PRESIDENT'S LETTER

Dear Member,

Who's ready for another wonderful season of events, activities, and being together? The team has planned many new activities and events for this upcoming season along with some of your previous Boca West favorites. As you know, Boca West Country Club is far from an ordinary country club. I sincerely hope you take advantage of all we have to offer and if you haven't yet, then try something new – something out of your comfort zone – something not in your normal every day routine. I challenge you to have more fun and explore all that your Club has to offer. Truly, *Love the Life you Live, Live the Life you Love!*

We are thrilled that you are all so excited for our opening theme night: **A Night in St. Barths**, scheduled for next month on November 17, 18 AND 19. We hope you'll join us to ***let us jetset you to the ultimate luxury island destination.*** We've planned a spectacular event on ***our new pool deck, beneath a starlit sky.*** We already have over 1,700 reservation requests! As a result we have added a third night so that we can accommodate everyone who wants to come. Requests may still be made to the Activities department until October 16. You don't want to miss out on this fabulous event!

Taste of the Season, our annual food and wine inspired brochure, encompasses a list of experiential style events and dinners starting in November will be out soon! New this year is our Michelin Chef inspired dinner series where Chef Paul and his team will recreate the famous flavors of these renowned chefs and destinations held in Prime Cut. Our monthly Panache wine tastings return have been renamed **"Uncorked".** We are also excited to unveil the long awaited new monthly wine club soon to be available at Market Square. Be on the lookout for emails and brochures in any of our restaurants for more details. More details to come.

Did you know Boca West has its own signature pours? We have partnered with **Codigo Tequila, Islamorada Beer Company and Buffalo Trace Distillery** to bring you our own Rosa Blanco Tequila, Boca West Lager and Single Barrel Select Bourbon. Codigo 1530 Rosa Blanco rested for one month in uncharred Napa Cabernet French White Oak barrel to produce a refined spirit with a natural color as beautiful as it tastes. The Boca West Select Codiga Tequila was bottled in September 2022 and is available in all bars around the Club. The Boca West Lager by Islamorada Beer Company is brewed in Key Largo and is available in Grand Central and will also be available in the new Cabana Bar & Grill. **Our amazing Beverage Manager duo, Sue Bowker and Jody Craul traveled to Kentucky this summer** to hand select our Buffalo Trace barrel and after a few tastings and many laughs they chose our very own Bourbon, just for us! Buffalo Trace Distilleries was awarded Global Distiller of the year and American Distiller of the year for 2022. **I can't wait to hear your thoughts on our new pours!**

BOCA WEST Cares

In keeping with the Club's history of giving back to the community, we recently launched **Boca West Cares.** Our unwavering commitment to the care of our community and each other by providing unique engagement opportunities for our Members and Staff to participate in. Giving back to the community is ingrained in all of our culture! Just look at the many years and efforts of our Boca West Children's Foundation, Boca West Chapters of Hadassah and the Pap Corps, and in other local community volunteering. From our staff cleaning our beaches to Habitat for Humanity to **Hope Week**. Hope Week returns for the second year and will be held January 29 - February 4, 2024. Stay tuned for details in the coming weeks. Another wonderful example of Boca West Cares is member Mona Pearl. She recently published a book, ***Children's Stories by Mona,*** **and is donating 100% of the sales proceeds to the Boca West Children's Foundation.** You can purchase this adorable children's book exclusively on Amazon.

LIVE WELL

Our **Live Well** program (formerly Live Fit) at Boca West provides our Members with all the support to achieve optimum health and overall wellness, whether it's staying active, overall mind and body restoration, mindful and social engagement, or nourishment. Live Well incorporates engaging ways to stay active and ensure your body has the fuel it needs to maintain a healthy and fulfilled lifestyle. **Live Well for Sports,** an individually curated program for each sport from Golf to Racquet Sports, targets the areas of improving balance, mobility, strength, flexibility, endurance, and cardiovascular health. Through the program, each Member has the opportunity to meet with one of our Boca West fitness staff members who will provide an assessment and create an individualized program for their specific goals. Instructional videos are also available to Members to enhance their personalized Live Well for Sports experience. Call the Fitness department 488-6944 for more information, or see the banners around the Club.

FIND US ON

Thank you for your continued patience during the construction of The Lifestyle and Racquet Center. As I have shared in my emails and letters, the exact opening dates continue to shift slightly due to further unexpected delays. We recently experienced this with the opening of the Fitness Studios, we had opened the room for classes and then a Palm Beach County inspector told us we needed additional inspections as they were confused on the areas we needed approved based on the structure of the original permits - we had to move all equipment and supplies out of the room while we waited for inspections. I will continue to share email updates on the phased openings rather than detailing them in this article as the time this article was written and the magazine went to print, the dates may change. We have already overcome so many obstacles, but we are so close to the finish line and I am so excited for you to enjoy your new facilities this season and for a long time to come.

As we look forward to welcoming many of you back to your paradise, we also await the arrival of our almost **400 International seasonal staff** with a large group starting to arrive by mid-October. We are so fortunate to have over 60% of our International staff returning to us again this year, I know we are just as excited to have them back with us as they are to returning to us! It has been a busy summer for our Human Resources department as they travelled the world to personally interview and hand select the remaining International staff for this season. The trips to South Africa, Ireland and Portugal were so successful and the team reported back that this was one of the best recruiting trips in 24 years, in regards to the quality of candidates interviewed.

Pickleball is America's fastest-growing sport and we are so proud of our thriving Pickleball program and facilities. I'm happy to share that we've recently hired **Christa Gecheva** as the pickleball touring pro for Boca West Country Club. Gecheva, who hails from Wimbledon, England, is a former Division 1 college tennis player for the University of Wyoming and coached Division 1 tennis for three years and junior protégés for six years before discovering pickleball in 2021. In December 2022, she was drafted to be on an MLP (Major League Pickleball) team. Gecheva then moved to Florida and has been traveling the country competing on the pro tour.

This has been a challenging few years for all of us and I know we are all ready to enjoy our Boca West Lifestyle Center and get back to enjoying EVERYTHING Boca West has to offer.

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

Accredited by the American Association of Museums and listed on the national Register of Historic Places, this 35-acre historic estate on Fort Lauderdale Beach is an extraordinary blend of art, history and nature. The whimsically-designed house was built in 1920 and was home to artists Frederic and Evelyn Bartlett. Bonnet House was the romantic, whimsical winter getaway of wealthy Chicago-born artist Frederic Clay Bartlett and his wife, Evelyn Fortune Bartlett, an artist in her own right. But unlike lavish show-palaces of the era, Bonnet House was a very personal, intimate creation intended just for family and close friends. It's been perfectly preserved in its 1930's and 40's period of significance, full of delightful surprises.

By Dr. David Shifrin,
Racquet Sports Committee Chair

What's Happening ON THE COURTS

This past September, 12 tennis courts were resurfaced in order to facilitate faster drying after rains and the original four pickleball courts have been resurfaced.

We hosted three USTA Junior events recently. The Summer Smash Open held August 19-21/Boys Main Draw and August 26-28/Girls Main Draw and the Sunshine State Open for juniors was held on September 9-11. Coming up this month is the Columbus Day Open on October 7-9. These are annual events held at the Club for these up and coming tennis players. We hope you were able to get out and watch.

On October 21 & 22, we'll be hosting the Pickleball Maccabi Games. Members can participate for a fee (to be determined). Check with the staff at The Racquet Center for more information.

Special New Event: Plans are underway for an intra-club pickleball league. This will appeal to those who prefer playing at Boca West instead of (or in addition to) outside venues. Currently planned for the months of January- March, matches on Thursday afternoons. Stay tuned for details.

Season Opening Tournaments: Our first Pickleball Exhibition and Clinic will be held on November 9 and our Season Kickoff Exhibition and Dinner will be held on November 10. Tennis on November 18 and Pickleball on November 19 & 26 (two dates to accommodate everyone who wants to enter).

Here's to another great season.

ON THE COURSES

By Bob Lerner,
Golf Committee Chair

We hope you enjoyed a wonderful summer. Everyone throughout the Golf and Agronomy Departments welcome you home – to Boca West. A friendly reminder that the tournament schedule was featured in last month's Magazine and our new Golf Book will be distributed this month. We look forward to seeing many of you participate in our tournaments as we have made some favorable adjustments to formatting, scheduling, and created some diversity to the programming. We have a Par 3-18 Hole and the Luken-Ryder Cup in October. Our Season Opening Golf and Dinner will be November 11 and 12. I have spoken to our Catering Department and I suggest you bring a big appetite and your dancing shoes as a wonderful evening is planned.

Most of what is in this next section is highlighted in our summer video series which, from the responses we continue to receive, has been a resounding success. For those who have not yet viewed these 2½ minute videos, open the Boca West App, click on the "Golf Icon", and scroll to the bottom. They are under "Instructional Videos". Additionally, the Communications Department emails these videos to the entire membership when they are produced.

RULES CHANGE/ENFORCEMENT: The tee-time cancellation and no-show rule (page 54 of Boca West Rules and Regulations) indicates a no-show fee of $25 will be charged to all members who do not cancel their tee time by 3pm the previous day. After consultation with the Professional Golf Staff and the Golf Committee, I submitted a resolution to the Board of Governors for their consideration to change the notification rule from 3pm the day before to 1-hour prior to your scheduled tee time on the same day. This was passed unanimously and is the new rule. A no-show fee will be charged on your member account starting October 10, if you do not cancel accordingly. Members can cancel by calling the cancellation/waitlist line at 483-6390 by giving the Member's name(s), their account number(s), and all tee time(s) for individuals cancelling.

In response to the many members who have asked about his background and as promised in my previous article, here is a short bio on **Travis Wehrs our Director of Golf Operations**. Last year Matthew Linderman hired PGA ExecuSearch to spearhead a national search for a new leader for our Golf Staff. Last December Matthew hired Travis and he joined our team on February 2, 2023. I am more than happy to report that since then Travis has initiated, organized, and directed many new and innovative projects and programs that are already improving the golfing experience and enjoyment here at Boca West. For those of you who have not yet met Travis; he grew up in Milford, Nebraska and attended the University of Nebraska, Florida Gulf Coast, and Hodges University. He holds an undergraduate degree in Justice Studies and a master's degree in Public Administration. Additionally, Travis has a Certified Professional Degree from the PGA of America in Golf Operations and General Management. Before joining our team, Travis spent 12 years as the Head Golf Professional at Olde Hickory Golf and Country Club in Fort Myers and 8 years as the Director of Golf at Fiddlesticks Country Club, also in Fort Myers. Travis's wife Jennifer and three children, Ty, Evan, and Sydney are excited to be a part of the Boca West Family.

To conclude, I want to share some personal and heartfelt thoughts from your Chairman of Golf. I still pinch myself every time I pass through the Boca West entry gates. Time and again I get to experience how fortunate I am to be able to enjoy the Boca West Lifestyle. For me, golf is the "icing" on the cake. But this feeling has been accentuated this year knowing that the golfing experiences being shared by all our members and their guests were enhanced through the efforts of our entire golf operations staff. In my view, our young staff is far exceeding expectations, especially those with new areas of responsibility. I again thank them on behalf of all of us.

As we begin the new golf season, I ask that we each do our part to follow and adhere to the rules and appropriate golf etiquette. Let's help each other enjoy the upcoming season. Thank you and I will see you on the links.

TEACHING CORNER

by Chris Czaja, PGA Teaching Professional

Have an Expert Check Your Putting Mechanics

Confidence in your putting allows you to relax and play the percentages with your long game. And when the pressure is off your drives and approach shots, you tend to hit those shots better because you make freer swings.

Nothing improves your attitude, your confidence and your score like good putting.

Most amateurs pay little attention to the mechanics of the putting stroke. They work on reading greens and gauging speed and on drills that develop feel, but they don't go to experts to insure that their mechanics are solid. Those same amateurs would be the first to seek out professional help if they developed the shanks or if they were duck-hooking every tee shot out of bounds. But for some reason, a putting lesson never enters their minds.

Consider taking a putting lesson to review the basic putting fundamentals (grip, alignment, tilt and stroke mechanics) that are best suited for your style.

Your putting and your game would improve tremendously if you did the same.

THE MASTER ASSOCIATION
OF BOCA WEST COMMUNITY

Elaine Wittlin
President

Dear Residents,

As we close out another summer at Boca West, it seems an appropriate time to catch up on what your Master Association has accomplished on your behalf this summer. Despite significant weather challenges, we have managed to go above-and-beyond for your safety, security, and the overall enhancements for the community. We have received many accolades for the fresh painting of the security gatehouses, the new pavers at the Jog Road entrance and the upgrade to LED lighting on Country Club Blvd, from Glades Road to the club. For the continued safety of our residents, we have completed the much-needed left turn lane off Boca West Drive into the Akoya community. The Board also unanimously approved the renewal of the AMR and the Palm Beach Sheriff department contracts.

By Jeanine Banks, House & Activities Committee Chairman

This month's article is dedicated to all things ***"Chef Paul".*** I had the pleasure, along with my Vice Chair of House & Activities Bill Berkowitz, of sitting down with Executive Chef, Paul Griffen and thought our members would enjoy learning more about him, his culinary talent, his take on trends and how he and his culinary team will enhance our dining options and overall experience throughout the existing and expanded venues this Season at Boca West.

Chef Paul, please share with us your culinary experience.

My first two job offers after culinary school were The Ritz Carlton in Southern Cali and The Breakers Hotel in Palm Beach. After a few years, my pursuit of excellence led me to Dennis Max and Burt Rappaport with their restaurant, *Maxaluna,* which at the time was their flagship restaurant which was ranked the top restaurant in Palm Beach.

After five years learning Tuscan cuisine, I left to go to work for Steven Starr's restaurant, Striped Bass, which at the time was considered one of the best seafood restaurants in the Country. One day while working, I got a call from Dennis Max to come back to Florida to take the Executive position at Prezzo in Boca Raton and back to Florida I went.

My next 17 years were spent as Corporate Chef for Delray Beach hot spots such as *The Office, Vic and Angelos, Gotham Steak House* and eventually founding the "fast casual" concept *Burgerfi. Burgerfi* started in 2011 and in five years we had opened 50 restaurants nationally. By 2019, we had 150 restaurants internationally and went public in late 2020.

You worked at Boca West 18 years ago - what enticed you to come back as the Executive Chef in 2022?

I started as executive sous chef back in 2006 when Matthew Linderman and Chef Roger first started. My first experience here was amazing, working with not only Matthew and Roger, but Mr. D, Chef Hans and the rest of the team. Due to the size of our Club, culinary operations can be extremely challenging, however also very rewarding, as it provides me with the opportunity for so much creativity across the various restaurant concepts and events.

After a few years, I headed out to carve my own path. During these years I stayed in touch with Matthew through social media knowing that one day I would return to Boca West and continue the excellence. After a long tenure with BurgerFi and seeing the demise of hospitality in the food service industry, I knew my time in the fast casual arena was completed. As I planned for my exit, I knew where I wanted to be -- Boca West Country Club. I called Roger and the rest is history!

Our members are very discerning and are accustomed to certain products for the past 20 years with Chef Roger. How do you incorporate your own style into such an established product and its presentation?

I have been at Boca West long enough to know to create change slowly; it's kind of like steering a REALLY big ship. We know what the core products enjoyed here at Boca West are and I don't have any intention of changing those. In saying that, we do sell and create a lot of food options which gives us the ability to try new trends, add something different and in the last 14 months I have made minor tweaks to buffets and changes across a la carte menus in all outlets. A lot of the changes have been met with open arms and with the use of data and member sentiment, we track how products sell and make adjustments accordingly.

What is your vision for cuisine at the various dining locations at Boca West moving forward?

My vision is founded on the most important fundamental of never compromising on quality. As the number of outlets grow, I want to see concept individuality, unique ambiances and flavor profiles and techniques specific to each restaurant location. My vision relies on the collaboration of all levels of the culinary team. Product development and innovation excels when the team is inspired with a collaborative vision.

Tell us more about the culinary team and kitchen facilities at Bluepoint, Aria and the Cabana Bar & Grill.

Under the leadership of our esteemed Director of Culinary Operations, Roger Brock, also known to our members as Chef Roger, the culinary team has done an amazing job cultivating an international team, which expands our level of service for our members during Season and now throughout Summer. Our Chef Management Team is second to none. The new Lifestyle Center kitchens are exceptional and contain cutting edge equipment. New technological features will enhance efficiency, food quality and consistency. There are even several pieces of equipment that will create flavor profiles that will be a new culinary experience for our membership.

What new trends and member preferences do you see necessitating changes?

I believe the ***Live Well*** program has a lot of growth potential. The plant-based craze may not last forever but healthier lifestyles with vegan and flexitarian (part time vegetarian) diets will always be with us. I see the volume of vegetarian options and flavor profiles growing rather quickly throughout many of the outlets.

We hope you have enjoyed getting to know Chef Paul and welcome you to say hello next time you are dining. Chef Paul was born and raised in New Zealand, came over to the States at the age of thirteen and has called Florida his home since 1991. He and his amazing wife Karen of 25 years have two children Alyse and Matthew. In his free time, when not in the kitchen, he loves to fish, travel and play any sport possible - golf, tennis, you name it!

Wishing all of our Members a Happy Fall - full of family, friends and fun!

By Rick Chavis, Grievance Committee Chair

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for action to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes the final decision regarding resolution of the Grievance. The subject member is then notified and has forty five days in which to appeal the decision of the Board. Two Grievances will be presented.

Grievance 07-2023

Grievance 08-2023

NOMINATING COMMITTEE

Jonathan Schraub, Chairman

This year, I have the honor of serving as Chair of the Nominating Committee for the Board of Governors. I want to discuss the process with you and urge you to consider submitting your name for consideration in this year's Board election.

Boca West is a large and complex organization, and we are fortunate to have a remarkable, professional staff that attends to the many operational functions of the Club on a day-to-day basis. But a co-equal partner in the job of running this business falls to the Board of Governors. While the professional staff has full responsibility for operations, decisions regarding short- and long-term policies that affect all members and will direct the future course of the Club fall to the Board.

The Board is comprised of 15 individuals who serve for an initial three-year term and then may choose to run for a second three-year term. This year we will have five "open" seats (including the possibility of three incumbents who will be running for their second term) The election this year will be one of the more critical that we have faced in many years because of the number of "new" Members we will be welcoming to the Board, the expansion of the physical footprint of the Club, the newly available resources that will be opening shortly and the truly impressive number of new Members spanning a wide age range who have joined our Club over the past few years.

Our mandate as the Nominating Committee is to secure as many qualified applicants as possible to submit their names to the Committee for consideration. Even though we are a very large and diverse Club with a wide array of talented members, it has often proven difficult to entice otherwise qualified members to submit their names for consideration. Although I cannot say with certainty why this problem exists, I believe, it is due to some combination of the following concerns:

1. **"Serving on the Board will take up too much of my time and I will not be able to participate in the Club leisure activities that I now enjoy."** This concern is based on a misconception about Board service. Of course, service on the Board involves a willingness to make a commitment of time and effort. But this can easily be overstated. No one should shy away from an interest in the Board for fear of being overwhelmed with time-consuming duties. Given the size of this community and the issues we deal with, the time commitment for a Board Member is not onerous and to serve on the Board no one must forfeit participation in any activity that they currently enjoy. Certainly, there may be specific times where a conflict arises, but these conflicts are neither often nor all that burdensome. The Board has one monthly meeting. Other than that, Board Members can expect one or two meetings each month depending upon the Committee assignments. **In the end, if you ask any current or former Board Member, he or she will tell you that service on the Board complimented their enjoyment of the Club – it did not detract from it.**
2. **"I don't want to get involved in an election process where I may be one of the persons not chosen."** No one likes to put himself or herself forward for a position and not be chosen. The Club has expressed its preference, however, for an election process that allows members a choice of candidates and it is a necessary corollary to that process that not everyone nominated will get elected. **But fear of a "stigma" attaching to running and not being successful is totally misplaced.** The fact is that there is no stigma attached to being an unsuccessful candidate. **Indeed, just the opposite is true.** Regardless of the outcome of an election, members appreciate and respect an individual's willingness to put his or her name forward, state positions on important Club issues and let the electorate decide. Indeed, proof of this can be seen in the number of instances where Members who were nominated and were not successful in their initial run for the Board put themselves forward a second time and were successful. **If you believe you have something to offer to the governance of this Club, put your name forward for consideration.**
3. **"I worked my entire career, and I came to Boca West to rest and just have fun."** This is a sentiment we all share to one degree or another, but it also misses some important points. For many of us, our working careers provided satisfying intellectual stimulation, challenge, and enjoyable interaction with colleagues. It also may have provided more than its fair share of pressure! While Service on the Board does not come with any measurable quotient of "pressure," It is quite possible to forget how enjoyable it can be to be challenged by issues, problems and options affecting your community that require thoughtful, reasoned, collaborative decision-making. It is also easy to overlook the satisfaction that comes with being a part of a cohesive group of individuals who are supportive of each other (even if we all do not always agree on all issues!) and who take seriously their responsibility to work together to advance a common goal – the well-being and continued success of the community we share and love.

We all want our Club to be a success and to continue to offer the unparalleled array of services that Boca West is justly famous for. For this to happen, we need to have a Board that reflects as best we can the wide range of our diverse Membership and to have as many Members as we can to put themselves forward for consideration for Board service.

So, in the end, what type of candidate are we looking for?

- Individuals who have some experience in Club governance either at the community or Committee level;
- Individuals who are independent thinkers and not afraid to speak up and speak out but who, at the same time, are open to changing their minds if better ideas are presented and thus are committed to a respectful, collaborative decision-making process;

We are confident that there are a lot of you out there who meet these criteria!

We urge you to consider this carefully and to contact my vice-chair Charles Wolf or me with any question you have or to discuss on a confidential basis any interest you may have in submitting your name for consideration for this year's election.

CHAIRMAN'S LETTER

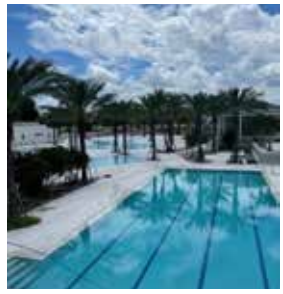

WHETHER YOU ARE TRAVELING, OR ENJOYING ALL THAT BOCA WEST HAS TO OFFER, BE ASSURED THAT WE HAVE BEEN SPENDING MONTHS PLANNING THE 2023-24 SEASON FOR OUR MEMBERS.

It has been three months since my last update. To my pleasure, the construction of the new Lifestyle and Racquet Center is progressing according to Matthew's schedule, made public in June. Below are some pictures of the completed pools. Please be sure to view Matthew's updated Videos to see the progress that is being made. Planning ahead, we have set the dates of November 17, 18 and 19 for our Boca West opening Gala "A Night at St. Barths" at the Pool. I look forward to seeing many of you. It will indeed be spectacular!

You are all aware of the controversy regarding the Florida Sales Tax Holiday and if it applies to Country Club dues. Currently two neighboring Clubs, the Fountains and St. Andrews have decided not to tax a portion of their dues package. They both collect their dues on a monthly basis. That is clearly not our business model, we collect dues annually as our Membership expects all our amenities to open as soon as the season commences. That is not feasible when dues are collected monthly. Although my first letter fully clarified the issue and suggested a possible course of action, many Members were still confused. We felt that further clarification was necessary and as such the second letter was distributed. In late August, Matthew, Kathy Campbell (the Club's CFO), Frank Richard, Artie Schwartzman and I met with RSM, the Club's Auditors, on how to proceed. RSM recommended that the only way to obtain a definitive answer is to file a request for a Technical Assistance Advisement (TAA) with the State Department of Revenue. The ruling would be binding solely to Boca West Country Club and not applicable to any other club. The Club has signed an engagement letter with RSM to begin the TAA process and it may take anywhere from six to nine months for a decision to be rendered. As always I will keep you informed.

We are all incredibly pleased with the preliminary list of potential nominees for next year's Board. The Nominating Committee, chaired by Jonathan Schraub and Vice Chair Charlie Wolf, are reaching out to our Membership in various ways to identify future leaders of the Club. We continue to seek those members who wish to "throw their hats into the ring" and have an impact on the future of Boca West. Please contact Jon directly at jjschraub@gmail.com or the Executive offices if you are interested.

The Special Projects Committee will be having its first meeting with our Golf Architects to begin planning the first phase of the next project. As you know this project will entail the renovation of two Golf Courses, the Golf Practice area, a Tennis/Pickleball renovation, building a terrace onto The Living Room and add additional storage areas for the Country Club. We will keep you informed as we begin to shape the next piece of the puzzle. This process takes years of planning before it can be brought to the membership for a vote of approval. We are looking to present this to the Membership for a Special Vote in March of 2025.

Hope Week is scheduled for January 29 through February 4, 2024. Thanks to Jeanine Banks Chair and Steve Roth Vice-Chair for coordinating with Staff and Charity groups to continue this incredible philanthropic initiative. To reiterate, Hope Week is an opportunity for members of Boca West to participate in one or more activities related to our many valued community charity partners. It was an exceptional week in 2023 for the inaugural year and plans to be even better in 2024. Thank you to all our partner charities, The Boca West Chapter Pap Corps, Hadassah, the Boca West Children's Foundation, The Country Club Staff, Jeanine, and Steve for working as a team to make this special week a reality.

The 2023-24 season is expected to be outstanding. With the arrival of our International Staff in October and November, the complete opening of our Lifestyle and Racquet Center, the reopening of Prime Cut, the Carnival, Tanglewood and a plethora of activities, trips, lectures, and events this looks to be a jam-packed year ahead of us. So, hold on to your hats as our new year commences.

Finally, be happy, safe, and healthy until we see you again. I am always available for suggestions and feedback. You may reach me at: pedwards@bocawestcc.org
