PRESIDENT'S LETTER

Dear Member,

I have some exciting news to share: the **Boca West Golf Shoppe** was recently recognized by Club+Resort Business as a standout golf retail operation and one of the Top Ranked Pro Shops for 2022. This prestigious award is judged by a panel of industry professionals with judges' scoring of data provided on the size of the Pro Shop, revenue categories, photos and more. This award wouldn't be possible without the hard work and dedication of our incredible Retail team led by our Director of Retail, Emily Gifford, and most importantly... the tremendous support from the Membership for making this possible.

The American Bombshells, one of our favorite trios of singers, returned to perform an All-American tribute show for our **Veterans Day Breakfast and Show.** Each branch of the service - Army, Navy, Air Force, Marines and Coast Guard - was represented. We look forward to this event every year as it is so heartwarming to see the room filled with patriotism, love and respect for our veterans and our country.

Last month we kicked off the peak season in true Boca West fashion. From our two night **Aquatica Season Opener** event to our **Thanksgiving** dinner, this year we had record breaking reservations for each of these events. As always, thank you to our incredible Activities, Food and Beverage and Catering rock star teams for bringing these events to life and finding creative ways to accommodate as many of you as possible. Let's not forget about the much anticipated **Golf and Racquet Sports opening weekend events**, although Mother Nature decided to postpone the Pickleball Welcome Back by a week! It is amazing to see the Club full of you and all of your families.

The month of December also means the opening of **Prime Cut**, and you are in for a real treat this year! Chef Roger and Chef Paul along with their team have developed several sensational new menu items that I know are going to be a big hit! Many of you have already taken advantage of dinner in Grand Central and at Mr. D's; and based on attendance, it appears we made a great choice with the nightly features. Be sure to include the Living Room for Lite Bites in your upcoming evening plans, come and enjoy the nightly entertainment along with a delicious food and drinks.

Cravings on the Lawn opened at the end of November and is available Thursday through Saturday evenings. It combines another dining option with an enjoyable evening under the stars in a casual setting with friends. The Garden Terrace and Lawn space behind Mr. D's was created to bring more outdoor events and activities; which we've been doing for several years now. If you haven't had the pleasure of this experience yet, watch for more details.

Last month the Fitness department launched its **LIVE FIT EXPERIENCE:** ***Fit for Sports Programs.*** The Fitness staff is offering complimentary assessments based on the following components: balance, mobility, strength, flexibility, cardiovascular endurance. Once your assessment is complete, the staff will offer recommendations to assist you with your fitness plan. Stop by the Fitness Center or call, 488-6944 for more information.

I'm excited for our first **HOPE WEEK**, *scheduled for January 23-28 and February 5, 2023.* It's a great opportunity for our membership to learn about the various philanthropic organizations supported by our community. Our hope is that you'll engage with our valued community charities. A brochure outlining all the opportunities is available in the Club Services office and at the reception desk in the Country Club. Watch your emails for all the details as well!

The **Holidays** are right around the corner and there is so much activity in store for all ages. Our **Boca West Carnival** is back and we couldn't be more excited to have you and your families join us for an amazing night of fun. And don't forget about our annual **Character Breakfast and Lunch** for the little ones and the Golf and Tennis events for the kids and teens, which are always a huge hit! Be sure to get your requests in, if needed, to participate in as many events as you'd like. This month's events and activities have already received overwhelming interest, and I am so excited for everyone to enjoy all that is in store. Keep an eye on your email communications for updates and details on all that December has to offer you at your Club, and don't forget to pick up one of our Holiday Calendar of Events brochure. Let's make some beautiful memories together!

As you know, Boca West is a no cash tipping Club but a 20% gratuity is added to service staff's checks. Members can see this 20% gratuity on the check they sign... if you would like to add an additional amount to any check, you may do so. Additionally, Members are permitted to give a gift to a department so that all employees can enjoy, this is usually done during the holidays. Please note, we do not allow individual gifts or cash tips.

Please remember I welcome and encourage your thoughts, comments and suggestions regarding your Club.

Sending happy and healthy holiday love your way from me and the Linderman girls; Yamile, Alexa and Sophia!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

PRIME CUT WINE DINNER SERIES*

"Wine is the answer... what was the question?"

PAUL HOBBS WINERIES

FEATURING: Harley Aveiro Sales Manager, Southeast & Caribbean Region

Tuesday, December 13 • Price: $115++ per person

It all began on an orchard in update New York. Growing up on the family farm, Paul Hobbs learned the discipline of working the land by planting, harvesting crops and selling them at nearby farmer's markets before school each morning. He experienced first-hand the influence of terroir on the character of fruit, when his father had him taste the same variety grown in different orchards several miles apart from one another. The diversity of flavors and textures made an impression on him and would later influence his approach to winemaking. In 1991, he spoke to winegrowers, Larry Hyde in Napa and Richard Dinner in Sonoma to inquire about purchasing five tons of fruit from each of their vineyards. Larry and Richard agreed to sell him their grapes, and so the Paul Hobbs Winery adventure began with the debut release of 1991 Paul Hobbs Chardonnay, Pinot Noir and Cabernet Sauvignon. Owned band farmed by Paul Hobbs Winery, their estate vineyards are the pinnacle reflection of their desire to showcase the individuality of new and historical sites by crafting wine with purity, energy and balance. Their wines are crafted from the most distinctive sites in the Russian River Valley, "true" Sonoma Coast, and Napa Valley that best express their varietal. Today, the winery has seven estate vineyards in the most acclaimed regions for growing pinot noir, chardonnay and cabernet sauvignon.

ON THE COURSES

By Chuck Rosenblatt,
Golf Committee Chair

Can you believe 2022 is almost over? What a whirlwind the past few years have been.

We have gotten off to a great season this year. Our warm up Par 3 in October had over 164 players. The Luken Cup tournament had 58 participants. The season opener in November was a great success with over 485 players. The first week of December begins with the return of the Governor's Cup with some slight changes. This two player tournament will run thru March 6. The end of the week we continue with the ever popular Member/Member tournament.

I would like to share with you some information concerning golf course renovations and improvements. This information is derived from several golf associations including but not limited to the USGA, National Golf Association, Golf Course Superintendents Association of America, American Society of Golf Course Architects, as well as various publications, including Golf Digest and Links Magazine. All of these organizations and publications agree on these basic numbers and statistics.

Life expectancy in year and volume of Play:

- **Greens:** 15–30
- **Bunkers** 10-15
- **Irrigation System** 10-30
- **Practice Range tees** 15-20

Today's standards:

- The average size of a golf course is 150 acres
  - 50 acres of rough
  - 30 acres of fairway
  - 4-5 acres of tees
  - 4-5 acres of greens
- Sand bunkers
  - 40,000 – 80,000 sq. ft.
- Driving range average for 18 hole course 7 acres
- Avarage component cost of Golf course construction
  - Bunkers $2 mil
  - Irrigation System $3.5 mil
  - Greens $ 3 mil
  - Fairway & rough 3.5 mil

So where does Boca West fit into these stats and figures? As an example, Palmer I was opened in 1997, 25 years ago. You can clearly see all major components of the course have either outlived or are approaching their life expectancy.

The Irrigation system is so outdated that there are no replacement parts for the system. The PVC piping in the ground is old and brittle. Every day our staff is finding new and creative ways of holding the system together.

Bunkers have never been rebuilt or refurbished in the past 25 years. We all know the problem that exists with the bunkers. The bunker matting is old and has floated to the top in many areas. Sand is severely contaminated. We have just finished putting new sand in many of the bunkers, but that is only a bandaid approach. After several hard rains the sand will become contaminated with foreign soil and the coral will continue to rise.

Fairways were regrassed with paspalum a number of years ago, which has turned out to be an inferior grass. Most courses have either abandoned paspalum and switched to other stronger grasses or are contemplating this decision moving forward. Once there were several paspalum nurseries to get it from, today there are very limited resources in the state of Florida that still grows it. We continue to attempt to find locations outside of Florida.

As for comparisons with industry standards today Palmer I has over 100,000 sq ft of bunkers. We mow over 70 acres of rough (equivalent to 91 football fields). None of this is up to the standards of today.

Chad Goetz, Nicklaus Design associate, once said "Things wear out and things change a lot" His boss Jack Nicklaus said when looking at a course he had designed 25 years earlier, "although the golf course looked pretty good, it looked a little tired. All golf courses after many years look a little tired and in need of sprucing up."

[David McLay-Kidd (DMK design group) said the tipping point for a course renovation is most often the infrastructure reaching the end of its life, specifically the irrigation system. Irrigation is the most common problem area. He goes on to say, "Once a club commits to fixing the irrigation, it now needs to ask the architect, 'As long as we're digging up the course, is there anything else we should consider, from grasses to greens to bunkers to even remodeling?' If at all possible, it's best to perform all the work at once, so you don't have to dig up a new irrigation system later on"

Rees Jones concurs. Reflecting on his 2019 renovation of Ballenisle's South course in Palm Beach Gardens, FL. Jones said, "what leads to change is agronomics. Irrigation and drainage drive most of these projects."

Of the courses components that players can see, the most prominent candidates for refreshing are usually bunkers, grasses, trees and greens. Tom Fazio acknowledges that not only are such renovations necessary for playability and performance, but simply to keep up with the competition. The greens at his home club in Florida, Jupiter Hills, are on their fourth regrassing at a club that just turned 50.] Link Magazine

When looking at the comments from any of these gentlemen one could easily have thought they were talking about our courses. They are tired and look tired. The infrastructure is worn out.We are fortunate to have had a staff that has been able to keep things looking pretty good, but it might now be the time for a complete facelift.

Remember if you keep your ball on the short grass your game will improve and your handicap will fall.

AT THE NET

WORTH waiting for

By Dr. David Shifrin, Racquet Sports Committee Chair

It's taken much longer that we had planned, but despite multiple permit and supply delays, everything's finally coming together. As of the very moment I'm writing this article, the six new pickleball courts are being painted and near completion. Plus, the lighting for evening and nighttime play is slated to follow soon, and will hopefully be installed by the time you're reading this article in the December magazine.

Tennis is also booming, with a growing number of players, newly upgraded court surfaces, and a full staff of professionals and assistants to serve our members. And as always, Game Arranging will be in effect to accommodate you six days a week, Monday through Saturday. Sunday games can be arranged at your convenience.

Please see the accompanying *"Tennis Corner"* and *"Pickleball Corner"* for a list of upcoming events, and kudos to our staff and committee members for their work in preparing for an active season ahead.

Questions or suggestions? Contact me at mikejosh18@aol.com, or a member of the staff, at 488-6996.

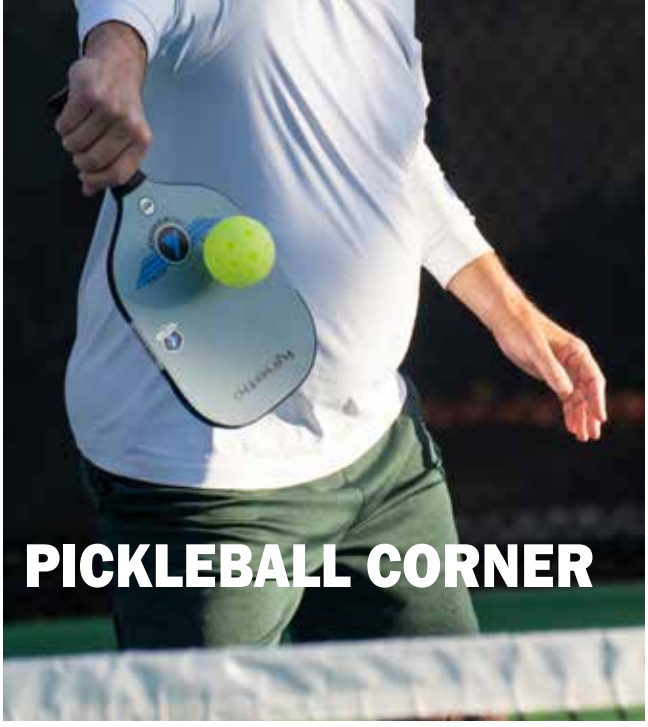

TENNIS GAME ARRANGING

Sign up two days prior at 8am (ie: Monday at 8am will open sign-ups for Wednesday 9am game arranging). Game Arranging is open to all members with tennis privileges who have completed an evaluation with our tennis staff.

Game Arranging is available through online sign-up until all spots have been filled. Member that sign-up after all spots are filled will then be informed they are on a waiting list for that day. Members on the waitlist are to call 488-6996 between 7-8:15am the morning of Game Arranging to see if a spot has opened for them.

Members may add a note in the "notes" section when they sign-up to play if there is a certain player or game they would like to request. The staff will do their best to accommodate based on games and player availability.

"Bay Mir Bistu Sheyn",is a moving and musically rich concert celebrating the Golden Age of Yiddish Theatre. This exciting tribute was created over the past several years at the initiative of Lyric Fest, a venerable Philadelphia based cultural institution that highlights of the beauty of song in our culture. With musical direction by Zalmen Mlotek, Artistic Director of the National Yiddish Theater Folksbiene, joined by renowned singers Elizabeth Shammash and Thom King. The storytelling-in-song takes us from despair to hope to entertainment, and everything in between, with musical influences of operetta, Tin Pan Alley and Broadway, including chestnuts such as Rozhinkes mit Mandlen and Bay Mir Bistu Sheyn. The message is timeless, speaking to this moment with immigration hopes, dreams and desperation, the drive to make a new life in a new homeland and integration of personal stories with humor and poignancy.

The concert is presented with English supertitle translations.

James Deering, was a successful businessman, widely known as a socialite, conservationist, arts connoisseur, world traveler and cultural ambassador. In 1910, he traveled through Europe to begin acquiring art, antiquities, and furnishings for his new estate, built primarily between 1914 and 1916, and completed in 1923.

With his interest in conservation, he chose a site with dramatic mangroves and native tropical forests overlooking Biscayne Bay and the Atlantic Ocean. American Yiddish Radio Hour: 1920-1960 presented by Aaron Kula
Tuesday, December 6
7:30pm/location to be determined
The history of Jewish radio stations in America was an important part of the Jewish immigrant experience in becoming American. The radio was the single most important "appliance" in the first half of the 20th century that allowed everyone to listen to anyone in the privacy of their own living room. Jewish musicians and singers used the radio to appeal to a broad American audience on the airwaves ultimately making them super stars. This lecture will include vintage live radio recordings from WEVD and WHN and others as well as commercials in Yiddish advertising Ajax, gefilte fish, Barbisol, and pickles. This is an entertaining and educational lecture and is accompanied with a dynamic PowerPoint presentation with recordings and images.

Media and Politics: Television, the Internet and the Modern Campaign presented by Kevin M. Wagner, J.D., PhD
Tuesday, January 31
7:30pm/location to be determined
Based on current events and politics, this class will show what to take from newscasts, campaigns, and polls, and where conventional wisdom is often wrong. Dr. Wagner will present survey results, media reports, and analysis of the latest happenings in American politics. The lectures will illustrate how the political system is shifting with new technology and unrestricted money from political interest groups. Containing visuals and data, Dr. Wagner will show how events, technology, media, and politicians are shaping the political discourse and what it means for America.

The Germans and their Fuehrer: Insights into a mutual obsession presented by Anette Isaacs
Tuesday, March 14
7:30pm/location to be determined
Addressing a huge and adoring audience at the Party Convention in Nuremberg in 1936, Adolf Hitler stated: *"That you have found me among so many millions is the miracle of our time! And the fact that I found you—that is Germany's good fortune!"* Join German Historian Anette Isaacs for an exploration of how this consummate symbiosis of Volk and Führer (People and Leader) --that started 90 years ago with his rise to power-- came into existence and how it changed and evolved during the course –and especially- the demise of the *Third Reich.*

From the Otherside of the Bench presented by Hon. Peter M. Leavitt

Wednesdays, March 1, 8 and 15*

- **The Role of Judge, Court Clerk, Principle Law Clerk and What's under those Robes.**
  Listen to a retired Supreme Court Judge tell you the inside scoop of what it means to be a Judge. Where do they come from; what do they really do? Just how much power do they have? Does the press and the other media paint a realistic picture? The answers to all the above are no, "sex and violence" sell newspapers, not the quiet observance of the rule of law which can be plain and often boring. From shoplifting to murder rape and kidnapping a Judge is tested every day to make decisions that will affect so many lives. Listen to the secrets of the Courthouse from an insider!
- **Defendants' Rights, Victims' Rights, Have we lost Sight?** Defendant's rights VS. Victim's rights. Historically and sadly, victim's rights have not kept pace with Defendants rights. There is very little that a victim can do other than being notified of court appearances of the defendant. Victims cannot challenge a sentence or have any appeal power. In a very liberal world the victim is forgotten and almost all the media attention and publicity goes to the defendant or his Attorney. This lecture will detail the horror of being a rape victim and the reason there are so many repeat offenders. The gloves are off and the reality is shocking.
- **Acting Supreme Court Justice as a Witness in a Murder Case.** Improbable, unlikely, both understatements. When an ambulance call went out stating GSW or gunshot wounds in the sleepy hamlet of Chappaqua that call by itself was highly unusual since 99% of all calls in the town were for heart problems, bee stings, broken bones or motor vehicle accidents. NOT gunshot wounds in President Bill Clintons hometown. The emergency medical personnel were up to the task but with an astounding outcome. I became a witness in the subsequent murder trial, now I'm on the other side of the bench.

History Series presented by Dr. Robert Watson

Thursdays: March 2, 9, and 16*

- History's Mysteries - Fun and intriguing stories about what we do and don't know about the past
- Dysfunction in Washington - Causes and consequences
- Behind Hitler's hate: Nazi pseudo-science, conspiracy theories, and the occult.

**Both March series are a three-part series being offered at $75 per person*

SIMPLY FIT:

IT'S NOT AS SIMPLE AS YOU MIGHT NEED

By Jason Latona, MS, LMT, CES, Group Exercise Coordinator

To paraphrase an age old questions: 'To Exercise' or 'Not to Exercise'? This seems like a no-brainer answer to the question since many of us are already aware of the many benefits of regular physical activity. From the physical benefits such as lowered blood glucose and cholesterol, stronger bones, better quality of sleep and decreased stress levels, to psychological benefits such as improved self-esteem, self-confidence, social interactions, and comradery.

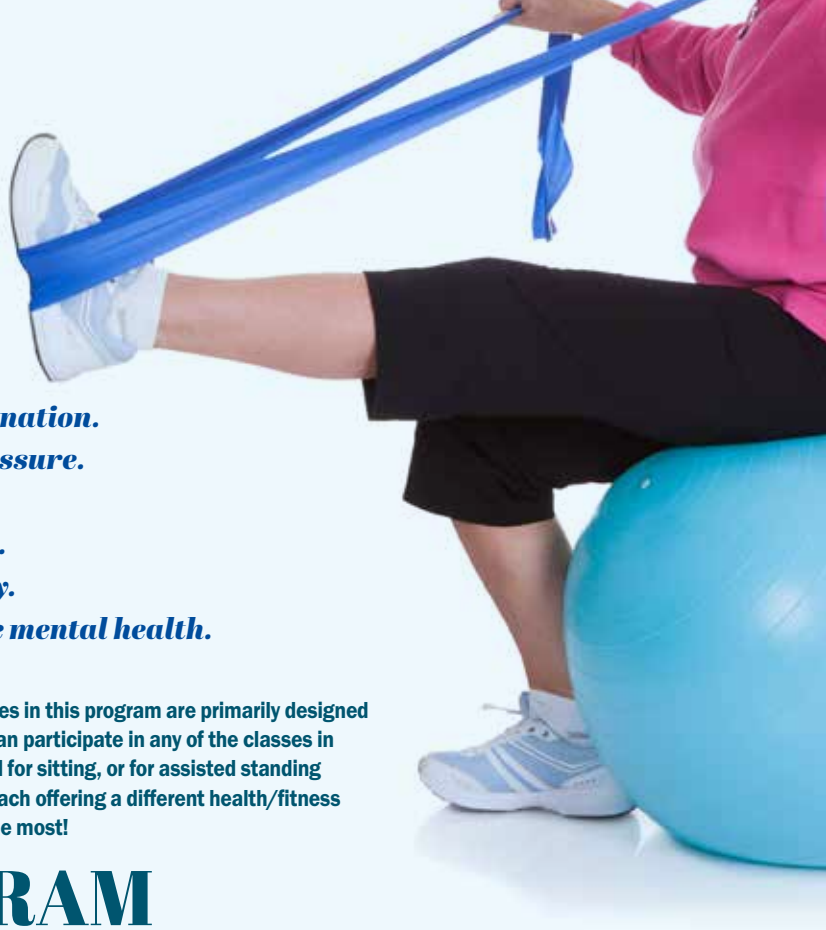

It is estimated that nearly 40 percent of regular exercisers participate in group fitness classes. The exercise itself has the clear benefits for improving overall health and well-being, and the positive side effects of lowered blood pressure, improved glycemic control, better sleep. But exercising in a group has other particularly beneficial effects.

When exercising in a group, those other individuals can influence your attitudes and emotional responses to exercise. They can affect how you feel about exercising, which is critical for determining whether you continue to exercise or not. And besides, as you get to know others who exercise regularly, you start to perceive exercise as more positive, common, desirable and doable.

Psychology and exercise researchers have observed that people are influenced by those around them in a few different ways. Among which, the exercise classes can influence an individual's explicit and implicit attitudes; (your thoughts and feelings), about exercise, which can increase an individual's chances of exercise compliance on a consistent basis. In other words, exercising with others can make the whole process seem easier, be more "fun", and become more habitual. Friends, (and friendships) can become your cue as well as your reward for exercising.

So perhaps now you might be thinking about joining a group exercise class of some kind, and at Boca West, we have a variety of group classes to choose from. Water based fitness activities are usually a strongly suggested form of exercise due to the low impact nature of the activities, but perhaps you don't want to be outdoors and in the sun. What are your options then?

The answer, is seated chair exercise! In a systematic review of chair based exercise programs which included 1,388 participants, the results demonstrated that chair-based exercise programs improve upper extremity fitness, and lower extremity functions. These findings suggest that chair-based exercises are effective and should be promoted as simple and easily implemented activities to maintain and develop strength for older adults. (1)

BENEFITS OF CHAIR BASED FITNESS

1. *It strengthens your muscles, bones, and joints through low impact movement patterns.*
2. *It improves flexibility, balance, and coordination.*
3. *It elevates heart rate and lowers blood pressure.*
4. *It increases blood circulation.*
5. *It boosts energy levels and reduces fatigue.*
6. *It enhances cognitive thinking and memory.*
7. *It improves your mood and overall positive mental health.*

At Boca West Country club, we offer the *Simply Fit Program*. The classes in this program are primarily designed for individuals at a low to moderate level of fitness; however, anyone can participate in any of the classes in this program. Classes are primarily performed with a chair, either used for sitting, or for assisted standing activities. There are several class formats offered in in this program, each offering a different health/fitness objective. Try one, or try them all to find the class(s) that benefit you the most!

SIMPLY FIT PROGRAM
AT BOCA WEST COUNTRY CLUB:

Simply Basic – As the name implies, this class uses simple movements in both sitting and standing positions to help improve balance and posture. The class is designed to move and strengthen all of your muscles and joints safely in order to improve the participant's ability to complete those activities of daily living.

Simply Circuit - The focus of this class is to improve cardiovascular fitness and overall strength by incorporating alternating periods of simple low-impact choreography (dance, or ballet style movements), along with various sitting or standing strength exercises (light weights, bands, or body weight) both in and out of the chair.

Simply Focused - This class is designed to improve mental focus and clarity by incorporating easy-to-learn, Tai-Chi and Yoga forms. Aimed at improving your mind/body connection, these movements are practiced in a slow, flowing sequence to progress the participant's strength, balance, and mental focus. Chair support is offered to facilitate standing stability and seated options.

Simply Stretched – *(Chair Yoga).* The focus of this class is to improve flexibility, balance, and range of motion by incorporating resistance and stretching exercises both in and out of the chair. Restorative breathing and final relaxing promote stress reduction and mental clarity. End the class with restorative breathing exercises to promote stress reduction and mental clarity.

Regardless of the class that you chose, you will yield all of the health benefits of the regular physical activity, plus the social benefits of being in the group of like-minded individuals such as making new or maintaining current friendships as everyone has fun in the common experience during the class. If you have any questions, please feel free to reach out to your Fitness Center for more information.

Annual Jingle Bell Jaunt FUN RUN/WALK

Saturday, December 24
8am, Boca West Drive

All members and guests are welcome. No registration necessary. For further information, please contact the Fitness Center at 488-6944. We look forward to seeing you.

The season has gotten off to a fast start.

On **November 15** we held our second **Tour of the Charities.** 50 club members traveled by bus to JAFCO, one of the BWCF's core charity partners since our inception. We toured all three of JAFCO's campuses: JAFCO Ability Center which provides services to children with disabilities, JAFCO Children's Village, which serves children in the foster care system and the newest facility, Eagles Haven Wellness Center, which was created after the Parkland shootings & aims to rediscover wellness and restore hope to the Parkland/Coral Springs community.

Sarah Franco, JAFCO's CEO, described the Foundation's impact on her organization by saying: "When a child is abused or neglected and removed from their home in the middle of the night, there is a warm bed and a clean and loving place for them to go, thanks to the generous annual support of the Boca West Children's Foundation. The JAFCO Children's Emergency Shelter and Children's Ability Center are open 24/7 to care for children and support families but we could not do it without the amazing donors at Boca West.

On **Saturday, December 10** our second annual **Walk the Walk Funfest** will take place. Club members will be joined by hundreds of friends and supporters of our charity partners in West Palm Beach to help raise awareness and funds to aid underserved children in the county. The Walk will begin at 10am on West Flagler, along the Intercostal. The event is being organized by the Children's Foundation of Palm Beach County, an affiliate of the Boca West Children's Foundation and will be a part of the Palm Beaches Marathon Weekend. Join us for a unique and worthwhile day "off campus" to help "our" kids. Please check the Foundation's website www.bocawestfoundation.org for more information.

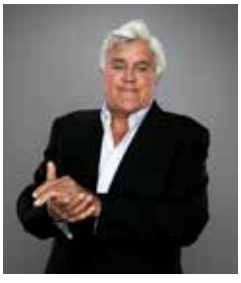

The following **Saturday, December 17** is the **13th Annual Boys and Girls Club Holiday Shopping Day and Brunch**. This was the Foundation's first program and remains a favorite of children and volunteers alike. You can be part of the day that many have said is "the most fulfilling day of the year" as a volunteer. You can help the kids from the local Boys and Girls Club pick out clothes at Old Navy and then join them at Boca West for a scrumptious brunch. The kids will enjoy Boca West sized portions of waffles, pancakes, donuts, bacon along with lots of healthier foods, choose an age-appropriate toy and pick up a harvest basket of fresh turkeys and vegetables to take home for a family holiday meal. If you would like to volunteer, call the Foundation's office at 488-6980 or email cirving@bocawestcc.org.

SAVE THE DATES

The **Carnival for the Kids** is back! On **December 29**, the Boca West carnival will open early from 1-3pm so that children from our charity partners can attend. It's always a treat to volunteer and accompany the children, and no, you do not have to go on any rides! Please call or email the foundation to sign up. Note that this is open to children from our charity partners only.

Join us for **An Evening with Jay Leno** on **Sunday, January 8** beginning at 6pm. We are just about sold out. Tickets may be purchased on our website.

Be part of the effort to break last year's record of 180,000 diapers contributed to the Diaper Bank Covering South Florida at the **8th Annual Diaper Drive**. This year's drive takes place in the circle at the Tennis Parking Lot on **February 21** from 8am–12pm. We will be collecting diapers and can also accept credit card and cash contributions. You may also donate on the Foundation's website.

Mark your calendar for the **11th Annual Golf Challenge** on **March 27.** Please see our website for details. https://www.bocawestfoundation.org

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

HOUSE & ACTIVITIES COMMITTEE

By Jeanine Banks, House & Activities Committee Chairman

Hope Week: January 23-28, 2023

It has often been said that December is the most wonderful time of the year, and I couldn't agree more. As we celebrate the holiday season with family and friends, it is a time to reflect on the past year and feel grateful for our blessings.

As 2022 winds down, it is also a time to look forward with promise to a New Year. We invite Boca West members to join us as we present Hope Week. Hope Week is an extra special opportunity for Boca West Members to volunteer their time, learn more about and engage with eight charity outreach programs during this very special week of hope. Our goal is to introduce you to these charities, provide an opportunity to volunteer and unite in community outreach.

The Hope Week Brochure:

The brochure is chock full of the details to help you select a charity engagement opportunity such as each charity's mission, volunteer option description and how to register. Watch for an email with all the information.

The Hope Week Schedule:

January 23 – Boca West Chapter of The Pap Corps

January 24 – Gilda Mallin Boca West Hadassah and Fuller Center

January 25 – Habitat for Humanity

January 26 – Place of Hope

January 27 – Boca Helping Hands

January 28 – Tri-County Animal Rescue

February 5 – Lynn Cancer Institute - Boca Raton Regional Hospital

How to Register to Volunteer:

If you have not already done so, we invite you to submit your volunteer request online on the Boca West App or Website under Calendar of Events. Search for HOPE WEEK and be sure to click on the date you wish to volunteer. Requests must be made by Friday, January 13 to allow the charities time to prepare their projects. Reminder, this is for Current Boca West Members who are Non-Members of the charities listed.

We hope that you will consider joining your fellow members during Hope Week and share in the joy of giving back to our beautiful community. Wishing you and yours a very happy holiday season and a healthy and joyful New Year!

By Elaine T. Wittlin, President. Boca West Master Association

Let's Celebrate the 2022 Holiday Season!

As we welcome our families and friends to our beloved community, we cordially invite you and your family to our ice-cream social and send a gentle reminder regarding road safety.

We cordially invite you to our Ice-Cream Social at the Children's Activity Center!

Bring your children! Bring your grandkids! We are having a grand opening at our Tot Lot on **Tuesday, December 27 at 1:30pm.** Come play on our Tot Lot, shoot some hoops and take a walk through the newly renovated boardwalk at the Nature Preserve.

Did You Know? Arvida, the developers of Boca West, as part of the agreement with Palm Beach County to develop the land, had to create a preserve and let nature flourish without human intervention. Boca West, in accordance with the agreement, was permitted to build a boardwalk for members and guests to enjoy the preserve.

In 2017, our Communications Committee worked diligently and undertook a major renovation to the Tot Lot and Nature Preserve as it was in dire need of some TLC and to make it first class – Boca West Style! For those who are new to Boca West and may not have yet visited our Tot Lot, it is filled with colorful and interactive equipment and a rubberized surface. It also features a basketball court designed specifically for our younger visitors. The Club has basketball courts for older children and adults, but we wanted to also cater to our younger athletes. The hoops are locked in at a child friendly height. There is also plenty of shade - which is very important here in Florida. The Nature Preserve has colorful and informative signage and realistic statues of animals native to Florida. There are also colorful pamphlets describing the

animals and fauna, so children can check off the animals they see during their visit to the preserve and also throughout Boca West.

Bring your family so they can enjoy the playground equipment, take an educational walk through the Nature Preserve and throw some hoops! Picnic tables are available that you can bring lunch while your family enjoys the park.

So, come and enjoy the park and get some free ice-cream and face painting!

We are all about Safety!

We love having our family and friends around for the holidays and especially during the Florida winter season when the weather is perfect! To ensure everyone's safety, when driving through the community, keep in mind, everyone is home and our roads are full with cars, golf carts, bicycles, walkers, joggers and even skaters. To keep everyone safe, please remember the speed limit in Boca West is 35 miles per hour and to come to a complete stop at all stop signs.

We wish everyone a happy holiday season and a most healthy New Year!

CHAIRMAN'S LETTER

I HOPE THAT YOU ALL HAD A WONDERFUL THANKSGIVING WITH FAMILY AND FRIENDS.

With the Holidays and the New Year just a few weeks away, the Club has planned many exciting activities, as well as a number of different dining options. Check out the information in the magazine as well as the holiday brochure to see what's in store.

After last month's article, Management and the Board of Governors decided to postpone the "Next Piece of the Puzzle" for a year. As you recall, this proposal would include the renovation of two golf courses, the tennis courts, putting a patio outside of Panache, redoing the golf practice areas and creating additional storage facilities. Rather than propose this to our membership in the spring of 2023, we will wait until the spring of 2024. However, we will continue to plan, prep, and spec out all the details so as to provide our members the most up to date information.

I want to take a moment to thank the Master Association for their outstanding foresight in partnering over the years with the Palm Beach Sheriff's Office. Currently, an On-Duty Deputy is always on campus. Officers respond to every 911 call, routinely patrol and call backup when necessary. This is clearly the Gold Standard, and we earn the admiration of many communities by having this layer of protection. Thank you, Master Association, for your vision.

We are in the final stages of preparing for Boca West's "Hope Week "in January. This will be an opportunity for our members to participate in one or more activities related to our charitable organizations. For the first time ever, most of our affiliated philanthropic organizations at Boca West have joined together to participate in this exceptional week. A brochure including the dates and times of these activities was sent to every member and is accessible online. A special thanks to Jeanine Banks and the Hope Week Steering Committee for working together to make this event a reality.

Our "Trendz" committee began meeting in October. This is a proof-of-concept program. We have identified many demographic groups here at Boca West that have unique perspectives. Meeting with each of these groups and listening to their ideas, thoughts, suggestions, and current trends provides a direct opportunity for our members to discuss and suggest things to enhance their experience. Beginning with one group this year, we will be expanding this model to other demographic groups we have identified. Thank you to Enid Hoffman and her committee for executing this terrific concept.

Recently, the Joint Venture Subcommittee held a series of Roundtables for the Villages. out of these sessions, a series of seminars will be held beginning in December and running throughout the year. These programs are a clear indication of the value of the Joint Venture to the Villages and our members directly. Thank you to Frank Richard, Bob Schwartz, and their committee for their ongoing efforts.

The committee system is the heart of why our Club is so successful. You can't be in the member pleasing business if you don't have member input. The misconception our Committees are not important is incorrect. The minutes of every Board Meeting, dating from the Club's inception, show that the Board considers the reports of the Committees in the actions it takes and the decisions it makes. Here are some of the recommendations that have emerged from these Committees that have been adopted by the Board and are currently being implemented:

- Fitness:
  - Creation of the "Fit for Sports" program for Golf and Racquet Sports enthusiasts
  - Holiday 5K's
- Golf
  - Late range time for working members
  - Meet and Greet in Golf
  - Creating summer Golf Tournaments
- Racquet Sports
  - Game arranging for Tennis
  - Resurfacing of the Tennis Courts
  - Lighting for the Pickleball courts
- House and Activities
  - Dress Code i.e.: Hat Policy
  - Summer pop-ups at Prime Cut
  - Plant based menu options
  - Theme Night ideas, i.e., Aquatica
  - Educational Series
  - Singles events
  - Carnival
  - Tanglewood
- Membership
  - The idea for the Welcome Center was suggested in the membership committee
  - Commencing an interview process for potential new members
  - Sip and Chats for new members
  - Expanding the New Member Orientation program
  - Expanding the new member reception and cocktail party in January
- Retail
  - Monogramming merchandise, availability of small sizes and inclusion of new and different labels in our retail shops
  - Demo Days
- Communications and Marketing
  - Updating Channel 9000
  - Improving the Boca West APP - Features & Content

This is only a partial list. However, it is illustrative of the many innovative ideas that are implemented by the Board which are a direct result of the feedback and suggestions provided from Committees. Joining a committee is a wonderful way to have your voice heard. Consider, during the upcoming year, joining one of these important groups.

Have a wonderful holiday season and a Happy and Healthy New Year to each and every one.

As always, I am available for suggestions and feedback and can be reached at pedwards@bocawestcc.org .
