PRESIDENT'S LETTER

Dear Member,

DON'T FORGET IT'S ALL ABOUT THE KIDS THIS HOLIDAY SEASON. We'll have something for everyone with new activities added to the lineup. Be sure to pick up a **Holiday Calendar of Events** brochure, now available throughout the Club, as well as being posted on our website. Our golf and tennis events for the kids are sure to be a hit. And whatever you do, don't forget to stop by our Carnival on Friday, December 29. Hours again this year are from 4-9pm.

With all of the exciting events happening around the Club, it's hard to believe the holidays are right around the corner! Please be sure to submit your dining requests before the deadline dates to be included in all the assignments for our upcoming holiday dinners and celebrations. If you have any questions, contact our Food & Beverage Reservations department at 483-6300, and they'll be happy to assist you.

Boca West recently received national recognition as **the #4 Top Ranked Golf Pro Shop by Club + Resort Business**. Based on size of pro shop, revenue categories and photos, entries were judged by a panel of Club Professionals from several of the industry's most well respected properties. This award wouldn't be possible without the hard work and dedication of our Retail team led by our Director of Retail, Emily Gifford, and most importantly...the tremendous support from the Membership.

A huge part of what makes Boca West so special is our dedicated Staff, and I am pleased to announce the addition of **Felipe Murcia, Clubhouse Manager,** to our esteemed leadership team. Felipe is a dynamic, creative and collaborative leader with over 15 years of Food & Beverage leadership experience within Clubs and Hotels with his most recent role was Director of Food & Beverage at Fisher Island Club. He will be a cherished asset to the team.

It is also my pleasure to announce that **Misty Stewart has been hired as the Director of Lifestyle and Wellness.** As many of you know, Joe Barone will be retiring at the end of this year to begin the next chapter in his life. Misty and Joe will be working side by side through the end of December to ensure a smooth transition. Misty is a vibrant and seasoned professional with over 15 years of world wide experience within high end luxury hotels and resorts including Waldorf Astoria, MGM Hotels and the Mandarin Oriental in Hong Kong. Her most recent role was Director of Fitness and Spa Operations at The Four Seasons Hotel in Washington, DC. Please join me in welcoming both of them to the Boca West Family.

The month of December also means the opening of **Prime Cut**, and you are in for a real treat this year! Chef Paul along with his team have developed several sensational new menu items that I know are going to be a big hit! Many of you have already taken advantage of dinner in Grand Central and at Mr. D's; and based on attendance, it appears we made a great choice with the nightly features. Be sure to include The Living Room for Lite Bites, a very popular venue, in your upcoming evening plans, come and enjoy the nightly entertainment along with a delicious food and drinks.

I'm excited for our second annual **HOPE WEEK**, *scheduled for January 29 – February 4, 2024*. It's another great opportunity for our membership to learn about the various philanthropic organizations supported by our community. Our hope is that you'll engage with our valued community charities. A brochure outlining all the opportunities is available in the Club Services office and at the reception desk in the Country Club. Watch your emails for all the details as well!

As a reminder, animals are not permitted on Boca West Country Club property, unless they are a registered service animal. This includes walking in the front or the back of any clubhouse and the cart paths on all four golf courses. Your dogs are welcome at the Members Park in the dog park section as well as the walking paths around the Community. If you have additional questions or would like to register your service animal, please contact the Membership department, 488-6934 or membership@bocawestcc.org.

In closing, I would like to take a moment to thank **Joe Barone, Director of Fitness, Aquatics and Spa Operations for the past 30 years.** His dedication and passion for Boca West have been truly remarkable. His knowledge of the industry has been invaluable to us and he will be missed. Joe has been a tremendous asset not only to Boca West, but specifically to our Members, Board and most certainly me especially during the construction of the Lifestyle Center. He has stayed true to his word working close by my side through the construction and to see the project to completion. Farewell Joe, you will be sorely missed.

My family, Yamile, Alexa, Sophia and I, along with your wonderful staff wish you all a happy and heartfelt **holiday season and a happy and healthy New Year**. As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club.
See you around!

Sincerely,

Matthew Linderman, CCM

Natura is among the top organic wines that are produced from the purest, healthiest and highest quality, organically-grown grapes. Grown with the utmost respect for the environment, these natural grapes are then turned into one of the premier orangic wines from Chile.

"Presidents and Their First Ladies, dramatically speaking"

is the creation of the veteran acting and writing team of husband and wife, William and Sue Wills. After 20 years of operating their own theatrical company in the resort of Ocean City, MD, the couple is now in their 27th year of bringing to life the stories of 36 different Presidential couples. Amazingly, the Wills have appeared together on stage over 9,300 times...and still counting. They are not "impersonators", but hope that their costumes, dialects, and demeanors will help recreate these historical characters.

Mr. and Mrs. Wills have performed in 36 of our 50 states and have given over 30 performances at seven of the nation's Presidential Museums. They are a true working team with William researching and creating the scripts while Sue edits his work and creates the costumes, many of her own design

With their **"Presidents and First Ladies"** program, William and Sue hope that by presenting the personal side of our first couples, they will become more than just names read about in history books.

ON THE COURSES

Bob Lerner,
Golf Committee Chairman

It is nice to see so many of our members whom have just returned for the 2023/2024 season. The many who attended our Season Opener Golf and Dinner Dance gave it rave reviews. Take a look at the new Golf Book/Tournament Schedule, it discusses our new event formats and dates. We have made several changes that we believe will increase participation and enjoyment by all our golfers regardless of skill level. Please sign up to participate.

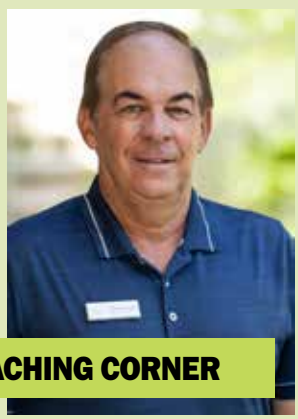

Additionally, look for the specifics on how to support our Play for P.I.N.K. Week (January 22-28). The charity accelerates breast cancer detection, enhances treatment protocols, and extends lives. The Breast Cancer Research Foundation, founded by Evelyn Lauder, is the beneficiary of all our Play for P.I.N.K. donations; and 100% of every dollar we donate goes directly to their research efforts. You are going to play golf anyway that week, so it would be wonderful to have full participation from all our members.

We concluded our summer short video series with presentations on Course Care/Etiquette, Course Conditions, Agronomy updates and Golf Course Emergency Protocols. These are all quite important, so if you have not yet viewed them, kindly do so. For those who play in the early morning, you will be glad to know that the golf food cart will be available at the south driving range from 7-9am daily.

A primary objective of our golf committee and golf operations is to help our newest golf members assimilate into the Boca West Golf Programs and Lifestyle. As part of our on - boarding process, you can expect to hear directly from a member of our team within two weeks from when you are accepted for Club membership. We want to make certain you are introduced to our golf operations and help you get into appropriate games. We are also planning many FUN holiday events for you, your children and grandchildren. There are multiple opportunities to arrange private/group lessons for you and your family, so please take a look.

It has been an honor for me to be a member of a greens committee or golf committee for the last 25 years, both here and in New York. Course Care has remained an issue year after year after year. As Chairman, I have decided to address aspects of this issue in my magazine articles - **Ball Marks on the Green** is this month's topic. Some have suggested that the reason this is a perennial issue is that many of our members feel a degree of entitlement after paying thousands of dollars and therefore see no obligation to repair ball marks. I do not accept this. I am confident that when members get to their ball and see a ball mark within a few feet, they do indeed bend down and make the repair. What many members do not do is look 10 - 15 feet away from where their ball is in search for their original ball mark. I STRONGLY SUGGEST that when members first arrive at the green, they should fix the first ball mark they see. Then, when they proceed to their ball, if they see another ball mark a few feet away they should bend down and repair that one as well. IF WE ALL ADHERE TO THIS NEW APPROACH, THIS ISSUE WILL VASTLY IMPROVE. Please give this new attitude a try!

As 2023 comes to an end, on behalf of the entire golf operations team and your golf committee, we wish you all a wonderful, healthy and exciting NEW YEAR. Thank you and see you on the links.

TEACHING CORNER

by Chris Czaja, PGA Teaching Professional

Improve your chipping technique

Confidence in your chipping method will definitely make your next round of golf more enjoyable. Let's face it, we are going to miss some greens on approach shots. Having a solid chipping method can help you get better results which will give you the confidence to score lower.

When chipping with a 7 or 8 iron follow these simple steps:

Position golf ball back in stance.

Tilt or lean the shaft forward.

Use minimal wrist action and key on finishing with the club head low to the turf.

HOW IT ALL BEGAN

Jude Connally Zimmerman

JUDE CONNALLY

In 2010, I started Jude Connally because I was looking for help with my wardrobe. As a busy working mother in the fashion industry, I didn't quite have what I needed to look and feel my best at a moment's notice: clothes that were comfortable and easy to care for yet stylish, polished and affordable!
I figured I was not alone in my quest to find the perfect wardrobe, and resolved to help other women find pieces they looked forward to wearing, regardless of the season or occasion.
Because my mission was to create bold, exceptionally tailored pieces that required little maintenance, I knew it all had to start with the fabric...

An American-made women's lifestyle collection known for its vibrant prints and effortless styles... Perfect for Boca West living!

THE FOUNDATION IS OFF & RUNNING THIS SEASON

Join us on Saturday, December 9 for our third annual **Walk the Walk Funfest** in West Palm Beach. Club members, along with hundreds of friends and supporters of our charity partners, will gather to raise awareness and funds for underserved children in the county. The Walk will commence at 10am on West Flagler, along the Intercostal. This event is organized by the Children's Foundation of Palm Beach County, an affiliate of the Boca West Children's Foundation, and will be part of the Palm Beaches Marathon Weekend. Come be a part of this unique and meaningful day "off campus" to support "our" kids. For further details, please visit the Foundation's website at www.bocawestfoundation.org.

The following Saturday, December 16, marks the **14th Annual Boys and Girls Club Holiday Shopping Day and Brunch.** This is our oldest event and continues to be cherished by both children and volunteers alike. You can make a difference by volunteering on a day that many have described as the most fulfilling day of the year.

Assist the kids from the local Boys and Girls Club in selecting clothes at Old Navy, and then join them at Boca West for a delectable brunch. The kids will be treated to some of Boca West's finest brunch foods: waffles, pancakes, donuts, bacon and more. Each child selects an age-appropriate toy, and receives a bountiful basket of fresh turkeys and vegetables for a family holiday meal.
If you're interested in volunteering, please call the Foundation's office at 488-6980 or email cirving@bocawestcc.org.

Super Bowl Raffle: Don't miss out on the opportunity of a lifetime! Purchase your raffle tickets now for a chance to win the grand prize: two tickets to the Super Bowl in Las Vegas. Imagine being part of the live action and witnessing the biggest sporting event of the year in person. Secure your tickets today and be in the running for an unforgettable Super Bowl experience! https://bocawestfoundation.org/raffleprogram/

The Carnival for the Kids is back! On December 29, the Boca West carnival will open early from 12 - 2 pm exclusively for children from our charity partners. Volunteering to accompany the children is always a delight, and rest assured, you're not obligated to go on any rides! Please get in touch with the Foundation to sign up. Note that this event is open solely to children from our charity partners.

All of these great works are done in the name of Boca West Country Club. These are not Club functions, but the Foundation does report activities that it carries out in the name of the Club to the Board of Governors. If you wish to respond or comment, please do so directly to the Foundation instead of the Board. Please direct your comments to foundation@bocawestcc.org.

HOPE WEEK

By Jeanine Banks, Hope Week Steering Committee Chairman

December is the perfect time to reflect not only on our blessings and a beautiful season of giving, but also on a very special event which took place this past January…***Hope Week***. For our participating members, Hope Week 2023 was more than a volunteer initiative. It provided a unique opportunity to connect with our community, forge friendships, impact others and engage with charities. So much so, that in that one week, an outpouring of volunteerism occurred; resulting in a cumulative total of over **8,000 community hours** just during Hope Week alone!

Due to your outstanding member engagement, Hope Week is now an annual Boca West Country Club event. It will be held once again from January 29 - February 4. The Hope Week 2024 brochure will soon be available to our members highlighting eight select charities and their interactive volunteer engagement projects. Save the Date information can be found in this magazine issue on page 5.

Over the course of the past several months following the event, our members have continued their volunteer efforts at Hadassah, Pap Corps, Fuller Center, Boca Helping Hands, Place of Hope, Habitat for Humanity, Tri-County Animal Shelter, Lynn Cancer Institute – Boca Raton Regional Hospital and the Boca West Children's Foundation, whose charity roster and support network encompasses over 30 local charities. Our member volunteers all have something in common – a spirit of giving and a feeling of renewed purpose knowing their volunteer efforts are appreciated and greatly needed.

Two of our members, Cheryl and Danny Schulman were among our inaugural Hope Week volunteer member roster. Here's a few highlights from their experiences:

Cheryl, tell us the story behind why you and Danny chose to volunteer. *Hope Week was announced in an e-mail sent out from Boca West back in January 2023. My husband Danny proposed that we go to Tri-County Animal Shelter and participate as they were one of the charities to choose from. Along with 50 members from Boca West, we volunteered there on January 28th, attended an orientation and spent time with a few dogs. After 23 years of wanting to volunteer at a shelter, my wish came true. Afterwards Danny said he wanted to continue to volunteer and signed us both up! On February 14th, we became weekly volunteers and were provided with volunteer shirts, fanny packs, leashes, pens, whistles and proudly wore our badges. We continue to enjoy our weekly volunteer efforts there.*

Danny, what does Hope Week mean to you and why should our members consider volunteering their time at one or more of our charities? *Hope Week gives you the ability to connect with a variety of local charities in our area that cater to diverse causes, ensuring that there is a volunteering opportunity for everyone. Whether you're interested in supporting children and families, caring for animals, aiding environmental causes, helping to build a home or supporting hospitals providing cancer care and treatment, there's a charity that can use your help. Volunteering your time is worth more than a monetary contribution as these charities truly need and welcome your time and help.*

Cheryl, I've heard volunteering weekly this year has led to something more that in your words, has positively changed your lives. Tell us more. *Yes! One day I saw two of my favorite older dogs being adopted and I cried, not realizing how much I had loved them. That was my turning point, I couldn't let that happen again! Soon after, I was holding a 2-year-old Cavapoo that supposedly came from Iowa -- I think she came from heaven. A woman said she was interested and wanted to hold her, so I told her she was already being adopted by me! Danny and I filled out the necessary papers and took our little girl Rizzy home. Just a day later, Danny brought Rizzy to the shelter to see if she got along with a 1 ½ year old Toy Poodle. Again, we filled out papers and took Sammy home with us. Our lives have changed forever, and we are so in love with our fur babies. They both have learned so much from us - human touch, family, love and safety which they never had, and we have in return received unconditional love, purpose and joy.*

My thanks to Cheryl and Danny, and all our **Hope Week Volunteers** for giving the gift of time and unconditional love to our deserving community charities. We invite you to join us at our upcoming **Hope Week 2024** event and experience a truly magnificent week of unity and the gift of giving back.

CHAIRMAN'S LETTER

HAPPY DECEMBER.

We are entering one of the busiest and event-filled months of the season. As the holiday's approach, I wanted to take a few minutes of your time to discuss who we at Boca West and what makes us so special. The ideas I will be discussing, I believe, have to extend to visiting family, guests as well as to us, the Members.

We live a special life here. Boca West is a true Community. Maintaining that powerful sense of community in Boca West remains important for several reasons.

1. It fosters a sense of belonging and connection among Club Members, which can enhance the overall social experience and promote friendship and camaraderie.
2. A close-knit community is more likely to encourage group activities and events, making it easier to organize and enjoy recreational opportunities such as sports, fitness, and cultural events.
3. In time of need, a sense of community provides a support system, whether it's for personal or emergency assistance. Neighbors who know and trust each other are more likely to offer help when it is needed.
4. A closely connected community tends to increase trust and support when needed.
5. A strong sense of community can enhance property values, as it often reflects on the attractiveness and desirability of the community.
6. Effective communication within the community can lead to more efficient governance, decision-making and problem solving. Our members are more likely to participate and have their voices heard.
7. A sense of community can contribute to an improved quality of life by providing a sense of fulfillment and shared experiences that go beyond the amenities and services of our club.

In summary, a sense of community in Boca West enriches the lives of our members, improves our overall living environment, and creates a more fulfilling and supportive place that we call home.

These concepts come from the research from my Doctoral Dissertation which asserted the importance of community in any organization. Boca West is no different.

Bad member behavior and intra-member disputes make our community environment more difficult and challenging and can tear apart that community ethos. I encourage you to review our by-laws, Section 10.02.

Disputes between or among Boca West members or between members and villages will inevitably arise from time to time. The important issue for all of us as a community is how we approach the resolution of these disputes The goal should always be to remember that we are, primarily, a community of neighbors who must treat each other as we would hope to be treated, as community members, especially when we have disputes.

When we are treating each other with dignity and respect it is easier to work together and work things out. Confronting, litigating, or slandering members is never the answer. We must first exhaust all options, through good faith efforts, to resolve any dispute. Remember we are a community.

That same principle relates to the treatment of Staff. We all must treat them with respect and dignity. When we have guests, family, or others, it is our responsibility to make sure they conform themselves as our community expects. Our bylaws clearly state that their behavior is a reflection on you, the member, and you will be held responsible for any infractions. I remind you of this as we have had issues in the past. I am not one to condemn the whole for the actions of the few, but there have been a growing number of incidents of disrespect during the last few years between members and staff, offspring and staff, and guests and staff. The staff here at Boca West are our greatest asset and are key to our "community" operations and success. So please treat them in that manner.

So, as we approach this holiday season, we wish you Joy, Health, and Happiness. Enjoy family and friends.

As always, I am available for suggestions and feedback and can be reached at pedwards@bocawestcc.org.

Most Sincerely,

Dr. Philip Edwards

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

Grievance 10-2023

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes the final decision regarding resolution of the Grievance. The member is then notified and has forty- five days in which to appeal the decision of the Board. One Grievance will be presented.

This Grievance was filed by the Chair of the House and Activities Committee against a companion (daughter) of a member for improper conduct and disrespectful behavior towards Staff in The Living Room of Panache. This is the second Grievance against this member's companion for similar unacceptable behavior towards a staff member. The member's companion completed the suspension and probation from the first Grievance prior to this second incident.

The Grievance Committee recommended:

1. One year suspension followed by one year of probation.
2. Successful completion of the Anger Management Course.
3. Appropriate Letters of Apology to Matthew Linderman, General Manager and COO, the restaurant staff, and the Board of Governors

The Board of Governors agreed with all recommendations. The companion daughter appealed. The Board of Governors reaffirmed a suspension of one year to be followed by one year of probation.
