PRESIDENT'S LETTER

Dear Member,

Can you believe it's already March? The winter season has flown by, and it was truly like no other. Super Bowl weekend was filled with cheering, singing, and munching and President's Week offered something every day for all ages. I love seeing so many of you take advantage of this amazing slice of heaven with your family and friends. There are still so many activities and events to partake in this season so please take a look throughout this issue to see what's happening.

Congratulations to all the participants in our **8 Week Wellness Challenge** that began on January 16. Through two weeks, Mindy Theroux was in first place for the walkers with a total of 183.1 miles, Michele Cangiano was in first place for the bicyclists with a total of 305 miles, and Mark Dorfman was in first place for swimming with 12.9 miles. It's never too late to begin your wellness journey. If interested, please speak to a Fitness staff member, and they'll get you started!

Our annual **New Member Reception** was held on January 31. Your Board of Governors, the Membership Committee, the Management Team and I welcomed over 200 new Members. This year, the Living Room was set up as a department meet and greet. Members could casually stroll through the area and stop at different department kiosks to ask questions and learn about what is offered throughout the year. The main goal of this event is to welcome our new Members and let them know why their choice of Club was the best choice they could've made. Once again, the evening was a huge success! We're hoping many left with new friends in their contact list.

I can't wait to watch and cheer on our participants in the **2023 Boca West Club Championships**. Our Racquets Sports program offers something for everyone so get out there, get competitive, and win that trophy!

I am excited to announce that our annual tradition of **Tanglewood at Boca West – SHALL WE DANCE?** will be held LIVE Under the Stars at the Driving Range on Wednesday, March 22. The Lynn University Philharmonia program will include various dance genres from well-known productions such as *Shall We Dance?* from *The King and I, Night and Day, Famed by Fred Astaire and Ginger Rogers, Fifth of Beethoven from Saturday Night Fever, and Michael Jackson's Thriller.* I am looking forward to this being the biggest and best year yet!

Come sing and dance the night away with **Carole's Kings** on March 7 and 8 for a special two-night feature. In addition, **Diamonds & Pearls, Cash & Kings** will be joining us on March 28 for a fabulous tribute concert. This show will leave you feeling, "SO GOOD, SO GOOD"! **80's Night** theme nights originally planned for March 10 and 11, will now take place on March 30 and 31. Bring your singing voices and leg warmers to transport back in time!

The construction delay of the Lifestyle Center has certainly put a strain on the membership and staff. Without these facilities opened we have been limited in the number of venues available, which in turn has driven up the demand for various activities and events. The requests received have been off the charts! However, even with these obstacles, I am so proud of my team for their creativity in orchestrating it all. Their determination to find a way to accommodate as many as possible is astounding- whether it's by adding a second or third night or opening the grand ballroom whenever possible. Unfortunately, with the demand, at times a waitlist was still needed. As Philip Edwards and I mentioned in our February articles, we have seen a growing number of our Members who have acted rudely and inappropriately towards our staff, specifically towards the reservations teams around the Club (dining, activities, golf tee times and racquet sports). **Please make sure that you treat all our staff with the utmost respect and courtesy at all times. Please do not take out your frustration on them, they are working tirelessly to ensure everyone can be accommodated as often as possible.**

Believe it or not, its holiday time again with Passover and Easter fast approaching. **Seder Dinner** will be held in the Grand Ballroom on April 5, and **Easter Champagne Brunch** will be held in Panache on April 9. Please don't forget to submit your requests before the deadliness to be included in the assignments. I am so excited to see you around the Club enjoying all the fun these next few weeks will bring.

Recently, we have hosted a couple of events which occupied our Country Club building. Please know that these outside events were all booked years in advance, way before we knew we would be in this situation with delays in opening our new Lifestyle and Racquet Center. There are a couple events scheduled over the next few months – but again, please know we have created new "pop up " events and dining options to accommodate our Members and Guests as best as possible. **Your Member experience has always been our priority, and I promise that the wait will be well worth it when you are enjoying your new facilities!**

It was great to see many of you at our Annual Meeting. For those not able to attend in person, we offered a LIVE stream of the meeting through our YouTube channel so all had a chance to attend one way or the other. As a reminder, if you're interested in serving on a committee, please consider volunteering your time and expertise. Please email your committee of choice and any relative experience you may have to offer to Bailee Sumner at bsumner@bocawestcc.org by March 2. Your staff and I look forward to working with your newly elected Board of Governors and newly appointed committees throughout the 2023-24 season.

I am excited to share **Stephen Gerber has received a well-earned promotion to Assistant Director of Fitness, Aquatics and Spa.** Stephen has grown with us over the past 22 years working in various roles within the department. Stephen has been instrumental with the construction of the new Aquatics facilities. We are so thankful to have him on our team and look forward to watching him excel in this new role. In addition to this change, we welcome to the family **Elaine Sbrolla as our new Spa Manager.** Elaine comes to us from St. Andrews Country Club where she worked in the Spa for the past 11 years, most recently as the Assistant Director/Spa Manager. She comes to us at exactly the right time as we prepare for the grand opening of the new Lifestyle and Racquet Center.

As a reminder, it is a requirement to show your membership card and/or MEMBER ID on the app when checking into ALL facilities at the Club. Please remind your family members that they must show their Gold Card as well, and please do not give the staff a difficult time when they ask.

I welcome and encourage your thoughts, comments and suggestions regarding your Club. Enjoy springtime at Boca West, and I look forward to seeing you around the Club!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

PRIME CUT WINE DINNER SERIES*

"Wine is the answer... what was the question?"

FEATURING ROBERT CRAIG WINES, NAPA VALLEY

WITH FEATURED SPEAKER: ELTON STONE, PRESIDENT AND CEO

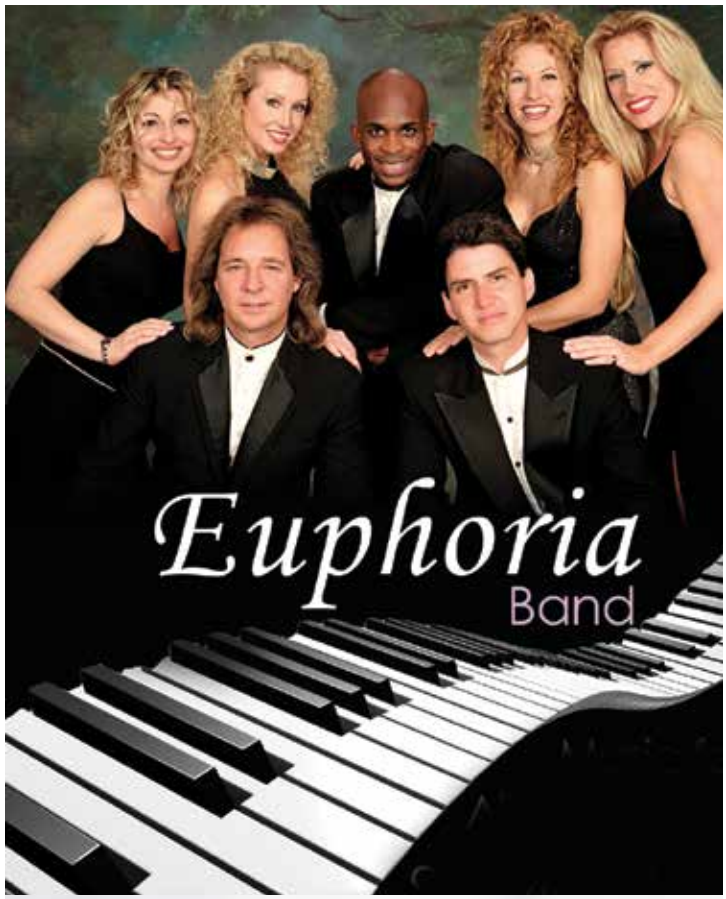

Tuesday, March 7 • $130++ per person

Founder Robert (Bob) Craig began his long and storied career in wine at The Hess Collection on Mount Veeder in the 1980s. Prior to starting his eponymous winery, Bob's passion for Napa Valley Mountain Cabernet had him spearheading the official recognition of both the Mount Veeder and Spring Mountain District AVAs.

In 1990, with the help of three friends he met at business school in Chicago 25 years earlier, Bob founded Robert Craig Winery and arranged to purchase fruit and custom crush his first commercial release of the 1992 vintage. The 1993 vintage release introduced three Cabernets that remain the core of their business today: Howell Mountain, Mount Veeder and Affinity. Now, four decades later, Bob Craig remains one of the most important figures in Mountain Cabernet development and production in the history of Napa Valley

Building a Better Future *for "Our" Kids!*

Diaper Drive Obliterates Previous Record - over 250,000 diapers were delivered to The Diaper Bank, Covering South Florida.

We were overwhelmed by the support from our Boca West community. On behalf of "our" babies, thank you to everyone who collected, volunteered or donated…and a special shout out to Robyn Cohen, Lisa Glassner and Rebecca Schwartz who did a terrific job managing the drive.

Diaper donations help more babies go to daycare, more parents work and more families escape the cycle of poverty.

Diapers may be donated throughout the year by making online contributions through our website or mailing a check to our office. Contact information is below.

11th Annual Golf Challenge

On March 27 the BWCF will hold its 11th Annual Golf Challenge. We are almost sold out, please visit our website to sign-up, purchase tee signs, ducks or the cocktail reception.

Bikes for Tikes

Our third annual Bikes for Tikes Program is in full swing. Last year your generosity enabled us to provide bicycles and helmets to 600 children. Pre-K graduates of the Fuller Center, the YMCA of the Palm Beaches and YMCA of South Palm Beach County each received a bicycle and a helmet. Elementary school children reaching their reading goals in classes run by Roots & Wings also received a new bike and helmet. In addition, each of the children being served by our foster partners, Place of Hope, JAFCO, SOS Children's Village FL and HomeSafe received a bike and helmet. For $160 you can put priceless smiles a mile wide on "our" kids faces!

Volunteer Opportunities

The Club's initial Hope Week was a rousing success. The BWCF is proud that three of our charity partners, the Fuller Center, Place of Hope and Boca Helping Hands were featured. These organizations and many more of our partners have a multitude of volunteer opportunities available to you.

Here's one example: if you play golf or tennis in the morning, heading over to the Fuller Center at 2:30pm on one or more days per week to mentor or be a homework buddy could be the perfect way to round out your day…and to change the lives of "our" kids, one child at a time.

Please contact Christina Irving at 488-6980 for more information about this and other opportunities. Visit our website at www.bocawestfoundation.org

QUESTIONS AND ANSWERS

By Robert Schwartz, Member of the Board of Governors

This "Q & A" column was created to pass on answers to questions your Board or management are often asked. If you have questions on how Boca West "works", please send them to robschwartzlaw@gmail.com. They may be in our next article.

Question: What are the Club's "Renovator Programs" and how do they benefit me?

Answer: To address this question, I went to Phil Kupperman, the Chairperson of the Club's Special Projects Committee who initiated our first Renovator Program when he was Chairman of the Board of Governors. He has overseen both Renovator Programs since then.

Remember when too many homes were on sale for a scant few dollars? The negative publicity that resulted caused some, maybe many, buyers to pass up Boca West entirely. This impacted the values of all of our homes. So, long before Covid helped heat up the realty market, our Board of Governors needed to creatively address this problem.

In 2011, the initial resolution resulted in our first "Renovator Program." Under this program, we vet contractors who are very selective as to the homes they purchase for "gut rehabbing" and eventual sale to the many buyers who only will consider fully renovated dwellings. The contractors' biggest objection to the program was the Club's "joining fees" and "annual dues." The Club was able to address this issue fairly since contractors are not true members who make use of our facilities. Contractors are required to initially pay joining fees that are later refunded to them when a renovated home is sold to a member of the Club. The starting date for renovators to pay annual dues is also delayed for a limited period of time to facilitate completion of construction. These accommodations do not have a material adverse impact the Club's finances or cash flow. This is especially true when a home in the program is either a "non-equity" or a "non-performing" home, as they were not paying dues at all. Issues encountered with this program are that many contractors are not attracted to our less desirable "middle" or "walk-up" condo units and contractors control which brokerage houses they hire to sell the homes.

Fast forward to 2019, when the Club and the Master Association created the Joint Venture (JV). When all involved concluded that Boca West would benefit if we could attract contractors who would be willing to acquire and work on more than one home at a time, our "Bulk Renovator Program" resulted. Under this program, vetted contractors are initially required to acquire multiple residences. The homes are in "packages" often assembled from members or their children who have approached our Membership Department indicating that they want to sell. As with the original Renovator Program, this program addresses the joining fee and annual dues issues in ways that are fair to all.

So, how do members benefit from these programs?

For the 189 homes sold to date under both programs consider these numbers:

Total cost to acquire the homes sold:	$13,709,000
Average cost to acquire the homes:	$73,000
Total sales prices of homes sold:	$49,900,000
Average sales prices of homes sold:	$267,000
Total market value appreciation of sold homes:	$36,191,000

Also, when the 41 homes currently being renovated in both programs are sold, they will generate $3,690,000 more in new Club joining fees.

Consider that these numbers are generated from the sale of homes that many owners were willing to virtually walk away from or sell at depressed prices; and that some of those homes were non-equity or non-performing homes that were not paying dues/fees to the Club, Master Association or any village. The programs also contribute to establishing appreciated "comparable" home sale values for many villages. This directly benefits the market value of every home in villages that were previously being dragged down by distressed properties or homes in need of complete updating. All villages indirectly benefit as well. As a proverbial rising tide floats all ships, all villages benefit from increasing the market value of homes throughout Boca West, especially since these programs primarily address our lower valued homes. Simply put, we can all sell our homes at higher prices now than before these programs existed.

Obviously, no one factor has resulted in the recent significant increases to our property values, but partial credit certainly needs to go to the Club as well as to the Master Association for the foresight to create the JV, and, in turn, both Renovator Programs.

A Message About Safety on the Roads

By Elaine T. Wittlin, President. Boca West Master Association

Members, along with their families and guests, are enjoying the Florida weather and all that Boca West has to offer. We want to remind everyone to obey all traffic signs. Make a complete stop at all stop signs and take the time to look at your surroundings before proceeding. The speed limit in Boca West is 35 MPH. At the time this article was written, we have had over 60 speeding violations in a span of two months. We take your safety very seriously. Whether you are in a vehicle, golf cart, bicycle, or are a pedestrian, we want you to safely enjoy where you live!

Check Out Our Community Enhancements!

The Master Association is very proud to see the Villages enhancing their entrance signs and curb appeal. Thank you to the Village Presidents who have submitted these beautiful pictures.

Every 8 years, the Baywood Village board undertakes a program to update their Village. They did that in 2020 with newly painted homes, new lighting, address plates and mailboxes. At the completion, they realized that the new look deserved new landscaping throughout their public spaces. Baywood has extensive property, starting at the intersection of Boca West Drive and Golfside Drive, near the 18th tee box of course 4, and continuing to the west-most border along Golfside Drive. They hired Montenegro Brothers for its landscaping expertise and Cristina Rodriguez, our talented Baywood board member responsible for landscaping, managed their work. They also hired Lang Management to install a larger flagpole and flag at the entrance. The results are excellent and are sustained by the partnership of Montenegro and Baywood on a weekly basis.

Thank you to the very dedicated Baywood Board members: Our BayWood board members, Paul Brody, President, Lane Klein, Treasurer, Cristina Rodriguez, Landscaping, Mitch Koval, ARB Approvals, Julie Wagner, Hospitality

The Village of Lakewood has been very busy completing multiple projects which include:

- The Village painted all 42 FPL light poles and changed them to LED lights
- Installed a new irrigation system around the community that is controlled by a phone app to track the water zones.
- Converted a bike shelter to golf cart parking with six spaces Updated the lettering and added new lights to the entrance. They also added sod and balanced the landscaping by adding other bushes and bougainvillea.
- An EV charging station was installed with two ports at the Lakewood office for all Lakewood residents.
- Lakewood enhanced the sod throughout the community – especially on the median and curb areas, and in places with large dirt spots. They also trimmed 120 olive trees along Lakeside Blvd.
- Repainted pool decks and walls and installed decorative rock walls.

HOPE WEEK

JANUARY 23 - 28 & FEBRUARY 5

All it takes is a smile, love and a little time to make an impact in our community. Hundreds of Boca West members volunteered in the inaugural "Boca West Hope Week" member engagement charity events. Many thanks to our partner charities: Boca West Chapter of The Pap Corps, Hadassah Gilda Mallin, Fuller Center, Habitat for Humanity of Greater Palm Beach County, Place of Hope at the Leighan and David Rinker Campus, Boca Helping Hands, Tri-County Humane, Lynn Cancer Institute , staff and to our wonderful member volunteers for an incredible week of outreach!

COUNTRY CLUB

February 8, 2023

Dear Member,

We wish to extend our sincere appreciation for sharing your time, your love and your smile as a Boca West Hope Week Volunteer!

We are very proud of the hundreds of members who participated, our eight charity partners and our dedicated staff who supported this event and made Hope Week a success. Through our inaugural event, Boca West volunteers donated nearly 8,000 hours on various member engagement activities over the course of Hope Week. It is heartwarming to know that beyond this, many members have already expressed an interest in continuing their volunteerism at these charities. Your service is greatly welcomed and as you have experienced, it is a gift beyond measure.

On behalf of the Club, Hope Week Steering Committee and our Charity Partners, we thank you and look forward to making Hope Week an annual event for many years to come.

With Gratitude,

Jeanine Banks
