THE Spa
AT BOCA WEST

SWE-THAI MASSAGE

Known as the lazy man's yoga, Thai massage offers therapist assisted stretching to increase blood flow, flexibility, and range of motion to stiff muscles and joints. Swe-Thai Massage combines those same benefits, along with the relaxation of Swedish Massage for the ultimate body treatment.

50 minutes $90
80 minutes $115

Add Upgraded Specialty Mask and Ampoule
$10 with any regular priced Facial

The Spa offers a variety of masks with concentrated ampoule treatments to address a wide range of skincare concerns. Your esthetician will discuss the most beneficial option for your skin.

SWE-THAI MASSAGE - EAST MEETS WEST

Swe-Thai is a unique variation of massage that blends **Thai techniques** such as compressions and stretching with the more hands-on soft tissue manipulations of **Swedish massage**. Not to be confused with a traditional Thai massage which is performed on a mat, Swe-Thai is performed on a regular massage table, taking a slightly different approach to two old traditions.

While Thai massages are generally performed with the client clothed, Swe-Thai is done while the client is undressed or minimally clothed under a sheet and blanket as would be for a Swedish massage utilizing traditional draping techniques to maintain the client's modesty. This way the therapist can perform traditional Swedish moves as well as the Thai massage stretches and compressions. Some of the stretches and compressions may be performed over the drape as well.

The benefits of this unique massage include pain reduction, lowered resting heart rate, increased flexibility and range of motion, treatment of specific areas of concern, relieve stress and tension to achieve focused relaxation. It is a wonderful blending of Eastern and Western massage techniques which create the magic in this form of bodywork.

Specials are valid May 1-31, 2022. No substitutions permitted. May not be combined with any other special or discount. Monthly specials are non-refundable. #MM31281

PRESIDENT'S LETTER

Dear Member,

A very special CONGRATULATIONS to Nanna Koerstz Madsen, our LPGA touring professional, on her first LPGA win at the 2022 Honda LPGA Thailand! Nanna made history becoming the first Dane to win an LPGA Tour event... in fact she is currently ranked 18th in the World as of writing this. We're all so very proud of you, Nanna!

As the winter season is winding down, we are busy preparing for an exciting summer! Details regarding our holiday tournaments are located in the golf and tennis sections of this issue. A few of our fun-filled plans for the summer include **DJ Nights** in the Living Room, **Dueling Piano's Nights, Dinner Shows**, in-person **lectures with Dr. Robert Watson** and **Dan Hudak** and **Card Game Get Together's** every month! For those of you returning to your other residences for the summer, we will have plenty of **Zoom Lectures and Activities** through our Virtual Clubhouse for you to join, so stay tuned! In addition to the new and exciting activities we have planned, we will also be introducing **Prime Cut Socials** in the Lounge and continuing with our well-loved **Prime Cut Soirees** and **Grillin' at D's**.

As many of you know, our international staff will soon begin to depart for the summer. We are so proud of how well our team has worked together to execute yet another fantastic season, and we can't wait to have them home with us again! In the meantime, we continue to hire locally as well as hiring additional Hospitality School interns from Universities around the country. Thank you in advance for your patience with our Staff as we transition in all of our restaurants and other departments as our International Staff departs and new hires are trained. Please welcome these new faces when you see them around the Club!

As promised all the **Tennis & Pickleball Club Champions** are listed on pages 16-18. Congratulations to all of our winners. We are so proud of you! Please be sure to say congratulations when you see them around the Club.

Our **Mother's Day Champagne Brunch** will take place on Sunday, May 8 in Panache. I am always so excited to see all of you there as we celebrate our treasured Moms. Reservations are available by calling Dining Reservations.

As our tradition continues we hope you'll join us in Grand Central for the horse races; **The Kentucky Derby** on May 7, **The Preakness** on May 21 and **The Belmont Stakes** on June 11. Stop by to watch the race and enjoy special priced craft cocktails.

Our **Summer Guest Policies** in the golf, tennis and fitness departments go into effect this month. For complete details, please check the Club's website, contact the individual department or speak with a staff member in the Membership department and they will be happy to review them with you.

Construction at your Sports Center is ongoing and on track. As mentioned in last month's article, **we have installed a time-lapse camera for you to watch the construction progress and changes**. If you missed the email that included the link, please contact Communications to have it resent. We are also actively working with contractors to update the specialty showers in both the men's and ladies spa locker rooms this summer/fall. These showers have had issues for a long time and we are looking to fix them once and for all. Thank you for your patience and understanding while we work through some of the headaches that come with construction including fire alarms and shutting off of water lines.

This time last year I was telling you about the renovations at **Mr. D's 19th Hole Drive Suites** and what it was going to be like when it reopened. Well, it's been open now for a few months and I've heard nothing but positive comments about the venue, menu and Drive Suites. To date, we have had well over a thousand InRange + sessions, several instructional classes and so many fun memories made! You will have opportunities to be back at Mr. D's at different times throughout the summer – But as you know the heat and bugginess of South Florida has already begun.

As the summer months are fast approaching, I wanted to remind everyone that animals are not permitted on Boca West Country Club property, unless they are a registered service animal. This includes walking in the front or the back of any clubhouse and the cart paths on all four golf courses. Your dogs are welcome at the Members Park in the dog park section as well as the walking paths around the Community. If you have additional questions or would like to register your service animal, please contact the Membership department, 488-6934 or membership@bocawestcc.org.

For those of you who are returning to your other residences for the summer, please stay connected with your Boca West family through our Member Website and App! Page 23 illustrates some of the lectures and activities you can partake in from anywhere in the world.

Please always remember that I welcome and encourage your thoughts, comments and suggestions. I look forward to seeing you around the Club!

Sincerely,

Matthew Linderman, CCM

FIRSTLY I would like to give a BIG SHOUT-OUT AND CONGRATULATIONS to Nanna on her first LPGA win, the Honda LPGA Thailand tournament. Way to go Nanna!!!!

As we begin what I truly hope is the FINAL phase of coming out of the pandemic after more than two years I would like to reflect on some observations.

Golf has seen unprecedented growth since the beginning of the pandemic. Similar to many golf facilities around the country, Boca West's golf memberships, golf rounds and golf activities are up from previous years. This growth has put a premium on tee times and added strain to golf course turf. With the good comes the bad and we need to do a better job of repairing the damage we do to the golf courses.

Fill divots, rake bunkers and repair ballmarks while using proper golf cart etiquette by driving 90 degrees on all par 4's or par 5's and staying on cart paths next to tees and greens.

None of the above compares to what I believe has been lost the most during the pandemic, socialability. We used to get in a cart and spend four hours riding with someone and for the most part enjoying each other's company. COVID hit and suddenly we lost that interaction with our fellow golfers, not only through single ridership but from the closing of restaurants and happy hours. Golf became rush to your cart, speed through a three hour round of golf and go home.

Now that we are back to double ridership in our golf carts we are hearing constant complaints about slow play. We've lost our patience for a four hour round of golf and in some cases we've lost our civility. What's your hurry? All of us are privileged to live here. Slow down, take in the beauty of your surroundings, enjoy the fellowship during your round of golf. Our scorecards have pace of play guidelines on where you should be on the golf course during your round of golf. Stick to it. If the group in front of you is truly off pace then call for a ranger. And if the ranger comes by and says to your group you are off pace, please don't argue with him, simply pick up your pace. Our rangers have been instructed to warn groups on pace of play and if they continue to fall behind then move the group up. Again, don't argue, please just move up. At the end of your round speak to one of our professional staff members if you have concerns. Remember the rangers are here to help and make your round run smoother. Final mention on pace of play, if you are playing on a split tee when you make your turn do so in two hours. Otherwise, you will have to wait while other players tee off in front of you.

I hope by now you have seen the golf tournament schedule for this summer. We have brought back some old ones and added a twist or two to others. Again, we have purposely made the schedule such that they are not always on the same day. An explanation of all tournaments was previously sent to our membership. Check out the next page for the complete list of our tournaments. You will note no tournaments will be held on Mondays. We intend to continue the Monday summer league that was so well received last summer.

And remember, if you keep it on the short grass your game will improve and so will your handicap.

AT THE NET

By Dr. David Shifrin, Tennis & Pickleball Committee Chair

TENNIS

What a season! Lots of new, high-level players, terrific competition at all levels of the club championships, and the undisputed event of the year: "The Battle of the Sexes" on Thursday, March 17, between the teams of Carrie-Lynn Kalk/Jodi Becker and Joe Maguire/Keith Neff, played on Stadium Court before a standing room crowd of exhilarated spectators. Predictions ranged from a women's win to a men's shoutout, and it turned out to be a cliffhanger with the women ahead in the first set, eventually succumbing 7-5, and a 7-6 tiebreaker won by the men in the second to claim the win. There was an immediate buzz afterwards that this should be an annual event. Congratulations to both teams for a delightful display of fantastic tennis.

WTA professional Ajla Tomljanovic recently resigned as our resident touring pro. We wish her the best of luck in her future endeavors. Please know that John Joyce, Director of Tennis, is currently on the search for a replacement.

PICKLEBALL

Under the supervision of our pro's and our pickleball co-chairman Howard Attermann, the entire pickleball season was vibrant, with overflow attendance during daily play as well as the POP (Pickleball Organized Play) programs that were held twice weekly. And our interclub teams were highly successful, placing first in our division.

As of this writing, we are still awaiting approval of the expansion of our pickleball courts, but have faith, it will happen, and will include lighting for nighttime play on all fourteen courts.

Also, plans are underway for improving the Har-Tru on multiple tennis courts, including changing the four red courts to standard green to match all the others.

Rolling Stone gives it 5 stars, calling it "an emotionally shattering landmark production of an American classic," and New York Magazine calls it "a real phenomenon. Majestic and incandescent, it's filled with breath and nuance and soul." With direction by Tony Award® winner Bartlett Sher, TO KILL A MOCKINGBIRD — "the greatest novel of all time" (Chicago Tribune) — has quickly become "one of the greatest plays in history" (NPR).

With an irreverent book, an astonishing set, and a score that's out of this Nether world, BEETLEJUICE is "SCREAMINGLY GOOD FUN!" (Variety). The Women of the Third Reich presented by Anette Isaacs

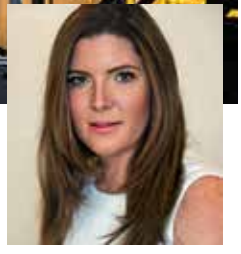

Thursday, May 12

"The mission of women is to be beautiful and to bring children into the world." These words, auspiciously written by Hitler's mouthpiece Joseph Goebbels in 1929, laid out the simple but essential role German women were expected to play in the prospective Third Reich. By examining both the general situation of women in Nazi Germany and the individual lives of wives and girlfriends of the Nazi elite, such as Magda Goebbels, Leni Riefenstahl, and the infamous Eva Braun, German Historian Anette Isaacs will reveal in how far this lofty expectation was met by reality in a racially motivated totalitarian system.

TRANSFORMING Kids' Lives Since 2010

On April 4, your Foundation's 10th Anniversary Golf Challenge raised more than $450,000 for "our" kids. More than 400 golfers competed for our charities for a share of the $100,000 prize money.

1st Place - Rotary Club of Boca Raton, $10,000
2nd Place - Place of Hope, $8,000
3rd Place - Sweet Dream Makers, $7,000
4th Place - Unicorn Children's Foundation, $5,000
All other participating charities received $3,500

◂ **Jay DiPietro** Low Gross Award Winners: Alex Lee, Richard Do, David Lukes, and Alen Jsu from Sky Alpha Asset Advisors winning an extra **$1,000 for Caridad Center.**

Our second annual Bikes for Tikes Program is in full swing, and it's not too early to start planning for graduation gifts for "our" kids. Last year your generosity enabled us to provide bicycles and helmets to 600 children. Pre-K graduates of the Florence Fuller Center, the YMCA of the Palm Beaches and YMCA of South Palm Beach County each received a bicycle and a helmet. This year we have added Roots and Wings to our distribution list. Children who reach a "platinum" level for reading will each receive a bicycle. For $160 you can provide the thrill of owning a first bicycle and helmet to children who achieve these milestones this school year. The smiles on "our" kids' faces when they see their first bikes are priceless!

As this season winds down, your board is hard at work planning to do even more for "our" kids next season. Mark your calendars for some of the terrific events we have on tap:

- **December 10, 2022:** Our second annual Walk the Walk Walkathon in West Palm Beach. The inaugural event was a huge success with more than 300 supporters from inside and outside Boca West and our charity partners walking to raise more than $250,000 to support "our" kids. Once again we will be walking as part of Palm Beach Marathon Weekend. There will be lots of entertainment and fun surprises so plan to come out and walk for "our" kids.

- **January 8, 2023:** "An Evening with the Foundation's Dear Friend, Jay Leno." Jay will be returning to Boca West with a brand new routine following sold out performances in 2017 and 2020. We expect this event to sell out as well. Sponsorship opportunities are available.

- **March 27, 2023:** Join us for our 11th Anniversary Golf Challenge. We will once again play to raise funds for our charity partners.

These are some of the highlights but we expect that there will be more.

With your contributions of time and money, 10,000 children were housed, fed, clothed, schooled and kept safe each day this season. To date, we have granted more than $1.5 million in our current fiscal year ending September 30, 2022 raising our total to more than $15 million since inception.

We are humbled by your support and are excited about our plans for next season. The entire board thanks you on behalf of our charity partners and "our" kids.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

OMBUDSMAN

Contact mikejosh18@aol.com and include "Ombudsman" in subject line.

Dr. David Shifrin

The Club's definition of Ombudsman is to be the "liaison between the members and the governing body." The role of Ombudsman is to act as an advocate on behalf of our membership; to assist with their problems, complaints and issues.

As our Club's Ombudsman, it is not my role to make club policy or change rules, but possibly bring issues forward and assist members to improve resolutions with matters that members feel need additional attention or possible change.

Possibly you may have taken matters directly to department heads and/or committee chairpersons, yet you found they did not completely address your issues and/or concerns to your satisfaction. If so, please send an email to me, your Ombudsman, Dr. David Shifrin. I'll do my best to find the best solution possible. Send your email to mikejosh18@aol.com, along with Ombudsman in the subject line, and clearly state your situation. If unable to email, please drop off a note to my attention at the Country Club reception desk. I will respond that I've received it, and begin a process communicating with the appropriate board members, committee chairpersons and/or management.

If you have been affected in a negative way, the Board of Governors wants to know. Our goal is to continue a Boca West tradition as being the best; and your Board, committee chairmen, department heads, staff and management want your experiences to be worthy of our 5 Star recognition worldwide.

CHAIRMAN'S LETTER

IT IS HARD TO BELIEVE THAT IT IS ALREADY MAY AND OUR "SEASON" IS WINDING DOWN. Despite the continued challenges presented by the pandemic, Boca West has resumed an active roster of events. We need to thank our General Manager, Matthew Linderman and our outstanding staff for their creativity and professionalism.

Let me personally congratulate the newly elected members of the Boca West Master Association (BWMA) Board of Directors. In addition, best wishes to their new officers. We know that together we will continue to do remarkable things, as the success of the Joint Venture (JV) illustrates. The JV's main purpose is marketing and promoting the Boca West Lifestyle highlighting the benefits and value of ownership of a residence in Boca West and the benefits and value of membership in the Club. Boca West Realty and the operation of a new Welcome Center are living examples of this cooperative effort. The marketing campaign has produced an ever-growing data base of information about potential buyers who have shown an interest in living here. The Joint Venture has implemented the Residential Home Improvement Program allowing us to improve properties and sell them fully renovated. Additionally, the JV has implemented action plans for dealing with abandoned and distressed units as well as with residents who have ceased meeting their financial obligations to the Club, their respective Villages and the BWMA. A subcommittee of the Joint Venture held roundtables with all our Villages last fall. After asking, "What can we do to help," six seminars were held to address Village needs. These seminars, run by experts in the field, included Board Certification, Document Review, Reserve Studies, Electric Vehicle Charging Stations, Insurance and Funding for Capital Improvement. The cooperation, through the Joint Venture, between the Club and the Master Association is essential for the continued success of Boca West.

Returning to some semblance of normalcy, it was wonderful seeing so many of you attending Tanglewood at Boca West last month. The festive atmosphere and the joy of being together as a Boca West family was palpable. Our thanks to the Boca West Children's Foundation for their ongoing support and to the talented Faculty and Students of Lynn University for their commitment. We look forward to many more events, like this, that bring us together as a community.

With a note of sorrow, we mark the passing of Jay DiPietro (Mr. D) our former General Manager and President. His legacy will live on here at Boca West and in the many organizations that he led throughout his career. We send our deepest condolences to his wife Sharon and his entire family. May his memory be a blessing to us all.

As we see the car carriers arrive, we know that some of you will be leaving us. We wish you a safe, healthy, and happy summer. We look forward to seeing you when you return in the fall. To all of us remaining here, we await a fun and active summer season as we continue to enjoy our paradise, Boca West.
