PRESIDENT'S LETTER

Dear Member,

OUR SECOND YEAR OF HOPE WEEK HAS BEEN ANOTHER HUGE SUCCESS! Thank you to everyone who volunteered with our community charity partners: Boca West Chapter of The Pap Corps, Gilda Mallin Chapter of Hadassah, Fuller Center, Habitat for Humanity, Place of Hope, Boca Helping Hands, Tri-County Animal Rescue and Lynn Cancer Institute. This week wouldn't be possible without your time and volunteer work. We look forward to continuing these philanthropic events, they really make a big difference.

I would also like to extend a huge thank you to all of our Members who participated and donated to this year's very successful **Play for P.I.N.K.** Golf, Tennis and Pickleball events. Your contributions towards **Play for P.I.N.K.** support clinical and genetic research into the causes, treatment and cures of breast cancer.

I have been overwhelmed with all your wonderful calls, emails and comments to me in passing on the successful opening of the Aquatics Center and Market Square. This past Holiday period was the busiest we have had at the Aquatics Center with an average of 1,500 visitors per day, December 26 being the busiest with over 1,800 visitors! Truly remarkable considering we have more than tripled the amount of seating available on the pool deck and surrounding areas compared to our previous facility. As a reminder and a courtesy to your fellow Members and Guests, please follow the pool deck rules by not saving seats and removing personal items and used towels when you leave the Aquatics facility.

Please be on the lookout for email communications from me on the opening of the Lifestyle Building. We have been hopeful that the main Lifestyle building would open the first few days in February, but at the time of writing this article it looks to be early March based up the most recent schedule.

I am pleased to announce Boca West Country Club has been awarded Top Workplace USA for the FIFTH YEAR in a row. This award is based solely on the employee survey that was administered a few months ago by Energage, an independent survey company. Receiving this award for the past five years is most meaningful given the challenging years our staff has had through a pandemic, a monstrous construction project along with all the obstacles we have been faced with. **I am happy to say once again I am truly blessed to have such an incredible team and I am so grateful to them for their continued dedication to all of us.**

As many of you know Barbara Crowley, Director of Human Resources moved on from Boca West in January 2023 after 37 incredible years. She moved on to the next chapter in her life but did not go too far and is still engaged with Boca West daily as the new CEO of Workaway International, our International Staffing agency. It has taken some time to find the right person to fill her shoes and I am pleased to share we have hired **Olga Follansbee** as *Director of People and Culture* (formally, Director of Human Resources) and she started with us last month. Olga is a dynamic and seasoned professional with 20 plus years of progressive Human Resources experience within Clubs and the Private Sector, most recently at Paychex. She brings a wealth of knowledge and experience to her new role and I am confident that she will be a fantastic addition to our team. We are very excited to have her on board.

Once again during **President's Week**, kids of all ages will find entertainment all around the Club. If you and your families participated in the last Holiday celebrations, you know that we are planning a jam packed week of activities. Whether its golf, tennis, Pickleball, fitness or simply watching a movie with the family, we've got something for everyone. A brochure listing of the various activities and events is available throughout the Club and posted on the Club's website. Please be sure to pick one up so you, your family, and your guests won't miss a moment of fun that week.

A friendly reminder of our **Dress Code** regulations for the Country Club are posted on the website and APP. The dress code is continuously under review and recommendations are made by the Club's Committees to the Board of Governors for approval. Recently, our staff have faced some challenges with combative Members and Guests when enforcing the dress code. I ask that you please cooperate and avoid conflict. If you disagree, please ask to speak with a manager or contact the Executive Office. The dress code will be enforced for all Members and Guests, and is not a debate. Please understand my staff is following rules set by your Board of Governors and will ensure Members and Guests adhere to the current policy as instructed by the Board.

This year's election marks the end of a three-year term for **Bill Berkowitz, Frank Richard and Bob Schwartz** and the end of two consecutively served three-year terms for **David Shifrin and Charlie Wolf**. All five of these members have my sincere appreciation for selflessly contributing their knowledge and time toward the betterment of your Club.

As the end of our Chairman's service nears, I must take another moment to express my sincere gratitude to **Philip Edwards** for the dedication he has given to the very important position, Chief Executive Officer of Boca West Country Club. Over the past two years as Chairman, his continued dedication and passion for Boca West are truly remarkable. Working side by side with him for the past two years, I have gained even more admiration and respect for his vision and leadership. It has been a true pleasure that I will always cherish.

February also means you will vote to fill the open Board of Governors positions. By now, you have all received your 2024 Annual Meeting of the Members Packet and your Board of Governors' election package. If you have yet to receive either of these, please reach out to the Executive Office at 488-6990 and we will send you a duplicate immediately. Your vote is so important, so please watch **"Meet the Nominees"** on the Club's website to gain insight into fellow members running for your Board of Governors. I look forward to seeing you on **Friday, February 23 at 3 pm in the Cypress Room** for the **Annual Meeting of the Members**. For those unable to attend in person, a Live Stream will be posted on our YouTube channel.

Don't forget that with this "changing of the guard" new Committees will also be formed. Your Board is always looking for energetic members with fresh new ideas who are willing to serve. If you want to get more involved with your Club, consider joining a Committee for the 2024/2025 season. Please drop a note to the Executive Office addressed to the Chairman of the Board, or email it to Cathy Stergios at cstergios@bocawestcc.org indicating the committee(s) on which you would like to serve.

Sending Valentine's Day love your way from the Linderman girls and me.

Please remember that I welcome and encourage your thoughts, comments, and suggestions regarding your Club.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

Barbera d'Asti DOCG Le Orme: Le Orme is an expression of all four Michele Chiarlo Barbera estates in the Nizza area, including the iconic La Court estate. The Barbera grapes grow in light-colored soils called Astian – meaning from Asti – sands that are rich in lime and microelements.

Bollini Vigneti Dolom Pinot Grigio: The difference between daytime and nighttime helps create wines that are remarkably fresh and robust in aroma and flavor. Production begins with an immediate pressing of the fruit by cold settling. Vinification is carried out at low temperatures in stainless steel tanks to preserve the fresh varietal character of the fruit.

Villa Matilda Aglianico Campania IGP: A wine made from very old Aglianico vines, some grown over 50 years ago. After the clusters are de-stemmed and pressed, the must is cold-macerated, then ferments for some 20 days at 68 degrees. The wine is then drawn off the completes the malolactic fermentation in stainless steel, then a traditional stay in large ovals, followed by some 3 months' bottle aging.

ON THE COURSES

Bob Lerner,
Golf Committee Chairman

THANK YOU

Even though we didn't have the best holiday weather, golf operations experienced record participations across all our offerings and received enthusiastic reviews. Congratulations to all the winners in our January golf tournaments. Our Putting Tournament had so many participants and viewers, we needed crowd control around the putting green: GREAT FUN!

The highlight of the month was our support of Play for P.I.N.K. Week. The final accounting is being completed, but the enthusiastic membership support was evident throughout the week. Many will benefit from your generosity. Special thanks to our Play for P.I.N.K. sub-committee members: Lela Cannon, Ellen Shapiro, Rosetta Melchior, Oriel Austin, Elaine Mintz, Margie Tannenbaum, Steve Forman and our collective thanks to Meg Botting and Daniella De Sousa from Golf Operations.

The highlights of our February schedule will undoubtedly be the finals of our Championship Matches, the Super Bowl and Men's Member Guest Tournament.

In a previous article, I explained the details of our ON-BOARDING program for new golf members. I related that they would receive a call from golf operations within a few days of becoming members. As part of this orientation, new golf members are introduced to Golf Operations, instructed how to make and cancel times and, if needed, provided assistance getting into games. In January we learned of a glitch in our notification system. A fix is being installed. For the moment, if you added golf to your membership after you became a Boca West member and haven't been called, please reach out to Golf Operations so we can manually place you into the ON-BOARDING program.

February marks the conclusion of my first year as Chairman of the Golf Committee, and it is time for me to again express my thanks.

Our accomplishments could not have become a reality without the contribution and council I received from my fellow Board Member and Vice Chairman Bob Schwartz. Thank you, Bob. This year's Golf Committee Members are: Jeff Baltimore, Lela Cannon, Lewis Farber, Steve Forman, Greg Friedman, Jeff Getelman, Mark Gold, Michael Guluk, Irving Jainchil, Rosetta Melchior, Ellen Shapiro and Edward Zelnick. All have been available for me whenever called upon and have demonstrated that their sole objective is what is best for the entire membership.

Over this past year I have been privileged to get to know and work closely with two individuals who truly excel in their professional careers. As we look at alternatives, analyze costs, and begin to finalize future capital project proposals for golf course renovations, I say without reservation that our Directors of Golf and Agronomy, Travis Wehrs and Jeremiah Lockhart, each have the knowledge and experience the club needs to guide us through the many steps involved. I must thank them both for sharing their knowledge, teaching me so much, and dealing with my idiosyncrasies.

My sincere thanks go to the Members of the Golf Committee and the Golf and Agronomy Teams for their guidance and support in making my first year a rewarding and enjoyable one.

I have received many compliments throughout the year from our membership on the quality of golf operations. To all the individuals who I mentioned here, rest assured... I tell our members it is you who deserves all the accolades.

As highlighted in previous videos, the importance of course care like repairing ball marks on the putting greens, raking bunkers, and filling divots is of the utmost importance. These acts help preserve the quality of the playing surfaces and overall aesthetic of our four championship golf courses.

See you on the links.

AT THE NET

By Dr. David Shifrin,
Racquet Sports Committee Chair

This month will mark the end of my term on the board, as well as chairman of racquet sports. To say the least, it has been an interesting six years. The first time I mentioned pickleball at a board meeting, the response was one of bemusement. Very few had even heard of this sport with the funny name, but it took very little time to recognize that it was about to flood the entire country. To the credit of our racquet sports committee, our professionals, and the Boca West management team, we have developed the premier pickleball complex in our region, with plans to expand even further.

Plus, our tennis program has made an impressive comeback, including lots of new members, many of which are high caliber players. Our game arranging continues to be successful and we're looking forward to total renovation of all our courts starting next year.

As a parting note, I am confident in our future endeavors, and I extend my sincerest thanks to Steve Roth who has worked with me as vice chair, and of course to John Joyce and the entire professional staff. It has truly been a pleasure to work with all of you.

By Jeanine Banks, House & Activities Committee Chairman

It's an exciting time for the Club! With so many new venues opening, I met with John Collings to share more about these exciting happenings – from food and beverage to desserts!

John Collings, Assistant General Manager

John, the Cabana Bar & Grill is the new "Splash" ... what food & beverage offerings will members enjoy? Will there also be an outdoor bar?

The new Cabana Bar & Grill will have all of our members' poolside favorites! Everything from tuna wraps and cobb salads to tacos and poke bowls. However, it will also feature a beautiful bar and lounge perched up above the pool complex where our members can relax with a glass of wine or cocktail and enjoy the scenic ambiance. Whether they are dining or drinking, our members are going to feel like they are at a 5-star resort somewhere in the Caribbean, rather than their own backyard.

Is it true that Boardwalk Treats will have a home at the pool?

Yes, the Boardwalk Treats trailer was built with our pool in mind. Its home will be adjacent to our event lawn towards the west end of the complex. At the back of the family pool adjacent to the kid's playground area we will have all sorts of treats from Carvel to Corn Dogs for our members and their families to enjoy during their time at the pool. It will be open during peak volume times.

Our signature restaurant at the new Lifestyle Center is Blue Point. Tell us about the menu, dining features and vibe. Can members host a dinner party there?

Blue Point will feature contemporary cuisine in a setting adorned with a modern luxurious coastal color palette and vibe. The menu will be based around the state-of-the-art firepower we have outfitted our kitchen with. There will be a section of perfectly seared seafood coming from the 400-degree oven, wood fired pizzas coming out of a 600-degree oven, and hearth roasted steaks and chops coming out of the 800-degree oven. There will also be a chef's counter and sushi bar for a more interactive and innovative dining experience. We have created a private dining area where members can host larger dinner reservations of up to 16 people. Blue Point also features its own bar where members can relax with a cocktail before dinner. Complimentary hors d'oeuvres will not be offered at Blue Point though.

What is the vibe and F&B options at Aria Bar+Rooftop indoors and outdoors?

Aria is a stylish, indoor/outdoor venue overlooking the golf course and pool serving our new member favorite "lite bites" and artisanal cocktails. There is a large bar and a porcelain dance floor inside and seating, a firepit and bocce courts outside on the deck.

Will Chef Paul offer new cuisine experiences and maybe some of member favorites?

These new venues will certainly afford Chef Paul the venues to create some very unique and exciting dining experiences. Our goal with all of these new venues, including Market Square, is to continue to curate innovative culinary experiences woven within all of our member's favorites that Boca West has become known for over the years. Our hope for these new venues is that now within Boca West there is truly something for every member's palette and preference. The breadth of experiences will give our members so many different ways to *"live the life you love and love the life you live."*

We hope our members enjoy everything Boca West has to offer this Season. The Staff is so excited to welcome and interact with you at all of our venues and will continue to provide you with the best experience, finest hospitality, quality and service excellence.

As I take this moment to reflect on the past two years as your Chairman of House & Activities, I would like to express my gratitude. It has been a sincere honor to serve you. It has also been an incredible experience to work alongside John Collings, Assistant General Manager, Christina Guilianti, Director of Activities and with each Member Ambassador of the 2022-2023 and 2023-2024 House & Activities Committees. We are proud of your contributions and dedication to Boca West. I encourage you to continue to volunteer throughout the Boca West community for many years to come.

CREATING A BRIGHTER FUTURE FOR "OUR CHILDREN"!

Our 9th Annual Diaper Drive is taking place on February 27 and "Our Babies" in Palm Beach County need your help more than ever.

For many families, especially those suffering from food insecurity, buying diapers is simply not in their budget.

Here are some sobering facts:

- One in two families report diaper need. More than 20,000 families in Palm Beach County are living below the poverty line.
- Infants require 12 diapers per day, toddlers about eight.
- Disposable diapers can cost close to $100 per month per baby.
- NO state or federal child safety net program, such as food stamps, allocates dollars for the purchase of diapers.
- Most childcare centers, even free and subsidized facilities, require parents to provide a supply of disposable diapers.

Help us shatter last year's record-setting donation of 280,000 diapers to The Diaper Bank Covering South Florida. You may drop diapers off on **Tuesday, February 27 at the Tennis Center** circle from 8am-12pm. Diaper sizes 4, 5, and 6 are most needed, as well as baby wipes. You may also visit our website to make a financial contribution and help us reach our goal.

4th Annual Bikes for Tikes Program

We are dedicated to providing children in need with the joy of owning their own bikes. "Our kids" are awarded bikes when reaching goals such as completing reading achievements and graduating from pre-school. We also gift bikes to children who have recently entered foster care. These bicycles serve as more than just a mode of transportation; they represent freedom, empowerment, and endless possibilities for these young individuals.

Your generous contribution brings immeasurable joy to a child who may not have had the chance to experience the simple pleasure of owning a bicycle.

Our unique program allows donors to celebrate special occasions such as birthdays or anniversaries by gifting a child a brand-new bike. A donation of $160 will directly fund the purchase of a high-quality bike and helmet, ensuring it reaches the deserving hands of a child within our community. Your contribution will be commemorated with a special dedication in honor of your [birthday/anniversary], creating a lasting impact that goes beyond the material gift.

To participate in this heartwarming initiative, please visit our website's donation page. Every contribution, regardless of size, makes a significant difference and contributes to the happiness of a child in need.

Thank you for considering this opportunity to spread joy and positivity. Your generosity continues to be the driving force behind our mission to improve the lives of the children we serve.

Should you have any questions or require further information, please don't hesitate to reach out to us. We deeply appreciate your ongoing support and commitment to making a difference in our community.

CHAIRMAN'S LETTER

IT IS AMAZING TO ME THAT I AM COMPLETING MY FOURTH YEAR ON THE BOARD OF GOVERNORS. What a difficult and trying four years it has been: Covid 19, Omicron, the impact of inflation, the budget process, the housing boom, the product shortages, logistical issues, the delay in construction, the war in Israel... the list goes on. Yet here we are with a wonderful new Aquatics Center, the Market Square, the soon to open Cabana Bar & Grill, Blue Point Restaurant and Aria Bar+Rooftop, the new Fitness Studios and facilities and the soon to be started construction of the multipurpose Art and Culinary Studio in the Golf and Activities Center.

It is even more amazing that my second year as your Chairman is coming to an end. I want to thank my Executive Committee and the entire Board of Governors for their continued guidance and support throughout this year. Their efforts have put our Club on the right track for the future.

I want to personally thank all the Members of our community for your ongoing support throughout these years. Your ideas and suggestions are welcomed and contribute to our dynamic community. Our diverse ideas meld us into this special place we call home.

A special thanks to Elaine Wittlin and the Boca West Master Association Board of Directors for their partnership and cooperation through the Joint Venture. We have forged an open and collaborative relationship that can only be a positive factor in the future of Boca West.

Finally, I want to thank our Staff and our General Manager, COO and President, Matthew Linderman. We are in the member pleasing business and Matthew and our Staff are our greatest assets in achieving that goal. Please take a moment to thank them all for their tireless efforts.

I wish to remind everyone that we are currently accepting your ballots to elect the next Board of Governors. Remember to submit the secret ballots by the due date and remember to sign the outer envelope; you must vote for a minimum of three (3) and a maximum of five (5) candidates for your ballot to be valid.

As of this printing, Hope Week is being held. It began on January 29 and will conclude on February 4. In its first year, this event was a tremendous success. It was designed to give an opportunity for the Boca West Membership to learn about the various philanthropic organizations supported by Boca West. Learning about these organizations and having an opportunity to experience what they do through volunteer participation was the concept behind this special week. Close to 200 Members volunteered to participate and share their time, their smile, and their love. Over 8,000-man hours were spent by our members in community service. Many participants continued to volunteer throughout the year. Our thanks to Jeanine Banks who chaired the Hope Week Steering Committee as well as Vice Chair Steven Roth, the philanthropic organizations that chose to participate, Christina Guilianti, Director of Activities and Kathy Kohlhepp, Director of Communications and Marketing for their time, dedication, and service to Boca West and our Community. It is clear to us all that Hope Week has become an annual event at Boca West.

Our New Member Cocktail Party was held on January 30 at Panache. Since this article was written prior to the event, I can't report on this year's party. However, based on last year's event, Members were made aware, through various department booths, of all the activities available to them at Boca West. They then had an opportunity to meet the Membership Committee and its Chair, Enid Hoffman, Members of the Board of Governors, Matthew Linderman our General Manager, President, and COO and Key Staff. This was followed by food, drinks, and dancing. I am confident it was a wonderful evening for all who participated.

The Leadership Program, conducted through the Country Club, was designed as a leadership incubator. Selecting individuals with potential to serve on Committees, Village boards, the Master Association or the Country Club Board is its primary purpose. It gives Members of Boca West the opportunity to learn what, how and why things operate the way they do here in our community. Participants learn about the tremendous synergy between the Master Association and the Country Club, the budget process, the organizational framework in existence and countless other issues of relevance. It is viewed as a gateway for future leaders at Boca West. So, if you are interested in the future of our community, want a say in the decision making, and have a desire to know how our operation works, please speak with us. We are constantly looking for future leaders and welcome your participation. There is no other commitment other than attending meetings five to six times during the year. The knowledge that you gain will be something that you will appreciate long into the future. Contact me directly or the Executive Offices if you are interested.

We are in the middle of our busiest time of the year. As I have said before, our staff is our greatest asset. Please make sure that you treat our staff with the utmost respect and courtesy at all times. If there is an issue, seek out a manager to report the problem. In that way, the problem can be resolved. Additionally, as I stated before, thank them for their tireless efforts. That goes a long way.

Again, my sincerest thanks to you all. As we embark on our next adventure, we must continue to work together as a community. That will keep Boca West the special place that we live in.

As always, I am available for suggestions and feedback and can be reached at pedwards@bocawestcc.org.

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes the final decision regarding resolution of the Grievance. The member is then notified and has forty-five days in which to appeal the decision of the Board. One Grievance will be presented.

Grievance 11-2023:

This Grievance was submitted by the Chairman of the Fitness, Aquatic, and Spa Committee against a Members offspring for behavior which violated Bylaw Article 10, Section 10.02. On several occasions this Members offspring behaved in a manner which interfered with the Staff on duty and the operation of the Fitness Center. These incident violates the Boca West Bylaws, Article X, Section 10.02 endangering the welfare and safety of Boca West Members, families and guests.

The Grievance Committee investigation revealed a previous Grievance for similar behavior which resulted in a previous suspension. Both Parent Members and offspring attended the Grievance Committee proceedings, the Members appeared supportive of their offspring.

The Grievance Committee recommendation to the Board of Governors:

1. Six Month Suspension from the Fitness, Aquatics and Spa Facilities as well as the Racquet Center. Followed by an additional Six Months of Probation.
2. Letters of Apology to the Fitness Center staff, Mathew Linderman, President, COO, and General Manager, and to the Board of Governors
3. Appropriate letter to be placed in the Members Membership File.

The Board of Governors agreed with the recommendation of the Grievance Committee.

There was no appeal.
