friend. Our club, and our Board, are better because of his insights and his leadership.

As always, the most important asset here at Boca West is our Staff, led by our outstanding leader, Matthew Linderman. Matthew has done an unbelievable job these past two years adjusting and pivoting countless times during the pandemic to provide new opportunities and exceptional activities to our Members. Thank you, Matt.

Our Staff, under Matthew's direction, has worked tirelessly during this challenging time ensuring that our members experience the same level of the "Boca West Lifestyle" as they had pre-covid. We are so lucky to have these dedicated individuals here at Boca West. When you see them, please thank them for their efforts.

I would like to thank Bob Winikoff, Steve Forman, and Joel Macher, outgoing members of the Board, for the significant contributions they have made on our behalf. Throughout their tenure they have taken on myriad responsibilities. Bob Winikoff has served as the Chairman of the Board and chaired the following committees: Strategic Planning, Audit, Nominating, Budget, Golf, Legal, Compensation and The Joint Venture. In addition to serving multiple times on the Executive Committee, he has served on other committees as well. Joel Macher has chaired the following committees: House and Activities, Nominating, Fitness, Aquatics and Spa. He has served on the Executive Committee as 1st Vice President and in addition he has served on many other committees. Steve Foreman has served as Chair of the following committees: the Audit Committee, Golf and Strategic Planning. Additionally, he has served on the Executive Committee as well as other committees. These individuals have given so much and they will be missed.

Congratulations to Enid Hoffman and Bob Lerner who will be returning to our Board for a second three-year term. We welcome Jonathan Schraub, Steve Roth and Arthur Adler as they begin their three-year term. We have assembled an excellent Board of Governors committed to making sure that Boca West remains our special place. I am sure they will work to preserve the lifestyle that we have all come to treasure.

We have begun, in earnest, phase two of the Club Improvement Program with the renovation of the Aquatics area and Sports Center. I know that during the construction there will be some adjustments that may have to be made, and we thank you for your support and understanding. The outcome will "wow" us all.

I am, as I always will be, available for suggestions and feedback. You may reach me at pedwards@bocawestcc.org.
