PRESIDENT'S LETTER

Dear Member,

As the Beatles say, "All you need is love, Love is all you need." February is a time to celebrate our loved ones. Whether it's your kids, parents, grandparents, or friends, we have several ways for you to spend time with those who are special to you. We have our **Sweetheart Stroll** around Boca West on the morning of February 12, which is always a highlight. And if you are on the search for the perfect gift for that special person, please visit our **Shoppes**. This year we should reflect on and appreciate all the loved ones in our lives. Together, lets genuinely "Live the Life you Love, Love the Life you Live" and celebrate it!

I am pleased to announce Boca West Country Club has been awarded Top Workplace USA for the FOURTH YEAR in a row. This award is based solely on the employee survey that was administered a few months ago by Energage, an independent survey company. Receiving this award for the past four years is most meaningful given the challenging years our staff has had through the pandemic. **I am truly blessed to have such an incredible team and I am so grateful to them for their continued dedication to all of us.**

As many of you are aware, there has been a change in our Golf Department leadership. JR Friend, Director of Golf, made the difficult decision to relocate to Illinois after he was approached with an exciting opportunity and more importantly it gave him and his lovely wife the chance to be closer to family. While we were sad to see JR leave after 30 years, we are excited for him and Celeste in this new chapter. We engaged with the PGA of America and their search services and are fortunate to have had the best of the best apply. After reviewing many resumes and conducting interviews, we met with and hired **Travis Wehrs** as Director of Golf. Travis has a wealth of knowledge and experience, most recently from Fiddlesticks Golf and Country Club in Fort Myers, Florida where he managed two golf courses. He comes to us at exactly the right time to be involved with the upcoming course renovations from the beginning. Travis, his wife and three children have relocated to the area and we are all so excited to have him with us. In addition to this change, **Mike Bove** has also received a well-earned promotion as Head Golf Professional. Mike has grown with us over the past 15 years and has been instrumental in the Golf and Retail Departments. We are so thankful to have him on our team and look forward to watching him excel in this new role.

Our first year of **Hope Week** was a huge success! Thank you to everyone who volunteered with our community charities: Boca West Chapter of The Pap Corps, Gilda Mallin Chapter of Hadassah, Fuller Center, Habitat for Humanity, Place of Hope, Boca Helping Hands, Tri-County Animal Rescue and Lynn Cancer Institute. This week wouldn't be possible without your time and volunteer work. We look forward to continuing these philanthropic events and making this an annual tradition at Boca West.

We would like to extend a huge thank you to all of our Members who participated and donated to this year's very successful **Play for P.I.N.K.** event. Your contributions towards **Play for P.I.N.K.** support clinical and genetic research into the causes, treatment, and cures of breast cancer.

I am excited to share that once again, **Boca West Country Club was selected for a 2022 Association of Golf Merchandisers (AGM) Award.** This award recognizes premier golf shops within the hospitality industry. We are honored to be recognized as one of the premier Golf Retail operations in the world and it couldn't be done without our outstanding Golf Retail team, led by our **Director of Retail, Emily Gifford.**

We have so many fun **activities** planned for February. Don't miss out on our dinners, shows, art classes, or day trips! Some include our Absolute Queen show, Super Bowl Party, Prime Rib Buffet, Country Western Night, Little Havana Food and Cultural Tour, and so much more. Check out the member app and website for a complete list of events.

Once again during **President's Week**, kids of all ages will find entertainment all around the Club. If you and your families participated in the last Holiday celebrations, you know that we are planning a jam packed week of activities. Whether its golf, tennis, fitness or simply watching a movie with the family, we've got something for everyone. A brochure listing of the various activities and events is available throughout the Club and posted on the Club's website. Please be sure to pick one up so you, your family, and your guests won't miss a moment of fun that week.

A friendly reminder of our **Dress Code** regulations for the Country Club are posted on the website and APP. The dress code is continuously under review and recommendations are made by the Club's Committees to the Board of Governors for approval. Recently, our staff have faced some challenges with combative Members and Guests when enforcing the dress code. I ask that you please cooperate and avoid conflict. If you disagree, please ask to speak with a manager or contact the Executive Office. The dress code will be enforced for all Members and Guests, and is not a debate. Please understand my staff is following rules set by your Board of Governors and will ensure Members and Guests adhere to the current policy as instructed by the Board.

With the recent rise of cold and flu like cases, I have had questions on our Club's facilities and the quality of air inside. As a reminder, at the onset of the pandemic the Club installed Remy Halo, an air ionizing system with UV lights to the air handlers for added air purification and filtration throughout the Club. In addition, we conduct weekly ATP tests for the presence of adenosine triphosphate which is the primary energy molecule that is present in all living organisms. We continue to receive excellent results with low readings, lower than hospital grade numbers.

This year's election marks the end of a three-year term for **Jeanine Banks, Philip Edwards and Chuck Rosenblatt** and the end of two consecutively served three-year terms for **Jerry Glassman and Philip Kupperman**. All five of these members have my sincere appreciation for selflessly contributing their knowledge and time toward the betterment of your Club.

As the end of our Chairman's service nears, I must take a moment to express my sincere gratitude to **Philip Edwards** for the dedication he has given to the very important position, Chief Executive Officer of Boca West Country Club. His dedication and passion for Boca West (the country club and the community) are truly remarkable. Working side by side with him for the past year I have gained tremendous admiration and respect for his vision and leadership. It has been a true pleasure that I will always cherish.

February also means you will vote to fill the open Board of Governors positions. By now, you have all received your 2023 Annual Meeting of the Members Packet and your Board of Governors' election package. If you have yet to receive either of these, please reach out to the Executive Office at 488-6990 and we will send you a duplicate immediately. Your vote is so important, so please watch **"Meet the Nominees"** on the Club's website to gain insight into fellow members running for your Board of Governors. I look forward to seeing you on **Friday, February 24 at 3 pm in the Cypress Room** for the **Annual Meeting of the Members**. For those unable to attend in person, a Live Stream will be posted on our YouTube channel.

Don't forget that with this "changing of the guard" new Committees will also be formed. Your Board is always looking for energetic members with fresh new ideas who are willing to serve. If you want to get more involved with your Club, consider joining a Committee for the 2023/2024 season. Please drop a note to the Executive Office addressed to the Chairman of the Board, or email it to Bailee Sumner at bsumner@bocawestcc.org indicating the committee(s) on which you would like to serve.

Please remember that I welcome and encourage your thoughts, comments, and suggestions regarding your Club.

Sending Valentine's Day love your way from the Linderman girls and me.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

The history of Pasqua Vigneti e Cantine begins in 1925, when the first generation of the Pasqua brothers came to Verona and established a new business devoted to the trade of wines from their homeland, Apulia. From wine trade and retail, they decided to become a real winery. In a few years, with the acquisition of new vineyards in the Verona area, the company progressively gained importance and visability

ON THE COURSES

By Chuck Rosenblatt,
Golf Committee Chair

I recently had the opportunity to sit down with our new Director of Agronomy, Jeremiah Lockhart for a conversation.

CR: Jeremiah, you've been here three or four months. How are you finding things?

JL: I must say that it has been such a wonderful experience. I have met so many great people and have learned so much about everyone else and this truly magnificent property.

CR: Tell me a little bit about yourself and your family.

JL: I'm from a small town in Albany, Georgia. I have two fantastic children. Ava Marie is my oldest and she is eight going on 18. Hollis Cole is our youngest at seven months old. My wife, aka The Boss, and I have been together for 15 years. We moved down here together in 2012 when I was offered a job at PGA National as an assistant superintendent. I worked my way through the ranks there and ended up becoming the Director of Agronomy. During my tenure at PGA I hosted eight Honda Classic PGA Tour events and two Web.com (now Korn Ferry) Tour events along with a multitude of construction and renovation projects.

CR: How many courses did you have at PGA National?

JH: We had six courses which included a par 3 course.

CR: So what are your first observations about our courses?

JL: I have truly enjoyed my time as I get to explore the four wonderful golf courses on property. Each course is so unique and they each provide wonderfully scenic views. I must say that I was surprised when I first visited how much elevation and undulation the courses have. Typically South Florida golf courses are flat and quite droll. This is truly a special place. However, while what I see on top is stunning, it is underground that concerns me.

CR: Would you care to expand upon that a little more?

JL: While the grass may be green on the surface, underneath is an aging irrigation system and pump stations, collapsed drainage pipes, bunker systems old and outdated, and grass contaminated by many different species. The courses are just basically tired and have outlived their useful life. Your article in the December issue of our magazine spelled out the life expectancy on golf courses in South Florida. The lifespan of a South Florida golf course tends to be on the lower side of expectations due to our year-round playing conditions. These factors contribute to how the course is going to play and look. While some stuff we can "Band-Aid' to get us by, it is not a permanent solution, as issues will happen more frequently as things get older.

CR: What kind of unexpected repairs have you experienced since you got here?

JL: We had to replace the jockey pump in the pump station on Palmer III and repair multiple irrigation breaks on Palmer I. This is all just due to the aging system.

CR: You mentioned "Band-Aid" solutions. What are you presently doing?

JL: Right now we are doing what we can to address some areas. New sand has been added to bunkers on course I and Fazio II, sod has been laid to replace signal grass and we have dressed up around the bathroom on Palmer I, hole 12.

CR: I noticed that you are top dressing the greens differently. Care to explain a little more?

JL: We've begun using dyed green sand. We feel this will provide and make a better presentation and playability. The sand is a little finer and the green tint blends in much better on the greens. We will continue to look for other areas of improvement. In the end, these are merely band aids and will not solve the overall underlying issues. We can't fight against time.

CR: Jeremiah you make this all sound a little frightening.

JL: I don't mean to bring gloom and fear. These courses are gorgeous and there are no courses around that compare to them. All I mean to say is they have a great deal of age on them, and the time for some improvements is coming. Modern day golf courses are built and designed totally differently than our four courses.

CR: Would you elaborate on that?

JL: Our courses were designed using a "New Modern" style in vogue well over 10 plus years ago. Consequently, we have over 100,000 square feet of bunkers on the courses to maintain. We are presently irrigating and cutting over 100 acres or more of grass per course. Today most golf courses are designed like they were prior to 25 years ago, with much smaller bunkers and less grass to maintain, all of which makes it much easier and less timely to maintain, as well as keeping the costs down. This allows for more time to be spent on other areas around the golf courses on a more regular basis.

CR: Jeremiah, I want to thank you for taking the time to sit with me for this discussion and I look forward to what's over the horizon. In the beginning of this conversation, you said you had met so many great people since you got here. I have heard from many members that they have met you while playing golf, and the feeling I get from them is mutual towards you. On behalf of our membership, I want to welcome you aboard and look forward to seeing the changes you make in the years to come.

Remember if you keep your ball on the short grass, your game may improve and your handicap will fall.

Fall 2023 buying has begun! Emily Gifford, Director of Retail, and her merchandising team traveled to Orlando last month for the 2023 PGA Merchandise Show. This was the first time Boca West has attended the PGA Show since pre-covid January 2020. Although the PGA Show has shrunken in size over the past few years, many of our favorite brands were in attendance including Srixon/Cleveland, Titleist, Callaway, Peter Millar, GFore, Lucky in Love, and Lily Pulitzer. Emily and her merchandising team were able to shop new and "emerging" brands and are excited to bring a fresh, new look to the Golf Shoppe this Fall.

Emily and Maria Tato, Tennis Operations Manager, will be attending the South Florida Tennis Buyers Show this month, where they will be looking at the latest and greatest in pickleball and tennis apparel, accessories, footwear, and giftware. Pickleball is Boca West's fast growing sport and we are looking forward to expanding our pickleball merchandise selection.

Looking to a Better Future for All "Our" Kids

The planets aligned and the stars were shining when the Boca West Children's Foundation celebrated its 13th Anniversary. Jay Leno, the evening's entertainment, delighted the crowd of over 750 and closed the evening to roaring laughter and great insights. Most importantly, more than $1.1 million was raised to assist the children at risk in our area.

Our 8th Annual Diaper Drive is taking place on February 21 and "OUR BABIES" of Palm Beach County need your help more than ever.

For many families, especially those suffering from food insecurity, buying diapers is simply not in their budget. It is still true that no state or federal child safety net program, such as food stamps, allocates funds for the purchase of diapers.

Help us shatter our record-setting total of 181,000 diapers we donated last year. You may drop diapers off on **Tuesday, February 21 at the Racquet Center** circle from 8am-12pm.

You may also visit our website to make a financial contribution to help us reach our goal.

THIRD ANNUAL BIKES FOR TIKES PROGRAM

It's not too early to start planning for graduation gifts for "our kids". Our third annual Bikes for Tikes Program is in full swing. Last year your generosity enabled us to provide bikes to each Roots & Wings student who achieved their reading goals, children at HomeSafe, each Fuller Center Pre-K graduate as well as Pre-K graduates from the YMCA of the Palm Beaches and YMCA of South Palm Beach County.

For $250 you can provide the thrill of owning a first bicycle and helmet to our kids who achieve milestones this school year. The smiles on "our kids'" faces when they see their first bikes are priceless! You can donate to our Bikes for Tikes program on our website: www.bocawestfoundation.org

MEET THE BOARD: Chuck Isroff

Chuck joined the board in 2016. He has worked in the jewelry business since 1963. He started as a Vice President of a Midwest jewelry chain and ended up starting Charles Isroff Enterprises specializing in diamonds. He and his wife Marjorie have been longtime supporters of the Foundation.

What were the circumstances by which you first got involved and joined the board?

We became benefactors once we learned about the Foundation and its mission, not being aware there were so many underserved families in Boca Raton. Having previous charity board experience, I wanted to offer my knowledge for the betterment of the organization.

What advice would you give to BW members looking to get involved with the BWCF?

I would encourage anyone with a philanthropic leaning to consider involvement in the BWCF. There's nothing more exciting than watching the smiling faces of underserved kids benefitting from those things we all take for granted.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

By Jeanine Banks, House & Activities Committee Chairman

Country Club Dining Dress Code

From the corporate world to the hospitality industries, casual attire has become a big trend. However, being a Country Club we have specific dress code policies for management, staff and members. John Collings, Assistant General Manager, is responsible for overseeing the staff and day-to-day Club operations in many areas of the Clubhouses and joins me on the House & Activities Committee. The House and Activities Committee is a standing committee of the Club and topics such as dress code are discussed and recommendations are presented to the Board of Governors for approval. Members are encouraged to volunteer for Committees each year.

What challenges does the Country Club face regarding the enforcement of our dress code?

The biggest challenge is that, within the membership, there are very different ideas of what the dress code should be. There are members who prefer to wear more casual attire and others that wants to remain more formal; there are members who abide by the dress code and others that try to get around it. When the membership is so divided on the subject it makes it very difficult to manage. There are items like flip flops and athletic wear that can be subjective depending on the member. Where one member sees a flip flop another sees a sandal, where one member sees running shorts another sees name brand yoga shorts or leggings. It is very difficult for the staff to manage these nuances when they are challenged when addressing dress code concerns.

What can the members do to help?

First and foremost, we ask that our members become familiar with the dress code policy. This can be found on our website, APP and communicated via email periodically throughout the year. The dress code may change from time to time such as events and holidays, so it's important to check the dress code for our restaurants and activities and ensure your guests are dressed appropriately. The best thing to do if you see what you feel is a violation is to let the staff enforce the dress code as they interpret it. Please cooperate and avoid conflict, if you disagree please speak with a manager or contact the Executive Office through a phone call or email. The dress code will be enforced for all members and guests as instructed by the Board.

What is being done to make the dress code clearer for members to understand?

Our dress code reads what is not permissible. The House Committee is continually reviewing the Dress code to be current and makes recommendations for adjustments to the Board of Governors for approval. We ask that Members and Guests please cooperate with our staff as they are responsible for ensuring the rules are followed by all members and guests.

For more information on the Club's current dress code, please visit our website or APP under Dining Operations.

Check Out Our Community Enhancements!

By Elaine T. Wittlin, President. Boca West Master Association

The Master Association is very proud to see the Villages enhancing their entrance signs and curb appeal. Thank you to the Village Presidents who have submitted these beautiful pictures.

The Pointe upgraded their village signs and landscaping. Thank you to all involved, Nancy Fried, President, Shelly Siskind, Dr. Jeff Good, Randee Schnee and Bernie Troy.

Gary Quintiere, Clubside President, submitted beautiful views! Larry Bondy, Clubside Vice President, is in charge of landscaping and coordinates with Montenegro Brothers. Larry does a great job! Al Rothuas, Clubside Treasurer, ensures Larry does not exceed the budget. Gary Quintiere, Arnold Kronick and Mike Weinstein critique Larry's handiwork, although this happens very rarely.

Quail Hollow has new paint, entrance landscaping and new plantings in front of all homes. This was a community wide effort led by President Lenny Flanz and the Quail Hollow Board of Directors.

Pinelake will be enhancing their entire village! The Pinelake community has approved the $1.2 million funding and color change for the beautification project. The project will be starting sometime after the new year and will take about 6 to 8 months, possibly a little longer, but within a year we should be complete. We look forward to seeing their new look!

Congratulations to Richard Strulson, President, and the entire Pinelake Board!

Dr. David Shifrin

The Ombudsman offers an alternative opportunity to resolve complaints, concerns or problems in a timely and private manner. Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

If you have a question, concern, or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at mikejosh18@aol.com, and please be sure to enter the word OMBUDSMAN in the subject line.

CHAIRMAN'S LETTER

IT IS AMAZING TO ME THAT I AM COMPLETING MY FIRST TERM AS A MEMBER OF THE BOARD OF GOVERNORS. What a difficult and trying three years it has been: Covid-19, Delta, Omicron, the impact of inflation, the budget process, the housing boom, the product shortages, logistical issues, the delay in construction... the list goes on.

It is even more amazing that my first year as your Chairman is coming to an end. I want to thank my Executive Committee and the entire Board of Governors for their continued guidance and support throughout this year. Their efforts have put our club on the right track for the future.

I want to personally thank all the members of our community for your ongoing support throughout this year. Your ideas and suggestions are welcomed and contribute to our dynamic community. Our diverse ideas meld us into this special place we call home.

A special thanks to Elaine Wittlin and the Master Association for their partnership and cooperation through the Joint Venture. We have forged an open and collaborative relationship that can only be a positive factor in the future of Boca West.

Finally, I want to thank our Staff and our General Manager, COO and President, Matthew Linderman. We are in the member pleasing business and Matt and our Staff are our greatest assets in achieving that goal. Please take a moment to thank them all for their tireless efforts.

I wish to remind everyone that we are currently accepting your ballots to elect the next Board of Governors. Remember to submit the secret ballots by the due date. Sign the outer envelope but not the inner envelope which contains your ballot. You must vote for a minimum of three and a maximum of five candidates for your ballot to be valid.

We are hoping that, during this month, portions of the Lifestyle and Racquet Center will begin to open. All of us have watched the evolution of what will be a modern, state of the art facility. In the coming months, our restaurants will be opening there, and you and I both will be able to experience an extraordinary facility, fully functional. It is sure to blow us all away.

Hope Week was held January 23-28. It will conclude on February 5 with the Lynn Cancer Center at Boca Regional Hospital. In its first year, this event was a tremendous success. It was designed to give an opportunity for the Boca West Membership Community to learn about the various philanthropic organizations supported by Boca West. Learning about these organizations and having an opportunity to experience what they do through volunteer participation was the concept of this special week. Close to two hundred members volunteered to participate and shared their time, their smile and their love. Our thanks to Jeanine Banks who chaired the Hope Week Steering Committee, the philanthropic organizations that chose to participate, Christina Guilianti and Kathy Kohlhepp for their time, dedication, and service to Boca West and our Community. It is my hope that Hope Week becomes an annual event at Boca West.

Our New Member Cocktail Party was held on January 31 at Panache. Due to the tremendous number of new members and lessees, invitations were sent to 350 members. Since this article was written prior to the event, I can't report on this year's party. However, based on last year's event, members were made aware, through various department booths, of all the activities available to them at Boca West. They then had an opportunity to meet the Membership Committee and its Chair, Enid Hoffman, Key Staff, members of the Board of Governors, and Matthew Linderman our General Manager, President, and COO. This was followed by food, drinks, and dancing. I am confident it was a wonderful evening for all who participated.

The Leadership Program, conducted through the Country Club, was designed as a leadership incubator. Selecting individuals with potential to serve on Committees, Village boards, the Master Association or the Country Club Board is its primary purpose. It gives members of Boca West the opportunity to learn what, how and why things operate the way they do here in our community. Participants learn about the tremendous synergy between the Master Association and the Country Club, the budget process, the organizational framework in existence and countless other issues of relevance. It is viewed as a gateway for future leaders at Boca West. So, if you are interested in the future of our community, want a say in the decision making, and have a desire to know how our operation works, please speak with us. We are constantly looking for future leaders and welcome your participation. There is no other commitment other than attending meetings 5-6 times during the year. The knowledge that you gain will be something that you will appreciate long into the future. Contact Frank Richard or Jeanine Banks if you are interested.

Just a note of importance. As I have said before, our staff is our greatest asset. Unfortunately, a growing number of our members have acted rudely and inappropriately towards our staff. We have seen this past year with an uptick in grievances brought throughout the Club. Please make sure that you treat our staff with the upmost respect and courtesy at all times. If there is an issue, seek out a manager to report the problem. In that way, the problem can be resolved. Additionally, as I stated before, thank them for their tireless efforts. That goes a long way.

Again, my sincerest thanks to you all. As we embark on our next adventure, we must continue to work together as a community. That will keep Boca West the special place that we live in.

As always, I am available for suggestions and feedback and can be reached at pedwards@bocawestcc.org .
