PRESIDENT'S LETTER

Dear Member,

The summer is flying by!!! I hope you have been able to take advantage of the summer offerings here at the Club: Virtual Clubhouse Lectures, Golf and Racquet Sport Tournaments, Summer Socials, Game Nights, 4th of July Smoker and the wildly popular DJ Nights. If not, there's still some time left and many more activities and events planned before we begin another fantastic year. Read through this issue to find out more.

The **Lifestyle & Racquet Center** is still a work in progress and is coming along nicely. In my email sent to the membership on June 27 I shared an update on the construction with an estimated completion schedule. **The Fitness Studios are still on track to open in the latter part of August** with the exception of the Pilates Studio. **The entire Aquatic Complex including Cabana Bar and Grill will open before the end of September. The Main Lobby which includes Fitness Locker Rooms, Market Square; the Second floor space which includes Card Rooms and the Game Lounge will be opening before the end of October.** Blue Point and Aria Bar and Rooftop will open in November, although they will be completed in October, we do not plan on opening them until November like we have done with MyPi in years past due to staff arrivals and training. As each area opens we plan to tour Members around to get everyone acquainted as we have done in the past.

Our behind the scenes work that began in May continues with annual repairs and maintenance to our facilities. We will close each building for a period of time in August while business is slower so not to disrupt your daily schedule. **The Country Club will be closed July 24 through August 6** for maintenance and to finally thinset the pavers at the Porte Cochere. As you know, these pavers were not initially installed correctly when we refurbished the building in 2021 and I'm sure many of you have seen the eye sore of orange cones, sandbags and rain barriers that go up each time it rains. **Work in Grand Central will follow and the restaurant will be closed August 7 through 31** to replace the carpet and complete some much needed maintenance. We are also replacing the counter top that faces the Corner Deli for two larger high top tables and the communal table that was along the window will be relocated behind the hostess stand. We feel that this will give Members more dining options. While this work commences in Grand Central, we will be replacing the carpet in the front lobby of the Golf and Activities Center with tile. The lobby carpet unfortunately has not worn well and we feel tile will last much longer with the amount of foot traffic. The building will remain open during this work with temporary entrances set up for access to the different areas of the building.

Moving onto the Racquet Center; late this Summer we will be resurfacing 12 Tennis courts along with making repairs to the drains to fix issues that occur after heavy rains. Additionally, the Racquet Center building will be painted to match the new Lifestyle Center. In Golf, our Agronomy team has been hard at work completing the annual aerification and maintenance to the golf courses. The North and South Range Tee's will undergo some regrassing and the bunkers on Fazio II and Palmer III will have the sand replenished. **Fazio II will undergo the biggest repairs with the regrassing of holes 3, 4, 5 and 6 with Bimini Bermudagrass** – hopefully you all watched the video done by Travis and Jeremiah. The existing grass was sprayed and the new grass will be planted within the first weeks of August. This change will prepare us and give a better understanding of what to expect during the future renovations. I am pleased to report that the **Comfort Station upgrades**, which have taken much too long to complete will be completed before the end of August. Thank you for your patience during this process as we navigated through constant deliverable delays.

As mentioned in my previous article, we hired 18 Hospitality Management Interns from Universities around the country and 18 J1 Interns from Canada and Ireland, and their time with us has been amazing: we are so proud of their hard work! They have spent time learning each of our departments which gives them an overall better grasp of the Country Club lifestyle and industry. As our current interns near the end of their time with us, our Human Resources department continues to add new Staff Members to our team literally each day. **Thank you for your support and patience as we constantly onboard and train staff to provide the superior service you are accustomed to.** The Human Resources team is also travelling internationally at the end of July and August to interview and select new Staff Members for our H2B program this October. New this year, we have petitioned the Department of Labor to have our H2B visas extend through the month of June for a portion of our Staff. This will be beneficial to bridge the gap in staffing when the majority of our International staff departs for their northern Clubs and our Summer Interns arrive and go through onboarding and training. Please remember the government does not permit H2B workers to remain through the Summer – it must be seasonal. Our presence at various Universities and Hospitality Schools around the Country has gained momentum. This Summer, I have been invited to the University of Central Florida, the University of South Carolina and FIU to speak to their hospitality students to help guide their careers within Hospitality and Club Management, and to attend their career fairs along with my team.

The annual Membership Dues package has been mailed to all Members. If you have not received yours yet or have any questions, please contact the Membership department at 488-6934, and they will be happy to assist in any way possible. Also included in your package is the calendar of events for the upcoming year. Be sure to make your plans early and MARK YOUR CALENDARS for all the upcoming opportunities to have FUN at your Club!

With this said, start spreading the word for our **Season Opener** events and activities throughout the month of November. On your calendar you will see that our annual **Evening Tennis Exhibition and Dinner** on November 10 will get us started. Followed by our **Annual Golf Tournament** on November 11 and 12 and our **Tennis and Pickleball Tournaments** on November 18 and 19 are sure to provide fun for you and your guests! Join us on November 17 or 18 for **A Night in St. Barths Theme Night** set at our gorgeous new pool deck beneath a starlit sky. As the sun goes down, Boca West heats up and the Pool Deck will come alive with DJ's, live performers and an electric vibe. We will jetset you to the ultimate luxury Island destination as you dance the night away where modern elegance meets old world glamour.

Your staff has been hard at work to make this an outstanding year! We look forward to seeing you at as many events possible! As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around. Wishing you all the best year yet!

Sincerely,

Matthew Linderman, CCM

Anette Isaacs
From Survivors to DPs: Jews in Post-War Germany
Thursday, November 2
It is a little-known fact that right after the end of World War II, over 200 000 Jewish Refugees and Holocaust Survivors found temporary asylum in Germany, of all places. The occupying forces created the so-called DP Camps for these Displaced Persons and helped them to prepare for a future life in the United States and Israel, for example with the creation of training Kibbutzim on German territory. Join German Historian Anette Isaacs, Program Director of FIU's OLLI Institute, and gain fascinating insights into Jewish Life in immediate Post-War Germany.

Germany and Israel—an unlikely Friendship - Thursday, November 9
In 1965 Germany and Israel reluctantly entered into diplomatic relations. What at first glance seems to be a rather unlikely relationship –especially in light of the shared history-- has evolved over time into a blossoming friendship and successful economic bond. Join Anette Isaacs, Program Director of FIU's OLLI Institute, as she discusses the history of German- Israeli relations.

SUMMER ZOOM LECTURE

Elizabeth Taylor-A Life of Passion and Resilience presented by Rene Silvin
Monday, August 7 at 4pm on ZOOM
Capturing the limelight at age 11, Elizabeth Taylor lived her entire life in the public eye, ultimately becoming the highest paid movie star in the world. She was a self-confident maverick, who blazed a unique trail of joys and tragedies, eliciting international adoration and criticism. She played in critically acclaimed movies, capturing two Oscars for Best Actress, as well as many other awards including the Presidential Citizens Medal. She used her stardom later in life to bring awareness to the AIDS crises at a time when she felt the world was ignoring the gravity of the deadly disease. René will share her complex story, which includes her eight weddings, conversion to Judaism, while amassing one of the world's most legendary jewelry collection. He will explain how her dramatic movies intertwined with her highly publicized personal life; a fact which was encouraged by movie executives and resulted in creating one of the world's greatest international icons. René had the opportunity to interact with Taylor on several occasions and, using over 200 pictures and videos, will incorporate those personal anecdotes into the presentation, to create a full picture of Taylor's exceptional life.

Zooms are complimentary, however, reservations are required. Only one registration per household please, as it's on zoom. To reserve your spot, please reserve through the Boca West Website/App or send an email to Activities@bocawestcc.org. Please be courteous to other members, if you find you are unable to participate in the zoom lecture at that time, and have been reserved, please be sure to cancel so we may accommodate others. Zooms will not be recorded.

ON THE COURSES

By Bob Lerner,
Golf Committee Chair

SOME NEWS AND UPDATES

It gives us great pleasure to announce the promotion of Kevin Terry to *Director of Play.* As Kevin starts his 16th season, he looks forward to elevating the member on-course experience throughout many high-touch point areas throughout the golf facilities. "KT is the perfect individual for this vertical promotion and we look forward to watching him exceed in his new role" said Travis Wehr, Director of Golf. Chris Rice was also recently promoted to *Player Operations Coordinator;* during which he will work with Kevin. Improving the on-course experience as it relates to pace of play and creating a warm and welcoming atmosphere is a top priority.

Don't be surprised if you run into Nanna Koerstz Madsen around the golf facilities as she is back home, practicing over the next four weeks. If you haven't heard, back in June she finished in a tie for fourth at the Shoprite LPGA Classic and a tie for 11th at the KPMG Women's PGA Championship, both held in NJ.

GOLF AND AGRONOMY UPDATES

Reciprocal Golf: When creating this year's reciprocity program, we wanted to create exclusivity and reciprocate with a few like-minded, good neighboring Clubs. At the end of this year's program, we will be evaluating all facets; thinking of ways to improve upon next year.

Tournament Schedule: Our tournament schedule has been completed and the "Golf Book" I discussed previously is being produced. It will be distributed in the very near future. Special thanks go to Meg, her team, and our golf committee in developing what we are confident will be a very exciting and enjoyable season. You will see many old favorite tournament formats and some new ones as well.

Agronomy: In May we completed Phase One of our annual summer aerification program on all four courses. In Phase Two, each course will be closed for two weeks commencing in June. For the specifics of what will occur during these closures, **PLEASE VIEW TRAVIS' LATEST 2½ MINUTE VIDEO RELEASED IN THE JUNE 17 EMAIL.** We are receiving rave compliments on these informative videos from golfers and non-golfers alike. Note that our professional staff, the golf committee, and I have had discussions on possibly adjusting the aerification schedule to allow additional time for each course to "heal" before play resumes. Jeremiah, his team, and Travis are taking a hard look at the benefits. I will have additional updates on the topic in my next article.

Storm Warnings: It was brought to the golf committee that if you are on Dye IV, after a storm alert is activated, it can be difficult to get home or to a safe place before the lighting event. After golf operations had discussions with Thor-Guard, our storm alert system manufacturer, I was advised that changes are being made to our warning system that will add more warning time for those seeking shelter. We are assured that the necessary software adjustment will not increase the likelihood of increasing false alarms. I was also told that the Thor-Guard technicians have been on Dye IV since my last article, all systems have been checked, and any required maintenance was completed. Please, at all times be cognizant that as soon as you hear a storm alert … **EVERYONE MUST IMMEDIATELY STOP PLAY!!**

Fazio II, Hole 4, The Par 3: After checking with the appropriate organizations, golf operations is creating a new local rule in creating a drop area. Once finalized it will communicated to membership.

Dye IV Stroke Index Allocation: We continue to explore the varying options of allocation of stroke index values in the Rules of Handicapping under the World Handicap System. In other words, the Professional Staff are still working with the Florida State Golf Association on developing the most effective procedure in order to most accurately assign such values listed on the scorecard.

SOME PERSONAL COMMENTARY:

It has been four months since I took over the responsibilities of Golf Chair and here are some of my initial observations and thoughts. The short video series we are producing has been very well received. Our upcoming videos not quite yet "in the can" will focus on golf course etiquette and rules, speed of play, and cart positioning near greens. We will finish this summer's series with a video on safety and emergency protocols while on our courses. I have not reviewed Travis's resume submitted when Matthew hired him. However, if it did not mention his expertise in video production, directing, editing; and oh yes, ACTING, it should have; thank you Travis. These videos will make a significant difference here at Boca West and will continue to support your mission to improve the golfing experience for our members and guests. Many members have asked me to provide some additional biographical information on Travis which will be done in my next article. I mentioned previously that we are working to improve our tee time reservation system. I hope to be able to discuss these improvements after this summer's beta testing is completed.

Finally, I have been touched by the many compliments and the support I have received as Golf Chair. From my vantage point I could not be more excited in what I see is in store for all of us in the immediate future. I have reviewed the upcoming budget and be assured that golf operations will be a main focus which will result in meaningful enhancements which I will detail in October. More importantly, I am witnessing firsthand and up close, a new energy level within the entire golf staff and a level of enthusiasm that will spread to our entire membership.

I am the first to recognize that the compliments I have received are meant for the entire Golf and Agronomy teams, my Vice-Chair Bob Schwartz and the members of our Golf Committee. I accept them for the entire team and thank you on their behalf.

Enjoy the balance of your summer and see you all soon!

TEACHING CORNER

by Pam Elders, Director of Instruction

Are you having trouble hitting the ball straight? There are many reasons that this could be happening. The first two things I check for are your swing path and your club face angle at impact. When you slice the ball you are not only hitting it off line but you are also loosing distance as the ball is spinning sideways. You may have heard your friends say you are “Swinging over the Top” or “Casting from the top.” Those are two very obvious swing flaws. If this sounds like your swing, you need to check out the training aid we have at the front of the range called the Explaininator.

You may have seen some people using it when you drive past the range. To use this device stand inside the circle with the stick resting on the outside of the metal ring. The goal is to swing the stick back and forth keeping the stick on the circle. Next to the devise are a few weight swing sticks, but I prefer for you to use one of the white alignment sticks located at each of the hitting stations on the range. This will show you whether or not you are staying on the correct path. If this is good then the next thing to check is your club face angle at impact. Give this a try on your own, but if you are having difficulty please feel free to ask one of the Teaching Professionals to help you or explain this concept to you. Most golfers to correct their slice just start aiming further in the other direction. This seems like it should work, but it only creates a more outside in swing path. Just remember two wrongs don’t make a right. Good luck and remember the more you practice the luckier you get.

Summer ON THE COURTS

It's been a typical Boca summer. Rainier than usual, but plenty of competition in both tennis and pickleball. Pickleball Courts 1-4 have been resurfaced, and plans are in place to repair the 12 tennis courts that have been slow to drain after rains, so all courts should be functional for the coming season.

Meanwhile, here's what's coming up!

August 19-22 – Summer Smash Open: Junior Boys

August 26-29 – Summer Smash Open: Junior Girls

September 9-11 – Sunshine State Open: Cream of the crop juniors.

If you haven't watched these superb players in the past, treat yourself to the great level of tennis by these up-and-coming future stars.

And a special event scheduled for the weekend of October 20-22: Maccabi Games featuring Pro-Am, Exhibition and Amateur competitions in Pickleball. This is an outside event that's being hosted by Boca West. Be sure to save the date to watch these outstanding athletes. Also, our members will be able to participate via a joining fee to the event's organizers. Stay tuned for details.

Questions: Racquet Sports Desk, 488-6996

>>NEW Pickleball Touring Pro

Please join us in welcoming Christa Gecheva, our Pickleball Touring Pro. She will be practicing here, playing in some of our exhibitions and representing the Club all around the nation. Stay tuned for announcements on how she is doing throughout the Pickleball season!

Steve Roth

The Ombudsman offers an alternative opportunity to resolve complaints, concerns or problems in a timely and private manner. Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

If you have a question, concern or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at ombudsman@bocawestcc.org, and please be sure to enter the word OMBUDSMAN in the subject line.

SUNSHINE COMMITTEE

Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

ANOTHER RECORD-BREAKING YEAR

The Boca West Children's Foundation just completed another record year. **More than $2,000,000** has been distributed to over 30 children's charity programs which aid more than 10,000 at-risk children in Palm Beach County.

With the support of the members of Boca West Country Club, local businesses, the Palm Beach County Sheriff's Foundation, the Florida State Legislature, the Governor's Office and many others, we exceeded last year's record-breaking total and once again granted more than $2 million to a wide variety of charity projects.

We operate in a non-traditional manner. Every year, we allocate nearly all our funds and begin each year with zero. From our inception, we did this because the urgent needs of vulnerable children require immediate attention. We view it as our responsibility to provide shelter, nourishment, clothing, education, and safety to "our" kids, and expend all our resources to do so each year.

At the start of our year, we work from scratch to keep our programs functioning. In September everyone will receive our Annual Member's Appeal. We hope you will help us continue our good works.

OUR FUNDRAISING EVENTS THIS YEAR WILL INCLUDE:

- A Fabulous Las Vegas Super Bowl Raffle Package
- **December 9** - Walk the Walk Funfest in West Palm Beach during the Palm Beaches Marathon Weekend
- **December 16** - Home for the Holidays Old Navy Shopping Spree and Boca West Brunch with the kids from the Boys and Girls Clubs
- **January 29** – The return of Walk in the Woods
- **February 27** – 9th Annual Diaper Drive
- **March 25** – 12th Annual Golf Challenge
- **April 17** – Luncheon at Boca West
- Bikes for Tikes

We invite each and every one of you to join our foundation in making a lasting impact on children's lives. Whether it's through a donation, volunteering your time, or spreading awareness about our cause, your involvement matters. Together, we can provide them with hope, opportunities, and a brighter future.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

By Elaine Wittlin, BRMA President

One of the most frequently asked questions is the distinction between the Boca West Master Association and the Country Club at Boca West. Understanding this difference is key to clarifying their respective responsibilities within the community.

The Master Association takes charge of various essential aspects related to safety, security, landscaping, and the infrastructure utilized by residents. Their primary focus is on ensuring the well-being and comfort of the Boca West Community, management matters such as residential safety measures, maintaining the community's landscape, and overseeing the infrastructure that supports residents' daily lives.

On the other hand, the Country Club is responsible for the recreational and social amenities offered within the Boca West community. This includes the golf course, tennis courts, clubhouses, restaurants, pool, and members-only areas designed for the enjoyment of Country Club members. Their main objective is to provide exceptional facilities and services to enhance the members' experience and foster a vibrant social environment.

Understanding these distinctions allows residents to appreciate the separate roles and responsibilities fulfilled by the Master Association and the Country Club at Boca West, ultimately enhancing their overall experience within this vibrant community.

Let me give you a sneak preview of some of the Board's focus on the coming months:

- Lighting from Glades Rd into the main entrance
- Main gate renovations
- Entrance renovation (both short term and long term)
- Akoya left turn lane
- Replacing the pavers at Jog entrance
- Upgrading our website
- Finalizing our Welcome Book
- Creation of a conference room for the benefit of Villages and Residents' meetings
- Update parking facility at the Master Association for easy access

I would also like to take a moment to express our heartfelt gratitude to the current Board Members of the Master Association. This exceptional group of dedicated residents has gone above and beyond to ensure that our community thrives.

The Board is composed of individuals who not only possess expertise in their respective fields but have also demonstrated a remarkable commitment to transparency, cost-effectiveness, and the overall improvement of our community. Their selflessness and dedication are truly commendable.

The entire Board is committed to transparency and resident communication, which has been instrumental in fostering the strong sense of trust and unity that has blossomed within our community.

Finally, I am delighted to share the exciting news that the Villages have approved the implementation of the $10,000 capital contribution initiative at Boca West. This initiative will be applied as a one-time charge to new residents, with no fee for any resident who is selling their property. It is important to note that this fee will not be retroactive and will not apply to existing residents.

The purpose of this fee is to contribute to capital improvements within our community, enhancing safety and ensuring that our community remains modern and up to date. These improvements will benefit all residents, fostering a more secure and enjoyable living environment.

By implementing the $10,000 initiative, we are demonstrating our commitment to continuously improving and investing in the well-being of our community. This initiative will enable us to carry out essential enhancements that will contribute to the overall quality of life for all residents.

We greatly appreciate the support and cooperation of the Villages in approving the initiative, and we look forward to the positive impact it will have on Boca West. Together, we are creating a community that thrives and continues to provide an exceptional living experience for all.

If you have any questions or require further information regarding this initiative, please don't hesitate to reach out. Thank you for your ongoing support as we work towards building a safer and more modern community for everyone.

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for action to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes a final decision regarding resolution of the Grievance. The Member is then notified and has forty five days in which to appeal the decision of the Board. Six Grievances will be presented.

Grievances 01-2023 and 02-2023:

Both Grievances were referred by Members of the Boca West Master Association Grievance Committee. These Grievances involve Boca West Members who exhibited flagrant disregard for Boca West Master Association Traffic Rules and Regulations. Both Members violated Boca West Bylaws, Article X, Section 10.02 endangering the welfare and safety of Boca West Members, families and guests. Both Members had multiple speeding violations, ignored meetings with the Master Association Grievance Committee, and ignored transponder suspensions. One Member paid fines while the other did not.

The Grievance Committee recommendation to the Board of Governors:

1. One year suspension from all venues and activities in Boca West Country Club. Future violations will trigger immediate suspension.
2. Payment of all outstanding fines.
3. Letters of apology to Boca West Country Club and Boca West Master Association acknowledging that their reckless behavior endangered the welfare and safety of Members of the Club, their families, and guests, and acknowledging that they will become a safe driver.
4. This incident is made part of the Members file

The Board of Governors agreed with the Grievance Committee and added that upon successful completion of a Florida Driver Improvement Course, the Board will reconsider a reduction in the suspensions.

Neither Member appealed. However, one Member completed the Basic Florida Driver Improvement Course and their suspension was reduced to nine months.

Grievance 03-2023:

This Grievance was submitted by the Director of Fitness, Aquatics, and Spa Operations and the Chair of the Board of Directors Fitness, Aquatics, and Spa Committee. The Member was alleged to have violated Bylaw Article X, Section 10.02 with disrespectful behavior towards staff in the Fitness Center and failure to cooperate with the check in policies of the Fitness Center.

The Grievance Committee recommendation to the Board of Governors:

1. Three months suspension from all venues and activities followed by six months of probation, while Member is in residence at Boca West.
2. Letters of Apology to Fitness Center Staff and to the Board of Governors
3. This incident is made part of the Members file

The Board of Governors agreed with the Grievance Committee.

The Member did not appeal.

Grievance 04-2023:

This Grievance was submitted by the Chair of the Retail Committee. This Member was alleged to have violated Bylaw Article X, Section 10.02 by removing items from the Boca West Boutique without paying for them. There was video footage documentation.

The Grievance Committee recommendation to the Board of Governors:

1. One year suspension from all Boca West venues and activities.
2. Letters of Apology to the Retail Staff in the Boutique and to the Board of Governors.
3. This incident is made part of the Members file.

The Board of Governors agreed with the recommendations of the Grievance Committee.

The Member appealed and the terms of the suspension were reduced to nine months followed by a three month probation period. Any further violation of Bylaws will necessitate return to the Grievance Committee.

Grievance 05-2023 and 06-2023:

Both Grievances were referred to the Grievance Committee by the Chair of the Membership Committee in accordance with a motion at the February Board of Governors meeting. The Grievances allege that the 75-Mile Rule and Agreement were violated by each Member.

The pertinent Rules and Regulations state,

"A limited social Member with Additional Use Privileges may not at any time lease or rent their Boca West Residence or permit its use or occupancy by anyone other than such Member and such Member's Relatives"

Both Members signed a document acknowledging the 75 mile agreement.

Both Members rented their Boca West property.

The Grievance Committee recommendation to the Board of Governors:

1. Six month suspension from all venues and activities in Boca West Country Club.
2. This incident is made part of the Members file

The Board of Governors ruled that both Members be suspended for a period of one year from all venues and activities in Boca West Country Club.

Both Members appealed and the length of the suspension was reduced to a period of six months for both Members.

HOUSE & ACTIVITIES COMMITTEE

By Jeanine Banks, House & Activities Committee Chairman

It's been quite a busy and exciting Summer here at Boca West! From monthly dinner dances to DJ nights in the Livingroom to Bingo and Trivia nights at Grand Central, lectures, card games, upcoming Socials in Prime Cut - just to name a few of the events and activities offered throughout Summer 2023. In addition to this, we have welcomed interns, many seasonal and new employees who have joined our Boca West family.

We sat down recently with ***Veronica Castellano, F&B Administration Operations Director*** and are devoting this month's article to highlighting Boca West's first Promise Leader recipient, which is awarded to the Boca West leader who demonstrates an exceptional commitment to our family promise. Veronica's career at Boca West spans 27 years, beginning as a Server in the former Sports Pavilion. Prior to joining Boca West, she was employed at the Atlantic City Country Club in New Jersey.

What do you love most about your job at Boca West? I love being part of such a supportive and wonderful family. Building long-term relationships with both the membership and my fellow employees has given me the opportunity to learn and grow both personally and professionally. I recently experienced a loss in my family and the outpouring of well wishes and support from my Boca West family helped me through such a difficult time. I am truly blessed to be part of such a supportive and caring organization.

What is the Promise? The Boca West Family "Promise" is our core mission statement detailing the defining values that we use to guide our employees. The word "Promise" is broken down into specific core values – Professionalism, Respect, Ownership, Mindfulness, Initiative, Safety and Engagement.

You were recently honored as a Boca West Promise Leader. What does the Promise mean to you and how do you incorporate its core values into your work? The Promise Leader is a leadership recognition program to recognize those managers that go above and beyond the Boca West Family Promise. I was truly honored to not only be nominated but selected as a Promise Leader being chosen by my fellow peers for this recognition. To be respected and valued as part of such a wonderful team and organization is just remarkable and drives me to continue to not only maintain these values but to also try and improve myself and the team around me every day. These core values drive my every interaction, not only at work, but, when I am off property as well.

Many members have questions about reservations. Can you guide our members as to how to make their requests and how your team strives to accommodate as many requests as possible?

Members can submit reservation requests in writing a few different ways: via the member's website or app, email or dining request card. We always suggest not only submitting a request in writing before we conduct the initial assignment two weeks prior to the date, but, including a "not before" and a "not after" time frame. This gives the system a time frame to work within to accommodate the reservation request. Due to the high volume of members that reside at Boca West, there are times when the restaurants cannot accommodate every member requesting a reservation at a certain time frame. Members always ask me why only 6pm or 8pm reservations are available but on an average evening, I would say approximately 75% of the requests are submitted between 6:30pm and 7pm. We do try and offer alternatives if a desired reservation is not available but obviously it is difficult to accommodate everyone at those specific times. We hope that with the opening of Blue Point we can offer reservations as well as options for "walk-ins". We are very hopeful to be able to take care of more of our members wishing to dine with us this season with the expanded options.

When you're not at Boca West how do you enjoy spending your time?

I enjoy going home after work and catching up with my daughter, Arianna, to see how her day was and spending time with my cats. I am a "Bravo-holic", so, I enjoy watching my favorite shows and during football season, you can find me cheering on my #1 favorite team, the Chicago Bears or the Philadelphia Eagles.

Please join us in congratulating Veronica on her well-deserved Promise Leader recognition.

CHAIRMAN'S LETTER

I HOPE YOU ARE ALL HAVING A WONDERFUL SUMMER WHETHER YOU WERE IN BOCA WEST OR ELSEWHERE. We have had some wonderful events and activities here this summer and have seen more and more of our members remaining here full-time.

By now you should have received your 2023 dues package. I would like to thank our Budget Committee Chairman Enid Hoffman and Vice Chairman Arthur Schwartzman as well as Kathy Campbell our CFO and Matthew Linderman for delivering a budget that will enable the club to continue to provide the quality of services that we at Boca W have become accustomed to. This budget was approved by the Board of Governors at its June meeting. As we stated in letters to the members, this has been yet another challenging year: due to continued increased inflation and the need to increase staffing. Most of the budget increase was due to this increased cost for staff due to increased member usage. Insurance cost have risen and as well as utilities.

Please make sure that you return the completed packet by September 30 to ensure continued membership.

Also included in your dues packet is an insurance guarantee for those members adding trail fees for their golf carts. This ensures protection for you and the club in case of an incident. Include that in your return envelope.

It is important to note that through the Joint Venture, working with the Master Association, we have identified those who live in Boca West and have failed to pay their annual dues. The Club pays all the legal fees, and the Master association processes them. Through this process the Master Association has, and will continue to, attempt full repayment from those individuals with debts through fines, liens, and foreclosure. This process was established as a way to control your annual dues. For every individual not paying their annual responsibility as members, your dues goes up that amount. At one point when we had more than 50 of these situations, the budget increase was significant. We currently have reduced those to a fraction of that number. Many have repaid prior to foreclosure and some units have been sold, after judgement, through auction.

The Board of Governors, at its June board meeting, approved an increase in the joining fees for new members from $90,000 to $115,000 beginning October 1, 2023. Although significant, Boca West still has one of the lowest joining fees in relation to comparable communities in the area. The Board fulfilled its fiduciary responsibility after reviewing all of the data, discussing all possible implications with Realtors, and completing a comparative analysis of the joining fees of 22 similar communities. Due diligence has been followed.

As we end the fiscal year, I want to take a moment to publicly thank our incredibly hard-working Board of Governors. As volunteers and members, themselves, they spend countless hours listening, learning, and acting in response to the needs of our membership. They chair committees, participate in meetings, and interact with the community. Their commitment and dedication is a blessing to us all and allows Boca West to thrive and grow. When you see one of them, please thank them for their service.

Finally, I wish everyone a happy, safe, and healthy balance of the summer. I am always available for suggestions and feedback. You may reach me at: pedwards@bocawestcc.org
