ISSUE DATE:	February 24, 2023

The meeting was called to order at 1:30 and there was a motion to approve the minutes of January 3, 2023.

Guest Speaker: Jonathan Schraub, Board of Governors

Topics Discussed: Legal Parameters of Interviews followed by questions and answers. This was the last committee meeting of the fiscal year, but all of the interviewers will be interviewing for the next two months until the new committee members have an introduction as the Legal Parameters of Interviews. To summarize Mr. Schraub's lecture, Ms. Hoffman passed out a suggested list of questions for the interviewers to use. The committee thought that this education was important and thanked Jonathan for giving the lecture. A suggestion was made that the next time this lecture is given to include a guide to how to read a background check.

The New Member Party was given high praise for the event, food and dancing. All members of the committee thought that event was over the top when engaging the new members. It was pointed out that there was no choice for non-meat eaters. It was also suggested that next year there should be color coding on the name tags for committee members and board members spouses/companions. This is needed so that committee members can identify the new members.

The Sales Stats were distributed to the Committee after the meeting on February 13.

Ms. Hoffman asked if there any suggestions for the Coffee & Chat and the committee meetings. The committee was content with everything except that committee members should have "committee member" on the name tag.

We also talked about Coffee & Chat which will be held the first Wednesday of each month at 9:00 in the Living Room. The following is the schedule and "ambassadors" for the next session:

March 1st: Susan Sklar & Murray Perelman

Ms. Hoffman reviewed the procedure if the committee member wanted to apply for next year's membership committee and she thanked everyone for their time and work this year.

Meeting adjourned at 2:45.
