PRESIDENT'S LETTER

Dear Member,

I am extremely happy to announce that Boca West Country Club has been ranked 13th of the Top 100 Platinum Clubs of the World, and once again the highest ranked Residential Club. An accomplishment you should all be extremely proud of! Moving up one spot, the management team, staff and I are beaming with pride... especially with all the challenges we have been faced with these last two plus years! I know your staff and I are certainly honored to serve you.

November is here and that means our **Season Opener** events and activities are about to kick off! For those of you who have just returned, welcome home; we are so happy you are back. Each department has once again spent the summer diligently planning events for you. **Fire & Ice Casino Night,** our November theme night, will be held over the course of two evenings (November 17 and 18) so we may accommodate all. A personal favorite of mine is our **Veteran's Day Breakfast** that takes place in the Cypress Room on Friday, November 10. It always touches my heart to see all of our very own Boca West Veterans there enjoying themselves. Thank you for your dedication to serving our Country.

Special recognition was recently given to **Pam Elders**, our ***Director of Instruction***, from the South Florida Section of the PGA. She was honored as the fifth recipient of the Patriot Award. The Patriot Award recognizes a PGA member who personifies patriotism through the game of golf and demonstrates unwavering commitment and dedication to all who have served the United States. Pam plays a pivotal role in the South Florida PGA HOPE program, leading numerous programs since becoming a certificate instructor six years ago. This past year, she was a key figure in the Women's PGA HOPE program at Broken Sound Club, the first program that featured all female participants and instructors.

Our 16th **Annual Carnival** is back this year on December 29 from 4-9pm. This event is always a favorite with our Members and their families. It's always GREAT to see all ages enjoying themselves with all the rides, games, fun foods and topped off with a spectacular fireworks display bringing out the kid in all of us. In addition to the Carnival, our week-long **Family Holiday Street Fair** will be held in the evenings from Tuesday, December 26 - Sunday, December 31 featuring live music, arts and crafts, games, and of course great food and will be located behind the Golf and Activities Center, by the range.

Thank you for your continued patience during the construction. As I have shared in many emails and letters, we have had many obstacles to overcome, but we are **finally almost at the finish line**. A reminder of all the new and exciting dining and retail venues in the Lifestyle Center is listed below. Due to the timing of writing this article and printing of the magazine opening dates will be shared soon.

- **Market Square**, a grab-and-go cafe with both indoor and outdoor seating, will feature a menu with creative light fare along with healthy options, specialty gourmet market items with daily essentials for purchase, as well as heat and serve prepared meals to take home and of course our **OMG** house made gelato and baked goods for those wanting to splurge!
- The all new luxurious **Aquatics Center** will feature a new arrival building complete with the **Cabana Shop**, a new retail outlet, a first aid center and restroom facilities. The Aquatics Center will also have a new **Pool House** with showers and restrooms as well as day use lockers for visiting families or yourselves.
- Our all new **Cabana Bar and Grill** will have a wraparound terrace overlooking the pools and golf course. This will be a great place to enjoy lunch alfresco, a drink poolside and soon to be introduced, BBQ dinners under the stars.
- **Blue Point**, a vibrant coastal influenced restaurant with outdoor dining overlooking our Aquatics Center. This restaurant will have expanded dining availability with its own modern bar inside the restaurant, an open concept kitchen including a full service sushi bar and a wood-fire hearth oven as well. A portion of the restaurant can be closed off into a smaller restaurant and bar that we can use as a smaller venue during the slower months.
- **Aria Bar & Rooftop** will be a place to enjoy a delicious hand crafted cocktail and light-bites or playing a game of bocce ball while enjoying the nightly live music or a DJ under the stars on the Rooftop terrace. The bar and rooftop have been completely redesigned with an expanded bar and lounge that leads to an outside rooftop terrace with seating and stunning panoramic views of the Golf Course and Aquatics Center.

We cannot forget the addition of **The Spa Garden**; a serene and relaxing garden for you to enjoy before, during, or after treatments at the Spa. The garden will have an outdoor wet area with relaxing therapeutic water features, lounge chairs and cabanas for outdoor massage treatments or lunch before your next treatment. Keep in mind this will be the last area to open.

As I'm sure you have noticed, we welcomed home many of our International staff, along with many first timers over the past three weeks! They are all so excited to be here and get settled in their respective departments. My sincerest appreciation to you in advance for your patience as more staff arrives and goes through our orientation and training program. We still have 100 plus arrivals through the middle of November.

In closing, I would like to take a moment to thank Roger Brock, our Director of Culinary, who as you know will be retiring this month. His dedication and passion for Boca West are truly remarkable. Roger and I started at Boca West on the same day over 18 years ago and I would be remiss without saying how grateful I am to Roger for his tenure. I have gained tremendous admiration and respect for his vision and leadership. He has been a tremendous support for me and working side-by-side with him has been a true pleasure that I will always cherish. Thank you Roger, you will be forever missed. With all this said, I would like to share that Executive Chef Paul Griffin has been promoted to Director of Culinary. Paul and Roger have worked side-by-side for almost the last two years and I am confident in Paul's ability to continue the high level of culinary excellence Boca West is known for.

My family, Yamile, Alexa, Sophia and I, along with your wonderful staff wish you all a happy and heartfelt Thanksgiving filled with cherished memories and many blessings. As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club. See you around!

Sincerely,

Matthew Linderman, CCM

PRIME CUT MICHELIN CHEF INSPIRED DINNER SERIES

MICHELIN

Featured Michelin Chef: **Massimo Bottura**
Star Rating: *** Michelin Stars
Tuesday, December 12, 6-9pm
$125++ Per Person

"Not everyone can be a truffle. Most of us are potatoes. And a potato is a very good thing to be."

Massimo Bottura is a renowned Italian chef and owner of Osteria Francescana, a three Michelin star restaurant in Modena, Italy. He has consistently been listed as one of the world's best chefs and is among the 2019 TIME 100 most influential people. Chef Bottura uses his global platform to advocate for the reduction of food waste, for healthy and sustainable food systems, and for the protection of the environment and bio diversity through sustainable cooking practices and ingredient sourcing.

Born and raised in Modena, Italy, he developed an interest in cooking from a young age while watching his mother, grandmother and aunt in the kitchen, preparing meals for the family. His career began in 1986 with apprenticeships under culinary masters like Georges Coigny and Alain Ducasse at Hotel de Paris Montecarlo, forming a foundation of regional Italian cooking and classical French training. The accolades then started to come into chef Bottura's life when, in 1995, he opened Osteria Francescana, where he was free to combine his indisputable talent with his creativity. Three Michelin stars and second place ranking in the World's 50 Best Restaurants, Chef Bottura's gastronomic aptitude is at the forefront of modern Italian cuisine.

In 2016, Bottura founded "Food for Soul" together with his wife, Lara Gilmore, a nonprofit organization that, through the daily work of Refettorios around the world, aims at contrasting food waste and social isolation through the power of beauty, the quality of ideas and the value of hospitality. Some of Massimo's famous dishes are tortellini walking on broth, five ages of parmigiano reggiano, oops! I dropped the lemon tart, memory of a mortadella sandwich, an eel swimming up the Po River and beautiful psychedelic veal, not flame-grilled.

Accredited by the American Association of Museums and listed on the national Register of Historic Places, this 35-acre historic estate on Fort Lauderdale Beach is an extraordinary blend of art, history and nature. The whimsically-designed house was built in 1920 and was home to artists Frederic and Evelyn Bartlett. Bonnet House was the romantic, whimsical winter getaway of wealthy Chicago-born artist Frederic Clay Bartlett and his wife, Evelyn Fortune Bartlett, an artist in her own right. But unlike lavish show-palaces of the era, Bonnet House was a very personal, intimate creation intended just for family and close friends. It's been perfectly preserved in its 1930's and 40's period of significance, full of delightful surprises.

WELCOME BACK

It is nice to see so many members returning and hear about their summer activities and golf accomplishments. An exciting golf season has been planned for all. It commences with our Season Opener on the weekend of November 11 and 12. (Members will be notified which day they will be playing.) It concludes with our Opening Dinner Dance on Sunday, November 12. Golf members who want to play but who missed the entry deadline should contact Golf Events ASAP to see if they can be added or waitlisted (no guarantees). Please remember to review the tournament schedule and note the signup deadline for each tournament. Given the format changes we have made and this season's tournament lineup, we expect significant participation.

SOME GOLF OPERATION AND AGRONOMY UPDATES

- All Fazio II and Palmer III bunkers have received new sand.
- Starter podiums have been situated on courses and are functional.
- We have replaced all practice balls with a new Callaway white ball. (Remember, use of practice balls on our courses is not permitted.)
- We have new, aesthetically pleasing signage on all courses and golf facilities.
- A rule change and new enforcement update to our no show/no cancellation tee time policy has been put in place. (Please refer to our previously distributed explanations.)
- Our new Golf Book has been published and distributed.
- Our new Golf Instructional Program booklet has been published and distributed.
- The Driving Range has new mats to hit from. Canopies have been repaired throughout and a new canopy was installed on the South Range.
- Analysis is ongoing of members' scorecards so we can get the Dye IV hole handicaps revised. To do this we need more scorecards turned in at Golf Operations. Please indicate tee played, handicap and name
- Rave reviews continue for our 2½ minute video series and these will continue throughout the season.
- As part of our educational experience we will be hosting monthly meetings as a way to enhance the Boca West golf experience. Dates and event details will be sent out to the membership throughout the Golf Season.

GPS SOFTWARE UPDATES

Much attention has been directed to our GPS units on the golf cart fleet and private carts. If you are still experiencing difficulty, please contact the professional staff and they will assist with any concerns. The functionality enhancement updates to the software are now complete and we've implemented:

a. Cart Ahead feature on Palmer I—holes #3, #6, #8, #9. These selected tee shots are blind and give the golfer an immediate notification of player activity ahead.

b. Work is ongoing with the GPS Company and Golf Course Maintenance as we work towards activating the Pin Zone feature which provides a more accurate yardage to the pin placement when compared to the previous software that only indicated front-middle-back.

c. Disabled unnecessary beeping. Your GPS unit will only beep when driving throughout restricted areas. Your GPS will beep when golfers drive within approximately 20 yards from the front edge of the green and or when golfers violate any cart path only settings.

d. Friendly reminder of the Pace of Play feature as your round time will begin once you pass the forward tee on holes #1 and #10. When golfers fall five minutes behind pace it will display in yellow; whereas when you are 8 minutes behind pace it was display in red.

PLAY FOR PINK UPDATE

We are very excited to announce that Golf Operations and Raquet Sports will join together in presenting Play for Pink Week this season. The Golf Operation Play For Pink Week is the week of January 22-28; please mark your calendars. The full schedule of events is being finalized and 100% participation would be wonderful. More details will be provided within the next few weeks.

CLOSING COMMENTS

As Golf Chairman, I'm excited the new season has arrived and once again I ask that we each do our part to follow and adhere to the rules and appropriate golf etiquette. Let's help each other enjoy the upcoming season.

Thank you and I will see you on the links.

TEACHING CORNER

by Chris Czaja, PGA Teaching Professional

How to Chip Better

Confidence in your chipping method will definitely make your next round of golf more enjoyable. Here is a simple suggestion that will help you get those chip shots closer to the cup on a regular basis.

Instead of always using a high lofted golf club like your sand wedge, which gives you less roll on the green, consider using a pitching wedge or even an 8 iron to add roll to the shot. Chip shots are low trajectory shots unlike pitch shots that tend to be higher shots.

Most amateur golfers leave their approach shots short of the cup. Add the roll to your shots to increase the likelihood of getting your golf ball to the objective. The more you experience the lower chip shot the more confident you will become with this method.

The Ombudsman offers an alternative opportunity to resolve complaints, concerns or problems in a timely and private manner. Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

If you have a question, concern or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at ombudsman@bocawestcc.org, and please be sure to enter the word OMBUDSMAN in the subject line.

HOUSE & ACTIVITIES COMMITTEE

By Jeanine Banks, House & Activities Committee Chairman

November begins a time of gratitude and heartfelt gatherings with family and friends. As we embark on the 2023-2024 Season, we're excited to present a wonderful array of activities, unique events and incredible dining venues for our members to enjoy and experience. Did you know that Boca West also has a dedicated Catering Department for its members?

Kaitlin Garske, Director of Catering

At Boca West, celebrating your special occasions, and working with you to create these special moments, is at the heart of our exceptional catering service offerings. Kaitlin Garske, Director of Catering, and her team will bring your event to life; providing creative ideas and coordination to meet all of your catering needs. Most importantly, Kaitlin provides her expertise, that extra special touch and personalized attention to ensure that your event, whether it is an elegant wedding, milestone birthday or a smaller gathering, is a beautiful occasion to remember.

Kaitlin, how did you get into hospitality and what brought you to Boca West? I started as a Banquet Server at a Marriott Resort in the Northshore of Chicago at 16 years old and fell in love with everything about the hospitality industry and I haven't looked back! I've always worked in hotels and resorts that had a Club-like component with either residences or memberships. The balance of membership driven events, private events and non-profit events here at Boca West is what initially caught my attention. In the end it was the values and vision of Boca West that aligned with my principles and goals that brought me here.

What is your favorite part of what you do? Undoubtedly my team. I am so fortunate to be surrounded with a great team who strive to be the best and move the needle forward with everything we do, while maintaining hospitality principles and building that personal connection with every member, guest and client. Every day is different and gives us the opportunity to create extraordinary, once in a life-time memories that last a lifetime.

What new trends can you see coming in the catering industry and how will they be implemented at Boca West? Sustainability and ecofriendly has transitioned from a trend to a necessity, but the new trend in the category is really reducing waste and our carbon footprint. With costs soaring since Covid, especially for florals and décor and related event costs, a sleek and modern approach is trendier than ever with a new focus to produce a clean and elegant look. Craft cocktails has been evolving the last decade with event planners requesting specialty cocktails passed on arrival. The big change for late 2023 and 2024 is for ***"Mocktails"***. I think we will start to see the switch from all alcoholic beverages passed on arrival to a mix of nonalcoholic and alcoholic choices, with mocktails as the preferred option. Another large cost for private events is entertainment. We are seeing the transition to DJ's or hybrids of DJs with one or two instrumental performers at event. Our proof of concept this past summer, "DJ Nights", has proven to be a hit and there will definitely be an opportunity for members and guests to see these entertainment hybrids at some of our larger events.

How do you balance the scheduling of outside catering events with member events and dining operations? Very carefully. The Catering Calendar for Member events and recurring outside events is done 18 months out with blocking all the year over year member events and holidays first. We prioritize Member events, and prior to booking outside events, we evaluate what impact it will have on our members and if any of our members are involved.

I hear you have a cat named Ted Baker. Tell us more about his name. My first cat was named Coco like Coco Channel and so I wanted to follow that trend. I have always appreciated the timeless, elegant taste of the Ted Baker brand. He goes by Teddy for short.

My thanks to Kaitlin for sharing her passion for the industry and insights with us. If you would like to plan a special occasion gathering at Boca West, we welcome you to reach out to Kaitlin Garske at kgarske@bocawestcc.org for an appointment.

'Wishing you and yours a very Happy Thanksgiving!

CHAIRMAN'S LETTER

FOR THOSE OF YOU WHO ARE JUST RETURNING TO FLORIDA, WE WELCOME YOU HOME TO BOCA WEST. Those of you who have been here throughout the summer months are well aware of the fantastic things going on at the club. We have a tremendous number of activities and venues that will be available to you throughout the season. Don't miss the events planned for this month including our opening gala.

Our current mission statement says: "Boca West is a Member owned Private Residential Country Club that provides a Resort Lifestyle to active adults and their families." This organization's governance is composed of two components; The Board of Governors and the Management Team.

I wanted to take a few minutes to review with you the respective roles of the Board of Governors and the Management Team here at Boca West.

In any organization, whether it's a government agency, a corporation, or a non-profit, the terms "operations" and "policy" are frequently used. While they might seem similar at a glance, they represent distinct aspects of an organization's functioning. Understanding the fundamental differences between operations and policy is crucial for effective management and decision-making.

At Boca West, the Board deals with policy decisions while the Management Team deals with operations.

Operations refers to the day-to-day activities and processes that the Club's Management team undertakes. These activities encompass a wide range of functions from delivering services, like activities, amenities, food and beverage to managing finances and human resources. Essentially, operations involves the nuts and bolts of how Boca West runs.

Policy, on the other hand, provides the overarching framework within which an organization operates. Policies are a set of guidelines, principles, and rules that guide decision-making and behavior within Boca West. They serve as the foundation for defining an organization's values, goals, and strategic planning. Policies have a tactical focus, shaping the long-term direction of the organization. They emphasize long-term objectives, values, and vision.

While operations and policy represent distinct aspects of Boca West, they are closely interconnected. Policies provide guidelines that dictate how operations should be conducted. In essence, policies set the rules of the game, ensuring that operations align with the organization's strategic goals and values and policies support the organization's objectives.

It is important to note that while your Board of Governors does not involve itself in operations, it maintains oversight, ensuring that professional leadership is managing operations effectively, and in alignment with our goals.

We are in the preliminary stages of planning our "Next Piece of the Puzzle." The Special Projects committee and Golf Chair, as well as a special meeting of the Board of Governors met with the Golf Architects. Collaborating with them and responding to our members' suggestions, we have begun honing the design. Our goal, in March of 2025, is to formally present a three-part plan to our Membership.

Part one of the proposal includes the renovation of two of our four golf courses, the practice areas, and the adjacent areas.

Part two of the proposal includes the addition of a terrace off the Living Room in the Country Club. This will give our members additional space to lounge as well as another event space. It will also provide much needed additional storage space located underneath the terrace.

Part three of the proposal will be a cosmetic upgrade of the Racquets Sports Building. This newly renovated building will have event areas and possibly a large lawn area for dinners. Additionally, it will have a newer, fresher look. This is in addition to the renovation of the tennis courts themselves and additional Pickleball courts.

We will be providing more detail regarding the designs and financial needs in the coming months. Please remember that these capital improvements are funded through our Joining Fees which are used exclusively for these improvements. Boca West has never imposed an assessment on our Membership.

Finally, our Bylaws have not been amended since 2003 when we began mandatory membership. Although the fundamentals still remain sound, there are a few modifications that need to be addressed. The legal committee is working on those proposed amendments. These changes will be presented to the Board in the coming months and then to the membership for approval. As always, I will keep you informed as we proceed with the process.

So, as stated previously, there are exciting things on the horizon. We will all participate in this adventure; first with the opening of our Lifestyle and Racquet Center, then through the presentation of the plans and, with approval of the membership the eventual construction of the "Next Piece of the Puzzle." Buckle up as we begin this journey together.

As always, I am available for suggestions and feedback and can be reached at pedwards@bocawestcc.org .

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

In recent months the Grievance Committee has seen an increase in Grievance complaints with Members who have engaged in improper conduct effecting the welfare, safety, harmony and good reputation of the Club. Specifically, these Grievance complaints are based on inappropriate physical and/or verbal interactions with Club employees. The Board of Governors has asked me as Grievance Chair, to remind the Membership that all inappropriate contact with Staff by Members or their guests will immediately be reported to the Grievance Committee for investigation. The recommended penalty for these types of Grievance complaints is up to a two year suspension from all venues and activities at Boca West.

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes the final decision regarding resolution of the Grievance. The Member is then notified and has forty five days in which to appeal the decision of the Board. One Grievance will be presented.

Grievance 09-2023:

This Grievance was submitted by a Member against another Member. The Member who the Grievance complaint was filed against was alleged to have engaged in inappropriate, rude and abusive behavior towards the other Member, violating Bylaw Article X, Section 10.02, affecting the welfare, safety, harmony and good reputation of the Club. It was also noted that the Members file had incidents of inappropriate, rude and abusive behavior towards Members and Staff previously documented.

The Grievance Committee recommendation to the Board of Governors:

1. Two year suspension from all Boca West venues and activities, while in residence.
2. Acceptable letters of apology to the Board of Governors and Mathew Linderman, President, COO, and General Manager.
3. This incident is made part of the members Membership file.

The Board of Governors ruled that the Member be suspended for a period of one year from all venues and activities in Boca West followed by a one year probation period.
Any further violations of Bylaws will necessitate return to the Grievance Committee.

The Member appealed and the terms of the suspension were not amended or reduced.
