PRESIDENT'S LETTER

Dear Member,

Many new activities and events are planned for this upcoming season along with some of your previous Boca West favorites. We are excited about our **Aquatica Theme Night**, scheduled for next month on November 17 & 18. Currently, we have 1,200 reservation requests for the initial two nights. We hope you'll join us to ***plunge a thousand leagues under the sea to bathe in a sensory experience like no other.*** We've planned a ***truly immersive night of dining and dancing amidst the dazzling colors, mysterious creatures and timeless legends of the ocean.*** Requests may still be made to the Activities department until October 24. You don't want to miss out on this fabulous event!

Taste of the Season, our curated journey of the senses, is back! This program encompasses a complete list of dining events and activities which includes special food and wine experiences from wine and spirits tastings to culinary experiences and Grapevine, our monthly wine club. Be on the lookout for emails and brochures in any of our restaurants for more details. Our **Virtual Clubhouse** will continue offering both in person and zoomed activities. Be sure to sign up so you don't miss out!

As we look forward to welcoming many of you back to your paradise, we also await the arrival of our 350 International seasonal staff with a large group starting to arrive by mid-October. With the increase in staffing levels, you'll be happy to know that we will be reopening Mr. D's for lunch and Happy Hour, and Panache for lunch based on arrivals, training, and business levels. Additional restaurants will open for dinner, and if the stars align, we will open Prime Cut earlier than in years past .

Some restructuring has taken place in our Culinary Department to prepare for the expansion of our dining facilities with the Sports Center renovations. **Chef Roger Brock who has served as our Executive Chef for 17 years, has been promoted to Director of Culinary; we are so happy to welcome back to the family Paul Griffin, who will take on the role as our Executive Chef.** Earlier in Paul's career, he worked for the renowned Starr Restaurant Group, which included time at the famous Stripped Bass in Philadelphia. He found his way to Florida working for Dennis Max and Burt Rappaport helping to create their signature restaurants, and later moved on to Boca West as Executive Sous Chef for a number of years. Paul then had the opportunity to create and be one of the founders of BurgerFi globally. With his experience in the creation of new concept restaurants, we are so excited to have him rejoin the Boca West family as we embark on the journey of four new dining venues, and look forward to what the future holds as we move our dining operations into the future.

Congratulations go out to **Emily Gifford and JR Friend** for being nominated for the PGA Merchandiser of the Year. The award recognizes PGA Professionals who have excelled in business and merchandising in the promotion of golf. Another Congratulations to **Mike Bove**, Assistant Golf Pro, who has been named Assistant Golf Professional of the Year by the South Florida PGA Section. Mike is a Class A PGA Professional with an advance PGA Certification in Golf Operations and Teaching & Coaching. Stop by golf and retail when you have a chance and congratulate all of them on their accomplishments. I am so proud to have these professionals on my team.

The **100-hole challenge was a huge success!** JR Friend and the Golf Professional staff, Peter Taylor, Jim Phillips and Mike Bove participated in this great opportunity to raise money for children's charities. Teeing off on Palmer 1 at 7am, the four completed 100 holes each in 8 hours and 15 minutes with a surprise guest appearance from our LPGA touring pro Nanna Koerstz - Madsen. The team of five had two Eagles, 31 Birdies and only lost 15 balls! Thank you for allowing us this opportunity and for those who donated. We raised over $9,000 so far, and there is still time to donate to this great cause. Please send your donations to golfevents@bocawestcc.org

As mentioned in my June/July magazine article, our **Golf Renovation Committee is working with Fry/Straka Global Golf Course Design to develop a well thought out Master Plan** that will enable us to fully review what opportunities we should be contemplating to correct issues for the long term. Like correcting bunkers, irrigation and other maintenance obstacles we have been faced with for many years. Our ultimate goal is the enjoyment and playability of our courses while keeping them challenging and where you all can be proud to show off your home. I know many of you have voiced concerns of the renovation. Please know that within the six months, we will be returning to the Members with the complete Master Plan for approval of the Golf Course renovation Capital Plan with hopes to begin the first course in Summer 2024. Once we are further along in the conversations and planning, I promise to continue to communicate with the Golf Members to keep you apprised of the next steps. In the interim, our Golf Course Maintenance team has been hard at work correcting the conditions of some bunkers and turf areas, with unfortunate delays of sand and turf due to the extreme rainfall we have experienced recently. This work will be completed by late October and early November. You will also notice that work has begun to cosmetically update the golf course comfort stations. Thank you for your continued patience as we continue these improvements and deal with the timing of deliverables.

It has also been a busy summer in Tennis, with the conversion of the two Tennis Courts into six new Pickleball courts, bringing our total to 14 courts, and also resurfacing many of the remaining courts and repairing the courts from the Tavern.

The construction at the **Sports Center** has ramped up, and I am sure that many of you have been watching the progress on the live feed cameras. A detailed email on the Phased opening plan was sent out to the Members in September. If you did not receive a copy of this email, please reach out to communications@bocawestcc.org. In this email, I shared that our contractors have given us an updated timeline after the significant delays we received in getting our Permits approved. We have been working through this, making changes to priorities and shifting focus based on areas that can be completed. While the contractors have made some good headway, a large portion of work is still to be completed. We continue to push hard to meet deadlines and meet weekly, sometimes daily, to discuss challenges and find creative ways to keep the ball rolling. There has been significant progress on the pools, and the buildings are truly starting to take shape! I promise to continue to remain transparent and update you as progress is made once we have a stronger feel on timing. Weather is not helping!

The Joint Venture (BWCC and BWMA) is pleased to announce the opening of our new Welcome Sales Center! Looking to sell? Looking to upsize or downsize? Stop by anytime! Hours of operation: Monday-Saturday, 9:30am-5pm and Sunday, 12-5pm. The Boca West Realty staff is anxiously awaiting to assist you with all your real estate needs.

A reminder to always show your membership card and/or MEMBER ID on the app when checking into ALL facilities at the Club. Please remind your family members of their Gold Card as well.

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around.

Sincerely,

Matthew Linderman, CCM

ON THE COURSES

By Chuck Rosenblatt,
Golf Committee Chair

First let me welcome everyone back to Boca West, AKA: Paradise.

I hope you all had a restful and enjoyable summer and are ready to get back in the swing with all the activities the club has planned for the coming season. I'd like to use this month's article to bring you up-to-date on many of the things the Golf staff has been working on this summer. I would also like to provide you with some facts you may not be aware of.

It has been a very successful season with our Monday summer league. We had 159 sign up for the league, with an average of 90 players each week. This league consists of 60% women and 40% men. A larger number of 18 holers are playing this year vs past years.

As of August 15 we had over 124,000 rounds of golf played, which is 10% more than last year. In addition our vendor with InRange has tracked over 2,000,000 golf balls hit on the range from the south side alone.

Summer tournaments have been received very well. Some events will be tweaked or changed for next summer.

Planning and implemented golf course improvements have continued.

First, as I hope you have already seen, are the comfort stations on Palmer I and Dye IV. Exterior cabinetry has been torn out and the exteriors have been painted. New cabinetry has been on order for several months and are scheduled to be delivered in the next eight weeks. This cabinetry will consist of exterior units for our water and ice machines and new vanities for the restrooms. Once a firmer date for arrival is established we will begin to tear out those components that are being replaced. All interiors will be painted and improvements will be made to the lighting and ventilation. After the completion of Palmer I and Dye IV we will move to Fazio II and Palmer III. Please remember total renovation is not being done at this time as we are unsure of the final placement of the comfort stations once our golf course renovation master plan is decided upon.

Before going into our golf course renovations I'd like to mention another major component for our golf experience at Boca West. As most will recall every four years Boca West changes out our golf cart fleet. This negotiation process is usually begun in June or July and finished by August. I am happy to report that this year we began the process back in February and the fleet was put on order several months ago. It is hoped our new fleet of white carts with grey trim and upgraded seats with a side mounted mirror will be here in October. In addition to these upgrades ALL carts, both fleet and private, will be outfitted with a GPS system. The screens will be approximately 10" wide. More on this to come.

Pre-construction work on our golf courses has begun. As you travel our courses you may find some large white arrows that look like Vs painted on many golf paths. These are control points that the engineers use for establishing grades and boundaries. Our engineers have flown drones over our courses and determined existing grades. This information has been sent to our design team of Fry/Straka, who is working on a master plan for the club.

While I am on the subject of golf course renovations let me bring you up to date on a few things. The golf course renovation committee has visited several clubs with over 20 golf courses doing its due diligence. We've met with the Club Managers, PGA professionals and golf course superintendents. All of these meetings are meant to arrive at the best decisions we can make with regard to grassing and construction of our courses. Many different grasses have been looked at for our fairways including Celebration, Latitude 36, Bimini and Tif Grand to name a few. Without question TifEagle is the recommended grass for greens, at this time. Most importantly there are many new bunker systems that we wanted to see in various conditions. Some of these bunker systems are Better Billy Bunkers, Capillary concrete bunkers, Polylast systems and Bunker Solutions.

All of the above need to be investigated and compared with their respective pros and cons. We have found that without exception all General Managers, PGA Pros and Superintendents we visited have been very upfront and have enlightened us on some of the whys and hows they arrived at their decisions and whether or not they achieved their goals.

The investigation will continue with more visits in the coming months. All of this will be done in conjunction with Fry/Straka continuing the land planning and ultimately the designing of our new courses.

And remember, if you keep it on the short grass, your game will improve and so will your handicap.

RACQUET SPORTS *update*

By Dr. David Shifrin,
Racquet Sports Committee Chair

It's finally happening! After nearly a year of waiting, due to permit delays and a temporary interruption due to nearby building construction, the new pickleball courts are underway. Blacktop has been installed which will take a month to cure, then painting, installation of lighting, and restoration of fencing. All should be completed by November. Fourteen contiguous courts, plus resurfacing of the original eight.

Also, the tennis courts are looking great. The four red courts have now been converted back to the original green; new Har-Tru has been added on multiple courts which should improve fast drying, then planning total renovation of all courts starting next year.

Looking forward to an active season in both racquet sports, interclub play, and multiple exhibitions and social events, all at the Boca West level of excellence.

When I Was Younger I wanted to Get Older, This Wasn't What I Expected presented by Scott Greenberg

Tuesday, November 1

7:30pm/location to be determined

The later years road is often believed to look like a midnight ride on a sailboat with a glass of wine in our hand or a pleasant bike ride through a nature preserve. All too often, reality gets in the way. Bottom line: getting older can be tougher than we thought. Scott's humorous, yet practical approach to navigating the aging process will hopefully encourage you to take a look at where you are today and where you're going to be in the not-too-distant future in order to prevent crisis decision-making at a time when you are at your most vulnerable.

American Yiddish Radio Hour: 1920-1960 presented by Aaron Kula

Tuesday, December 6

7:30pm/location to be determined

The history of Jewish radio stations in America was an important part of the Jewish immigrant experience in becoming American. The radio was the single most important "appliance" in the first half of the 20th century that allowed everyone to listen to anyone in the privacy of their own living room. Jewish musicians and singers used the radio to appeal to a broad American audience on the airwaves ultimately making them super stars. This lecture will include vintage live radio recordings from WEVD and WHN and others as well as commercials in Yiddish advertising Ajax, gefilte fish, Barbisol, and pickles. This is an entertaining and educational lecture and is accompanied with a dynamic PowerPoint presentation with recordings and images.

Media and Politics: Television, the Internet and the Modern Campaign presented by Kevin M. Wagner, J.D., PhD

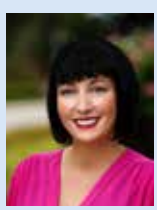

Tuesday, January 31

7:30pm/location to be determined

Based on current events and politics, this class will show what to take from newscasts, campaigns, and polls, and where conventional wisdom is often wrong. Dr. Wagner will present survey results, media reports, and analysis of the latest happenings in American Politics. The lectures will illustrate how the political system is shifting with new technology and unrestricted money from political interest groups. Combining visuals, data, Dr. Wagner will show how events, technology, media, and politicians are shaping the political discourse and what it means for America.

The Germans and their Fuehrer: Insights into a mutual obsession presented by Anette Isaacs

Tuesday, March 14

7:30pm/location to be determined

Addressing a huge and adoring audience at the Party Convention in Nuremberg in 1936, Adolf Hitler stated: *"That you have found me among so many millions is the miracle of our time! And the fact that I found you—that is Germany's good fortune!"* Join German Historian Anette Isaacs for an exploration of how this consummate symbiosis of Volk and Führer (People and Leader) --that started 90 years ago with his rise to power-- came into existence and how it changed and evolved during the course –and especially- the demise of the *Third Reich*.

NOMINATING COMMITTEE NOTICE

by Bill Berkowitz, 2022/2023 Nominating Committee Chairman

The mission of your Nominating Committee is to find the most qualified individuals wishing to contribute their time, experience, and expertise to Board service. If this is of interest to you, please do not hesitate to consider running for a position on the Board of Governors. Please submit your resume and cover letter requesting to be considered to Bailee Sumner at bsumner@bocawestcc.org before the deadline of **November 11, 2022**.

I would like to take a moment and review the Standard Operating Procedures for the Election Process that governs this committee and process.

The Nominating Committee consists of nine members including three from the Board of Governors. The nine-member Nominating Committee has the responsibility of conducting the vetting and interview process. Participation in this process is required of all individuals seeking to run for the Board. After the interview an applicant must receive a minimum of five votes to be considered for election to the Board of Governors. All nominated candidates will be presented to the Club membership for election.

The Committee looks forward to receiving detailed resumes accompanied by requests to be interviewed by those individuals wishing to run for the Board of Governors. The Club is looking for those individuals who wish to contribute their time, experience, and expertise to Board service. Interested individuals should have some awareness of the Club's governance structure and how and why policy decisions are made and executed here at Boca West. Committee service and participation in the Leadership Programs activities are helpful in this regard. Personal experience and expertise are also important considerations. We welcome the applications of those members who are officers or directors of our various Villages and or the Boca West Master Association. There is a bylaw proviso that if elected, those individuals are required to resign from their Village or Master Association position before they can serve on the Club's Board.

Individuals desiring to serve on the Board must have been a Club member for at least three consecutive full fiscal years immediately prior to the date of the election. 75-mile rule members are also not eligible to serve, nor can members who are suspended by the Board or who are financially indebted to the Club. The Nominating Committee may refuse to allow individuals to participate in the nomination process due to a finding that their membership history indicates that they are unfit to serve on the Board of Governors.

Again, we welcome your interest in running for the Board. Please submit your resume and cover letter no later than **November 11, 2022.** As Chairman of Nominating Committee, if you have any questions, please feel free to reach out to me at wberkowitz47@gmail.com.

HOSPITALITY TRENDS

By Jeanine Banks, House & Activities Committee Chairman

As we welcome Fall and members returning to our Boca West paradise, we are excited to embark upon another fabulous season of festivities, entertainment, sports, refreshments, and food! Among the many evolving trends in Food & Beverage, on the go, lighter healthy requests, pre-packaged meals, social bar dining, locally produced items such as farm to table, trendy spirits and plant-based meat alternatives are growing in demand. Over the Summer, we incorporated many new appetizer and entrée options in our Panache dining menu such as plant-based lettuce wraps, summer berry beet salad, a variety of flat breads, cauliflower steak, new tableside options, and a selection of delectable lite bites served in The Living Room while enjoying entertainment that were very well received end enjoyed!

Peter Raimondi, Director of Food & Beverage has been influential in overseeing many of the new options that await your enjoyment. We had a chance to explore some of them:

Peter, what do you see as the hottest trends in Food & Beverage currently?

Plant based cuisine is becoming very popular. The innovation that is taking place regarding plant-based protein and culinary techniques is extraordinary. The health benefits continue to show that this type of diet promotes wellness and longevity, and people are catching on. At Boca West we will continue to promote this type of option under our "Live Fit" program.

How about dining preferences?

A few dining options are also trending. Diners are moving away from the traditional appetizer/entree/dessert dining format and are enjoying tapas and "lite bites" along with entertainment, cocktails and dessert. A demand for family style menus, where food is passed around and shared, also allow diners to experience more cuisine during a visit to a restaurant than committing to a single appetizer and entree for the evening. Bar seating and communal tables are becoming a casual and engaging favorite to mingle and dine. Boca West members will experience these trends in the new restaurants and bars in the sports center renovation as a continuation to what has been created in Prime Cut with great success.

How have things changed since COVID protocols have been softened and we are returning to normal life?

Outdoor dining continues to be in demand. Pre-Covid, and especially during the summer months in South Florida, you wouldn't often hear much request for patio seating. There is still a portion of the dining public that prefers, or will only eat, outdoors. Fortunately, with the addition of Mr. D's and areas created within the new sports center renovation, we will significantly increase seating for outdoor dining, happy hours and potential events. We are also actively evaluating the possibility for additional dining patios in additional existing areas of the club.

My thanks to Peter Raimondi for sharing his perspective and incorporating new food and beverage options. Peter's career has spanned over 20 years in restaurants and hotels focused on food & beverage management. We can't wait to see our Members reuniting, celebrating, dining and enjoying the new Sports Center & Pool bars, restaurants and all of our social dining venues throughout the Club. Here's to a wonderful new Season upon us!

BWMA President

CALL FOR VOLUNTEERS! BWMA NOMINATING COMMITTEE BWMA BOARD OF DIRECTORS 2023/2024

Take an Active Part in Your Community by Volunteering for the Nominating Committee or to serve on the BWMA Board of Directors!

The Board of Directors will have open seats for election on March 24, 2023. These seats will be filled via the Master Association's election process. Serving on the Board is a vital service to Boca West. Giving your time and dedication, the BWMA Board works hand in hand with the Club's Board of Governors to keep our beautiful community viable now and for the future of Boca West.

The Nominating Committee will interview the Board candidates for the open seats for the next election. Selecting Candidates is a very important service to Boca West. The seven (7) member Nominating Committee will consist of two (2) sitting BWMA Board Members (not running for re-election) and five volunteers representing 5 different Villages within Boca West. The Nominating Committee will be selected at the November Board Meeting.

The members of the Nominating Committee will attend 2 meetings. The purpose of the first meeting will be to elect a Non-Board Member Chairperson and to discuss appropriate interview procedures, the election process and pertinent questions to be asked by each committee member.

At the second meeting, after having previously received each candidate's resume, the Nominating Committee will interview each individual candidate.

They will also, at this meeting, cast their votes for the candidates they have selected to be brought before the Villages for election to the BWMA Board of Directors.

Residents interested in becoming a member of the Nominating Committee should make their request via email to amartinez@bocawestmaster.com.

If you are interested in serving on the BWMA Board of Directors, we need candidates who possess prior experience with condo or homeowner association boards, or committee participation.

Review of Board and Committee meeting minutes, which are all available on our website, www.bocawestmaster.com, will also provide details of typical business matters that the Board of Directors considers on a monthly basis.

If you are interested in joining the Board and contributing to the continued betterment of the Master Association, **please submit your resume to Alyssa Martinez at amartinez@bocawestmaster.com or drop it off at the BWMA Office no later than 5:00 p.m. on Friday, December 30, 2022.**

OMBUDSMAN

Contact mikejosh18@aol.com and include "Ombudsman" in subject line.

Dr. David Shifrin

The Ombudsman offers an alternative opportunity to resolve complaints, concerns or problems in a timely and private manner. Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

Examples of inquiries:
A member sent a photo of a dog that was roaming around the area of Mr. D's restaurant and not wearing a leash. The dog's owner was contacted by management, given a warning, and advised that a second such incident could result in a grievance.

There were inquiries in regards to golf, especially members' behavior on the course. These were sent to the Golf Committee chairman, and some were then referred to management for consideration of a grievance.

Several inquiries were made about the access of guests to our Club's facilities. I was able to directly answer some of these inquiries, and others were forwarded to the chairperson of the Membership Committee who followed up and answered member's more specific questions.

Lastly, I received an inquiry about possession of guns at Boca West. Our Rules and Regulations forbid carrying a gun into any club property. Otherwise, the common areas of our gated community, including our homes, fall under the Federal and State laws.

If you have a question, concern, or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at mikejosh18@aol.com, and please be sure to enter the word OMBUDSMAN in the subject line.

WHETHER YOU ARE TRAVELING, UP NORTH OR LIVING THE GOOD LIFE IN BOCA WEST, I HOPE YOU ARE ENJOYING EVERY MOMENT. WE HAVE HAD A BUSY SUMMER PLANNING FOR THE 2022-2023 SEASON. OUR COMMITTEES HAVE BEEN ACTIVE THROUGHOUT THE SUMMER.

The Nominating Committee, chaired by William Berkowitz, is attempting to get an early start in identifying the future leaders of the Club. If you are interested in being considered for nomination to the Board of Governors, contact him regarding the process and timing at wberkowitz47@gmail.com. Please keep an eye on your email communications for more information.

We are planning a special week in January that I want to make you aware of. "Hope Week" is scheduled for January 23-28, 2023. This event, chaired by Jeanine Banks, will be an opportunity for members of our community to participate in one or more activities related to our many charitable organizations. For the first time, all of our organizations will be joining together in this week-long event. More details will follow.

Our Joint Venture Subcommittee led by Frank Richard, comprised of members of the Master Association and the Country Club, is planning another series of Village round tables set for October 12-14. These extraordinarily successful meetings yielded six seminars last year which assisted the villages in operations and procedures. We expect this year to be just as impactful.

This month I wanted to focus on "Did You Know "topics. Below are details about important topics to be aware of:

Service Animals

Boca West Country Club is committed to providing equal access and enjoyment of its facilities to all members and their guests and does not discriminate against persons with disabilities in its policies and procedures. While the Club is considered a private club making it exempt from certain requirements under the ADA, the Club has nonetheless voluntarily chosen to permit its members to bring service animals on the Club's premises. Non-members are not included in this privilege. Therapy or Emotional support animals are **not permitted**. Please make sure to follow the rules available on the Club's website "Rules and Regulations" (page 3 item #10).

Guns and Weapons

Weapons, firearms, explosives, gasoline, kerosene, benzene, fireworks, or any other article deemed extra-hazardous to life, limb or property, regardless of permit to carry, **may not** be used nor brought into any portion of the Club's properties, except by State, Federal, County or City law enforcement officers while on duty or designated Security Officers contracted by the Club as expressly authorized by Florida Statutes.

Member Interaction with Staff

No Member, Lessee member, Relative or Guest shall at any time harass any Staff, verbally or otherwise. Any Staff not rendering courteous and proper service should be reported to the Manager on duty and a report will be sent to the Department Head. They will investigate and follow up. No Member, Lessee member, Relative or Guest shall discipline any Staff or request that any Staff leave the Club premises for any purpose or reason. Our staff is our greatest asset and should always be treated with respect.

I urge you to read our Rules and Regulations, posted on our app and website. They spell out all the things you need to know about Boca West policies and procedures.

We are looking forward to welcoming everyone back for another jam-packed season! For those of us that are here year-round and those of you returning in October and November, don't miss the wonderful activities planned for this month and next.

As always, I am available for suggestions and feedback and can be reached at pedwards@bocawestcc.org.

Most Sincerely,

Dr. Philip Edwards
