PRESIDENT'S LETTER

Dear Member,

WISHING YOU A VERY HAPPY AND HEALTHY NEW YEAR! 2024 is here and we are hopeful for a wonderful year ahead. The December holidays were one for the record books especially with the opening of Market Square and the Aquatics Center! It was so wonderful to see you and your families around the Club and enjoying the pools. Hearing all your wonderful compliments what we were able to open, I am really looking forward to unveiling Cabana Bar & Grill and the rest of the Lifestyle Center with you all sometime this month.

I hope you have all had a chance to see the Taste of the Season brochure for the season. New this year is our ***Michelin Chef INSPIRED Prime Cut Dinner Series***. Each month we'll feature a renowned Michelin Chef inspired dinner accompanied by the perfect wine pairing per course. The feedback I received after the December dinner was overwhelmingly wonderful and proves that the Boca West Culinary team and the Front of House Service team are in a league of their own. ***Panache Wine Nights are now Uncorked!*** Wine Nights have always been a member favorite of the season when we feature popular wine from wineries all around the world. Be sure to make your reservations by submitting a request by the deadline date to be included in the assignments.

When it comes to the staff at Boca West, there is never a doubt that they truly are our greatest asset. Training and development are essential to the continued success of the Club and maintaining the high level of service and our tradition of long tenured employees. I'm pleased to announce the addition of **Elizabeth Espinosa**, our new *Director of Quality, Development and Engagement*. Elizabeth will work under the Human Resources department for employee recruiting, onboarding and development which includes the Hospitality Management Internship program and college recruiting. She will also work on employee training and continued education. Elizabeth is a dynamic, engaging and collaborative leader with over 15 years of diverse hospitality and educational experience from around the globe including many with the Ritz Carlton Hotels overseas. Elizabeth brings a wealth of knowledge and experience to this new role and we are excited to have her on our Leadership team.

Another great announcement to share with you... One again for the sixth consecutive year our facility has been selected as a recipient of the prestigious 2024 AGM Platinum Award. Special thanks to **Emily Gifford**, *Director of Retail*, and her amazing team for all they do! The criteria for this award is our achievements in merchandising, promotions and customer service. Being recognized among the top tier of public, private, resort and off-course golf shops globally is a testament of our hard work, creativity and unwavering commitment to enhancing the golf merchandising industry.

Boca West Cares was launched this past year – **Boca West Cares** is the foundation of unwavering commitment to the care of our community and each other by providing unique engagement opportunities for our Members and Staff to participate in. We care and contribute to our community with philanthropic efforts through our charity partners and by volunteering locally. **For the past 12 years, Boca West has sponsored a home to a deserving family through Habitat for Humanity.** This past December, Members of the Board along with Department heads spent a day volunteering, putting the final touches on the home that we sponsored. It was an incredibly special and heartwarming day working alongside the family and each other.

This year, we added the **Play for P.I.N.K event to the Racquet Sports Community**. We would like to extend a huge thank you to all of our Members who participated and donated to this very successful **Play for P.I.N.K.** event. Your contributions towards **Play for P.I.N.K.** support clinical and genetic research into the causes, treatment, and cures of breast cancer. I'm looking forward to the Play for P.I.N.K. event in Golf, *scheduled for January 22-26*. Don't miss out on this fun event, all while supporting a very important cause.

Another fantastic philanthropic initiative - **Hope Week**, in its second year, will take place from January 29-February 4. Once again this includes a week full of diverse volunteer opportunities for all to take part in. There's nothing we love more than learning and supporting various philanthropic organizations. Hope Week Volunteering is fun and rewarding so we *hope* all of you get out there. See page 5 for all the details. Sign up is available on the Club's app and website.

Another wonderful example of Boca West Cares is our very own member Mona Pearl. She recently published a book, ***Children's Stories by Mona*, and is donating 100% of the sales proceeds to the Boca West Children's Foundation**. You can purchase this adorable children's book exclusively on Amazon.

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club.

Yamile, Alexa, Sophia and I wish you all a Happy and Healthy New Year. We look forward to seeing all of you in 2024!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

In 1895, Edmund Norton founded Bodega Norton and became an ambassador for quality Argentinian winemaking. Our team is united by a passion to honor our pioneering founder and the wines that still bear his name.

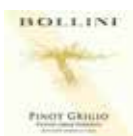

Part of the Swarovski family, Michael studied at the University of Boston and lived all over Argentina. But for the past 24 years, his home has been in Mendoza, right by Bodega Norton, after his father, Gernot Swarovski, invested in the winery and Michael became CEO.

He describes Argentina as a "fountain of opportunities" and has dedicated himself to ensuring Norton becomes a byword for excellence. In 2003, his hard work was acknowledged when he was named Businessman of the Year in the Vitiviniculture Industry

"Presidents and Their First Ladies, dramatically speaking"

is the creation of the veteran acting and writing team of husband and wife, William and Sue Wills. After 20 years of operating their own theatrical company in the resort of Ocean City, MD, the couple is now in their 27th year of bringing to life the stories of 36 different Presidential couples. Amazingly, the Wills have appeared together on stage over 9,300 times... and still counting. They are not "impersonators", but hope that their costumes, dialects, and demeanors will help recreate these historical characters.

Mr. and Mrs. Wills have performed in 36 of our 50 states and have given over 30 performances at seven of the nation's Presidential Museums. They are a true working team with William researching and creating the scripts while Sue edits his work and creates the costumes, many of her own design

With their **"Presidents and First Ladies"** program, William and Sue hope that by presenting the personal side of our first couples, they will become more than just names read about in history books.

ON THE COURSES

Bob Lerner,
Golf Committee Chairman

HAPPY NEW YEAR

Boca West's Golf Operations and Golf Committee extend our heartfelt best wishes to you and your family for a healthy, wonderful and peaceful year. The 2023/2024 golf season is well on its way to accomplish our goal of enhancing the enjoyment, participation and overall golfing experience for our members and their guests. In December our Member-Member, 9-Hole Twi-Lite, President's Cup, and Wine & Nine tournaments/events were enjoyed by many with new friendships being forged and some exciting competition. A special thank you to the Golf Operations team for scheduling and facilitating the wonderful holiday events which were enjoyed by our members their children, grandchildren and even a few great grandchildren. On a personal note, to see so many families enjoying our golf facilities during the holiday season is al highlight for me as a Board Member.

Below are some golf projects we hope to be completed by this summer:

1. The GPS company and our Golf personnel are working to activate the systems "Pin Zone "that will display more accurate yardage to the pin as compared to the current software that only indicates front-middle-back of the green.
2. We are looking into updating the current protocol which would give members the ability to make changes on the App and the Website beginning at 3pm the day prior of play through 3pm the day of play. These changes will automatically generate an email which will be sent directly to the Bag Room email account as well as every player in the respective tee time. These changes include cancellations, deletions, additions and modifications. All other currently in place procedures will not change.
3. Work continues as we want to give members the ability to view open tee times along with increasing the number of groups per reservation.

The hole-by-hole handicap allocations for Dye IV have been finalized. Over recent months, we have collected scores from the membership, categorizing them by gender and handicap. These scores were then used to compute the differential for each hole. By using this data along with historical information, tee box yardages and USGA guidelines, your golf operations team re-evaluated the stroke allocations for both men and women. This recalibration will create a fairer experience for all members, ensuring a more equitable distribution of strokes on the scorecard during play.

Final comments:

Play for P.I.N.K. Week will be held on January 22-28. It would be wonderful if we had 100% participation/support as we help to advance the work being done in accelerating the detection of breast cancer, extend lives and the continuing efforts to enhance treatment methods. All administrative costs are underwritten by the beneficiary of this charity, so all of your donated dollars are put to work.

In closing, we should always leave the golf courses in better condition than we found them. Promote Boca West Pride in the care of our four wonderful golf courses by always filing divots, raking sand traps and repairing ball marks on the greens. Once again, wishing all my fellow members a healthy, fulfilling and peaceful New Year!

As we embark on a New Year and welcome 2024, we would like to also welcome Felipe Murcia who has recently joined our Boca West management team in the role of Clubhouse Manager. At Boca West, there are so many amazing culinary venues, selections and beverage choices offering something special for everyone. Felipe is responsible for overseeing our Food & Beverage operation and staff. He will also lend his talents and management skills at our new Lifestyle venues and throughout eight restaurants, lounges and bars throughout the Club. Here's a bit more about Felipe:

Felipe Murcia, Clubhouse Manager

Felipe, tell us a little about your background and what led you to Boca West?

My career path has led me through two decades of immersive experiences within the hospitality sector, giving me the privilege of being a part of esteemed establishments that have enriched my skill set and perspective. Early on I spent several years in Switzerland, where among other opportunities, I worked at the Baur au Lac. I went on to open restaurants in Madrid and New York and was fortunate enough to lead the culinary and service teams at iconic properties like Post Ranch Inn in Big Sur California and Little Palm Island in the Florida Keys, as well as the Planters Inn and Peninsula Grill in Charleston South Carolina. Before joining Boca West, I spent the last couple of years working at Fisher Island Club in Miami; realizing that I enjoy the Club environment and our esteemed members as well as the enduring relations that come with it.

What about Boca West inspired you to make us the next step in your career?

The professional growth that the Club offers as an operation, but most importantly the human factor; joining a team of valued professionals under the leadership of Mr. Linderman and Mr. Collings is a privilege that I hope to take advantage of for many years to come. The reputation Boca West enjoys is not only warranted but well deserved, something I would like to contribute to and further.

A large part of your role as Clubhouse Manager will be leading the Food & Beverage team. Describe the best meal you have ever had.

While I have had the privilege of working and enjoying meals at some of the best restaurants in the world, food for me is a means of getting people together. One of the most memorable recent experiences that comes to mind is having my family all around a table in a house we rented in Sardinia.

My brother-in-law, who is a trained chef, was cooking pizzas in the outdoor wood fired stone oven. I was in charge of beverage -- "Aperitivo" and a great Barolo. Watching and enjoying the stories and conversations of three generations during a mild summer Italian night and cooking our pizzas on the spot, will be a long-lasting fond memory.

What trends do you see emerging in the Food & Beverage market and how do you see them manifesting at Boca West?

In the last few years, the outdoor dining scene has become the ultimate restaurant trend, and in Florida we have the privilege to benefit from it year-round; now, the social aspect of dining is back to being in the forefront! The focus is not only on where and what we are eating, but with whom that matters. This impacts the way we order from small plates, family style dining to more dining at bars and communal tables. This has all resulted from everyone's desire to be social again. I may be biased, but as a native Spaniard, I thoroughly enjoy the tapas style service which allows me to explore many things and step out of my "culinary" comfort zone, keeping my palate on edge with a more diverse experience. I also believe that plant-based options are here to stay and become a healthier alternative, changing the way we cook and eat. From what I have seen here at Boca West, from our "Live Well" sections on our menus, to "Lite Bites" in the Living Room, and the many options for outdoor and social dining at new venues coming to the Lifestyle & Racquet Center, Boca West is well positioned to accommodate this changing market.

Tell us how you like to spend your time away from work.

I have two daughters, Sofia and Valentina, who are 4 and 1 year old respectively and fill my time away from Boca West. When they are in daycare, and I have a couple hours to spare, I like to cycle or go sailing. I also enjoy cooking for friends and family and if time allows, reading a good book.

My thanks to Felipe for sharing his experience and insights with me.

There are so many culinary and beverage delights, as well as events and activities planned for you, our valued members in the New Year. We are excited for you to savor and enjoy all that Boca West has to offer and know that you will give Felipe a warm Boca West welcome when you meet. Wishing you and yours a very Happy, Healthy and joyous New Year!

IT'S THE MOST WONDERFUL TIME OF THE YEAR...

Since our inception in 2010, the Boca West Children's Foundation has raised $18 million towards the support of basic needs for thousands of children in Palm Beach County. Working with over 30 charity partners, we fed, clothed, educated, made safe and did so much more for the children in our county who are most at risk.

We couldn't have done this without your help and support. Together, we have made a tremendous difference in children's lives. We thank you for your support and volunteerism. Hoping to make each year more charitable than the last, we need your help to continue our work.

November 16 – Walk the Walk Kickoff at Veronica Beard & FRAME

We spent a wonderful evening at our Walk the Walk Kickoff on November 16. Shoppers at Veronica Beard and FRAME enjoyed light bites, refreshing beverages, and participated in raffles as they shopped for a wonderful cause at the Royal Poinciana Plaza. Veronica Beard and FRAME generously donated 10% of their sales to the Foundation.

December 8 - Shop & Sip Event

On December 8 we began the Walk the Walk weekend with a Shop & Sip cocktail reception sponsored by The Royal Poinciana Plaza. The night included cocktails, food catered by Island Catering, DJ, and a silent auction that raised $18,000 with all generously donated items. For a whole week, we shopped until we dropped, with a portion of each purchase supporting our Walk the Walk.

December 9 - 2023 Walk the Walk

The 3rd Annual Walk the Walk event occurred on December 9 at Post Park in West Palm Beach. More than 250 registrants of all ages enjoyed walking, face painting, photo booths, balloon animals, and a host of other engaging activities raising more than $230,000 in the process.

December 16 - Holiday Shopping and Breakfast Event

On December 16, we hosted our 14th Annual Boys and Girls Club Holiday Shopping & Breakfast gathering. In what the Boca West volunteers called their favorite day of the year, we took 150 children from the Boys and Girls Club of PBC on a holiday shopping spree at Old Navy. Following the shopping excitement, the children enjoyed a delightful breakfast celebration at Boca West County Club. Here, the children savored delicious breakfast treats, picked out toys, and received generous baskets filled with fresh turkeys and vegetables to help create a festive holiday meal for their families.

December 29 - Carnival at Boca West

The Boca West Carnival provided a day full of delight and fun for the children of our charity partners on December 29. The children enjoyed rides, games, drinks and snacks and took home a teddy bear.

Cheers to another year...

HOPE WEEK

By Jeanine Banks, Hope Week Steering Committee Chairman

As we approach ***Hope Week 2024***, we wanted to share another inspiring Hope Week 2023 member experience.

Boca West Member Volunteers Ronda and Bob Smith are a dynamic couple dedicated to making a difference in their community. In 2023, during Boca West's Inaugural Hope Week, they volunteered, along with nearly 40 Boca West members, for a special day of member engagement at Fuller Center. The Volunteers read a book entitled, ***"Maybe Something Beautiful"*** to K-5th graders about a little girl who brings joy to her neighborhood by painting happiness throughout the community. They then accompanied the students who transformed Hughes Park with chalk art.

When Ronda met the students volunteering on Hope Day, she knew she wanted to be a mentor and before the day had concluded, she submitted her application to become one. This resulted in Ronda continuing to volunteer helping students with one-on-one support with classroom learning. Before retiring, Ronda's career was dedicated to teaching in private and public-school settings as a special education teacher working with children overcoming learning challenges.

Ronda's passion for helping others was matched by her husband Bob who soon joined her in this meaningful endeavor at Fuller Center. Bob, who is a retired dentist, found the experience equally rewarding. Together, they enrolled as mentors working with second and third graders at the Fuller Center Academy and continue to give their time and their love to countless children.

Ronda & Rob Smith
Mentor Volunteers

In speaking with Ronda and Bob Smith about their Hope Week experience, I couldn't help but smile at the genuine caring and joy they feel in volunteering. When asking them why Boca West Members should consider volunteering, Ronda replied, "You can really make a difference in a child's life." She added, "I recently completed working with a new student and afterwards the child gave me a great big hug." Bob added, "When I explain something to a child, and they connect and understand it's an exhilarating feeling for the child and for me."

Lisa Talley, Volunteer Manager at Fuller Center added, "The Smith's patient guidance has empowered many young students to overcome challenges and embrace difficult subjects with confidence. The profound impact they make brings a new level of academic excellence and joy to the lives of Fuller Center children and their families. Their commitment to education has made them very special and beloved figures at the Fuller Center."

Our sincere thanks to Ronda & Bob Smith for all of their volunteer efforts. We hope you will join us for ***Hope Week 2024 scheduled for January 29-February 4***. Please review the **2024 Hope Week** Brochure and consider registering for one or more of our member engagement activities at *Boca West Chapter of Pap Corps, Gilda Mallin Boca West Chapter of Hadassah, Fuller Center, Habitat for Humanity, Place of Hope, Boca Helping Hands, Tri County Animal Rescue and Lynn Cancer Institute – Boca Raton Regional Hospital.* Together we can make a difference.

CHAIRMAN'S LETTER

A HAPPY AND HEALTHY NEW YEAR TO YOU AND YOUR FAMILIES. As we ring in 2024, we celebrate the partial opening of our new Lifestyle and Racquet Center. Enjoy this wonderful facility with friends and family.

What a fantastic holiday week we had. From our carnival to the special evenings in Panache to our character breakfasts, etc., everyone had a wonderful time. Thanks to management and staff for working so hard to make this possible. With the season in full swing, expect a host of terrific activities in the weeks and months ahead.

As I discussed at the Membership briefing in December, we are proposing minor changes in our bylaws to clean up some areas that have changed since it was last amended in 2003 when we adopted mandatory membership. There are no substantive changes. In the next few weeks, we will be sending out a detailed explanation, with those proposed amendments. It is our intention to go to the Membership for a vote of approval in March.

I want again thank the Master Association for their outstanding foresight in partnering over the years with the Palm Beach Sheriff's Office. Currently, an On-Duty Deputy is always on campus. Officers respond to every 911 call, routinely patrol and call backup when necessary. This is clearly the Gold Standard, and we earn the admiration of many communities by having this layer of protection. Thank you, Master Association, for your vision.

I want to take a few minutes to share with you your Board's commitment for succession planning. We, as a Board throughout the year identify and educate potential leaders to ensure a smooth transition when current board members complete their term of office. Here are some steps we have implemented.

1. We look for members who have shown commitment, leadership skills, and a passion for the Club. This could include committee members, active volunteers in their Villages and/or Members with relevant expertise.
2. Over the past five years we have developed a leadership incubator through our Leadership Development program. As a member of its first class in 2018, I was given instruction and insight into the operational and policy making processes of Boca West. Our preparation placed us well ahead of any new Board members elected to the Board. It provided us with a clear understanding of Club Governance, Management, and decision-making processes and allow us to go in full speed as Board Members.
3. Boca West Board Members have term limits which encourage a natural turnover which encourages fresh perspectives. Board Members can only serve two consecutive three-year terms of office. Following that they must have a two-year hiatus before running again. This allows current Board Members to experience various positions and leadership roles that have an impact on Club policy.
4. We have developed a transparent and fair process for nominating and electing new board members by developing a Standard Operating Procedure which each nominating committee follows. Through it we encourage members, in a variety of ways, to place their names in nomination and reach out to qualified candidates regularly. Additionally, we have a specific set of procedures that have been developed to ensure that candidates are treated fairly and consistently.
5. The election process has been updated and amended to reflect the wishes of the members as we implemented a true secret ballot last year.
6. We as Members receive a one-page summary written by the candidate and a resume for each candidate. In addition, nominees make a short video statement introducing themselves to the members. This provides our members with information on candidates, allowing members' assistance in making decisions prior to voting.
7. Expect your ballots shortly and we encourage you to submit your secret ballot prior to the deadline for voting.
8. After the election, new Board Members participate in a detailed orientation. Additionally, they are assigned a mentor who is an experienced Board Member who assist them in their new role. This ensures a seamless transition of leadership.

As you can see Succession Planning is crucial for maintaining the stability and success of our Board and our Community. It ensures a smooth transition from year to year; it promotes confidence and consistency in our Community. We continuously assess this process from year to year. Therefore, rest assured that we will continue to act in the best interest of Boca West now and in the future.

Continued health and happiness to you and your families in this New Year.

As always, I am available for suggestions and feedback and can be reached at pedwards@bocawestcc.org .

Most Sincerely,

Dr. Philip Edwards

Dr. Philip Edwards
Chairman of the Board

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes the final decision regarding resolution of the Grievance. The Member is then notified and has forty five days in which to appeal the decision of the Board. One Grievance will be presented.

Grievance 12-2023:

This Grievance was submitted by Members following inappropriate and unlawful behavior of a Members adult child, while in residence of the Members home. The adult child entered an unoccupied home within their community on several occasions. Extensive damage to the property and within the home was done. Theft was also reported. The Boca West Security Department and the Palm Beach County Law enforcement has been involved.

This incident violates the Boca West Bylaws, Article X, Section 10.02 endangering the welfare and safety of Boca West Members, families and guests. Additionally, in accordance with the Boca West Rules and Regulations, Section IV B 9 and the Boca West Gold Card Agreement, Members are responsible for the conduct of their family, day guests, and house guests within all venues and activities at the Club.

The Grievance Committee recommendation to the Board of Governors:

1. Two Year Suspension from all venues and activities in Boca West Country Club.
2. Letters of Apology to the Members who filed the grievance, Mathew Linderman, President, COO, and General Manager, and to the Board of Governors.
3. Appropriate letter to be placed in the Members' Membership File.

The Board of Governors agreed with the recommendation of the Grievance Committee.

The Members appealed and the terms of the suspension were not amended or reduced.
