PRESIDENT'S LETTER

Dear Member,

As many of you know, with our winter season winding down, our international staff will soon begin to depart for the summer. We are so proud of how well our team has worked together to execute yet another fantastic season, and we can't wait to have them home with us again!

As promised all the **Racquet Sports Club Champions** are listed on page 12. Congratulations to all of our winners. We are so proud of you! Please be sure to say congratulations when you see them around the Club.

Our **Mother's Day Champagne Brunch** will occur on Sunday, May 14 in Panache. I am always so excited to see all of you there as we celebrate our treasured Moms and Moms to be. Reservations are available by calling Dining Reservations, 483-6300. However, whether you spend it here or elsewhere, I hope you enjoy your special day surrounded by family and friends. Make sure to save the date for our **Father's Day Brunch** on Sunday, June 18 in Panache.

As our tradition continues, we hope you'll join us for the horse races; **The Kentucky Derby** on May 6, **The Preakness** on May 20 and **The Belmont Stakes** on June 10. Stop by to watch the race and enjoy special-priced craft cocktails.

Our **Memorial Day Weekend Celebration** plans are complete and include our holiday weekend dinner dance. Please plan to join us Saturday, May 27, for dining and dancing all night long. Of course, this is in addition to the activities planned throughout the Club, including the golf, tennis and Pickleball tournaments. Don't forget our annual sale in both the Golf and Racquet Shoppes. This year it's "extra special" spreading across the four-day weekend from May 26-29.

I receive complimentary letters from members frequently, regarding our Golf and Racquet Sports tournaments, dining throughout all the restaurants, fabulous events by our Activities department, and so much more. The biggest theme in all of these letters is **our Staff** and how they go above and beyond the call of duty to make Boca West your home. It's not always about what I/we say or what I/we do ... for the membership – it's all about how we make **YOU** the member feel because that **"feeling"** is everything!

Our Human Resources department has been hard at work on our staffing, traveling the State, Country and even abroad attending job fairs and career fairs at various universities sourcing the best of the best. At the end of this month we will have 18 Hospitality Management Interns from Universities around the Country as well as 28 J1 students from Canada and Ireland arriving for the Summer months. These interns and students will spend time learning each of our departments which gives them an overall better grasp of the Country Club lifestyle and overall hospitality industry. Thank you in advance for your patience with our Staff as we transition in all of our restaurants and other departments as our International Staff departs and new hires are trained. Please welcome these new faces when you see them around the Club! In addition to this, we continue to onboard new staff that we hire locally.

At Boca West, we are committed to securing a sustainable future. By minimizing our impact on the environment, we are taking an active role to ensure that Boca West's Members can enjoy the Club for generations to come. As I have mentioned in previous magazine articles, last year we had a Sustainability Study done by a reputable third party, which took into account our entire operation. During the assessment, we discovered that many of our Clubs "normal" operating practices already fall under the category of "sustainable best practices" and we were ranked #3 in the US out of hundreds of Clubs, Resorts and Hotels studied. And today we have reached **nationwide recognition for leadership in sustainability.** We are very proud of this recognition and will continue to make choices that contribute positively towards our environment and social well-being.

Our **Summer Guest Policies** in the golf, racquet sports and fitness departments go into effect this month. For complete details, please check the Club's website, contact the individual department or speak with a staff member in the Membership department and they will be happy to review them with you.

As the summer months are fast approaching, I wanted to remind everyone that animals are not permitted on Boca West Country Club property unless they are a registered service animal. This includes walking in the front or the back of any clubhouse and the cart paths on all four golf courses. Your dogs are welcome at the Members Park in the dog park section and the walking paths around the Community. If you have additional questions or want to register your service animal, please contact the Membership department at 488-6934 or membership@bocawestcc.org.

Please always remember that I welcome and encourage your thoughts, comments and suggestions. I look forward to seeing you around the Club!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

Springtime ON THE COURTS

By Dr. David Shifrin, Racquet Sports Committee Chair

AT THE NET

The big news is the exciting matches in this year's championships, especially the "Battle of the Sexes" that took place on Thursday, March 23.

The crowd was treated to an exceptionally high level of tennis, featuring Carrie-Lynn Kalk and Jodie Becker, the women's doubles champions, against Joe Maguire and Keith Neff, winners on the men's side.

And it was a real cliffhanger which could easily have gone either way. At six-all in the first set it went to a tiebreaker, and the women had a set point at 6-5 until the men managed to eke out a win at 8-6.

The second set started equally close, going to 2-2, after which the men caught fire and closed out the match at four games to two. Ask anyone who attended, and they will tell you it was thrilling to be there.

This was the second annual Battle of the Sexes, and our director of Racquet Sports, John Joyce, has assured us that it will be an annual event, so don't miss it next year!

The tennis singles championships were also of very high quality, with Greg Pippo taking the final against Keith Neff, and in women's doubles, Carrie-Lynn Kalk and Jodie Becker eked out a tough win against Joan Carter and Jane Zenker in another display of excellent tennis.

The pickleball competition has been equally exciting. This year's doubles champs were Matt Kauget and Bruce Salik, prevailing over Michael Pinsel and Eric Ziskend in a hard fought match. And pickleball continues to grow, taking advantage of our expanded venue of fourteen beautiful courts. (Stay tuned for possibly more courts to come, but without taking any more tennis courts.)

Interclub play has also been strong in both racquet sports, so if you're interested in competing, contact the staff at 488-6996.

Check out page 12 for this year's Club Championship results.

ON THE COURSES

By Bob Lerner,
Golf Committee Chair

I am proud to accept the responsibilities of Chair of the Boca West Golf Committee. I have served on this committee for several years as a member as well as its Vice-Chair and excited to address the challenges that lie ahead. I look forward to working with Bob Schwartz as Vice-Chair as well as Travis Wehrs, our Director of Golf Operations, his Management Team and with Jeremiah Lockhart, our Director of Agronomy. We will review the many accomplishments achieved by our prior Committees and work that is still "in progress", especially those committees led by recent past Chair, Chuck Rosenblatt.

On a personal note, I thank Chuck for his gracious offer to bring me up to speed in my new position and his offer to assist and counsel us whenever called upon.

The job of the Golf Committee is to advise the Golf Professional Staff of issues we believe are important and ways to enhance the golfing experience for all our Members and their Guests. I want to thank the 45 individuals who recently submitted their resumes and requests to be considered for this Committee. Every one of them is qualified to serve but unfortunately the number of Committee slots is limited. I am confident that the Members selected will fairly represent a cross-section of all our golfers.

Since I was notified by the Board of Governors that I had been selected for this post, Bob Schwartz and I have met on multiple occasions with Travis and the entire Professional Staff to become more familiar with their visions for our golf program. We have begun to outline a path to achieve success in our joint endeavors.

Here is a partial list of some topics that were discussed at our first Golf Committee meeting in April. After review, analysis and comments from Committee Members and Staff, those ideas that bubble to the top will be presented to the Board of Governors. Any actions that will be taken will ultimately be communicated to you in future articles.

1. Course Conditions. In my discussions with Travis and Jeremiah, they are continuing the aggressive Agronomy plan and program to rectify and address many areas (from Tees to Greens) that need attention. This has been an ongoing topic with the Golf Committee and Management and our Golf Course Maintenance team has been hard at work correcting the conditions of bunkers and turf areas. Additionally, the Golf Course Renovation Committee is working with our Golf Course Architects, Fry/Straka Global Golf Course Design to develop a well thought out Master Plan that will enable us to fully review what opportunities we should be contemplating to correct issues for the long term. When our research and analysis are completed, a plan will be presented.

2. Golf Etiquette, Course Care, Emergency Safety Procedures. We anticipate the creation of a series of short videos which will address these topics. We hope to have them completed within two months.

3. New Golf Members "Onboarding". Our committee will be discussing new initiatives that will supplement our existing New Member orientation program.

4. Tee Times. Travis and his team are already working with the Club's technology experts to address innovations and improvements to our tee time reservation system. The ideas being developed will be discussed with the Committee and the Board of Governors, and those approved will be tried, tested and implemented.

5. Tournaments. Next year's tournament schedule is being finalized and we plan on creating a "Tournament Book" that will be distributed to all. It will outline each event, play dates, tournament format, signup information and other pertinent information.

6. Rules and Enforcement. A continuing complaint from many is that we have Members who just do not follow our golf rules. This topic will be discussed in detail with the Committee Members, and some adjustments will be discussed and presented to the Board for approval.

7. Score Cards, Rating of Holes. Dye IV was our most recently PGA rated course. We will be reviewing score cards that Members turn in to see if we can determine a rational to reevaluate the handicap rankings and to see if there is a basis to implement changes. The USGA has provided us with some materials on this topic.

Finally, I want to thank the members of the 2022/2023 Golf Committee who will not be returning this coming year. Each one of them spent a great deal of time thinking about Boca West golf with the best interest of the entire Membership and with you as their number one priority. That is what makes our Committee system work. Your comments and suggestions will always be appreciated and I look forward to a wonderful 2023/2024 season.

Thank you and see you on the links!

ANNIE - Thursday, October 12, 2023
Holding onto hope when times are tough can take an awful lot of determination, and sometimes, an awful lot of determination comes in a surprisingly small package. Little Orphan Annie has reminded generations of theater goers that sunshine is always right around the corner, and now the best-loved musical of all time is set to return in a new production–just as you remember it and just when we need it most.

FUNNY GIRL - Thursday, November 16, 2023
WELCOME TO MUSICAL COMEDY HEAVEN! Featuring one of the most iconic scores of all time by Jule Styne and Bob Merrill, an updated book from Harvey Fierstein based on the original classic by Isobel Lennart, tap choreography by Ayodele Casel, choreography by Ellenore Scott, and direction from Michael Mayer, this love letter to the theatre has the whole shebang!

THE BOOK OF MORMON - Thursday, December 14, 2023
A musical comedy with music, lyrics, and book by Trey Parker, Robert Lopez, and Matt Stone. The story follows two missionaries of the Church of Jesus Christ of Latter-day Saints as they attempt to preach the faith to the inhabitants of a remote Ugandan village.

HADESTOWN - Thursday, January 11, 2024
COME SEE HOW THE WORLD COULD BE. Welcome to HADESTOWN, where a song can change your fate. Winner of eight 2019 Tony® Awards, this acclaimed new musical by celebrated singer-songwriter Anaïs Mitchell and innovative director Rachel Chavkin (Natasha, Pierre & The Great Comet of 1812) is a love story for today... and always. Intertwining two mythic tales — that of young dreamers Orpheus and Eurydice, and that of King Hades and his wife Persephone — HADESTOWN is a haunting and hopeful theatrical experience that grabs you and never lets go.

Request online no later than Friday, August 11. A membership may reserve up to two tickets per show. After the lottery has been conducted, results will be posted on your Calendar of Events on the Boca West Website and App. To check your status of a show, please check MY CALENDAR on the Calendar of Events. MOULIN ROUGE! - Thursday, March 7, 2024
Enter a world of splendor and romance, of eye-popping excess, of glitz, grandeur, and glory! A world where Bohemians and aristocrats rub elbows and revel in electrifying enchantment. Welcome to Moulin Rouge! The Musical! Baz Luhrmann's revolutionary film comes to life onstage, remixed in a new musical mash-up extravaganza. Directed by Tony Award® winner Alex Timbers, Moulin Rouge! The Musical is a theatrical celebration of Truth, Beauty, Freedom, and — above all — Love. With a book by Tony Award® winner John Logan; music supervision, orchestrations, and arrangements by Tony Award® winner Justin Levine; and choreography by Tony Award® winner Sonya Tayeh, Moulin Rouge! The Musical! is more than a musical — it is a state of mind.

Mrs. DOUBTFIRE - Thursday, April 11, 2024
Everyone's favorite Scottish nanny is headed to town in an internationally acclaimed new hit musical critics call "wonderful, heart-warming, and laugh-out-loud funny" (Manchester Evening News) and "a feel-good, family-friendly comedy that delivers" (The Hollywood Reporter). Based on the beloved film and directed by four-time Tony Award® winner Jerry Zaks, Mrs. Doubtfire tells the hysterical and heartfelt story of an out-of-work actor who will do anything for his kids. It's "the lovable, big-hearted musical comedy we need right now," raves the Chicago Tribune – one that proves we're better together.

HOUSE & ACTIVITIES COMMITTEE

By Jeanine Banks, House & Activities Committee Chairman

I'm delighted to continue my appointment as House & Activities Chairman for the 2023-2024 Season. I welcome Bill Berkowitz as my Vice-Chair and am pleased to continue working closely with our dedicated and talented management team - John Collings, Assistant General Manager and Christina Guilianti, Director of Activities. Together we extend a warm welcome to the member volunteers who will serve on the House & Activities Committee with us and look forward to an interactive, informative and productive forum.

What does Boca West have planned for the summer season for members to look forward to?

An exciting Summer awaits! Our very popular "Dinner and a Show" nights will continue, along with our popular dinner dances. We are planning to bring back the Prime Cut "Summer Socials" and will host special holiday events on Memorial Day, the 4th of July and culminate with our 2nd Annual Labor Day "white party". We are also going to continue lite bites and entertainment in the Living Room and even thinking about doing after dinner "DJ nights" for members to enjoy. As always we are constantly trying to be create new ideas for events and entertainment for our members during summer so stay tuned.

What is the Club doing this Summer to enhance staffing?

With more and more members choosing to live at Boca West year round, summer staffing remains a challenge, however we have implemented some innovative staffing solutions in the past two years that we expect to grow. In addition to hiring new local staff members every month, we are continuing our Boca West Academy Hospitality Management Internship (HMI) program which has been very successful over the past two summers. The HMI program provides a paid internship to hospitality scholars from schools such as FSU, University of South Carolina and James Madison University, providing them with on the job experience and mentorship. We have also expanded our international recruitment outreach attracting students from Montreal, Ireland and India to spend the summer 2023 season with us. Some of our international staff have been granted their green cards, and our members will be seeing some familiar international talent that haven't spent the summer with us before. Our goal is that with the additional staffing, we can open more amenities this Summer for our members enjoy.

When will the summer dress code go into effect and what will it be?

Our Summer dress code goes into effect on May 31, 2023. Relaxed attire will be welcomed in all areas. sure to read your dining confirmations with the most up-to-date information as well as on our App and Website under DINING, DRESS CODE.

Our thanks to John Collings for his insights and contributions to this article.

A BREATH OF

Oxygenating Facials are designed to deliver oxygen to your skin in the form of a light mist that works on the premise that oxygen in the body as well as topically is good for the skin. In skin care, oxygen is essential for the synthesis of new collagen. An Oxygenating Facial is usually carried out with a small pen like device called an airbrush. The airbrush sprays pure oxygen, also known as hyperbaric oxygen, using a comfortable pressure, into the epidermis (the uppermost layer of the skin). Oxygen treatments utilize superior ingredients with a small molecular structure, such as serums rich in vitamins, antioxidants, nutrient extracts, botanicals, minerals, and moisturizers that are infused into your skin along with the oxygen. These ingredients will be applied to the skin immediately prior to the oxygen, and are then more readily absorbed into the skin during the treatment.

Fresh Air (...For Your Skin)

The machine uses real pure oxygen gas and distilled water to feed and nourish the skin, speeding the healing process of infected and inflamed skin. It is also a perfect addition to peels and micro-dermabrasion treatments. As our skin ages the oxygen levels in the facial tissues naturally decline due to hormonal changes and worsening blood circulation. By increasing these levels, you can improve the health of your skin and delay the signs of aging.

This is a great treatment for all skin types and conditions including very sensitive skin, inflamed rosacea, acne, post acid peels, and post plastic surgery. Oxygen treatments help speed the healing process and prevent post inflammatory scarring by encouraging the growth of new skin cells. Oxygen also naturally kills the bacteria associated with acne breakouts. Controlling bacteria lessens the potential for infection, inflammation, and redness.

After your facial is completed your face will feel smooth, hydrated and plump, especially if you have opted to include micro-dermabrasion or a vitamin C peel with your treatment. In addition, you should also notice an improved color and glowing radiance to your skin, with a clearer complexion due to increased blood circulation and higher tissue oxygenation levels.

The Spa at Boca West offers an Oxy-Boost Collagen Facial which will provide your skin with the oxygen it needs to soothe, hydrate and detoxify, as well as the vitamins and nutrients to strengthen elastin and collagen fibers. Please contact The Spa at 488-7880.

BOCA WEST CHILDREN'S FOUNDATION

On March 27, the Foundation's 11th Annual Golf Challenge raised more than $600,000 for "our" kids. 400 golfers competed for 26 of our charities for shares of the $100,000 prize money. Top honors were taken by Sweet Dream Makers (pictured below), with Place of Hope and Unicorn finishing second and third.

Jay DiPietro Low Gross Award Winners - Philip Engman, Brandon Lustig, Wil Schenck, and not pictured, Dan Pendola, playing for Unicorn Children's Foundation with Chairman, Richard Zenker.

The women's low gross award winners went to Kim Milocco, Cristy Fimiani, Aileen Farrell and Renee Callahan, playing for Spirit of Giving.

As this season winds down, your board is hard at work planning to do even more for "our" kids next season. Mark your calendars for some of the terrific events we have on tap:

December 16, 2023: Our 14th Annual Adopt-a-Family/Home for the Holidays. 150 kids from the Boys and Girls Clubs will have the opportunity to spend $50 at Old Navy with the help of volunteers. They will then go to the Boca West Country Club for a fantastic breakfast and pick out an age-appropriate gift. All children will receive a harvest basket to take home to their families for the holidays. Volunteers are needed!

March 25, 2024: Join us for our 12th Annual Golf Challenge. We will once again play to raise funds for our charity partners.

These are some of the highlights, but we expect that there will be more.

VOLUNTEER HIGHLIGHTS:

Ethel Gittlin, longtime supporter of the Foundation, volunteers her time weekly at the SOS Children's Village to teach kids how to paint. Recently, she took some of the girls out to lunch and the Norton Museum of Art – their very first museum. Thank you, Ethel!

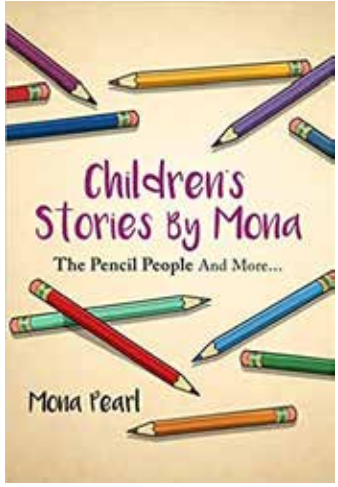

We encourage other members who are interested in sharing their talents and volunteering their time to reach out to the Foundation.

Mona Pearl

Last month we featured Mona Pearl, author of Children's Stories by Mona, published on February 14 and available on Amazon. Mona is contributing 100% of the sales proceeds of her book to the Boca West Children's Foundation.

Thank you, Mona!

We are humbled by the Boca West community support and are excited about our plans for next season. The entire board thanks you on behalf of our charity partners and "our" kids.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

We would like to give a special thank you to the 2022/2023 Board of Directors for their service and dedication to the Boca West Master Association. Over the past several years, the Board had numerous successful accomplishments. The BWMA interior Administration and Security offices were renovated, and new landscaping was upgraded in the front. We ensured mandatory Club membership. In collaboration with the Club via the Boca West Community Advisors (Joint Venture), we held various seminars for the Village Boards and played a critical role in the success of the Boca West Community Advisors (Joint Venture). We are moving forward with the Glades Gatehouse Project and the lighting project. The BWMA hosted seminars for members on how to outsmart the scammers and also for Village Boards and property managers on Architectural Control. More to come! We hired an Executive Director, Michael Eustace, who brings 20 years of experience to BWMA. Last but not least, we commend our BWMA employees for their work and dedication in keeping the BWMA operating smoothly.

The Ombudsman offers an alternative opportunity to resolve complaints, concerns or problems in a timely and private manner. Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

If you have a question, concern or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at ombudsman@bocawestcc.org, and please be sure to enter the word OMBUDSMAN in the subject line.

LEGAL COMMITTEE UPDATE

Jonathan Schraub, Legal Committee Chairman

The Club Rules and Regulations have been reviewed by the Legal Committee and certain amendments have been adopted by the Board of Governors. The amended Rules are available on the Club website. Specific attention should be paid to the substantive changes to the 75-mile rule affecting Club members who own homes within 75 miles of a Boca West.

BOCA WEST, AS WE ALL KNOW, HAS A HIGHLY ACTIVE RUMOR MILL

So, in the interest of Community harmony, I would like to identify and dispel some of the misinformation and misunderstandings circulating around the Community concerning our Club Improvement Program.

I have heard the words "Malfeasance" and "Mismanagement" in regard to the current construction. I want to reassure everyone that due diligence and attention has been applied throughout the entire project. We are in sound financial shape in terms of our long- term projections for income and expenses. It is still correct that joining fees will exceed the extra costs that we have incurred over the life of the project and the loan that the members approved.

As background: Membership approved the Project in March of 2020. It was to begin with the refurbishment of the Country Club building and Mr. D's, beginning Summer 2020 followed by the Sports Center in October/November 2020, with a phased approach. At the onset of the pandemic in March 2020 and the uncertainty of the virus, the Board and Management made a decision to delay the start of the Club Improvement Program by a year. That meant the work on the Country Club and Mr. D's was pushed back to the Summer of 2021 and the Sports Center was pushed to the Spring of 2022. It is important to note that we only started the demolition of the Sports Center 13 months ago at the end of March 2022, 18 months after originally planned.

We started to see the cost increases in the Summer of 2021 while we were refurbishing the Country Club interiors and a bit more with Mr. D's. As it was an upgrade and not an actual reconstruction, we only felt the economic stressors slightly in deliverables, paint and labor.

In the Spring of 2022, the Lifestyle and Racquet Center construction began in earnest. We know, in retrospect, that the construction industry ballooned and massive construction cost increases started to become evident. Nationwide, the Construction Industry saw construction costs rise 50-70% overall on every project. Florida experienced the greatest increases nationally with the demand for new housing and then the consequences of hurricane disasters on the West Coast of Florida.

Cost increases included:

- Roofing up 40%
- Electrical up 35%
- Cement and Concrete up 50%
- Glass up 25 to 30%
- Gypsum (drywall) up 35%
- Steel up 100 %!!
- Hardware/Lumber up 35%
- HVAC Air Conditioning Equipment up 45%
- Labor costs skyrocketed as competition for construction workers accelerated and went up 50%

Added to these increased costs were significant delays in the permitting process by Palm Beach County which caused a ripple effect on product delivery. For example, the delay in the permit process for building footings pushed back the scheduled delivery of concreate; when the permit was approved concrete deliveries were delayed a month at a minimum. The delivery of other materials needed for construction were also delayed. For example, a new elevator that was ordered took over a year for delivery; a pool electric equipment that was scheduled for delivery was not delivered, and we were told by the distributor that it was on back order and if we wanted to go to the top of the list, we would have to pay an additional $100,000.00. We threatened legal action, and it was delivered a month later. These are only a few examples of the many obstacles and issues that have been repeated since the project began. These occurrences were frequent and not only increased costs but added delays to the project and Matthew has reported on this in many of his email communications and magazine articles over the past year.

CHAIRMAN'S LETTER

CONTINUED

Jaclyn Schomber and Russell Devick, the Club employed Owner Representatives and Project Managers, oversee the project for us daily. They hold Contractors, Engineers, Architects, Land Planners and multiple layers of Consultants accountable and watch every worker and every dollar spent. Since the start of the Project, construction meetings are held twice weekly with all those involved including Matt and specific Department Heads. Additionally the Board of Governors has a Special Projects Committee that is updated regularly and reports to the Board are given monthly in the General Managers report.

In Florida, we know from every report we read that the costs are even higher. This is where much of the Construction is happening, so competition for labor is tremendous and natural disasters have not helped our situation by shifting manpower and materials to the disaster torn Florida west coast from Hurricane Ian. In the April 3rd edition of the Palm Beach Post, it was noted that "Supply-chain issues, high labor costs and inflation are creating havoc with over a half billion dollars in County construction projects, forcing delays of as long as a year, according to County officials." This is evident in Palm Beach County, throughout Florida and here at Boca West.

When we went to bid, we had great pricing - everyone wanted our business because of the scale and size of the project and the prestige of Boca West. All project costs were vetted in relation to the market and economy at the time the Club Improvement Program concept was approved by the Board and Membership. Unfortunately, that all went out the window when the project was delayed by over a year, and the uncertainty of the pandemic turned the world upside down. When actual contracts were signed at the start of construction, the costs had already almost doubled from Fall 2019 budgets to over two years later.

With all this being said, we are almost at the finish line of the project. The impact, when opened, will be tremendous. Remember, we had anticipated an early Winter opening and Management had planned accordingly. With the delays, and inflation, our revenue stream has been greatly reduced while our expenses have increased. We had anticipated having several more restaurants in operation and this has not happened. This has put a strain on the Club's operating budget and our current cash flow. So, although the Club is economically sound and the project costs have been impacted with all variables stated above, be assured that your Management team and the Board will get us through this and we will soon be reveling in our new facility.

Another series of rumors relates to Golf:

One is that due to the current Golf Membership course usage, the Club will be limiting the number of Golf memberships in the future---NOT TRUE. Although we are looking at various options to deal with the increased volume of golf play since the pandemic, this is not one of them that has been discussed.

Another is that the Club is considering tying a Golf Membership with a home purchase---NOT TRUE. We have, as our foundation, that Members are Members and all our Members are treated equally.

As we are planning the future Golf Course renovations, it is the Club's intent to renovate one course at a time ---TRUE. As we look forward, we will look to renovate/update courses one at a time usually from Spring to late Fall. We also are assured that when open, there will be no requirement for "Cart Path Only" for any long length of time.

And finally, NO! Matt is not leaving Boca West. Just remember the magnificent job he and his Management team have done in navigating the unknowns of the pandemic and construction delays, pivoting to provide fantastic activities during the holidays and accommodating us on a daily basis. They have gone above and beyond. Matt and his management team have, and will continue to have the support and confidence of the Board of Governors and the members of Boca West.

Hopefully you can see that as a large Club, we have a lot of people with a variety of opinions and feelings. Your Professional Staff is in the Member pleasing business and your Board of Governors are volunteers who have been elected to ensure that all our voices are heard. Trust that their motives are true, and our goal is for Boca West to continue to prosper and flourish. Please, when you see any of them, thank them for their service.

As always, I am available at pedwards@bocawestcc.org.
