PRESIDENT'S LETTER

Dear Member,

Wishing you a very Happy and Healthy New Year! 2023 is here and we are hopeful for a Fun and Prosperous year ahead. What a great holiday activity schedule we had; filled with fun for all ages. It's been so wonderful to see all of you with your families during the Holidays, making memories and savoring each moment, it's been too long! Our week long Street Fair each night was a huge success, even with the unusually cold Florida weather. I am so thankful for the creativeness of my entire team that put together all of the programs. From the Character Breakfast and Lunch to the Princess Day and then the Carnival, the lineup was endless. Here at Boca West we dream BIG...and then we make it happen. We are inspired to create moments of magic through thoughtful touches that lead to truly sensational experiences. Thank you to everyone for helping us get through our busiest time of the year safely.

I am thrilled to announce that for the tenth consecutive year, Boca West Country Club has been awarded the prestigious Distinguished Club award with a special "elite distinction" by *BoardRoom* magazine, one of the most respected trade publications serving Private Clubs. You should be very proud to say that you live in Boca West with a Country Club that is recognized as one of the best throughout the world; the staff and I are certainly beaming with pride!

I hope you have all had a chance to see the Taste of the Season brochure for the season. We have planned an array of new and evolved dining experiences, spirited wine dinners, and engaging talks by passionate guest speakers for you to enjoy. Our first **Prime Cut Wine Dinner** was so well received as we experienced one of the greatest wineries in the world with Paul Hobbs. Their wines have achieved 100 points over ten times, and we are thrilled to have had them. Next up this month we have Elhers Estate Wines from Napa. Please make your reservations now if you are interested in attending. Our first **Culinary Experience** was a tremendous success with Chef Paul showing everyone a New England Clambake with a Florida twist! Hopefully we will see you on January 13 for our next journey to **South America**. The team is planning an exquisite menu with gourmet dishes with a Latin flair.

Everyone seems to be enjoying **Mr. D's** and the Drive Suites – they were a huge hit with the families. Join us for lunch, happy hour, grillin' and dinner, there's something for everyone. Whether you're grabbing a bite to eat or practicing your swing, you don't want to miss out on this fun and relaxing dining experience, especially in the evenings.

The holidays are barely behind us and we still have so much more planned for you. Come laugh and sing along with **Martin Dube**, an Award-Winning singer, and impressionist, on January 10 and 11. Last month, we took you to see the award-winning Hamilton at the Broward Center for Performing Arts. Don't miss this month's theatre trip to see **Tina: The Tina Turner Musical** on January 19. Limited seats are still available for a couple of shows. Please check with the Activities department for more information.

With January comes New Year's resolutions, and if health and fitness is yours, there's no better time to start your fitness journey with our new and exciting **Live Fit Experience: FIT for Sports Program**. The Fitness staff are offering complimentary assessments for Members interested in Fitness, Golf and Racquet Sports and will provide recommendations unique to you and your Fitness plan. Each individual program will include the elements of balance, mobility, strength, flexibility, and cardiovascular endurance. Complimentary Fitness Orientations are also offered Wednesdays and Fridays at 1pm. Stop by the Fitness Center or call 488-6944 for more information.

Hope Week, new to us this year, will take place from January 23-28 and on February 5. This includes a week full of diverse volunteer opportunities for all to take part in. There's nothing we love more than learning and supporting various philanthropic organizations. Hope Week Volunteering is fun and rewarding so we hope all of you get out there. See page 5 for all the details. Sign up is available on the Club's app and website.

Our annual Golf and Tennis Club Championships begin next month. Whether you're a golfer, a tennis or pickleball player, or maybe all three, I hope you've been practicing your swing for the upcoming competitions! I am excited to stop by and see you all.

The construction of your new **Lifestyle and Racquet Center** is getting close to completion. As I mentioned in my report at the Membership Briefing in December, we are planning for a phased opening. For phase one, our current goal that we have worked out with the Contractors and design teams is to open the Aquatics Center and the new Cabana Bar and Grill along with everything from Valet, lobby, the new Fitness Studios and our Locker Rooms and Market Square hopefully as early as the Presidents Day Holiday week, although there is a lot of work still to be accomplished we are trying to be optomistic. Phase two of the opening will be the second floor, which includes Blue Point Restaurant, Aria Rooftop and Bar, Cardrooms, Game Lounge and Billiards Room hopefully in March. We all knew that it was an aggressive timeline, even without all the hurdles we have endured. I promise to continue to communicate and update you as soon as we have more specific dates.

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club.

Yamile, Alexa, Sophia and I wish you all a Happy and Healthy New Year. We look forward to seeing all of you in 2023!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

What is Hope Week?

Volunteerism at its Finest

After months of planning, a very special week of Club volunteerism is coming to Boca West this January! ***"Hope Week"***, will provide a unique opportunity for Boca West Members to engage with our valued community charities.

Hope Week began as a concept several years ago. Matthew Linderman, our General Manager and at the time, Arthur Adler, Chairman of the Boca West Children's Foundation, mulled the idea of an opportunity for the Boca West Membership Community to learn about the various philanthropic organizations supported by our Boca West community. Learning about these organizations and having an opportunity to experience what they do through volunteer participation began the concept of this special week.

With the Board's Chairman, Dr. Philip Edwards, and leadership of Jeanine Banks, First Vice President and **Hope Week** Steering Committee Chairman, the concept was taken from the discussion phase to the planning and execution stages, expanding the vision to make it a Club event, encompassing for the first time, the charities the Club is proud to partner with and support. Over the past several months, we have worked closely with the charities in developing **Hope Week**. Each has identified a unique member engagement opportunity which will provide a forum for partnership, volunteerism, and awareness among our members, who often request how they can serve the community.

Hope Week is scheduled from January 23 – 28 and on February 5, 2023. Our philanthropic organizations include *Boca West Chapter of The Pap Corps; Gilda Mallin Boca West Chapter of Hadassah; Fuller Center; Habitat for Humanity, South Palm Beach County; Place of Hope; Boca Helping Hands; Tri-County Animal Rescue and the Lynn Cancer Institute - Boca Raton Regional Hospital.*

Charity Schedule:

January 23 – Boca West Chapter of The Pap Corps

January 24 – Gilda Mallin Boca West Hadassah and Fuller Center

January 25 – Habitat for Humanity South Palm Beach County

January 26 – Place of Hope

January 27 – Boca Helping Hands

January 28 – Tri-County Animal Rescue

February 5 – Lynn Cancer Institute - Boca Raton Regional Hospital

The above volunteer opportunities are for Boca West Members only.

No outside guests please. Registration available on the Club App and Website.

PANACHE *Wine* NIGHT

featuring KRIS WINES, SUNNY WITH A CHANCE OF FLOWERS AND SANTA CAROLINA WINERY

Thursday, January 5

Serving from 5:30pm in Panache

When dining with us that evening, you will sample the wine selections being offered at your table. You will then receive your choice of a complimentary bottle of wine per table, chosen from one of the evening's tastings.

While the liquid inside the bottle is of crucial importance, a wine's packaging is of near equal importance, helping to communicate a brand's identity, personality and quality. With technology and retro labels currently gaining prominence in the world of drink design, some producers have gone the extra mile, commissioning top artists to design their labels. Chateau Mouton Rothschild was an early pioneer of art labels, commissioning artists including Salvador Dali and Andy Warhol every year since 1945 to design its labels, while contemporary artists such as Tracey Emin and Yoko Ono have also lent their talent to the world of wine.

Call Dining Reservations for availability.

Today, the Ehlers Estate vineyard, which is the source of exceptional Cabernet Sauvignon, Merlot, Cabernet Franc, Petit Verdot and Sauvignon Blanc, is farmed with strict adherence to organic farming standards. As part of a vineyard-focused, socially responsible approach to winemaking, the Ehlers Estate vineyard is farmed exclusively using earth-friendly organic farming methods. ON THE COURSES

By Chuck Rosenblatt,
Golf Committee Chair

HAPPY NEW YEAR. Can you believe it is 2023? Boy has this past year flown by. I hope everyone had a wonderful holiday.

Lately I have been asked many times how tee times are assigned. Our computer program that makes the tee time assignments is quite sophisticated and it takes all human input out of the equations. For a more in depth explanation I went to **Peter Taylor,** Head Golf Professional who handles our technology related items in the Golf department. Here is what Peter had to say.

The lottery is a points-based system that runs across a dynamic 21 day period (14 days historic and seven days already assigned).

Factors which influence the lottery include Membership Type, exclusion of a golf course from the selection, linking groups together which must remain consecutive and selecting a "Not Before" time.

Requests may be submitted in advance between 60 days and seven days prior to the day of play. All requests are held until the day the lottery is run, so putting in a request early does not influence the time assigned.

Points are assigned to each player in a group (and across all players in a multiple group) depending on their final times they had on each day they play. These points are then averaged across all players in the group on the next tee time request being assigned and this establishes the rank each group has in the lottery being run. The variables mentioned above as well as any constraints on available times such as league play and tournament play, are factored in. Then the lottery is run and tee times are assigned in order of the ranking established above.

On high demand days times will be more difficult to attain, on low demand days a higher success rate will be achieved. On days when all courses are available for regular tee time requests (non-tournament/league) there are 82 available times in what we consider "Prime Time" between 8am and 10am. On a high demand day in season such as Friday, of the 200+ requests we have, more than 150 requests are between 8am and 10am, so half of the members who request that time frame will be unsuccessful each week.

High demand days are Tuesday, Wednesday and Friday, lower demand days are Monday, Thursday, and Saturday. Playing on a lower demand day should be considered as an option if you experience difficulty in receiving your ideal time on high demand days.

I hope this helps everyone with their understanding of how our tee time system works.

In closing I would like to wish **Brad "JR" Friend** good luck on his new endeavor. JR has been an ever present member of the Boca West Team for over 30 years, who helped make Boca West what it is today. I personally will miss him and thank him for all that he has done these many years.

"Bay Mir Bistu Sheyn" is a moving and musically rich concert celebrating the Golden Age of Yiddish Theatre. This exciting tribute was created over the past several years at the initiative of Lyric Fest, a venerable Philadelphia based cultural institution that highlights of the beauty of song in our culture. With musical direction by Zalmen Mlotek, Artistic Director of the National Yiddish Theater Folksbiene, joined by renowned singers Elizabeth Shammash and Thom King. The storytelling-in-song takes us from despair to hope to entertainment, and everything in between, with musical influences of operetta, Tin Pan Alley and Broadway, including chestnuts such as Rozhinkes mit Mandlen and Bay Mir Bistu Sheyn. The message is timeless, speaking to this moment with immigration hopes, dreams and desperation, the drive to make a new life in a new homeland and integration of personal stories with humor and poignancy.

The concert is presented with English supertitle translations.

In 1910, he traveled through Europe to begin acquiring art, antiquities, and furnishings for his new estate, built primarily between 1914 and 1916, and completed in 1923.

With his interest in conservation, he chose a site with dramatic mangroves and native tropical forests overlooking Biscayne Bay and the Atlantic Ocean. Turmoil in the New Middle East: Past, Present, and Future presented by Professor Mehmet Gurses
Wednesdays: January 4, 11, 18, 25
The past decade has produced several critical changes in the Middle East. First, Saudi Arabia and Iran have engaged in a proxy war in Yemen. Second, the wars in Libya and Yemen have left millions without a government. Third, the Palestinian-Israeli conflict is no longer among the top priorities of the Jordanians, Egyptians, Saudis, or Americans. Fourth, the US has formally recognized Jerusalem as the capital of Israel. And finally, the destructive wars and turmoil in the region have turned the West Bank into one of the "safest" places in the Middle East. This is a "new" Middle East.
How will these changes shape the emerging Middle East? Are the old order and institutions obsolete? How will our actions and policies contribute to peace or turmoil in the region? What role should the US play in this complex picture?
In this four-week lecture series, Professor Mehmet Gurses will address the challenges and opportunities of the Middle East's rapidly changing political landscape for Israel and the United States.

- Israel & the New Middle East
- Let's Talk Turkey: Still a Reliable Ally?
- The Iranian Challenge: Deal or no Deal?
- The U.S. & the New Middle East: Engage or Disengage?

From the Otherside of the Bench presented by Hon. Peter M. Leavitt
Wednesdays, March 1, 8 and 15*

- **The Role of Judge, Court Clerk, Principle Law Clerk and What's under those Robes.**
  Listen to a retired Supreme Court Judge tell you the inside scoop of what it means to be a Judge. Where do they come from; what do they really do? Just how much power do they have? Does the press and the other media paint a realistic picture? The answers to all the above are no, "sex and violence" sell newspapers, not the quiet observance of the rule of law which can be plain and often boring. From shoplifting to murder, rape and kidnapping a Judge is tested every day to make decisions that will affect so many lives. Listen to the secrets of the Courthouse from an insider!
- **Defendants' Rights, Victims' Rights, Have we lost Sight?** Defendant's rights VS. Victim's rights. Historically and sadly, victim's rights have not kept pace with Defendant's rights. There is very little that a victim can do other than being notified of court appearances of the defendant. Victims cannot challenge a sentence or have any appeal power. In a very liberal world the victim is forgotten and almost all the media attention and publicity goes to the defendant or his Attorney. This lecture will detail the horror of being a rape victim and the reason there are so many repeat offenders. The gloves are off and the reality is shocking.
- **Acting Supreme Court Justice as a Witness in a Murder Case.**
  Improbable, unlikely, both understatements. When an ambulance call went out stating GSW or gunshot wounds in the sleepy hamlet of Chappaqua that call by itself was highly unusual since 99% of all calls in the town were for heart problems, bee stings, broken bones, or motor vehicle accidents. NOT gunshot wounds in President Bill Clintons hometown. The emergency medical personnel were up to the task but with an astounding outcome. I became a witness in the subsequent murder trial, now I'm on the other side of the bench.

BOCA WEST CHILDREN'S FOUNDATION

Looking Back and Looking Forward…

Last year the Boca West Children's Foundation supported the basic needs of thousands of children in Palm Beach County. With our help, more than two dozen of our charity partners fed, clothed, educated, made safe and did so much more for those children in our county who are most at risk. Together we have made a tremendous difference in their lives and we thank you for your financial support and volunteerism…but we continue to need your help to be able to sustain our work.

The season got off to a fast start and we've hit the ground running in 2023.

November 15: Visit to JAFCO

"I have heard about JAFCO for years but never had the opportunity to visit until a few weeks ago. To say I was blown away is an understatement. It was so incredible to be able to see firsthand how this organization is transforming lives and giving children a chance to thrive in a safe and nurturing environment. The services they provide to children and families in need are so incredible. Every child deserves a chance and JAFCO is absolutely offering that. If you haven't had a chance to visit, I highly recommend it."

—Robyn Cohen, Boca West Country Club member.

2022 Walk the Walk

"Events like this raise awareness of the basic needs of children in our community. The Boca West Children's Foundation helps Sweet Dream Makers provide beds to children who are sleeping on the floor or two and three to a bed."

—Suzy Broad, founder of Sweet Dream Makers

December 17: Boys and Girls Club Holiday Shopping and Pancake Breakfast

"Shopping with the kids is exciting and uplifting. Watching them select the items they want and seeing the smiles on their faces is worth every minute of my time."

—Joanne Goldberg, Boca West Country Club Member

Boca West Carnival

"Seeing the smiles on the kids' faces was priceless! I love that the Foundation levels the playing field by giving children experiences they wouldn't otherwise have."

—Jane Zenker, Boca West Country Club member.

UPCOMING EVENTS

February 21	8th Annual Diaper Drive
March 27	11th Annual Golf Challenge

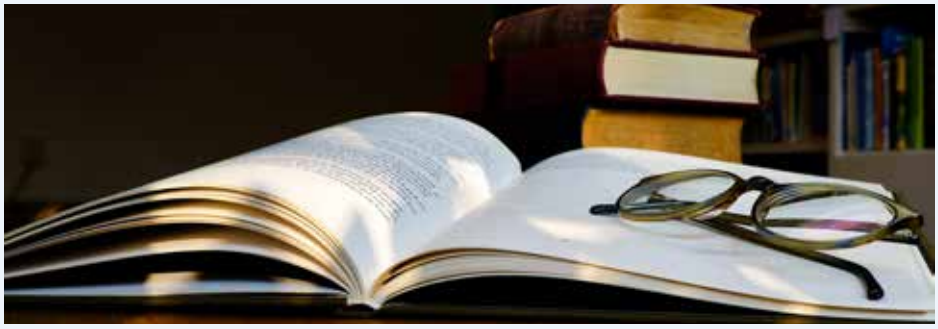

None of these events would have been possible without your generous support. We hope we can count on your generosity again this year.

On January 8, Jay Leno will return to Boca West to headline our sold-out gala. More than 800 people will gather in Panache for a fun night to raise funds to help "our kids" and their families. We are thrilled that Jay, a true friend of the Foundation, will be able to take the stage after a major health scare six weeks ago. Raffle tickets are still available.

Purchace your ticket now on our website.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

Hospitality Trends

Happy New Year 2023! As we begin the New Year, so many activities and events await our enjoyment. Did you know that from October 1, 2021 - September 30, 3022 we had 23,641 members participating in Activities? Our Membership is quite diverse as are the activities that are planned. I have the pleasure of collaborating with Christina Guilianti, Director of Activities, who is responsible for overseeing and planning the activities our members love and enjoy. We asked Christina to share some insights with us.

How is Boca West Entertainment evolving to appeal to a more diverse Membership?

Everyone loves music. But not everyone has the same style of music they love. Boca West Activities is always striving to find entertainment for everyone. Our membership is changing, and our members aren't just here for sports. They are here to have fun! And it's our job to provide that fun! Live entertainment here is one of our top priorities. Whether it be in the Living Room with our Light Bites menu and some dancing music, after dinner hours for cocktails and entertainment by the Piano in Prime Cut, Dinner Dances in Panache or a full 90-minute-high energy buffet dinner & show we are hard at work finding the best talent to offer you! All of our Boca West venues have a different vibe that we love to create for your enjoyment! Last season Activities booked over 500 musical entertainers over the year!

Why do our events go into a lottery and why aren't they offered on a first come basis?

Boca West has so many exciting activities and events that everyone wants to partake in. Unfortunately, all events do have limits as to how many people can participate. We also have many members that live all over the world and we want to make sure everyone has an opportunity to see an advertisement and also have time to submit a request if they are interested in participating. If you are living in Boca West full time, you will see flyers around the Club before information is mailed in a magazine. If you use email, you will get information prior to someone who has to come to the club to find a flyer or wait for a magazine to be delivered. Though most people like to email their requests or use the website, we do have many members that prefer to use the United State Postal Service. Therefore, we have a "request by" date and as long as your request is submitted by that deadline, all are treated equally if a lottery needs to be performed due to an event being oversold.

Once a lottery is performed and we produce a wait list, those who are wait listed will get priority into the next event of the same type during that fiscal year (October 1-September 30). *For example: if you are wait listed for a dinner show in January, you will get priority into the dinner show for February should you chose to put a request in. If you skip February, and request March there is no priority.* We will send an email after the lottery is performed to let you know that you are on a wait list. If something becomes available for that event, you will receive a call from the Activities department to let you know space is available and you have the option to accept. If you request an event after the request by date, you will automatically be put on the wait list if the event is oversold. Priority into the next event does not apply to this situation.

Card Rooms - Why do we take reservations to play?

Can you believe we get 200-400 requests for card reservations EACH DAY! With reservations you are able to request the building you would like to play in and have a table held for you until 1pm daytime or 7pm evening instead of having to rush in and try and get a table when card rooms open. With a reservation, you are able to leave your card items on the table and leave to have a meal. It also helps us plan how many tables we need to have ready each day and lets us know if we need to open additional card playing space so we can accommodate everyone who is looking to have a game that day.

Our thanks to Christina Guilianti, who celebrated her 17th anniversary with the Club. She holds a degree from Lynn University in International Hospitality and Business. Christina brings the very best activities to Boca West; along with her genuine enthusiasm, professionalism and creativity each and every day.

LET'S COMMUNICATE

By Robert Schwartz, Communications & Marketing Committee Chairman

The communication and marketing committee suggested that we create a Q&A column that will occasionally appear here.

Question: With either a Golf or Racquet Sports membership, can I participate in the other sports programs?

Answer: Golf members may participate in the Racquet Sports programs with the exception of certain golf events and vice-versa. Racquet Sports members may pay and play golf. Check the Club Rules or contact the appropriate department as there may be some time or other restrictions and fees that apply. Also remember that both tennis and pickleball have been combined in our overall Racquet Sports membership category.

Question: I have friends who want to "kick Boca West's tires". What is the best way to do so without staying with friends or family?

Answer: We have a wonderful "Stay 'N Play Program" that includes two nights and three days of everything we offer; all meals, a spa treatment, golf, tennis, pickleball, as well as a tour of our #1 facilities. Additionally the staff in the Joint Venture's brand new "Welcome Center" has a wealth of knowledge to share with prospects. It is located outside and just north of the Glades Road gate house. It also houses local Boca West Realty, whose staff can educate prospects on available homes. All are urged to take a look and see how the Clubs and the Master Association focuses our joint efforts to market the Boca West brand.

Question: How is it possible that Boca West avoids imposing assessments when we construct or significantly renovate buildings or add amenities?

Answer: What separates Boca West from just about all other clubs is that we have never imposed an assessment to pay for anything we have done. In the past 30+/- years we have completed construction or renovation of over $200,000,000 of new, expanded or replaced facilities that include 400,000 square feet of buildings. We can do so by our dedicating the Club's joining fees collected from new members to future capital improvements and not use the money to cover current budget items. By continuing to do so we will be able to undertake capital improvements in the future as well. In this way we are unique from most other clubs. In fact, many of South Florida's residential country clubs have joining fees that are significantly higher than ours and they still need to impose assessments for future projects.

If there are things you want to know about Boca West and how it "works", we may include them in future columns. Please feel free to send them to robschwartzlaw@gmail.com. They may be addressed in our next article.

Boca West Master Association Up Front and Center

By Elaine T. Wittlin, President. Boca West Master Association

On behalf of the Boca West Master Association, I want to apprise everyone for what promises to be a year of positive changes, embracing traditions, and dedication to making Boca West residential community a coveted lifestyle now and in the future.

Our community is much more than random houses behind a common gate. We are a living, breathing community comprised of like-minded residents who work together to maintain a lifestyle. And what a lifestyle we have created!

First, I would be remiss if I do not give a big "THANK YOU" to all of the Village Presidents who donate their time and effort to make Boca West a better place for all of us.

If Boca West is the "engine", then the Village Presidents are the "steam" in that engine. Excellence starts right in your own backyard, and the Presidents listed above along with their Board Members deserve all of our appreciation. Every meticulous Village entrance, every new plant, flower, and tree are a tribute to their work. Take a moment to stop and smell the roses... literally! In this past year the upgrades they have spearheaded truly make our homes beautiful.

Next, I want to explain the job of the Master Association. We are not involved in the country club amenities, we are the voice of our residents as it pertains to everything else. All of our responsibilities are essential. We are here to ensure the peace of mind of everyone by making sure the homes and residents know they are safe and secure. What better time to mention our long time Chief of Security, Joe Lastella. He, along with his staff, embodies the type of dedicated associates we have who make it their business to keep you safe. In addition to safety, we are the conduit for the Villages to be heard when it comes to policies and procedures. We welcome everyone's input to achieve this goal. Additionally, we strive to ensure we are a well-manicured and clean community. We are so fortunate to have such a premier landscaper on site right here in Boca West. Lawson Turner, Director of Landscaping and Maintenance, has been sharing his expertise and creative genius to our community for longer than most of us have resided here.

All of this only scratches the surface of your Master Association's responsibilities, but above all else, please know that we work for you. Every single home owner has a voice in the Master Association. We are accessible, transparent, and here for you!

I want to close by wishing everyone a happy and healthy New Year! Until next time, to be continued.

CHAIRMAN'S LETTER

I WANT TO TAKE THIS OPPORTUNITY TO WISH A HAPPY AND HEALTHY NEW YEAR TO YOU AND YOUR FAMILIES. WHAT A WONDERFUL TIME OF YEAR IT IS. Assuming the weatherman behaved (article written in advance) the holiday week at Boca West was filled with events and activities enjoyed by all, especially those with visiting children and grandchildren. Ellen and I enjoyed New Year's Eve with friends, had dinner at the Club and sensed the excitement of the community that seems to peak each year at this time.

The annual election season is upon us, and seven candidates have been nominated for five open Board positions. See page 32 for a list of the nominees. You will be receiving the packet of information, including the ballot, towards the end of January. Your Board helps shape the future of Boca West so please exercise your right to vote by returning the ballot to our Accounting Firm by the date and time specified. Please also remember that you may cast your vote for as many as five candidates but **must vote for a minimum of three candidates** in order for your ballot to be valid and counted. Remember that this is a secret ballot, without signature, following Florida Absentee Ballot procedures as well as procedures followed at similar clubs. Remember you must sign the return envelope.

I am pleased to report that our Audit Committee received confirmation that their opinion on the Club's audited financial statements for the year ended September 30, 2022 resulted in no material weaknesses in the internal controls of the Club. A copy of the audited financial statements is available to all members upon request at the reception desk in the Country Club.

The Joint Venture Village Committee is again off to a great start. Following the concept of "What can we do to help?" they have responded to the requests of the Villages and planned a series of workshops throughout the year. After the collapse of the Champlain Towers complex in Surfside, the Florida Legislature passed a law enacting a series of requirements for buildings above three stories. The committee addressed these changes by providing detailed information to our midrise Villages, inviting an Engineering firm into the preliminary roundtables in October, and planning follow-up sessions in the coming months. This is a concrete example of the positive effect of the Joint Venture on our community; This committee is composed of members of both the Master Association and the Country Club. A sincere thank you to Frank Richard, Robert Schwartz and the entire committee for their hard work on our behalf.

"Hope Week" is just around the corner. Special events are scheduled from January 23 - January 28 and February 5. Our philanthropic organizations have planned opportunities for you to engage in activities, for one day, which will expose you the outstanding things that they do to support our community. Please make sure that you review the Hope Week Brochure available both online and at the Club Service Office. This is not a fundraising event, just a week to learn about our charities and give a gift of time which will be tremendously meaningful to you and the people you touch. Thank you to Jeanine Banks and her dedicated committee for making this special week possible.

I wanted to take a moment and thank all of our members who attended the Annual Member Briefing on December 15. In addition to a large number in person, we had over 600 signed on to listen through YouTube. I sent a copy of my comments to each member following the meeting. Your support is truly appreciated.

We are a member centric club. Matthew has often said "we are in the member pleasing business." We always look to our members for their input and suggestions.

As always, I am available for suggestions and feedback and can be reached at pedwards@bocawestcc.org.
