PRESIDENT'S LETTER

Dear Member,

It's summertime, let the fun continue! I hope you're able to participate in all, if not many of our activities and events this Summer. We look forward to keeping you busy all year long! And that means this issue includes a lot of what you need to know.

Golf has a full schedule of tournaments planned and Racquet Sports will put on their annual tournaments. The Activities department, with continued creativity, has planned many of your favorite programs that include **Game Nights, a Summer Concert Series** and let's not forget our **Virtual Clubhouse** for those who are away for the Summer. Watch out for email communications on these programs and much more. The Ritz Carlton, Naples, Tiburon has been added to our **VIP Service Program.** They are offering a Summer golf package from June 1 – September 30, 2023. See page 29 for all the details and contact information.

Our Food and Beverage Department also has a lot planned for you with our **Summer Kick-off events: Summer Socials, Havana Night with a cigar roller and Summer Nights series with live entertainment.** More details to come. This Memorial Day weekend, join us for a Clam Bake Dinner Dance and our Memorial Day Cookout with live music from Jill Hickey and Sue's famous Sangria bar!

I'm pleased to announce the recent hiring of **Jason DeVille to our management team as the new Clubhouse Manager.** Jason brings over 15 years of Food and Beverage leadership experience with high end luxury properties including InterContinental Hotels. Most recently he was the VP of Operations at Vinya Hospitality in Miami. A huge part of what makes Boca West so special is our dedicated staff. Please join me in welcoming Jason to Boca West, we are very excited to have him on board and know that his experience will shine in his new role.

Plan to join us for the **155th running of The Belmont Stakes** on Saturday, June 10 at 6pm in Grand Central. We'll be playing the race on the big screens, serving delicious specialty cocktails created just for this occasion and hors d'oeuvres!

Last month, it was all about our "Moms", and this month, **we celebrate our "Dads" with a Sunday Brunch on June 18 in Panache.** Brunch will include all of Dad's favorites with a complimentary Bloody Mary, just for him, as well as a la carte lunch and dinner specials.

Our behind the scenes work began last month with our annual repair and maintenance in all of the restaurants and kitchens. Every year, we close each building for a period of time during the summer months for upkeep while business is slower so not to disrupt your daily schedule. We will continue our work in all areas of the Club to make sure we look our best and are always in tip top shape!

In addition to our usual repairs and maintenance, I will also continue to update you on the renovations at the Lifestyle and Racquet Center as it nears completion. In my April article I shared that the **Golf Course Comfort Stations upgrades** will be completed this Summer. The work has been coordinated with the Golf Course aerification schedule to minimize Member interruptions. Within the next few months we are anticipating to finally start work on the Spa Showers. I apologize that this project has taken so long but due to the extreme high costs we are working with an engineering firm to finalize designs. Once new plans are completed and approved we will assess final pricing and engage with a contractor to complete the work on new state-of-the-art experience showers. We are hopeful to complete the upgrades in the Fall.

By now you will be seeing many new faces around the Club. As I've mentioned before, we have Hospitality Management Interns from Universities around the Country as well as J1 students from around the globe. Thank you in advance for your patience with our Staff as we transition with our International Staff departing and new hires are trained.

The budgeting process for 2023/2024 has been in full swing for several weeks now. This has been another challenging year, but I assure you that your Budget Committee and Department Heads have been working hard to present the Board with the best budget possible, all without sacrificing the exceptional quality of service you've come to know here at Boca West.

A very special congratulations to **Lela Cannon**, a Boca West member for 39 years, on being inducted into the University of Miami's Sports Hall of Fame last month. Turn to the Golf Chairman's article for more details on this wonderful accomplishment.

I welcome and encourage your thoughts, comments and suggestions regarding your Club, and look forward to seeing you around.

Wishing all Fathers a very Happy Father's Day, and all of you a spectacular Fourth of July holiday.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

From Survivors to DPs: Jews in Post-War Germany
Thursday, November 2

It is a little-known fact that right after the end of World War II, over 200 000 Jewish Refugees and Holocaust Survivors found temporary asylum in Germany, of all places. The occupying forces created the so-called DP Camps for these Displaced Persons and helped them to prepare for a future life in the United States and Israel, for example with the creation of training Kibbutzim on German territory. Join German Historian Anette Isaacs, Program Director of FIU's OLLI Institute, and gain fascinating insights into Jewish Life in immediate Post-War Germany.

Germany and Israel—an unlikely Friendship - Thursday, November 9

In 1965 Germany and Israel reluctantly entered into diplomatic relations. ON THE COURSES

By Bob Lerner,
Golf Committee Chair

SOME CONGRATULATIONS ARE IN ORDER:

Lela Cannon: a Boca West member for 39 years and a legend at the University of Miami where she was inducted into the University's Sports Hall of Fame on May 4, 2023. Lela was named UMs head woman's golf coach in the fall of 1983. During her tenure, she guided the Hurricane squad to one national championship, five state championships, and 17 NCAA appearances. (A complete profile of her career is available in The Golf Shoppe).

Travis Wehrs our Director of Golf, and Pam Elders our Director of Instruction participated in the "Honda Yellow Birdie Bash" where they played 81 holes and carded 41 birdies. We thank our membership who supported them. They raised $18,000 for the PGA Foundation and the Nicklaus Children's Health Care Foundation. ***Congratulations and thank you to Travis and Pam.***

Golf Operations invited four of our South African PGA Apprentice Professionals to compete on April 15 in a nine-hole team competition. We had over 100 spectators and our team members put on quite a show. The match ended in a tie with each team recording six birdies and zero bogeys. This was great fun for all. We already have some events in the planning stage next year that will include members and team members playing together. Once again, congratulations to all involved.

Shortly, we will make available the "Boca West Golf Book" that will contain all golf related information, including dress code, tee time process, tournament descriptions and much more. It will be a great planning tool for you to use. To submit requests to participate in any tournament I suggest the quickest way is to use the Club's App or Website. The Tournament book and our Club magazine will contain detailed instructions on how to use these tools.

On course safety, we remind all that the Club's golf cart fleet displays stickers that contain; emergency phone numbers to call to summon emergency responders, the address to give so they know where to find you (this is critical), the three (that's right three) phone numbers to call to summon our Security, AMR, and other personnel immediately after you call 911. **Copies of these important stickers are available for member-owned golf carts and may be picked up at golf registration.**

Short videos highlighting golf etiquette, course care, agronomy maintenance and emergency protocols are being produced and hopefully will be "live" within a few weeks.

New policies encompassing tee times, tee time cancellation, enforcement of rules, and a newly designed New Golf Member "Onboarding' are being presented and discussed at the committee level. They will be finalized and communicated to all members during the summer months. It is our hope these new ideas will enhance enjoyment and the golfing experience for all our members.

In May we began our annual aerification program on all four courses. During this first closure we will use the DryJect process. To fracture the soil, DryJect uses high-speed, water-based injections to blast aeration holes through the root zone. This process simultaneously fills holes to the surface with high volumes of sand, which relieves compaction, increases water infiltration, allows oxygen to reach the root zone, and amends the soil with high volumes of material; all at the same time. Most importantly, DryJect leaves the surface smooth and immediately playable.

Our agronomy goals are to improve our playing surfaces month after month and year after year, starting with the closely mown areas.

The Board of Governors has approved an updated golf dress code. It maintains a traditional country club look for the golf courses and a forward thinking, progressive, look for the practice facilities and putting greens. The newly approved dress code for the practice facilities will match our resort, family friendly atmosphere consistent with Mr. D's and our active South Florida lifestyle.

Please note that as our prime season comes to a close, the hard work continues by all of the golf professional and operations staffs. Please take a minute to thank them for the work they do and how they plan for our future.

I am always interested in your suggestions, comments, and feedback on golf-related matters. Please email me at "lerner1037@gmail.com". I welcome your feedback.

Racquet Sports Committee Chair

AT THE NET

This year's Racquet Sports Awards Dinner was attended by 225 tennis and pickleball members, and the consensus was that it was the best event in recent memory. Trophies and cash prizes were awarded, the buffet was outstanding (even by Boca West standards), and there was spirited music and dancing. A terrific evening.

As for summer activities on the courts, Memorial Day events were scheduled for May 27 and 28 (tennis and pickleball respectively), Independence Day on July 1 and July 2, and September 1 and 2 for Labor Day.

Also, we will be hosting high level USTA junior tournaments during the summer months. If you haven't watched these aspiring young champions, you'll be amazed at the level of tennis.

And don't forget the Boca West Children's Foundation clinics that will be held in June. It's both great fun and gratifying to interact with these delightful, enthusiastic kids, so please consider calling the racquet sports desk to volunteer at 488-6996.

Under Consideration: Discussions have begun about the possibility of intra-club team competition for those who want to avoid travel for inter-club play for Pickleball. The initial response to this has been positive, but the details need to be worked out by the professional staff in concert with the Racquet Sports committee, along with input from the Pickleball membership. If you have suggestions as to this idea, please contact David Shifrin, Committee Chair; Steve Roth, Vice-Chair; or John Joyce, Director of Racquet Sports.

EVERYTHING YOU NEED TO KNOW ABOUT *Vitamin C*

The Holy Grail of Skin-Care

Few ingredients are better for brightening skin, protecting it against aggressors, and addressing signs of aging. Another part of its appeal? It's great for all skin types and ages, and it really works! Uneven skin tone, rough texture, fine lines, acne scars, general dullness — you can name just about any common complexion concern and there's a good chance that vitamin C (and the skin-care products it's featured in) is a recommended treatment.

Here's everything you need to know about the benefits of vitamin C for skin, including how to choose the best formula, when to apply it, and exactly what this all-star vitamin can do for your skin. Get ready to glow.

WHAT IS VITAMIN C?

Vitamin C, which also goes by ascorbic acid and L-ascorbic acid, is a vitamin that isn't actually produced by the body. Instead, the only way to get it is through supplements or your diet. It has vital functions throughout the body. According to Dr. Patricia Wexler, a board-certified dermatologist in New York City, "Vitamin C is an essential nutrient in tissue repair. It is also a potent antioxidant that can neutralize free radicals. Because of its antioxidant properties, vitamin C aids in your skin's natural regeneration process, which helps your body repair damaged cells".

So in the same way that consuming antioxidant-rich foods aids your body in fighting off free radicals, topical antioxidants do the same for your skin by helping to offset daily aggressors like UV damage and exposure to air pollution. Quick refresher course on antioxidants: They prevent or reduce damage to our cells by neutralizing the production of highly reactive molecules called free radicals. In other words, antioxidants help keep our body and our skin cells healthy.

While you can certainly eat your way to a healthy vitamin C intake, your skin in particular reaps the biggest benefits when it's applied topically versus ingested via an oral supplement or your diet. Topically applied, it's 20 times more potent than the oral intake.

WHAT ARE VITAMIN C's BENEFITS FOR SKIN?

For one, vitamin C promotes collagen production, which has the potential to thicken the dermis, diminish fine lines, and is essential for firm, youthful skin.

It also inhibits melanin production in the skin, which helps to lighten existing hyperpigmentation and brown spots, even out skin tone, and enhance skin radiance. By reducing melanin production, it also inhibits the formation of additional hyperpigmentation.

Finally, vitamin C helps to repair damage from sun exposure and collagen loss by encouraging healthy cell turnover and regeneration.

HOW TO USE IT

Apply vitamin C as a serum in the mornings — that is, after cleansing and before applying moisturizer and sunscreen. Most skin care professionals agree, the best vitamin C skin care products are serums because they are more effective at penetrating the skin barrier than, say, a cream or toner.

Remember to be patient. Most skin care products take time to start working, and vitamin C takes a little longer, even with daily use. According to Dr. Wexler, you won't notice any significant changes in your skin for six to eight weeks. If you have sensitive skin, do a skin test first, as the high acidity can be irritating.

WHAT TO LOOK FOR

The key is not the vehicle that vitamin C comes in, but the form of vitamin C that is being applied. The term to look for is ascorbic acid (also known as L-ascorbic acid), which is the most stable and effective form of vitamin C in skin care.

You can maximize the benefits of vitamin C by combining it with other antioxidants. This works best with vitamins E and A.

It also plays well with vitamin B and hyaluronic acid. However, "do not mix vitamin C with a retinol or niacinamide," because the pH levels are incompatible. If you want to use both, it is suggested waiting half an hour between applications.

Also worth noting: Vitamin C is notoriously prone to oxidizing. It can break down when it's exposed to light or air. Always check expiration dates on your products, and if you notice a sour smell or discoloration, it's most likely breaking down."

Our favorite products for getting vitamin C into your skin care routine:

Pevonia's Rejuvenating Vitaminic Concentrate

This concentrate has a light, oily, non-greasy texture rich in the highest concentration of Vitamins A, E, and D. An anti-free radicals treatment: Vitamin A works as the protector of the cell's membrane preventing damage, nourishing, and reducing keratin formation. Vitamin E serves to regenerate and acts as an antioxidant. Vitamin D combats premature aging and improves skin's texture and appearance. This treatment soothes the skin with the effects of Azulene and brightens the complexion with Mandarin Essential Oil. Recommended for all skin types, especially those with symptoms of dry and photo-damaged skin.

Pure Fiji's Kakadu Super C Brightening Serum

Infuse your skin with this potent Vitamin C serum, supercharged with Kakadu plum and Hyaluronate. This powerful blend will dramatically improve radiance and luminosity while delivering an instant moisture surge and visibly reducing the appearance of fine lines, wrinkles and hyperpigmentation. The lasting benefits of this silky serum are as impressive as the immediate results: Dramatically brightens skin and increases luminosity, boosts hyaluronic acid production, evens skin tone, stimulates collagen production, smooths and plumps to name just a few. Recommended for all skin types, especially those with symptoms of dry and photo-damaged skin.

Whichever product you choose to use at home, it is best to have a monthly, professional facial which focuses on not only increasing vitamin C in your skin, but also using the best products to address all of your skin care concerns. Our skin care team is able to help you determine the best choices for you at home, skin care regimen at the time of your facial. When purchasing skin care products from The Spa, please remember to mention your esthetician.

Swing into the Shops this Summer for Special Savings on Equipment & Apparel

By Robin Shulman, Retail Committee Chair

Are you in the market for new golf equipment? Summertime is the perfect time to update your bag! The Golf Studio at Boca West is open from 7am-5pm daily and is fully stocked with demos and stock equipment from XXIO, Cleveland, Callaway, TaylorMade and Cobra.

The Golf Studio's professional staff are here to assist you with all of your equipment purchasing decisions and urge members to try before they buy. Summer demo days and fitting days with XXIO and Callaway will be announced this month. If your schedule doesn't allow you to attend a demo day or fitting day, The Golf Studio offers an extensive selection of demo clubs for members to "test drive" before they buy. Fewer members at Boca West during the summer months means more demo clubs are available for you to try! Should you need additional assistance choosing the right equipment for your bag, our trained professional staff is available for one-on-one club fittings and private lessons.

The Golf Studio is so much more than "just clubs!" The Studio is your one-stop-shop for golf balls, golf bags, gloves, range finders, and on-course accessories. Can't find what you're looking for? The Studio staff is more than happy to special order whatever you need!

A Few Reminders...

Members may demo two clubs at one time and may demo the same club up to three times. Members must present a member ID in order to check out and return demo clubs. Demo clubs must be returned to the Golf Studio before 4:45pm the same day that they are checked out or, if you're enjoying a late afternoon round on one of our courses, to the bag room after 4:45pm. Members who do not return demo clubs the same day that they are checked out will be charged a $10 per day late fee per club. Demo equipment which is damaged while checked out will be repaired at the member's expense.

Styles of the Season

Fifty Shades of... Green? Yes, green! This fall's most dominant pantone color will be featured in various fashion collections throughout our golf and racquet shops from seafoam green to Kelly green to martini green!

Not a fan of green? Not to worry! Multiple hues of pink, purple, blue, "molten" red, and tangerine will also be prevalent. Your shops will be stocked with vibrantly colored apparel and accessories that will be sure to catch your eye and find a place in your closet!

YOUR FOUNDATION WORKS YEAR ROUND TO IMPROVE THE LIVES OF *"OUR"* KIDS

Through your generosity the BWCF donated 350 bikes and helmets to "our" kids in our 3rd annual Bikes for Tikes program. Bikes for Tikes was initiated during Covid to promote physical activity, healthy lifestyles and independence.

Bikes were given to children reaching goals, including grade level reading targets through our charity partner, Roots & Wings, and pre-K graduations from Fuller Center and YMCA South Palm Beach.

Once again, we partnered with the Budsies Company to create custom-made stuffed animals based on a design or drawing provided by each child. A Budsies stuffed animal can be designed to look like a beloved pet, a favorite character, or even a self-portrait. Children from SOS Children's Village, YMCA South Palm Beach County and The Fuller Center participated in the program, which included special needs children for the first time. For many kids, these are their very first stuffed animals.

While we didn't receive the national media coverage we received last year when NBC ran a news story featuring Budsies and Fuller Center, we received coverage in local media outlets for both programs, which raised awareness about the Foundation's work and further enhanced Boca West's reputation as the most philanthropic club in Palm Beach County.

CAMP, CAMP and MORE CAMP….

This summer, your Foundation will once again grant more than $100,000 to send "our" kids to a wide variety of camps. We will sponsor:

- 50 children from the **Boys & Girls Club** to go to overnight camp for two weeks. What a great experience for these kids to learn independence and co-existence skills!
- A one-week basketball day camp at the **Boys and Girls Club** run by **Ballstars**, an organization started by retired NBA four-time All Stars Otis Birdsong and Micheal Ray Richardson. Up to 100 children will have the opportunity to improve their basketball skills…but more important are the life skills taught by these former pros and the **Ballstars** staff.
- **FAU Band Camp**, at which 200 children will learn to play a musical instrument under the supervision of professional music teachers. The highlight of camp is a concert on the last day that is open to all.
- **Nat King Cole Generation Hope's Summer Strings** orchestra day camp. Up to 100 children will receive professional instruction for two weeks and then perform at a concert that is open to the public.
- Our own Boca West Pickleball Camp is in high demand. Approximately 100 children from several of our charity partners each week will receive instruction from our racquet sports staff, led by John, Matt, Rob, Art, and Maria. Each camper receives sneakers, socks, shirt, hat, drawstring bag and lunch. We can always use more volunteers! Please let us know if you are interested.

All of these activities provide life changing opportunities for "our" kids. They keep children safe and out of trouble. Join us in making a difference in a child's life.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

By Jeanine Banks, House & Activities Committee Chairman

Our roster of staff continues to grow with the hiring, training and development of international, domestic and intern personnel. Two summers ago, we recruited for, carefully selected and successfully launched the ***Boca West Academy Hospitality Internship Program*** (HMI) which provides a paid internship to hospitality scholars. Our goal is twofold; to provide on the job experience for dedicated students in the field of hospitality and to develop a pipeline of talent for career opportunities at Boca West.

This month's article is dedicated to a wonderful success story...the ***"internship to hire"*** of ***Kennedy Lasley,*** **Assistant Restaurant Manager** who was an intern during the Summer of 2022 from the University of South Carolina and who was hired in January 2023 here at Boca West to be part of our management team in Grand Central.

Recently, we had the opportunity to meet with Kennedy to talk about her experience.

Kennedy, how did you originally get interested in pursuing hospitality as a career?

When I was picking a college major, I was looking for something where I could truly use my strengths to the best of my ability. I wanted to be able to have a career in something where I could be outgoing, creative, and personable. Hospitality was a career path that allowed me to use all of those traits every day at work. I started working in restaurants during my first year of college and immediately fell in love with it and have been in the industry ever since.

What attracted you to the Boca West Hospitality Management Internship opportunity?

I was looking for an internship for Summer of 2022 when I saw an email from my Advisor advertising *Boca West Country Club's Hospitality Management Internship* opportunity. The flyer showed how renowned and well-known Boca West was which immediately drew me in. I was also looking for something that would put me out of my comfort zone and force me to try new things. Boca West's Internship offered just that; having the interns try various positions throughout food and beverage and even giving us a taste of other job opportunities throughout the club including accounting, HR, Spa, Fitness and more.

What did you discover at Boca West that made you decide to come back and join our management team after graduating college?

Boca West taught me so much in my 12-week internship program, I knew there was still more to learn beyond that. I always felt like I was given the opportunity to grow and ask questions with my coworkers and managers which is part of the reason I came back. The team and people I worked with last Summer were such wonderful leaders, it truly made me feel comfortable to come back to start my career here. As a young professional straight out of college I knew Boca West would be able to give me the most direction as a new manager.

Kennedy Lasley
Assistant Restaurant Manager

We wish Kennedy every continued success. Next time you're dining at Grand Central do say hello and please congratulate Kennedy on joining our dedicated management team!

The Ombudsman offers an alternative opportunity to resolve complaints, concerns or problems in a timely and private manner. Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

If you have a question, concern or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at ombudsman@bocawestcc.org, and please be sure to enter the word OMBUDSMAN in the subject line.

CHAIRMAN'S LETTER

AS SOME OF YOU HEAD NORTH FOR THE SUMMER, REST ASSURED THAT BOCA WEST WILL BE HERE WHEN YOU RETURN IN THE FALL, BETTER THAN EVER. For those of us who are full-time residents here at Boca West, summer will offer an abundance of activities. Make sure to read about the upcoming events planned for the next few months.

I want to thank all of you who contacted me regarding my May article and video. As you know, we always try to make sure that our members are fully informed. One of the responses I received was a from a Member with a construction background, who stated, "In your letter in the magazine, you have captured everything I would have contributed and then some, and I was very pleased to see how you killed the rumor mongering and rumor-based criticism…Great job of communication!" The commentary from this member as well as from the majority of our membership has been positive and complimentary as it relates to my article and video.

We are approaching Budget season and although inflation has eased a bit, it has not gone away. All costs, including labor, have increased year over year. This is a dilemma facing all businesses in the state. Last season we hired additional foreign staff in preparation for the opening of the Lifestyle and Racquet Center; thank goodness we did, as we needed them to help facilitate all the extra events, dining options, and activities that were created during the course of the year. With the opening of our new facilities expected in the upcoming months and assessing how Members used the Club this year, we can project an increase in business volume. With all the creative new options available, we anticipate needing additional staff to operate our venues and pools when they become operational; that includes lifeguards (that we never hired this season) and food and beverage staff. We will remain fiscally conservative though the factors mentioned above will definitely have an impact on the budget, As always, the Budget Committee and Board look to find ways to control this impact. Be assured, however, that none of the additional Capital Construction costs related to the Lifestyle and Racquet Center will impact the annual operating budget.

As a final piece of information, home sales remain stable, with 70 homes for sale and ongoing purchases by new members. There are 10 new members listed in the first pages of the magazine. That is a good thing for our community. In fact, home sales in our community are higher than the strongest period occurring before covid began.

This is an appropriate segue to inform you that the Board has authorized the Audit of the entire construction project including the limited change orders since the contract was signed. Frank Richard, our Treasurer and Arthur Schwartzman, our Audit Chair have reported: "As an integral component of the final phase of this project the Board has engaged the Audit and Accounting firm of RSM, a leading United States Audit company, to perform a construction cost of the contract values and a full change order analysis. The purpose of the analysis is to inform the audit committee, management, and the Board of Governors as to how this project progressed through its lifecycle, to highlight the critical decisions and circumstances that led to the project's final cost, and to execute audit procedures to validate contractual compliance of the recent requested change orders. Further, during the course of this analysis, questions may be raised, and potential savings may be identified." I wish to thank Arthur and Frank, Matt, and Kathy Campbell, our CFO, for their hard work in making this happen. I will keep the membership informed as the audit progresses.

As a point of reference, years ago, as we headed toward the conclusion of the building of the Golf and Activities Center, an audit was conducted. The audit confirmed change orders that needed to be examined further. It addressed those change orders which the management did not agree with, and added strength to our argument, resulting in savings for the Club of well over a million dollars. Matt and his management team remain extremely strong, pushing back on these change orders, while still driving the project to completion.

Finally, I wish everyone a happy, safe, and healthy summer. I am always available for suggestions and feedback. You may reach me at: Pedwards@bocawestcc.org
